**PROCEEDINGS
OF
CITY COUNCIL
OF THE
CITY OF LOWELL
MONDAY, MAY 7, 2018, 7:00 P.M.**

1. CALL TO ORDER; PLEDGE OF ALLEGIANCE; ROLL CALL.

The Meeting was called to order at 7:33 p.m. by Councilmember Mike DeVore and City Clerk Susan Ullery called roll.

Present: Councilmembers Greg Canfield, Marty Chambers, Jeff Phillips, Jim Salzwedel, and Mayor DeVore.

Absent: None.

Also Present: City Manager Michael Burns, City Clerk Susan Ullery, Chief of Police Steve Bukala, Attorney Dick Wendt, and Light & Power General Manager Steve Donkersloot.

2. APPROVAL OF THE CONSENT AGENDA.

- Approval of the Agenda.
- Approve and place on file the regular minutes of the April 16, 2018 City Council meeting.
- Authorize payment of invoices in the amount of \$611,657.69.

IT WAS MOVED BY SALZWEDEL and seconded by CANFIELD to approve the consent agenda as presented.

YES: Councilmember Canfield, Mayor DeVore, Councilmember Salzwedel, Councilmember Phillips, and Councilmember Chambers. NO: None. ABSENT: None. MOTION CARRIED.

3. CITIZEN COMMENTS FOR ITEMS NOT ON THE AGENDA.

City Clerk Susan Ullery read a letter from Joanne M. Miller of 780 Bowes Road. She is against the proposed trail going through her yard.

State representative for 86th District Thomas Albert gave an update on the bills he is currently working on in Lansing which include a bill addressing chronic wasting disease with deer and a bill restructuring how we pay for pension debt for the public school debt. Alberts also mentioned a Local Circuits Crossing Grant that is available to apply for in regards to the railroad vehicle crossing concerns the City and residents have here in Lowell and that he would do what he could to help the City of Lowell with applying for the Grant. Alberts then introduced Chris Afendoulis who is running for State Senate for the 73rd District and gave him his support.

Chris Afendoulis thanked Thomas Albert, introduced himself and gave a summary of his background and desire to run for State Senate.

4. NEW BUSINESS.

a. Hearthstone Design Studio, LLC.

City Manager Michael Burns stated the Showboat Replacement Project is progressing more rapidly in recent weeks and engineering and design is underway on the new structure. Engineers working on the structure have requested additional information regarding interior fit and finishes and product specifications so the City has requested the professional services of Hearthstone Design Studio of Grand Rapids to serve as the interior designer for the project. Owner, Ms. Shannon Parnofiello will work directly with the City's Project Manager, Showboat work group and engineers to develop a plan for the finish components on the new structure. Ms. Parnofiello has requested a retainer in the amount of \$20,000 for her services. Funds for the interior design professional services are available in the Showboat Project Fund-260-751-740-PK1701 and this project will be grant covered.

IT WAS MOVED BY PHILLIPS, and seconded by CHAMBERS to accept Hearthstone Design Studio's proposal to provide interior design services for the Lowell Showboat Replacement Project at the rate of \$125 per hour and not to exceed \$20,000 and authorize the Mayor and City Clerk to execute the Contract dated April 30, 2018.

YES: Mayor DeVore, Councilmember Salzwedel, Councilmember Phillips, Councilmember Chambers and Councilmember Canfield.

NO: None. ABSENT: None. MOTION CARRIED.

b. City Hall Carpet Replacement on the 2nd Floor.

City Manager Michael Burns stated that in March 2018, the Department of Public Works issued a Request for Proposals (RFP) to interested vendors to replace carpeting at City Hall and Lowell Light & Power. The City Hall portion of the RFP requested vendors to bid replacement of the existing broadloom carpeting on the second floor of City Hall. The carpet is approximately 15 years old and has separated from the backing creating potential trip hazards in some of the public spaces.

Burns continued stating approximately 3,000 square feet of carpet is proposed to be replaced as well as the wall base trim. The carpeting will be replaced with a 24" x 24" carpet tile product that is easier to remove and replace when a section becomes stained or damaged. The low bid product is manufactured by Mannington Carpet, Estio product line. The selected vendor will be required to supply a quantity of back stock material for future maintenance needs. Removal and installation will be coordinated with the vendor to minimize disruptions to City operations and meetings.

IT WAS MOVED BY DEVORE, and seconded by CHAMBERS to accept the low bid from Beachum Flooring in the amount of \$15,662 to replace carpeting and wall base trim on the second floor of City Hall.

YES: Councilmember Salzwedel, Councilmember Phillips, Councilmember Chambers, Councilmember Canfield and Mayor DeVore.

NO: None. ABSENT: None. MOTION CARRIED.

c. Set Public Hearing Date for Budget.

IT WAS MOVED BY DEVORE and seconded by SALZWEDEL to recommend that the Lowell City Council set a public hearing on May 21, 2018 to review the Fiscal Year 2018-2019 budget.

YES: Councilmember Phillips, Councilmember Chambers, Councilmember Canfield, Mayor DeVore, and Councilmember Salzwedel.

NO: None. ABSENT: None. MOTION CARRIED.

d. Resolution 13-18 Section 19 Reimbursement.

City Manager Michael Burns stated the City will be eligible for Section 19 funding from the State of Michigan pertaining to the February flood event. This means additional costs taken on by the City to address the flood will be eligible for reimbursement. The City has calculated that we will be eligible for \$9,980.09.

Burns continued stating for the City to be eligible; we must pass the attached resolution and submit it to the State of Michigan regarding funding. This resolution also requires the City to designate a point of contact that will be responsible for providing information and communicating with the state on this matter. Our contact will be the City Treasurer, Sue Olin.

IT WAS MOVED BY DEVORE, and seconded by CHAMBERS to approve resolution 13-18 for the City of Lowell to be eligible for Section 19 reimbursement.

YES: Councilmember Chambers, Councilmember Canfield, Mayor DeVore, Councilmember Salzwedel, and Councilmember Phillips.

NO: None. ABSENT: None. MOTION CARRIED.

e. Hudson Street Utility Work.

City Manager Michael Burns stated that in preparation for the Kent County Road Commission's Hudson Street resurfacing project from the Grand River Bridge to the north City Limits which is tentatively planned for June 2018, the Department of Public Works requested quotes from qualified contractors to replace water valve box and sanitary sewer castings in the Hudson Street right-of-way. Approximately 20 water valve boxes and 20 sanitary sewer castings are proposed to be replaced within the project limits in advance of the resurfacing work due to damage and wear over time.

IT WAS MOVED BY PHILLIPS and seconded by CANFIELD to recommend the City accept Kamminga & Roodvoet's quote of \$55,200 for the utility work and authorize the Mayor and City Clerk to execute the contract on behalf of the City Council.

YES: Councilmember Canfield, Mayor DeVore, Councilmember Salzwedel, Councilmember Phillips, and Councilmember Chambers.

NO: None. ABSENT: None. MOTION CARRIED.

f. Resolution 14-18 –Village of Caledonia Gaining Membership to GVMC

IT WAS MOVED BY CANFIELD and seconded by CHAMBERS to recommend that the City of Lowell approve Resolution 14-18 granting the Village of Caledonia membership into the Grand Valley Metropolitan Council.

YES: Mayor DeVore, Councilmember Salzwedel, Councilmember Phillips, Councilmember Chambers and Councilmember Canfield.

NO: None.

ABSENT:

None.

MOTION CARRIED.

5. **BOARD/COMMISSION REPORTS.**

Mayor Devore stated that the Downtown Development Authority meeting for Thursday, May 10, 2018 was cancelled. The Arbor Board meeting is Monday, May 14, 2018 at 12:00 p.m., the Fire Authority Board is Monday, May 14, 2018 at 3:30 p.m. and The Vision meeting is next Tuesday May 15, 2018.

6. **MANAGERS REPORT.**

City Manager Michael Burns reported on the following:

- Hudson Mill Overlay Project will begin on June 11, 2018 and they anticipate five days of construction and bids for this project came in less than what the engineer had estimated so the City's reimbursement to Kent County Road Commission over the course of two years will be about \$25,000 less.
- Dan Burton will be here on Tuesday May 15, 2018 for the walking audit.
- Discussions and Ordinances will take place in the upcoming months in regards to the cell tower telecommunication industry and how the City can maintain control and regulations with these cell tower companies' future device locations and establish an agreement with them prior to legislation changes.
- Project for The Transportation Improvement Plan for Fiscal 2021-2023 - Requested Grand Valley Metro Council to get more of our City streets added as eligible streets for federal funding as we currently only have two City owned streets that are eligible.
- Asset Management Pilot Project - Lengthy report explaining the intent to develop a state level uniform asset management plan that in turn will lead to a State Asset Management Plan so the funding would come from the state to address our infrastructure.

7. **APPOINTMENTS.**

By general consensus, the City Council reappointed Jeff Dickerman to the Lowell Light and Power Board with a term expiring on June 30, 2021.

8. **COUNCIL COMMENTS.**

Councilmember Phillips hopes everyone has a great week.

9. **MOTION TO GO INTO CLOSED SESSION.**

IT WAS MOVED BY SALZWEDEL and seconded by CANFIELD to go into closed session at 8:12 p.m.

YES: Councilmember Salzwedel, Councilmember Phillips, Councilmember Chambers, Councilmember Canfield and Mayor DeVore.

- NO: None. ABSENT: None. MOTION CARRIED.
10. MOTION TO COME OUT OF CLOSED SESSION.

IT WAS MOVED BY SALZWEDEL and seconded by CHAMBERS to come out of closed session at 8:35 p.m.

YES: Councilmember Phillips, Councilmember Chambers, Councilmember Canfield, Mayor DeVore, and Councilmember Salzwedel.

NO: None. ABSENT: None. MOTION CARRIED.

11. ADJOURMENT.

Mayor Devore returned the City Council to open session at 6:45 and introduced Attorney Dick Wendt.

Chair Perry Beachum returned Lowell Light & Power to open session at 6:54.

7. **RESOLUTION FOR LOWELL LIGHT & POWER AND RESOLUTION FOR THE CITY OF LOWELL.**

Attorney Dick Wendt explained the two resolutions. Then Wendt explained the termination agreement and release of claims attached to each resolution and that if approved, would be effective tomorrow. The termination agreement and release of claims accomplishes terminating all the existing agreements between Lowell Energy AD, LLC (LEAD), The City of Lowell and Lowell Light & Power. Part of the termination agreement and release of claims would require LEAD to pay all back utility bills and remove all equipment by June 30, 2018 unless the non-bio digester equipment is acquired by someone else at an earlier date and then LEAD would get out at that time. The release of claims also ensures a mutual agreement not to sue each other in any respect.

Wendt explained the resolution for the City of Lowell would also approve the operational terms of a pretreatment operation for Lighthouse, Inc. (Lighthouse) and the preparation and execution of a lease and operation agreement with Lighthouse incorporating the operational terms. Wendt went on to summarize the provisions of the operational terms meaning Lighthouse would agree to lease space at 625 Chatham. Lighthouse would also agree to acquire the lift station and be responsible for the operation and maintenance of the lift station and the existing pipeline between Lighthouse and 625 Chatham. Lighthouse would agree to only send processed waste to the pretreatment facility and would agree to remove all bio digester equipment from the site and not operate a bio digester on that site. Lighthouse would agree that they would initially (within six to eight weeks), establish a primary pretreatment facility using the equipment they acquire from LEAD. Lighthouse would agree to make sure what they are sending hydraulically and by substance, would be adequately processed, not harmful and treatable to the City's wastewater treatment plant and if not, they would stop sending it until it could be. Lighthouse would also agree (approximately within six to twelve months), to construct on the site a secondary pretreatment facility and also develop an odor mitigation plan which would provide that if the odor could not be mitigated, all operations would stop at the facility. The Lighthouse and the City of Lowell agreement would be for a term of ten years with an option to renew two five year terms, but either party could terminate the agreement with a one year notice.

Jim Frank, the President and CEO of Lighthouse spoke on behalf of Lighthouse and introduced the other members of the Lighthouse staff that were present. Frank explained who Lighthouse is and that they make great food products and that growth has been expediential in the last three years and that they are now in over 26,000 grocery stores in the US, Canada and Mexico. The largest producing plant is the one here in Lowell as most of the growth is centered here in Michigan. They have a total of five plants in three states which are Michigan, Idaho and Utah and each of the other facilities do their own processing of wastewater. Frank went on to explain the history of the company and that they are one hundred percent employee owned with 479 employees currently at their Lowell, Michigan plant. Frank expressed his concern with their current processing system and is thankful the City has listened to their concerns and are helping Lighthouse come up with a solution that works for everyone. Frank stated the Lowell Lighthouse has invested \$23 million in facilities and equipment due to their growth.

Frank then introduced Carl Hipwell who is an Industrial Process Engineer with T-O Engineers and provides treatment for many systems across North America. Carl Hipwell explained what they are proposing for the Litehouse system is an aerobic process, how it works and that some of the existing equipment can be repurposed but some existing equipment is for an anaerobic process and will be removed. The difference with anaerobic process is the system generates methane and hydrogen sulfide which is odorous and anaerobic bacteria cannot survive in an aerobic environment. Hipwell went on to explain their aerobic system does not include a bio digester, they will reuse the shell of the tank aerobically, they will only process water from salad dressing production, they will eliminate all manure and waste from other sources and all the manure, FOG, and Generator equipment will be removed.

Mayor Devore asked if there were any public comments on the resolutions presented. There were none.

IT WAS MOVED BY VANKEULEN and seconded by DICKERMAN to approve the Lowell Light & Power Resolution approving and authorizing execution of a termination agreement and release of claims between Lowell Energy AD, LLC, The City of Lowell and Lowell Light & Power.

YES: Roll Call: Board member Cadwallader, Board member Dickerman, Board member Schrauben, Board member Vankeulen, and Chair Beachum.

NO: None ABSENT: None. MOTION CARRIED.

IT WAS MOVED BY PHILLIPS and seconded by SALZWEDEL to approve Resolution 15-18 approving and authorizing execution of a termination agreement and release of claims between Lowell Energy AD, LLC, Lowell Light & Power and the City of Lowell and approving the operational terms of a pretreatment operation and execution of a lease and operation agreement with Litehouse, Inc. incorporating the operational terms.

YES: Roll Call: Councilmember Canfield, Councilmember Chambers, Councilmember Phillips, Councilmember Salzwedel, and Mayor Devore.

NO: None. ABSENT: None. MOTION CARRIED.

IT WAS MOVED BY VANKEULEN and seconded by DICKERMAN to adjourn the Lowell Light & Power Board members from the joint meeting at 7:18 p.m.

YES: 5. NO: None. ABSENT: None. MOTION CARRIED.

IT WAS MOVED BY SALZWEDEL and seconded by PHILLIPS to adjourn City Council from the joint meeting at 7:18 p.m.

LOWELL CITY ADMINISTRATION
INTER OFFICE MEMORANDUM

DATE: May 17, 2018
TO: Mayor DeVore and the Lowell City Council
FROM: Michael T. Burns, City Manager *Mn*
RE: Cascade Township Building Inspections Agreement

At the April 16, 2018 Committee of the Whole meeting, I was directed by the City Council to prepare an agreement with Cascade Township to continue our relationship regarding Building Inspection Services. I am presenting this agreement for approval.

The terms of the agreement remain. Cascade will continue to provide inspections services for building, plumbing, mechanical and electrical inspections for the City of Lowell. Cascade will continue to remit 20% of all fees collected by Cascade for inspections performed in the City. The City will be responsible for all code enforcement issues as we are currently.

Our agreement will be scheduled to begin on July 1, 2018 (when current agreement expires) and will continue as an evergreen agreement (similar to my agreement as City Manager). If the City no longer wishes to receive service from Cascade Township, the City Council can terminate the agreement within 45 days. Our agreement with Cascade Township is along the same terms they have with each jurisdiction they service.

I am recommending the Lowell City Council enter into an agreement with Cascade Township for Building Inspection Services as presented.

INSPECTION SERVICES AGREEMENT

THIS AGREEMENT is made this 1st day of July , 2018 by and between CASCADE CHARTER TOWNSHIP, 2865 Thomhills SE, Grand Rapids, Michigan 49546 (hereinafter called "Cascade"), and the City of Lowell, 301 East Main St., Lowell MI 49331 (hereinafter called "Lowell")

WHEREAS Lowell is desirous of contracting with Cascade for the performance of inspection services by Cascade; and

WHEREAS Cascade is agreeable to rendering such services on the terms and conditions hereinafter set forth.

NOW, THEREFORE, IT IS AGREED AS FOLLOWS:

1. Cascade agrees to provide building, plumbing, mechanical and electrical inspection services of residential, commercial and industrial structures within the corporate limits of Lowell for compliance with the State of Michigan building, plumbing, mechanical and electrical codes. Such inspections shall be performed pursuant to the applicable state Codes.
2. Lowell shall adopt and enforce charges for inspections equal to those charged by Cascade for the same inspections in Cascade. Cascade shall remit to Lowell twenty percent (20%) of all fees collected by Cascade, once each month.
3. The rendition of inspection services, the standards of performance, the discipline of Inspectors, other matters incident to the performance of inspection services and the control of personnel so employed shall remain with Cascade provided Cascade will timely perform all inspections.
4. Cascade Township will be responsible for all inspection functions under this agreement except code enforcement citations, stop orders and dispute resolutions which will be exclusively within the jurisdiction of the Lowell City Manager or the Manager's designated representative.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by their duly authorized officers on the date first above written.

RESOLUTION NO. 16-18

**RESOLUTION ADOPTING CITY OF LOWELL ANNUAL
BUDGET FOR FISCAL YEAR 2018-19, APPROVING
MILLAGE LEVIES, APPROVING SCHEDULE OF RATES
AND FEES AND OTHER MATTERS RELATED THERETO**

Councilmember _____, supported by Councilmember _____, moved the adoption of the following resolution:

WHEREAS, the City Manager has prepared and presented to the City Council at its meeting on April 16, 2018, a proposed complete itemized annual budget for the 2018-19 fiscal year of the City (the "FY 18-19 Budget") in accordance with the City Charter, applicable State of Michigan law and applicable federal law and regulations, if any; and

WHEREAS, after the FY 18-19 Budget was presented to the City Council, a copy has been available for public inspection at City Hall at the office of the City Clerk; and

WHEREAS, the City Charter requires that before the FY 18-19 Budget may be considered for adoption by the City Council, the City Council shall hold a public meeting; and

WHEREAS, a public hearing on the FY 18-19 Budget, properly noticed as referenced by Section 8.4 of Chapter 8 of the City Charter and Section 2 of Act 43 of the Public Acts of Michigan (2nd Ex. Sess.), was held at 7:00 p.m. on May 21, 2018, in the City Council Chambers in City Hall at which time all interested persons were given an opportunity to be heard; and

WHEREAS, the City Charter requires that the City Council adopt a budget for the City for the 2018-19 fiscal year of the City not later than the first Monday in June, including the amount to be levied in such fiscal year on taxable real and personal property in the City to meet the requirements of the FY 18-19 Budget; and

WHEREAS, in connection with the approval of the FY 18-19 Budget, the City Council desires to approve a schedule of rates and fees to be applicable in the City commencing at the beginning of the City's 2018-19 fiscal year.

NOW, THEREFORE, BE IT RESOLVED AS FOLLOWS:

1. That the FY 18-19 Budget as presented at this meeting, including modifications, if any, made at the time of public hearing and noted in the FY 18-19 Budget document, is hereby adopted.

2. That for the 2018-19 fiscal year of the City there shall be levied on all taxable real and personal property in the City (a) a general *ad valorem* tax rate of 15.70 mills for general purposes (*i.e.*, administration, fire, police, parks and recreation, etc.), and (b) a general *ad valorem* tax rate of 0.2423 mills for improvements to, and operation of, the public museum. The total 2018-19

fiscal year City general *ad valorem* tax levy on all taxable real and personal property in the City is 15.9423 mills.

3. That in accordance with the FY 18-19 Budget which is adopted at the fund level, the following are the estimated City revenues and expenses for the 2018-19 fiscal year of the City:

LOWELL CITY ADMINISTRATION

INTER OFFICE MEMORANDUM

DATE: May 17, 2018

TO: Mayor DeVore and the Lowell City Council

FROM: Michael T. Burns, City Manager *MTB*

RE: Redevelopment Ready Communities

In order to continue to remain eligible for assistance from the Michigan Economic Development Corporation (MEDC), municipalities are now mandated to participate in their Redevelopment Ready Communities program.

This is a voluntary, no-cost certification program designed to promote effective redevelopment strategies through a set of best practices.

The program measures and then certifies communities that integrate transparency, predictability and efficiency into their daily development practices. The RRC certification is a formal recognition that your community has a vision for the future—and the fundamental practices in place to get there.

Last fall, Sue Ullery and I attended training sessions on what they are looking for. In many ways, we have been following their recommended processes for years. However, there are some areas in the training that we may need to improve upon. This process will provide us with tools to help us establish those areas.

I just completed a survey of our city's practices and this is something that is needed in order for us to begin this process. The certification process has no deadline for completion. Depending on the needs for each community some can complete within a year and some communities may need a few years to reach the status of Redevelopment Ready certified.

I attached material explaining best practices for communities that the MEDC is looking for through this process. Once we complete the survey and attached resolution, we can formally initiate this process with the Michigan Economic Development Corporation.

I recommend that the Lowell City Council approve Resolution 17-18 to engage the Michigan Economic Development Corporation in the Redevelopment Ready Communities program.

REDEVELOPMENT READY COMMUNITIES RESOLUTION NO. 17 – 18

Councilmember _____, supported by Councilmember _____ moved
the adoption of the following resolution:

WHEREAS, the City of Lowell recently adopted a new Master Plan for Land Use, charting the future development and redevelopment of the City and noting the City's strengths and future challenges; and,

WHEREAS, opportunities for redevelopment of existing parcels and buildings are the future for major investment in the City, as there is limited open space for new development within the City limits; and,

WHEREAS, the City has previously undergone an outside evaluation process to become more business friendly and wishes to continue making our planning and development processes transparent and streamlined; and,

WHEREAS, the Michigan Economic Development Corporation has created the Redevelopment Ready Communities (RRC) program to help identify and strengthen weak areas in a community's development process and highlight opportunities in the community; and,

WHEREAS, the City of Lowell wishes to join the program and further refine our development processes for future opportunities.

NOW, THEREFORE, BE IT RESOLVED, that the City Council supports Staff's efforts in the self-evaluation process of the RRC program and looks forward to the feedback from the MEDC on our processes and procedures and how to improve them.

If your community plans for future investment, invites public input, and offers superior customer service, then Redevelopment Ready Communities certification® is for you!

The Michigan Economic Development Corporation's Redevelopment Ready Communities® (RRC) program works with Michigan communities seeking to streamline the development approval process by integrating transparency, predictability and efficiency into their daily development practices. RRC is a statewide program that certifies communities who actively engage stakeholders and plan for the future. RRC empowers communities to shape their future by assisting in the creation of a solid planning, zoning and development foundation to retain and attract businesses, investment and talent.

Through RRC, communities commit to improving redevelopment readiness by agreeing to undergo a rigorous assessment, and work to achieve a set of criteria as described in this document. Developed by public and private sector experts, the RRC best practices are the standard for evaluation. Each best practice addresses key elements of community and economic development. Evaluations are conducted by the RRC team through interviews, observation and data analysis. After the evaluation, a community is presented

with a baseline report that highlights successes and outlines recommended actions for implementation of missing best practice criteria. The expectations listed with each evaluation criteria are what a community is measured against to determine if that criteria is being accomplished. A community must demonstrate how the expectations are being achieved, and when applicable, may propose alternative approaches. To be awarded certification, a community must meet all RRC best practice criteria.

Redevelopment Ready Communities certification signals that a community has clear development policies and procedures, a community-supported vision, a predictable review process and compelling sites for developers to locate their latest projects. Once certified, the MEDC will assist in the promotion and marketing of Redevelopment Ready Sites®. These packaged sites are primed for new investment because they are located within a community that has effective policies, efficient processes and the broad community support needed to get shovels in the ground.

In this document, parts of the best practices will have further explanation. If a word is in orange, hover your mouse over it and a yellow box will appear with more information. If a word is orange and underlined, it contains a hyperlink. Contact the RRC team at RRC@michigan.org with questions or visit www.miplace.org for additional resources.

Best Practice One: Community plans and public outreach

1.1—THE PLANS

Best Practice 1.1 evaluates community planning and how a community's redevelopment vision is embedded in the master plan, capital improvements plan, downtown plan and corridor plan. Comprehensive planning documents are a community's guiding framework for growth and investment. Information and strategies outlined in the plans are intended to serve as policy guidelines for local decisions about the physical, social, economic and environmental development of the community.

The master plan is updated, at a minimum, every five years to provide a community with a current and relevant decision making tool. The plan sets expectations

for those involved in development, giving the public some degree of certainty about their vision for the future, while assisting the community to achieve its stated goals. An updated master plan is essential to articulating the types of development the community desires and the specific areas where the community will concentrate resources. Coordination between the master plan, capital improvements plan, downtown plan and corridor plan is essential. It is important that planning documents incorporate recommendations for implementation, including goals, actions, timelines and responsible parties.

EVALUATION CRITERIA 1.1.1

The governing body has adopted a master plan in the past five years.

EXPECTATIONS

- ☐ The master plan reflects the community's desired direction for the future.
- ☐ The master plan identifies strategies for priority redevelopment areas.
- ☐ The master plan addresses land use and infrastructure, including complete streets elements.
- ☐ The master plan includes a zoning plan.
- ☐ The master plan incorporates recommendations for implementation, including goals, actions, timelines and responsible parties.
- ☐ Progress on the master plan is annually reported to the **governing body**.
- ☐ The master plan is accessible online.

EVALUATION CRITERIA 1.1.2

The governing body has adopted a _____ plan.

EXPECTATIONS

- ☐ The downtown plan identifies development area boundaries.
- ☐ The downtown plan identifies projects, and includes estimated project costs and a timeline for completion.
- ☐ The downtown plan includes mixed-use and pedestrian oriented development elements.
- ☐ The downtown plan addresses transit oriented development, if applicable.
- ☐ The downtown plan coordinates with the master plan and capital improvements plan.
- ☐ The downtown plan is accessible online.

Best Practice One: Community plans and public outreach

1.1—THE PLANS *continued*

EVALUATION CRITERIA 1.1.3

The governing body has adopted a

EXPECTATIONS

- ☐ The corridor plan identifies development area boundaries.
- ☐ The corridor plan identifies projects, and includes estimated project costs and a timeline for completion.
- ☐ The corridor plan includes mixed-use and pedestrian oriented development elements.
- ☐ The corridor plan addresses transit oriented development, if applicable.
- ☐ The corridor plan coordinates with the master plan and capital improvements plan.
- ☐ The corridor plan is accessible online.

EVALUATION CRITERIA 1.1.4

The governing body has adopted a capital improvements plan.

EXPECTATIONS

- ☐ The capital improvements plan details a minimum of six years of public structures and improvements and is reviewed annually.
- ☐ The capital improvements plan coordinates projects to minimize construction costs.
- ☐ The capital improvements plan coordinates with the master plan and budget.
- ☐ The capital improvements plan is accessible online.

Best Practice One: Community plans and public outreach

1.2—PUBLIC PARTICIPATION

Best Practice 1.2 assesses how well a community identifies its stakeholders and engages them, not only during the master planning process, but on a continual basis. A public participation strategy is essential to formalize those efforts and outline how the public will be engaged throughout planning and development processes.

Public participation is the process by which a community consults with interested or affected stakeholders before making a decision. It is two-way communication and collaborative problem solving with the objective of being intentionally inclusive, and the goal

of achieving better and more acceptable decisions. Public participation aims to prevent or minimize disputes by creating a process for resolving issues before they become an obstacle.

The best plans and proposals have the support of many stakeholders from businesses, residents, community groups and elected and appointed community officials. Public engagement should be more frequent and interactive than only soliciting input during the master plan update and public hearings.

EVALUATION CRITERIA 1.2.1

The community has a documented
for engaging a diverse set of
community stakeholders.

EXPECTATIONS

- ☐ The strategy identifies key stakeholders, including those not normally at the visioning table.
- ☐ The strategy describes public participation methods and the appropriate venue to use each method.
- ☐ If a third party is consulted, they adhere to the public participation strategy.
- ☐ The community assists the developer in soliciting input on a proposal early in the site plan approval process as detailed in the public participation strategy.

EVALUATION CRITERIA 1.2.2

The community demonstrates
that public participation efforts
go beyond the basic methods.

EXPECTATIONS

- ☐ **Basic practices:**
 - Open Meetings Act
 - Website posting
 - Postcard mailings
 - Local cable notification
 - Newspaper posting
 - Flier posting on community hall door
 - Attachments to water bills
 - Announcements at governing body meetings
- ☐ **Proactive practices:**
 - Individual mailings
 - Community workshops
 - Social media platforms
 - One-on-one interviews
 - Charrettes
 - Canvassing
 - Focus groups
 - Crowd-sourcing

EVALUATION CRITERIA 1.2.3

The community shares
outcomes of public participation
processes.

EXPECTATIONS

- ☐ The community tracks success of various outreach methods.
- ☐ The community participation results are communicated in a consistent and transparent manner.

Best Practice Two: Zoning regulations

2.1—ZONING REGULATIONS

Best Practice 2.1 evaluates a community's zoning ordinance and how well it regulates for the goals of the master plan.

Zoning is a key tool for plan implementation. Inflexible or obsolete zoning regulations can discourage development and investment. Outdated regulations can

force developers to pursue rezoning or variance requests, extending project timelines, increasing costs and creating uncertainty. Communities should look to streamline ordinances and regulate for the kind of development that is truly desired. In addition, zoning is an essential tool for shaping inviting, walkable, vibrant communities.

EVALUATION CRITERIA 2.1.1

The governing body has adopted a zoning ordinance that aligns with the goals of the master plan.

EXPECTATIONS

- ☐ The community has evaluated the master plan's recommendations to determine if changes to the zoning map or ordinance are needed.

EVALUATION CRITERIA 2.1.2

The zoning ordinance provides for areas of concentrated development in appropriate locations and encourages the type and form of development desired.

EXPECTATIONS

- ☐ The ordinance allows mixed-use by right in designated areas of concentrated development.
- ☐ The community has reviewed the ordinance to consider how form-based zoning could help achieve community goals.
- ☐ The ordinance requires one or more of the following elements in areas of concentrated development:
 - Build-to lines
 - Open store fronts
 - Outdoor dining
 - Minimum ground floor transparency
 - Streetscape elements (trees, seating, pedestrian-scale lighting and signage)
- ☐ The ordinance addresses historic and environmental preservation.

EVALUATION CRITERIA 2.1.3

The zoning ordinance includes flexible tools to encourage development and redevelopment.

EXPECTATIONS

- ☐ Special land use and conditional rezoning approval procedures and requirements are clearly defined.
- ☐ Commercial and industrial districts allow for related compatible uses that serve new economy-type businesses.

Best Practice Two: Zoning regulations

2.1—ZONING REGULATIONS *continued*

EVALUATION CRITERIA 2.1.4

The zoning ordinance allows for a variety of housing options.

EXPECTATIONS

- ☐ The ordinance allows for three or more of the following non-traditional housing types:
 - Accessory dwelling units
 - Attached single-family units
 - Stacked flats
 - Live/work
 - Residential units above non-residential uses
 - Co-housing
 - Corporate temporary housing
 - Cluster housing
 - Micro units

EVALUATION CRITERIA 2.1.5

The zoning ordinance includes standards to improve non-motorized transportation.

EXPECTATIONS

- ☐ The community understands the benefits of walkable and transit oriented development and has standards for the following elements where appropriate:
 - Bicycle parking
 - Traffic calming
 - Pedestrian-scale lighting
 - Public realm standards
- ☐ The community understands the benefits of connectivity and has ordinance requirements that accommodate pedestrian activity within and around development.

EVALUATION CRITERIA 2.1.6

The zoning ordinance includes flexible parking standards.

EXPECTATIONS

- ☐ The ordinance includes regulations for two or more of the following:
 - Reduction or elimination of required parking when on-street and public parking is available
 - Connections between parking lots
 - Shared parking agreements
 - Parking maximums
 - Parking waivers
 - Electric vehicle charging stations
 - Bicycle parking
 - Payment in lieu of parking
 - Reduction of required parking for complementary mixed-uses

Best Practice Two: Zoning regulations

2.1—ZONING REGULATIONS *continued*

EVALUATION CRITERIA 2.1.7

The zoning ordinance includes standards for green infrastructure.

EXPECTATIONS

- ☐ The ordinance includes regulations for two or more of the following:
 - Rain gardens, bioswales and other low impact development techniques
 - Green roofs
 - Pervious pavement
 - Landscaping that requires the use of native, non-invasive species
 - Tree preservation and protection standards
 - Street tree planting standards
 - Blue roofs, cisterns, stormwater vaults and other rainwater collection techniques
 - Parking lot landscaping standards
 - Renewable energy

EVALUATION CRITERIA 2.1.8

The zoning ordinance is

EXPECTATIONS

- ☐ The ordinance portrays clear definitions and requirements.
- ☐ The ordinance is available in an electronic format at no cost. Hard copies are available for review at convenient locations.
- ☐ The ordinance is accessible online.

Best Practice Three: Development review process

3.1—DEVELOPMENT REVIEW PROCEDURES

Best practice 3.1 evaluates the community's development review policies and procedures, project tracking and internal/external communication.

The purpose of the development review process is to assure plans for specific types of development comply with local ordinances and are consistent with the master plan. Streamlined, well-documented development policies and procedures ensure a smooth and predictable experience when working with a community. It is essential for a community's development review team to also coordinate with permitting and inspections staff.

Unnecessary steps or unclear instructions increase time

and expenses associated with development. Community leaders should look to simplify and clarify policies, operate in a transparent manner and increase efficiency to create an inviting development climate that is vital to attracting investment. To do this, sound internal procedures need to be in place and followed. Tracking projects internally across multiple departments can alleviate potential delays. Offering conceptual site plan review meetings is one more step a community can take to show investors they are working to remove development barriers and cut down on unexpected time delays.

EVALUATION CRITERIA 3.1.1

The zoning ordinance articulates a thorough site plan review process.

EXPECTATIONS

- ☐ The responsibilities of the governing body, planning commission, zoning board of appeals, other reviewing bodies, and staff are clearly documented.

EVALUATION CRITERIA 3.1.2

The community has a qualified intake professional.

EXPECTATIONS

- ☐ The community identifies a project point person and trains staff to perform intake responsibilities including:
 - Receiving and processing applications and site plans
 - Documenting contact with the applicant
 - Explaining procedures and submittal requirements
 - Facilitating meetings
 - Processing applications after approval
 - Excellent customer service

EVALUATION CRITERIA 3.1.3

The community defines and offers meetings for applicants.

EXPECTATIONS

- ☐ The community has clearly defined expectations posted online and a checklist to be reviewed at conceptual meetings.
- ☐ The community advertises online that conceptual site plan review meetings are available.

Best Practice Three: Development review process

3.1—DEVELOPMENT REVIEW PROCEDURES *continued*

EVALUATION CRITERIA 3.1.4

The appropriate departments engage in

EXPECTATIONS

- ☐ The joint site plan review team consists of the following representatives, as appropriate:
 - Planning department
 - Public works department
 - Building department
 - Transportation department
 - Fire
 - Police
 - Assessor
 - Community manager or supervisor
 - Economic development
 - Historic District Commission
 - Consultant
 - Attorney
 - County soil erosion and sedimentation
 - County drain commissioner
 - County health department
 - County road commission
 - Outside agencies

EVALUATION CRITERIA 3.1.5

The community has a clearly documented internal staff review policy.

EXPECTATIONS

- ☐ The internal review process articulates clear roles, responsibilities and timelines.
- ☐ Development review standards are clearly defined.

EVALUATION CRITERIA 3.1.6

The community promptly acts on

EXPECTATIONS

- ☐ Site plans for permitted uses are approved administratively or by the planning commission.
- ☐ The community follows its documented procedures and timelines.
- ☐ The community has easy to follow flowcharts of development processes that include timelines.
- ☐ Community development staff coordinates with permitting and inspections staff to ensure a smooth and timely approval process.

Best Practice Three: Development review process

3.1—DEVELOPMENT REVIEW PROCEDURES *continued*

EVALUATION CRITERIA 3.1.7

The community has a method to track development projects.

EXPECTATIONS

- ☐ The community uses a tracking mechanism for projects during the development process.
- ☐ The community uses a tracking mechanism for projects during the permitting and inspections process.

EVALUATION CRITERIA 3.1.8

The community annually reviews successes and challenges with the development review process.

EXPECTATIONS

- ☐ The community obtains customer feedback on the site plan approval and permitting and inspections process and integrates changes where applicable.
- ☐ The joint site plan review team, including permitting and inspections staff, meets to capture lessons learned and amends the process accordingly.

Best Practice Three: Development review process

3.2—GUIDE TO DEVELOPMENT

Best Practice 3.2 evaluates the accessibility of a community's planning and development information.

Development information and applications must be assembled to help citizens, developers and public officials gain a better understanding of how the development

process in the community works. Documents should be updated regularly and provide a general overview of development processes, steps necessary to obtain approvals and be readily available online.

EVALUATION CRITERIA 3.2.1

The community maintains a guide to development that explains policies, procedures and steps to obtain approvals.

EXPECTATIONS

☐ The guide includes:

- Relevant contact information
- Relevant meeting schedules
- Easy-to-follow step-by-step flowcharts of development processes, including timelines
- Conceptual meeting procedures
- Relevant ordinances to review prior to site plan submission
- Site plan review requirements and application
- Clear explanation for site plans that can be approved administratively
- Rezoning request process and application
- Variance request process and application
- Special land use request process and application
- Fee schedule
- Special meeting procedures
- Financial assistance tools
- Design guidelines and related processes
- Building permit requirements and applications

☐ The guide to development is accessible online.

EVALUATION CRITERIA 3.2.2

The community annually reviews the fee schedule.

EXPECTATIONS

- ☐ The fee schedule is updated to cover the community's cost to provide services.
- ☐ The community accepts credit card payment for fees.

Best Practice Four: Recruitment and education

4.1—RECRUITMENT AND ORIENTATION

Best practice 4.1 evaluates how a community conducts recruitment and orientation for newly appointed or elected officials and board members.

Diversity on boards and commissions can ensure a wide range of perspectives are considered when making

decisions on development and financial incentives.

Communities should seek applicants with desired skill sets and establish expectations prior to new officials and board members becoming active.

EVALUATION CRITERIA 4.1.1

The community sets expectations for board and commission positions.

EXPECTATIONS

- ☐ The community outlines expectations and desired skill sets for open seats.
- ☐ Board and commission applications are available online.

EVALUATION CRITERIA 4.1.2

The community provides orientation packets to all appointed and elected members of development related boards and commissions.

EXPECTATIONS

- ☐ The orientation packet includes all relevant planning, zoning and development information.

Best Practice Four: Recruitment and education

4.2—EDUCATION AND TRAINING

Best practice 4.2 assesses how a community encourages ongoing education and training and tracks training needs for appointed or elected officials, board members and staff.

Planning commissioners, zoning board of appeals members, the governing body and staff make more informed development decisions when they receive

adequate training on land use and development issues. Turnover in officials and staff can create gaps in knowledge, which makes ongoing training essential to the efficient functioning of a community's development processes.

EVALUATION CRITERIA 4.2.1

The community has a dedicated source of funding for training.

EXPECTATIONS

- ☐ The community has a training budget allocated for elected and appointed officials and staff.

EVALUATION CRITERIA 4.2.2

The community identifies training needs and tracks attendance for elected and appointed officials and staff.

EXPECTATIONS

- ☐ The community manages a simple tracking mechanism for logging individual training needs and attendance.
- ☐ The community identifies trainings that assist in accomplishing their stated goals and objectives.

EVALUATION CRITERIA 4.2.3

The community encourages elected and appointed officials and staff to attend trainings.

EXPECTATIONS

- ☐ The community consistently notifies its elected and appointed officials and staff about training opportunities.

EVALUATION CRITERIA 4.2.4

The community shares information between elected and appointed officials and staff.

EXPECTATIONS

- ☐ The community holds collaborative work sessions, including joint trainings on development topics.
- ☐ Training participants share information with those not in attendance.
- ☐ The planning commission prepares an annual report for the governing body.

Best Practice Five: Redevelopment Ready Sites®

5.1—REDEVELOPMENT READY SITES®

Best practice 5.1 assesses how a community identifies, visions for and markets priority redevelopment sites. A redevelopment ready site is a site targeted by the community and ready for investment.

Identifying and marketing priority sites can assist a community to stimulate the real estate market for obsolete, vacant and underutilized property.

Communities that have engaged the public and determined desired outcomes for priority sites create a predictable environment for development projects. A community which takes steps to reduce the risk of

rejected development proposals will entice hesitant developers to spend their time and financial resources pursuing a project in their community. If a development proposal on a priority site is deemed controversial, additional public participation opportunities should be held to ensure community support. To encourage development, it is essential that communities actively package and market sites prioritized for redevelopment. Developers look to invest in places that have an overall vision for the community and priority sites.

EVALUATION CRITERIA 5.1.1

The community identifies and prioritizes redevelopment sites.

EXPECTATIONS

- ☐ The community maintains an updated list of at least three priority sites.

EVALUATION CRITERIA 5.1.2

The community gathers basic information for at least three priority sites.

EXPECTATIONS

- ☐ Required information to include:
 - Photo of the site and/or rendering
 - Lot size
 - Desired development outcomes for the site
 - Building size
 - Owner contact information
 - State equalized value
 - Community contact information
 - Utilities on site: Water, sewer, electricity, natural gas
 - Zoning
 - Wired broadband infrastructure: DSL, cable, fiber

EVALUATION CRITERIA 5.1.3

The community establishes a vision for at least three priority sites.

EXPECTATIONS

- ☐ The vision includes desired development outcomes.
- ☐ Community champions for redevelopment of the site are identified.
- ☐ High controversy redevelopment sites may require additional public engagement.

Best Practice Five: Redevelopment Ready Sites®

5.1—REDEVELOPMENT READY SITES® *continued*

EVALUATION CRITERIA 5.1.4

The community identifies
for at
least three priority sites.

EXPECTATIONS

- ☐ The community identifies negotiable development tools, financial incentives and/or in-kind support, based on the project meeting the community's vision and desired development outcomes.

EVALUATION CRITERIA 5.1.5

The community assembles a
property information package
for at least one priority site.

EXPECTATIONS

- ☐ The property information package includes basic information and the following as applicable:
 - Available financial incentives
 - Deed restrictions
 - Property tax assessment information
 - Property survey
 - Previous uses
 - Existing conditions report
 - Known environmental and/or contamination conditions
 - Soil conditions
 - Demographic data
 - Surrounding amenities
 - Planned infrastructure improvements as identified in CIP
 - GIS information including site location and street maps
 - Natural features map
 - Traffic studies
 - Target market analysis
 - Market feasibility studies

EVALUATION CRITERIA 5.1.6

Priority redevelopment sites
are actively marketed.

EXPECTATIONS

- ☐ The property information package(s) are accessible online.

Best Practice Six: Community prosperity

6.1—ECONOMIC DEVELOPMENT STRATEGY

Best practice 6.1 assesses what goals and actions a community has identified to assist in strengthening its overall economic health.

Today, economic development means more than business attraction and retention. While business development is a core value, a community needs to include community development and talent in the

overall equation for economic success. The goal of the economic development strategy is to provide initiatives and methods that will encourage diversity of the region's economic base, tap into opportunities for economic expansion and help to create a sustainable, vibrant community.

EVALUATION CRITERIA 6.1.1

The community has an approved

EXPECTATIONS

- ☐ The economic development strategy is part of the master plan, annual budget or a separate document.
- ☐ The economic development strategy connects to the master plan and capital improvements plan.
- ☐ The economic development strategy identifies the economic opportunities and challenges of the community.
- ☐ The economic development strategy incorporates recommendations for implementation, including goals, actions, timelines and responsible parties.
- ☐ The economic development strategy coordinates with a regional economic development strategy.
- ☐ The economic development strategy is accessible online.

EVALUATION CRITERIA 6.1.2

The community annually reviews the economic development strategy.

EXPECTATIONS

- ☐ Progress on the economic development strategy is reported annually to the governing body.

Best Practice Six: Community prosperity

6.2—MARKETING AND PROMOTION

Best practice 6.2 assesses how a community promotes and markets itself to create community pride and increase investor confidence. It also evaluates the ease of locating pertinent planning, zoning and economic development documents on the community's website.

Community marketing and promotion can take many forms. Communities must develop a positive, promotional strategy through marketing campaigns,

advertising and special events to encourage investment. Marketing campaigns can assist with sharing the established community vision, values and goals.

Developing a brand to promote a consistent identity can position a community for future success. A community's website is an important marketing tool and must be well-designed to provide information to the public and build a positive image.

EVALUATION CRITERIA 6.2.1

The community has developed a

EXPECTATIONS

- ☐ The marketing strategy identifies opportunities and outlines specific steps to attract businesses, consumers and real estate development to the community.
- ☐ The marketing strategy strives to create or strengthen an image for the community.
- ☐ The marketing strategy identifies approaches to market priority development sites.
- ☐ The community coordinates marketing efforts with local, regional and state partners.

EVALUATION CRITERIA 6.2.2

The community has an updated, user-friendly municipal website.

EXPECTATIONS

- ☐ The community's website is easy to navigate.
- ☐ The community's planning, zoning and development information is grouped together with links to the following:
 - Master plan and amendments
 - Downtown plan
 - Corridor plan
 - Capital improvements plan
 - Zoning ordinance
 - Guide to development
 - Online payment option
 - Partner organizations
 - Board and commission applications
 - Property information packages
 - Economic development strategy

Conclusion

The Redevelopment Ready Communities® program looks to assist communities that creatively reuse space, embrace economic innovation and proactively plan for the future, making them more attractive for investments that create places where talent wants to

live, work and play. RRC certification signals to business owners, developers and investors that the community has removed barriers by building deliberate, fair and consistent processes.

Communities not formally engaged in the RRC program, but wanting to work toward certification are encouraged to compare their current policies and procedures to the best practice standards by completing the RRC self-evaluation. The self-evaluation is available to assist any community interested in being more redevelopment ready. Completion of the self-evaluation document does not replace the formal evaluation process conducted by the RRC team. In addition to the self-evaluations, guides have been developed to act as resources for communities working on RRC best practice components. Each guide is a tool describing recommended processes and sample language. Every community has different needs and capacities, so the process and document can be tailored to fit individual community requirements.

To be vibrant and competitive, Michigan communities must be ready for development. This involves planning for new investment, identifying assets and opportunities and focusing limited resources. Communities must create the types of places where talent and businesses want to locate, invest and expand.

Certified Redevelopment Ready Communities® signal that locating a new business or growing an existing one is straightforward. Certified communities have removed barriers to development including eliminating uncertainties surrounding project timelines and approvals by implementing and executing the RRC best practices.

Fire Authority Board:

We responded to 71 total incidents for the month of April.

We have had a very busy start to 2018, averaging over 70 calls per month. We have used the UTV many times responding to brush fires and training.

We had six people apply during the open try outs. All six are being offered positions with the department.

I was asked to look into mowing and plowing options for the station. All parties contacted stated \$50.00 for mowing and did not give a flat price for plowing. Leigh lawncare stated \$50.00 per push. The contract with the city (Manzewski Lawncare) is \$25.00 per time mowing and the city charges time and equipment for plowing. I suggest with stay with the city for these services.

We did a switch grass burn of approx. 40 acres on Lalley. Things went well

At last check we were told the tender chassis will be done the end of May. We should be seeing an invoice around the same time.

We are continuing to work on the punch list provided by the DPW director regarding our station needs.

Shannon, Corey and I are reviewing all reports. The Sunday evening officer meetings continue to be very productive.

Please feel free to contact me at (616) 648-1478 with any questions or concerns.

Respectfully, Ron van Overbeek

Fire Authority Board:

We responded to 57 total incidents for the month of March, 22 fire related and 35 medical.

We attended the community expo again this year. We had a table inside and a truck outside. Applications were handed out for the department and the explorers. We will be looking at a spring time open tryout this year with hopes of drawing in some new members.

Thank you for the opportunity to present our department address. We would have liked more members from the municipalities to attend but were happy with the questions.

We are continuing to work on the punch list provided by the DPW director regarding our station needs.

Shannon and I are reviewing all reports. The Sunday evening officer meetings continue to be very productive.

Monthly Operating Report

for the . . .

Contract Operation

of the . . .

Wastewater Treatment Plant

April 2018

May 17, 2018

Mr. Mike Burns
City Manager
City of Lowell
301 East Main Street
Lowell, MI 49331

Dear Mr. Burns:

On behalf of Suez I am pleased to submit the April Monthly Operating Report for the Lowell Wastewater Treatment Plant. During the month 42.06 million gallons of wastewater were treated, down from 52.56 million gallons the month before.

All NPDES Permit requirements were satisfied. Copies of the Monthly Operating Reports for March can be seen in Appendix A. Appendix B contains graphs representing how the actual lab results compared to the limits in the NPDES Permit and how the actual plant flows compared to the design flow.

INDUSTRIAL PRETREATMENT PROGRAM

The Fullers Septic March surcharges were \$36.37, and April surcharges were \$88.49. No operational problems were experienced at the plant from this discharge.

MAINTENANCE COST REPORT

Date	Vendor	Cost
4/7	AllClaveParts.com (1)	\$ 158.47
4/7	Betten Baker (2)	465.41
4/7	Bernards Ace Hardware (3)	102.90
Beginning Balance of the Annual Maintenance Allowance (Including carryover \$\$ from FY15-16)*		\$ 11,980.04
Maintenance Allowance Spent YTD		\$ 7,560.04
Balance of Maintenance Allowance		\$ 4,420.00

*The maintenance spending for FY 16-17 exceeded the annual allotment by \$19.96. That amount was deducted from the beginning balance on July 1st. That makes the beginning balance \$11,980.04 (\$12,000-\$19.96).

In addition to the preventive maintenance the following corrective maintenance activities occurred:

- Replaced heating element in the lab autoclave (1)
- Replaced the wheel bearings on the plant truck(2)

- Replaced broken extension cord and defective GFCI outlet(3)

PROJECTS FOR THE FUTURE

- Continue painting projects including updating plant office
- Replace broken bracket on garage door
- Rebuild chemical feed pump

If you have any questions or would like additional information, please feel free to call me at your convenience.

Respectfully submitted,

SUEZ
