BACKGROUND:

At their meeting on May 25, 2022, the Virginia Aviation Board approved an award to the Town of additional grant funds in the amount of \$273,082.00 to fully fund the rehabilitation of the runway, taxiway, and apron at Gordonsville Municipal Airport. The amount awarded is 80% of the capital project cost for this project; the Town’s 20% match is allocated in the FY23 budget.

Attached for Council’s consideration is the grant agreement that must be signed by the Town and returned to the Department of Aviation by July 24, 2022 to signify the Town’s acceptance of the award. The document has been provided to the Town Attorney for her review. The grant agreement for the initial award made to the Town in April 2021 was signed on April 22, 2021.

An administrative Notice to Proceed was issued on June 2nd so that the contractor may begin coordination of permitting, subcontractor contracts, material submittals and ordering, and schedule preparation work for the runway project. Project construction is expected to begin in early July.

STAFF RECOMMENDATION:

Staff recommends that Council authorize the Town Manager to sign the grant agreement with the Virginia Department of Aviation for the additional funding needed for the runway, taxiway, and apron rehabilitation, as presented.

MOTION FOR CONSIDERATION:

“Motion to authorize the Town Manager, upon review and approval by the Town Attorney, to sign the grant agreement with the Virginia Department of Aviation for the additional funding needed for the runway, taxiway, and apron rehabilitation at Gordonsville Municipal Airport, as presented.”
