"They were," said Wilson; "it took in there once. It's an awful hole. would."

Gay Hunt assented: "Me, I never | nome, saladine and Chet went out to | other hand, so that sometimes the other road turning to the left, in the liked the sound of it." There was in started up the hill. Chet's farm was dripping branches met above the car. direction in which he wished to go. platform in politics is a good deal fact a harsh asperity in the very name, on the shoulder of the Ridge, where He had no clear and certain notion like a bunker in golf. The rules re- conjuring a picture of a countryside two roads forked; and Jim stopped to of the proper route, knew only in a quire it, but you show your skill in inhabited by dour and silent folk who let the other man down.

> Chet knew the answer to this question, as he was ant to know all the ancient lore of these hills. "It goes back to the sixties," he said. "They had a kind of a war of their own out there. They fit the draft and there wa'n't ever a man from Hostile Valley drafted at all."

"For the South, was they?" Gay "It wa'n't that, so much," Chet declared. "It was more that the folks out there, you can't ever drive' em.

Old Enoch Ferrin riled them, got And he continued: "Enoch was the boss coon around there then. I've heard my father tell it. He had farm on the ridge this side, and he had four sons and one of 'em had gone to South Carolina and married down there. When the war started Enoch wrote him to come home and this son-his name was Will-wouldn't do it. So Enoch made his other three sons 'list and told 'em to go hunt up this brother of theirs and kill him for a 'rebel'; and Enoch, he tried to organize a company, out there in the Valley. But he was kind of bulldoz ing about it, so folks got their back up and wouldn't go for him nor any body. So they had a rough time of it for a while."

Saladine asked gravely: "Did they kill Will?" Chet shook his head. "The other three sons all got killed their own selves," he explained. "It was like i was a judgment on Enoch. After the war his head went queer from thinking about it and he'd have died on the town, but this Will, he come home and took gentle care of the old man till he died." He added: "Will's grandson is

News Nuggets LATE STATE EVENTS CONDENSED FOR THE BUSY READER

Given Life Sentenco Columbia.—Francis McNeiley, 23, of Allerton, Ia., was sentenced to life imprisonment on his plea of guilty to charges of murdering Roger Wilson, former Sheriff of Boone County, who was shot to death here June 14, 1933. Towboat Completes Trip

Kansas City.—The towboat Franklin D. Roosevelt docked here with the first commercial load brought up the Missouri River in 17 years. The boat made the trip from St. Louis to Kansas City in slightly less than a week. Its barges carried merchandise for Kansas City firms. A welcome was given the boat by civic leaders.

4,000 to Return to Jobs Joplin.—All lead and zinc mines in the Tristate area, with the exception of two major and a few smaller properties, are expected to be operating before the end of this week, a survey of the field shows. Approximately 4, 000 men will be employed, as compared with a total of 4.200 who were working when the mines were closed by a strike early in May.
