CITY OF KASSON EMERGENCY NUMBERS
EMERGENCY.....911
Non-Emergency Police.....634-3881
For all after hours833-342-1158
(Electric, Water/Sewer, & Storm Related Issues)

Brand New Kasson 24/7/365 Power Outage, Water Emergency, and Storm Damage contact number

The City of Kasson has secured the services of the Cooperative Response Center to handle all Electrical outage, Water/sewer and storm damage related phone calls. This service is available 24 hours a day, 7 days a week and will replace current outage numbers. As of 3/24/22, **all non 911 calls** will be routed to the CRC's toll-free number **(833-342-1158)**

The purpose of this service is to provide a better customer experience and safety for dispatched City of Kasson personnel. Phone calls will be answered by a live person who will take your information and relay that to relevant worker crews. In the event that they are busy handling a high volume of calls, customers will have an option to leave a message and receive a call back. Crews will be enabled to concentrate directly on correcting issues and not be distracted by or unable to answer phone calls. This will allow quicker response times and faster restoration of the effected service. Please save this number into your phone **(833-342-1158)** for all after hours, **non 911 (medical, fire, police)** electric outage, water/sewer, or storm related issues.

Please update contact information and phone numbers with Utility Billing so we can reach you if needed for billing issues or emergencies. To update, please call 634-6325 or email: utilitybilling@cityofkasson.com

The City will be flushing hydrants through the month of April until all hydrants are completed.

KASSON AQUATIC CENTER 2022 INFORMATION

****KAC scheduling picture day May 20th from 4-8pm and May 21st from 8-10am and again 12-2pm****

K.A.C. has launched new registration software. Please visit KassonPool.com and click "Create New Account" to create your account. This allows quicker and easier access to program registrations, facility reservations, memberships and more. You will have an account even if you do not purchase a membership. Be sure to add everyone **in your household** when creating your account and don't forget to opt in for cancellation notifications via email or text. Your new household account will provide you with registration history, transaction receipts and much more! The account will be used for daily fees and concession purchases too.

Once your account is set up, you can go into the "Programs" feature to select what you would like to purchase--family or individual memberships, swimming lessons and tiny tots lessons. Your memberships will be attached to a card for each family member that will have a bar code and photo linked to each person. Please see dates above for getting membership cards and photos prior to opening day.

Those with memberships and lessons can load funds into their accounts for use at the concession stand. For those not purchasing a seasonal/membership/lesson, because we are going cashless, you will still need to set up an account. Funds can then be loaded into the account for use at the concession stand (like funding school lunches) or for daily admissions. Daily admissions/passes can also be purchased online ahead of time and a bar code pass can be printed (like pre-purchasing movie tickets), to be scanned at the admission counter.

If you have any questions, please email the new email address: kassonaquaticcenter@cityofkasson.com.

KASSON PUBLIC LIBRARY

LIBRARY ACCEPTS USED BOOKS YEAR-ROUND

If you're spring cleaning and ready to part with some books, please think of the Kasson Library! We accept gently used books year-round. Just bring them to the library at any time. We also accept pre-owned DVDs and jigsaw puzzles, but cannot accept any textbooks. If the library needs them for our shelves we'll keep them, or they will be given to the Friends of the Library for their quarterly book sale.

The next book sale is May 17-21. Many thanks!

STITCH!

Stitch is a fun group, and all are invited to bring your project – sewing, crocheting, needlepoint, and knitting – to work on, or come to gain a new skill. Sewing machines will be available, and ALL skill levels and ages are welcome. This group meets the 1st Monday of the month from 1-4pm, and the next meeting is April 4. Drop in or stay the whole time!
