

A Community Water Utility Partnership Of The Livingston County, Michigan Communities of
Brighton Charter Township, Green Oak Charter Township, and Hamburg Township

**Livingston Community Water Authority
Fee Schedule for Permitting and GIS Updates
Adopted May 21, 2014**

For Projects Requiring a MDEQ construction permit:

Engineering Review Fee (for up to 2 reviews):

| <u>Estimated constr. cost of water infrastructure</u> | <u>Fee as percentage of estimated cost</u> |
|---|--|
| \$0 - \$100,000 | 2.0 % (minimum \$1,250) |
| \$100,001 - \$2,000,000 | 1.5% |
| \$2,000,001 and above | 0.75% |

Fee will be hourly after two reviews based on the most current hourly rate schedule. Fee includes:

- Plan review and approval of plans meeting LCWA requirements
- Submission of plans and permit application to the MDEQ for permitting
- Review of Water Basis of Design from Design Engineer
- Update LCWA water model and Assess System Impacts/Needed System Improvements
- Update the LCWA Water GIS with As-built Drawings obtained from the respective Township
- Tracking of overall system REUs

For Projects Not Requiring a MDEQ construction permit:

| | |
|------------------------|---------|
| Residential: | \$ 400 |
| Commercial/Industrial: | \$1,000 |

Fee includes:

- Update LCWA water model and Assess System Impacts/Needed System Improvements based on demand information provided or LCWA Engineer judgment
- Tracking of overall system REUs
