The Somerford Township Trustees met in regular session on Wednesday, May 11, 2022 at the Somerford Township Hall located at 91 St Rt 56 NW with the above members present. The meeting was called to order at 7:00 p.m. and the minutes from the April, 2022 meeting were read and approved by the trustees.

Amanda Knowles, Fiscal Officer, hands out the May bills and payroll at this time to be reviewed. There are also four deeds to be signed for the sale of cemetery plots. Mr. Brian Harrington had also turned in his paperwork to have the two remaining family graves put into his name. Ms. Knowles hands out this notarized letter for review at this time.

Zoning Inspector Brian Knowles updates that the old deer farm can do a farmer's market for the items that they produce on the premises. They may also become a wedding venue but that there are extremely strict rules for that. Mr. Knowles also reports that he received a call about a property on St. Rt. 187 towards Mechanicsburg. The property owner wants to split off part of the property but there is a discrepancy between the original size as it has been split off multiple times. Mr. Knowles is working with Dave Hughes to straighten this out.

Vice Chairman Ernest Sparks attended the Fire Meeting and reported they are having issues with getting their new equipment in. Still having a lot of turnover.

Chairman James Moran reports that they are moving ahead with the road work at the cemetery. He also reports that the Sewer Project has sent the easements to residents and they are going with the grinders.

Being no further business to be discussed at this time, the meeting was adjourned at 1953.

Respectfully submitted:

Amanda Knowles, Somerford Township Fiscal Officer
