CLEAR FIRE HYDRANTS & ELECTRICAL BOXES
It is the citizen’s responsibility to clear in front of and on both sides of the hydrant and electrical box if you have one located on your property. Keeping these cleared allows access for emergency access, repair, and maintenance.

The City is not responsible for replacing landscaping/personal items around these areas should they need access. The firemen, utility workers and your neighbors appreciate it!

Register your Dogs

A lifetime animal license is required by ordinance for all dogs living within the city limits of Kasson. At the present time the City is not contracted with a local veterinarian to impound dogs, therefore Kasson Police Department cannot pick up lost animals. When an animal is properly licensed, it allows neighbors, law enforcement agencies, or anyone who comes in contact with a lost animal to return it to their home quickly.

Visit www.cityofkasson.com for more information.

SNOW EMERGENCIES:
No vehicle or trailer shall be parked on any street or alley during a declared snow emergency. A snow emergency is defined as any time the quantity of snow warrants the deployment of snowplows. During snow emergencies, no parking shall be allowed on the road or alley until the snow and ice plowing has been completed the full width of the roadway. Citations shall be issued to vehicle owners parked in the path of a snowplow on the first pass. Any vehicle violating this article will be towed without notice to the property owner, at the owner’s expense.

SNOW REMOVAL FROM SIDEWALKS:
No owner or occupant of a property adjacent to a public sidewalk shall allow snow or ice to remain on the sidewalk longer than 24 hours after snow has ceased to fall. After that time, the City may remove the snow or ice and bill the responsible party for costs incurred.

PILING OF SNOW:
Persons shall not push or deposit snow or ice into a street or alley from private property or public boulevards. Do not pile snow at street corners or at the ends of public drives so it interferes with the view of the traveling public. Property owners will be charged removal costs if such piles must be removed by City staff or other agent of the City.
