Sub 1-9 WO 36

Drainage Attorney Art Cady requested to meet with the Board to discuss Sub 1-9 since Cady will not be able to attend the public hearing on February 20, 2024. CGA's recommendations are to seek legal counsel opinion regarding who is allocated the cost of railroad spur crossing. Cady commented that the cost of the RR spur should be the landowners within the drainage district since it is owned by the Landus Cooperative.
