

## Animals Depend on People Too!

Why adopt? Simply because all the animals at Ellen Trout Zoo have specific needs. Our expert staff provides all of our animals with nutritious food, veterinary care, safe homes & enrichments. Our goal is to continue to connect everyone to the world we live in, and to bring joy to not only the animals, but the surrounding communities as well. You can be a part of the zoo family by contributing to their well being & conservation.

### Ellen Trout Zoo Facts
