

Recreation Patron Belongings Policy

- Recreation users may not bring in excessive personal items that interfere with recreation operations, create a safety or health hazard, deny space to other customers, block hallways, or block access to or exits from the building.
- Recreation users may not use wheeled devices in the recreation/aquatic facilities including skateboards, roller skates, hand carts, shopping carts, luggage, walkers, or strollers except for items necessary for medical purposes, or to take care of an accompanying child.
- Bicycles and scooters must be left outside the facility in designated space.
- Recreation users may not store personal belongings on recreation property or leave personal belongings unattended.
- All personal items must remain with the owner, unattended items will be removed.
