**EXECUTIVE SUMMARY  
CDBG-CV3 FUNDING REQUESTS  
DEPARTMENTS**

PROJECT NAME	PROJECT DESCRIPTION	ELIGIBLE	REQUEST AMOUNT
<b>CITY MANAGER'S OFFICE</b>			
Public Address System Video Board	In collaboration with Doctor's Hospital at Renaissance, the City is hosting the distribution of COVID19 vaccine wrist bands, one day before the vaccines are issued. Funding for this project will consist of the purchase of a mobile, public address system/video board. This video board will allow the City to announce vital instructions for persons who will be receiving the vaccine at the wrist band distribution site(s). These instructions will include information on required documentation, vaccination center location map(s) and arrival/registration logistics.	Unreview	\$110,000.00
<b>INFORMATION TECHNOLOGY DEPARTMENT</b>			
Public Broadband Infrastructure	This project will allow for the installation of broadband infrastructure that is necessary to prevent, prepare for and respond to the COVID-19 pandemic in low/moderate income areas of the City. The need for high-speed internet in underserved, low/moderate income areas of the City, has become a high priority due to the COVID-19 pandemic and other emergency declarations. Access to high-speed internet will allow residents to continue social distancing measures by providing better, more reliable access to virtual learning, teleworking, attending telehealth appointments, as well as receiving public health, safety and awareness updates.	Y	\$490,655.00
<b>HUMAN RESOURCES DEPARTMENT</b>			
Human Resources - Reception Area Expansion	The expansion of the reception area will allow for safe social distancing practices that will assist in the prevention of exposure to COVID-19.	N	\$3,000.00
<b>TOTAL DEPARTMENTAL REQUESTS</b>			<b>\$603,655.00</b>
