If requested by the City, schedule update meetings will be held to discuss the results of schedule analysis and necessary action to meet the requirements of the schedule.

F. Consultant shall perform Services necessary to accomplish the work specified in this Agreement, in accordance with this Agreement.

G. City's review or approval of reports, and other services furnished hereunder shall not in any way relieve Consultant of responsibility for the technical adequacy of the work. Neither City's review, approval, or acceptance of, nor payment for any of the Services shall be construed as a waiver of any rights under this Agreement or of any cause of action arising out of the performance of this Agreement.

H. Consultant shall be and shall remain liable, in accordance with applicable law, for damages to City to the extent caused by Consultant's negligent performance of any of the Services furnished under this Agreement. Consultant shall not be responsible for any time-delays in the project caused by circumstances beyond Consultant's control.

I. Consultant's obligations under this clause are in addition to the Consultant's other expressed or implied obligations under this Agreement or state law and in no way diminish any other rights that City may have against Consultant for consultant's errors or omissions.

J. All reports, drawings, plans, and other documentation pertaining to the Services become the property of City.

SECTION V **PAYMENT AND FEES**

City agrees to pay Consultant for recommendations, reports, design, specifications, and such other services herein contracted for as follows:

A. City hereby agrees to pay a sum not to exceed that which is included in a specific Task Order and authorized by a Notice to Proceed, notwithstanding any contrary indications that may be contained in Consultant's proposal, for services to be performed and reimbursable costs incurred under this Agreement. City shall pay Consultant for services rendered pursuant to any specific Task Order and in the manner set forth therein. Consultant shall submit all invoices to City in the manner specified herein. Except as specifically authorized by City in writing, Consultant shall not bill City for duplicate services performed by more than one person. Consultant and City acknowledge and agree that compensation paid by City to Consultant under this Agreement is based upon Consultant's estimated costs of providing the services required hereunder, including salaries and benefits of employees and subcontractors of Consultant. Consequently, the Parties further agree that compensation hereunder is intended to include the costs of contributions to any pensions and/or annuities to which Consultant and its employees, agents, and subcontractors may be eligible. City therefore has no responsibility for such contributions beyond compensation required under this Agreement.

B. City is entitled to impose a set-off against payment based on any of the following:

a. Claims have been made against City based on Consultant's conduct in the performance or furnishing of Services, or City has incurred costs, losses, or damages resulting from Consultant's conduct in the performance or furnishing of Services, including but not limited to claims, costs, losses, or damages from workplace injuries, adjacent property damage, and non-compliance with Laws and Regulations;

b. Consultant has failed to take reasonable and customary measures to avoid damage, delay, disruption, and interference with Services and related work;

c. Consultant has failed to provide and maintain required insurance;

d. City has been required to remove or remediate a Hazardous Environmental Condition for which Contractor is responsible;

e. City has incurred extra charges or engineering costs related to submittal reviews, evaluations of proposed substitutes, tests and inspections, or return visits to manufacturing or assembly facilities;

f. Any Services are, with respect to the applicable standard of care, determined to be defective, requiring reperformance or correction;

g. City has been required to correct defective (i.e. failing to reasonably meet the applicable standard of care) Services or has accepted defective Services;

h. Liens have been filed in connection with the Consultant's performance of Services as a result of Consultant's failure to properly and timely make payments to its subconsultants and subcontractors; or

i. Intentionally Left Blank.

C. If City imposes any set-off against payment, City will give Consultant prior written notice stating the reasons for such action and the specific amount of the reduction, and promptly pay Consultant any amount remaining after deduction of the amount so withheld. City shall promptly pay Consultant the amount so withheld, or any adjustment thereto agreed to by City and Consultant, if Consultant remedies the reasons for such action or provides reasonable information refuting City's claim(s).

D. All fees payable to Consultant under this Agreement shall be made in full, and without any withholding, deduction, or offset of any state or federal withholding taxes, FICA, SDI, or income taxes, nor shall the City be obligated to pay any of Consultant's employees' taxes. Consultant hereby covenants and agrees that it shall be solely responsible for all taxes, withholding, FICA, SDI, and other similar items (both employee and employer portions) with respect to all fees paid by the City under this Agreement, and agrees to indemnify and hold the City harmless with respect to such taxes and withholding.

E. Consultant and its employees shall not be eligible for, participate in, or be entitled to compensation in lieu of any insurance, benefit, retirement, or other plan or program provided by the City to its employees.

F. Consultant shall provide an invoice in accordance with City regulations. Payment terms shall be net thirty (30) days from receipt of invoice.

G. The City may, at any time, request Consultant to make changes within the scope of the Services or to perform extra work. If any request by the City for a change or extra work causes an increase or decrease in the cost or the time required for performance of the work, or any change to this Agreement, Consultant shall, within fourteen (14) days from the date it receives the City's request, unless the City Engineer grants additional time in writing, submit in writing a proposal for accomplishing such changed or extra work. This proposal shall define, if applicable, any increase or decrease in cost or time of completion or other change to this Agreement. The governing body of the City must approve any change orders, pursuant to the City's Code of ordinances and policies and procedures and any other applicable laws of this State, before making the

changes. The City will not be liable for any costs incurred by Consultant from performance of a change or extra work prior to issuance of a change order to this Agreement.

H. The total contract price may not be increased because of the changes unless additional money for increased costs is appropriated for that purpose from available funds or is provided for by the authorization of the issuance of time warrants.

I. Prior to and as a condition of final payment to the Consultant following termination or expiration of this Agreement as defined below, the Consultant shall deliver to the City a release in a reasonable and customary form satisfactory to the City, discharging it and its officers, agents, and employees of liabilities, obligations, and claims arising out of this Agreement and the performance thereof.

SECTION VI **TERM OF AGREEMENT**

A. Except as provided below, this Agreement, and the Services to be performed under it, shall commence on the date this Agreement is executed by both Parties, and shall continue thereafter through and the earlier of (i) two (2) years from the date of execution or (ii) until the Services are declared complete in a written instrument signed by the City Engineer and the City Manager. The City shall have the right, in its sole discretion, to extend the term of this Agreement for an additional year upon approval from the City. If approved by City, City shall provide Consultant with a written notice of the approval of the extension.

B. City may terminate this Agreement upon giving 30 days' prior written notice thereof to Consultant. In addition, City shall have the right, upon written notice, to cancel this Agreement immediately if, in the City's sole judgment, the Services rendered by Consultant breach or violate any of the provisions of this Agreement.

C. Upon termination or completion of this Agreement, City shall have no additional or enhanced liability to Consultant except for charges for Services reasonably and properly performed by Consultant prior to receipt of City's notice of termination or cancellation. The terms and conditions in this Agreement that by their sense and context are intended to survive the performance hereof by either or both Parties hereunder shall so survive the termination, cancellation, or completion of performance of this Agreement.

D. Upon termination or completion of Consultant's Services hereunder or at such other time as may be requested by City, Consultant shall return to City within ten (10) days of City's request copies of final and contractually required documents, records, notebooks, including copies thereof, whether prepared by Consultant or others, in Consultant's possession and related to the Services.

E. The City reserves the right to suspend work on the Services, with or without cause, in whole or in part, upon giving written notice to Consultant. Consultant shall resume the Services so suspended when directed to do so by the City. The City shall

have no liability to Consultant except for charges for Services performed by Consultant prior to receipt of notice of suspension of Services. If only a portion of the Services are suspended, Consultant shall be compensated only for Services of which are not suspended and are actually performed during such suspension.

F. Upon termination of this Agreement or suspension of Services under this Section, the City may take over the work and may obtain the services of another entity to complete the work under this Agreement.

The foregoing limitation of liability shall apply to the maximum extent allowed by law for limitation of City's liability, regardless of the cause of action under which such damages are sought. Further, with the goal of having mutual and similar obligations, City agrees to limit the Consultant's liability arising from Consultant's acts, errors, or omissions such that the total liability of Consultant shall not exceed City's total fees paid to the Consultant for the Services rendered pursuant to this Agreement or to a specific Task Order, whichever is less, to the extent that such claim is the subject matter of the claim. City agrees that Consultant will not be liable for any indirect, incidental, special, or consequential punitive or multiple damages, including without limitation any damages resulting from loss of use, loss of business, loss of revenue, loss of profits, or loss of data, arising in connection with this Agreement, City's performance of its duties and responsibilities under this Agreement, or of any other obligations relating to this Agreement.
