Sign up for E-Statements at [www.cityofkasson.com](http://www.cityofkasson.com).

Kasson’s Water Department will begin flushing water mains in early October, it will take approximately three weeks to complete. KPU will flush the hydrants and water mains to clean the system of iron and other solids that settle out and accumulate over the summer season. The crews will start on the northside of town and work their way south. Residents water supply may become yellow or rusty in color during the time crews are flushing. KPU asks for your patience and understanding while they clean the system.

**ONLINE PAYMENT PORTAL  
REMINDER:**

Please check your online Portal Account(s) to ensure information is correct and valid. Fees **WILL** apply for invalid transactions.  
*Thank You!*

Kasson Public Utilities has received a System Innovation Award from the Minnesota Municipal Utilities Association. Kasson continues to invest in GIS Mapping and AMI metering technology that allows KPU to better serve our customers. The available data allows KPU to target spending in problem areas, respond to electrical outages faster and really understand what our system is doing during day-to-day operations and extreme weather events on a granular level.

**Congratulations to our KPU Staff!**

### Kasson Public Library Libby Training

## Libby.

Are you interested in learning how to get eBooks or eAudiobooks through the library? Libby is the app you need to access these collections. We are offering training on the Libby app **Monday, October 9** from 5:30-6:30 pm and **Wednesday, October 11** from 10:30-11:30 am. Both sessions will be held in the library Community Room. Please bring your device and your library card to the training session
