All offices listed report accepting some form of Medicaid and/or Healthy Kids. Please confirm whether an office accepts your specific coverage before receiving treatment.

All kids starting kindergarten must have a dental screening. Screenings can occur up to six months prior to the first day of school or during the kindergarten year. For more information on the Kindergarten Oral Health Assessment program, visit our website here:

Or email us at: KOHA@geneseecountymi.gov

This is not a comprehensive list. Providers listed are not affiliated with the Genesee County Health Department.

ADDITIONAL RESOURCE**Mott Dental Hygiene Clinic**

Low cost, quality dental hygiene services are available to the public; *insurance not accepted*. Dental hygiene students provide these services under close faculty supervision by licensed Dentists and Dental Hygienists: complete prophylaxis (teeth cleaning), fluoride treatment, nutritional assessment, oral screening, periodontal evaluation, smoking cessation, x-rays, and sealants.
