### **POLICE SEEK INFORMATION ON INDECENT EXPOSURE INCIDENT AT S. MAIN AND LAKEPORT BLVD**

April 25, 2012

On April 25, 2012 at approximately 1050 hours Lakeport Police Officers received a report of a male subject exposing himself to an adult female victim at S. Main St. and Lakeport Blvd. The female victim reported that prior to the exposure incident; she was driving south into the City of Lakeport from the North Lakeport area and noticed a newer model blue Chevrolet Impala (With an air fin on the trunk) traveling directly behind her. After reaching the intersection of S. Main St. and Lakeport Blvd., the victim saw the Impala pull up directly alongside and left of her vehicle and she heard a horn honk coming from her left side. The victim looked to her left and saw the driver of the Impala masturbating while looking directly at her.

The suspect driver was described as being a white male adult, 30-35 years of age, thin build and wearing a black baseball cap, sunglasses, white t-shirt and blue jeans. This description has similarities to the suspect description from yesterday's indecent exposure incident and police suspect the two incidents are related.

The department is asking for anyone with information on this and yesterday's indecent exposure incident to contact us as soon as possible. This investigation is ongoing and officers are currently following up on leads.
