## Instructions: Business Tax Registration Application

### General Information

The Business Tax Application is used to apply for tax registration for Tennessee's business tax. This application cannot be used to register for other Tennessee tax obligations. Businesses must register for sales tax, franchise and excise tax, and other taxes online at [www.TN.gov/revenue](http://www.TN.gov/revenue) or by paper application.

Registration for business tax using this application will not be complete until you have paid the business license fee and obtained your business license from the appropriate county clerk and, if applicable, your city business tax official.

You must submit a fully completed application in a timely manner to ensure that you are properly registered for this tax or you may make your application online. For information on how to register your business online, visit the Tennessee Department of Revenue's website at [www.TN.gov/revenue](http://www.TN.gov/revenue) and click on E-file and Pay.

You must complete one application for each business location. Upon registration, your county clerk or city official will issue your business tax license. A \$15 fee is required for your initial license and must be paid to the county clerk. If your business is in a city that has business licensing, an additional \$15 fee is required and must be paid to the appropriate city official.

A standard business license is renewed by the annual payment of business tax to the Tennessee Department of Revenue. Once this tax is paid each year, the county clerk or city official will provide a license for the next year.

Business tax minimal activity licenses are renewed each year by payment of an annual \$15 license fee to each county clerk or city official.

It is important that you notify the Tennessee Department of Revenue if:

- The business ownership changes in any manner including:
  - selling or closing of the business,
  - adding or changing partners,
  - any transfer or change in the ownership of the business,
  - any change in corporate structure requiring a new charter or certificate of authority; or
- The business location changes, or there is a change to your business classification.

### Instructions

- 1) Enter the business' federal employer identification number (FEIN) or the owner's social security number (SSN).
- 2) Enter the starting date for this business location (month, date, and year).
- 3) Enter the business' fiscal year end date. This is the year end date the business uses for federal tax purposes.
- 4) Enter the type of ownership for the business. If the entity is a marital joint, enter the SSN for the other spouse.
- 5) Enter the business' legal name. This is the same name used for federal tax purposes or registered with the Tennessee Secretary of State's office.
- 6) Enter the physical address for the business. This cannot be a post office box or address for a mail facility.
- 7) Enter the owner information for one or more business contacts. Complete each item. A social security number is not required. If a business is owned by another business, enter the FEIN of the owning business here. This cannot be the same as the FEIN noted under #1 above.
- 8) Enter the "doing business as" (DBA) name, if any.
- 9) Enter the business tax classification for the business. If necessary, consult the Business Tax Guide at [www.TN.gov/revenue](http://www.TN.gov/revenue) for more information about determining the proper business tax classification.

- 15) Provide the business' telephone number, fax number (if any), and email address in the space provided.
- 16) Provide the contact information for the business. This will be the person who the Tennessee Department of Revenue can reach for information regarding tax filings and payments.
