Sanitary Sewer Pipes (inches)

-
- Map of the Pinellas County, Florida, water network. The map displays a complex network of water features, including laterals, unnamed roads, pipes crossing ditches, and various water bodies. A legend in the top left corner identifies the symbols used for these features. A table in the top right corner provides a count for each feature type. The map is overlaid with a grid of latitude and longitude coordinates.
- | Feature Type | Count |
|------------------------|-------|
| Unknown | 15 |
| Unknown | 26 |
| 4 | 16 |
