

**NOTICE OF CONSUMERS ENERGY COMPANY
GAS FRANCHISE ORDINANCE**

The City of Lowell has received a request from Consumers Energy Company to grant it a 30-year non-exclusive revocable franchise to conduct a local gas business and, in connection therewith, authorize it to use public places including highways, streets and alleys.

Before the City Council can consider adoption of an ordinance granting the franchise to Consumers, the ordinance must be available for public inspection for at least four weeks after this publication.

A copy of the proposed ordinance 19-09 is available for inspection at the City Clerk's office in City Hall at 301 E. Main Street in the City during regular business hours Monday through Friday.

Susan Ullery
City Clerk
