CONFLICT OF INTEREST

DISCLOSURE

Prospective contractors should carefully consider whether any of their activities may give rise to an improper conflict of interest situation. Conflict of interest situations that are not properly addressed can result in a loss of funding to a specific program and/or to the City of Edinburg, and in some cases can result in civil or criminal liability.

Organizations that may enter into a contract with the City of Edinburg should examine the following:

- Are any employees or board members of the organization,
 - a City of Edinburg employee or consultant who exercises program or project specific functions as part of their City position?
 - a member of a Board, Council or Committee that may participate in the City's selection or award process?
 - a City Official?

 - a City of Edinburg employee or consultant who participates in the City's selection or award process as part of their City position?
 - a member of a Board, Council or Committee that may participate in the City's selection or award process?
 - a City Official?
- Will any of my employees or board members receive a financial interest or benefit from any project funded and administered through the City (other than employee salaries or personnel benefits)?
- Will any immediate family members or business associates of my employees or board members receive a financial interest or benefit from any project funded and administered through the City (other than employee salaries or personnel benefits)?
- To my knowledge, will my program or project have a financial effect on a City official or employee who exercises City-related functions, or an immediate family member or business associate of such person? For example, will any of these persons be receiving rental payments, other business income, or program services from my company or services offered?

If you can answer "yes" to any of these questions, it is possible that there may be a conflict of interest. You should review the rules below to determine whether an actual conflict situation is raised, and, if so, what action needs to be taken to avoid a violation of the law. You should contact City staff immediately if you suspect that there might be an issue.

Any contractor entering into an agreement with the City will be required to warrant and represent, to the best of his/her knowledge at the time the contract is executed, he/she is not aware of any improper conflict of interest

as described. Also, the contract will obligate contractors to exercise due diligence to ensure that no improper conflict situations occur during the contract.

BID NO. 2022 -22

It is the intent of this Request for Bids to describe and ultimately make it possible for the City of Edinburg to contract for the below mentioned **PURCHASE OF A HALF TON TRUCK.**

GENERAL REQUIREMENTS AND AGREEMENT FOR THE PURCHASE OF A HALF TON TRUCK:

You are invited to submit a sealed bid for the PURCHASE OF A HALF TON TRUCK as requested by the City of Edinburg Department of Solid Waste Management. NO ALTERNATE BIDS OR PARTIAL TIME FRAME BIDS will be accepted unless requested by the City.

INSTRUCTIONS	INITIAL
The specifications herein describe the minimum acceptable features, colors and performance requirements for two HALF TON PICK -UP Trucks the City of Edinburg will purchase for its citizens. Bidders are to have thoroughly read and understood these specifications prior to bid submission.	
	INITIAL
All bids must be submitted on the City's form provided. Bidders shall complete the yes/no/exception column. The proposed yes/no/exception is to indicate that they are able to perform or provide the service or item as specified. If an item is left blank, the City will assume the bidder cannot meet the specifications and may cause rejection of the bid. The City of Edinburg Dept. of Solid Waste Management manages a uniform and standardized inventory which expressly provides for the interchangeability of common and/or singular components and reduces the need for large inventory stock; therefore, all variations and/or exceptions must be documented , referencing applicable paragraph(s), and explained in detail on a separate page titled <u>"Exceptions"</u> . Otherwise it will be considered that equipment offered is in strict compliance with these specifications and requirements, and successful bidder will be held responsible therefore. If the City of Edinburg determines by any means that <u>exceptions</u> exist which were not identified on such list, then that bid will be disqualified as being non-responsive. If no exceptions are taken, it will be assumed that the bid meets all specifications as stated. However, no implication is made by THE CITY OF EDINBURG that exceptions will be <u>acceptable</u> . Bidder is advised that the response (or lack thereof) on this question does not take precedence over specific responses or non-responses provided elsewhere in this bid.	
	INITIAL

The CITY OF EDINBURG reserves the right to reject any and all bids, the right to waive informalities, and the right to disregard alternate bids, nonconforming bids, conditional bids, partial bids, or counter bids. It is the intention of THE CITY OF EDINBURG to execute a final, binding Contract with the successful Vendor which incorporates terms and conditions no less onerous than those appropriate to the engagement of a licensed contracting firm in connection with a project/ purchase of this magnitude, nature and importance. If the contract is to be awarded, it will be awarded to the lowest responsible Vendor whose evaluation by the CITY indicates that the award will be in the best interest of CITY OF EDINBURG. Pricing must be firm and held for the contract term **by signing the Bid; the bidder agrees that he had read and understood the instruction** to bidders and thereby agrees to all of the specifications and stipulations as listed.
