

REQUEST FOR PROPOSALS
Development of City-Owned Property
Kasson Crossing

SECTION 1 PROJECT SUMMARY

The City of Kasson ("City") is seeking development proposals ("Proposals") from qualified firms, developers, purchasers, and builders ("Developers") for the opportunity to purchase and develop City-owned property ("Property"). The intended outcome of this Request for Proposals ("RFP") process is the creation of a development/purchase agreement ("Agreement") that will establish terms and conditions, and further define the scope, design, overall use, and development of the Property.

PROPERTY DESCRIPTION

The Property is approximately 44 acres in SW Kasson, identified as Parcel ID 24.004.1300. Currently, the property is zoned D-H Development Holding. The surrounding property to the east, south, and west is agricultural land within Canisteo Township. The property to the north consists of a manufactured home community and Maple Grove Cemetery. Nearby, Hwy 14 and Hwy 57 provide convenient access to the region and beyond.

DEVELOPMENT VISION

The vision for the property's development is a combination of light industrial, housing, commercial, and parkland. Rezoning from D-H Development Holding will be required before development occurs. The City may accept other uses beneficial to and in harmony with the neighborhood.

ASKING PRICE

The price will be based on the market value of the parcel. Price is negotiable after the submission period of the RFP is over and dependent on the end purpose served by the proposed development.

SECTION 2 GENERAL CONDITIONS

The City reserves the right to request any and all additional information from proposers during and after the RFP period. These negotiations may cover information not contained in the original proposal or this RFP. The City intends to employ a City-option buy-back clause in the purchase agreement, should the Developer not meet the terms of the development, subsidy, and/or other agreement(s).

The City also reserves the right to reject all proposals, select any proposal, and/or negotiate with the proposer(s) it selects to develop a purchase agreement and (if applicable) development, subsidy, and/or other agreement(s).

SECTION 3 LICENSE TO INSPECT

During the RFP period, Developers and their employees, agents, or representatives, shall have the right of reasonable access to the property during normal business hours for the purposes of inspection, undertaking any necessary soils tests, and otherwise conducting due diligence to ensure that the Property is suitable for Developer's intended use. Developers should coordinate with the City for access to the property.

Notwithstanding anything else in this RFP, Developer shall defend, indemnify, and hold the City, its employees, officers, and agents, harmless from any injury, property damage, or liability arising out of the exercise by Developer of this access license, other than injury, property damage, or liability relating to the gross negligence or willful misconduct of the City or its officers, agents, or employees.
