

SIMPLYE FOR ANDROID DEVICES

What is SimplyE?

SimplyE is a **free** app that allows you to search **Dustin M. Sekula Memorial Library** ebook and audiobook collections across multiple sources, all at the same time, and download them to your Android tablet or phone.

You will need an Android device (v 5.0 or higher), and a valid library card number and password.

SimplyE is not compatible with Kindle or Nook devices.

GETTING STARTED

Install the App

- Open the Google Play Store app and search for **SimplyE**
- Tap **Install**, then open the SimplyE App
- Tap **Agree** to accept the Terms of Service

Log In to your Library

- If it's your first time using SimplyE, tap **Find Your Library**; otherwise tap the ☰ icon on the upper-left corner, then **Add account**
- Locate and tap **Dustin M. Sekula Memorial Library** in the list
- Tap **Accounts**, then **Dustin M. Sekula Memorial Library**.
- Enter your library card number and password
- Tap **Log in**

Select Your Library's Catalog

- Tap **Catalog** in bottom left corner
- Tap icon in upper left corner; select **Dustin M. Sekula Memorial Library**.
- The library's catalog will appear
