Lowell Area Fire and Emergency Services Authority Lowell Area Fire Department 315 S. Hudson St. Lowell, MI 49331 616-897-7354

Monday, February 06, 2023

Fire Authority Board:

We responded to 89 total incidents for the month of January, last January we responded to 84 incidents. January 2023 included a mobile home fire in Lowell TWP, a garbage truck fire in the City and two fires caused by cooking in the City. We also provided aid to Saranac on a medical call.

Firefighter Tomic and Firefighter Shears have both completed their NREMT test successfully.

We received a \$1,500.00 grant from the Michigan PAR plan to install dash cams in all of our trucks. The cameras have been received and installed and the grant has been closed. We should see the reimbursement check from PAR in the coming days.

The staff has put hundreds of hour into mounting equipment and building shelving for Engine 1. We are excited to place this truck into service this weekend.

We had a major breakdown on Engine 2. We had to have the all three of the DEF filters replaced on the truck. Once the invoice is received, we will be sending it out to the three municipalities. We are expecting the invoice to be around \$15,000.00.

We had two members take part in an ice cream social event at one of our elementary schools. While with the first graders them played games and read a book to the students.

Please feel free to contact me at (616) 840-1422 with any questions or concerns.

Respectfully, Shannon Witherell

Fire Chief, Lowell Area Fire Dept.
