VETERANS MEMORIAL PARK & LIONS PARK SHELTER RESERVATIONS

To reserve any of the shelters in Veterans
Park for your use, please call City Hall at
634-6301 to check availability and make
your reservations. Rates are generally
\$40.00 and are reserved only on weekends
and holidays from May 1st through October.

Davey Resource Group will be GPS locating
and mapping into a GIS system the entire
electrical system in the City of Kasson
starting in June. DRG staff will be in DRG
and City of Kasson badged vehicles and
have DRG logo clothing on. They will be
accessing yards, equipment, poles, etc in
the course of their work for the City of
Kasson. Please allow them necessary access
and space to do their work. There will be
no associated loss of power as this is
primarily a data collection and GPS location
project. Any questions or concerns can be
directed to the Electric Dept. Supervisor at
electricdept@cityofkasson.com. We
appreciate your cooperation.

CITY OF KASSON EMERGENCY NUMBERS EMERGENCY.....911

Non-Emergency Police.....634-3881

For all after hours833-342-1158

(Electric, Water/Sewer & Storm Related Issues)

CLEAR FIRE HYDRANTS & ELECTRICAL BOXES

It is the citizen's responsibility to clear in front of and on both sides of the hydrant and electrical box if you have one located on your property. Keeping these cleared allows access for emergency access, repair and maintenance. The City is not responsible for replacing landscaping/personal items around these areas should they need access. The firemen, utility workers and your neighbors appreciate it!

Kasson Electric Dept. personnel will be changing out electric meters as part of establishing a more robust, informative and accurate modern electric grid. Personnel will attempt contact prior to changing the meter out IF a small, 5 minute or less outage is necessary to swap the City of Kasson's old electric meter with a new one. We appreciate your understanding and cooperation in advance.

Brand New Kasson 24/7/365 Power Outage, Water Emergency and Storm Damage contact number.
The City of Kasson has secured the services of the Cooperative Response Center to handle all electrical outage, water/sewer and storm damage related phone calls. This service is available 24 hours a day, 7 days a week and will replace current outage numbers.

The purpose of this service is to provide a better customer experience and safety for dispatched City of Kasson personnel. Phone calls will be answered by a live person who will take your information and relay that to relevant worker crews. In the event that they are busy handling a high volume of calls, customers will have an option to leave a message and receive a call back. Crews will be enabled to concentrate directly on correcting issues and not be distracted by or unable to answer phone calls. This will allow quicker response times and faster restoration of the effected service. Please save this number into your phone **(833-342-1158)** for all after hours, **non 911 (medical, fire, police)** electric outage, water/sewer or storm related issues.
