Sub 4-3 WO #177

JDD 3-111 WO #204

Received invoice from Mort's Water. They repaired tile & stated it was plugged with tree roots from neighboring property. Richard Suntken stopped by & is concerned the tree roots nearby would damage the tile again. Vanness will stop to check the distance of the neighboring property & report back.

DD 25 Trustee

Received reports for bids on projects, Holland Contracting won the bid. Corey Jacobson had mentioned in an email the amount of interest & installment payments, which differ from Franklin County Drainage Assessments process. The Board of Supervisors wanted to make sure DD 25 Trustees understood the amount of interest per year and the waiver process. Bruns emailed Jacobson to inform him of the drainage assessments interests & waiver process. Jacobson called back & stated he will have Goodwin Law Firm contact Bruns to discuss the interest amount & length of waivers.
