BACKGROUND:

In October 2017, Council took action to authorize the Town Manager to sign a contract with Talbert & Bright (TBI) for airport consulting engineering services. This contract went into effect on October 17, 2017; the initial term of the contract is one year and may be renewed for four additional one-year terms as the Town sees fit.

Talbert & Bright continues to provide assistance to the Town with airport project development. In FY19-20, TBI developed construction plans for the runway rehabilitation project and coordinated the solicitation of construction bids for the project. Staff anticipates the services of TBI will be needed for the next several years to continue airport project grant submission, coordination and implementation to execute the Town's desired airport improvements.

Attached for Council's consideration is Amendment No. 3 that would extend the contract with Talbert & Bright for one year through October 16, 2021.

STAFF RECOMMENDATION:

Staff recommends that Council authorize the Town Manager to sign Amendment No. 3 to extend the current contract with Talbert & Bright for airport engineering consulting services for the Gordonsville Municipal Airport through October 16, 2021, as presented.

MOTION FOR CONSIDERATION:

“Motion to authorize the Town Manager to sign Amendment No. 3 to extend the current contract with Talbert & Bright for airport engineering consulting services for the Gordonsville Municipal Airport through October 16, 2021.”
