

CHARITABLE GAMING LICENSE

Request for Local Governing Body Resolution

A requirement for a charitable gaming license through the State of Michigan Bureau of State Lottery, is to obtain a resolution passed by the local government stating the requesting organization is a recognized nonprofit organization in the community.

Once the City of Mason has received the information listed below, staff will review. If the City of Mason can determine that the requesting organization is a known nonprofit in the community, staff will present the request to City Council at a regular meeting and if the resolution is passed will provide a copy to the contact person below. If the City is unable to verify that the organization is known in the community, the City will contact the State for further information.
