CLARIFICATIONS:

1. Are you wanting TWO Age 5 -12 structures, one for each of the yellow circled areas (attached and drawn) for this example? – **Yes, we are requesting a structure for both outlined (yellow circled areas).**
2. If you are wanting TWO structures, are you requesting that both units have an inclusive ramp feature for each one? **Yes, the both structures are for inclusive play. The inclusive play is the main factor in this project.**
3. Does the city desire shade to be incorporated in to the design? If so would you prefer integrated shades or freestanding shade structures? How much sq’ or percentage of play events would you like covered by shade? **The City of Edinburg would like to see options on how all three areas can be shaded to accommodate your design.**
- 4.
5. Do you want standalone shade to be installed between the to TWO structures OR do you want shade over each structure (thus having two individual shade structure)? This is part of the Company’s design and choose. **The City of Edinburg would like to see options on how all three areas can be shaded to accommodate your design.**
6. Do you have a “not to exceed” budget number in mind for this project? **Currently the Budget is not finalized pending an additional source.**
7. What is the subbase required? **Compacted A-B is acceptable**
8. Will the city provide levels and other engineering work require for optimum/runoff of the playground location? **To an extend we are able to provide Topo Graphic layout of the area.**
9. Is site expansion allowed? **Yes, to an extent.**
10. Are we allowed to modify the Shape of the 2 areas containing the play Equipment? **Yes, you are allowed to accommodate your design.**
