4. NEW BUSINESS

Skatepark Update – Bob Rodgers presented a concept drawing. Approximately \$120,000 has been raised. Rodgers noted there is a manual pad that will be added plan along with a 14” granite plaque (red and black) that will list the names of the donors.

Alan Drake indicated there would also be five to six stretch features ready to be added if additional donates are made.

It was noted the structures would be cemented in, making the park safe and quiet. It is easier for those just learning to skate as well.

Rodgers stated they are hoping to add a patio on the north side of the park, allowing for seating.

An updated plan will be available when Rodgers brings this to the City Council for review.

IT WAS MOVED BY MUNDT and seconded by POMPER to recommend this conceptual design to the City Council.
