

Martin Park is home to an Outdoor Fitness Court

The new Fitness Court is an open-air wellness center that allows users to leverage their own body weight to get a complete workout using seven stations. Created with adults 14 years and older in mind, the Fitness Court is adaptable for all fitness levels. New users are encouraged to download the free Fitness Court App — a coach-in-your-pocket style platform — that transforms the outdoor gym into a digitally supported wellness ecosystem. The Fitness Court App is available for iOS and Android.
