

Parents: Contactless Curbside (GPS) Sign-In/Out

If contactless curbside (GPS) sign in/out has been enabled at your child’s camp location, you will have the option to sign your child in/out when you are within the radius set by the camp.

Open your Procare App and select the box with the checkmark in it on the top right of the screen.

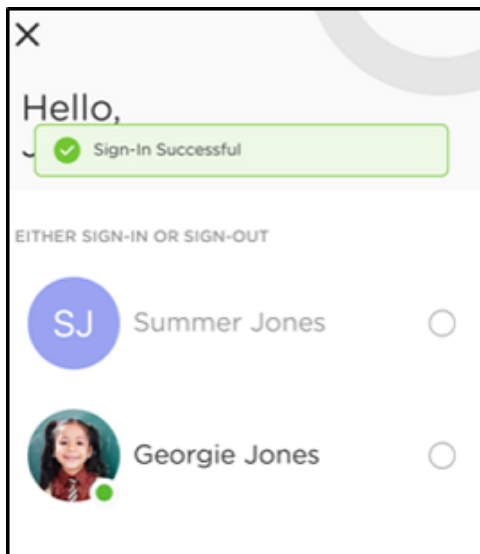

All active children will display. Select one or multiple children to check in, then click the Sign-In button.

Sign your name and click Done.

If the sign-in was successful, a message will display in green.

Please Note: To utilize contactless (GPS) sign-in/out, that you will need to allow the Procure App the proper access to your location. If you are having trouble allowing this access, it is helpful to delete the app and redownload as this will prompt you to allow Procure the proper access on your device.
