AGREEMENT

THIS AGREEMENT, entered into this twentieth day of April, 2021, between the City of Galesburg, Illinois (The "City") and the American Federation of State, County and Municipal Employees, Council 31, AFL-CIO for and on behalf of Local 1173 (the "Union"):

PREAMBLE

WHEREAS, the City has endorsed the practice and procedures of collective bargaining as a fair and orderly way of conducting its relations with certain of its full-time employees insofar as such practices and procedures do not interfere with the City's right and obligation to operate effectively in order to best serve the City and its residents and to make clear all basic terms upon which such relationship depends; and

WHEREAS, it is the intent and purpose of the parties to set forth herein their entire agreement covering rates of pay, wages, hours of employment and all other conditions of employment; and to provide the procedure for the prompt and peaceful settlement of grievances respecting the terms of this Agreement;

NOW, THEREFORE, in consideration of the mutual promises and agreements herein contained, the parties do mutually promise and agree as follows:

ARTICLE I - RECOGNITION

SECTION 1.1 – UNION RECOGNIZED

The City recognizes Local #1173 and Council 31 AFSCME as the exclusive bargaining agent for the purpose of establishing the wages, hours, terms and conditions of employment for all non-exempt, full-time permanent employees, those employees scheduled to work more than 32 hours per week. Permanent part-time employees are any employee(s) who are regularly scheduled to work a minimum of thirty (30) hours per week. Permanent part-time employees are entitled to 3/4 of the benefits of a full-time employee. Additionally, the City shall furnish health care coverage for all permanent part-time employees. Permanent part-time employees are eligible for membership in the Union. Employees represented are in the classification of Bus Driver, Transit Clerk, Property Compliance Officer, Transit Technician, PSB IS Tech, Transit Shop Foreman, Transit Dispatcher, Secretary I, Information Systems Technician, Account Clerk I, Junior Accountant, Handivan Driver, Communications Dispatcher/Clerk I, Communications Dispatcher/Clerk II, Public Safety Clerk, Telephone Systems Operator, Recreation Activity Specialist, Engineering Technician I, Engineering Technician II, Custodian I, Custodian II, Maintenance Worker, Heavy Equipment Operator, Mechanic, Public Service Officer, Utility Maintenance, Electrician, Crew Foreman and Water Meter Shop Foreman.

Employees excluded from representation are all seasonal (those hired to work for a fixed period of time which is less than one year), part-time (those scheduled to work an average of less than 30

hours per week), uniformed police and firefighter, supervisory, confidential or exempt employees and all elected officials or officers of the City.

SECTION 1.2 – NEGOTIATIONS

The Union shall be permitted to have five (5) individuals sit on the negotiating committee provided it does not interfere with or disrupt emergency services, if any.

SECTION 1.3 – NEW CLASSIFICATIONS

The City shall notify the Union, in writing, of its decision to implement any and all new classifications pertaining to work of a nature performed by employees in the bargaining unit. If the new classification is a successor title to a classification covered by the agreement and the job duties are not significantly altered or changed, the new classification shall become a part of this Agreement. If the new classification contains a significant part of the work now being done by any of the classifications covered by this Agreement, and the Union notifies the City of a desire to meet within ten (10) days of its receipt of the City's notice, the parties will then meet to review the proposed classification. The Union will have ten (10) calendar days to respond to said written notice. If no response is received within that time period, however, the Union is presumed to have agreed with the change.

SECTION 1.4 – INTEGRITY OF BARGAINING UNIT

Absent an emergency, the City will not assign work normally performed by employees in the bargaining unit to employees in another City bargaining unit without notifying the Union. This provision shall not apply where there are not sufficient bargaining unit employees willing or available to perform the work in question.

SECTION 1.5 – RIGHT TO SUB-CONTRACT

Nothing in this Agreement shall preclude the City from exercising its right to sub-contract for any goods or services. The Union, however, shall be afforded the right to subscribe, without charge, to the City's E-Alert system in order to receive by e-mail notices of posted Requests for Proposal (RFP). Should the Union wish to discuss the subject matter of any particular RFP or to offer any proposal that it may have for performing the work by the use of bargaining unit employees, it may do so by requesting a Labor-Management meeting under Section 8.3.

ARTICLE II - UNION RIGHTS

SECTION 2.1 – DUES DEDUCTIONS

While this Agreement is in effect, the City will deduct, once each month, the regular monthly union dues, plus a deduction for P.E.O.P.L.E., for each employee in the bargaining unit. The union, not the employer, will be the record keeper of deduction cards. The union is not required to provide a copy of the dues authorization to the employer. Dues deduction authorizations remain valid until the employee leaves the bargaining unit or the employer receives notice from the union that an employee has revoked his/her authorization in writing in accordance with the terms of the authorization. The amounts so deducted shall be forwarded each calendar month to the appropriate officer of the Union. The Union may change the fixed uniform dollar amount which shall be

considered the regular monthly union dues once each year during the life of this Agreement. The Union will give the City thirty (30) days' notice in writing of any such change in the amount of uniform union dues to be deducted. The Employer must commence dues authorization within 30 days of notice of authorization from the Union and must transmit the deductions to the union within 30 days of the deduction. Should the Employer not timely deduct dues or accept revocations directly from employees, the Employer will have to reimburse the union for lost dues income. The Employer shall honor the employees' individually authorized union deductions. Authorized deductions shall be irrevocable except in accordance with the terms under which an employee voluntarily authorized said deductions. Electronic signatures for dues deductions are valid signatures.

SECTION 2.2 – UNION INDEMNIFICATION

The Union shall indemnify, defend and save the City harmless against any and all claims, demands, suits, or other forms of liability and for all legal costs that shall rise out of or by reason of action taken or not taken by the City in complying with the provisions of this article. The Union agrees to refund to the City any amount paid to the Union in error on account of this dues deduction provision within fifteen (15) days.

SECTION 2.3 – UNION ACCESS

The employer shall provide to the exclusive representatives, including their agents and employees, reasonable access to employees in the bargaining units they represent. This access shall at all times be conducted in a manner so as not to impede normal operations.

SECTION 2.4 - EMPLOYEE INFORMATION

The employer shall provide bargaining unit lists and employee contact information to the union at least once per month in Excel under the IPLRA. The information shall include name, address, job title, worksite location, work telephone numbers, identification number if available, date of hire, work email address, any home and personal cellular telephone numbers on file and any personal email addresses. The employer must provide the union the same information as above for all new hires within 30 days of the date of hire.

SECTION 2.5 – TIME OFF FOR UNION BUSINESS

Five elected Union officers will be allowed time off without pay, scheduling permitting, for the purpose of attending Union meetings, conferences, and conventions. Employees may elect to take accrued time (i.e. vacation, holiday, personal, comp time, etc.) in lieu of taking such time off without pay. Such time off shall not be detrimental in any way to the employee's record. The Union shall conduct union orientation for each new bargaining unit employee during the employees first 10 days of employment without loss of pay for the employees (including the employees representing the union). The orientation shall not exceed 1 hour.

ARTICLE III - MANAGEMENT RIGHTS

SECTION 3.1 – MANAGEMENT RIGHTS

Except as specifically limited by the express provisions of this Agreement, the City possesses the sole right and authority to operate and direct the employees of the City and its various departments in all aspects, including, but not limited to, all rights and authority exercised by the City prior to the execution of the Agreement to include, but not limited to: the right to determine its mission, policies, and to set forth all standards of service offered to the public; to plan, direct, control and to determine the operations or services to be conducted by employees of the City; to determine the methods, means, and number of personnel needed to carry out the department's mission; to direct the working force; to hire and assign or to transfer employees within the department for other related functions; to promote, suspend, discipline or discharge; to lay off or relieve employees due to lack of work or funds or for other legitimate reasons; to make, publish and enforce rules and regulations; to introduce new or improved methods, equipment, or facilities; to contract out for goods and services; to schedule and assign work; to establish work and productivity standards; to assign overtime; and to take any and all actions as may be necessary to carry out the mission of the City and its departments in situations of civil emergency as may be declared by the Mayor, the City Manager or Acting City Manager, provided that no right enumerated in this Agreement shall be exercised or enforced in a manner contrary to or inconsistent with the provisions of this Agreement as directed by the City Manager.

SECTION 3.2 – DETERMINATION OF AUTHORITY

If, in the sole discretion of the City Manager, it is determined that extreme civil emergency conditions exist per Illinois State Statutes, the provisions of this Agreement may be suspended by the City Manager during the time of the declared emergency. Should an emergency arise, the City Manager shall advise the local President of the Union or the next highest officer of the Union of the nature of the emergency.

SECTION 3.3 – AUTHORITY FOR APPOINTMENTS

Authority to make appointments to all positions in the City's service, except those of City Clerk, Deputy City Clerk, City Treasurer, Deputy City Treasurer, Election Clerk, and uniformed personnel (except Chiefs of the Police and Fire Departments), is vested in the City Manager.

Before being given a permanent appointment, each employee shall undergo a thorough examination by a physician designated by the City, and no one shall be employed unless the examining physician certifies that he or she is physically able to perform the essential functions required by his or her position.

ARTICLE IV - NON-DISCRIMINATION

SECTION 4.1 – EMPLOYMENT POLICY

Neither the City nor the Union shall discriminate against any employee covered by this Agreement in a manner which would violate any applicable laws because of race, creed, color, national origin, disability, age, sex, veteran's status, genetic information, or sexual orientation.

SECTION 4.2 – EMPLOYEE DISCRIMINATION

Neither the City nor the Union shall interfere with the right of employees covered by this Agreement to become, or not become, members of the Union, and there shall be no discrimination against any such employees because of lawful Union membership or non-membership activity or status.

SECTION 4.3 – RESPONSIBILITY OF UNION

The Union recognizes its responsibility as bargaining agent.

SECTION 4.4 – HIRING PRACTICE

Only one person from a family shall be employed as a permanent employee by the City in the same department or in any City employment so that they would be working in close proximity on a regular day-to-day basis. For this purpose, a member of a family is defined as a parent, step-parent, parent-in-law, sibling, child, step-child, son-in-law, daughter-in-law, natural grandparent, grandchild or spouse. The word "spouse" shall include a civil partner, and all "in-law" categories shall include equivalent relationships affected by means of a civil union.

SECTION 4.5 – GENDER

Wherever the male gender is used in this Agreement, it shall be construed to include equally both male and female employees.

ARTICLE V - GRIEVANCE

SECTION 5.1 – DEFINITION

A grievance shall be defined as a dispute arising between the parties concerning a violation or alleged violation of this Agreement.

SECTION 5.2 – TIME LIMIT

A grievance must be filed within ten (10) business days of its occurrence.

SECTION 5.3 – PROCEDURE

STEP ONE: An employee having a grievance shall meet with his immediate supervisor. The supervisor shall give the employee an oral answer within three (3) business days after such presentation. Discharge cases and other cases which by their nature are not capable of being settled at the preliminary step of the grievance procedure may, by mutual

agreement of the parties, be filed at Step Three of the grievance procedure of this contract. The time limit for filing such a grievance shall be as provided in Section 5.2.

STEP TWO: If the grievance is not settled in Step One and the employee and Union wish to advance the grievance to Step Two, it shall be referred in writing to the employee's immediate supervisor within seven (7) calendar days after the supervisor's oral answer in Step One and shall be signed by the aggrieved employee and the Union Steward when applicable. The written grievance shall contain a complete statement of the facts, the provision or provisions of this Agreement which the City is alleged to have violated and the relief requested. Within seven (7) calendar days of the receipt of the written grievance, the City shall schedule a meeting with the aggrieved employee, his immediate supervisor, the department or division head and the Union Steward. If no settlement is reached, the department head shall provide the employee a written answer within seven (7) calendar days following their meeting.

STEP THREE: If the grievance is not settled in Step Two and the employee and Union wish to appeal the grievance to Step Three, it shall be referred in writing to the City Manager within seven (7) calendar days after the City's answer in Step Two and shall be signed by the aggrieved employee, and the Union Steward and/or the Union Representative, when applicable. Within seven (7) calendar days of receipt, the City shall schedule a meeting with the employee, the department head, the immediate supervisor, Human Resource Coordinator, City Manager and two Union representatives. If no settlement is reached, the City Manager or his representative shall give the City's written decision to the aggrieved employee within ten (10) business days following their meeting.

SECTION 5.4 – BINDING ARBITRATION

A. **FILING:** If the grievance is not settled in accordance with the foregoing procedure, the Union may refer the grievance to binding arbitration within ten (10) business days after the receipt of the Step Three response. The parties shall attempt to agree upon an arbitrator within five (5) business days after receipt by the Employer of the notice of referral. In the event that the parties are unable to agree upon an arbitrator within such five (5) days, they shall immediately jointly request the Federal Mediation and Conciliation Service (FMCS) to submit a panel of five (5) arbitrators with the appropriate experience and background. Either party may reject one (1) entire panel. Both the Employer and the Union shall have the right to strike two (2) names from the panel. One party shall strike the first name, then the other party shall strike the second, the first party shall strike the third name, the other party a fourth name, and the remaining person shall be the arbitrator. The order of striking shall be determined by a coin toss. The arbitrator shall be notified of his selection by a joint letter from the Employer and the Union requesting that he set a time and place subject to the reasonable availability of the Employer and the Union representatives. All arbitration hearings shall be held in the City of Galesburg, Illinois unless the parties mutually agree otherwise.

B. **ARBITRATOR'S AUTHORITY:** The arbitrator shall act in a judicial, not legislative capacity and shall have no right to amend, modify, nullify, ignore, add to or subtract from the provisions of this Agreement. He shall only consider and make a decision with respect to the specific issue submitted and shall have no authority to make a decision on any other

issue not so submitted to him. The arbitrator shall be without power to make a decision contrary to or inconsistent with or modifying or varying in any way the application of laws and rules having the force and effect of law. The arbitrator shall submit his written decision within thirty (30) days of the close of the hearing or the submission of briefs by the parties, whichever is later, unless the parties agree to a written extension thereof. The decision shall be based solely upon his interpretation of the meaning and/or application of the express terms of this Agreement to the facts of the grievance presented. A decision rendered consistent with the terms of this Agreement shall be final and binding.

C. ARBITRATOR'S DECISION: The decision of the arbitrator may be enforced, at the instance of either party or of the arbitrator, in the Circuit Court for Knox County, Illinois. The commencement of a new fiscal year after the initiation of arbitration procedures under this Agreement, but before the arbitrator's decision or its enforcement, shall not be deemed to render a dispute moot, or to otherwise impair the jurisdiction or the authority of the arbitrator or the Circuit Court or the decision of either. The arbitrator's decision shall be reviewable by the Circuit Court as set forth in the Illinois Uniform Arbitration Act, Chapter 10, Illinois Revised Statutes. The pendency of such proceedings for review shall not automatically stay the order of the arbitrator.

D. FAILURE TO PROCESS IN A TIMELY MANNER: If a grievance is not appealed to the next step within the time limits set forth or during a mutually-agreed written extension, the grievance shall be deemed settled on the basis of the Employer's last answer. If the Employer does not answer a grievance or an appeal thereof within the specified time limits, the Union may elect to treat the grievance as denied at that step and immediately appeal the grievance to the next step, if any. The time limits set forth throughout the procedure shall be in effect except as to those grievances involving the department's action in the case of a disciplinary suspension, discharge or layoff from work, when the grievance shall be filed by the end of the next business day after the employee or the Union knows of the action. Time limits for the processing of any grievance may be extended at any time by the written mutual agreement of the parties.

E. ARBITRATION COSTS: The fee and expenses for the arbitrator's services shall be borne equally by the Employer and by the Union. Each party shall be responsible for compensating its own representatives and witnesses, and purchasing its own copy of the written transcript, however, the cost of the arbitrator's copy shall be borne equally by the parties.

F. GRIEVABLE DISCIPLINE: Arbitration shall not be allowed for grievances involving oral or written reprimands.

SECTION 5.5 – COMPENSATION

The employer shall give the union reasonable access to workplaces to meet with employees during the workday for workplace meetings involving grievance investigations, and workplace-related complaints without loss of pay for the employees (including employees representing the union).

ARTICLE VI - NO STRIKE AND NO LOCKOUT

SECTION 6.1A – NO STRIKE

During the term of this Agreement, neither the Union nor its agents or any employee, for any reason, will authorize, institute, aid, condone or engage in a slow-down, work stoppage, strike or any other interference with the work or statutory functions or obligations of the Employer. Nothing in this section would preclude the Union from establishing an informational picket.

SECTION 6.1B – NO LOCKOUT

During the term of this Agreement, neither the Employer nor its agents, for any reason, shall authorize, institute, aid or promote any lockout of employees covered by this Agreement.

SECTION 6.2 – UNION RESPONSIBILITY

In the event of a violation of Section 6.1 of this Article, the Union agrees to notify all local officers and representatives of their obligation and responsibility for maintaining compliance with this Article, including their responsibility to remain at work during any interruption which may be caused or initiated by others and to encourage employees violating Section 6.1 to return to work.

SECTION 6.3 – PENALTY

The Employer may discharge or discipline any employee who violates Section 6.1 and any employee who fails to carry out his responsibilities under Section 6.2 and the Union will not resort to the grievance procedure on such employees' behalf. The Union agrees that the Employer has the right to deal with any such strike activity by the above measures, including suspension without pay on any, some or all of the employees participating therein.

SECTION 6.4 – MANAGEMENT RESPONSIBILITY

Nothing contained herein shall preclude the Employer from obtaining judicial restraint and damages in the event of a violation of this article.

ARTICLE VII - HOURS OF WORK AND OVERTIME

SECTION 7.1 – NO GUARANTEE

This article is intended to define the normal hours of work and to provide the basis for the calculation and payment of overtime. It shall not be construed as a guarantee of hours of work per day or per week or of days of work per week. If the City of Galesburg determines that, in its sole judgment, it is necessary to reduce work hours or days per week, the City shall notify the Union of its intention and allow the Union a two-week period in which it may meet with the City Manager to discuss the City's intention and offer any alternative options including any other cost savings options that the Union wants the City to consider. At the end of that two-week period, however, the City may implement its plan, or modification of its plan, with or without Union agreement. The City shall give any affected employees two weeks notification of any reductions.

SECTION 7.2 – NORMAL WORKWEEK/WORKDAY

Except as provided elsewhere in this Agreement, the normal workweek shall consist of forty (40) hours per departmental calendar week and such additional time as may, from time to time, be required. The normal workweek shall consist of five (5) eight-hour workdays in a seven-day period.

SECTION 7.3 – OVERTIME

Subject to the provisions of Section 7.3A, time and one-half the employee's regular rate of pay will be paid for all authorized time worked, as verified by the employee's supervisor, in excess of forty (40) hours in any one departmental calendar week or in excess of eight (8) hours in any one day when such time is required to be worked by the City, provided that daily overtime is not required to be paid when the work schedule is adjusted by mutual agreement of the City and an employee to provide for workdays in excess of eight (8) hours in the context of a forty (40) hour week. For hours worked in excess of sixteen (16) hours in a 24-hour period, employees shall be paid double time. The City shall compute overtime compensation on base pay, longevity pay, and schooling pay educational incentive pay. Overtime pay will be paid in the same pay period in which it is earned.

Employees shall have the option to receive pay or bank compensatory hours for all overtime earned within the pay period. Employees may elect one of the following methods of payment for overtime – payment, banking of hours or a combination of payment and banking.

Employees may accrue a maximum of two hundred and forty (240) hours of compensatory time and may carry a balance forward to the next fiscal year. Employees may be paid for accumulated compensatory time at any time by submitting the appropriately coded hours on their timesheets.

After an employee reaches an accumulation of two hundred and forty (240) hours, he will be paid for all overtime worked in excess of the two hundred and forty (240) hours.

At termination of employment with the City for any reason, the employee will be paid for all unused compensatory time at the current rate of pay.

SECTION 7.3A FLEX TIME

Bargaining unit employees may enter into flex time agreements with their Department Heads whereby working days may be longer or shorter than eight (8) hours in particular workweeks in order to accommodate to personal or Department needs. Any such agreement must be in writing and signed by the Department Head and the employee, and it must specify the time period covered by the agreement (i.e., a particular workweek or other specified work period, or an indefinite period until revoked by either party in writing or superseded by a subsequent flex time agreement).

Employees working flex time schedules are exempted from the daily overtime requirement of Section 7.3 but must be paid at overtime rates for hours worked in excess of forty (40) in a week.

Flex time agreements will be kept in City and Department records and in the personnel files of employees covered by such agreements.

SECTION 7.4 – EMERGENCY SNOW PICKUP

In cases of emergency snow pickup, employees who are engaged in snow pickup duties will be paid at time and one-half for work performed outside the employee's normal work schedule. Any employee involved in emergency snow removal or pickup who is sent home during their normal shift hours to rest shall be allowed to use vacation or compensatory time during their normal shift hours.

SECTION 7.5 – CALL-BACK PAY

An employee who is called back on his vacation or regular day off or time off, including holidays, will receive a minimum of two (2) hours' pay. Employees will not be considered to be "on-the-clock" until arrival at the workplace, except that compensable travel time will be allowed in accordance with FLSA regulations.

SECTION 7.6 – STANDBY PAY

An employee in the bargaining unit shall receive one hundred fifty dollars (\$150) per week for each seven-day period an employee is scheduled for standby. This standby pay shall be in addition to any overtime pay. An employee on standby status must remain within the residency limit established in Article XIX of this Agreement and must be able to respond to a call-in within thirty (30) minutes of having received the call. The City reserves the right to schedule an employee's standby and to make changes in the standby schedule. In any event, the actual date upon which discipline commences may not exceed forty-five (45) days. Once the measure of discipline is determined and imposed, the City shall not increase it for the particular act of misconduct.

If within one (1) year after imposition of an oral reprimand or within two and a half (2½) years after imposition of a written reprimand, there is no intervening discipline for the same cause, the oral or written reprimand shall be removed from an employee's personnel file.

If an employee is suspended or discharged by the City, upon written request by the employee or Union President, with written consent of the employee, a disciplinary meeting may be held to discuss the discipline and the reasons thereof. This request shall be submitted in writing to the City Manager one business day following the suspension or discharge. The employee may have one Union Representative present at this meeting.

The normal beginning rate for a new employee will be the minimum rate in the established range for the class of position. However, the City Manager may, in special cases, authorize initial appointment above the minimum. Increments within established salary ranges are to provide a means of recognizing outstanding performance and continued good service. Ordinarily, employees progress from Step "A" to Step "B" at the end of one year's service, then annually thereafter until the last step in the pay range has been reached. Employees progress through eleven steps with two and a half percent increments between steps. In the event that a salary adjustment is withheld, then the City will notify the Union of such action. When step increases are awarded, employees receive step increases on their anniversary date.

SECTION 16.3 – LONGEVITY

After ten (10) continuous years of service, each employee covered by this Agreement, shall have the following amounts added to his base wages:

- Upon 10 years' service - increase base pay by 2%
- Upon 15 years' service - increase base pay by 4%
- Upon 20 years' service - increase base pay by 6%
- Upon 25 years' service - increase base pay by 8%
- Upon 30 years' service - increase base pay by 12%

Base pay shall be the bi-weekly salary from the official pay plan for which the employee is eligible excluding any other pay adjustment or compensation provided in the contract.

SECTION 16.4A – APPROVED COLLEGE WORK, LICENSE AND CERTIFICATION INCENTIVE

The City shall provide an incentive for full-time employees covered by this Agreement to obtain a level of education beyond that of a high school diploma and the minimum requirements for the position held by the employee as well as certain licenses or certifications relating to the employee's classification. A proposed curriculum must be approved by the City prior to the start of classes by the employee to be eligible for the education incentive pay. Employees shall be reimbursed by the City \$150 per six (6) months for the cost of tuition fees and books for approved courses.

The education incentive pay will be applicable for the completion of the first- and second-year Associate Degree of college work at an accredited institution and maintenance of an aggregate grade point average of 2.0 on a scale of 4.0.

SECTION 16.4B – COMPENSATION

City employees' base pay will be increased by 5 percent for completion of college work approved by both the City Manager and the accredited institution involved for the equivalent of one academic year of work above and beyond the minimum requirements for the position held by the employee. This increase shall only apply to employees who receive the approved education while employed by the City of Galesburg. Employees must have their curriculum approved by the City prior to the start of classes in order to be eligible for reimbursement in Section 16.4(A) or increased compensation in Section 16.4B. The employee's salary will be increased by an additional 5 percent of base pay for the completion of a second academic year. A transcript of subjects from the college stating the employee has met the requirements must be submitted to the employee's department head before the pay increase will be approved.

City acknowledges that employees who have received education beyond the minimum requirements may provide an enhanced benefit to the City. As such, City may at its sole discretion choose to offer an employee with relevant education beyond the minimum requirements of the position a rate in excess of the minimum rate for the class of position. In doing so, the City will consider whether the education is relevant to the position, how far the employee has progressed and other relevant factors.

Employees of the Water Division, while employed within the Division, salary will be increased by 5% for completing the necessary requirements and receiving and maintaining an Illinois Public Health Plumbing License.

An employee of the Water Division, while employed within the Division, will have his salary increased by 5% for completing the necessary requirements and receiving and maintaining each progressively higher standard Illinois Environmental Protection Agency (IEPA) Water Operators License (i.e. Class C and B) above and beyond the requirements of the employee's position.

Employees currently receiving educational incentive pay, will continue to receive it; provided, however, that no employee may receive more than 10% in educational incentive.

SECTION 16.5 – SEVERANCE PAY

A permanent employee electing to retire under the provisions of any City pension fund because of length of service shall be entitled to severance pay equal to two (2) weeks actual salary at the time of retirement. This applies to retirement only where City employees have attained twenty (20) years or more of service with the City of Galesburg and meet the age requirement of fifty-five (55) years of age established by the Illinois Municipal Retirement Fund. This is a one-time only benefit and credit will not be given for part-time or temporary service unless hired on a permanent basis without a lapse in employment. The City will compute severance pay on actual wages rather than base wages.

SECTION 16.6 – PAYROLL DEDUCTIONS

If the employee so desires, the Finance Department may make certain deductions from his check. Among these are savings and payments to the Credit Union, United Way contributions, additional withholding tax, etc. All deductions must be requested in writing, dated and signed by the employee. All employees covered by this contract are eligible to participate in the Flexible Benefits, Section 125 plan.

SECTION 16.7 – DISPATCHER TRAINING PAY

A communications dispatcher who is a certified training dispatcher and who is working in that capacity by assignment of the Police Chief or his designee, shall receive one half hour (.50) hour of compensatory time, for each four (4) hours of assigned certified training dispatcher work.

Bargaining unit employees assigned to the Traffic Division of the Department of Public Works, who successfully complete two full years of the Associated Builders and Contractors of Illinois (ABC) electrical apprenticeship program will receive a 5% increase to their base rate of pay. Bargaining unit employees who complete a third full year of this program shall receive an additional 2.5% increase to their base pay. Bargaining unit members who complete the fourth year of the program shall receive an additional 2.5% increase to their base pay. No employee may receive more than 10% in combined incentives between this program and the educational incentive outlined in Section 16.4B.

The incentives described above will only be awarded to those employees with acceptable grades, classroom hours and attendance, as validated by the ABC. Employees shall be responsible for paying for the entire cost of this program.

ARTICLE XVII - GROUP BENEFITS

SECTION 17.1 – GROUP MEDICAL COVERAGE

Plans, each of which provide certain basic benefits and comprehensive major medical benefits to age sixty-five (65) are available to permanent full-time employees and their dependents, and to eligible retired employees under the age of 65 and their dependents under the age of 65. Plans of medical coverage that is secondary coverage to Medicare Parts A and B are available to retired employees at age sixty-five (65) and their dependents at age 65.

Upon termination of employment for any reason other than retirement, the group coverage shall cease as of the date of the termination of employment. Employees who have been placed on temporary or permanent disability by the Illinois Municipal Retirement Fund, on pregnancy leave, or who are on injury leave in excess of the injury leave period may remain on the City's major medical plan at the employee's cost until age sixty-five (65).

SECTION 17.2 – PERMANENT FULL-TIME EMPLOYEES AND DEPENDENTS

Each plan coverage month begins on the first day of the calendar month. Employees under this Agreement will be eligible for the medical coverage on the first day of the calendar month next following the date that the employee commences to work. An eligible dependent shall include the covered employee's spouse, eligible dependent children and civil union partner, as per the current plan provisions.

Effective as of the date of execution of this Agreement, employees covered by this Agreement will contribute the monthly amounts specified in Appendix C toward the premium cost of group medical coverage under the City's plans. During the term of the agreement, modifications of plan benefits, including but not limited to changes in coverage, deductibles, co-pays and out-of-pocket maximum payments, may occur as necessary to maintain plan solvency. Any such modification shall not be grievable by the union, nor shall the City be required to make changes applicable only to AFSCME employees in the City-wide plan.

In the event that annual premiums for the medical insurance program (health, vision and dental) increase more than 3.5% for any annual renewal, the amount above the 3.5% increase shall be shared pro-rata between the City and the employee based on the current pro-rata share for the employer and employee under their current healthcare plan. The pro-rata share for the current year is shown in Appendix C which outlines the health insurance contribution rates for the parties.

SECTION 17.2A HEALTH SAVINGS ACCOUNT (HSA)

For employees who elect coverage under the "High Deductible Plan" the City will make a contribution of \$750 for single coverage and \$1,500 for family coverage to a Health Savings Account (HSA) for each plan year. Employees who elect coverage under a plan other than the "High Deductible Plan" are not eligible for an HSA and no City contribution will be made.

SECTION 17.3 – EMPLOYEES ON DISABILITY LEAVE

Subject to the City's group coverage plan, an employee on disability leave or worker's compensation leave may remain in the group health plan but the employee must pay the employee contribution and if applicable, the dependent's contribution.

SECTION 17.4 – RETIRED EMPLOYEES AND DEPENDENTS

Except as otherwise provided in Article XX of this Agreement an employee who is under age sixty-five (65) but retired from the City's service as a result of becoming eligible to retire because of having served the required number of years and having reached the required age of retirement under the Illinois Municipal Retirement Fund may retain the same medical plan of coverage he had as a City employee. The City will bear the cost of the total premium for the employee only medical coverage to age sixty-five (65). Should the employee choose to continue dependents coverage, the employee will pay the full premium for dependents coverage. Further, should any employee under the age of fifty-five (55) opt for retirement after twenty (20) years or more of service with the City of Galesburg and who also meets the service requirements for pension benefits under the provisions of the Illinois Municipal Retirement Fund, then that employee may remain in the City's health medical coverage plan at his own expense to age sixty-five (65). If any covered person attains the age of sixty-five (65), be it the retired employee or a dependent, then said employee or dependent is eligible for coverage secondary to Medicare as described in the first paragraph of Section 17.1. That person who attains the age of sixty-five (65), be it the retired employee or a dependent, immediately becomes eligible for the coverage secondary to Medicare and all other coverage is terminated in regard to that person.

SECTION 17.5 – UNION AND MANAGEMENT LIABILITY

The failure of any plan of medical coverage to provide any benefit for which it has contracted shall result in no liability to the City or to the Union, nor shall such failure be considered a breach by the City or Union of any obligation undertaken under this or any other Agreement. However, nothing in this Agreement shall be construed to relieve any plan of medical coverage from any liability it may have to the City, Union, employee or beneficiary of any employee. The terms of any contract or policy issued by a plan of coverage shall be controlling in all matters pertaining to benefits thereunder.

SECTION 17.6 – RIGHT OF CONSULTATION

A difference or conflict between an employee (or his covered dependents) and the plan of coverage regarding claims or coverage shall not be subject to the grievance procedure provided for in any collective bargaining agreement between the City and the Union. The City will, however, designate a representative who will be reasonably available for consultation with claimant employees so that a full explanation may be given with respect to the basis of disposition of claims and so that claimants may be assisted in receiving all the benefits to which they are entitled under the terms and conditions of any plan of coverage.

SECTION 17.7 – HEALTH BENEFITS ADVISORY COMMITTEE

One member of AFSCME Local #1173 shall be allowed to sit in on all Health Benefits Advisory Committee meetings. This will be a non-voting position, however, and said employee will be allowed to give his advice regarding proposed changes in the coverage of City employees. Further, the City shall give proper notice to all members of the Health Benefits Advisory Committee at least two (2) days prior to said meeting.

This residency requirement shall be construed to mean actual "in fact" living and residing within the area described herein. Any person appointed to a permanent City position shall become a resident of the described area within thirty (30) days after the expiration date of such employee's probationary period if the employee is to be continued in the City's service.

SECTION 19.2 – CHANGES INCORPORATED INTO AGREEMENT

In the event the City elects to change the residency requirements which are currently applicable to all personnel employed by the City, or they are changed for employees in another City bargaining unit as a result of binding arbitration, any such change shall likewise be applicable to all employees covered by this Agreement, but only to the extent that the residency requirements are relaxed.

For each such new employee and opt-out employee, the City shall contribute on or about the first payroll date in January ("the contribution date") during each year of this Agreement remaining after the date of ratification of the Agreement by both parties, or upon the successful conclusion of an employee's probationary period, if later, \$1,000 plus .25 percent (one-quarter of one percent) of annual salary as of the contribution date to the employee's Retiree Health Savings Plan account maintained by ICMA-RC.

Section 1. GENERAL POLICY REGARDING DRUGS AND ALCOHOL

The use of illegal drugs and the abuse of alcohol or cannabis by employees of the City of Galesburg present unacceptable risks to the safety and well-being of other employees and the public, invites accidents and injuries, and reduces productivity. In addition, such conduct violates the reasonable expectations of the public that the employees who serve and protect them obey the law and be fit and free from the effects of drug, cannabis and alcohol abuse.

In the interest of employing person who are fit and capable of performing their jobs, and for the safety and well-being of employees and residents, the City has established a program that will allow the City to take the necessary steps, including drug, cannabis and/or alcohol testing, to implement a general policy regarding drugs, cannabis and alcohol.

The City of Galesburg and its various operating departments have the responsibility to provide a safe work environment. In addition, they have a paramount interest in protection the public by ensuring that their employees are physically and emotionally fit to perform their jobs at all times. For these reasons, the abuse of alcohol, cannabis, or drugs by City employees is strictly prohibited on or off duty. Violation of these policies will result in disciplinary action up to and including discharge.

Section 2. DEFINITIONS

“Drugs” shall mean any controlled substance listed in 720 ILCS 570/100 et seq., known as the Controlled Substances Act, for which the person tested does not submit a valid pre-dated prescription. In addition, it includes “designer drugs” which may not be listed in the Controlled Substances Act but which have adverse effect on perception, judgment, memory or coordination. Among the drugs covered by this policy are the following:

Opium	Methaqualone	Psilocybin-psilocin
Morphine	Tranquilizers	MDA
Codeine	Cocaine	PCP
Heroin	Amphetamines	Choral Hydrate
Meperidine	Phenmetrazine	Methylphenidate
	LSD	
Barbiturates	Mescaline	
Glutethimide	Steroids	

B. The term “drug abuse” includes the use of any controlled substance which has not been legally prescribed and/or dispensed.

C. Cannabis shall have the same meaning ascribed to it as in the Cannabis Control Act (720 ILCS 550/1 et seq.) as amended.

Section 3. PROHIBITIONS

Employees shall be prohibited from:

- Consuming or possessing alcohol, cannabis or drugs at any time during the work day on any of the City's premises or job sites, including all City buildings, properties, and vehicles and the employee's personal vehicle while engaged in City business.
- Using, selling, purchasing or delivery of any drug during the workday or when off duty.
- Being under the influence of alcohol, cannabis or drugs during the course of the workday.
- Failing to report to the Benefits Coordinator any known adverse side effects of medication or prescription drugs which they are taking.

Violation of these prohibitions may result in disciplinary action, up to and including discharge.

Section 4. ADMINISTRATION OF TESTS

The City may require an employee to submit immediately to breathalyzer and/or urine tests if the City determines there is reasonable suspicion for such testing. If an employee is required to undergo such testing based on reasonable suspicion, the City will provide the employee with the basis for such reasonable suspicion in writing at or about the time the test is administered. If the written basis is not provided prior to the actual test, a verbal statement of the basis will be provided prior to administering the test.

The City may use breathalyzer tests as well as urine tests for alcohol testing. For drug/alcohol tests not involving a breathalyzer, the City shall use D.O.T. laboratories and shall have a supervisor accompany the employee being tested to the testing facility. The testing facility shall be responsible for maintaining the proper chain of custody. The taking of urine samples shall not be witnessed unless there is reasonable suspicion to believe the employee is tampering with the testing procedure. If the first test results in a positive finding, a confirmatory test (GC/MS or a scientifically accurate equivalent) shall be conducted. An initial positive result shall not be submitted to the City unless a confirmatory test result is also positive as to the same sample. Upon request, the City shall provide an employee with a copy of any test results which the City receives with respect to such employee.

A portion of the tested sample shall be retained by the laboratory so that the employee may arrange for another confirmatory test (GC/MS or a scientifically accurate equivalent) to be conducted by a licensed clinical laboratory of the employee's choosing and at the employee's expense. Once the portion of the tested sample leaves the clinical laboratory selected by the employer from the list maintained by the City, the employee shall be responsible for maintaining the proper chain of custody for said portion of the tested sample.

Within two (2) working days after the test is administered, the employee may request a meeting with his department head. At any such meeting, the employee may raise issues relating to the

testing, including the basis for reasonable suspicion.

The employee shall also have a one-time only option at this meeting to admit to a drug, cannabis or alcohol problem and to seek assistance from the City's Employee Assistance Program ("EAP"). If the employee invokes this option, the test results shall not be made available to the City.

Except where the employee invokes the one-time only option to admit to the problem and to seek assistance from the EAP, the results of any positive tests shall be made available to the City. If an employee tests positive for the use of a drug, the City may take such action as the City in its discretion deems appropriate, up to and including discharge but also including demotion or reassignment. The first time an employee tests positive for cannabis or alcohol, and/or if the employee invokes the one-time only option to admit to the problem and to seek assistance from the EAP, the employee shall be required to enter and successfully complete the EAP, during which time the employee may be required to submit to random testing (no more than 6 times in the first 12 months, and no more than two years following the original positive test) with the understanding that if the employee again tests positive the City may take such action as the City in its discretion deems appropriate, up to and including discharge. The City in any event retains the right to take such action as the City in its discretion deems appropriate if an employee engages in conduct prohibited by Section 3 of this Appendix, or in conduct that is otherwise subject to discipline and is aggravated by drug, cannabis or alcohol abuse.

Section 5. VOLUNTARY REQUESTS FOR ASSISTANCE

Except where there is imminent danger to the life of an employee or others and except where the employee has invoked the one-time only option to admit to the problem and to seek the assistance provided in Section 4 above, the administrator of the City's EAP shall maintain in strict confidentiality the fact that an employee has voluntarily sought assistance from the City's EAP. Seeking confidential assistance from the City's EAP shall not be grounds for disciplinary action; however, the seeking of such confidentiality assistance also shall not insulate an employee from the consequences of engaging in conduct prohibited by Section 3.

Section 6. EXPUNGEMENT

If an employee is ordered to take a drug, cannabis or alcohol test pursuant to this Policy, and the findings on either the initial or confirmatory test are negative, the test results as well as all records of and references to the test and/or the order to take the test shall be expunged from the employee's personnel records.
