The Somerford Township Trustees met in regular session on Wednesday, September 8, 2021 at the Somerford Township Hall located at 91 St Rt 56 NW with the above members present. The meeting was called to order at 7:00 p.m. and the minutes from the August, 2021 meeting were read and approved by the trustees.

Amanda Knowles, Fiscal Officer, hands out the September bills at this time to be reviewed. She also reports that Somerford Township has received their first tranche of the American Rescue Act as of September 1. There is still a lot of uncertainty as to where the monies are to be appropriated but there will be a meeting with all of the surrounding fiscal officers as well as the County Prosecutor next month to clarify and discuss this topic. Ms. Knowles plans to attend.

Brian Knowles, Somerford Township Zoning Inspector, reports he met with the owner of the old Drifters lot and all of the untagged and inoperable vehicles will be removed from the property in the near future.

Chairman Bill Laney reports that the Safety Expo was a success. The EMS reported that they have memos being printed for the public to be informed of the new levy/renewal. EMS Open House is being held Sunday, October 3 from 11-2.

Vice Chairman James Moran reports that Cemetery Sexton David Jeffers is on vacation this week but that everything is covered while he is out of town.

Being no further business to be discussed at this time, the meeting was adjourned at 1928.

Respectfully submitted:
