REQUEST FOR PROPOSAL

State and Federal Grant Administration

1. INTRODUCTION

The City of Lakeport, California (“City”), requests for proposals (“Proposals”) from qualified firms (“Respondents”) to provide administration services (“Services”) for the City’s state and federal grants (“Project”). The City is currently seeking administration assistance for the following existing grants: California Housing and Community Development (HCD) Community Development Block Grants (CDBG) and HOME Investment Partnership Program (HOME) and United States Rural Development (RD) United States Department of Agriculture (USDA) grants.

Questions or objections relating to the RFP, the RFP procedures, or the required Services may only be submitted via email to nwalker@cityoflakeport.com by August 23, 2023. Any questions or objections that are not submitted within the time and manner specified will be deemed waived. The City will not be bound by the oral representations of any City employees or officials. The City reserves the right to issue addenda responding to such questions or objections, which will become part of the RFP. Addenda will be posted on the City’s website at: https://www.cityoflakeport.com/bid_opportunities.php

Each Respondent is solely responsible for reviewing any and all addenda before submitting its Proposal.

2. PROFILE

The City is located on the western shore of Clear Lake, a natural lake with over 100 miles of shoreline, located in Lake County (County), California. Lakeport is located 120 miles north of San Francisco and 125 miles northwest of Sacramento, the state capital. This helps to support a higher level of commercial and retail businesses, yet over the years the County and City have seen a decline in visitors that has impacted the economic health of the area. Incorporated in 1888, Lakeport is a general law, partial service city with a population of approximately 5,0000 residents; however, it serves as the county seat for the County of Lake and, as such, serves a trade area of roughly 60,000 people during normal business hours. As the county seat, the City benefits from a higher percentage of employment in the public sector which tends to result in a stable workforce in the areas of legal services, healthcare occupations, administration support, financial occupations, community services, media, and forestry occupations. It provides basic municipal utility, police, administrative, planning, parks, public works services and water and wastewater utilities. It does not administer functions related to fire protection, library, or recreation. The City is governed by a five-member city council. Lakeport employs approximately 50 regular, full-time positions.
