CHIEF'S PREFACE

In the interest of transparency between the police department and our community, we are publicizing our complete catalog of police department Policies and Procedures. These policies were collectively drafted by Lexipol attorneys and legal counsel who are nationwide experts in the field of policy implementation. As you may see, there are over a hundred policies implemented, covering a wide range of topics, such as Use of Force, Non-Biased Policing, training and organization. These policies are reviewed by police administration, then implemented so that we may remain the most efficient, dedicated, and professional department in the region, with a goal of keeping our residents, businesses, and visitors to the Village of Matteson safe and secure.

LAW ENFORCEMENT CODE OF ETHICS

As a Law Enforcement Officer, my fundamental duty is to serve mankind; to safeguard lives and property; to protect the innocent against deception, the weak against oppression or intimidation, and the peaceful against violence or disorder; and to respect the Constitutional rights of all men to liberty, equality and justice.

I will keep my private life unsullied as an example to all; maintain courageous calm in the face of danger, scorn, or ridicule; develop self-restraint; and be constantly mindful of the welfare of others. Honest in thought and deed in both my personal and official life, I will be exemplary in obeying the laws of the land and the regulations of my department. Whatever I see or hear of a confidential nature or that is confided to me in my official capacity will be kept ever secret unless revelation is necessary in the performance of my duty.

I will never act officiously or permit personal feelings, prejudices, animosities, or friendships to influence my decisions. With no compromise for crime and with relentless prosecution of criminals, I will enforce the law courteously and appropriately without fear or favor, malice or violence and never accepting gratuities.

I recognize the badge of my office as a symbol of public faith, and I accept it as a public trust to be held so long as I am true to the ethics of police service. I will never engage in acts of corruption or bribery, nor will I condone such acts by other police officers. I will cooperate with all legally authorized agencies and their representatives in the pursuit of justice.

I know that I alone am responsible for my own standard of professional performance and will take every reasonable opportunity to enhance and improve my level of knowledge and competence.

I will constantly strive to achieve these objectives and ideals, dedicating myself before God to my chosen profession . . . law enforcement.

300.1 PURPOSE AND SCOPE

This policy provides guidelines on the reasonable use of force. While there is no way to specify the exact amount or type of reasonable force to be applied in any situation, every member of this department is expected to use these guidelines to make such decisions in a professional, impartial, and reasonable manner.

In addition to those methods, techniques, and tools set forth below, the guidelines for the reasonable application of force contained in this policy shall apply to all policies addressing the potential use of force, including but not limited to the Control Devices and Techniques and Conducted Energy Device policies.

300.1.1 DEFINITIONS

Definitions related to this policy include:

Deadly force - Force reasonably anticipated and intended to create a substantial likelihood of causing death or very serious injury.

Feasible - Reasonably capable of being done or carried out under the circumstances to successfully achieve the arrest or lawful objective without increasing risk to the officer or another person.

Force - The application of physical techniques or tactics, chemical agents, or weapons to another person. It is not a use of force when a person allows him/herself to be searched, escorted, handcuffed, or restrained.

Imminent - Ready to take place; impending. Note that imminent does not mean immediate or instantaneous.

Totality of the circumstances - All facts and circumstances known to the officer at the time, taken as a whole, including the conduct of the officer and the subject leading up to the use of force.

300.2 POLICY

The use of force by law enforcement personnel is a matter of critical concern, both to the public and to the law enforcement community. Officers are involved on a daily basis in numerous and varied interactions and, when warranted, may use reasonable force in carrying out their duties.

Officers must have an understanding of, and true appreciation for, their authority and limitations. This is especially true with respect to overcoming resistance while engaged in the performance of law enforcement duties.

The Department recognizes and respects the value of all human life and dignity without prejudice to anyone. Vesting officers with the authority to use reasonable force and to protect the public welfare requires monitoring, evaluation, and a careful balancing of all interests.

Policy Manual

Use of Force

300.2.1 DUTY TO INTERVENE AND REPORT

Any officer present and observing another law enforcement officer or a member using force that is clearly beyond that which is objectively reasonable under the circumstances shall, when in a position to do so, intervene to prevent the use of unreasonable force.

Any officer who observes another law enforcement officer or a member use force that is potentially beyond that which is objectively reasonable under the circumstances should report these observations to a supervisor as soon as feasible.

Officers shall submit a written report within five days of the incident (720 ILCS 5/7-16).

300.2.2 PERSPECTIVE

When observing or reporting force used by a law enforcement officer, each officer should take into account the totality of the circumstances and the possibility that other law enforcement officers may have additional information regarding the threat posed by the subject.

300.3 USE OF FORCE

Officers shall use only that amount of force that reasonably appears necessary given the facts and circumstances perceived by the officer at the time of the event to accomplish a legitimate law enforcement purpose.

The reasonableness of force will be judged from the perspective of a reasonable officer on the scene at the time of the incident. Any evaluation of reasonableness must allow for the fact that officers are often forced to make split-second decisions about the amount of force that reasonably appears necessary in a particular situation, with limited information and in circumstances that are tense, uncertain, and rapidly evolving.

Given that no policy can realistically predict every possible situation an officer might encounter, officers are entrusted to use well-reasoned discretion in determining the appropriate use of force in each incident.

It is also recognized that circumstances may arise in which officers reasonably believe that it would be impractical or ineffective to use any of the tools, weapons, or methods provided by this department. Officers may find it more effective or reasonable to improvise their response to rapidly unfolding conditions that they are confronting. In such circumstances, the use of any improvised device or method must nonetheless be reasonable and utilized only to the degree that reasonably appears necessary to accomplish a legitimate law enforcement purpose.

While the ultimate objective of every law enforcement encounter is to avoid or minimize injury, nothing in this policy requires an officer to retreat or be exposed to possible physical injury before applying reasonable force.

300.3.1 USE OF FORCE TO EFFECT AN ARREST

An officer may use any force which he/she reasonably believes to be necessary, under the totality of the circumstances, to effect an arrest, or to be necessary to defend him/herself or another from bodily harm while making an arrest (720 ILCS 5/7-5).

300.3.2 FACTORS USED TO DETERMINE THE REASONABLENESS OF FORCE

When determining whether to apply force and evaluating whether an officer has used reasonable force, a number of factors should be taken into consideration, as time and circumstances permit.

These factors include but are not limited to:

- (a) Immediacy and severity of the threat to officers or others.
- (b) The conduct of the individual being confronted, as reasonably perceived by the officer at the time.
- (c) Officer/subject factors (e.g., age, size, relative strength, skill level, injuries sustained, level of exhaustion or fatigue, the number of officers available vs. subjects).
- (d) The effects of suspected drug or alcohol use.
- (e) The individual's mental state or capacity.
- (f) The individual's ability to understand and comply with officer commands.
- (g) Proximity of weapons or dangerous improvised devices.
- (h) The degree to which the individual has been effectively restrained and his/her ability to resist despite being restrained.
- (i) The availability of other reasonable and feasible options and their possible effectiveness.
- (j) Seriousness of the suspected offense or reason for contact with the individual.
- (k) Training and experience of the officer.
- (l) Potential for injury to officers, suspects, and others.
- (m) Whether the individual appears to be resisting, attempting to evade arrest by flight, or is attacking the officer.
- (n) The risk and reasonably foreseeable consequences of escape.
- (o) The apparent need for immediate control of the individual or a prompt resolution of the situation.
- (p) Whether the conduct of the individual being confronted no longer reasonably appears to pose an imminent threat to the officer or others.
- (q) Prior contacts with the individual or awareness of any propensity for violence.
- (r) Any other exigent circumstances.

300.3.3 PAIN COMPLIANCE TECHNIQUES

Pain compliance techniques may be effective in controlling a physically or actively resisting individual. Officers may only apply those pain compliance techniques for which they have successfully completed department-approved training. Officers utilizing any pain compliance technique should consider:

- (a) The degree to which the application of the technique may be controlled given the level of resistance.

Matteson Police Department

Policy Manual

Policy Manual

Use of Force

- (b) Whether the individual can comply with the direction or orders of the officer.
- (c) Whether the individual has been given sufficient opportunity to comply.

The application of any pain compliance technique shall be discontinued once the officer determines that compliance has been achieved.

300.3.4 CAROTID CONTROL HOLD

A carotid control hold is a technique designed to control an individual by temporarily restricting blood flow through the application of pressure to the side of the neck and, unlike a chokehold, does not restrict the airway. The proper application of the carotid control hold may be effective in restraining a violent or combative individual. However, due to the potential for injury, the use of the carotid control hold is limited to those circumstances where deadly force is authorized and is subject to the following:

- (a) At all times during the application of the carotid control hold, the response of the individual should be monitored. The carotid control hold should be discontinued when circumstances indicate that the application no longer reasonably appears necessary.
- (b) Any individual who has had the carotid control hold applied, regardless of whether he/she was rendered unconscious, shall be promptly examined by paramedics or other qualified medical personnel and should be monitored until such examination occurs.
- (c) The officer shall inform any person receiving custody, or any person placed in a position of providing care, that the individual has been subjected to the carotid control hold and whether the individual lost consciousness as a result.
- (d) Any officer attempting or applying the carotid control hold shall promptly notify a supervisor of the use or attempted use of such hold.
- (e) The use or attempted use of the carotid control hold shall be thoroughly documented by the officer in any related reports.

300.3.5 USE OF FORCE TO SEIZE EVIDENCE

In general, officers may use reasonable force to lawfully seize evidence and to prevent the destruction of evidence. However, officers are discouraged from using force solely to prevent a person from swallowing evidence or contraband. In the instance when force is used, officers should not intentionally use any technique that restricts blood flow to the head, restricts respiration or which creates a reasonable likelihood that blood flow to the head or respiration would be restricted. Officers are encouraged to use techniques and methods taught by the Matteson Police Department for this specific purpose.

300.3.6 ALTERNATIVE TACTICS - DE-ESCALATION

When circumstances reasonably permit, officers should use non-violent strategies and techniques to decrease the intensity of a situation, improve decision-making, improve communication, reduce the need for force, and increase voluntary compliance (e.g., summoning additional resources, formulating a plan, attempting verbal persuasion).

Matteson Police Department

Policy Manual

Policy Manual

Use of Force

300.3.7 RESPIRATORY RESTRAINTS

A member shall not apply direct pressure to the throat, windpipe, or airway of a person with the intent to reduce or prevent the intake of air (chokehold) unless deadly force is justified (720 ILCS 5/7-5.5). A member shall not use a chokehold or any lesser contact with the throat or neck area of another in order to prevent the destruction of evidence by ingestion (720 ILCS 5/7-5.5). If a respiratory restraint is applied, it is subject to the same guidelines and requirements as a carotid control hold.

300.4 DEADLY FORCE APPLICATIONS

When reasonable, the officer shall, prior to the use of deadly force, make efforts to identify themselves as a peace officer and to warn that deadly force may be used.

Use of deadly force is justified in the following circumstances involving imminent threat or imminent risk:

- (a) An officer may use deadly force to protect themselves or others from what the officer reasonably believes is an imminent threat of death or serious bodily injury.
- (b) An officer may use deadly force to stop a fleeing subject when the officer has probable cause to believe that the individual has committed, or intends to commit, a felony involving the infliction or threatened infliction of serious bodily injury or death, and (720 ILCS 5/7-5):
 - 1. The officer reasonably believes that there is an imminent risk of serious bodily injury or death to any other person (except to the subject themselves) if the individual is not immediately apprehended.
 - 2. Under such circumstances, a verbal warning should precede the use of deadly force, where feasible.

However, an officer should not use deadly force against a person whose actions are a threat solely to themselves or property.

Imminent does not mean immediate or instantaneous. An imminent danger may exist even if the suspect is not at that very moment pointing a weapon at someone. For example, an imminent danger may exist if an officer reasonably believes that the individual has a weapon or is attempting to access one and intends to immediately use it against the officer or another person. An imminent danger may also exist if the individual is capable of causing serious bodily injury or death without a weapon, and the officer believes the individual intends to immediately do so (720 ILCS 5/7-5).

300.4.1 MOVING VEHICLES

Shots fired at or from a moving vehicle are rarely effective and involve considerations and risks in addition to the justification for the use of deadly force.

When feasible, officers should take reasonable steps to move out of the path of an approaching vehicle instead of discharging their firearm at the vehicle or any of its occupants.

Matteson Police Department

Policy Manual

Policy Manual

Use of Force

An officer should only discharge a firearm at a moving vehicle or its occupants when the officer reasonably believes there are no other reasonable means available to avert the imminent threat of the vehicle, or if deadly force other than the vehicle is directed at the officer or others.

Officers should not shoot at any part of a vehicle in an attempt to disable the vehicle.

300.5 REPORTING THE USE OF FORCE

Any use of force by a member of this department shall be documented promptly, completely, and accurately in an appropriate report, depending on the nature of the incident. The officer should articulate the factors perceived and why he/she believed the use of force was reasonable under the circumstances.

To collect data for purposes of training, resource allocation, analysis, and related purposes, the Department may require the completion of additional report forms, as specified in department policy, procedure, or law. See the Report Preparation Policy for additional circumstances that may require documentation.

300.5.1 NOTIFICATIONS TO SUPERVISORS

Supervisory notification shall be made as soon as practicable following the application of force in any of the following circumstances:

- (a) The application caused a visible injury.
- (b) The application would lead a reasonable officer to conclude that the individual may have experienced more than momentary discomfort.
- (c) The individual subjected to the force complained of injury or continuing pain.
- (d) The individual indicates intent to pursue litigation.
- (e) Any application of the conducted energy device or control device.
- (f) Any application of a restraint device other than handcuffs, shackles, or belly chains.
- (g) The individual subjected to the force was rendered unconscious.
- (h) An individual was struck or kicked.
- (i) An individual alleges unreasonable force was used or that any of the above has occurred.

300.6 MEDICAL CONSIDERATIONS

Once it is reasonably safe to do so, medical assistance shall be obtained for any person who exhibits signs of physical distress, has sustained visible injury, expresses a complaint of injury or continuing pain, or was rendered unconscious. Any individual exhibiting signs of physical distress after an encounter should be continuously monitored until the individual can be medically assessed. Individuals should not be placed on their stomachs for an extended period, as this could impair their ability to breathe (720 ILCS 5/7-15).

Based upon the officer's initial assessment of the nature and extent of the individual's injuries, medical assistance may consist of examination by an emergency medical services provider or

Matteson Police Department

Policy Manual

Policy Manual

medical personnel at a hospital or jail. If any such individual refuses medical attention, such a refusal shall be fully documented in related reports and, whenever practicable, should be witnessed by another officer and/or medical personnel. If a recording is made of the contact or an interview with the individual, any refusal should be included in the recording, if possible.

The on-scene supervisor or, if the on-scene supervisor is not available, the primary handling officer shall ensure that any person providing medical care or receiving custody of a person following any use of force is informed that the person was subjected to force. This notification shall include a description of the force used and any other circumstances the officer reasonably believes would be potential safety or medical risks to the subject (e.g., prolonged struggle, extreme agitation, impaired respiration).

Individuals who exhibit extreme agitation, violent irrational behavior accompanied by profuse sweating, extraordinary strength beyond their physical characteristics, and imperviousness to pain, or who require a protracted physical encounter with multiple officers to be brought under control, may be at an increased risk of sudden death. Calls involving these persons should be considered medical emergencies. Officers who reasonably suspect a medical emergency should request medical assistance as soon as practicable and have medical personnel stage away.

See the Medical Aid and Response Policy for additional guidelines.

300.7 SUPERVISOR RESPONSIBILITIES

A supervisor should respond to a reported application of force resulting in visible injury, if reasonably available. When a supervisor is able to respond to an incident in which there has been a reported application of force, the supervisor is expected to:

- (a) Obtain the basic facts from the involved officers. Absent an allegation of misconduct or excessive force, this will be considered a routine contact in the normal course of duties.
- (b) Ensure that any injured parties are examined and treated.
- (c) When possible, separately obtain a recorded interview with the individual upon whom force was applied. If this interview is conducted without the individual having voluntarily waived his/her *Miranda* rights, the following shall apply:
 1. The content of the interview should not be summarized or included in any related criminal charges.
 2. The fact that a recorded interview was conducted should be documented in a property or other report.
 3. The recording of the interview should be distinctly marked for retention until all potential for civil litigation has expired.
- (d) Once any initial medical assessment has been completed or first aid has been rendered, ensure that photographs have been taken of any areas involving visible injury or complaint of pain, as well as overall photographs of uninjured areas.
 1. These photographs should be retained until all potential for civil litigation has expired.

Matteson Police Department

Policy Manual

Policy Manual

Use of Force

- (e) Identify any witnesses not already included in related reports.
- (f) Review and approve all related reports.
- (g) Determine if there is any indication that the individual may pursue civil litigation.
 - 1. If there is an indication of potential civil litigation, the supervisor should complete and route a notification of a potential claim through the appropriate channels.
- (h) Evaluate the circumstances surrounding the incident and initiate an administrative investigation if there is a question of policy noncompliance or if for any reason further investigation may be appropriate.

In the event that a supervisor is unable to respond to the scene of an incident involving the reported application of force, the supervisor is still expected to complete as many of the above items as circumstances permit.

300.7.1 WATCH COMMANDER RESPONSIBILITY

The Watch Commander shall review each use of force by any personnel within his/her command to ensure compliance with this policy and to address any training issues.

300.8 TRAINING

Officers shall receive annual training on this policy and demonstrate their knowledge and understanding.

Subject to available resources, officers should receive periodic training on guidelines regarding vulnerable populations, including but not limited to children, elderly, pregnant persons, and individuals with physical, mental, or intellectual disabilities.

300.8.1 TRAINING REQUIREMENTS

Required annual training shall include:

- (a) Legal updates.
- (b) De-escalation tactics, including alternatives to force.
- (c) The duty to intervene.
- (d) The duty to request and/or render medical aid.
- (e) Warning shots (see the Firearms Policy).
- (f) All other subjects covered in this policy (e.g., use of deadly force, chokeholds and carotid holds, discharge of a firearm at or from a moving vehicle, verbal warnings).
- (g) Training on the use of force.

300.9 USE OF FORCE ANALYSIS

At least annually, the Patrol Division Commander should prepare an analysis report on use of force incidents. The report should be submitted to the Chief of Police. The report should not contain the names of officers, suspects, or case numbers, and should include:

- (a) The identification of any trends in the use of force by members.

Use of Force Review Boards

301.1 PURPOSE AND SCOPE

This policy establishes a process for the Matteson Police Department to review the use of force by its employees.

This review process shall be in addition to any other review or investigation that may be conducted by any outside or multi-agency entity having jurisdiction over the investigation or evaluation of the use of deadly force.

301.2 POLICY

The Matteson Police Department will objectively evaluate the use of force by its members to ensure that their authority is used lawfully, appropriately and is consistent with training and policy.

301.3 REMOVAL FROM LINE DUTY ASSIGNMENT

Generally, whenever an employee's actions or use of force in an official capacity, or while using department equipment, results in death or very serious injury to another, that employee will be placed in a temporary administrative assignment pending an administrative review. The Chief of Police may exercise discretion and choose not to place an employee in an administrative assignment in any case.

301.4 REVIEW BOARD

The Use of Force Review Board will be convened when the use of force by a member results in very serious injury or death to another.

The Use of Force Review Board will also investigate and review the circumstances surrounding every discharge of a firearm, whether the employee was on- or off-duty, excluding training or recreational use.

The Chief of Police may request the Use of Force Review Board to investigate the circumstances surrounding any use of force incident.

The Administration Division Commander will convene the Use of Force Review Board as necessary. It will be the responsibility of the Division Commander or supervisor of the involved employee to notify the Administration Division Commander of any incidents requiring board review. The involved employee's Division Commander or supervisor will also ensure that all relevant reports, documents, and materials are available for consideration and review by the board.

301.4.1 COMPOSITION OF THE BOARD

The Administration Division Commander should select five Use of Force Review Board members from the following, as appropriate:

- Representatives of each division
- Commanding officer in the involved member's chain of command
- Training Sergeant

Matteson Police Department

Policy Manual

Policy Manual

Use of Force Review Boards

- Nonadministrative supervisor
- A peer officer
- Department instructor for the type of weapon, device or technique used

The senior ranking command representative who is not in the same division as the involved employee will serve as chairperson.

301.4.2 RESPONSIBILITIES OF THE BOARD

The Use of Force Review Board is empowered to conduct an administrative review and inquiry into the circumstances of an incident.

The board members may request further investigation, request reports be submitted for the board's review, call persons to present information and request the involved employee to appear. The involved employee will be notified of the meeting of the board and may choose to have a representative through all phases of the review process.

The board does not have the authority to recommend discipline.

The Chief of Police will determine whether the board should delay its review until after completion of any criminal investigation, review by any prosecutorial body, filing of criminal charges, the decision not to file criminal charges, or any other action. The board should be provided all relevant available material from these proceedings for its consideration.

The review shall be based upon those facts which were reasonably believed or known by the officer at the time of the incident, applying any legal requirements, department policies, procedures and approved training to those facts. Facts later discovered but unknown to the officer at the time shall neither justify nor call into question an officer's decision regarding the use of force.

Any questioning of the involved employee conducted by the board will be in accordance with department's disciplinary procedures, the Personnel Complaints Policy, the current collective bargaining agreement and any applicable state or federal law.

The board shall make one of the following recommended findings:

- (a) The employee's actions were within department policy and procedure.
- (b) The employee's actions were in violation of department policy and procedure.

A recommended finding requires a majority vote of the board. The board may also recommend additional investigations or reviews, such as disciplinary investigations, training reviews to consider whether training should be developed or revised, and policy reviews, as may be appropriate. The board chairperson will submit the written recommendation to the Chief of Police.

The Chief of Police shall review the recommendation, make a final determination as to whether the employee's actions were within policy and procedure and will determine whether any additional actions, investigations or reviews are appropriate. The Chief of Police's final findings will be forwarded to the involved employee's Division Commander for review and appropriate action. If

Handcuffing and Restraints

302.1 PURPOSE AND SCOPE

This policy provides guidelines for the use of handcuffs and other restraints during detentions and arrests.

302.2 POLICY

The Matteson Police Department authorizes the use of restraint devices in accordance with this policy, the Use of Force Policy and department training. Restraint devices shall not be used to punish, to display authority or as a show of force.

302.3 USE OF RESTRAINTS

Only members who have successfully completed Matteson Police Department-approved training on the use of restraint devices described in this policy are authorized to use these devices.

When deciding whether to use any restraint, officers should carefully balance officer safety concerns with factors that include, but are not limited to:

- The circumstances or crime leading to the arrest.
- The demeanor and behavior of the arrested person.
- The age and health of the person.
- Whether the person is known to be pregnant.
- Whether the person has a hearing or speaking disability. In such cases, consideration should be given, safety permitting, to handcuffing to the front in order to allow the person to sign or write notes.
- Whether the person has any other apparent disability.

302.3.1 RESTRAINT OF DETAINEES

Situations may arise where it may be reasonable to restrain an individual who may, after brief investigation, be released without arrest. Unless arrested, the use of restraints on detainees should continue only for as long as is reasonably necessary to assure the safety of officers and others. When deciding whether to remove restraints from a detainee, officers should continuously weigh the safety interests at hand against the continuing intrusion upon the detainee.

302.3.2 RESTRAINT OF PREGNANT PERSONS

Persons who are known to be pregnant should be restrained in the least restrictive manner that is effective for officer safety. Leg irons, waist chains, or handcuffs behind the body should not be used unless the officer has a reasonable suspicion that the person may resist, attempt escape, injure herself or others, or damage property.

Matteson Police Department

Policy Manual

Policy Manual

Handcuffing and Restraints

No person who is in labor, delivery, or recovery after delivery shall be handcuffed or restrained except in extraordinary circumstances and only when a supervisor makes an individualized determination that such restraints are necessary for the safety of the arrestee, officers, or others.

302.3.3 RESTRAINT OF JUVENILES

A juvenile under 14 years of age should not be restrained unless he/she is suspected of a dangerous felony or when the officer has a reasonable suspicion that the juvenile may resist, attempt escape, injure him/herself, injure the officer or damage property.

302.3.4 NOTIFICATIONS

Whenever an officer transports a person with the use of restraints other than handcuffs, the officer shall inform the jail staff upon arrival at the jail that restraints were used. This notification should include information regarding any other circumstances the officer reasonably believes would be potential safety concerns or medical risks to the subject (e.g., prolonged struggle, extreme agitation, impaired respiration) that may have occurred prior to, or during transportation to the jail.

302.4 APPLICATION OF HANDCUFFS OR PLASTIC CUFFS

Handcuffs, including temporary nylon or plastic cuffs, may be used only to restrain a person's hands to ensure officer safety.

In order to protect the safety and security of the person in custody, any officers, and the general public, it shall be the policy of the of the police department that every custodial arrest be handcuffed. The Matteson Police Department recognizes that there may be few situations or factors that may allow discretion be given, therefore, any decision to not handcuff must be articulated and then approved by the shift supervisor. Officers should consider handcuffing any person they reasonably believe warrants that degree of restraint. However, officers should not conclude that in order to avoid risk every person should be handcuffed, regardless of the circumstances.

In most situations handcuffs should be applied with the hands behind the person's back. When feasible, handcuffs should be double-locked to prevent tightening, which may cause undue discomfort or injury to the hands or wrists.

In situations where one pair of handcuffs does not appear sufficient to restrain the individual or may cause unreasonable discomfort due to the person's size, officers should consider alternatives, such as using an additional set of handcuffs or multiple plastic cuffs.

Handcuffs should be removed as soon as it is reasonable or after the person has been searched and is safely confined within a detention facility.

302.5 APPLICATION OF SPIT HOODS

Spit hoods are temporary protective devices designed to prevent the wearer from biting and/or transferring or transmitting fluids (saliva and mucous) to others.

Matteson Police Department

Policy Manual

Policy Manual

Handcuffing and Restraints

Spit hoods may be placed upon persons in custody when the officer reasonably believes the person will bite or spit, either on a person or in an inappropriate place. They are generally used during application of a physical restraint, while the person is restrained, or during or after transport.

Officers utilizing spit hoods should ensure that the spit hood is fastened properly to allow for adequate ventilation and that the restrained person can breathe normally. Officers should provide assistance during the movement of a restrained person due to the potential for impairing or distorting that person's vision. Officers should avoid commingling those wearing spit hoods with other detainees.

Spit hoods should not be used in situations where the restrained person is bleeding profusely from the area around the mouth or nose, or if there are indications that the person has a medical condition, such as difficulty breathing or vomiting. In such cases, prompt medical care should be obtained. If the person vomits while wearing a spit hood the spit hood should be promptly removed and discarded. Persons who have been sprayed with oleoresin capsicum (OC) spray should be thoroughly decontaminated, including hair, head, and clothing, prior to application of a spit hood.

Those who have been placed in a spit hood should be continually monitored and shall not be left unattended until the spit hood is removed. Spit hoods shall be discarded after each use.

302.6 APPLICATION OF AUXILIARY RESTRAINT DEVICES

Auxiliary restraint devices include transport belts, waist or belly chains, transportation chains, leg irons and other similar devices. Auxiliary restraint devices are intended for use during long-term restraint or transportation. They provide additional security and safety without impeding breathing, while permitting adequate movement, comfort and mobility.

Only department-authorized devices may be used. Any person in auxiliary restraints should be monitored as reasonably appears necessary.

302.7 APPLICATION OF LEG RESTRAINT DEVICES

Leg restraints may be used to restrain the legs of a violent or potentially violent person when it is reasonable to do so during the course of detention, arrest or transportation. Only restraint devices approved by the department shall be used.

In determining whether to use the leg restraint, officers should consider:

- (a) Whether the officer or others could be exposed to injury due to the assaultive or resistant behavior of a suspect.
- (b) Whether it is reasonably necessary to protect the suspect from his/her own actions (e.g., hitting his/her head against the interior of the patrol unit, running away from the arresting officer while handcuffed, kicking at objects or officers).
- (c) Whether it is reasonably necessary to avoid damage to property (e.g., kicking at windows of the patrol unit).

302.7.1 GUIDELINES FOR USE OF LEG RESTRAINTS

When applying leg restraints the following guidelines should be followed:

Matteson Police Department

Policy Manual

Policy Manual

Handcuffing and Restraints

- (a) If practicable, officers should notify a supervisor of the intent to apply the leg restraint device. In all cases, a supervisor shall be notified as soon as practicable after the application of the leg restraint device.
- (b) Once applied, absent a medical or other emergency, restraints should remain in place until the officer arrives at the jail or other facility or the person no longer reasonably appears to pose a threat.
- (c) Once secured, the person should be placed in a seated or upright position, secured with a seat belt, and shall not be placed on his/her stomach for an extended period, as this could reduce the person's ability to breathe.
- (d) The restrained person should be continually monitored by an officer while in the leg restraint. The officer should ensure that the person does not roll onto and remain on his/her stomach.
- (e) The officer should look for signs of labored breathing and take appropriate steps to relieve and minimize any obvious factors contributing to this condition.
- (f) When transported by ambulance/paramedic unit, the restrained person should be accompanied by an officer when requested by medical personnel. The transporting officer should describe to medical personnel any unusual behaviors or other circumstances the officer reasonably believes would be potential safety or medical risks to the subject (e.g., prolonged struggle, extreme agitation, impaired respiration).

302.8 REQUIRED DOCUMENTATION

If a person is restrained and released without an arrest, the officer shall document the details of the detention and the need for handcuffs or other restraints.

If a person is arrested, the use of handcuffs or other restraints shall be documented in the related report.

Officers should document the following information in reports, as appropriate, when restraints other than handcuffs are used on a person:

- (a) The factors that led to the decision to use restraints.
- (b) Supervisor notification and approval of restraint use.
- (c) The types of restraint used.
- (d) The amount of time the person was restrained.
- (e) How the person was transported and the position of the person during transport.
- (f) Observations of the person's behavior and any signs of physiological problems.
- (g) Any known or suspected drug use or other medical problems.

302.9 TRAINING

Subject to available resources, the Training Sergeant should ensure that officers receive periodic training on the proper use of handcuffs and other restraints, including:

- (a) Proper placement and fit of handcuffs and other restraint devices approved for use by the Department.
- (b) Response to complaints of pain by restrained persons.
- (c) Options for restraining those who may be pregnant without the use of leg irons, waist chains, or handcuffs behind the body.
- (d) Options for restraining amputees or those with medical conditions or other physical conditions that may be aggravated by being restrained.

Handcuffing and Restraints

302.1 PURPOSE AND SCOPE

This policy provides guidelines for the use of handcuffs and other restraints during detentions and arrests.

302.2 POLICY

The Matteson Police Department authorizes the use of restraint devices in accordance with this policy, the Use of Force Policy and department training. Restraint devices shall not be used to punish, to display authority or as a show of force.

302.3 USE OF RESTRAINTS

Only members who have successfully completed Matteson Police Department-approved training on the use of restraint devices described in this policy are authorized to use these devices.

When deciding whether to use any restraint, officers should carefully balance officer safety concerns with factors that include, but are not limited to:

- The circumstances or crime leading to the arrest.
- The demeanor and behavior of the arrested person.
- The age and health of the person.
- Whether the person is known to be pregnant.
- Whether the person has a hearing or speaking disability. In such cases, consideration should be given, safety permitting, to handcuffing to the front in order to allow the person to sign or write notes.
- Whether the person has any other apparent disability.

302.3.1 RESTRAINT OF DETAINEES

Situations may arise where it may be reasonable to restrain an individual who may, after brief investigation, be released without arrest. Unless arrested, the use of restraints on detainees should continue only for as long as is reasonably necessary to assure the safety of officers and others. When deciding whether to remove restraints from a detainee, officers should continuously weigh the safety interests at hand against the continuing intrusion upon the detainee.

302.3.2 RESTRAINT OF PREGNANT PERSONS

Persons who are known to be pregnant should be restrained in the least restrictive manner that is effective for officer safety and in no event shall these persons be restrained by the use of leg irons, waist chains or handcuffs behind the body.

No person who is in labor shall be handcuffed or restrained except in extraordinary circumstances and only when a supervisor makes an individualized determination that such restraints are necessary to prevent escape or injury.

Matteson Police Department

Policy Manual

Policy Manual

Handcuffing and Restraints

302.3.3 RESTRAINT OF JUVENILES

A juvenile under 14 years of age should not be restrained unless he/she is suspected of a dangerous felony or when the officer has a reasonable suspicion that the juvenile may resist, attempt escape, injure him/herself, injure the officer or damage property.

302.3.4 NOTIFICATIONS

Whenever an officer transports a person with the use of restraints other than handcuffs, the officer shall inform the jail staff upon arrival at the jail that restraints were used. This notification should include information regarding any other circumstances the officer reasonably believes would be potential safety concerns or medical risks to the subject (e.g., prolonged struggle, extreme agitation, impaired respiration) that may have occurred prior to, or during transportation to the jail.

302.4 APPLICATION OF HANDCUFFS OR PLASTIC CUFFS

Handcuffs, including temporary nylon or plastic cuffs, may be used only to restrain a person's hands to ensure officer safety.

Although recommended for most arrest situations, handcuffing is discretionary and not an absolute requirement of the Department. Officers should consider handcuffing any person they reasonably believe warrants that degree of restraint. However, officers should not conclude that in order to avoid risk every person should be handcuffed, regardless of the circumstances.

In most situations handcuffs should be applied with the hands behind the person's back. When feasible, handcuffs should be double-locked to prevent tightening, which may cause undue discomfort or injury to the hands or wrists.

In situations where one pair of handcuffs does not appear sufficient to restrain the individual or may cause unreasonable discomfort due to the person's size, officers should consider alternatives, such as using an additional set of handcuffs or multiple plastic cuffs.

Handcuffs should be removed as soon as it is reasonable or after the person has been searched and is safely confined within a detention facility.

302.5 APPLICATION OF SPIT HOODS/MASKS/SOCKS

Spit hoods/masks/socks are temporary protective devices designed to prevent the wearer from biting and/or transferring or transmitting fluids (saliva and mucous) to others.

Spit hoods may be placed upon persons in custody when the officer reasonably believes the person will bite or spit, either on a person or in an inappropriate place. They are generally used during application of a physical restraint, while the person is restrained, or during or after transport.

Officers utilizing spit hoods should ensure that the spit hood is fastened properly to allow for adequate ventilation and that the restrained person can breathe normally. Officers should provide assistance during the movement of restrained individuals due to the potential for impaired or distorted vision on the part of the individual. Officers should avoid comingling individuals wearing spit hoods with other detainees.

Matteson Police Department

Policy Manual

Policy Manual

Handcuffing and Restraints

Spit hoods should not be used in situations where the restrained person is bleeding profusely from the area around the mouth or nose, or if there are indications that the person has a medical condition, such as difficulty breathing or vomiting. In such cases, prompt medical care should be obtained. If the person vomits while wearing a spit hood the spit hood should be promptly removed and discarded. Persons who have been sprayed with oleoresin capicum (OC) spray should be thoroughly decontaminated including hair, head and clothing prior to application of a spit hood.

Those who have been placed in a spit hood should be continually monitored and shall not be left unattended until the spit hood is removed. Spit hoods shall be discarded after each use.

302.6 APPLICATION OF AUXILIARY RESTRAINT DEVICES

Auxiliary restraint devices include transport belts, waist or belly chains, transportation chains, leg irons and other similar devices. Auxiliary restraint devices are intended for use during long-term restraint or transportation. They provide additional security and safety without impeding breathing, while permitting adequate movement, comfort and mobility.

Only department-authorized devices may be used. Any person in auxiliary restraints should be monitored as reasonably appears necessary.

302.7 APPLICATION OF LEG RESTRAINT DEVICES

Leg restraints may be used to restrain the legs of a violent or potentially violent person when it is reasonable to do so during the course of detention, arrest or transportation. Only restraint devices approved by the department shall be used.

In determining whether to use the leg restraint, officers should consider:

- (a) Whether the officer or others could be exposed to injury due to the assaultive or resistant behavior of a suspect.
- (b) Whether it is reasonably necessary to protect the suspect from his/her own actions (e.g., hitting his/her head against the interior of the patrol unit, running away from the arresting officer while handcuffed, kicking at objects or officers).
- (c) Whether it is reasonably necessary to avoid damage to property (e.g., kicking at windows of the patrol unit).

302.7.1 GUIDELINES FOR USE OF LEG RESTRAINTS

When applying leg restraints the following guidelines should be followed:

- (a) If practicable, officers should notify a supervisor of the intent to apply the leg restraint device. In all cases, a supervisor shall be notified as soon as practicable after the application of the leg restraint device.
- (b) Once applied, absent a medical or other emergency, restraints should remain in place until the officer arrives at the jail or other facility or the person no longer reasonably appears to pose a threat.

Matteson Police Department

Policy Manual

Handcuffing and Restraints

- (c) Once secured, the person should be placed in a seated or upright position, secured with a seat belt, and shall not be placed on his/her stomach for an extended period, as this could reduce the person's ability to breathe.
- (d) The restrained person should be continually monitored by an officer while in the leg restraint. The officer should ensure that the person does not roll onto and remain on his/her stomach.
- (e) The officer should look for signs of labored breathing and take appropriate steps to relieve and minimize any obvious factors contributing to this condition.
- (f) When transported by ambulance/paramedic unit, the restrained person should be accompanied by an officer when requested by medical personnel. The transporting officer should describe to medical personnel any unusual behaviors or other circumstances the officer reasonably believes would be potential safety or medical risks to the subject (e.g., prolonged struggle, extreme agitation, impaired respiration).

302.8 REQUIRED DOCUMENTATION

If an individual is restrained and released without an arrest, the officer shall document the details of the detention and the need for handcuffs or other restraints.

If an individual is arrested, the use of restraints other than handcuffs shall be documented in the related report. The officer should include, as appropriate:

- (a) The amount of time the suspect was restrained.
- (b) How the suspect was transported and the position of the suspect.
- (c) Observations of the suspect's behavior and any signs of physiological problems.
- (d) Any known or suspected drug use or other medical problems.

Control Devices and Techniques

303.1 PURPOSE AND SCOPE

This policy provides guidelines for the use and maintenance of control devices that are described in this policy.

303.2 POLICY

In order to control subjects who are violent or who demonstrate the intent to be violent, the Matteson Police Department authorizes officers to use control devices in accordance with the guidelines in this policy and the Use of Force Policy.

303.3 ISSUING, CARRYING AND USING CONTROL DEVICES

Control devices described in this policy may be carried and used by members of this department only if the device has been issued by the Department or approved by the Chief of Police or the authorized designee.

Only officers who have successfully completed department-approved training in the use of any control device are authorized to carry and use the device.

Control devices may be used when a decision has been made to control, restrain or arrest a subject who is violent or who demonstrates the intent to be violent, and the use of the device appears reasonable under the circumstances. When reasonable, a verbal warning and opportunity to comply should precede the use of these devices.

When using control devices, officers should carefully consider potential impact areas in order to minimize injuries and unintentional targets.

303.4 RESPONSIBILITIES

303.4.1 WATCH COMMANDER RESPONSIBILITIES

The Watch Commander may authorize the use of a control device by selected personnel or members of specialized units who have successfully completed the required training.

303.4.2 RANGEMASTER RESPONSIBILITIES

The Rangemaster shall control the inventory and issuance of all control devices and shall ensure that all damaged, inoperative, outdated or expended control devices or munitions are properly disposed of, repaired or replaced.

Every control device will be periodically inspected by the Rangemaster or the designated instructor for a particular control device. The inspection shall be documented.

303.4.3 USER RESPONSIBILITIES

All normal maintenance, charging or cleaning shall remain the responsibility of personnel using the various devices.

Matteson Police Department

Policy Manual

Policy Manual

Control Devices and Techniques

Any damaged, inoperative, outdated or expended control devices or munitions, along with documentation explaining the cause of the damage, shall be returned to the Rangemaster for disposition. Damage to Village property forms shall also be prepared and forwarded through the chain of command, when appropriate, explaining the cause of damage.

303.5 BATON GUIDELINES

The need to immediately control a suspect must be weighed against the risk of causing serious injury. The head, neck, throat, spine, heart, kidneys and groin should not be intentionally targeted except when the officer reasonably believes the suspect poses an imminent threat of serious bodily injury or death to the officer or others.

When carrying a baton, uniformed personnel shall carry the baton in its authorized holder on the equipment belt. Plainclothes and non-field personnel may carry the baton as authorized and in accordance with the needs of their assignment or at the direction of their supervisor.

303.6 TEAR GAS GUIDELINES

Tear gas may be used for crowd control, crowd dispersal or against barricaded suspects based on the circumstances. Only the Watch Commander, Incident Commander or Crisis Response Unit Commander may authorize the delivery and use of tear gas, and only after evaluating all conditions known at the time and determining that such force reasonably appears justified and necessary.

When practicable, fire personnel should be alerted or summoned to the scene prior to the deployment of tear gas to control any fires and to assist in providing medical aid or gas evacuation if needed.

303.7 OLEORESIN CAPSICUM (OC) GUIDELINES

As with other control devices, oleoresin capsicum (OC) spray and pepper projectiles may be considered for use to bring under control an individual or groups of individuals who are engaging in, or are about to engage in violent behavior. Pepper projectiles and OC spray should not, however, be used against individuals or groups who merely fail to disperse or do not reasonably appear to present a risk to the safety of officers or the public.

303.7.1 OC SPRAY

Uniformed personnel carrying OC spray shall carry the device in its holster on the equipment belt. Plainclothes and non-field personnel may carry OC spray as authorized, in accordance with the needs of their assignment or at the direction of their supervisor.

303.7.2 PEPPER PROJECTILE SYSTEMS

Pepper projectiles are plastic spheres that are filled with a derivative of OC powder. Because the compressed gas launcher delivers the projectiles with enough force to burst the projectiles on impact and release the OC powder, the potential exists for the projectiles to inflict injury if they strike the head, neck, spine or groin. Therefore, personnel using a pepper projectile system should not intentionally target those areas, except when the officer reasonably believes the suspect poses an imminent threat of serious bodily injury or death to the officer or others.

Matteson Police Department

Policy Manual

Policy Manual

Control Devices and Techniques

Officers encountering a situation that warrants the use of a pepper projectile system shall notify a supervisor as soon as practicable. A supervisor shall respond to all pepper projectile system incidents where the suspect has been hit or exposed to the chemical agent. The supervisor shall ensure that all notifications and reports are completed as required by the Use of Force Policy.

Each deployment of a pepper projectile system shall be documented. This includes situations where the launcher was directed toward the suspect, whether or not the launcher was used. Unintentional discharges shall be promptly reported to a supervisor and documented on the appropriate report form. Only non-incident use of a pepper projectile system, such as training and product demonstrations, is exempt from the reporting requirement.

303.7.3 TREATMENT FOR OC SPRAY EXPOSURE

Persons who have been sprayed with or otherwise affected by the use of OC should be promptly provided with clean water to cleanse the affected areas. Those persons who complain of further severe effects shall be examined by appropriate medical personnel.

303.8 POST-APPLICATION NOTICE

Whenever tear gas or OC has been introduced into a residence, building interior, vehicle or other enclosed area, officers should provide the owners or available occupants with notice of the possible presence of residue that could result in irritation or injury if the area is not properly cleaned. Such notice should include advisement that clean up will be at the owner's expense. Information regarding the method of notice and the individuals notified should be included in related reports.

303.9 KINETIC ENERGY PROJECTILE GUIDELINES

This department is committed to reducing the potential for violent confrontations. Kinetic energy projectiles, when used properly, are less likely to result in death or serious physical injury and can be used in an attempt to de-escalate a potentially deadly situation.

303.9.1 DEPLOYMENT AND USE

Only department-approved kinetic energy munitions shall be carried and deployed. Approved munitions may be used to compel an individual to cease his/her actions when such munitions present a reasonable option.

Officers are not required or compelled to use approved munitions in lieu of other reasonable tactics if the involved officer determines that deployment of these munitions cannot be done safely. The safety of hostages, innocent persons and officers takes priority over the safety of subjects engaged in criminal or suicidal behavior.

Circumstances appropriate for deployment include, but are not limited to, situations in which:

- (a) The suspect is armed with a weapon and the tactical circumstances allow for the safe application of approved munitions.
- (b) The suspect has made credible threats to harm him/herself or others.

Matteson Police Department

Policy Manual

Policy Manual

Control Devices and Techniques

- (c) The suspect is engaged in riotous behavior or is throwing rocks, bottles or other dangerous projectiles at people and/or officers.
- (d) There is probable cause to believe that the suspect has already committed a crime of violence and is refusing to comply with lawful orders.

303.9.2 DEPLOYMENT CONSIDERATIONS

Before discharging projectiles, the officer should consider such factors as:

- (a) Distance and angle to target.
- (b) Type of munitions employed.
- (c) Type and thickness of subject's clothing.
- (d) The subject's proximity to others.
- (e) The location of the subject.
- (f) Whether the subject's actions dictate the need for an immediate response and the use of control devices appears appropriate.

A verbal warning of the intended use of the device should precede its application, unless it would otherwise endanger the safety of officers or when it is not practicable due to the circumstances. The purpose of the warning is to give the individual a reasonable opportunity to voluntarily comply and to warn other officers and individuals that the device is being deployed.

Officers should keep in mind the manufacturer's recommendations and their training regarding effective distances and target areas. However, officers are not restricted solely to use according to manufacturer recommendations. Each situation must be evaluated on the totality of circumstances at the time of deployment.

The need to immediately incapacitate the subject must be weighed against the risk of causing serious injury or death. The head and neck should not be intentionally targeted, except when the officer reasonably believes the suspect poses an imminent threat of serious bodily injury or death to the officer or others.

303.9.3 SAFETY PROCEDURES

Shotguns specifically designated for use with kinetic energy projectiles will be specially marked in a manner that makes them readily identifiable as such.

Officers will inspect the shotgun and projectiles at the beginning of each shift to ensure that the shotgun is in proper working order and the projectiles are of the approved type and appear to be free from defects.

When it is not deployed, the shotgun will be unloaded and properly and securely stored in the vehicle. When deploying the kinetic energy projectile shotgun, the officer shall visually inspect the kinetic energy projectiles to ensure that conventional ammunition is not being loaded into the shotgun.

Matteson Police Department

Policy Manual

Policy Manual

Control Devices and Techniques

Absent compelling circumstances, officers who must transition from conventional ammunition to kinetic energy projectiles will employ the two-person rule for loading. The two-person rule is a safety measure in which a second officer watches the unloading and loading process to ensure that the weapon is completely emptied of conventional ammunition.

303.10 TRAINING FOR CONTROL DEVICES

The Training Sergeant shall ensure that all personnel who are authorized to carry a control device have been properly trained and certified to carry the specific control device and are retrained or recertified as necessary.

- (a) Proficiency training shall be monitored and documented by a certified control-device weapons or tactics instructor.
- (b) All training and proficiency for control devices will be documented in the officer's training file.
- (c) Officers who fail to demonstrate proficiency with the control device or knowledge of this [department/office]'s Use of Force Policy will be provided remedial training. If an officer cannot demonstrate proficiency with a control device or knowledge of this [department/office]'s Use of Force Policy after remedial training, the officer will be restricted from carrying the control device and may be subject to discipline.
- (d) Training shall include the issuance and training of this policy and the Use of Force Policy.
- (e) Refresher training shall occur at least once every two calendar years.

303.11 REPORTING USE OF CONTROL DEVICES AND TECHNIQUES

Any application of a control device or technique listed in this policy shall be documented in the related incident report and reported pursuant to the Use of Force Policy.

Control Devices and Techniques

303.1 PURPOSE AND SCOPE

This policy provides guidelines for the use and maintenance of control devices that are described in this policy.

Conducted Energy Device

304.1 PURPOSE AND SCOPE

This policy provides guidelines for the issuance and use of TASER devices.

304.2 POLICY

The TASER® device is intended to control a violent or potentially violent individual, while minimizing the risk of serious injury. The appropriate use of such a device should result in fewer serious injuries to officers and suspects.

304.3 ISSUANCE AND CARRYING TASER DEVICES

Only members who have successfully completed department-approved training may be issued and carry the TASER device.

TASER devices are issued for use during a member's current assignment. Those leaving a particular assignment may be required to return the device to the department's inventory.

Officers shall only use the TASER device and cartridges that have been issued by the Department. Uniformed officers who have been issued the TASER device shall wear the device in an approved holster on their person. Non-uniformed officers may secure the TASER device in the driver's compartment of their vehicle.

Members carrying the TASER device should perform a spark test on the unit prior to every shift.

When carried while in uniform, officers shall carry the TASER device in a weak-side holster on the side opposite the duty weapon.

- (a) All TASER devices shall be clearly and distinctly marked to differentiate them from the duty weapon and any other device.
- (b) Whenever practicable, officers should carry two or more cartridges on their person when carrying the TASER device.
- (c) Officers shall be responsible for ensuring that their issued TASER device is properly maintained and in good working order.
- (d) Officers should not hold both a firearm and the TASER device at the same time.

304.4 VERBAL AND VISUAL WARNINGS

A verbal warning of the intended use of the TASER device should precede its application, unless it would otherwise endanger the safety of officers or when it is not practicable due to the circumstances. The purpose of the warning is to:

- (a) Provide the individual with a reasonable opportunity to voluntarily comply.
- (b) Provide other officers and individuals with a warning that the TASER device may be deployed.

Matteson Police Department

Policy Manual

Policy Manual

Conducted Energy Device

If, after a verbal warning, an individual is unwilling to voluntarily comply with an officer's lawful orders and it appears both reasonable and feasible under the circumstances, the officer may, but is not required to, display the electrical arc (provided that a cartridge has not been loaded into the device), or the laser in a further attempt to gain compliance prior to the application of the TASER device. The aiming laser should never be intentionally directed into the eyes of another as it may permanently impair his/her vision.

The fact that a verbal or other warning was given or the reasons it was not given shall be documented by the officer deploying the TASER device in the related report.

304.5 USE OF THE TASER DEVICE

The TASER device has limitations and restrictions requiring consideration before its use. The TASER device should only be used when its operator can safely approach the subject within the operational range of the device. Although the TASER device is generally effective in controlling most individuals, officers should be aware that the device may not achieve the intended results and be prepared with other options.

304.5.1 APPLICATION OF THE TASER DEVICE

The TASER device may be used in any of the following circumstances, when the circumstances perceived by the officer at the time indicate that such application is reasonably necessary to control a person:

- (a) The subject is violent or is physically resisting.
- (b) The subject has demonstrated, by words or action, an intention to be violent or to physically resist, and reasonably appears to present the potential to harm officers, him/herself or others.

Mere flight from a pursuing officer, without other known circumstances or factors, is not good cause for the use of the TASER device to apprehend an individual.

304.5.2 SPECIAL DEPLOYMENT CONSIDERATIONS

The use of the TASER device on certain individuals should generally be avoided unless the totality of the circumstances indicates that other available options reasonably appear ineffective or would present a greater danger to the officer, the subject or others, and the officer reasonably believes that the need to control the individual outweighs the risk of using the device. This includes:

- (a) Individuals who are known to be pregnant.
- (b) Elderly individuals or obvious juveniles.
- (c) Individuals with obviously low body mass.
- (d) Individuals who are handcuffed or otherwise restrained.
- (e) Individuals who have been recently sprayed with a flammable chemical agent or who are otherwise in close proximity to any known combustible vapor or flammable material, including alcohol-based oleoresin capicum (OC) spray.

Matteson Police Department

Policy Manual

Policy Manual

Conducted Energy Device

- (f) Individuals whose position or activity may result in collateral injury (e.g., falls from height, operating vehicles).

Because the application of the TASER device in the drive-stun mode (i.e., direct contact without probes) relies primarily on pain compliance, the use of the drive-stun mode generally should be limited to supplementing the probe-mode to complete the circuit, or as a distraction technique to gain separation between officers and the subject, thereby giving officers time and distance to consider other force options or actions.

The TASER device shall not be used to psychologically torment, elicit statements or to punish any individual.

304.5.3 TARGETING CONSIDERATIONS

Reasonable efforts should be made to target lower center mass and avoid the head, neck, chest and groin. If the dynamics of a situation or officer safety do not permit the officer to limit the application of the TASER device probes to a precise target area, officers should monitor the condition of the subject if one or more probes strikes the head, neck, chest or groin until the subject is examined by paramedics or other medical personnel.

304.5.4 MULTIPLE APPLICATIONS OF THE TASER DEVICE

Officers should apply the TASER device for only one standard cycle and then evaluate the situation before applying any subsequent cycles. Multiple applications of the TASER device against a single individual are generally not recommended and should be avoided unless the officer reasonably believes that the need to control the individual outweighs the potentially increased risk posed by multiple applications.

If the first application of the TASER device appears to be ineffective in gaining control of an individual, the officer should consider certain factors before additional applications of the TASER device, including:

- (a) Whether the probes are making proper contact.
- (b) Whether the individual has the ability and has been given a reasonable opportunity to comply.
- (c) Whether verbal commands, other options or tactics may be more effective.

Officers should generally not intentionally apply more than one TASER device at a time against a single subject.

304.5.5 ACTIONS FOLLOWING DEPLOYMENTS

Officers shall notify a supervisor of all TASER device discharges. Confetti tags should be collected and the expended cartridge, along with both probes and wire, should be submitted into evidence. The cartridge serial number should be noted and documented on the evidence paperwork. The evidence packaging should be marked "Biohazard" if the probes penetrated the subject's skin.

304.5.6 DANGEROUS ANIMALS

The TASER device may be deployed against an animal as part of a plan to deal with a potentially dangerous animal, such as a dog, if the animal reasonably appears to pose an imminent threat to human safety and alternative methods are not reasonably available or would likely be ineffective.

304.5.7 TASER® CAM™

The TASER CAM is activated any time the safety is in the off position. The safety should be in the safe position unless the officer intends to use the device. Because the TASER CAM memory is limited, the video and audio data should be downloaded frequently and retained as required by the department records retention schedule.

304.5.8 OFF-DUTY CONSIDERATIONS

Officers are not authorized to carry department TASER devices while off-duty.

Officers shall ensure that TASER devices are secured while in their homes, vehicles or any other area under their control, in a manner that will keep the device inaccessible to others.

304.6 DOCUMENTATION

Officers shall document all TASER device discharges in the related arrest/crime report and the TASER device report form. Notification shall also be made to a supervisor in compliance with the Use of Force Policy. Unintentional discharges, pointing the device at a person, laser activation and arcing the device will also be documented on the report form.

304.6.1 TASER DEVICE FORM

Items that shall be included in the TASER device report form are:

- (a) The type and brand of TASER device and cartridge and cartridge serial number.
- (b) Date, time and location of the incident.
- (c) Whether any display, laser or arc deterred a subject and gained compliance.
- (d) The number of TASER device activations, the duration of each cycle, the duration between activations, and (as best as can be determined) the duration that the subject received applications.
- (e) The range at which the TASER device was used.
- (f) The type of mode used (probe or drive-stun).
- (g) Location of any probe impact.
- (h) Location of contact in drive-stun mode.
- (i) Description of where missed probes went.
- (j) Whether medical care was provided to the subject.
- (k) Whether the subject sustained any injuries.
- (l) Whether any officers sustained any injuries.

Matteson Police Department

Policy Manual

Conducted Energy Device

The Training Sergeant should periodically analyze the report forms to identify trends, including deterrence and effectiveness. The Training Sergeant should also conduct audits of data downloads and reconcile TASER device report forms with recorded activations. TASER device information and statistics, with identifying information removed, should periodically be made available to the public.

304.6.2 REPORTS

The officer should include the following in the arrest/crime report:

- (a) Identification of all personnel firing TASER devices
- (b) Identification of all witnesses
- (c) Medical care provided to the subject
- (d) Observations of the subject's physical and physiological actions
- (e) Any known or suspected drug use, intoxication or other medical problems

304.7 MEDICAL TREATMENT

Consistent with local medical personnel protocols and absent extenuating circumstances, only appropriate medical personnel should remove TASER device probes from a person's body. Used TASER device probes shall be treated as a sharps biohazard, similar to a used hypodermic needle, and handled appropriately. Universal precautions should be taken.

All persons who have been struck by TASER device probes or who have been subjected to the electric discharge of the device shall be medically assessed prior to booking. Additionally, any such individual who falls under any of the following categories should, as soon as practicable, be examined by paramedics or other qualified medical personnel:

- (a) The person is suspected of being under the influence of controlled substances and/or alcohol.
- (b) The person may be pregnant.
- (c) The person reasonably appears to be in need of medical attention.
- (d) The TASER device probes are lodged in a sensitive area (e.g., groin, female breast, head, face, neck).
- (e) The person requests medical treatment.

Any individual exhibiting signs of distress or who is exposed to multiple or prolonged applications (i.e., more than 15 seconds) shall be transported to a medical facility for examination or medically evaluated prior to booking. If any individual refuses medical attention, such a refusal should be witnessed by another officer and/or medical personnel and shall be fully documented in related reports. If an audio recording is made of the contact or an interview with the individual, any refusal should be included, if possible.

Matteson Police Department

Conducted Energy Device

The transporting officer shall inform any person providing medical care or receiving custody that the individual has been subjected to the application of the TASER device.

304.8 SUPERVISOR RESPONSIBILITIES

When possible, supervisors should respond to calls when they reasonably believe there is a likelihood the TASER device may be used. A supervisor should respond to all incidents where the TASER device was activated.

A supervisor should review each incident where a person has been exposed to an activation of the TASER device. The device's onboard memory should be downloaded through the data port by a supervisor or Rangemaster and saved with the related arrest/crime report. Photographs of probe sites should be taken and witnesses interviewed.

304.9 TRAINING

Personnel who are authorized to carry the TASER device shall be permitted to do so only after successfully completing the initial department-approved training. Any personnel who have not carried the TASER device as a part of their assignment for a period of six months or more shall be recertified by a department-approved TASER device instructor prior to again carrying or using the device.

Proficiency training for personnel who have been issued TASER devices should occur every year. A reassessment of an officer's knowledge and/or practical skill may be required at any time if deemed appropriate by the Training Sergeant. All training and proficiency for TASER devices will be documented in the officer's training file.

Command staff, supervisors and investigators should receive TASER device training as appropriate for the investigations they conduct and review.

Officers who do not carry TASER devices should receive training that is sufficient to familiarize them with the device and with working with officers who use the device.

The Training Sergeant is responsible for ensuring that all members who carry TASER devices have received initial and annual proficiency training. Periodic audits should be used for verification.

Application of TASER devices during training could result in injury to personnel and should not be mandatory for certification.

The Training Sergeant should ensure that all training includes:

- (a) A review of this policy.
- (b) A review of the Use of Force Policy.
- (c) Performing weak-hand draws or cross-draws to reduce the possibility of unintentionally drawing and firing a firearm.
- (d) Target area considerations, to include techniques or options to reduce the unintentional application of probes near the head, neck, chest and groin.

Officer-Involved Shootings and Deaths

305.1 PURPOSE AND SCOPE

The purpose of this policy is to establish policy and procedures for the investigation of an incident in which a person is injured or dies as the result of an officer-involved shooting or dies as a result of another action of an officer (50 ILCS 727/1-10; 50 ILCS 727/1-30; 730 ILCS 210/3-1).

In other incidents not covered by this policy, the Chief of Police may decide that the investigation will follow the process provided in this policy.

305.1.1 DEFINITIONS

Definitions related to this policy include:

Officer-involved death - Any death of an individual that results directly from an action or directly from an intentional omission, including unreasonable delay involving a person in custody or intentional failure to seek medical attention when the need for treatment is apparent, of a law enforcement officer while the officer is on-duty, or otherwise acting within the scope of his/her employment, or while the officer is off-duty, but performing activities that are within the scope of his/her law enforcement duties. It also includes any death resulting from a motor vehicle crash, if the law enforcement officer was engaged in law enforcement activity involving the individual or the individual's vehicle in the process of apprehension or an attempt to apprehend (50 ILCS 727/1-5).

305.2 POLICY

The policy of the Matteson Police Department is to ensure that officer-involved shootings and deaths are investigated in a thorough, fair and impartial manner.

305.3 TYPES OF INVESTIGATIONS

Officer-involved shootings and deaths involve several separate investigations. The investigations may include:

- A criminal investigation of the suspect's actions.
- A criminal investigation of the involved officer's actions.
- An administrative investigation as to policy compliance by involved officers.
- A civil investigation to determine potential liability.

305.4 CONTROL OF INVESTIGATIONS

The following scenarios outline the jurisdictional responsibilities for investigating officer-involved shootings and deaths.

305.4.1 CRIMINAL INVESTIGATION OF SUSPECT ACTIONS

The investigation of any possible criminal conduct by the suspect is controlled by the agency in whose jurisdiction the suspect's crime occurred. For example, the Matteson Police Department would control the investigation if the suspect's crime occurred in Matteson.

Matteson Police Department

Policy Manual

Policy Manual

Officer-Involved Shootings and Deaths

If multiple crimes have been committed in multiple jurisdictions, identification of the agency that will control the investigation may be reached in the same way as with any other crime. The investigation may be conducted by the agency in control of the criminal investigation of the involved officer, at the discretion of the Chief of Police and with concurrence from the other agency.

305.4.2 CRIMINAL INVESTIGATION OF OFFICER ACTIONS

The control of the criminal investigation into the involved officer's conduct during the incident will be determined by the employing agency's protocol. When an officer from this department is involved, the criminal investigation will be handled according to the Criminal Investigation section of this policy.

Requests made of this department to investigate a shooting or death involving an outside agency's officer shall be referred to the Chief of Police or the authorized designee for approval.

305.4.3 ADMINISTRATIVE AND CIVIL INVESTIGATION

Regardless of where the incident occurs, the administrative and civil investigation of each involved officer is controlled by the respective employing agency.

An officer-involved death of an individual in custody that may have been caused by the officer's use of force shall be investigated pursuant to the Reporting of Deaths in Custody Act (730 ILCS 210/3-5).

305.5 INVESTIGATION PROCESS

The following procedures are guidelines used in the investigation of an officer-involved shooting or death.

305.5.1 UNINVOLVED OFFICER RESPONSIBILITIES

Upon arrival at the scene of an officer-involved shooting or death, the first uninvolved MPD officer will be the officer-in-charge and will assume the responsibilities of a supervisor until properly relieved. This officer should, as appropriate:

- (a) Secure the scene and identify and eliminate hazards for all those involved.
- (b) Take reasonable steps to obtain emergency medical attention for injured individuals.
- (c) Request additional resources from the Department or other agencies.
- (d) Coordinate a perimeter or pursuit of suspects.
- (e) Check for injured persons and evacuate as needed.
- (f) Brief the supervisor upon arrival.

305.5.2 SUPERVISOR RESPONSIBILITIES

Upon arrival at the scene, the first uninvolved MPD supervisor should ensure completion of the duties as outlined above, plus:

- (a) Attempt to obtain a brief overview of the situation from any uninvolved officers.

Matteson Police Department

Policy Manual

Policy Manual

Officer-Involved Shootings and Deaths

1. In the event that there are no uninvolved officers who can supply adequate overview, the supervisor should attempt to obtain a brief voluntary overview from one involved officer.
- (b) If necessary, the supervisor may administratively order any MPD officer to immediately provide public safety information necessary to secure the scene, identify injured parties and pursue suspects.
 1. Public safety information shall be limited to such things as outstanding suspect information, number and direction of any shots fired, perimeter of the incident scene, identity of known or potential witnesses and any other pertinent information.
 2. The initial on-scene supervisor should not attempt to order any involved officer to provide any information other than public safety information.
- (c) Provide all available information to the Watch Commander and the Dispatch Center. If feasible, sensitive information should be communicated over secure networks.
- (d) Take command of and secure the incident scene with additional MPD members until properly relieved by another supervisor or other assigned personnel or investigator.
- (e) As soon as practicable, ensure that involved officers are transported (separately, if feasible) to a suitable location for further direction.
 1. Each involved MPD officer should be given an administrative order not to discuss the incident with other involved officers or MPD members pending further direction from a supervisor.
 2. When an involved officer's weapon is taken or left at the scene for other than officer-safety reasons (e.g., evidence), ensure that he/she is provided with a comparable replacement weapon or transported by other officers.

305.5.3 WATCH COMMANDER RESPONSIBILITIES

Upon learning of an officer-involved shooting or death, the Watch Commander shall be responsible for coordinating all aspects of the incident until relieved by the Chief of Police or a Division Commander.

All outside inquiries about the incident shall be directed to the Watch Commander.

305.5.4 NOTIFICATIONS

The following persons shall be notified as soon as practicable:

- Chief of Police
- Criminal Investigations Division Commander
- Officer-Involved Shooting rollout team
- Outside agency investigators (if appropriate)
- Internal Affairs Unit supervisor
- Civil liability response team

 - 1. Interviews with a licensed psychotherapist will be considered privileged.

However, the involved members shall not be permitted to consult or meet collectively or in a group with a licensed psychotherapist prior to providing a formal interview or report.

305.5.6 COMMUNICATION WITH FAMILY AND NEXT-OF-KIN

When a death has resulted from an officer's use of force or while in the custody of the Department or a department officer, notification to next-of-kin, family, or another emergency contact shall be made as soon as practicable. The information provided should include the facts surrounding the incident that are reasonably known to the member at that time and that are appropriate to provide under the circumstances given any pending investigations and in accordance with state and federal law (730 ILCS 210/3-5).

The Chief of Police shall designate an officer as the Family Liaison Officer to handle ongoing communication with the decedent's family or next-of-kin. Responsibilities of this position include but are not limited to communicating investigation developments, practical support, and, if requested, arranging for a chaplain or suitable staff member to address matters related to faith (730 ILCS 210/3-5).

305.6 CRIMINAL INVESTIGATION

The State Attorney's Office is responsible for the criminal investigation into the circumstances of any officer-involved shooting that does not result in death. Officer-involved deaths shall be investigated by outside agency investigators as provided in the applicable intergovernmental agreements.

If available, investigative personnel from this department may be assigned to partner with investigators from outside agencies or the State Attorney's Office to avoid duplicating efforts in related criminal investigations.

Once public safety issues have been addressed, criminal investigators should be given the opportunity to obtain a voluntary statement from involved officers and to complete their interviews. The following shall be considered for the involved officer:

- (a) MPD supervisors and Internal Affairs Unit personnel should not participate directly in any voluntary interview of MPD officers. This will not prohibit such personnel from monitoring interviews or providing the criminal investigators with topics for inquiry.
- (b) If requested, any involved officer will be afforded the opportunity to consult individually with a representative of his/her choosing or an attorney prior to speaking with criminal investigators. However, in order to maintain the integrity of each involved officer's statement, involved officers shall not consult or meet with a representative or an attorney collectively or in groups prior to being interviewed.
- (c) If any involved officer is physically, emotionally or otherwise not in a position to provide a voluntary statement when interviewed by criminal investigators, consideration should be given to allowing a reasonable period for the officer to schedule an alternate time for the interview.
- (d) Any voluntary statement provided by an involved officer will be made available for inclusion in any related investigation, including administrative investigations. However, no administratively coerced statement will be provided to any criminal investigators unless the officer consents.

Matteson Police Department

Policy Manual

Policy Manual

Officer-Involved Shootings and Deaths

305.6.1 OFFICER-INVOLVED DEATH INVESTIGATIONS

The Chief of Police should ensure that the Matteson Police Department enters into appropriate intergovernmental agreements to investigate officer-involved deaths involving members of the MPD by appropriately trained outside investigators as required by the Police and Community Relations Improvement Act (50 ILCS 727/1-1 et seq.). The agreement should establish any compensation arrangement for participation in investigations and establish responsibilities for expeditiously providing a complete report to the State's Attorney and a public report if no charge or indictment is brought against the officer.

305.6.2 REPORTS BY INVOLVED MPD OFFICERS

In the event that suspects remain outstanding or subject to prosecution for related offenses, this department shall retain the authority to require involved MPD officers to provide sufficient information for related criminal reports to facilitate the apprehension and prosecution of those individuals.

While the involved MPD officer may write the report, it is generally recommended that such reports be completed by assigned investigators, who should interview all involved officers as victims/witnesses. Since the purpose of these reports will be to facilitate criminal prosecution, statements of involved officers should focus on evidence to establish the elements of criminal activities by suspects. Care should be taken not to duplicate information provided by involved officers in other reports.

Nothing in this section shall be construed to deprive an involved MPD officer of the right to consult with legal counsel prior to completing any such criminal report.

Reports related to the prosecution of criminal suspects will be processed according to normal procedures but should also be included for reference in the investigation of the officer-involved shooting or death.

305.6.3 WITNESS IDENTIFICATION AND INTERVIEWS

Because potential witnesses to an officer-involved shooting or death may become unavailable or the integrity of their statements compromised with the passage of time, a supervisor should take reasonable steps to promptly coordinate with criminal investigators to utilize available law enforcement personnel for the following:

- (a) Identification of all persons present at the scene and in the immediate area.
 - 1. When feasible, a recorded statement should be obtained from those persons who claim not to have witnessed the incident but who were present at the time it occurred.
 - 2. Any potential witness who is unwilling or unable to remain available for a formal interview should not be detained absent reasonable suspicion to detain or probable cause to arrest. Without detaining the individual for the sole purpose of identification, attempts to identify the witness prior to his/her departure should be made whenever feasible.

Matteson Police Department

Policy Manual

Policy Manual

Officer-Involved Shootings and Deaths

- (b) Witnesses who are willing to provide a formal interview should be asked to meet at a suitable location where criminal investigators may obtain a recorded statement. Such witnesses, if willing, may be transported by a member of the Department.
 - 1. A written, verbal or recorded statement of consent should be obtained prior to transporting a witness. When the witness is a minor, consent should be obtained from the parent or guardian, if available, prior to transportation.
- (c) Promptly contacting the suspect's known family and associates to obtain any available and untainted background information about the suspect's activities and state of mind prior to the incident.

305.6.4 INVESTIGATIVE PERSONNEL

Once notified of an officer-involved shooting or death, it shall be the responsibility of the designated Criminal Investigations Division supervisor to assign appropriate investigative personnel to handle the investigation of related crimes. Department investigators will be assigned to work with investigators from outside investigatory agencies and may be assigned to separately handle the investigation of any related crimes not being investigated by outside investigatory agencies.

All related department reports, except administrative and/or privileged reports, will be forwarded to the designated Criminal Investigations Division supervisor for approval. Privileged reports shall be maintained exclusively by members who are authorized such access. Administrative reports will be forwarded to the appropriate Division Commander.

305.7 ADMINISTRATIVE INVESTIGATION

In addition to all other investigations associated with an officer-involved shooting or death, this department will conduct an internal administrative investigation of involved MPD officers to determine conformance with department policy. This investigation will be conducted under the supervision of the Internal Affairs Unit and will be considered a confidential officer personnel file.

Interviews of members shall be subject to department policies and applicable laws (see the Personnel Complaints Policy) (50 ILCS 725/1 et seq.).

- (a) Any officer involved in a shooting or death may be requested or administratively compelled to provide a blood sample for alcohol/drug screening. Absent consent from the officer, such compelled samples and the results of any such testing shall not be disclosed to any criminal investigative agency.
 - 1. A sample shall be compelled in the case of a shooting that caused injury or death of a person as soon as practicable but no later than the end of the officer's shift or tour of duty (50 ILCS 727/1-25).
- (b) If any officer has voluntarily elected to provide a statement to criminal investigators, the assigned administrative investigator should review that statement before proceeding with any further interview of that involved officer.
 - 1. If a further interview of the officer is deemed necessary to determine policy compliance, care should be taken to limit the inquiry to new areas, with minimal, if any, duplication of questions addressed in the voluntary statement. The involved

Matteson Police Department

Policy Manual

officer shall be provided with a copy of his/her prior statement before proceeding with any subsequent interviews.

- (c) In the event that an involved officer has elected to not provide criminal investigators with a voluntary statement, the assigned administrative investigator shall conduct an administrative interview to determine all relevant information.
 - 1. Although this interview should not be unreasonably delayed, care should be taken to ensure that the officer's physical and psychological needs have been addressed before commencing the interview.
 - 2. The interview shall take place at the facility to which the administrative investigator is assigned or the police facility that has jurisdiction over the place where the incident occurred. The interview shall also be conducted at a reasonable time of day and during the time when the officer is on-duty as operational requirements and the nature of the incident permit. The interview shall be of reasonable duration and allow for reasonable periods of rest and personal necessities of the officer (50 ILCS 725/3.1; 50 ILCS 725/3.3; 50 ILCS 725/3.5).
 - 3. The officer shall not be subject to professional or personal abuse, including offensive language (50 ILCS 725/3.6).
 - 4. If requested, the officer shall have the opportunity to select an uninvolved representative to be present during the interview and shall inform the MPD of any person who will be present on his/her behalf (50 ILCS 725/3.4; 50 ILCS 725/3.9). The officer shall have the right to be represented by counsel and may request counsel at any time before or during the interview and shall have a reasonable time and opportunity to obtain counsel (50 ILCS 725/3.9). However, in order to maintain the integrity of each individual officer's statement, involved officers shall not consult or meet with a representative or attorney collectively or in groups prior to being interviewed.
 - 5. A complete record of the administrative interview shall be made and a complete transcript or copy shall be made available to the officer without charge and without undue delay. Such record may be electronically recorded (50 ILCS 725/3.7). The officer may also record the interview.
 - 6. The officer shall be informed in writing of the nature of the investigation, the interviewers, and all persons who will be present on behalf of the MPD (50 ILCS 725/3.2; 50 ILCS 725/3.4). If an officer refuses to answer questions, he/she should be given his/her *Garrity* rights in writing and ordered to provide full and truthful answers to all questions. The officer shall be informed that the interview will be for administrative purposes only and that the statement cannot be used criminally (50 ILCS 725/3.8).
 - 7. The Internal Affairs Unit shall compile all relevant information and reports necessary for the Department to determine compliance with applicable policies.
 - 8. Regardless of whether the use of force is an issue in the case, the completed administrative investigation shall be submitted to the Use of Force Review

Board, which will restrict its findings as to whether there was compliance with the Use of Force Policy.

9. Any other indications of potential policy violations shall be determined in accordance with standard disciplinary procedures.
- (d) Investigators should take reasonable steps to avoid interfering with the outside criminal investigation conducted under the requirements of 50 ILCS 727/1-10 (50 ILCS 727/1-15).

305.8 CIVIL LIABILITY RESPONSE

A member of this department may be assigned to work exclusively under the direction of the legal counsel for the Department to assist in the preparation of materials deemed necessary in anticipation of potential civil litigation.

All materials generated in this capacity shall be considered attorney work product and may not be used for any other purpose. The civil liability response is not intended to interfere with any other investigation but shall be given reasonable access to all other investigations.

305.9 AUDIO AND VIDEO RECORDINGS

Any officer involved in a shooting or death may be permitted to review available Mobile Audio/Video (MAV) or other video or audio recordings, but not body-worn camera footage, prior to providing a recorded statement or completing reports (see the Portable Audio/Video Recorders Policy) (50 ILCS 706/10-20).

Upon request, non-law enforcement witnesses who are able to verify their presence and their ability to contemporaneously perceive events at the scene of an incident may also be permitted to review available MAV, body-worn video, or other video or audio recordings with approval of assigned investigators or a supervisor.

Any MAV, body-worn, and other known video or audio recordings of an incident should not be publicly released during an ongoing investigation without consulting the prosecuting attorney or Village Attorney's Office as appropriate.

305.10 DEBRIEFING

Following an officer-involved shooting or death, the Matteson Police Department should conduct both a Critical Incident Stress Debriefing and a tactical debriefing. See the Wellness Program Policy for guidance on Critical Incident Stress Debriefings

305.10.1 TACTICAL DEBRIEFING

A tactical debriefing should take place to identify any training or areas of policy that need improvement. The Chief of Police or the authorized designee should identify the appropriate participants. This debriefing should not be conducted until all involved members have provided recorded or formal statements to criminal and/or administrative investigators.

305.11 MEDIA RELATIONS

Any media release shall be prepared with input and concurrence from the supervisor and department representative responsible for each phase of the investigation. Releases will be available to the Watch Commander, Criminal Investigations Division Commander and Public Information Officer in the event of inquiries from the media.

No involved MPD officer shall make any comment to the media unless he/she is authorized by the Chief of Police or a Division Commander.

Department members receiving inquiries regarding officer-involved shootings or deaths occurring in other jurisdictions shall refrain from public comment and will direct those inquiries to the agency having jurisdiction and primary responsibility for the investigation.

305.12 REPORTING

The Patrol Division Commander will ensure that the Records Supervisor is provided with enough information to meet the reporting requirements for any officer-involved shooting or death that qualifies to be reported to the Department of State Police (50 ILCS 709/5-12).

The Records Supervisor shall submit a written report to the Illinois Criminal Justice Information Authority whenever there is an officer-involved death of an individual in custody or that may have been caused by an officer's use of force as required by the Reporting of Deaths in Custody Act (730 ILCS 210/3-5). There shall be a good faith effort to include all known relevant facts and circumstances in the report, and the report shall be submitted within 30 days on the required standardized form (730 ILCS 210/3-5).

Firearms

306.1 PURPOSE AND SCOPE

This policy provides guidelines for issuing firearms, the safe and legal carrying of firearms, firearms maintenance and firearms training.

This policy does not apply to issues related to the use of firearms that are addressed in the Use of Force or Officer-Involved Shootings and Deaths policies.

This policy only applies to those members who are authorized to carry firearms.

306.2 POLICY

The Matteson Police Department will require its members be equipped with firearms to address the risks posed to the public and department members by violent and sometimes well-armed persons. The Department will ensure approved firearms are appropriate and in good working order and that relevant training is provided as resources allow.

306.3 AUTHORIZED FIREARMS, AMMUNITION AND OTHER WEAPONS

Members shall only use firearms that are issued or approved by the Department and have been thoroughly inspected by the Range Supervisor or designated range officer. Firearms shall not be carried by civilian members while on-duty or while in any Village-owned vehicle without prior approval from the Chief of Police. Except in an emergency, or as directed by a supervisor, no firearm shall be carried by a member who has not qualified with that firearm at an authorized department range.

All other weapons not provided by the Department, including, but not limited to, edged weapons, chemical or electronic weapons, impact weapons or any weapon prohibited or restricted by law, or that is not covered elsewhere by department policy, may not be carried by members in the performance of their official duties without the express written authorization of the member's Division Commander. This exclusion does not apply to the carrying of a single folding pocketknife that is not otherwise prohibited by law.

306.3.1 HANDGUNS

The department-authorized handguns are the Glock, Sig Sauer, and Smith and Wesson. Officers hired before January 1, 2023 are permitted to carry .45 caliber handguns made by Glock, Sig Sauer, or Smith and Wesson. Any officer hired after January 1, 2023 shall carry a 9mm handgun made by Glock, Sig Sauer, or Smith and Wesson. The Chief of Police may authorize the carrying of a handgun that is not from one of three specified makes.

306.3.2 SHOTGUNS

The authorized department-issued shotgun is the Binelli M1 Super 90 12gauge Semi-Auto.

When not deployed, the shotgun shall be properly secured consistent with department training in a locking weapons rack in the patrol vehicle.

Matteson Police Department

306.3.3 PATROL RIFLES

The authorized department-issued patrol rifle is the Ar-15 5.56mm or .223 caliber.

Members may deploy the patrol rifle in any circumstance where the member can articulate a reasonable expectation that the rifle may be needed. Examples of some general guidelines for deploying the patrol rifle may include, but are not limited to:

- (a) Situations where the member reasonably anticipates an armed encounter.
- (b) When a member is faced with a situation that may require accurate and effective fire at long range.

- (e) When a member reasonably believes that a suspect may be wearing body armor.
- (f) When authorized or requested by a supervisor.

If the firearm is the member's primary duty firearm, a replacement firearm will be issued to the member until the duty firearm is serviceable.

306.5.1 INSPECTION AND STORAGE

Handguns shall be inspected regularly and upon access or possession by another person. Shotguns and rifles shall be inspected at the beginning of the shift by the member to whom the weapon is issued. The member shall ensure that the firearm is carried in the proper condition and loaded with approved ammunition. Inspection of the shotgun and rifle shall be done while standing outside of the patrol vehicle. All firearms shall be pointed in a safe direction or into clearing barrels.

Personally owned firearms may be safely stored in lockers at the end of the shift. Department-owned firearms shall be stored in the appropriate equipment storage room. Handguns may remain loaded if they are secured in an appropriate holster. Shotguns and rifles shall be unloaded in a safe manner outside the building and then stored in the appropriate equipment storage room.

Members shall ensure that all firearms and ammunition are locked and secured while in their homes, vehicles, or any other area under their control, and in a manner that will keep them inaccessible to children and others who should not have access. Members shall not permit department-issued firearms to be handled by anyone not authorized by the Department to do so. Members should be aware that negligent storage of a firearm could result in civil and criminal liability (720 ILCS 5/24-9(a)).

306.5.3 ALCOHOL AND DRUGS

Firearms shall not be carried by any member, either on- or off-duty, who has consumed an amount of an alcoholic beverage, taken any drugs or medication, or has taken any combination thereof that would tend to adversely affect the member's senses or judgment.

306.6 FIREARMS TRAINING AND QUALIFICATIONS

All members who carry a firearm while on-duty are required to successfully complete training in accordance with requirements prescribed by the Illinois Law Enforcement Training and Standards Board. In addition to required training, all members will qualify at least annually with their duty firearms (50 ILCS 710/0.01 et seq.).

Members should qualify with off-duty and secondary firearms at least once a year. Training and qualifications must be on an approved range course.

At least annually, all members carrying a firearm should receive practical training designed to simulate field situations including low-light shooting.

306.6.1 NON-CERTIFICATION OR NON-QUALIFICATION

If any member fails to meet minimum standards for firearms training or qualification for any reason, including injury, illness, duty status, or scheduling conflict, that member shall submit a memorandum to the member's immediate supervisor prior to the end of the required training or qualification period.

Those who fail to meet minimum standards or qualify on their first shooting attempt shall be provided remedial training and will be subject to the following requirements:

- (a) Additional range assignments may be scheduled to assist the member in demonstrating consistent firearm proficiency.
- (b) Members shall be given credit for a range training or qualification when obtaining a qualifying score or meeting standards after remedial training.
- (c) No range credit will be given for the following:
 - 1. Unauthorized range make-up
 - 2. Failure to meet minimum standards or qualify after remedial training

Members who repeatedly fail to meet minimum standards will be removed from field assignment and may be subject to disciplinary action.

306.6.2 REQUIREMENTS PRIOR TO CARRYING

Prior to an officer carrying a firearm, the officer shall be issued copies of this policy and the Use of Force Policy, and successfully complete [department/office]-approved training on both.

306.7 FIREARM DISCHARGE

Except during training or recreational use, any member who discharges a firearm intentionally or unintentionally, on- or off-duty, shall make a verbal report to his/her supervisor as soon as circumstances permit. If the discharge results in injury or death to another person, additional

statements and reports shall be made in accordance with the Officer-Involved Shootings and Deaths Policy. If a firearm was discharged as a use of force, the involved member shall adhere to the additional reporting requirements set forth in the Use of Force Policy.

In all other cases, written reports shall be made as follows:

- (a) If on-duty at the time of the incident, the member shall file a written report with his/her Division Commander or provide a recorded statement to investigators prior to the end of shift, unless otherwise directed.
- (b) If off-duty at the time of the incident, a written report shall be submitted or recorded statement provided no later than the end of the next regularly scheduled shift, unless otherwise directed by a supervisor.

306.7.1 DESTRUCTION OF ANIMALS

Members are authorized to use firearms to stop an animal in circumstances where the animal reasonably appears to pose an imminent threat to human safety and alternative methods are not reasonably available or would likely be ineffective.

In circumstances where there is sufficient advance notice that a potentially dangerous animal may be encountered, department members should develop reasonable contingency plans for dealing with the animal (e.g., fire extinguisher, conducted energy device, oleoresin capicum (OC) spray, animal control officer). Nothing in this policy shall prohibit any member from shooting a dangerous animal if circumstances reasonably dictate that a contingency plan has failed, becomes impractical, or if the animal reasonably appears to pose an imminent threat to human safety.

306.7.2 INJURED ANIMALS

With the approval of a supervisor, a member may euthanize an animal that is so badly injured that human compassion requires its removal from further suffering and where other dispositions are impractical.

306.7.3 WARNING AND OTHER SHOTS

Generally, shots fired for the purpose of summoning aid are strongly discouraged and may not be discharged unless the member reasonably believes that they appear necessary, effective, reasonably safe, and should only be used as a last resort option.

Warning shots are strictly prohibited..

306.8 RANGE SUPERVISOR DUTIES

The range will be under the exclusive control of the designated Range Supervisor. All members attending will follow the directions of the Range Supervisor. The Range Supervisor will maintain a roster of all members attending the range and will submit the roster to the Training Sergeant after each range date. Failure of any member to sign in and out with the Range Supervisor may result in non-participation or non-qualification.

Matteson Police Department

Policy Manual

Policy Manual

Firearms

The range shall remain operational and accessible to Department members during hours established by the Department.

The Range Supervisor has the responsibility of making periodic inspection, at least once a year, of all duty weapons carried by members of this department to verify proper operation. The Range Supervisor has the authority to deem any department-issued or personally owned firearm unfit for service. The member will be responsible for all repairs to his/her personally owned firearm; it will not be returned to service until inspected and approved by the Range Supervisor.

The Range Supervisor has the responsibility for ensuring each member meets the minimum requirements during training shoots and, on at least a yearly basis, can demonstrate proficiency in the care, cleaning, and safety of all firearms the member is authorized to carry.

The Range Supervisor shall complete and submit to the Training Sergeant documentation of the training courses provided. Documentation shall include a description of the training provided and, on a form that has been approved by the Department, a list of each member who completes the training. The Range Supervisor should keep accurate records of all training shoots, qualifications, repairs, maintenance, or other records as directed by the Chief of Police.

306.9 FLYING WHILE ARMED

The Transportation Security Administration (TSA) has imposed rules governing law enforcement officers flying armed on commercial aircraft. The following requirements apply to officers who intend to be armed while flying on a commercial air carrier or flights where screening is conducted (49 CFR 1544.219):

- (a) Officers wishing to fly while armed must be flying in an official capacity, not for vacation or pleasure, and must have a need to have the firearm accessible, as determined by the Department based on the law and published TSA rules.
- (b) Officers must carry their Matteson Police Department identification card, bearing the officer's name, a full-face photograph, identification number, the officer's signature and the signature of the Chief of Police or the official seal of the Department and must present this identification to airline officials when requested. The officer should also carry the standard photo identification needed for passenger screening by airline and TSA officials (e.g., driver license, passport).
- (c) The Matteson Police Department must submit a National Law Enforcement Telecommunications System (NLETS) message prior to the officer's travel. If approved, TSA will send the Matteson Police Department an NLETS message containing a unique alphanumeric identifier. The officer must present the message on the day of travel to airport personnel as authorization to travel while armed.
- (d) An official letter signed by the Chief of Police authorizing armed travel may also accompany the officer. The letter should outline the officer's need to fly armed, detail his/her itinerary, and include that the officer has completed the mandatory TSA training for a law enforcement officer flying while armed.
- (e) Officers must have completed the mandated TSA security training covering officers flying while armed. The training shall be given by the department-appointed instructor.

Matteson Police Department

Policy Manual

- (f) It is the officer's responsibility to notify the air carrier in advance of the intended armed travel. This notification should be accomplished by early check-in at the carrier's check-in counter.
- (g) Any officer flying while armed should discreetly contact the flight crew prior to take-off and notify them of his/her assigned seat.
- (h) Discretion must be used to avoid alarming passengers or crew by displaying a firearm. The officer must keep the firearm concealed on his/her person at all times. Firearms are not permitted in carry-on luggage and may not be stored in an overhead compartment.
- (i) Officers should try to resolve any problems associated with flying armed through the flight captain, ground security manager, TSA representative or other management representative of the air carrier.
- (j) Officers shall not consume alcoholic beverages while aboard an aircraft, or within eight hours prior to boarding an aircraft.

306.10 CARRYING FIREARMS OUT OF STATE

Qualified, active, full-time officers of this department are authorized to carry a concealed firearm in all other states subject to the following conditions (18 USC § 926B):

- (a) The officer shall carry his/her Matteson Police Department identification card whenever carrying such firearm.
- (b) The officer is not the subject of any current disciplinary action.
- (c) The officer may not be under the influence of alcohol or any other intoxicating or hallucinatory drug.
- (d) The officer will remain subject to this and all other department policies (including qualifying and training).

Officers are cautioned that individual states may enact local regulations that permit private persons or entities to prohibit or restrict the possession of concealed firearms on their property, or that prohibit or restrict the possession of firearms on any state or local government property, installation, building, base or park. Federal authority may not shield an officer from arrest and prosecution in such locally restricted areas.

Active law enforcement officers from other states are subject to all requirements set forth in 18 USC § 926B.

Vehicle Pursuits

307.1 PURPOSE AND SCOPE

Vehicle pursuits expose innocent citizens, law enforcement officers and fleeing violators to the risk of serious injury or death. The primary purpose of this policy is to provide officers with guidance in balancing the safety of the public and themselves against law enforcement's duty to apprehend violators of the law. Another purpose of this policy is to minimize the potential for pursuit-related collisions. Vehicular pursuits require officers to exhibit a high degree of common sense and sound judgment. Officers must not forget that the immediate apprehension of a suspect is generally not more important than the safety of the public and pursuing officers.

Deciding whether to pursue a motor vehicle is a critical decision that must be made quickly and under difficult and unpredictable circumstances. In recognizing the potential risk to public safety created by vehicular pursuits, no officer or supervisor shall be criticized or disciplined for deciding not to engage in a vehicular pursuit because of the risk involved. This includes circumstances where Department policy would permit the initiation or continuation of the pursuit. It is recognized that vehicular pursuit situations are not always predictable and decisions made pursuant to this policy will be evaluated according to the totality of the circumstances reasonably available at the time of the pursuit.

Officers must remember that the most important factors to the successful conclusion of a pursuit are proper self-discipline and sound professional judgment. Officers' conduct during the course of a pursuit must be objectively reasonable; that is, what a reasonable officer would do under the circumstances. An unreasonable individual's desire to apprehend a fleeing suspect at all costs has no place in professional law enforcement.

307.1.1 DEFINITIONS

Boxing In/Rolling Roadblock: The surrounding of a suspect's moving vehicle with moving pursuit vehicles, which are then slowed to a stop along with the suspect's vehicle.

Caravanning: The practice of more than two cars pursuing a vehicle.

Divided Highway: A road which includes a physical barrier between traffic traveling in opposite directions.

Heading Off: An attempt to terminate a pursuit by pulling ahead of, behind, or toward a suspect's moving vehicle to force it to the side of the road or to otherwise come to a stop.

Vehicle Pursuits

Pursuit: An active attempt by a peace officer in an authorized emergency vehicle to apprehend an actual or suspected law violator, who is attempting to avoid apprehension through evasive tactics.

Roadblock: A restriction or obstruction used or intended for the purpose of preventing free passage of motor vehicles on a roadway in order to affect the apprehension of a suspect. This includes placement of vehicles, as well as use of devices to disable a vehicle.

Secondary Unit: Any police vehicle which becomes involved as a backup to the primary unit and follows the primary unit at a safe distance.

Semi-marked Police Vehicle: A vehicle that is not identifiably marked by a distinctive color scheme; red and/or blue lights may be mounted within the vehicle, equipped with a siren, and could have partial police markings.

Spikes or Tack Strips: A device that extends across the roadway designed to puncture the tires of the pursued vehicle.

Suspect: Any person who a peace officer reasonably believes has committed an offense or poses an immediate threat to the safety of the public and/or other peace officers.

Terminate: To abandon or abort the pursuit.

Termination Point: The location where the pursuit comes to a conclusion.

Trail or Trailing: To follow the path of the pursuit at a safe speed while obeying all traffic laws and without activating emergency equipment.

Vehicle Contact Action (Ramming, Police Immobilization Technique): Any action undertaken by the pursuing officer intended to result in contact between the moving police vehicle and the pursued vehicle.

307.2 OFFICER RESPONSIBILITIES

It shall be the policy of this department that a vehicle pursuit shall be conducted only with emergency lights and siren. The driver of an authorized emergency vehicle may proceed past a red or stop signal or stop sign, exceed the maximum speed limits, and disregard regulations governing direction of movement or turning in specified directions provided the driver slows as

Matteson Police Department

Policy Manual

Policy Manual

Vehicle Pursuits

may be required and necessary for safe operation and does not endanger life or property (625 ILCS 5/11-205).

The driver of an authorized emergency vehicle is not relieved from the duty of driving with due regard for the safety of all persons, nor do such provisions protect the driver from the consequences of his/her reckless disregard for the safety of others (625 ILCS 5/11-205(e)).

To reduce the likelihood of a pursuit occurring, an officer intending to stop a vehicle for any violation of the law, except a traffic law, should, whenever possible, and without creating a threat to public safety or officers, close the distance between the two vehicles. In situations where appropriate and prudent, awaiting the arrival of assisting officers, prior to activating emergency lights, an audible device, or otherwise signaling the suspect to stop, may be warranted.

Upon approaching an intersection controlled by traffic signals or signs, or any other location at which there is an increased likelihood of a collision, the driver of any pursuit vehicle shall reduce the vehicle's speed so as to avoid a collision with another vehicle or pedestrian.

Officers should make every reasonable effort to ensure that the way is clear before proceeding through an intersection or otherwise increasing speed. Pursuing officers are expected to maintain complete control of their vehicles at all times. Throughout the course of a pursuit, pursuing officers should not attempt to overtake, pull alongside, or pass the suspect's moving vehicle without the specific authorization of a supervisor, if feasible. Officers are discouraged from passing other units involved in a pursuit unless the passing officer receives specific permission from the Primary Unit.

307.2.1 WHEN TO INITIATE A PURSUIT

Officers in an authorized vehicle may initiate a pursuit when it is reasonable to believe that a suspect is attempting to evade arrest or detention by fleeing in a vehicle, and the suspect, if allowed to escape, may present a danger to human life or cause serious injury. However, officers will not initiate a pursuit for misdemeanor traffic offenses, property crimes, non-forcible felonies, which pose no threat of force or serious harm.

The following factors individually and collectively shall be considered in deciding whether to initiate a pursuit:

- (a) Seriousness of the known or reasonably suspected crime and its relationship to community safety.
- (b) The importance of protecting the public and balancing the known or reasonably suspected offense and the apparent need for immediate capture against the risks to officers, innocent motorists, and others.
- (c) Apparent nature of the fleeing suspect(s) (e.g., whether the suspect(s) represent a serious threat to public safety).
- (d) The identity of the suspect(s) has been verified and there is comparatively minimal risk in allowing the suspect(s) to be apprehended at a later time.

Matteson Police Department

Policy Manual

Policy Manual

Vehicle Pursuits

- (e) Safety of the public in the area of the pursuit, including the type of area, time of day, the amount of vehicular and pedestrian traffic and the speed of the pursuit relative to these factors.
- (f) Pursuing officer(s) familiarity with the area of the pursuit, the quality of radio communications between the pursuing units and the telecommunicator/supervisor, and the driving capabilities of the pursuing officers under the conditions of the pursuit.
- (g) Weather and traffic and road conditions that substantially increase the danger of the pursuit beyond the worth of apprehending the suspect.
- (h) Performance capabilities of the vehicles used in the pursuit in relation to the speeds and other conditions of the pursuit.
- (i) Vehicle speeds.
- (j) Other persons in, or on, the pursued vehicle (e.g., passengers, co-offenders and hostages).
- (k) Availability of other resources such as helicopter assistance.
- (l) The police unit is carrying passengers other than police officers. Pursuits should not be undertaken while providing transportation for any persons other than sworn law enforcement officers.

307.2.2 WHEN TO TERMINATE A PURSUIT

Pursuits should be discontinued whenever the totality of objective circumstances known, or which reasonably ought to be known, to the officer or supervisor during the pursuit indicates that the present risks of continuing the pursuit reasonably appear to outweigh the risks resulting from the suspect(s)' escape.

The factors listed in the previous subsection are expressly included herein and will apply equally to the decision to discontinue as well as the decision to initiate a pursuit. Officers and supervisors must objectively and continuously weigh the seriousness of the offense against the potential danger to innocent motorists and themselves when electing to continue a pursuit. In the context of this policy, the term "terminate" shall be construed to mean discontinue or to stop chasing the fleeing vehicle(s).

In addition to the factors listed in the previous subsection, the following factors should also be considered in deciding whether to terminate a pursuit:

- (a) Distance between the pursuing officers and the fleeing vehicle(s) is so great that further pursuit would be futile or require the pursuit to continue for an unreasonable time and/or distance.
- (b) Pursued vehicle's location is no longer definitely known.
- (c) Officer's pursuit vehicle sustains any type of damage that renders it unsafe to drive.
- (d) Extended pursuits of violators for misdemeanors not involving violence or risk of serious harm (independent of the pursuit) are discouraged.
- (e) Hazards to uninvolved bystanders or motorists.

Matteson Police Department

Policy Manual

Policy Manual

Vehicle Pursuits

- (f) If the identity of the offender is known, and it does not reasonably appear that the need for immediate capture outweighs the risks associated with continuing the pursuit, officers should strongly consider discontinuing the pursuit and apprehending the offender at a later time.
- (g) Directed by a supervisor.

307.2.3 SPEED LIMITS

The speed of a pursuit is a factor that should be evaluated on a continuing basis by the officer and supervisor. Evaluation of vehicle speeds shall take into consideration public safety, officer safety, and the safety of the occupants of the fleeing vehicle.

Should high vehicle speeds be reached during a pursuit, officers and supervisors shall also consider these factors when determining the reasonableness of the speed of the pursuit:

- (a) Pursuit speeds have become unreasonably unsafe for the surrounding conditions.
- (b) Pursuit speeds have exceeded the driving ability of the officer.
- (c) Pursuit speeds are beyond the capabilities of the pursuit vehicle, thus making its operation unsafe.

307.3 PURSUIT UNITS

Pursuit units should be limited to two vehicles (Primary Unit and a Secondary Unit); however, the number of units involved will vary with the circumstances. An officer or supervisor may request additional units to join a pursuit if, after assessing the factors outlined above, it appears that the number of officers involved would be insufficient to safely arrest the suspect(s). All other officers should stay out of the pursuit, but should remain alert to its progress and location. Any officer who drops out of a pursuit may then, if necessary, proceed to the termination point at legal speeds, following the appropriate rules of the road. When absolutely feasible, patrol supervisors shall not engage in vehicular pursuits. A patrol supervisor engaged in a vehicular pursuit shall make every effort to direct a support officer to assume his/her position within the pursuit allowing the supervisor to properly manage the incident.

307.3.1 MOTORCYCLE OFFICERS

A motorcycle officer may initiate a pursuit, providing that the proper justification exists, but will relinquish Primary Unit status immediately upon the participation of an authorized marked police vehicle. Upon relinquishing Primary Unit status, motorcycles shall terminate active involvement in a pursuit unless there are extremely exigent circumstances or are otherwise directed by a supervisor.

- (a) At no time will anyone operating a UTV/ATV be involved in a vehicle pursuit.

307.3.2 SEMI-MARKED AND UNMARKED VEHICLES

Semi-marked units may initiate a pursuit providing the proper justification exists, but will relinquish Primary Unit status immediately upon the participation of a marked police car. Upon relinquishing Primary Unit status, semi-marked units shall terminate active involvement in a pursuit unless they are needed to fulfill Secondary Unit responsibilities or are otherwise directed by a supervisor. A

Matteson Police Department

Policy Manual

Policy Manual

Vehicle Pursuits

semi-marked police vehicle is not identifiably marked by a distinctive color scheme; red and/or blue lights may be mounted within the vehicle, equipped with siren, and could have partial police marking.

Unmarked or other departmental vehicles, except for marked, semi-marked and motorcycle units, may not initiate a pursuit without the authorization of a supervisor unless there is an imminent threat to life or great bodily harm represented by the continued freedom of the suspect. An unmarked police vehicle has no distinctive identifiable marking but may have portable emergency warning lights.

307.3.3 PRIMARY UNIT RESPONSIBILITIES

The decision to initiate, and/or continue, a pursuit requires weighing the public safety need to immediately apprehend the suspect against the degree of risk to which peace officers and others are exposed as the result of a pursuit. Officers are reminded that they are under no legal obligation to initiate a pursuit, and that in many circumstances the safety of the public will dictate that no pursuit be initiated, and/or continued.

Upon the initiation of a pursuit, the pursuing officer shall immediately activate the vehicle's emergency warning lights, audible device, and headlights if not already activated.

The Primary Unit will notify the Dispatch Center that a vehicle pursuit has been initiated, and as soon as practical, provide information including, but not limited to:

- (a) Reason for the pursuit.
- (b) Location and direction of travel.
- (c) Speed of the fleeing vehicle.
- (d) Description of the fleeing vehicle and license number, if known.
- (e) Number of known occupants.
- (f) The identity or description of the known occupants.
- (g) Information concerning the use of firearms, threat of force, injuries, hostages, or other unusual hazards.

Unless relieved by a supervisor or secondary unit, the officer in the primary unit shall be responsible for broadcasting the progress of the pursuit. Unless practical circumstances indicate otherwise, and in order to concentrate on pursuit driving, the primary officer should relinquish the responsibility of broadcasting the progress of the pursuit to a secondary unit or aircraft joining the pursuit.

307.3.4 SECONDARY UNIT(S) RESPONSIBILITIES

The second officer in the pursuit is responsible for the following:

- (a) The officer in the secondary unit should immediately notify the telecommunicator and supervisor, if feasible, of entry into the pursuit. Until such time that a supervisor assumes responsibility, only one Secondary Unit shall become involved in an ongoing pursuit.

Matteson Police Department

Policy Manual

Policy Manual

Vehicle Pursuits

- (b) Remain a safe distance behind the primary unit unless directed to assume the role of primary officer, or if the primary unit is unable to continue the pursuit.
- (c) The secondary officer should be responsible for broadcasting the progress of the pursuit unless the situation indicates otherwise.
- (d) Upon joining the pursuit or being assigned Secondary Unit responsibilities, the vehicle's emergency warning lights, audible device, and headlights shall be activated.
- (e) If so requested by the Primary Unit, or if directed by a supervisor to do so, the Secondary Unit may assume Primary Unit responsibilities. Otherwise, the Secondary Unit may not attempt to overtake or pull alongside the Primary Unit.
- (f) Secondary Unit personnel are responsible for serving as a backup to the Primary Unit. As such, they will respond to directions from the Primary Unit personnel unless otherwise directed by a supervisor or circumstances do not allow.

307.3.5 PURSUIT DRIVING TACTICS

The decision to use specific driving tactics requires the same assessment of considerations outlined in the factors to be considered concerning pursuit initiation and termination. The following are tactics for units involved in the pursuit:

- (a) Officers, considering their driving skills and vehicle performance capabilities, will space themselves from other involved vehicles so they are able to see and avoid hazards or react safely to maneuvers by the fleeing vehicle.
- (b) Because intersections can present increased risks, the following tactics should be considered:
 - 1. Available units not directly involved in the pursuit may proceed safely to controlled intersections ahead of the pursuit in an effort to warn cross traffic.
 - 2. Pursuing units should exercise due caution when proceeding through controlled intersections.
- (c) Police officers involved in a pursuit shall not proceed in a direction opposite to the flow of traffic on a divided highway without the specific authorization of a supervisor, if feasible. In the event the pursued vehicle does so, the following tactics should be considered:
 - 1. Requesting assistance from an air unit.
 - 2. Maintaining visual contact with the pursued vehicle by paralleling it on the correct side of the roadway.
 - 3. Requesting other units to observe exits available to the suspect(s).
- (d) Notifying the Illinois State Police and/or other agency if it appears that the pursuit may enter their jurisdiction.
- (e) Officers involved in a pursuit should not attempt to pass other units unless the situation indicates otherwise or they are requested to do so by the primary unit.

307.3.6 TACTICS/PROCEDURES FOR UNITS NOT INVOLVED IN THE PURSUIT

Officers are authorized to use emergency equipment at intersections along the pursuit path to clear intersections of vehicular and pedestrian traffic to protect the public. Officers should remain in their assigned area and should not become involved with the pursuit unless directed otherwise by a supervisor.

Non-pursuing personnel needed at the termination of the pursuit should respond in a non-emergency manner, observing the rules of the road.

The primary and secondary units should be the only units operating under emergency conditions (emergency lights and siren) unless other units are assigned to the pursuit.

307.3.7 PURSUIT TRAILING

In the event the initiating unit from this agency either relinquishes control of the pursuit to another unit or jurisdiction, that initiating unit may, with permission of a supervisor, trail the pursuit to the termination point in order to provide necessary information and assistance for the arrest of the suspect(s).

The term trail means to follow the path of the pursuit at a safe speed while obeying all traffic laws and without activating emergency equipment. If the pursuit is at a slow rate of speed, the trailing unit will maintain sufficient distance from the pursuit units so as to clearly indicate an absence of participation in the pursuit.

307.3.8 AIRCRAFT ASSISTANCE

When feasibly necessary, aircraft assistance should be requested. Once the air unit has established visual contact with the pursued vehicle, it should assume control over the pursuit. The primary and secondary ground units should consider the participation of aircraft assistance when determining whether to continue the pursuit.

The air unit should coordinate the activities of resources on the ground, report progress of the pursuit and provide officers and supervisors with details of upcoming traffic congestion, road hazards, or other pertinent information to evaluate whether or not to continue the pursuit. If ground units are not within visual contact and the air unit determines that it is unsafe to continue the pursuit, the air unit has the authority to terminate the pursuit.

307.4 SUPERVISORY CONTROL AND RESPONSIBILITY

It is the policy of this department that available supervisory and management control will be exercised over all vehicle pursuits involving officers from this department.

The field supervisor of the officer initiating the pursuit, or if unavailable, the nearest field supervisor will be responsible for the following:

- (a) Upon notification that a pursuit is in progress, the supervisor shall assume responsibility for the monitoring and control of the pursuit as it progresses.
- (b) The supervisor shall immediately determine whether the pursuit was initiated in accordance with the provisions of this policy and shall permit the pursuit to be

Matteson Police Department

Policy Manual

continued only if said policy has been fully complied with to the best of the supervisor's knowledge.

- (c) Upon being notified of a pursuit, the supervisor shall verify the following:
 - 1. That no more than the required or necessary number of units are involved in the pursuit.
 - 2. That the proper radio frequency is being used.
 - 3. That other agencies are notified as necessary and appropriate.
- (d) The supervisor shall continuously review the incoming information to determine whether the pursuit should be continued or terminated.
- (e) The supervisor shall order a pursuit terminated after concluding danger to the pursuing peace officers or the public outweighs the need for the immediate apprehension of the suspect.
- (f) The supervisor may order a pursuit terminated if the suspect's identity is established to the point where later apprehension is likely and there is no immediate threat to public safety.
- (g) The supervisor should order a pursuit terminated whenever the weather, road, or traffic conditions substantially increase the danger to the public posed by the pursuit beyond the need for immediate apprehension.
- (h) The supervisor should order a pursuit terminated whenever the distance between the pursuing and fleeing vehicles is so great that further pursuit is futile.
- (i) In controlling the pursuit, the supervisor shall be responsible for the coordination of the pursuit as follows:
 - 1. Directing pursuit or support units into or out of the pursuit.
 - 2. The assignment of a Secondary Unit to the pursuit.
 - 3. The re-designation of Primary, Secondary, or other support units as necessary.
 - 4. The approval, disapproval, and coordination of pursuit tactics.
 - 5. The approval or disapproval to cross jurisdictional boundaries in the continuation of the pursuit.
 - 6. Ensure compliance with inter-jurisdictional pursuit agreements.
- (j) The supervisor may approve and assign additional backup or support units to assist the Primary and Secondary Units based upon their analysis of:
 - 1. The nature of the offense for which the pursuit was initiated.
 - 2. The number of suspects and any known propensity for violence.
 - 3. The number of peace officers in the pursuit vehicles.
 - 4. Any damage or injuries to the assigned Primary or Secondary Units or peace officers.

Matteson Police Department

Policy Manual

Policy Manual

Vehicle Pursuits

5. The number of peace officers necessary to safely make an arrest at the conclusion of the pursuit.
 6. Any other clear and articulable facts that would justify the increased hazards caused by adding more than the Primary and Secondary Units to a pursuit.
- (k) When the pursuit is terminated, the supervisor shall require that all participating agencies are notified, and identify an on scene supervisor or designee to monitor the arrest and transportation procedures.
- (l) The supervisor shall require, throughout the duration of the pursuit, that this policy is followed by all peace officers.

307.4.1 WATCH COMMANDER RESPONSIBILITY

Upon becoming aware that a pursuit has been initiated, the Watch Commander should monitor and continually assess the situation and ensure the pursuit is conducted within the guidelines and requirements of this policy. The Watch Commander has the final responsibility for the coordination, control, and termination of a vehicle pursuit and shall be in overall command.

The Watch Commander shall review all pertinent reports for content and forward to the Division Commander.

307.5 COMMUNICATIONS

If the pursuit is confined within the Village limits, radio communications will be conducted on the primary channel unless instructed otherwise by a supervisor or telecommunicator. If the pursuit leaves the jurisdiction of this department or such is imminent, involved units should, whenever available, switch radio communications to the Illinois State Police Emergency Radio Network (ISPERN).

- (a) Upon using the ISPERN frequency, officers shall conform to ISPERN guidelines.

307.5.1 LOSS OF PURSUED VEHICLE

When the pursued vehicle is lost, the primary unit should broadcast pertinent information to assist other units in locating suspect(s). The primary unit will be responsible for coordinating any further search for either the pursued vehicle or suspects fleeing on foot.

307.6 INTER-JURISDICTIONAL PURSUITS

Officers involved in inter-jurisdictional pursuits are required to comply with their department's guidelines and inter-jurisdictional agreements. Only pursuit tactics permitted by this policy may be utilized by Matteson Police Department officers, irrespective of what is requested by the other agency.

When a pursuit enters another agency's jurisdiction:

- (a) The primary unit will advise the Dispatch Center that the pursuit is leaving this jurisdiction.
- (b) The controlling supervisor will decide whether to continue the pursuit based upon the totality of circumstances known.

Matteson Police Department

Policy Manual

Policy Manual

Vehicle Pursuits

- (c) As soon as practicable the Dispatch Center will notify the involved jurisdiction.
- (d) If two units from the other agency are actively involved in the pursuit, the officers will not engage in the pursuit unless directed to do so by a supervisor.

Supervisors involved in a pursuit that leaves this jurisdiction shall return to the Village of Matteson as soon as practicable.

307.6.1 ASSUMPTION OF PURSUIT BY ANOTHER AGENCY

Units originally involved will discontinue the pursuit when advised that another agency has assumed the pursuit and assistance of the Matteson Police Department is no longer needed. Upon discontinuing the pursuit, the primary unit may proceed upon request, with or at the direction of a supervisor, to the termination point to assist in the investigation.

The role and responsibilities of officers at the termination of a pursuit initiated by this department shall be coordinated with appropriate consideration of the units from the agency assuming the pursuit.

Notification of a pursuit in progress should not be construed as a request to join the pursuit. Requests to, or from, another agency to assume a pursuit should be specific. Because of communication limitations between local agencies and ISP units, a request for ISP assistance will mean that they will assume responsibilities for the pursuit. For the same reasons, a request for assistance from the ISP should include confirmation that the ISP will relinquish control.

307.6.2 PURSUITS EXTENDING INTO THIS JURISDICTION

The agency that initiates a pursuit shall be responsible for conducting the pursuit. Units from this department should not join a pursuit unless specifically requested to do so by the agency whose peace officers are in pursuit and have prior approval from their immediate supervisor.

When a request is made for this department to assist or take over a pursuit from another agency that has entered this jurisdiction, before authorizing such a pursuit, the supervisor should consider these additional following factors:

- (a) Ability to maintain the pursuit.
- (b) Circumstances serious enough to continue the pursuit.
- (c) Adequate staffing to continue the pursuit.
- (d) The public's safety within this jurisdiction.
- (e) Safety of the pursuing peace officers.

As soon as practical, a supervisor or the Watch Commander should review a request for assistance from another agency. The Watch Commander or supervisor, after consideration of the above factors, may decline to assist in, or assume the other agency's pursuit.

Assistance to a pursuing allied agency by officers of this department will terminate at the Village limits provided that the pursuing peace officers have sufficient assistance from other sources. Ongoing participation from this department may continue only until sufficient assistance is present.

Matteson Police Department

Policy Manual

Policy Manual

Vehicle Pursuits

In the event that a pursuit from another agency terminates within this jurisdiction, officers shall provide appropriate assistance to peace officers from the allied agency, including, but not limited to, scene control, coordination and completion of supplemental reports, and any other assistance requested or needed.

307.7 PURSUIT INTERVENTION

Pursuit intervention is an attempt to terminate the ability of a suspect to continue to flee in a motor vehicle through tactical application of technology, road spikes, blocking, boxing, PIT (Police Immobilization Technique), ramming, heading off, or roadblock procedures.

307.7.1 WHEN USE AUTHORIZED

Use of pursuit intervention tactics should be employed only after approval of a supervisor. In deciding whether to use intervention tactics, officers/supervisors should balance the risks of allowing the pursuit to continue with the potential hazards arising from the use of each tactic to the public and the officers and persons in or on the pursued vehicle. With these risks in mind, the decision to use any intervention tactic should be reasonable in light of the circumstances confronting the officer at the time of the decision.

It is imperative that all officers act within the bounds of legality, good judgment, and accepted practices.

307.7.2 USE OF FIREARMS/VEHICLE CONTACT ACTION

Officers involved in a pursuit shall not discharge any firearm from, or at, a moving vehicle, nor engage in any vehicle contact action except as a last resort in which it reasonably appears necessary to prevent imminent death or serious bodily injury to a peace officer or another person where deadly force would otherwise be legally justified. Where feasible, an officer should obtain authorization from a supervisor before discharging a weapon from, or at, a moving vehicle.

307.7.3 INTERVENTION STANDARDS

Any pursuit intervention tactic, depending upon the conditions and circumstances under which it is used, may present dangers to peace officers, the public, or anyone in or on the vehicle being pursued. Certain applications of intervention tactics may be construed to be a use of deadly force and subject to the requirements for such use. Officers who have not received certified departmental training in the application and use of any intervention tactic or equipment shall consider these facts and requirements prior to deciding how, when, where, and if an intervention tactic should be employed.

Those tactics which reasonably may be construed to be a use of deadly force should be employed only as a last resort in which it reasonably appears necessary to prevent imminent death or serious bodily injury to a peace officer or another person where deadly force would otherwise be legally justified. Where feasible, an officer should obtain authorization from a supervisor before applying any tactic which may be reasonably foreseen to be a use of deadly force.

Intervention tactic application circumstances include:

Matteson Police Department

Policy Manual

Policy Manual

Vehicle Pursuits

- (a) Officers may use stationary stop techniques to terminate any pursuit so long as the technique is employed in a fashion that is not reasonably calculated to cause death or great bodily harm to persons in the pursued vehicle or others in the vicinity (e.g. the pursued vehicle has sufficient time and distance to stop before reaching the roadblock or the technology employed is designed to disable the vehicle without the loss of control). Where feasible, an officer should obtain authorization from a supervisor before implementing stationary stop techniques. Absent exigent circumstances, such techniques should not be employed by officers that have not been trained in application of the selected technique.
- (b) Officers may use mobile stop techniques to terminate any pursuit so long as the technique is employed in a fashion that is not reasonably calculated to cause death or great bodily harm to persons in the pursued vehicle or others in the vicinity. Where feasible, an officer should obtain authorization from a supervisor before implementing mobile stop techniques. Absent exigent circumstances, such techniques should not be employed by officers that have not been trained in application of the selected technique.
- (c) At low speeds, the use of forcible stop techniques is permitted when there is legal justification for the use of force. Where feasible, an officer should obtain authorization from a supervisor before implementing forcible stop techniques. Absent exigent circumstances, such techniques should not be employed by officers that have not been trained in application of the selected technique.
- (d) At high speeds, the use of forcible stop techniques is permitted only when there is legal justification for the use of deadly force. Where feasible, an officer should obtain authorization from a supervisor before implementing forcible stop techniques. Absent exigent circumstances, such techniques should not be employed by officers that have not been trained in application of the selected technique.

307.7.4 CAPTURE OF SUSPECTS

Proper self-discipline and sound professional judgment are the keys to a successful conclusion of a pursuit and apprehension of evading suspects. Officers shall use only that amount of force, which reasonably appears necessary under the circumstances, to properly perform their lawful duties.

Unless relieved by a supervisor the primary officer should coordinate efforts to apprehend the suspect(s) following the pursuit. Officers should consider safety of the public and the involved officers when formulating plans to contain and capture the suspect.

307.8 REPORTING REQUIREMENTS

Officers shall complete an appropriate report of the pursuit incident and ensure a case report number is assigned to each pursuit incident. If involved in an inter-jurisdictional pursuit, obtain an Illinois State Police Emergency Radio Network (ISPERN) number in addition to their own case reporting number.

- (a) Supervisors will ensure that pursuit incidents are investigated thoroughly and the Supervisor's Vehicle Pursuit After Action report is completed. The after action report shall be submitted to the Administration Division as soon as practicable. The acquisition

Policy Manual

of statements, photographs, drawings, preliminary medical reports, and any other evidentiary items that are, or could be, relevant to the conduct of the pursuit incident should be completed and/or obtained.

- (b) The after action report, at a minimum, shall list the following information:
 - 1. Date, time, and corresponding case number for the pursuit.
 - 2. Pursuit route, including starting and ending points, and length of pursuit in minutes.
 - 3. Involved officers and squad units, including the responsible supervisor.
 - 4. Initial reason for the pursuit and summary of actions.
 - (a) Include factors present for continuing or terminating the pursuit.
 - 5. Weather, visibility, and traffic conditions.
 - 6. Locale.
 - 7. Pedestrian traffic.
 - 8. Pursuit speeds.
 - 9. Intervention tactics utilized if applicable.
 - 10. How the pursuit was terminated.
 - (a) Pursuing officer(s)
 - (b) Supervisor
 - (c) Arrest
 - (d) Traffic Crash
 - 11. Injuries and/or property damage.
 - (a) Medical treatment.

307.8.1 REGULAR AND PERIODIC PURSUIT TRAINING

All sworn members of this department will participate no less than annually in regular and periodic department training addressing this policy and the importance of vehicle safety and protecting the public at all times, including a recognition of the need to balance the known offense and the need for immediate capture against the risks to officers and others.

307.8.2 PURSUIT REVIEW BOARD

Following any pursuit, the Deputy Chief will assemble a Pursuit Review Board to examine and evaluate the conduct of the perceived pursuit.

- (a) The Pursuit Review Board will consist at a minimum of the Deputy Chief of Police, one sergeant, and one non-ranking officer.
 - 1. The officer(s) involved in the pursuit will be allowed to be present during a review board to provide a voluntary statement of facts to be considered by the review board, however, their presence is not mandatory. The officer(s) may not be present for any portion of the review process by the review board.

Matteson Police Department

Policy Manual

Policy Manual

Vehicle Pursuits

- (b) It shall be the purpose of the Pursuit Review Board to review all reports and investigate all facts surrounding a perceived police pursuit and provide constructive recommendations and/or feedback to the personnel who were involved. The Deputy Chief of Police will compile the Pursuit Review Board's findings and submit the findings and recommendations to the Chief of Police.

307.9 APPLICATION OF VEHICLE PURSUIT POLICY

This policy has been created with input from the Illinois Law Enforcement Training Standards Board; Police Pursuit Guidelines (revised March, 2004), in accordance with 50 ILCS 705/7.5.

Officer Response to Calls

308.1 PURPOSE AND SCOPE

This policy provides for the safe and appropriate response to emergency and non-emergency situations whether dispatched or self-initiated.

308.2 RESPONSE TO CALLS

Officers dispatched using emergency lights and siren shall consider the call an emergency response and proceed immediately. Officers responding using emergency lights and siren shall continuously operate emergency lighting equipment, and shall sound the siren as reasonably necessary.

The driver of an authorized emergency vehicle may (625 ILCS 5/11-205):

- (a) Park or stand, irrespective of the provisions of the Illinois Vehicle Code (625 ILCS).
- (b) Proceed past a red or stop signal or stop sign, but only after slowing down as may be required and necessary for safe operation.
- (c) Exceed the maximum speed limits so long as he/she does not endanger life or property.
- (d) Disregard regulations governing direction of movement or turning in specified directions.

The driver of an authorized emergency vehicle is not relieved from the duty of driving with due regard for the safety of all persons, nor do such provisions protect the driver from the consequences of his/her reckless disregard for the safety of others (625 ILCS 5/11-205(e)).

Officers should only respond using emergency lights and siren when so dispatched or when circumstances reasonably indicate an emergency response is required. Officers not authorized to respond using emergency lights and siren shall observe all traffic laws and proceed without the use of emergency lights and siren.

308.3 REQUESTING EMERGENCY ASSISTANCE

Requests for emergency assistance should be limited to those situations where the involved personnel reasonably believe that there is an immediate threat to the safety of officers, or assistance is needed to prevent imminent serious harm to a citizen. In any event, where a situation has stabilized and emergency response is not required, the requesting officer shall immediately notify the Dispatch Center.

If circumstances permit, the requesting officer should give the following information:

- The unit number
- The location
- The reason for the request and type of emergency

Matteson Police Department

Policy Manual

Policy Manual

Officer Response to Calls

- The number of units required

308.4 INITIATING HIGH PRIORITY RESPONSE

If an officer believes a high priority response to any call is appropriate, the officer shall immediately notify the Dispatch Center. When an officer makes the decision to initiate a high priority response to an incident, he/she shall consider the following:

- The type of call
- The necessity of a timely response
- Traffic and roadway conditions
- The location of the responding units

308.5 RESPONSIBILITIES OF RESPONDING OFFICER(S)

Officers shall exercise sound judgment and care with due regard for life and property when responding to an emergency call. Officers shall reduce speed at all street intersections to such a degree that they shall have complete control of the vehicle.

The decision to continue a high priority response is at the discretion of the officer. If, in the officer's judgment, the roadway conditions or traffic congestion does not permit such a response without unreasonable risk, the officer may elect to respond to the call without the use of red lights and siren at the legal speed limit. An officer shall also discontinue the high priority response when directed by a supervisor.

Upon receiving authorization or determining a high priority response is appropriate, an officer shall immediately give the location from which he/she is responding.

308.6 SUPERVISORY RESPONSIBILITIES

Upon being notified that a high priority response has been initiated, the Watch Commander or the field supervisor shall verify the following:

- (a) The proper response has been initiated.
- (b) No more than those units reasonably necessary under the circumstances are involved in the response.

The field supervisor shall monitor the response until it has been stabilized or terminated and assert control by directing units into or out of the response if necessary. If, in the supervisor's judgment, the circumstances require additional units to be assigned a high priority response, the supervisor may do so.

It is the supervisor's responsibility to terminate a high priority response that, in his/her judgment is inappropriate due to the circumstances.

When making the decision to authorize a high priority response, the Watch Commander or the field supervisor should consider the following:

- The type of call

Matteson Police Department

Policy Manual

Policy Manual

Officer Response to Calls

- The necessity of a timely response
- Traffic and roadway conditions
- The location of the responding units

308.7 FAILURE OF EMERGENCY EQUIPMENT

If the emergency equipment on the vehicle should fail to operate, the officer must terminate the high priority response and respond accordingly. In all cases, the officer shall notify the Watch Commander, field supervisor, or the Dispatch Center of the equipment failure so that another unit may be assigned to the emergency response.

Canines

309.1 PURPOSE AND SCOPE

This policy establishes guidelines for the use of canines to augment law enforcement services to the community, including but not limited to locating individuals and contraband and apprehending criminal offenders.

309.2 POLICY

It is the policy of the Matteson Police Department that teams of handlers and canines meet and maintain the appropriate proficiency to effectively and reasonably carry out legitimate law enforcement objectives.

309.3 ASSIGNMENT

Canine teams should be assigned to assist and supplement the Patrol Division to function primarily in assist or cover assignments. However, they may be assigned by the Watch Commander to other functions, such as routine calls for service, based on the current operational needs.

Canine teams should generally not be assigned to handle routine matters that will take them out of service for extended periods of time and then only with the approval of the Watch Commander.

309.4 CANINE COORDINATOR

The canine coordinator shall be appointed by, and directly responsible to, the Chief of Police or the authorized designee.

The responsibilities of the coordinator include but are not limited to:

- (a) Reviewing all canine use reports to ensure compliance with policy and to identify training issues and other needs of the program.
- (b) Maintaining a liaison with the vendor kennel.
- (c) Maintaining a liaison with command staff and functional supervisors.
- (d) Maintaining a liaison with other agency canine coordinators.
- (e) Maintaining accurate records to document canine activities.
- (f) Recommending and overseeing the procurement of equipment and services for the teams of handlers and canines.
 - 1. Ensure all department vehicles used to transport canines are equipped with a heat sensor monitoring device that meets the requirements of 510 ILCS 83/15.
- (g) Scheduling all canine-related activities.
- (h) Ensuring the canine teams are scheduled for regular training to maximize their capabilities.

Matteson Police Department

Policy Manual

Policy Manual

Canines

309.5 REQUESTS FOR CANINE TEAMS

Patrol Division members are encouraged to request the use of a canine. Requests for a canine team from department units outside of the Patrol Division shall be reviewed by the Watch Commander.

309.5.1 OUTSIDE AGENCY REQUEST

All requests for canine assistance from outside agencies must be approved by the Watch Commander and are subject to the following:

- (a) Canine teams shall not be used for any assignment that is not consistent with this policy.
- (b) The canine handler shall have the authority to decline a request for any specific assignment that he/she deems unsuitable.
- (c) Calling out off-duty canine teams is discouraged.
- (d) It shall be the responsibility of the canine handler to coordinate operations with agency personnel in order to minimize the risk of unintended injury.
- (e) It shall be the responsibility of the canine handler to complete all necessary reports and documents or as directed.

309.5.2 PUBLIC DEMONSTRATION

All public requests for a canine team shall be reviewed and, if appropriate, approved by the canine coordinator prior to making any resource commitment. The canine coordinator is responsible for obtaining resources and coordinating involvement in the demonstration to include proper safety protocols. Canine handlers shall not demonstrate any apprehension work unless authorized to do so by the canine coordinator.

309.6 APPREHENSION GUIDELINES

A canine may be used to locate and apprehend a suspect if the canine handler reasonably believes that the individual has either committed, is committing, or is threatening to commit any serious offense and if any of the following conditions exist:

- (a) There is a reasonable belief the suspect poses an imminent threat of violence or serious harm to the public, any officer, or the handler.
- (b) The suspect is physically resisting or threatening to resist arrest and the use of a canine reasonably appears to be necessary to overcome such resistance.
 - 1. Other less-than-lethal options should be considered before the use of a canine.
- (c) The suspect is believed to be concealed in an area where entry by other than the canine would pose a threat to the safety of officers or the public.

It is recognized that situations may arise that do not fall within the provisions set forth in this policy. Such events require consideration of the totality of the circumstances and the use of an objective reasonableness standard applied to the decision to use a canine.

Matteson Police Department

Policy Manual

Policy Manual

Canines

Absent a reasonable belief that a suspect has committed, is committing or is threatening to commit a serious offense, mere flight from a pursuing officer, without any of the above conditions, shall not serve as the basis for the use of a canine to apprehend a suspect.

Use of a canine to locate and apprehend a suspect wanted for a lesser criminal offense than those identified above requires approval from the Watch Commander. Absent a change in circumstances that presents an imminent threat to officers, the canine, or the public, such canine use should be conducted on-leash or under conditions that minimize the likelihood the canine will bite or otherwise injure the individual.

In all applications, once the suspect has been located and no longer reasonably appears to present a threat or risk of escape, the handler should secure the canine as soon as it becomes reasonably practicable.

If the canine has apprehended the suspect with a secure bite, and the handler believes that the suspect no longer poses a threat, the handler should promptly command the canine to release the suspect.

309.6.1 PREPARATION FOR DEPLOYMENT

Prior to the use of a canine to search for or apprehend any suspect, the canine handler and/or the supervisor on-scene should carefully consider all pertinent information reasonably available at the time. The information should include but is not limited to:

- (a) The nature and seriousness of the suspected offense.
- (b) Whether violence or weapons were used or are anticipated.
- (c) The degree of resistance or threatened resistance, if any, the suspect has shown.
- (d) The suspect's known or perceived age.
- (e) The potential for injury to officers or the public caused by the suspect if the canine is not utilized.
- (f) Any potential danger to the public and/or other officers at the scene if the canine is released.
- (g) The potential for the suspect to escape or flee if the canine is not utilized.

As circumstances permit, the canine handler should make every reasonable effort to communicate and coordinate with other involved members to minimize the risk of unintended injury.

It is the canine handler's responsibility to evaluate each situation and determine whether the use of a canine is appropriate and reasonable. The canine handler shall have the authority to decline the use of the canine whenever he/she deems deployment is unsuitable.

A supervisor who is sufficiently apprised of the situation may prohibit deploying the canine.

Unless otherwise directed by a supervisor, assisting members should take direction from the handler in order to minimize interference with the canine.

Matteson Police Department

Policy Manual

Policy Manual

Canines

309.6.2 WARNINGS AND ANNOUNCEMENTS

Unless it would increase the risk of injury or escape, a clearly audible warning announcing that a canine will be used if the suspect does not surrender should be made prior to releasing a canine. The handler should allow a reasonable time for a suspect to surrender and should quiet the canine momentarily to listen for any verbal response to the warning. If feasible, other members should be in a location opposite the warning to verify that the announcement could be heard. If available, warnings given in other languages should be used as necessary.

If a warning is not to be given, the canine handler, when practicable, should first advise the supervisor of his/her decision before releasing the canine. In the event of an apprehension, the handler shall document in any related report how the warning was given and, if none was given, the reasons why.

309.6.3 REPORTING DEPLOYMENTS, BITES AND INJURIES

Whenever a canine deployment results in a bite or causes injury to an intended suspect, a supervisor should be promptly notified and the injuries documented in a canine use report. The injured person shall be promptly treated by Emergency Medical Services (EMS) personnel and, if appropriate, transported to an appropriate medical facility for further treatment. The deployment and injuries should also be included in any related incident or arrest report and injuries photographed.

Any unintended bite or injury caused by a canine, whether on- or off-duty, shall be promptly reported to the canine coordinator. Unintended bites or injuries caused by a canine should be documented in an administrative report, not in a canine use report.

If an individual alleges an injury, either visible or not visible, a supervisor shall be notified and both the individual's injured and uninjured areas shall be photographed as soon as practicable after first tending to the immediate needs of the injured party. Photographs shall be retained as evidence in accordance with current department evidence procedures. The photographs shall be retained until the criminal proceeding is completed and the time for any related civil proceeding has expired.

Canines used by law enforcement agencies are generally exempt from impoundment and reporting requirements (510 ILCS 5/13(b)). The canine shall be under observation for 10 days following any bite. The observation shall consist of the canine being locked in a kennel, performing its official duties in a law enforcement vehicle or remaining under the constant supervision of its handler.

309.7 NON-APPREHENSION GUIDELINES

Properly trained canines may be used to track or search for non-criminals (e.g., lost children, individuals who may be disoriented or in need of medical attention). The canine handler is responsible for determining the canine's suitability for such assignments based on the conditions and the particular abilities of the canine. When the canine is deployed in a search or other non-apprehension operation, the following guidelines apply:

- (a) Absent a change in circumstances that presents an immediate threat to officers, the canine, or the public, such applications should be conducted on-leash or under

Matteson Police Department

Policy Manual

conditions that minimize the likelihood the canine will bite or otherwise injure the individual, if located.

- (b) Unless otherwise directed by a supervisor, assisting members should take direction from the handler in order to minimize interference with the canine.
- (c) Throughout the deployment, the handler should periodically give verbal assurances that the canine will not bite or hurt the individual and encourage the individual to make him/herself known.
- (d) Once the individual has been located, the handler should place the canine in a down-stay or otherwise secure it as soon as reasonably practicable.

309.7.1 ARTICLE DETECTION

A canine trained to find objects or property related to a person or crime may be used to locate or identify articles. A canine search should be conducted in a manner that minimizes the likelihood of unintended bites or injuries.

309.7.2 NARCOTICS DETECTION

A canine trained in narcotics detection may be used in accordance with current law and under certain circumstances, including:

- (a) The search of vehicles, buildings, bags and other articles.
- (b) Assisting in the search for narcotics during a search warrant service.
- (c) Obtaining a search warrant by using the narcotics-detection trained canine in support of probable cause.

A narcotics-detection trained canine will not be used to search a person for narcotics unless the canine is trained to passively indicate the presence of narcotics.

309.7.3 BOMB/EXPLOSIVE DETECTION

Because of the high risk of danger to the public and officers when a bomb or other explosive device is suspected, the use of a canine team trained in explosive detection may be considered. When available, an explosive-detection canine team may be used in accordance with current law and under certain circumstances, including:

- (a) Assisting in the search of a building, structure, area, vehicle or article where an actual or suspected explosive device has been reported or located.
- (b) Assisting with searches at transportation facilities and vehicles (e.g., buses, airplanes, trains).
- (c) Preventive searches at special events, VIP visits, official buildings and other restricted areas. Searches of individuals should remain minimally intrusive and shall be strictly limited to the purpose of detecting explosives.
- (d) Assisting in the search of scenes where an explosion has occurred and an explosive device or secondary explosive device is suspected.

Matteson Police Department

Policy Manual

Canines

At no time will an explosive-detection trained canine be used to render a suspected device safe or clear.

309.8 HANDLER SELECTION

- (c) When not in service, the handler shall maintain the canine vehicle in a locked garage, away from public view.
- (d) When a handler is off-duty for an extended number of days, the assigned canine vehicle should be stored at the Matteson Police Department facility unless the Canine Coordinator approves otherwise.
- (e) Handlers shall permit the canine coordinator to conduct spontaneous on-site inspections of affected areas of their homes as well as their canine vehicles to verify that conditions and equipment conform to this policy.
- (f) Any changes in the living status of the handler that may affect the lodging or environment of the canine shall be reported to the canine coordinator as soon as possible.
- (g) When off-duty, the canine shall be in a kennel provided by the Village at the home of the handler. When a canine is kenneled at the handler's home, the gate shall be secured with a lock. When off-duty, the canine may be let out of the kennel while under the direct control of the handler.
- (h) The canine should be permitted to socialize in the home with the handler's family for short periods of time and under the direct supervision of the handler.
- (i) Under no circumstances will the canine be lodged at another location unless approved by the canine coordinator or Watch Commander.

- (l) The handler shall ensure the canine receives an annual medical examination by a licensed veterinarian (510 ILCS 83/10).

309.9.1 CANINE IN PUBLIC AREAS

The canine should be kept on a leash when in areas that allow access to the public. Exceptions to this rule would include specific law enforcement operations for which the canine is trained.

- (a) A canine shall not be left unattended in any area to which the public may have access.
- (b) When the canine vehicle is left unattended, all windows and doors shall be secured in such a manner as to prevent unauthorized access to the canine. The handler shall also ensure that the unattended vehicle remains inhabitable for the canine.

309.10 HANDLER COMPENSATION

The canine handler shall be available for call-out under conditions specified by the canine coordinator.

The canine handler shall be compensated for time spent in the care, feeding, grooming and other needs of the canine in accordance with the Fair Labor Standards Act (FLSA), and according to the terms of the memorandum of understanding (29 USC § 207).

All medical attention shall be rendered by the designated canine veterinarian, except during an emergency where treatment should be obtained from the nearest available veterinarian. All records of medical treatment shall be maintained in the handler's personnel file.

309.12 TRAINING

Before assignment in the field, each narcotic detection canine team shall be trained and certified to meet current requirements established by the Illinois Law Enforcement Training and Standards Board (ILETSB) (50 ILCS 705/10.12). Cross-trained canine teams or those canine teams trained exclusively for the detection of explosives also should be trained and certified to meet current nationally recognized standards or other recognized and approved certification standards established for their particular skills.

The canine coordinator shall be responsible for scheduling periodic training for all department members to familiarize them with how to conduct themselves in the presence of department canines. 309.12.1 CONTINUED TRAINING

Each canine team shall thereafter be recertified to a current nationally recognized standard or other recognized and approved certification standards on an annual basis. Additional training considerations are as follows:

- (a) Canine teams should receive training as defined in the current contract with the Matteson Police Department canine training provider.
- (b) Canine handlers are encouraged to engage in additional training with approval of the canine coordinator.
- (c) To ensure that all training is consistent, no handler, trainer or outside vendor is authorized to train to a standard that is not reviewed and approved by this department.

309.12.2 FAILURE TO SUCCESSFULLY COMPLETE TRAINING

Any canine team failing to graduate or obtain certification shall not be deployed in the field for tasks the team is not certified to perform until graduation or certification is achieved. When reasonably practicable, pending successful certification, the canine handler shall be temporarily reassigned to regular patrol duties.

309.12.3 TRAINING RECORDS

All canine training records shall be maintained in the canine handler's and the canine's training file.

309.12.4 TRAINING AIDS

Training aids are required to effectively train and maintain the skills of canines. Officers possessing, using or transporting controlled substances or explosives for canine training purposes must comply with federal and state requirements. Alternatively, the Matteson Police Department may work with outside trainers with the applicable licenses or permits.

309.12.5 CONTROLLED SUBSTANCE TRAINING AIDS

Officers acting in the performance of their official duties may possess or transfer controlled substances for the purpose of narcotics-detection canine training in compliance with state and federal laws (21 USC § 823(g)).

The Chief of Police or the authorized designee may authorize a member to seek a court order to allow controlled substances seized by the Matteson Police Department to be possessed by the member or a narcotics-detection canine trainer who is working under the direction of this [department/office] for training purposes, provided the controlled substances are no longer needed as criminal evidence.

As an alternative, the Chief of Police or the authorized designee may request narcotics training aids from the Drug Enforcement Administration (DEA).

These procedures are not required if the canine handler uses commercially available synthetic substances that are not controlled narcotics.

309.12.6 CONTROLLED SUBSTANCE PROCEDURES

Due to the responsibilities and liabilities involved with possessing readily usable amounts of controlled substances and the ever-present danger of the canine's accidental ingestion of these controlled substances, the following procedures shall be strictly followed:

- (a) All controlled substance training samples shall be weighed and tested prior to dispensing to the individual canine handler or trainer.
- (b) The weight and test results shall be recorded and maintained by this department.
- (c) Any person possessing controlled substance training samples pursuant to court order or DEA registration shall maintain custody and control of the controlled substances and shall keep records regarding any loss of, or damage to, those controlled substances.
- (d) All controlled substance training samples will be inspected, weighed and tested quarterly. The results of the quarterly testing shall be recorded and maintained by the canine coordinator with a copy forwarded to the dispensing agency.
- (e) All controlled substance training samples will be stored in locked, airtight and watertight cases at all times, except during training. The locked cases shall be secured in the trunk of the canine handler's assigned patrol vehicle during transport and stored in an appropriate locked container. There are no exceptions to this procedure.
- (f) The canine coordinator shall periodically inspect every controlled substance training sample for damage or tampering and take any appropriate action.
- (g) Any unusable controlled substance training samples shall be returned to the Evidence Room or to the dispensing agency.
- (h) All controlled substance training samples shall be returned to the dispensing agency upon the conclusion of the training or upon demand by the dispensing agency.

309.12.7 EXPLOSIVE TRAINING AIDS

Officers may possess, transport, store or use explosives or destructive devices in compliance with state and federal laws (18 USC § 842; 27 CFR 555.41; 225 ILCS 210/2001).

Explosive training aids designed specifically for canine teams should be used whenever feasible. Due to the safety concerns in the handling and transportation of explosives, inert or non-hazardous training aids should be employed whenever feasible. The use of explosives or destructive devices for training aids by canine teams is subject to the following:

- (a) All explosive training aids, when not in use, shall be properly stored in a secure facility appropriate for the type of materials.
- (b) An inventory ledger shall be maintained to document the type and quantity of explosive training aids that are stored.
- (c) The canine coordinator shall be responsible for verifying the explosive training aids on hand against the inventory ledger once each quarter.
- (d) Only members of the canine team shall have access to the explosive training aids storage facility.

Matteson Police Department

Policy Manual

Policy Manual

Canines

- (e) A primary and secondary custodian will be designated to minimize the possibility of loss of explosive training aids during and after the training. Generally, the handler will be designated as the primary custodian while the trainer or authorized second person on-scene will be designated as the secondary custodian.
- (f) Any lost or damaged explosive training aids shall be promptly reported to the canine coordinator, who will determine if any further action will be necessary. Any loss of explosives will be reported to the Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF).

309.13 CANINE RETIREMENT

When the Patrol Division Commander determines a canine is no longer fit for duty it shall be offered to the handler assigned to the animal during its service. If the handler does not wish to keep the dog, the Patrol Division Commander should offer the canine to another employee of the Matteson Police Department, or to a nonprofit organization or no-kill shelter that may facilitate the dog's adoption (510 ILCS 82/5).

Domestic Violence

310.1 PURPOSE AND SCOPE

The purpose of this policy is to provide the guidelines necessary to deter, prevent and reduce domestic violence through vigorous enforcement and to address domestic violence as a serious crime against society. The policy specifically addresses the commitment of this department to take enforcement action when appropriate, to provide assistance to victims and to guide officers in the investigation of domestic violence.

310.1.1 DEFINITIONS

Definitions related to this policy include:

Court order - All forms of orders related to domestic violence, that have been issued by a court of this state or another, whether civil or criminal, regardless of whether service has been made.

310.2 POLICY

The Matteson Police Department's response to incidents of domestic violence and violations of related court orders shall stress enforcement of the law to protect the victim and shall communicate the philosophy that domestic violence is criminal behavior. It is also the policy of this department to facilitate victims' and offenders' access to appropriate civil remedies and community resources whenever feasible.

310.3 OFFICER SAFETY

The investigation of domestic violence cases often places officers in emotionally charged and sometimes highly dangerous environments. No provision of this policy is intended to supersede the responsibility of all officers to exercise due caution and reasonable care in providing for the safety of any officers and parties involved.

310.4 INVESTIGATIONS

The following guidelines should be followed by officers when investigating domestic violence cases:

- (a) Calls of reported, threatened, imminent, or ongoing domestic violence and the violation of any court order are of extreme importance and should be considered among the highest response priorities. This includes incomplete 9-1-1 calls.
- (b) When practicable, officers should obtain and document statements from the victim, the suspect, and any witnesses, including children, in or around the household or location of occurrence.
- (c) Officers should list the full name and date of birth (and school if available) of each child who was present in the household at the time of the offense. The names of other children who may not have been in the house at that particular time should also be obtained for follow-up.
- (d) When practicable and legally permitted, video or audio record all significant statements and observations.

Matteson Police Department

Policy Manual

Policy Manual

Domestic Violence

- (e) All injuries should be photographed, regardless of severity, taking care to preserve the victim's personal privacy. Where practicable, photographs should be taken by a person of the same sex. Victims whose injuries are not visible at the time of the incident should be asked to contact the police department in the event that the injuries later become visible.
- (f) Officers should request that the victim complete and sign an authorization for release of medical records related to the incident when applicable.
- (g) If the suspect is no longer at the scene, officers should make reasonable efforts to locate the suspect to further the investigation, provide the suspect with an opportunity to make a statement, and make an arrest or seek an arrest warrant if appropriate.
- (h) Seize any firearms or other dangerous weapons in the home, if appropriate and legally permitted, for safekeeping or as evidence (725 ILCS 5/112A-30).
- (i) When completing an incident or arrest report for violation of a court order, officers should include specific information that establishes that the offender has been served, including the date the offender was served, the name of the agency that served the order, and the provision of the order that the subject is alleged to have violated. When reasonably available, the arresting officer should attach a copy of the order to the incident or arrest report.
- (j) Officers should take appropriate enforcement action when there is probable cause to believe an offense has occurred (725 ILCS 5/112A-30). Factors that should not be used as sole justification for declining to take enforcement action include:
 - 1. Marital status of suspect and victim.
 - 2. Whether the suspect lives on the premises with the victim.
 - 3. Claims by the suspect that the victim provoked or perpetuated the violence.
 - 4. The potential financial or child custody consequences of arrest.
 - 5. The physical or emotional state of either party.
 - 6. Use of drugs or alcohol by either party.
 - 7. Denial that the abuse occurred where evidence indicates otherwise.
 - 8. A request by the victim not to arrest the suspect.
 - 9. Location of the incident (public/private).
 - 10. Speculation that the complainant may not follow through with the prosecution.
 - 11. The racial, cultural, social, professional position, or sexual orientation of the victim or suspect.

310.4.1 IF A SUSPECT IS ARRESTED

If a suspect is arrested, officers should:

- (a) Advise the victim that there is no guarantee the suspect will remain in custody.
- (b) Provide the victim's contact information to the jail staff to enable notification of the victim upon the suspect's release from jail.

Matteson Police Department

Policy Manual

Policy Manual

Domestic Violence

- (c) Advise the victim whether any type of court order will be in effect when the suspect is released from jail.
- (d) Prevent the suspect from contacting the victim while in the police department's custody.

310.4.2 IF NO ARREST IS MADE

If no arrest is made, the officer should:

- (a) Advise the parties of any options, including but not limited to:
 - 1. Voluntary separation of the parties.
 - 2. Appropriate resource referrals (e.g., counselors, friends, relatives, shelter homes, victim witness unit).
- (b) Document the resolution in a report.

310.4.3 ELECTRONIC SURVEILLANCE ALERTS

Certain individuals released after a violation of an order of protection may be subject to electronic surveillance by GPS as a condition of release, probation, or conditional discharge (725 ILCS 5/110-5; 730 ILCS 5/5-8A-7).

Upon being dispatched in response to an electronic surveillance alert, officers should make a reasonable attempt to locate the domestic violence victim who is being protected and assist in providing for the victim's safety. A reasonable attempt to locate the offender should also be made.

If the offender is located within a prohibited location of the victim, an officer should consider whether an arrest for a violation of the conditional discharge, a condition of pretrial release, supervision, or order of protection is appropriate.

Each response to an electronic surveillance alert shall be documented in an incident or arrest report.

310.5 VICTIM ASSISTANCE

Victims may be traumatized or confused. Officers should (725 ILCS 5/112A-30):

- (a) Recognize that a victim's behavior and actions may be affected.
- (b) Provide the victim with the department's domestic violence information handout, even if the incident may not rise to the level of a crime.
- (c) Alert the victim to any available victim advocates, shelters, and community resources.
- (d) Stand by for a reasonable amount of time when an involved person requests law enforcement assistance while removing essential items of personal property.
- (e) Seek medical assistance as soon as practicable for the victim if he/she has sustained injury or complains of pain.
- (f) Ask the victim whether he/she has a safe place to stay. Assist in arranging to transport the victim to an alternate shelter if the victim expresses a concern for his/her safety or if the officer determines that a need exists.

Matteson Police Department

Policy Manual

Policy Manual

Domestic Violence

- (g) Make reasonable efforts to ensure that children or dependent adults who are under the supervision of the suspect or victim are being properly cared for.
- (h) Seek or assist the victim in obtaining an emergency order if appropriate.

310.6 DISPATCH ASSISTANCE

All calls of domestic violence, including incomplete 9-1-1 calls, should be dispatched as soon as practicable.

Dispatchers are not required to verify the validity of a court order before responding to a request for assistance. Officers should request that dispatchers check whether any of the involved persons are subject to the terms of a court order.

310.7 FOREIGN COURT ORDERS

Various types of orders may be issued in domestic violence cases. Any foreign court order properly issued by a court of another state, Indian tribe or territory shall be enforced by officers as if it were the order of a court in this state. An order should be considered properly issued when it reasonably appears that the issuing court has jurisdiction over the parties and reasonable notice and opportunity to respond was given to the party against whom the order was issued (18 USC § 2265). An otherwise valid out-of-state court order shall be enforced, regardless of whether the order has been properly registered with this state.

310.8 VERIFICATION OF COURT ORDERS

Determining the validity of a court order, particularly an order from another jurisdiction, can be challenging. Therefore, in determining whether there is probable cause to make an arrest for a violation of any court order, officers should carefully review the actual order when available, and, where appropriate and practicable:

- (a) Ask the subject of the order about his/her notice or receipt of the order, his/her knowledge of its terms and efforts to respond to the order.
- (b) Check available records or databases that may show the status or conditions of the order.
- (c) Contact the issuing court to verify the validity of the order.
- (d) Contact a law enforcement official from the jurisdiction where the order was issued to verify information.

Officers should document in an appropriate report their efforts to verify the validity of an order, regardless of whether an arrest is made. Officers should contact a supervisor for clarification when needed.

310.9 LEGAL MANDATES AND RELEVANT LAWS

Illinois law provides for the following:

310.9.1 STANDARDS FOR ARRESTS

- (a) Officers shall attempt to determine the predominate physical aggressor.

Matteson Police Department

Policy Manual

Policy Manual

Domestic Violence

- (b) Whenever an officer has reason to believe that a person has been the victim of domestic abuse, the officer shall immediately use all reasonable means to prevent further abuse including arresting the abusing, neglecting, and exploiting party, where appropriate (725 ILCS 5/112A-30).
- (c) Officers investigating reports of domestic violence should consider the appropriate charges, including Domestic Battery, Aggravated Domestic Battery, and Interfering with the Reporting of Domestic Violence (720 ILCS 5/12-3.2; 720 ILCS 5/12-3.3; 720 ILCS 5/12-3.5).
- (d) Officers investigating a domestic violence incident who encounter an individual on pretrial release for a domestic violence charge should attempt to determine if there are reasonable grounds to believe that the individual is violating a condition of pretrial release, for example by making contact or communicating with the victim, or by entering or remaining at the victim's residence within 72 hours following the defendant's release (725 ILCS 5/110-10(d)).

310.9.2 REPORTS AND RECORDS

The Matteson Police Department is required to record, compile and report to the Illinois State Police information regarding domestic crimes.

- (a) Officers shall include in their reports the victim's statements as to the frequency and severity of prior incidents of domestic violence by the person and the number of prior calls for law enforcement assistance to prevent domestic violence (750 ILCS 60/303; 725 ILCS 5/112A-29).
- (b) Reports must also include information regarding the victim, suspect, date and time of the incident, any injury inflicted, any weapons involved, and the relationship between the victim and the suspect so that the Records Supervisor is provided with enough information to meet the reporting requirements of 50 ILCS 709/5-12.

310.9.3 SPECIFIC VICTIM ISSUES

Officers should:

- (a) Provide or arrange for accessible transportation for the victim (and, at the victim's request, any minors or dependents in the victim's care) to a medical facility for treatment of injuries or to a nearby place of shelter or safety (750 ILCS 60/304).
- (b) Provide the victim with one referral to an accessible service agency (750 ILCS 60/304).

310.9.4 COURT ORDER RELATED TO PEACE OFFICERS

If the respondent in an order of protection is a peace officer, the investigating officer shall determine if the order prohibits the peace officer from possessing any firearms or a FOID card during the duration of the order (725 ILCS 5/112A-14(b)(14.5)).

If the respondent officer is employed by the Matteson Police Department, the investigating officer shall take any necessary enforcement actions, promptly submit the appropriate report, and notify the Chief of Police of the incident through the chain of command.

Matteson Police Department

Policy Manual

Policy Manual

Domestic Violence

If the respondent officer is not a member of the Matteson Police Department, the investigating officer shall promptly notify the investigating officer's supervisor. The supervisor shall ensure prompt notification to the respondent officer's department.

310.9.5 SERVICE OF COURT ORDERS

A summons, along with the petition for protective order, supporting affidavits, if any, and any ex parte protective order that has been issued, shall be served at the earliest time possible and take precedence over service of other summonses, except those of a similar emergency nature (725 ILCS 5/112A-5.5; 725 ILCS 5/112A-17.5).

Before serving an order of protection, the serving officer should conduct an inquiry to determine whether the respondent has been issued a concealed carry license (CCL) or a Firearm Owner's Identification (FOID) card. If the respondent is found to be in possession of a CCL, the officer shall seize the CCL and forward the notification of the order and license to the Illinois State Police within seven days of the date the order was served (430 ILCS 66/70). If the respondent is found to be in possession of a FOID card, then the officer should instruct the respondent if the order of protection requires compliance with section 9.5 of the FOID Card Act (725 ILCS 5/112A-14; 430 ILCS 65/9.5).

If the Matteson Police Department receives a copy of an ex parte protective order issued to a person who is in custody, an officer shall make reasonable efforts to serve the protective order or a short form notification on the person before the person is released from custody (725 ILCS 5/112A-22).

- (j) Officers who are investigating a workplace violence incident and encounter a workplace violence suspect who is on pretrial release for a domestic violence charge should attempt to determine if there are reasonable grounds to believe that the individual is violating a condition of pretrial release, for example by making contact or communicating with a domestic violence victim within 72 hours of release (725 ILCS 5/110-10(d)).

Search and Seizure

312.1 PURPOSE AND SCOPE

Both the federal and state Constitutions provide every individual with the right to be free from unreasonable searches and seizures. This policy provides general guidelines for Matteson Police Department personnel to consider when dealing with search and seizure issues.

312.2 POLICY

It is the policy of the Matteson Police Department to respect the fundamental privacy rights of individuals. Members of this department will conduct searches in strict observance of the constitutional rights of persons being searched. All seizures by this department will comply with relevant federal and state law governing the seizure of persons and property.

The Department will provide relevant and current training to officers as guidance for the application of current law, local community standards and prosecutorial considerations regarding specific search and seizure situations, as appropriate.

312.3 SEARCHES

The U.S. Constitution generally provides that a valid warrant is required in order for a search to be permissible. There are, however, several exceptions that permit a warrantless search.

Examples of law enforcement activities that are exceptions to the general warrant requirement include, but are not limited to, searches pursuant to the following:

- Valid consent
- Incident to a lawful arrest
- Legitimate community caretaking interests
- Vehicle searches under certain circumstances
- Exigent circumstances

Certain other activities are recognized by federal and state courts and by certain statutes as legitimate law enforcement activities that also do not require a warrant. Such activities may include seizure and examination of abandoned property, and observations of activities and property located on open public areas.

Because case law regarding search and seizure is constantly changing and subject to interpretation by the courts, each member of this department is expected to act in each situation according to current training and his/her familiarity with the subject's clearly established rights as determined by case law.

Whenever practicable, officers are encouraged to contact a supervisor to resolve questions regarding search and seizure issues prior to electing a course of action.

Search and Seizure

312.4 SEARCH PROTOCOL

Although conditions will vary and officer safety and other exigencies must be considered in every search situation, the following guidelines should be followed whenever circumstances permit:

- (a) Members of this department will strive to conduct searches with dignity and courtesy.
- (b) Officers should explain to the person being searched the reason for the search and how the search will be conducted.
- (c) Searches should be carried out with due regard and respect for private property interests and in a manner that minimizes damage. Property should be left in a condition as close as reasonably possible to its pre-search condition.
- (d) In order to minimize the need for forcible entry, an attempt should be made to obtain keys, combinations or access codes when a search of locked property is anticipated.
- (e) When the person to be searched is of the opposite sex as the searching officer, a reasonable effort should be made to summon an officer of the same sex as the subject to conduct the search. When it is not practicable to summon an officer of the same sex as the subject, the following guidelines should be followed:
 1. Another officer or a supervisor should witness the search.
 2. The officer should not search areas of the body covered by tight-fitting clothing, sheer clothing or clothing that could not reasonably conceal a weapon.

312.5 DOCUMENTATION

Officers are responsible to document any search and to ensure that any required reports are sufficient including, at minimum, documentation of the following:

- Reason for the search
- Any efforts used to minimize the intrusiveness of any search (e.g., asking for consent or keys)
- What, if any, injuries or damage occurred
- All steps taken to secure property
- The results of the search, including a description of any property or contraband seized
- If the person searched is the opposite sex, any efforts to summon an officer of the same sex as the person being searched and the identification of any witness officer

Supervisors shall review reports to ensure the reports are accurate, that actions are properly documented and that current legal requirements and department policy have been met.

Temporary Custody of Juveniles

313.1 PURPOSE AND SCOPE

This policy provides guidelines consistent with the Juvenile Justice and Delinquency Prevention Act for juveniles taken into temporary custody by members of the Matteson Police Department (34 USC § 11133).

313.1.1 DEFINITIONS

Definitions related to this policy include:

Juvenile non-offender - An abused, neglected, dependent, or alien juvenile who may be legally held for the juvenile's own safety or welfare. This also includes any juvenile who may have initially been contacted for an offense that would not subject an adult to arrest (e.g., fine-only offense) but was taken into custody for the juvenile's protection or for purposes of reuniting the juvenile with a parent, guardian, or other responsible person.

Juvenile offender - A juvenile under 18 years of age who is alleged to have committed an offense that would subject an adult to arrest (a non-status offense) or a juvenile who has violated 720 ILCS 5/24-3.1 by possessing a handgun (28 CFR 31.303; 705 ILCS 405/5-105).

Non-secure custody - When a juvenile is held in the presence of an officer or other [department/office] member at all times and is not placed in a locked room, cell, or behind any locked doors. Juveniles in non-secure custody may be handcuffed but not to a stationary or secure object. Personal supervision, through direct visual monitoring and audio two-way communication, is maintained. Monitoring through electronic devices, such as video, does not replace direct visual observation.

Safety checks - Direct visual observation by a member of this [department/office] performed at random intervals, within time frames prescribed in this policy, to provide for the health and welfare of juveniles in temporary custody.

Secure custody - When a juvenile offender is held in a locked room, a set of rooms, or a cell. Secure custody also includes being physically secured to a stationary object.

Examples of secure custody include:

- (a) A juvenile left alone in an unlocked room within the secure perimeter of the adult temporary holding area.
- (b) A juvenile handcuffed to a rail.
- (c) A juvenile placed in a room that contains doors with delayed egress devices that have a delay of more than 30 seconds.
- (d) A juvenile being processed in a secure booking area when an unsecure booking area is available.
- (e) A juvenile left alone in a secure booking area after being photographed and fingerprinted.

Matteson Police Department

Policy Manual

Policy Manual

Temporary Custody of Juveniles

- (f) A juvenile placed in a cell within the adult temporary holding area, whether or not the cell door is locked.
- (g) A juvenile placed in a room that is capable of being locked or contains a fixed object designed for cuffing or restricting movement.

Sight and sound separation - Located or arranged to prevent physical, visual, or auditory contact.

Status offender - A juvenile suspected of committing a criminal violation of the law that would not be a criminal violation but for the age of the offender. Examples may include running away, underage possession or tobacco, curfew violation, or truancy. A juvenile in custody on a court order or warrant based upon a status offense is also a status offender.

313.2 POLICY

The Matteson Police Department is committed to releasing juveniles from temporary custody as soon as reasonably practicable and keeping juveniles safe while they are in temporary custody at the Matteson Police Department. Juveniles should be held in temporary custody only for as long as reasonably necessary for processing, transfer or release.

313.2.1 ADDITIONAL CONSIDERATIONS

It is also the policy of the [Department/Office] that all members be committed to the development and perpetuation of programs designed to prevent and control juvenile delinquency.

313.3 JUVENILES WHO SHOULD NOT BE HELD

Juveniles who exhibit certain behaviors or conditions should not be held at the Matteson Police Department. These include:

- (a) Unconsciousness or having been unconscious while being taken into custody or transported.
- (b) Serious injuries or a medical condition requiring immediate medical attention.
- (c) A suspected suicide risk or obvious signs of severe emotional or mental disturbance (see the Civil Commitments Policy).
 - 1. If the officer taking custody of a juvenile believes that the juvenile may be a suicide risk, the officer shall ensure continuous direct supervision until evaluation, release, or transfer to an appropriate facility is completed.
- (d) Significant intoxication or showing signs of having ingested any substance that poses a significant risk to their health, whether or not they appear intoxicated.
- (e) Extremely violent or continuously violent behavior
- (f) Afflicted with, or displaying symptoms of, a communicable disease that poses an unreasonable exposure risk.

Officers taking custody of a juvenile who exhibits any of the above conditions should take reasonable steps to provide medical attention or mental health assistance and should notify a supervisor of the situation.

Matteson Police Department

Policy Manual

Policy Manual

Temporary Custody of Juveniles

These juveniles should not be held at the [Department/Office] unless they have been evaluated by a qualified medical or mental health professional, as appropriate for the circumstances.

313.4 CUSTODY OF JUVENILES

Officers should take custody of a juvenile and temporarily hold the juvenile at the [Department/Office] when there is no other lawful and practicable alternative to temporary custody. Refer to the Child Abuse Policy for additional information regarding detaining a juvenile who is suspected of being a victim.

No juvenile should be held in temporary custody at the Matteson Police Department without authorization of the arresting officer's supervisor or the Watch Commander. Juveniles taken into custody shall be held in non-secure custody unless otherwise authorized by this policy.

Any juvenile taken into custody shall be released to the care of the juvenile's parent, legal guardian, or other responsible adult, or transferred to a juvenile custody facility, or to other authority as soon as practicable, and in no event shall a juvenile be held beyond six hours from the time of the juvenile's entry into the Matteson Police Department (34 USC § 11133; 20 Ill. Adm. Code 720.30).

313.4.1 CUSTODY OF JUVENILE NON-OFFENDERS

Non-offenders taken into protective custody in compliance with the Child Abuse Policy should generally not be held at the Matteson Police Department. Custodial arrangements should be made for non-offenders as soon as reasonably possible. Juvenile non-offenders may not be held in secure custody (34 USC § 11133; 705 ILCS 405/5-410; 705 ILCS 405/2-6).

A juvenile taken into protective custody for prostitution should be reported to the Illinois Department of Children and Family Services (720 ILCS 5/11-14).

313.4.2 CUSTODY OF JUVENILE STATUS OFFENDERS

Status offenders should generally be released by citation or with a warning rather than taken into temporary custody. However, officers may take custody of a status offender if requested to do so by a parent or legal guardian in order to facilitate reunification (e.g., transported home or to the station to await a parent). Juvenile status offenders may not be held in secure custody (34 USC § 11133).

313.4.3 CUSTODY OF JUVENILE OFFENDERS

Juvenile offenders should be held in non-secure custody while at the Matteson Police Department unless another form of custody is authorized by this policy or is necessary due to exigent circumstances.

Generally, a juvenile offender may be taken into custody when (705 ILCS 405/5-401):

- (a) Probable cause exists to believe he/she has violated, or attempted to violate, a law or ordinance.
- (b) The juvenile has been adjudged a ward of the court and has escaped from any commitment ordered by the court.

Matteson Police Department

Policy Manual

Policy Manual

Temporary Custody of Juveniles

- (c) An officer reasonably believes the juvenile has violated court-ordered conditions of probation or supervision.

The officer shall promptly take the juvenile to the nearest juvenile police officer (705 ILCS 405/2-6; 705 ILCS 405/3-8).

The officer shall submit a completed report to the Watch Commander.

313.4.4 ALTERNATIVES TO TEMPORARY CUSTODY

Officers handling juvenile offenders should use reasonable alternatives to arrest, when applicable, including:

- (a) Release with no further action. Officers should use discretion to determine if release with a warning is appropriate for minor petty offenses.
- (b) Referral to juvenile court.

313.5 ADVISEMENTS

An officer who takes a juvenile into custody without a warrant shall immediately make a reasonable attempt to notify the parent, guardian or the person with whom the juvenile resides that the juvenile has been taken into custody and where the juvenile is being held (705 ILCS 405/2-6).

313.6 JUVENILE CUSTODY LOGS

Any time a juvenile is held in custody at the Matteson Police Department, the custody shall be promptly and properly documented in the juvenile custody log, including:

- (a) Identifying information about the juvenile.
- (b) Date and time of arrival and release from the [Department/Office].
- (c) Watch Commander notification and approval to temporarily hold the juvenile.
- (d) Any charges for which the juvenile is being held and classification of the juvenile as a juvenile offender, status offender, or non-offender.
- (e) Any changes in status (e.g., emergency situations, unusual incidents).
- (f) Time of all welfare checks.
- (g) Any medical and other screening requested and completed.
- (h) Circumstances that justify any secure custody.
- (i) Any other information that may be required by other authorities, such as compliance inspectors or a local juvenile court authority.

The Watch Commander should initial the log to approve the custody, including any secure custody, and should also initial the log when the juvenile is released.

313.7 NO-CONTACT REQUIREMENTS

Sight and sound separation shall be maintained between all juveniles and adults while in custody at the Matteson Police Department (34 USC § 11133; 705 ILCS 405/5-410). There should also be sight and sound separation between non-offenders and juvenile and status offenders.

Matteson Police Department

Policy Manual

Policy Manual

Temporary Custody of Juveniles

In situations where brief or accidental contact may occur (e.g., during the brief time a juvenile is being fingerprinted and/or photographed in booking), a member of the [Department/Office] shall maintain a constant, immediate, side-by-side presence with the juvenile or the adult to minimize any contact. If inadvertent or accidental contact does occur, reasonable efforts shall be taken to end the contact.

313.8 TEMPORARY CUSTODY REQUIREMENTS

Members and supervisors assigned to monitor or process any juvenile at the Matteson Police Department shall ensure:

- (a) The Watch Commander is notified if it is anticipated that a juvenile may need to remain at the [Department/Office] more than four hours. This will enable the Watch Commander to ensure no juvenile is held at the [Department/Office] more than six hours.
- (b) Safety checks and significant incidents/activities are noted on the log.
- (c) Juveniles in custody are informed that they will be monitored at all times, except when using the toilet.
 - 1. There shall be no viewing devices, such as peep holes or mirrors, of which the juvenile is not aware.
 - 2. This does not apply to surreptitious and legally obtained recorded interrogations.
- (d) A member of the same sex will supervise personal hygiene activities and care, such as changing clothing or using the restroom, without direct observation to allow for privacy.
- (e) There is reasonable access to toilets and wash basins.
- (f) There is reasonable access to a drinking fountain or water.
- (g) Food is provided if a juvenile has not eaten within the past four hours or is otherwise in need of nourishment, including any special diet required for the health of the juvenile.
- (h) There are reasonable opportunities to stand and stretch, particularly if handcuffed or otherwise restrained.
- (i) There is privacy during family, guardian, and/or attorney visits.
- (j) Juveniles are generally permitted to remain in their personal clothing unless it is taken as evidence or is otherwise unsuitable or inadequate for continued wear while in custody.
- (k) Clean blankets are provided as reasonably necessary to ensure the comfort of the individual.
 - 1. The supervisor should ensure that there is an adequate supply of clean blankets.
- (l) Adequate shelter, heat, light, and ventilation are provided without compromising security or enabling escape.
- (m) Adequate furnishings are available, including suitable chairs or benches.
- (n) Juveniles shall have the right to the same number of telephone calls as an adult in temporary custody (see the Temporary Custody of Adults Policy).

Matteson Police Department

Policy Manual

Policy Manual

Temporary Custody of Juveniles

- (o) Discipline is not administered to any juvenile, nor will juveniles be subjected to corporal or unusual punishment, humiliation, or mental abuse.

313.9 USE OF RESTRAINT DEVICES

Juvenile offenders may be handcuffed in accordance with the Handcuffing and Restraints Policy. A juvenile offender may be handcuffed at the Matteson Police Department when the juvenile presents a heightened risk. However, non-offenders and status offenders should not be handcuffed unless they are combative or threatening.

Other restraints shall only be used after less restrictive measures have failed and with the approval of the Watch Commander. Restraints shall only be used so long as it reasonably appears necessary for the juvenile's protection or the protection of others.

Juveniles in restraints shall be kept away from other unrestrained juveniles or monitored in such a way as to protect the juvenile from abuse.

313.9.1 PREGNANT JUVENILES

Juveniles who are known to be pregnant should be restrained in accordance with the Handcuffing and Restraints Policy.

313.10 PERSONAL PROPERTY

The personal property of a juvenile shall be processed in the same manner as an adult in temporary custody (see the Temporary Custody of Adults Policy).

313.11 SECURE CUSTODY

Only juvenile offenders 10 years of age or older may be placed in secure custody (705 ILCS 405/5-410). Watch Commander approval is required before placing a juvenile offender in secure custody.

Secure custody should only be used for juvenile offenders when there is a reasonable belief that the juvenile is a serious risk of harm to him/herself or others.

Members of this department should not use secure custody for convenience when non-secure custody is, or later becomes, a reasonable option.

When practicable, handcuffing one hand of a juvenile offender to a fixed object while otherwise maintaining the juvenile in non-secure custody should be considered as the method of secure custody, rather than the use of a locked enclosure. An employee must be present at all times to ensure the juvenile's safety while secured to a stationary object.

Generally, juveniles should not be secured to a stationary object for more than 60 minutes. Supervisor approval is required to secure a juvenile to a stationary object for longer than 60 minutes and every 30 minutes thereafter. Supervisor approval should be documented.

313.11.1 LOCKED ENCLOSURES

A thorough inspection of the area shall be conducted before placing a juvenile into the locked enclosure to ensure there are no weapons or contraband and that the area is clean and sanitary.

Matteson Police Department

Policy Manual

Policy Manual

Temporary Custody of Juveniles

An inspection should be conducted when the juvenile is released. Any damage noted to the area should be photographed and documented.

The following requirements shall apply:

- (a) Anything that could create a security or suicide risk, such as contraband, hazardous items, belts, shoes or shoelaces, and jackets, shall be removed.
- (b) The juvenile shall constantly be monitored by an audio/video system during the entire temporary custody.
- (c) The juveniles shall have constant auditory access to [department/office] members.
- (d) The juvenile's initial placement into and removal from a locked enclosure shall be logged.
- (e) Unscheduled safety checks by [department/office] members shall occur no less than every 15 minutes.
 - 1. All safety checks shall be logged.
 - 2. The safety check should involve questioning the juvenile as to the juvenile's well-being.
 - 3. Juveniles who are sleeping or apparently sleeping should be awakened.
 - 4. Requests or concerns of the juvenile should be logged.
- (f) Males and females shall not be placed in the same locked room.
- (g) Juvenile offenders should be separated according to severity of the crime (e.g., felony or misdemeanor).
- (h) Restrained juveniles shall not be placed in a cell or room with unrestrained juveniles.

313.12 SUICIDE ATTEMPT, DEATH, OR SERIOUS INJURY

The Patrol Division Commander will ensure procedures are in place to address the suicide attempt, death, or serious injury of any juvenile held at the Matteson Police Department. The procedures should include the following:

- (a) Immediate request for emergency medical assistance if appropriate
- (b) Immediate notification of the Watch Commander, the Chief of Police, and the Criminal Investigations Division Commander
- (c) Notification of the parent, guardian, or person standing in loco parentis of the juvenile
- (d) Notification of the appropriate prosecutor
- (e) Notification of the Village Attorney
- (f) Notification of the [Medical Examiner/JOP]
- (g) Notification of the juvenile court
- (h) Evidence preservation
- (i) Reporting to the Office of Jail and Detention Standards (20 Ill. Adm. Code 720.130)

313.13 INTERVIEWING OR INTERROGATING

No interview or interrogation of a juvenile should occur unless the juvenile has the apparent capacity to consent, and does consent to an interview or interrogation.

A juvenile under 15 years of age at the time of the commission of any of the offenses listed in 705 ILCS 405/5-170 (e.g., homicide, criminal sexual assault, criminal sexual abuse) must be represented by legal counsel during the entire custodial interrogation of the juvenile.

Oral, written, or sign-language statements of a juvenile under the age of 18 who is subject to custodial interrogation while in custody at a police station or other custodial location are governed by the Investigation and Prosecution Policy (705 ILCS 405/5-401.5).

A juvenile who was under the age of 18 at the time of the commission of the offense should be read the simplified *Miranda* warning and asked the following questions as set forth in 705 ILCS 405/5-401.5 and 725 ILCS 5/103-2.1:

- (a) Do you want to have a lawyer?
- (b) Do you want to talk to me?

313.13.1 INVESTIGATIONS ON SCHOOL PROPERTY

Before detaining and questioning a juvenile student during regular hours on school grounds, an officer should make a reasonable effort to notify and have the juvenile's parent or guardian present during questioning unless the officer reasonably believes that urgent and immediate action is necessary to do any of the following (105 ILCS 5/22-88):

- (a) Prevent bodily harm or injury to a person
- (b) Apprehend an armed or fleeing suspect
- (c) Prevent the destruction of evidence
- (d) Address an emergency or other dangerous situation

The officer should document the time and manner by which the attempted notification or notification of the juvenile's parent or guardian was made.

If the juvenile's parent or guardian is not in attendance during questioning, the officer should have a guidance counselor, nurse, social worker, and/or mental health professional of the school present. If practicable, an officer trained or certified in juvenile investigations should be present or conduct the questioning of the juvenile (105 ILCS 5/22-88).

313.14 RESTRICTION ON FINGERPRINTING AND PHOTOGRAPHING

Juveniles over the age of 10 will be fingerprinted and photographed on all offenses that would be a felony if committed by an adult and serious traffic-related offenses as described in 20 ILCS 2630/5. Fingerprints and photographs may be obtained from juveniles for all other offenses (705 ILCS 405/1-7(B)).

Fingerprints, photographs, and other required information of juveniles will be transmitted to the Department of State Police as described in 705 ILCS 405/1-7(B) and 20 ILCS 2630/5.

Policy Manual

Temporary Custody of Juveniles

No student booking station shall be established or maintained on the grounds of any school (105 ILCS 5/10–20.64; 105 ILCS 5/34–18.57).

313.15 RELIGIOUS ACCOMMODATION

Juveniles have the right to the same religious accommodation as adults in temporary custody (see the Temporary Custody of Adults Policy).

313.16 TRAINING

[Department/Office] members should be trained on and familiar with this policy and any supplemental procedures.

Adult Abuse

314.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the investigation and reporting of suspected abuse of certain adults who may be more vulnerable than others. This policy also addresses mandatory notification for Matteson Police Department members as required by law.

314.1.1 DEFINITIONS

Definitions related to this policy include:

Adult abuse - Any offense or attempted offense involving violence or neglect of an adult victim when committed by a person responsible for the adult's care, or any other act that would mandate reporting or notification to a social service agency.

314.2 POLICY

The Matteson Police Department will investigate all reported incidents of alleged adult abuse and ensure proper reporting and notification as required by law.

314.3 MANDATORY NOTIFICATION

- (a) Members of the Matteson Police Department shall notify the Illinois Department on Aging or other designated social services agency within 24 hours when there is reason to believe that an eligible adult who is unable to seek assistance for themselves because of a disability or other condition or impairment has, within the previous 12 months, been subjected to abuse, neglect, or financial exploitation (320 ILCS 20/4).
- (b) Members of the Matteson Police Department shall notify the Illinois Department on Aging or other designated social services agency when there is reason to believe that an eligible adult has died as the result of suspected abuse or neglect (320 ILCS 20/4).
- (c) For purpose of this notification, an eligible adult means either:
 - 1. An adult 18 through 59 years old whose disability impairs their ability to seek or to obtain protection from abuse, neglect, or exploitation.
 - 2. A person 60 years of age or older who resides in a domestic living situation.
- (d) Incidents of alleged abuse shall continue to be reported pursuant to the Illinois Domestic Violence Act (320 ILCS 20/4).
- (e) The Matteson Police Department shall also notify the Illinois Department on Aging whenever it determines a death of an eligible adult was caused by abuse or neglect by a caregiver (320 ILCS 20/3).

314.4 QUALIFIED INVESTIGATORS

Qualified investigators should be available to investigate cases of adult abuse. These investigators should:

- (a) Conduct interviews in appropriate interview facilities.
- (b) Be familiar with forensic interview techniques specific to adult abuse investigations.

Matteson Police Department

Policy Manual

Policy Manual

Adult Abuse

- (c) Present all cases of alleged adult abuse to the prosecutor for review.
- (d) Coordinate with other enforcement agencies, social service agencies and facility administrators as needed.
- (e) Provide referrals to therapy services, victim advocates, guardians and support for the victim and family as appropriate.
- (f) Participate in or coordinate with multidisciplinary investigative teams as applicable (320 ILCS 20/3).

314.5 INVESTIGATIONS AND REPORTING

All reported or suspected cases of adult abuse require investigation and a report, even if the allegations appear unfounded or unsubstantiated.

Investigations and reports related to suspected cases of adult abuse should address, as applicable:

- (a) The overall basis for the contact. This should be done by the investigating officer in all circumstances where a suspected adult abuse victim is contacted.
- (b) Any relevant statements the victim may have made and to whom he/she made the statements.
- (c) If a person is taken into protective custody, the reasons, the name and title of the person making the decision, and why other alternatives were not appropriate.
- (d) Documentation of any visible injuries or any injuries identified by the victim. This should include photographs of such injuries, if practicable.
- (e) Whether the victim was transported for medical treatment or a medical examination.
- (f) Whether the victim identified a household member as the alleged perpetrator, and a list of the names of any other potential victims or witnesses who may reside in the residence.
- (g) Identification of any prior related reports or allegations of abuse, including other jurisdictions, as reasonably known.
- (h) Previous addresses of the victim and suspect.
- (i) Other potential witnesses who have not yet been interviewed, such as relatives or others close to the victim's environment.
- (j) Whether a protective order petition should be filed on behalf of the victim when there is a reasonable belief that the victim is incapable of filing a petition for him/herself (750 ILCS 60/201). Any unexplained death of an adult who was in the care of a guardian or caretaker should be considered as potential adult abuse and investigated similarly.

Any unexplained death of an adult who was in the care of a guardian or caretaker should be considered as potential adult abuse and investigated similarly.

Matteson Police Department

Policy Manual

Policy Manual

Adult Abuse

314.6 PROTECTIVE CUSTODY

Before taking an adult abuse victim into protective custody when facts indicate the adult may not be able to care for him/herself, the officer should make reasonable attempts to contact the Illinois Department on Aging or other designated social services agency. Generally, removal of an adult abuse victim from his/her family, guardian or other responsible adult should be left to the welfare authorities when they are present or have become involved in an investigation.

Generally, members of this department should remove an adult abuse victim from his/her family or guardian without a court order only when no other effective alternative is reasonably available and immediate action reasonably appears necessary to protect the victim. Prior to taking an adult abuse victim into protective custody, the officer should take reasonable steps to deliver the adult to another qualified legal guardian, unless it reasonably appears that the release would endanger the victim or result in abduction. If this is not a reasonable option, the officer shall ensure that the adult is delivered to the Illinois Department on Aging or other designated social services agency.

Whenever practicable, the officer should inform a supervisor of the circumstances prior to taking an adult abuse victim into protective custody. If prior notification is not practicable, officers should contact a supervisor promptly after taking the adult into protective custody.

When adult abuse victims are under state control, have a state-appointed guardian or there are other legal holdings for guardianship, it may be necessary or reasonable to seek a court order on behalf of the adult victim to either remove the adult from a dangerous environment (protective custody) or restrain a person from contact with the adult.

314.7 INTERVIEWS

314.7.1 PRELIMINARY INTERVIEWS

Absent extenuating circumstances or impracticality, officers should audio record the preliminary interview with a suspected adult abuse victim. Officers should avoid multiple interviews with the victim and should attempt to gather only the information necessary to begin an investigation. When practicable, investigating officers should defer interviews until a person who is specially trained in such interviews is available.

314.7.2 DETAINING VICTIMS FOR INTERVIEWS

An officer should not detain an adult involuntarily who is suspected of being a victim of abuse solely for the purpose of an interview or physical exam without his/her consent or the consent of a guardian unless one of the following applies:

- (a) Exigent circumstances exist, such as:
 - 1. A reasonable belief that medical issues of the adult need to be addressed immediately.
 - 2. A reasonable belief that the adult is or will be in danger of harm if the interview or physical exam is not immediately completed.

Matteson Police Department

Policy Manual

Policy Manual

Adult Abuse

3. The alleged offender is a family member or guardian and there is reason to believe the adult may be in continued danger.
- (b) A court order or warrant has been issued.

314.8 MEDICAL EXAMINATIONS

When an adult abuse investigation requires a medical examination, the investigating officer should obtain consent for such examination from the victim, guardian, agency or entity having legal custody of the adult. The officer should also arrange for the adult's transportation to the appropriate medical facility.

In cases where the alleged offender is a family member, guardian, agency or entity having legal custody and is refusing to give consent for the medical examination, officers should notify a supervisor before proceeding. If exigent circumstances do not exist or if state law does not provide for officers to take the adult for a medical examination, the supervisor should consider other government agencies or services that may obtain a court order for such an examination.

314.9 DRUG-ENDANGERED VICTIMS

A coordinated response by law enforcement and social services agencies is appropriate to meet the immediate and longer-term medical and safety needs of an adult abuse victim who has been exposed to the manufacturing, trafficking or use of narcotics.

314.9.1 SUPERVISOR RESPONSIBILITIES

The Criminal Investigations Division supervisor should:

- (a) Work with professionals from the appropriate agencies, including Illinois Department on Aging or other social services agency designated to investigate adult abuse, other law enforcement agencies, medical service providers and local prosecutors to develop community specific procedures for responding to situations where there are adult abuse victims endangered by exposure to methamphetamine labs or the manufacture and trafficking of other drugs.
- (b) Activate any available interagency response when an officer notifies the Criminal Investigations Division supervisor that he/she has responded to a drug lab or other narcotics crime scene where an adult abuse victim is present or where evidence indicates that an adult abuse victim lives there.
- (c) Develop a report format or checklist for use when officers respond to drug labs or other narcotics crime scenes. The checklist will help officers document the environmental, medical, social and other conditions that may affect the adult.

314.9.2 OFFICER RESPONSIBILITIES

Officers responding to a drug lab or other narcotics crime scene where an adult abuse victim is present or where there is evidence that an adult abuse victim lives there should:

Matteson Police Department

Policy Manual

Policy Manual

Adult Abuse

- (a) Document the environmental, medical, social and other conditions of the adult, using photography as appropriate and the checklist or form developed for this purpose.
- (b) Notify the Criminal Investigations Division supervisor so an interagency response can begin.

Discriminatory Harassment

315.1 PURPOSE AND SCOPE

The purpose of this policy is to prevent department members from being subjected to discriminatory harassment, including sexual harassment and retaliation. Nothing in this policy is intended to create a legal or employment right or duty that is not created by law.

315.2 POLICY

The Matteson Police Department is an equal opportunity employer and is committed to creating and maintaining a work environment that is free of all forms of discriminatory harassment, including sexual harassment and retaliation. The Department will not tolerate discrimination against a member in hiring, promotion, discharge, compensation, fringe benefits, and other privileges of employment. The Department will take preventive and corrective action to address any behavior that violates this policy or the rights it is designed to protect.

The nondiscrimination policies of the Department may be more comprehensive than state or federal law. Conduct that violates this policy may not violate state or federal law but still could subject a member to discipline.

315.3 DEFINITIONS

Definitions related to this policy include:

315.3.1 DISCRIMINATION

The Department prohibits all forms of discrimination, including any employment-related action by a member that adversely affects an applicant or member and is based on actual or perceived race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, age, disability, pregnancy, genetic information, veteran status, marital status, and any other classification or status protected by law (775 ILCS 5/1-103; 775 ILCS 5/2-102; 820 ILCS 180/30).

Discriminatory harassment, including sexual harassment, is verbal or physical conduct that demeans or shows hostility or aversion toward an individual based upon that individual's protected class. It has the effect of interfering with an individual's work performance or creating a hostile or abusive work environment.

Conduct that may, under certain circumstances, constitute discriminatory harassment can include making derogatory comments; making crude and offensive statements or remarks; making slurs or off-color jokes; stereotyping; engaging in threatening acts; making indecent gestures, pictures, cartoons, posters, or material; making inappropriate physical contact; or using written material or department equipment and/or systems to transmit or receive offensive material, statements, or pictures. Such conduct is contrary to department policy and to a work environment that is free of discrimination.

315.3.2 RETALIATION

Retaliation is treating a person differently or engaging in acts of reprisal or intimidation against the person because the person has engaged in protected activity, filed a charge of discrimination, participated in an investigation, or opposed a discriminatory practice. Retaliation will not be tolerated (820 ILCS 180/20; 820 ILCS 180/30).

315.3.3 SEXUAL HARASSMENT

The Department prohibits all forms of discrimination and discriminatory harassment, including sexual harassment (775 ILCS 5/2–102). It is unlawful to harass an applicant or a member because of that person's sex.

Sexual harassment includes but is not limited to unwelcome sexual advances, requests for sexual favors, or other verbal, visual, or physical conduct of a sexual nature when:

- (a) Submission to such conduct is made either explicitly or implicitly as a term or condition of employment, position, or compensation.
- (b) Submission to, or rejection of, such conduct is used as the basis for any employment decisions affecting the member.
- (c) Such conduct has the purpose or effect of substantially interfering with a member's work performance or creating an intimidating, hostile, or offensive work environment.

315.3.4 ADDITIONAL CONSIDERATIONS

Discrimination and discriminatory harassment do not include actions that are in accordance with established rules, principles, or standards, including:

- (a) Acts or omission of acts based solely upon bona fide occupational qualifications under the Equal Employment Opportunity Commission and Illinois Department of Human Rights guidelines.
- (b) Bona fide requests or demands by a supervisor that the member improve the member's work quality or output, that the member report to the job site on time, that the member comply with Village or departmental rules or regulations, or any other appropriate work-related communication between supervisor and member.

315.3.5 HARASSMENT

Harassment is any unwelcome conduct based on a classification or status protected by law that has the purpose or effect of substantially interfering with an individual's work performance or creating an intimidating, hostile, or offensive working environment, either within or outside of the physical area the individual is assigned to work (775 ILCS 5/2-101).

Harassment, including sexual harassment, against non-employees in the workplace or while on-duty (including contractors and consultants conducting business with the Department) is prohibited (775 ILCS 5/2-102).

315.4 RESPONSIBILITIES

This policy applies to all department members, who shall follow the intent of these guidelines in a manner that reflects department policy, professional standards, and the best interest of the Department and its mission.

Members are encouraged to promptly report any discriminatory, retaliatory, or harassing conduct or known violations of this policy to a supervisor. Any member who is not comfortable with reporting violations of this policy to the member's immediate supervisor may bypass the chain of command and make the report to a higher-ranking supervisor or manager. Complaints may also be filed with the Chief of Police, the Director of Human Services, or the Village Administrator.

Any member who believes, in good faith, that the member has been discriminated against, harassed, or subjected to retaliation, or who has observed harassment, discrimination, or retaliation, is encouraged to promptly report such conduct in accordance with the procedures set forth in this policy.

Supervisors and managers receiving information regarding alleged violations of this policy shall determine if there is any basis for the allegation and shall proceed with a resolution as stated below.

315.4.1 SUPERVISOR RESPONSIBILITIES

The responsibilities of supervisors and managers shall include but are not limited to:

- (a) Continually monitoring the work environment and striving to ensure that it is free from all types of unlawful discrimination, including harassment or retaliation.
- (b) Taking prompt, appropriate action within their work units to avoid and minimize the incidence of any form of discrimination, harassment, or retaliation.
- (c) Ensuring that their subordinates understand their responsibilities under this policy.

- (e) Making a timely determination regarding the substance of any allegation based upon all available facts.
- (f) Notifying the Chief of Police or the Director of Human Services in writing of the circumstances surrounding any reported allegations or observed acts of discrimination, harassment, or retaliation no later than the next business day.

315.4.2 SUPERVISOR'S ROLE

Supervisors and managers shall be aware of the following:

- (a) Behavior of supervisors and managers should represent the values of the Department and professional standards.
- (b) False or mistaken accusations of discrimination, harassment, or retaliation can have negative effects on the careers of innocent members.

Policy Manual

Policy Manual

Discriminatory Harassment

Nothing in this section shall be construed to prevent supervisors or managers from discharging supervisory or management responsibilities, such as determining duty assignments, evaluating or counseling members, or issuing discipline in a manner that is consistent with established procedures.

315.4.3 QUESTIONS OR CLARIFICATION

Members with questions regarding what constitutes discrimination, sexual harassment, or retaliation are encouraged to contact a supervisor, a manager, the Chief of Police, the Director of Human Services, or the Village Administrator for further information, direction, or clarification.

315.5 INVESTIGATION OF COMPLAINTS

Various methods of resolution exist. During the pendency of any such investigation, the supervisor of the involved member should take prompt and reasonable steps to mitigate or eliminate any continuing abusive or hostile work environment. It is the policy of the Department that all complaints of discrimination, retaliation, or harassment shall be fully documented, and promptly and thoroughly investigated.

315.5.1 SUPERVISOR RESOLUTION

Members who believe they are experiencing discrimination, harassment, or retaliation should be encouraged to inform the individual that the behavior is unwelcome, offensive, unprofessional, or inappropriate. However, if the member feels uncomfortable or threatened or has difficulty expressing the member's concern, or if this does not resolve the concern, assistance should be sought from a supervisor or manager who is a rank higher than the alleged transgressor.

315.5.2 FORMAL INVESTIGATION

If the complaint cannot be satisfactorily resolved through the supervisory resolution process, a formal investigation will be conducted.

The person assigned to investigate the complaint will have full authority to investigate all aspects of the complaint. Investigative authority includes access to records and the cooperation of any members involved. No influence will be used to suppress any complaint and no member will be subject to retaliation or reprisal for filing a complaint, encouraging others to file a complaint, or for offering testimony or evidence in any investigation.

Formal investigation of the complaint will be confidential to the extent possible and will include but is not limited to details of the specific incident, frequency and dates of occurrences, and names of any witnesses. Witnesses will be advised regarding the prohibition against retaliation, and that a disciplinary process, up to and including termination, may result if retaliation occurs.

Members who believe they have been discriminated against, harassed, or retaliated against because of their protected status are encouraged to follow the chain of command but may also file a complaint directly with the Chief of Police, the Director of Human Services, or the Village Administrator.

315.5.3 ALTERNATIVE COMPLAINT PROCESS

No provision of this policy shall be construed to prevent any member from seeking legal redress outside the Department. Members who believe that they have been harassed, discriminated against, or retaliated against are entitled to bring complaints of employment discrimination to federal, state, and/or local agencies responsible for investigating such allegations. Specific time limitations apply to the filing of such charges. Members are advised that proceeding with complaints under the provisions of this policy does not in any way affect those filing requirements.

315.6 DOCUMENTATION OF COMPLAINTS

All complaints or allegations shall be thoroughly documented on the appropriate forms and in a manner designated by the Chief of Police. The outcome of all reports shall be:

- (a) Approved by the Chief of Police, the Village Administrator, or the Director of Human Services, depending on the ranks of the involved parties.
- (b) Maintained in accordance with the established records retention schedule.

315.6.1 NOTIFICATION OF DISPOSITION

The complainant and/or victim will be notified in writing of the disposition of the investigation and the action taken to remedy or address the circumstances giving rise to the complaint.

315.7 TRAINING

All new members shall be provided with a copy of this policy as part of their orientation. The policy shall be reviewed with each new member. The member shall certify by signing the prescribed form that the member has been advised of this policy, is aware of and understands its contents, and agrees to abide by its provisions during the member's term with the Matteson Police Department.

All members shall receive annual training on the requirements of this policy and shall certify by signing the prescribed form that they have reviewed the policy, understand its contents, and agree that they will continue to abide by its provisions.

315.7.1 NOTICE

A notice of member rights under the Illinois Human Rights Act summarizing the requirements of the Act and information pertaining to the filing of a charge, including the right to be free from unlawful discrimination and the right to certain reasonable accommodations, shall be posted in a conspicuous location at the Matteson Police Department or in an employee handbook (775 ILCS 5/2-102(K)(1)).

315.7.2 STATE-REQUIRED TRAINING

All members should also participate annually in harassment and discrimination prevention training (5 ILCS 430/5-10.5).

The Training Sergeant should develop a training program that meets the requirements for harassment and discrimination training in 5 ILCS 430/5-10.5 and that includes sexual harassment prevention training consistent with the model sexual harassment prevention program created by the Illinois Department of Human Rights (775 ILCS 5/2-109).

Child Abuse

316.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the investigation of suspected child abuse. This policy also addresses when Matteson Police Department members are required to notify the Illinois Department of Children and Family Services (DCFS) of suspected child abuse.

316.1.1 DEFINITIONS

Definitions related to this policy include:

Child - Unless otherwise specified by a cited statute, a child is any person under the age of 18 years.

Child abuse - Any offense or attempted offense involving violence or neglect with a child victim when committed by a person responsible for the child's care or any other act that would mandate notification to a social service agency (325 ILCS 5/3).

316.2 POLICY

The Matteson Police Department will investigate all reported incidents of alleged criminal child abuse and ensure DCFS is notified as required by law.

316.3 MANDATORY NOTIFICATION

Members of the Matteson Police Department shall notify DCFS when they have reasonable cause to believe a child known to them in their official capacity was abused by a parent, immediate family member, any person responsible for the child's welfare, any individual residing in the same home as the child or a paramour of the child's parent. Members must also report any case of a neglected child (325 ILCS 5/4; 325 ILCS 5/3).

For purposes of notification, abuse includes physical injuries, risk of physical injuries, sex offenses, torture, excessive corporal punishment, female genital mutilation, etc. Neglect includes failure to provide necessary nourishment or medical care or blatant disregard of parent or caretaker responsibilities. Full definitions of abuse and neglect are provided in 325 ILCS 5/3.

316.3.1 NOTIFICATION PROCEDURE

Notification should occur as follows (325 ILCS 5/7):

- (a) All notifications of suspected child abuse or neglect shall be made immediately, either to DCFS on the statewide, toll-free telephone number, in person or by telephone through the nearest DCFS office (325 ILCS 5/7.6; 89 Ill. Adm. Code 300.30).
- (b) Notification, when possible, shall include:
 - 1. The name and address of the child and his/her parents or other persons having custody.
 - 2. The child's age, the nature of the child's condition, including any evidence of previous injuries or disabilities.

Matteson Police Department

Policy Manual

Policy Manual

Child Abuse

3. Any other information that the person filing the report believes might be helpful in establishing the cause of abuse or neglect and the identity of the person believed to have caused such abuse or neglect.
- (c) A member who suspects that a child has died as a result of child abuse or neglect shall also immediately report his/her suspicion to the appropriate Medical Examiner (325 ILCS 5/4.1).

316.4 QUALIFIED INVESTIGATORS

Qualified investigators should be available for child abuse investigations. These investigators should:

- (a) Conduct interviews in child appropriate interview facilities.
- (b) Be familiar with forensic interview techniques specific to child abuse investigations.
- (c) Present all cases of alleged child abuse to the prosecutor for review.
- (d) Coordinate with other enforcement agencies, social service agencies and school administrators as needed.
- (e) Provide referrals to therapy services, victim advocates, guardians and support for the child and family as appropriate.
- (f) Participate in or coordinate with multidisciplinary investigative teams as applicable.

316.5 INVESTIGATIONS AND REPORTING

In all reported or suspected cases of child abuse, a report will be written. Officers shall write a report even if the allegations appear unfounded or unsubstantiated.

Investigations and reports related to suspected cases of child abuse should address, as applicable:

- (a) The overall basis for the contact. This should be done by the investigating officer in all circumstances where a suspected child abuse victim was contacted.
- (b) The exigent circumstances that existed if officers interviewed the child victim without the presence of a parent or guardian.
- (c) Any relevant statements the child may have made and to whom he/she made the statements.
- (d) If a child was taken into protective custody, the reasons, the name and title of the person making the decision, and why other alternatives were not appropriate.
- (e) Documentation of any visible injuries or any injuries identified by the child. This should include photographs of such injuries, if practicable.
- (f) Whether the child victim was transported for medical treatment or a medical examination.

Matteson Police Department

Policy Manual

Policy Manual

Child Abuse

- (g) Whether the victim identified a household member as the alleged perpetrator, and a list of the names of any other children who may reside in the residence.
- (h) Identification of any prior related reports or allegations of child abuse, including other jurisdictions, as reasonably known.
- (i) Previous addresses of the victim and suspect.
- (j) Other potential witnesses who have not yet been interviewed, such as relatives or others close to the victim's environment.
- (k) Other investigative steps taken in compliance with any applicable county Child Advocacy Advisory Board protocol the Matteson Police Department follows (55 ILCS 80/3).

All cases of the unexplained death of a child should be investigated as thoroughly as if it had been a case of suspected child abuse (e.g., a sudden or unexplained death of an infant).

316.6 PROTECTIVE CUSTODY

Before taking any child into protective custody, the officer should make reasonable attempts to contact DCFS. Generally, removal of a child from his/her family, guardian or other responsible adult should be left to the child welfare authorities when they are present or have become involved in an investigation.

Generally, members of this department should remove a child from his/her parent or guardian without a court order only when no other effective alternative is reasonably available and immediate action reasonably appears necessary to protect the child. Prior to taking a child into protective custody, the officer should take reasonable steps to deliver the child to another qualified parent or legal guardian, unless it reasonably appears that the release would endanger the child or result in abduction. If this is not a reasonable option, the officer shall ensure that the child is delivered to DCFS.

Whenever practicable, the officer should inform a supervisor of the circumstances prior to taking a child into protective custody. If prior notification is not practicable, officers should contact a supervisor promptly after taking a child into protective custody.

Children may only be removed from a parent or guardian in the following situations (325 ILCS 5/5):

- (a) A court has ordered the removal of the child.
- (b) A court has not ordered the removal of the child but there is reason to believe the child cannot be cared for at home or in the custody of the person responsible for the child's welfare without endangering the child's health or safety, and there is no time to apply for a court order for temporary custody of the child.

316.6.1 PROCEDURE

A department member taking a child into temporary protective custody shall immediately (325 ILCS 5/5):

- (a) Make every reasonable effort to notify the person responsible for the child's welfare.

Matteson Police Department

Policy Manual

Policy Manual

Child Abuse

- (b) Notify DCFS.

See the Abandoned Newborn Infant Protection Policy for guidance regarding the Abandoned Newborn Infant Protection Act (325 ILCS 2/10 et seq.).

316.7 INTERVIEWS

316.7.1 PRELIMINARY INTERVIEWS

Absent extenuating circumstances or impracticality, officers should record the preliminary interview with suspected child abuse victims. Officers should avoid multiple interviews with a child victim and should attempt to gather only the information necessary to begin an investigation. Investigating officers should defer interviews until a person who is specially trained in such interviews is available. Generally, child victims should not be interviewed in the home or location where the alleged abuse occurred.

316.7.2 DETAINING SUSPECTED CHILD ABUSE VICTIMS FOR AN INTERVIEW

An officer should not detain a child involuntarily who is suspected of being a victim of child abuse solely for the purpose of an interview or physical exam without the consent of a parent or guardian unless one of the following applies:

- (a) Exigent circumstances exist, such as:
 - 1. A reasonable belief that medical issues of the child need to be addressed immediately.
 - 2. A reasonable belief that the child is or will be in danger of harm if the interview or physical exam is not immediately completed.
 - 3. The alleged offender is the custodial parent or guardian and there is reason to believe the child may be in continued danger.
- (b) A court order or warrant has been issued.

316.8 MEDICAL EXAMINATIONS

If the child has been the victim of abuse that requires a medical examination, the investigating officer should obtain consent for such examination from the appropriate parent, guardian or agency having legal custody of the child. The officer should also arrange for the child's transportation to the appropriate medical facility.

In cases where the alleged offender is the custodial parent or guardian and is refusing consent for the medical examination, officers should notify a supervisor before proceeding. If exigent circumstances do not exist or if state law does not provide for officers to take the child for a medical examination, the notified supervisor should consider obtaining a court order for such an examination.

316.9 DRUG-ENDANGERED CHILDREN

A coordinated response by law enforcement and social services agencies is appropriate to meet the immediate and longer-term medical and safety needs of children exposed to the manufacturing, trafficking or use of narcotics.

316.9.1 SUPERVISOR RESPONSIBILITIES

The Criminal Investigations Division Supervisor should:

- (a) Work with professionals from the appropriate agencies, including DCFS, other law enforcement agencies, medical service providers and local prosecutors to develop community specific procedures for responding to situations where there are children endangered by exposure to methamphetamine labs or the manufacture and trafficking of other drugs.
- (b) Activate any available interagency response when an officer notifies the Criminal Investigations Division Supervisor that the officer has responded to a drug lab or other narcotics crime scene where a child is present or where evidence indicates that a child lives there.
- (c) Develop a report format or checklist for use when officers respond to drug labs or other narcotics crime scenes. The checklist will help officers document the environmental, medical, social and other conditions that may affect the child.

316.9.2 OFFICER RESPONSIBILITIES

Officers responding to a drug lab or other narcotics crime scene where a child is present or where there is evidence that a child lives should:

- (a) Document the environmental, medical, social and other conditions of the child using photography as appropriate and the checklist or form developed for this purpose.
- (b) Notify the Criminal Investigations Division Supervisor so an interagency response can begin.

316.10 STATE MANDATES AND OTHER RELEVANT LAWS

Illinois requires or permits the following:

316.10.2 CHILD ADVOCACY ADVISORY BOARD PROTOCOL

This department has adopted the Illinois Child Advocacy Advisory Board's protocol governing the investigation of child maltreatment including sexual abuse, physical abuse, exploitation and neglect of a child.

All investigations and interviews conducted by this department shall comply with this protocol, with the procedures to be used in investigating and prosecuting cases arising from alleged child maltreatment and in coordinating treatment referrals for the child and his/her family (55 ILCS 80/3).

Policy Manual

Child Abuse

316.10.3 ACKNOWLEDGEMENT OF REPORTING RESPONSIBILITY

The Administration supervisor shall ensure that members of this department who are directly involved in the enforcement of the law sign statements acknowledging that they are mandated to notify DCFS of suspected child abuse and neglect. The statement shall be on a form prescribed by DCFS. It shall be signed before beginning employment and shall be retained by this agency as a permanent part of the personnel record (325 ILCS 5/4).

316.10.4 ASSISTANCE TO CHILD PROTECTIVE SERVICES INVESTIGATORS

Upon receiving a request for assistance from a child protective services investigator involving an investigation of a high-risk report of child abuse or neglect officers should determine the reason for the request. If the protective services investigator reasonably believes that the person being investigated has a potential for violence, officers should accompany him/her. However, if resources are limited or unavailable, officers should notify the Watch Commander to arrange for the assistance to occur at a mutually agreeable time (325 ILCS 5/7.2).

316.10.5 SEXUAL ABUSE INVOLVING SCHOOL PERSONNEL

In all reported incidents of sexual abuse of a child involving school personnel, including vendors or volunteers, the Criminal Investigations Division supervisor or authorized designee shall notify the relevant school when the investigation has been suspended or completed, as well as the outcome of the investigation (105 ILCS 5/22-85).

- (d) Availability of specialized forensic medical exams.
- (e) Cultural competence (including interpretive services) related to child abuse investigations.
- (f) Availability of victim advocate or guardian ad litem support.

316.11.1 TRAINING RECORDS

In addition to providing copies of completed mandated reporter training records to the Training Sergeant as required in the Personnel Records Policy, members should maintain records of their completed training and forward copies to their licensing or certification board (325 ILCS 5/4).

317.2 POLICY

The Matteson Police Department does not consider any report of a missing person to be routine and assumes that the missing person is in need of immediate assistance until an investigation reveals otherwise. The Matteson Police Department gives missing person cases priority over property-related cases and does not require a specific amount of time to have passed before beginning a missing person investigation.

317.3 REQUIRED FORMS AND DNA COLLECTION KITS

The Criminal Investigations Division supervisor shall ensure the following forms and kits are developed and available:

- (a) Officer(s) will be promptly assigned to contact the victim, witness, or reporting party to investigate the matter further as circumstances may dictate.

If the legality of an order is in doubt, the affected member shall ask the issuing supervisor to clarify the order or shall confer with a higher authority in the chain-of-command. The responsibility for refusal to obey rests with the member, who shall subsequently be required to justify the refusal.

Unless it would jeopardize the safety of any individual, members who are presented with a lawful order that is in conflict with a previous lawful order, department policy, or other directive shall respectfully inform the issuing supervisor of the conflict. The issuing supervisor is responsible for either resolving the conflict or clarifying that the lawful order is intended to countermand the previous lawful order or directive, in which case the member is obliged to comply. Members who are compelled to follow a conflicting lawful order after having given the issuing supervisor the opportunity to correct the conflict, will not be held accountable for disobedience of the lawful order or directive that was initially issued.

This includes records of all keystrokes or Web-browsing history made at any department computer or over any department network. Matteson Police Department

Policy Manual

Policy Manual

Information Technology Use

The Department shall not request, require, or coerce a member to provide a username, password, or other related account information, or require or coerce a member to invite other members to join a group affiliated with any personal account of the member or to join a member's list of contacts in order to gain access to the member's account or profile on a personal online account (820 ILCS 55/10).

Access to technology resources provided by, or through, the Department shall be strictly limited to department-related activities. Data stored on, or available through, department computer systems shall only be accessed by authorized members who are engaged in an active investigation or assisting in an active investigation, or who otherwise have a legitimate law enforcement or department-related purpose to access such data. 324.1 PURPOSE AND SCOPE

This policy provides guidelines for media releases and media access to scenes of disasters, criminal investigations, emergencies and other law enforcement activities.

324.2 RESPONSIBILITIES

The ultimate authority and responsibility for the release of information to the media shall remain with the Chief of Police, however, in situations not warranting immediate notice to the Chief of Police and in situations where the Chief of Police has given prior approval, Division Commanders, Watch Commanders and designated Public Information Officer(s) may prepare and release information to the media in accordance with this policy and the applicable law.

324.2.1 MEDIA REQUEST

Any media request for information or access to a law enforcement situation shall be referred to the designated department media representative, or if unavailable, to the first available supervisor. Prior to releasing any information to the media, employees shall consider the following:

- (a) At no time shall any employee of this department make any comment or release any official information to the media without prior approval from a supervisor or the designated department media representative.

Media Relations

2. Whenever the presence of media or other aircraft poses a threat to public or officer safety or significantly hampers incident operations, the field supervisor should consider requesting a Temporary Flight Restriction (TFR). All requests for TFR should be routed through the Watch Commander. All comments to the media shall be coordinated through a supervisor or the Public Information Officer.

To protect the safety and rights of officers and other persons, advance information about planned actions by law enforcement personnel, such as movement of persons in custody or the execution of an arrest or search warrant, should not be disclosed to the news media, nor should media representatives be invited to be present at such actions except with the prior approval of the Chief of Police.

Any exceptions to the above should only be considered for the furtherance of legitimate law enforcement purposes. Prior to approving any exception the Chief of Police will consider, at minimum, whether the release of information or presence of the media would unreasonably endanger any individual, prejudice the rights of any person or is otherwise prohibited by law.

324.4 SCOPE OF INFORMATION SUBJECT TO RELEASE

The Department will maintain a daily information log of significant law enforcement activities that shall be made available, upon request, to media representatives through the Watch Commander. This log will generally contain the following information:

Any member who fails to comply with the terms of any properly served subpoena or court-ordered appearance may be subject to discipline. This includes properly served orders to appear that were issued by a state administrative agency.

325.5 STANDBY

To facilitate standby agreements, members are required to provide and maintain current information on their addresses and contact telephone numbers with the Department.

If a member on standby changes his/her location during the day, the member shall notify the designated department member of how he/she can be reached. Members are required to remain on standby until released by the court or the party that issued the subpoena.

325.6 COURTROOM PROTOCOL

When appearing in court, members shall:

- (a) Be punctual and prepared to proceed immediately with the case for which they are scheduled to appear.
- (b) Dress in the department uniform or approved business attire.
- (c) Observe all rules of the court in which they are appearing and remain alert to changes in the assigned courtroom where their matter is to be heard.

325.6.1 TESTIMONY

325.7 OVERTIME APPEARANCES

When a member appears in court on his/her off-duty time, he/she will be compensated in accordance with any current collective bargaining agreement.

Outside Agency Assistance

326.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance to members when requesting or responding to a request for mutual aid or when assisting another law enforcement agency.

326.2 POLICY

It is the policy of the Matteson Police Department to promptly respond to requests for assistance by other law enforcement agencies, subject to available resources and consistent with the applicable laws and policies of this department.

326.3 ASSISTING OUTSIDE AGENCIES

Generally, requests for any type of assistance from another agency should be routed to the Watch Commander's office for approval. In some instances, a memorandum of understanding or other established protocol may exist that eliminates the need for approval of individual requests.

When another law enforcement agency requests assistance from this department, the Watch Commander may authorize, if available, an appropriate number of personnel to assist. Members are reminded that their actions when rendering assistance must conform with applicable laws and be consistent with the policies of this department.

Officers may respond to a request for emergency assistance, however, they shall notify a supervisor of their activity as soon as practicable.

Arrestees may be temporarily detained by this department until arrangements for transportation are made by the outside agency. Only in exceptional circumstances, and subject to supervisor approval, will this department provide transportation of arrestees to other facilities on behalf of another agency.

When transportation assistance is rendered, a report shall be prepared and submitted by the handling member unless otherwise directed by a supervisor.

326.3.1 INITIATED ACTIVITY

Any on-duty officer who engages in law enforcement activities of any type that are not part of a mutual aid request, and take place outside the jurisdiction of the Matteson Police Department, shall notify his/her supervisor or the Watch Commander and the Dispatch Center as soon as practicable. This requirement does not apply to special enforcement details or multi-agency units that regularly work in multiple jurisdictions.

326.4 REQUESTING OUTSIDE ASSISTANCE

If assistance is needed from another agency, the member requesting assistance should, if practicable, first obtain approval from a supervisor. The handling member or supervisor should direct assisting personnel to where they are needed and to whom they should report when they arrive.

Matteson Police Department

Policy Manual

Policy Manual

Outside Agency Assistance

The requesting member should arrange for appropriate radio communication capabilities, if necessary and available, so that communication can be coordinated between assisting personnel.

326.5 REPORTING REQUIREMENTS

Incidents of outside assistance or law enforcement activities shall be documented in a general case report at the discretion of the member's immediate supervisor.

326.6 MANDATORY SHARING

Equipment and supplies purchased with federal funds or grants that require such equipment and supplies be shared with other agencies should be documented and updated as necessary by the Administration Division Commander or the authorized designee.

The documentation should include:

- (a) The conditions relative to sharing.
- (b) The training requirements for:
 - (a) The use of the supplies and equipment.
 - (b) The members trained in the use of the supplies and equipment.
- (c) Any other requirements for use of the equipment and supplies.

Copies of the documentation should be provided to the Watch Commander to ensure use of the equipment and supplies is in compliance with the applicable sharing agreements.

The Training Sergeant should maintain documentation that the appropriate members have received the required training.

Registered Offender Information

327.1 PURPOSE AND SCOPE

This policy establishes guidelines by which the Matteson Police Department will address issues associated with registered offenders residing in the jurisdiction and how the Department will disseminate information and respond to public inquiries for information about registered offenders.

327.2 POLICY

It is the policy of the Matteson Police Department to identify and monitor registered offenders living within this jurisdiction and to take reasonable steps to address the risks those persons may pose.

327.3 REGISTRATION

The Criminal Investigations Division Supervisor shall establish a process to reasonably accommodate registration of certain offenders. The process should rebut any allegation on the part of the offender that the registration process was too confusing, burdensome, or difficult for compliance. If it is reasonable to do so, an investigator assigned to related investigations should conduct the registration in order to best evaluate any threat the person may pose to the community. Employees assigned to register offenders should receive appropriate training regarding the registration process.

Upon conclusion of the registration process, the investigator shall ensure that the registration information is provided to the Illinois State Police (ISP) and to the Illinois Attorney General (730 ILCS 150/3(a-10); 730 ILCS 150/8; 730 ILCS 154/45).

The refusal of a registrant to provide any of the required information or complete the process should initiate a criminal investigation for failure to register.

327.4 CONTENTS OF REGISTRATION

The Criminal Investigations Division Supervisor shall assign a detective to reasonably accommodate registration. The assigned detective will (730 ILCS 150/3; 730 ILCS 150/8; 730 ILCS 154/45):

- (a) Obtain proof of identity and residency.
- (b) Conduct a criminal history check.
- (c) Utilize the appropriate ISP Offender Registration Form to process registration and obtain the offender's signature on the completed form.
- (d) Photograph and fingerprint the individual.
- (e) Provide the offender with a registration receipt.
- (f) Enter registration information into Law Enforcement Agencies Database System (LEADS).

Matteson Police Department

Registered Offender Information

327.5 MONITORING OF REGISTERED OFFENDERS

The Criminal Investigations Division Supervisor should establish a system to periodically, and at least once annually, verify that a registrant remains in compliance with his/her registration requirements after the initial registration. This verification should include:

- (a) Efforts to confirm residence using an unobtrusive method, such as an Internet search or drive-by of the declared residence.
- (b) Review of information on the ISP website.
- (c) Contact with a registrant's parole or probation officer.

Any discrepancies should be reported to the assigned Criminal Investigations Division detective.

The Criminal Investigations Division Supervisor should also establish a procedure to routinely disseminate information regarding registered offenders to Matteson Police Department personnel, including timely updates regarding new or relocated registrants.

327.6 DISSEMINATION OF OFFENDER INFORMATION

Employees will not unilaterally make a public notification advising the community of a particular registrant's presence in the community. Employees who identify a significant risk, or other public safety issue associated with a registrant, should promptly advise their supervisor. The supervisor should evaluate the request and forward the information to the Chief of Police if warranted. A determination will be made by the Chief of Police, with the assistance of legal counsel as necessary, whether such a public alert should be made.

Members of the public requesting information on registrants should be directed to the [Illinois Sex Offender Information website](#).

Requests for records regarding local registered offender information shall be released in accordance with applicable state law and in compliance with a Freedom of Information Act request (730 ILCS 152/120; 730 ILCS 154/95).

327.6.1 RELEASE NOTIFICATIONS

Registrant information that is released should include notification that:

- (a) The offender registry includes only those persons who have been required by law to register and who are in compliance with the offender registration laws.
- (b) The information is provided as a public service and may not be current or accurate.
- (c) Persons should not rely solely on the offender registry as a safeguard against offenses in their communities.
- (d) The crime for which a person is convicted may not accurately reflect the level of risk.
- (e) Anyone who uses information contained in the registry to harass registrants or commit any crime may be subject to criminal prosecution.

327.6.2 MANDATORY OFFENDER INFORMATION DISSEMINATION

Information on registered offenders shall be posted at department headquarters (730 ILCS 152/120; 730 ILCS 154/95) and must be made available for public inspection to any person, no later than 72 hours or three business days from the date of a request (730 ILCS 152/120; 730 ILCS 154/95).

Upon registration of a juvenile sex offender who is also enrolled in school, the department shall provide a copy of the sex offender registration form only to the principal or chief administrative officer of the school and any counselor designated by the chief administrative officer (730 ILCS 152/121).

327.6.3 OFFENDER INFORMATION AVAILABLE VIA THE INTERNET

Information that may be posted on the department's website regarding registered offenders includes (730 ILCS 152/120; 730 ILCS 154/95):

Major Incident Notification

328.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance to members of this department in determining when, how, and to whom notification of major incidents should be made.

328.2 POLICY

The Matteson Police Department recognizes that certain incidents should be brought to the attention of supervisors or other specified personnel of this department to facilitate the coordination of activities and ensure that inquiries from the media and the public may be properly addressed.

328.3 MINIMUM CRITERIA FOR NOTIFICATION

Most situations where the media show a strong interest are also of interest to the Chief of Police and the affected Division Commander. The following list of incident types is provided as a guide for notification and is not intended to be all-inclusive:

- Homicides
- Incidents involving armed violence
- Traffic accidents with fatalities
- Officer-involved shooting - on or off duty (see the Officer-Involved Shootings and Deaths Policy for special notifications)
- Significant injury or death to employee - on or off duty
- Death of a prominent Matteson official
- Arrest of Department employee or prominent Matteson official
- Aircraft crash with major damage and/or injury or death
- In-custody deaths

328.4 WATCH COMMANDER RESPONSIBILITY

The Watch Commander is responsible for making the appropriate notifications. The Watch Commander shall obtain as much information on the incident as possible before notification. The Watch Commander shall attempt to make the notifications as soon as practical. Notification should be made by first calling the work cell phone number, then the personal number followed by the home phone number of whom is being notified. Attempts to notify will be made until the watch commander receives a response from the intended recipient. Notification will be made utilizing the proper chain-of-command.

328.4.1 STAFF NOTIFICATION

In the event an incident occurs as described in the Minimum Criteria for Notification section of this policy, the **Deputy Chief** shall be notified along with the affected Division Commander and

Matteson Police Department

Policy Manual

the Detective Commander if that division is affected. It shall be the Deputy Chief's responsibility to notify the Chief of Police.

328.4.2 DETECTIVE NOTIFICATION

If it is believed that the incident requires a detective respond to an incident while on duty, the watch commander shall make a request from the Detective Commander to provide a response, or if unavailable, the senior detective on duty. The request shall only be made after the watch commander obtains as much information on the incident as possible. The on-call detective will be notified if no detectives are on duty. The Detective Commander or detective being notified will listen to all of the information provided regarding the incident and determine if a response is needed by a detective or provide advice on the proper course of action.

328.4.3 PUBLIC INFORMATION OFFICER (PIO)

The Public Information Officer shall be notified by the Chief of Police after members of staff have been notified that it appears the media may have a significant interest in the incident.

Death Investigation

329.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for situations where officers initially respond to and investigate the circumstances of a deceased person.

Some causes of death may not be readily apparent and some cases differ substantially from what they appear to be initially. The thoroughness of death investigations and use of appropriate resources and evidence gathering techniques is critical.

329.2 INVESTIGATION CONSIDERATIONS

Emergency medical services shall be called in all suspected death cases unless death is obvious (e.g., decapitated, decomposed).

A supervisor shall be notified as soon as possible to assist and provide appropriate personnel and resources. The on-scene supervisor should determine whether follow-up investigation is required and notify the Criminal Investigations Division Commander as necessary. The Watch Commander will make notification to command staff in accordance with the Major Incident Notification Policy.

Only officers who have successfully completed the Illinois Law Enforcement Training and Standards Board (ILETSB) program in death and homicide investigations or who have been granted a waiver by the board shall be assigned as lead investigators on any death or homicide investigation (50 ILCS 705/10.11).

329.2.1 [MEDICALEXAMINER/JOP] REQUEST

Officers are not authorized to pronounce death unless they are also [MedicalExaminer/JOP]s, Deputy [MedicalExaminer/JOP]s, or appointed [MedicalExaminer/JOP] investigators. The [MedicalExaminer/JOP] shall be called in all sudden or unexpected deaths or deaths due to other than natural causes. State law requires that the [MedicalExaminer/JOP] be notified in any of the following cases (55 ILCS 5/3-3013):

- (a) A sudden or violent death, whether apparently suicidal, homicidal, or accidental.
- (b) A death due to a sex crime.
- (c) A death where the circumstances are suspicious, obscure, mysterious, or otherwise unexplained or where, in the written opinion of the attending physician, the cause of death is not determined.
- (d) A death where addiction to alcohol or to any drug may have been a contributory cause.
- (e) A death where the decedent was not attended by a licensed physician.

The body shall not be disturbed or moved from the position or place of death without permission of the [MedicalExaminer/JOP].

329.2.2 SEARCHING DEAD BODIES

Matteson Police Department

Policy Manual

Policy Manual

Death Investigation

- (a) The [MedicalExaminer/JOP], their assistant, and authorized investigators are generally the only persons permitted to move, handle, or search a dead body.
- (b) An officer may make a reasonable search of an individual who it is reasonable to believe is dead, or near death, for the purpose of identification or for information identifying the individual as an anatomical donor, with the permission of the [MedicalExaminer/JOP] (55 ILCS 5/3-3019). If a donor document is located, the [MedicalExaminer/JOP] or their assistant shall be promptly notified.
- (c) The [MedicalExaminer/JOP], with the permission of the [Department/Office], may take property, objects, or articles found on the deceased or in the immediate vicinity of the deceased that may be necessary for conducting an investigation to determine the identity of the deceased or the cause or manner of death.
- (d) Should exigent circumstances indicate to an officer that any other search of a known dead body is warranted prior to the arrival of the [MedicalExaminer/JOP] or their assistant, the investigating officer should first obtain verbal consent from the [MedicalExaminer/JOP] or their assistant when practicable (55 ILCS 5/3-3019).
- (e) Whenever reasonably possible, a witness, preferably a relative to the deceased or a member of the household, should be requested to remain nearby the scene and available to the officer pending the arrival of the [MedicalExaminer/JOP] or their assistant. The name and address of this person shall be included in the narrative of the death report.
- (f) Whenever personal effects are removed from the body of the deceased by the [MedicalExaminer/JOP] or their assistant, a receipt shall be obtained. This receipt shall be attached to the death report.

329.2.3 SUSPECTED HOMICIDE

If the initially assigned officer suspects that the death involves a homicide or other suspicious circumstances, the officer shall take steps to protect the scene. The Criminal Investigations Division shall be notified to determine the possible need for an investigator to respond to the scene.

If the on-scene supervisor, through consultation with the Watch Commander or Criminal Investigations Division supervisor, is unable to determine the manner of death, the investigation shall proceed as though it is a homicide.

The investigator assigned to investigate a homicide or death that occurred under suspicious circumstances may, with the approval of their supervisor, request the [MedicalExaminer/JOP] to conduct physical examinations and tests, and to provide a report.

329.2.4 REPORTING

All incidents involving a death shall be documented on the appropriate form.

329.2.5 EMPLOYMENT-RELATED DEATHS OR INJURIES

Any member of this [department/office] who responds to and determines that a death, serious illness, or serious injury has occurred as a result of an accident at or in connection with the victim's

Matteson Police Department

Policy Manual

employment should ensure that the regional Occupational Safety and Health Administration (OSHA) office is notified of all pertinent information.

329.3 SPECIMEN SUBMISSION

As soon as possible, but no later than 30 days after receipt of any blood, buccal, or tissue specimen from the [MedicalExaminer/JOP], the Criminal Investigations Division Commander shall ensure the specimen and department case number is submitted to an approved National DNA Index System (NDIS) participating laboratory within this state for analysis and categorizing into genetic marker groupings and that the results are submitted to the Illinois State Police (55 ILCS 5/3-3013).

329.4 UNUSED MEDICATIONS

If an officer collects any unused prescription medication at the scene of a death investigation, the officer shall (210 ILCS 150/18(g)):

- (a) Document the number or amount of medication to be disposed of.
- (b) If the medication is collected as evidence, photograph the unused medication and its container or packaging, if available, and include the photograph and documentation with the report.

329.5 POLICY

It is the policy of the Matteson Police Department to respond, document, and investigate incidents where a person is deceased. Investigations involving the death of a person, including those from natural causes, accidents, workplace incidents, suicide, and homicide, shall be initiated, conducted, and properly documented.

329.6 UNIDENTIFIED DEAD BODY

If the identity of a dead body cannot be established, the handling officer will request from the [MedicalExaminer/JOP] a unique identifying number for the body. The number shall be included in any report.

The assigned officer, as necessary, shall create an unidentified person record in the National Missing and Unidentified Persons System as required by law (50 ILCS 722/20).

The assigned officer, as necessary, shall contact the Illinois State Police (ISP), request the creation of a National Crime Information Center (NCIC) Unidentified Person record, and provide ISP with all initial and updated information needed for that record as required by law. The assigned officer will obtain the NCIC number from ISP and maintain it in the case file (50 ILCS 722/20).

329.7 DEATH NOTIFICATION

When reasonably practicable, and if not handled by the [MedicalExaminer/JOP]'s Office, notification to the next-of-kin of the deceased person shall be made, in person, by the officer assigned to the incident. If the next-of-kin lives in another jurisdiction, a law enforcement official from that jurisdiction shall be requested to make the personal notification.

If a deceased person has been identified as a missing person, this [department/office] shall attempt to locate family members and inform them of the death and location of the deceased missing

person's remains. All efforts to locate and notify family members shall be recorded in appropriate reports.

Identity Theft

330.1 PURPOSE AND SCOPE

Identity theft is a growing trend that frequently involves related crimes in multiple jurisdictions. This policy is intended to provide guidelines for the reporting and investigation of such crimes.

330.2 REPORTING

- (a) In an effort to maintain uniformity in reporting, officers presented with the crime of identity theft shall initiate a report for victims residing within the jurisdiction of this department (720 ILCS 5/16-35). For incidents of identity theft occurring outside this jurisdiction, officers should observe the following:
 - 1. The officer shall take a courtesy report to be forwarded to the agency or agencies having jurisdiction over the alleged incident(s).
 - (a) If an officer completes a courtesy report for a resident, the officer shall explain to the resident that the investigation must be completed by the agency having jurisdiction over the incident.
- (b) Officers should include all known incidents of fraudulent activity (e.g., credit card number applied for in victim's name when the victim has never made such an application).
- (c) Officers should also cross-reference all known reports made by the victim (e.g., U.S. Secret Service, credit reporting bureaus, and U.S. Postal Service with all known report numbers).
- (d) For incidents occurring within the Village of Matteson, the initial reporting officer will attempt to gather as much information about the purported incident in an effort to follow-up with the investigation (e.g. collection of supporting documents, obtain surveillance footage and/or still photo images, etc.).
- (e) Following supervisory review and departmental processing, the initial report should be forwarded to other involved agencies as circumstances dictate.
- (f) Reports of identity theft will not be taken over the phone.
 - 1. Victims shall be referred to the agency having jurisdiction over their residence to complete a report of identity theft and ask them to provide the completed report to the Matteson Police Department for review and possible follow-up investigation.

330.3 VICTIM ASSISTANCE

- (a) Officers should provide all victims of identity theft with the Attorney General's Identity Theft Resource Guide.
- (b) In a case where another person has been arrested, cited, or charged in the victim's name, where a criminal complaint was filed against a perpetrator in the victim's name, or where the victim's name has been mistakenly associated with a criminal conviction, the reporting officer should inform the victim of identity theft of his/her right to obtain an expedited judicial determination of factual innocence (720 ILCS 5/16-35(b)).

Limited English Proficiency Services

331.1 PURPOSE AND SCOPE

This policy provides guidance to members when communicating with individuals with limited English proficiency (LEP) (42 USC § 2000d).

331.1.1 DEFINITIONS

Definitions related to this policy include:

Authorized interpreter - A person who has been screened and authorized by the Department to act as an interpreter and/or translator for others.

Interpret or interpretation - The act of listening to a communication in one language (source language) and orally converting it to another language (target language), while retaining the same meaning.

Limited English proficient (LEP) - Any individual whose primary language is not English and who has a limited ability to read, write, speak or understand English. These individuals may be competent in certain types of communication (e.g., speaking or understanding) but still be LEP for other purposes (e.g., reading or writing). Similarly, LEP designations are context-specific; an individual may possess sufficient English language skills to function in one setting but these skills may be insufficient in other situations.

Qualified bilingual member - A member of the Matteson Police Department, designated by the Department, who has the ability to communicate fluently, directly and accurately in both English and another language. Bilingual members may be fluent enough to communicate in a non-English language but may not be sufficiently fluent to interpret or translate from one language into another.

Translate or translation - The replacement of written text from one language (source language) into an equivalent written text (target language).

331.2 POLICY

It is the policy of the Matteson Police Department to reasonably ensure that LEP individuals have meaningful access to law enforcement services, programs and activities, while not imposing undue burdens on its members.

The Department will not discriminate against or deny any individual access to services, rights or programs based upon national origin or any other protected interest or right.

331.3 LEP COORDINATOR

The Chief of Police shall delegate certain responsibilities to an LEP Coordinator. The LEP Coordinator shall be appointed by, and directly responsible to, the Patrol Division Commander or the authorized designee.

The responsibilities of the LEP Coordinator include, but are not limited to:

Matteson Police Department

Policy Manual

Policy Manual

Limited English Proficiency Services

- (a) Coordinating and implementing all aspects of the Matteson Police Department's LEP services to LEP individuals.
- (b) Developing procedures that will enable members to access LEP services, including telephonic interpreters, and ensuring the procedures are available to all members.
- (c) Ensuring that a list of all qualified bilingual members and authorized interpreters is maintained and available to each Watch Commander and Dispatch Supervisor. The list should include information regarding the following:
 - 1. Languages spoken
 - 2. Contact information
 - 3. Availability
- (d) Ensuring signage stating that interpreters are available free of charge to LEP individuals is posted in appropriate areas and in the most commonly spoken languages.
- (e) Reviewing existing and newly developed documents to determine which are vital documents and should be translated, and into which languages the documents should be translated.
- (f) Annually assessing demographic data and other resources, including contracted language services utilization data and community-based organizations, to determine if there are additional documents or languages that are appropriate for translation.
- (g) Identifying standards and assessments to be used by the Department to qualify individuals as qualified bilingual members or authorized interpreters.
- (h) Periodically reviewing efforts of the Department in providing meaningful access to LEP individuals, and, as appropriate, developing reports, new procedures or recommending modifications to this policy.
- (i) Receiving and responding to complaints regarding department LEP services.
- (j) Ensuring appropriate processes are in place to provide for the prompt and equitable resolution of complaints and inquiries regarding discrimination in access to department services, programs and activities.

331.4 FOUR-FACTOR ANALYSIS

Since there are many different languages that members could encounter, the Department will utilize the four-factor analysis outlined in the U.S. Department of Justice (DOJ) Guidance to Federal Financial Assistance Recipients, available at the DOJ website, to determine which measures will provide meaningful access to its services and programs. It is recognized that law enforcement contacts and circumstances will vary considerably. This analysis, therefore, must remain flexible and will require an ongoing balance of four factors, which are:

- (a) The number or proportion of LEP individuals eligible to be served or likely to be encountered by department members, or who may benefit from programs or services within the jurisdiction of the Department or a particular geographic area.

Matteson Police Department

Policy Manual

Policy Manual

Limited English Proficiency Services

- (b) The frequency with which LEP individuals are likely to come in contact with department members, programs or services.
- (c) The nature and importance of the contact, program, information or service provided.
- (d) The cost of providing LEP assistance and the resources available.

331.5 TYPES OF LEP ASSISTANCE AVAILABLE

Matteson Police Department members should never refuse service to an LEP individual who is requesting assistance, nor should they require an LEP individual to furnish an interpreter as a condition for receiving assistance. The Department will make every reasonable effort to provide meaningful and timely assistance to LEP individuals through a variety of services.

The Department will utilize all reasonably available tools, such as language identification cards, when attempting to determine an LEP individual's primary language.

LEP individuals may choose to accept department-provided LEP services at no cost or they may choose to provide their own.

Department-provided LEP services may include, but are not limited to, the assistance methods described in this policy.

331.6 WRITTEN FORMS AND GUIDELINES

Vital documents or those that are frequently used should be translated into languages most likely to be encountered. The LEP Coordinator will arrange to make these translated documents available to members and other appropriate individuals, as necessary.

331.7 AUDIO RECORDINGS

The Department may develop audio recordings of important or frequently requested information in a language most likely to be understood by those LEP individuals who are representative of the community being served.

331.8 QUALIFIED BILINGUAL MEMBERS

Bilingual members may be qualified to provide LEP services when they have demonstrated through established department procedures a sufficient level of skill and competence to fluently communicate in both English and a non-English language. Members utilized for LEP services must demonstrate knowledge of the functions of an interpreter/translator and the ethical issues involved when acting as a language conduit. Additionally, bilingual members must be able to communicate technical and law enforcement terminology, and be sufficiently proficient in the non-English language to perform complicated tasks, such as conducting interrogations, taking statements, collecting evidence or conveying rights or responsibilities.

When a qualified bilingual member from this department is not available, personnel from other Village departments, who have been identified by the Department as having the requisite skills and competence, may be requested.

Matteson Police Department

Policy Manual

Policy Manual

Limited English Proficiency Services

331.9 AUTHORIZED INTERPRETERS

Any person designated by the Department to act as an authorized interpreter and/or translator must have demonstrated competence in both English and the involved non-English language, must have an understanding of the functions of an interpreter that allows for correct and effective translation, and should not be a person with an interest in the department case or investigation involving the LEP individual. A person providing interpretation or translation services may be required to establish the accuracy and trustworthiness of the interpretation or translation in a court proceeding.

Authorized interpreters must pass a screening process established by the LEP Coordinator which demonstrates that their skills and abilities include:

- (a) The competence and ability to communicate information accurately in both English and in the target language.
- (b) Knowledge, in both languages, of any specialized terms or concepts peculiar to this department and of any particularized vocabulary or phraseology used by the LEP individual.
- (c) The ability to understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.
- (d) Knowledge of the ethical issues involved when acting as a language conduit.

331.9.1 SOURCES OF AUTHORIZED INTERPRETERS

The Department may contract with authorized interpreters who are available over the telephone. Members may use these services with the approval of a supervisor and in compliance with established procedures.

Other sources may include:

- Qualified bilingual members of this department or personnel from other Village departments.
- Individuals employed exclusively to perform interpretation services.
- Contracted in-person interpreters, such as state or federal court interpreters, among others.
- Interpreters from other agencies who have been qualified as interpreters by this department, and with whom the Department has a resource-sharing or other arrangement that they will interpret according to department guidelines.

331.9.2 COMMUNITY VOLUNTEERS AND OTHER SOURCES OF LANGUAGE ASSISTANCE

Language assistance may be available from community volunteers who have demonstrated competence in either monolingual (direct) communication and/or in interpretation or translation (as noted in above), and have been approved by the Department to communicate with LEP individuals.

Matteson Police Department

Policy Manual

Policy Manual

Limited English Proficiency Services

Where qualified bilingual members or other authorized interpreters are unavailable to assist, approved community volunteers who have demonstrated competence may be called upon when appropriate. However, department members must carefully consider the nature of the contact and the relationship between the LEP individual and the volunteer to ensure that the volunteer can provide neutral and unbiased assistance.

While family or friends of an LEP individual may offer to assist with communication or interpretation, members should carefully consider the circumstances before relying on such individuals. For example, children should not be relied upon except in exigent or very informal and non-confrontational situations.

331.10 CONTACT AND REPORTING

While all law enforcement contacts, services and individual rights are important, this department will utilize the four-factor analysis to prioritize service to LEP individuals so that such services may be targeted where they are most needed, according to the nature and importance of the particular law enforcement activity involved.

Whenever any member of this department is required to complete a report or other documentation and interpretation services are provided to any involved LEP individual, such services should be noted in the related report. Members should document the type of interpretation services utilized and whether the individual elected to use services provided by the Department or some other identified source.

331.11 RECEIVING AND RESPONDING TO REQUESTS FOR ASSISTANCE

The Matteson Police Department will take reasonable steps and will work with the Department of Human Resources to develop in-house language capacity by hiring or appointing qualified members proficient in languages representative of the community being served.

331.11.1 EMERGENCY CALLS TO 9-1-1

Department members will make every reasonable effort to promptly accommodate LEP individuals utilizing 9-1-1 lines. When a 9-1-1 call-taker receives a call and determines that the caller is an LEP individual, the call-taker shall quickly determine whether sufficient information can be obtained to initiate an appropriate emergency response. If language assistance is still needed, the language is known and a qualified bilingual member is available in the Dispatch Center, the call shall immediately be handled by the qualified bilingual member.

If a qualified bilingual member is not available or the call-taker is unable to identify the caller's language, the call-taker will contact the contracted telephone interpretation service and establish a three-way call between the call-taker, the LEP individual and the interpreter.

Dispatchers will make every reasonable effort to dispatch a qualified bilingual member to the assignment, if available and appropriate.

Matteson Police Department

Policy Manual

Limited English Proficiency Services

While 9-1-1 calls shall receive top priority, reasonable efforts should also be made to accommodate LEP individuals seeking routine access to services and information by utilizing the resources listed in this policy.

331.12 FIELD ENFORCEMENT

Field enforcement will generally include such contacts as traffic stops, pedestrian stops, serving warrants and restraining orders, crowd/traffic control and other routine field contacts that may involve LEP individuals. The scope and nature of these activities and contacts will inevitably vary. Members and/or supervisors must assess each situation to determine the need and availability of language assistance to all involved LEP individuals and utilize the methods outlined in this policy to provide such assistance.

Although not every situation can be addressed in this policy, it is important that members are able to effectively communicate the reason for a contact, the need for information and the meaning or consequences of any enforcement action. For example, it would be meaningless to request consent to search if the officer is unable to effectively communicate with an LEP individual.

If available, officers should obtain the assistance of a qualified bilingual member or an authorized interpreter before placing an LEP individual under arrest.

331.13 INVESTIGATIVE FIELD INTERVIEWS

In any situation where an interview may reveal information that could be used as the basis for arrest or prosecution of an LEP individual and a qualified bilingual member is unavailable or lacks the skills to directly communicate with the LEP individual, an authorized interpreter should be used. This includes interviews conducted during an investigation with victims, witnesses and suspects. In such situations, audio recordings of the interviews should be made when reasonably possible. Identification and contact information for the interpreter (e.g., name, address) should be documented so that the person can be subpoenaed for trial if necessary.

If an authorized interpreter is needed, officers should consider calling for an authorized interpreter in the following order:

- An authorized department member or allied agency interpreter
- An authorized telephone interpreter
- Any other authorized interpreter

Any *Miranda* warnings shall be provided to suspects in their primary language by an authorized interpreter or, if the suspect is literate, by providing a translated *Miranda* warning card.

The use of an LEP individual's bilingual friends, family members, children, neighbors or bystanders may be used only when a qualified bilingual member or authorized interpreter is unavailable and there is an immediate need to interview an LEP individual.

331.14 CUSTODIAL INTERROGATIONS

Miscommunication during custodial interrogations may have a substantial impact on the evidence presented in a criminal prosecution. Only qualified bilingual members or, if none is available or appropriate, authorized interpreters shall be used during custodial interrogations. *Miranda* warnings shall be provided to suspects in their primary language by the qualified bilingual member or an authorized interpreter.

In order to ensure that translations during custodial interrogations are accurately documented and are admissible as evidence, interrogations should be recorded whenever reasonably possible. See guidance on recording custodial interrogations in the Investigation and Prosecution Policy.

331.15 BOOKINGS

When gathering information during the booking process, members should remain alert to the impediments that language barriers can create. In the interest of the arrestee's health and welfare, the safety and security of the facility, and to protect individual rights, it is important that accurate medical screening and booking information be obtained. Members should seek the assistance of a qualified bilingual member whenever there is concern that accurate information cannot be obtained or that booking instructions may not be properly understood by an LEP individual.

331.16 COMPLAINTS

The Department shall ensure that LEP individuals who wish to file a complaint regarding members of this department are able to do so. The Department may provide an authorized interpreter or translated forms, as appropriate. Complaints will be referred to the LEP Coordinator.

Investigations into such complaints shall be handled in accordance with the Personnel Complaints Policy. Authorized interpreters used for any interview with an LEP individual during an investigation should not be members of this department.

Any notice required to be sent to an LEP individual as a complaining party pursuant to the Personnel Complaints Policy should be translated or otherwise communicated in a language-accessible manner.

331.17 COMMUNITY OUTREACH

Community outreach programs and other such services offered by this department are important to the ultimate success of more traditional law enforcement duties. This department will continue to work with community groups, local businesses and neighborhoods to provide equal access to such programs and services.

331.18 TRAINING

To ensure that all members who may have contact with LEP individuals are properly trained, the Department will provide periodic training on this policy and related procedures, including how to access department-authorized telephonic and in-person interpreters and other available resources.

Matteson Police Department

Policy Manual

Policy Manual

Limited English Proficiency Services

The Training Sergeant shall be responsible for ensuring new members receive LEP training. Those who may have contact with LEP individuals should receive refresher training at least once every two years thereafter. The Training Sergeant shall maintain records of all LEP training provided, and will retain a copy in each member's training file in accordance with established records retention schedules.

331.18.1 TRAINING FOR AUTHORIZED INTERPRETERS

All members on the authorized interpreter list must successfully complete prescribed interpreter training. To complete interpreter training successfully, an interpreter must demonstrate proficiency in and ability to communicate information accurately in both English and in the target language, demonstrate knowledge in both languages of any specialized terms or phraseology, and understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.

Members on the authorized interpreter list must receive refresher training annually or they will be removed from the authorized interpreter list. This annual training should include language skills competency (including specialized terminology) and ethical considerations.

The Training Sergeant shall be responsible for coordinating the annual refresher training and will maintain a record of all training the interpreters have received.

Communications with Persons with Disabilities

332.1 PURPOSE AND SCOPE

This policy provides guidance to members when communicating with individuals with disabilities, including those who are deaf or hard of hearing, have impaired speech or vision, or are blind.

332.1.1 DEFINITIONS

Definitions related to this policy include:

Auxiliary aids - Tools used to communicate with people who have a disability or impairment. They include, but are not limited to, the use of gestures or visual aids to supplement oral communication; a notepad and pen or pencil to exchange written notes; a computer or typewriter; an assistive listening system or device to amplify sound; a teletypewriter (TTY) or videophones (video relay service or VRS); taped text; qualified readers; or a qualified interpreter.

Disability or impairment - A physical or mental impairment that substantially limits a major life activity, including hearing or seeing, regardless of whether the disabled person uses assistive or adaptive devices or auxiliary aids. Individuals who wear ordinary eyeglasses or contact lenses are not considered to have a disability (42 USC § 12102).

Qualified interpreter - A person who is able to interpret effectively, accurately and impartially, both receptively and expressively, using any necessary specialized vocabulary. Qualified interpreters include oral interpreters, transliterators, sign language interpreters and intermediary interpreters. Qualified interpreters shall have a valid Illinois license to practice interpreting for the deaf (225 ILCS 443/15), unless they are exempt under 225 ILCS 443/25.

332.2 POLICY

It is the policy of the Matteson Police Department to reasonably ensure that people with disabilities, including victims, witnesses, suspects and arrestees have equal access to law enforcement services, programs and activities. Members must make efforts to communicate effectively with individuals with disabilities.

The Department will not discriminate against or deny any individual access to services, rights or programs based upon disabilities.

332.3 AMERICANS WITH DISABILITIES (ADA) COORDINATOR

The Chief of Police shall delegate certain responsibilities to an ADA Coordinator (28 CFR 35.107). The ADA Coordinator shall be appointed by, and directly responsible, to the Patrol Division Commander or the authorized designee.

The responsibilities of the ADA Coordinator shall include, but not be limited to:

- (a) Working with the Village ADA coordinator regarding the Matteson Police Department's efforts to ensure equal access to services, programs and activities.
- (b) Developing reports, new procedures, or recommending modifications to this policy.

Matteson Police Department

Policy Manual

Policy Manual

Communications with Persons with Disabilities

- (c) Acting as a liaison with local disability advocacy groups or other disability groups regarding access to department services, programs and activities.
- (d) Ensuring that a list of qualified interpreter services is maintained and available to each Watch Commander and Dispatch Supervisor. The list should include information regarding the following:
 - 1. Contact information
 - 2. Availability
- (e) Developing procedures that will enable members to access auxiliary aids or services, including qualified interpreters, and ensure the procedures are available to all members.
- (f) Ensuring signage is posted in appropriate areas, indicating that auxiliary aids are available free of charge to people with disabilities.
- (g) Ensuring appropriate processes are in place to provide for the prompt and equitable resolution of complaints and inquiries regarding discrimination in access to department services, programs and activities.

332.4 FACTORS TO CONSIDER

Because the nature of any law enforcement contact may vary substantially from one situation to the next, members of this department should consider all information reasonably available to them when determining how to communicate with an individual with a disability. Members should carefully balance all known factors in an effort to reasonably ensure people who are disabled have equal access to services, programs and activities. These factors may include, but are not limited to:

- (a) Members should not always assume that effective communication is being achieved. The fact that an individual appears to be nodding in agreement does not always mean he/she completely understands the message. When there is any doubt, members should ask the individual to communicate back or otherwise demonstrate their understanding.
- (b) The nature of the disability (e.g., deafness or blindness vs. hard of hearing or low vision).
- (c) The nature of the law enforcement contact (e.g., emergency vs. non-emergency, custodial vs. consensual contact).
- (d) The availability of auxiliary aids. The fact that a particular aid is not available does not eliminate the obligation to reasonably ensure access. However, in an emergency, availability may factor into the type of aid used.

332.5 INITIAL AND IMMEDIATE CONSIDERATIONS

Recognizing that various law enforcement encounters may be potentially volatile and/or emotionally charged, members should remain alert to the possibility of communication problems.

Matteson Police Department

Policy Manual

Policy Manual

Communications with Persons with Disabilities

Members should exercise special care in the use of all gestures, and verbal and written communication to minimize initial confusion and misunderstanding when dealing with any individual with known or suspected disabilities.

In a non-emergency situation, when a member knows or suspects an individual requires assistance to effectively communicate, the member shall identify the individual's choice of auxiliary aid or service.

The individual's preferred communication method must be honored unless another effective method of communication exists under the circumstances (28 CFR 35.160).

Factors to consider when determining whether an alternative method is effective include:

- (a) The methods of communication usually used by the individual.
- (b) The nature, length and complexity of the communication involved.
- (c) The context of the communication.

In emergency situations involving an imminent threat to the safety or welfare of any person, members may use whatever auxiliary aids and services that reasonably appear effective under the circumstances. This may include, for example, exchanging written notes or using the services of a person who knows sign language but is not a qualified interpreter, even if the person who is deaf or hard of hearing would prefer a qualified sign language interpreter or another appropriate auxiliary aid or service. Once the emergency has ended, the continued method of communication should be reconsidered. The member should inquire as to the individual's preference and give primary consideration to that preference.

If an individual who is deaf, hard of hearing or has impaired speech must be handcuffed while in the custody of the Matteson Police Department, consideration should be given, safety permitting, to placing the handcuffs in the front of the body to facilitate communication using sign language or writing.

332.6 TYPES OF ASSISTANCE AVAILABLE

Matteson Police Department members shall never refuse to assist an individual with disabilities who is requesting assistance. The Department will not charge anyone to receive auxiliary aids, nor shall they require anyone to furnish their own auxiliary aid or service as a condition for receiving assistance. The Department will make every reasonable effort to provide equal access and timely assistance to individuals who are disabled through a variety of services.

A person who is disabled may choose to accept department-provided auxiliary aids or services or they may choose to provide their own.

Department-provided auxiliary aids or services may include, but are not limited to, the assistance methods described in this policy.

Matteson Police Department

Policy Manual

Policy Manual

Communications with Persons with Disabilities

332.7 AUDIO RECORDINGS AND ENLARGED PRINT

The Department may develop audio recordings to assist people who are blind or have a visual impairment with accessing important information. If such a recording is not available, members may read aloud from the appropriate form, for example a personnel complaint form, or provide forms with enlarged print.

332.8 QUALIFIED INTERPRETERS

A qualified interpreter may be needed in lengthy or complex transactions (e.g., interviewing a victim, witness, suspect or arrestee), if the individual to be interviewed normally relies on sign language or speech reading (lip-reading) to understand what others are saying. The qualified interpreter should not be a person with an interest in the case or the investigation. A person providing interpretation services may be required to establish the accuracy and trustworthiness of the interpretation in a court proceeding.

Qualified interpreters should be:

- (a) Available within a reasonable amount of time but in no event longer than one hour if requested.
- (b) Experienced in providing interpretation services related to law enforcement matters.
- (c) Familiar with the use of VRS and/or video remote interpreting services.
- (d) Certified in either American Sign Language (ASL) or Signed English (SE).
- (e) Able to understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.
- (f) Knowledgeable of the ethical issues involved when providing interpreter services.

Members should use department-approved procedures to request a qualified interpreter at the earliest reasonable opportunity, and generally not more than 15 minutes after a request for an interpreter has been made or it is reasonably apparent that an interpreter is needed. No individual who is disabled shall be required to provide his/her own interpreter (28 CFR 35.160).

332.9 TTY AND RELAY SERVICES

In situations where an individual without a disability would have access to a telephone (e.g., booking or attorney contacts), members must also provide those who are deaf, hard of hearing or have impaired speech the opportunity to place calls using an available TTY (also known as a telecommunications device for deaf people, or TDD). Members shall provide additional time, as needed, for effective communication due to the slower nature of TTY and TDD communications.

The Department will accept all TTY or TDD calls placed by those who are deaf or hard of hearing and received via a telecommunications relay service (28 CFR 35.162).

Note that relay services translate verbatim, so the conversation must be conducted as if speaking directly to the caller.

Matteson Police Department

Policy Manual

Policy Manual

Communications with Persons with Disabilities

332.10 COMMUNITY VOLUNTEERS

Interpreter services may be available from community volunteers who have demonstrated competence in communication services, such as ASL or SE, and have been approved by the Department to provide interpreter services.

Where qualified interpreters are unavailable to assist, approved community volunteers who have demonstrated competence may be called upon when appropriate. However, department members must carefully consider the nature of the contact and the relationship between the individual with the disability and the volunteer to ensure that the volunteer can provide neutral and unbiased assistance.

332.11 FAMILY AND FRIENDS

While family or friends may offer to assist with interpretation, members should carefully consider the circumstances before relying on such individuals. The nature of the contact and relationship between the individual with the disability and the person offering services must be carefully considered (e.g., victim/suspect).

Children shall not be relied upon except in emergency or critical situations when there is no qualified interpreter reasonably available.

Adults may be relied upon when (28 CFR 35.160):

- (a) There is an emergency or critical situation and there is no qualified interpreter reasonably available.
- (b) The person with the disability requests that the adult interpret or facilitate communication and the adult agrees to provide such assistance, and reliance on that adult for such assistance is reasonable under the circumstances.

332.12 REPORTING

Whenever any member of this department is required to complete a report or other documentation, and communication assistance has been provided, such services should be noted in the related report. Members should document the type of communication services utilized and whether the individual elected to use services provided by the Department or some other identified source. If the individual's express preference is not honored, the member must document why another method of communication was used.

All written communications exchanged in a criminal case shall be attached to the report or placed into evidence.

332.13 FIELD ENFORCEMENT

Field enforcement will generally include such contacts as traffic stops, pedestrian stops, serving warrants and restraining orders, crowd/traffic control and other routine field contacts that may involve individuals with disabilities. The scope and nature of these activities and contacts will inevitably vary.

Matteson Police Department

Policy Manual

Policy Manual

Communications with Persons with Disabilities

The Department recognizes that it would be virtually impossible to provide immediate access to complete communication services to every member of this department. Members and/or supervisors must assess each situation and consider the length, complexity and importance of the communication, as well as the individual's preferred method of communication, when determining the type of resources to use and whether a qualified interpreter is needed.

Although not every situation can be addressed in this policy, it is important that members are able to effectively communicate the reason for a contact, the need for information and the meaning or consequences of any enforcement action. For example, it would be meaningless to verbally request consent to search if the officer is unable to effectively communicate with an individual who is deaf or hard of hearing and requires communications assistance.

If available, officers should obtain the assistance of a qualified interpreter before placing an individual with a disability under arrest. Individuals who are arrested and are assisted by service animals should be permitted to make arrangements for the care of such animals prior to transport.

332.13.1 FIELD RESOURCES

Examples of methods that may be sufficient for transactions, such as checking a license or giving directions to a location or for urgent situations such as responding to a violent crime in progress, may, depending on the circumstances, include such simple things as:

- (a) Hand gestures or visual aids with an individual who is deaf, hard of hearing or has impaired speech.
- (b) Exchange of written notes or communications.
- (c) Verbal communication with an individual who can speechread by facing the individual and speaking slowly and clearly.
- (d) Use of computer, word processing, personal communication device or similar device to exchange texts or notes.
- (e) Slowly and clearly speaking or reading simple terms to individuals who have a visual or mental impairment.

Members should be aware that these techniques may not provide effective communication as required by law and this policy depending on the circumstances.

332.14 CUSTODIAL INTERROGATIONS

In an effort to ensure that the rights of individuals who are deaf, hard of hearing or have speech impairment are protected during a custodial interrogation, this department will provide interpreter services before beginning an interrogation, unless exigent circumstances exist or the individual has made a clear indication that he/she understands the process and desires to proceed without an interpreter. The use of a video remote interpreting service should be considered, where appropriate, if a live interpreter is not available. *Miranda* warnings shall be provided to suspects who are deaf or hard of hearing by a qualified interpreter or by providing a written *Miranda* warning card.

Matteson Police Department

Policy Manual

Policy Manual

Communications with Persons with Disabilities

In order to ensure that communications during custodial investigations are accurately documented and are admissible as evidence, interrogations should be recorded whenever reasonably possible. See guidance on recording custodial interrogations in the Investigation and Prosecution Policy.

332.15 ARRESTS AND BOOKINGS

If an individual with speech or hearing disabilities is arrested, the arresting officer shall use department-approved procedures to provide a qualified interpreter at the place of arrest or booking as soon as reasonably practicable, unless the individual indicates that he/she prefers a different auxiliary aid or service or the officer reasonably determines another effective method of communication exists under the circumstances.

When gathering information during the booking process, members should remain alert to the impediments that often exist when communicating with those who are deaf, hard of hearing, who have impaired speech or vision, are blind, or have other disabilities. In the interest of the arrestee's health and welfare, the safety and security of the facility and to protect individual rights, it is important that accurate medical screening and booking information be obtained. If necessary, members should seek the assistance of a qualified interpreter whenever there is concern that accurate information cannot be obtained or that booking instructions may not be properly understood by the individual.

Individuals who require and possess personally owned communication aids (e.g., hearing aids, cochlear processors) should be permitted to retain them while in custody.

332.16 COMPLAINTS

The Department shall ensure that individuals with disabilities who wish to file a complaint regarding members of this department are able to do so. The Department may provide a qualified interpreter or forms in enlarged print, as appropriate. Complaints will be referred to the department ADA Coordinator.

Investigations into such complaints shall be handled in accordance with the Personnel Complaints Policy. Qualified interpreters used during the investigation of a complaint should not be members of this Department.

332.17 COMMUNITY OUTREACH

Community outreach programs and other such services offered by this department are important to the ultimate success of more traditional law enforcement duties. This department will continue to work with community groups, local businesses and neighborhoods to provide equal access to such programs and services.

332.18 TRAINING

To ensure that all members who may have contact with individuals who are disabled are properly trained, the Department will provide periodic training that should include:

- (a) Awareness and understanding of this policy and related procedures, related forms and available resources.

Matteson Police Department

Policy Manual

Policy Manual

Communications with Persons with Disabilities

- (b) Procedures for accessing qualified interpreters and other available resources.
- (c) Working with in-person and telephone interpreters and related equipment.

The Training Sergeant shall be responsible for ensuring new members receive training related to interacting with individuals who have disabilities, including individuals who are deaf, hard of hearing, who have impaired speech or vision, or are blind. Those who may have contact with such individuals should receive refresher training at least once every two years thereafter. The Training Sergeant shall maintain records of all training provided, and will retain a copy in each member's training file in accordance with established records retention schedules.

332.18.1 CALL-TAKER TRAINING

Emergency call-takers shall be trained in the use of TTY equipment protocols for communicating with individuals who are deaf, hard of hearing or who have speech impairments. Such training and information should include:

- (a) The requirements of the ADA and Section 504 of the Rehabilitation Act for telephone emergency service providers.
- (b) ASL syntax and accepted abbreviations.
- (c) Practical instruction on identifying and processing TTY or TDD calls, including the importance of recognizing silent TTY or TDD calls, using proper syntax, abbreviations and protocol when responding to TTY or TDD calls.
- (d) Hands-on experience in TTY and TDD communications, including identification of TTY or TDD tones.

Training should be mandatory for all the Dispatch Center members who may have contact with individuals from the public who are deaf, hard of hearing or have impaired speech. Refresher training should occur every six months.

All applicants shall be required to meet and pass the same pre-employment procedures as department personnel before appointment.

333.4.1 RECRUITMENT

Chaplains should be recruited on a continuous and ongoing basis consistent with department policy on equal opportunity and nondiscriminatory employment. A primary qualification for participation in the application process should be an interest in and an ability to assist the Department in serving the public. Chaplain candidates are encouraged to participate in ride-alongs with department members before and during the selection process.

333.4.2 SELECTION AND APPOINTMENT

Chaplain candidates shall successfully complete the following process prior to appointment as a chaplain:

333.5 IDENTIFICATION AND UNIFORMS

As representatives of the Department, chaplains are responsible for presenting a professional image to the community. Chaplains shall dress appropriately for the conditions and performance of their duties. Uniforms and necessary safety equipment will be provided for each chaplain. Identification symbols worn by chaplains shall be different and distinct from those worn by officers through the inclusion of "Chaplain" on the uniform and not reflect any religious affiliation.

Chaplains will be issued Matteson Police Department identification cards, which must be carried at all times while on-duty. The identification cards will be the standard Matteson Police Department identification cards, with the exception that "Chaplain" will be indicated on the cards. Chaplains shall be required to return any issued uniforms or department property at the termination of service.

Chaplains shall conform to all uniform regulations and appearance standards of this department.

333.6 CHAPLAIN COORDINATOR

The Chief of Police shall delegate certain responsibilities to a chaplain coordinator. The coordinator shall be appointed by and directly responsible to the Administration Division Commander or the authorized designee.

The chaplain coordinator shall serve as the liaison between the chaplains and the Chief of Police. The function of the coordinator is to provide a central coordinating point for effective chaplain management within the Department, and to direct and assist efforts to jointly provide more productive chaplain services. Under the general direction of the Chief of Police or the authorized designee, chaplains shall report to the chaplain coordinator and/or Watch Commander.

The chaplain coordinator may appoint a senior chaplain or other designee to assist in the coordination of chaplains and their activities.

The responsibilities of the coordinator or the authorized designee include, but are not limited to:

- (a) Recruiting, selecting and training qualified chaplains.
- (b) Conducting chaplain meetings.

An evaluation of the overall use of chaplains will be conducted on an annual basis by the coordinator.

333.7 DUTIES AND RESPONSIBILITIES

Chaplains assist the Department, its members and the community, as needed. Assignments of chaplains will usually be to augment the Patrol Division. Chaplains may be assigned to other areas within the Department as needed. Chaplains should be placed only in assignments or programs that are consistent with their knowledge, skills, abilities and the needs of the Department.

All chaplains will be assigned to duties by the chaplain coordinator or the authorized designee.

Chaplains may not proselytize or attempt to recruit members of the Department or the public into a religious affiliation while representing themselves as chaplains with this department. If there is any question as to the receiving person's intent, chaplains should verify that the person is desirous of spiritual counseling or guidance before engaging in such discussion.

Chaplains may not accept gratuities for any service or any subsequent actions or follow-up contacts that were provided while functioning as a chaplain for the Matteson Police Department.

333.7.1 COMPLIANCE

Chaplains are volunteer members of this department, and except as otherwise specified within this policy, are required to comply with the Volunteer Program Policy and other applicable policies.

- (c) At the end of each watch the chaplain will complete a chaplain shift report and submit it to the Chief of Police or the authorized designee.
- (d) Chaplains shall be permitted to ride with officers during any shift and observe Matteson Police Department operations, provided the Watch Commander has been notified and has approved the activity.
- (e) Chaplains shall not be evaluators of members of the Department.
- (f) In responding to incidents, a chaplain shall never function as an officer.

- (i) Each chaplain shall have access to current department member rosters, addresses, telephone numbers, duty assignments and other information that may assist in his/her duties. Such information will be considered confidential and each chaplain will exercise appropriate security measures to prevent distribution of the data.

333.7.3 ASSISTING DEPARTMENT MEMBERS

The responsibilities of a chaplain related to department members include, but are not limited to:

- (a) Assisting in making notification to families of members who have been seriously injured or killed and, after notification, responding to the hospital or home of the member.
- (b) Visiting sick or injured members in the hospital or at home.
- (c) Attending and participating, when requested, in funerals of active or retired members.

- (b) Responding to natural and accidental deaths, suicides and attempted suicides, family disturbances and any other incident that in the judgment of the Watch Commander or supervisor aids in accomplishing the mission of the Department.
- (c) Responding to all major disasters, such as natural disasters, bombings and similar critical incidents.
- (d) Being on-call and, if possible, on-duty during major demonstrations or any public function that requires the presence of a large number of department members.
- (e) Attending department and academy graduations, ceremonies and social events and offering invocations and benedictions, as requested.
- (f) Participating in in-service training classes.
- (g) Willingness to train others to enhance the effectiveness of the Department.

333.7.5 ASSISTING THE COMMUNITY

The duties of a chaplain related to the community include, but are not limited to:

- (a) Fostering familiarity with the role of law enforcement in the community.

- (c) Providing liaison with various civic, business and religious organizations.
- (d) Promptly facilitating requests for representatives or leaders of various denominations.
- (e) Assisting the community in any other function as needed or requested.
- (f) Making referrals in cases where specialized attention is needed or in cases that are beyond the chaplain's ability to assist.

333.7.6 CHAPLAIN MEETINGS

All chaplains are required to attend scheduled meetings. Any absences must be satisfactorily explained to the chaplain coordinator.

333.8 PRIVILEGED COMMUNICATIONS

No person who provides chaplain services to members of the Department may work or volunteer for the Matteson Police Department in any capacity other than that of chaplain.

Department chaplains shall be familiar with state evidentiary laws and rules pertaining to the limits of the clergy-penitent, psychotherapist-patient and other potentially applicable privileges and shall inform members when it appears reasonably likely that the member is discussing matters that are not subject to privileged communications. In such cases, the chaplain should consider referring the member to a non-department counseling resource.

No chaplain shall provide counsel to or receive confidential communications from any Matteson Police Department member concerning an incident personally witnessed by the chaplain or concerning an incident involving the chaplain.

333.9 TRAINING

The Department will establish a minimum number of training hours and standards for department chaplains. The training, as approved by the Training Sergeant, may include:

- Stress management
- Death notifications
- Symptoms of post-traumatic stress
- Burnout for members of law enforcement and chaplains
- Legal liability and confidentiality
- Ethics
- Responding to crisis situations
- The law enforcement family
- Substance abuse
- Suicide

Child and Dependent Adult Safety

334.1 PURPOSE AND SCOPE

This policy provides guidelines to ensure that children and dependent adults are not left without appropriate care in the event their caregiver or guardian is arrested or otherwise prevented from providing care due to actions taken by members of this department.

This policy does not address the actions to be taken during the course of a child abuse or dependent adult investigation. These are covered in the Child Abuse and Adult Abuse policies.

334.2 POLICY

It is the policy of this department to mitigate, to the extent reasonably possible, the stressful experience individuals may have when their parent or caregiver is arrested. The Matteson Police Department will endeavor to create a strong cooperative relationship with local, state and community-based social services to ensure an effective, collaborative response that addresses the needs of those affected, including call-out availability and follow-up responsibilities.

334.3 PROCEDURES DURING AN ARREST

When encountering an arrest or prolonged detention situation, the officers should make reasonable attempts to determine if the arrestee is responsible for children or dependent adults. In some cases this may be obvious, such as when children or dependent adults are present. However, officers should inquire if the arrestee has caregiver responsibilities for any children or dependent adults who are without appropriate supervision. The following steps should be taken:

- (a) Inquire about and confirm the location of any children or dependent adults.
- (b) Look for evidence of children and dependent adults. Officers should be mindful that some arrestees may conceal the fact that they have a dependent for fear the individual may be taken from them.
- (c) Consider inquiring of witnesses, neighbors, friends and relatives of the arrestee as to whether the person is responsible for a child or dependent adult.

The officer shall assist the arrestee in the placement of the children or dependent adult with a relative or other responsible person designated by the arrestee. If the officer has reasonable cause to believe that a child may be a neglected child as defined in the Abused and Neglected Child Reporting Act, he/she shall report it immediately to the Department of Children and Family Services (725 ILCS 5/107-2(2)).

Whenever reasonably possible, officers should take reasonable steps to accomplish the arrest of a parent, guardian or caregiver out of the presence of his/her child or dependent adult. Removing children or dependent adults from the scene in advance of the arrest will generally ensure the best outcome for the individual.

Whenever it is safe to do so, officers should allow the parent or caregiver to assure children or dependent adults that they will be provided care. If this is not safe or if the demeanor of the parent

Matteson Police Department

Policy Manual

Policy Manual

Child and Dependent Adult Safety

or caregiver suggests this conversation would be non-productive, the officer at the scene should explain the reason for the arrest in age-appropriate language and offer reassurance to the child or dependent adult that he/she will receive appropriate care.

334.3.1 AFTER AN ARREST

Whenever an arrest is made, the officer should take all reasonable steps to ensure the safety of the arrestee's disclosed or discovered children or dependent adults.

Officers should allow the arrestee reasonable time to arrange for care of children and dependent adults. Temporary placement with family or friends may be appropriate. However, any decision should give priority to a care solution that is in the best interest of the child or dependent adult. In such cases the following guidelines should be followed:

- (a) Allow the person reasonable time to arrange for the care of children and dependent adults with a responsible party, as appropriate.
 - 1. Officers should consider allowing the person to use his/her cell phone to facilitate arrangements through access to contact phone numbers, and to lessen the likelihood of call screening by the recipients due to calls from unknown sources.
- (b) Unless there is evidence to the contrary (e.g., signs of abuse, drug use, unsafe environment), officers should respect the parent or caregiver's judgment regarding arrangements for care. It is generally best if the child or dependent adult remains with relatives or family friends that he/she knows and trusts because familiarity with surroundings and consideration for comfort, emotional state and safety are important.
 - 1. Except when a court order exists limiting contact, the officer should attempt to locate and place children or dependent adults with the non-arrested parent, guardian or caregiver.
- (c) Provide for the immediate supervision of children or dependent adults until an appropriate caregiver arrives.
- (d) Notify the Illinois Department of Children and Family Services, if appropriate.
- (e) Notify the field supervisor or Watch Commander of the disposition of children or dependent adults.

If children or dependent adults are at school or another known location outside the household at the time of arrest, the arresting officer should attempt to contact the school or other known location and inform the principal or appropriate responsible adult of the caregiver's arrest and of the arrangements being made for the care of the arrestee's dependent. The result of such actions should be documented in the associated report.

334.3.2 DURING THE BOOKING PROCESS

During the booking process the arrestee shall be allowed to make additional telephone calls to relatives or other responsible individuals as is reasonably necessary to arrange for the care of any

Matteson Police Department

Policy Manual

Policy Manual

Child and Dependent Adult Safety

child or dependent adult. These telephone calls should be given as soon as practicable and are in addition to any other telephone calls allowed by law.

If an arrestee is unable to resolve the care of any child or dependent adult through this process, a supervisor should be contacted to determine the appropriate steps to arrange for care. These steps may include additional telephone calls or contacting a local, county or state services agency.

334.3.3 REPORTING

- (a) For all arrests where children are present or living in the household, the reporting employee will document the following information:
 - 1. Name
 - 2. Sex
 - 3. Age
 - 4. Special needs (e.g., medical, mental health)
 - 5. How, where and with whom or which agency the child was placed
 - 6. Identities and contact information for other potential caregivers
 - 7. Notifications made to other adults (e.g., schools, relatives)
- (b) For all arrests where dependent adults are present or living in the household, the reporting employee will document the following information:
 - 1. Name
 - 2. Sex
 - 3. Age
 - 4. Whether he/she reasonably appears able to care for him/herself
 - 5. Disposition or placement information if he/she is unable to care for him/herself

334.3.4 SUPPORT AND COUNSELING REFERRAL

If, in the judgment of the handling officers, the child or dependent adult would benefit from additional assistance, such as counseling services, contact with a victim advocate or a crisis telephone number, the appropriate referral information may be provided.

334.4 DEPENDENT WELFARE SERVICES

Whenever an arrestee is unwilling or incapable of arranging for the appropriate care of any child or dependent adult, the handling officer should contact the appropriate welfare service or other department-approved social service to determine whether protective custody is appropriate.

Only when other reasonable options are exhausted should a child or dependent adult be transported to the police facility, transported in a marked patrol car or taken into formal protective custody.

334.5 TRAINING

The Training Sergeant is responsible to ensure that all personnel of this department who may be involved in arrests affecting children or dependent adults receive approved training on effective safety measures when a parent, guardian or caregiver is arrested.

Service Animals

335.1 PURPOSE AND SCOPE

The purpose of this policy is to provide the guidelines necessary to ensure that the rights of individuals who use service animals to assist with disabilities are protected in accordance with Title II of the Americans with Disabilities Act (ADA).

335.1.1 DEFINITIONS

Definitions related to this policy include:

Service animal - A dog that is trained to do work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual or other mental disability. The work or tasks performed by a service animal must be directly related to the individual's disability (28 CFR 35.104).

Service animal also includes a miniature horse if the horse is trained to do work or perform tasks for people with disabilities, provided the horse is housebroken, the horse is under the handler's control, the facility can accommodate the horse's type, size and weight, and the horse's presence will not compromise legitimate safety requirements necessary for safe operation of the facility (28 CFR 35.136(i); 720 ILCS 5/48-8).

Service animal also includes any animal that is trained in obedience and task skills to meet the needs of a person with a disability or that is trained or being trained as a hearing animal, a guide animal, an assistance animal, a seizure alert animal, a mobility animal, a psychiatric service animal, an autism service animal, or an animal trained for any other physical, mental or intellectual disability (510 ILCS 70/2.01c; 720 ILCS 5/48-8).

335.2 POLICY

It is the policy of the Matteson Police Department to provide services and access to persons with service animals in the same manner as those without service animals. Department members shall protect the rights of persons assisted by service animals in accordance with state and federal law.

335.3 IDENTIFICATION AND USE OF SERVICE ANIMALS

Some service animals may be readily identifiable. However, many do not have a distinctive symbol, harness or collar.

Service animals may be used in a number of ways to provide assistance, including:

- Guiding people who are blind or have low vision.
- Alerting people who are deaf or hard of hearing.
- Retrieving or picking up items, opening doors or flipping switches for people who have limited use of their hands, arms or legs.
- Pulling wheelchairs.
- Providing physical support and assisting with stability and balance.

Matteson Police Department

Policy Manual

Policy Manual

Service Animals

- Doing work or performing tasks for persons with traumatic brain injury, intellectual disabilities or psychiatric disabilities, such as reminding a person with depression to take medication.
- Alerting a person with anxiety to the onset of panic attacks, providing tactile stimulation to calm a person with post-traumatic stress disorder, assisting people with schizophrenia to distinguish between hallucinations and reality, and helping people with traumatic brain injury to locate misplaced items or to follow daily routines.

335.4 MEMBER RESPONSIBILITIES

Service animals that are assisting individuals with disabilities are permitted in all public facilities and areas where the general public is allowed (720 ILCS 5/48-8; 775 ILCS 30/3). Department members are expected to treat individuals with service animals with the same courtesy and respect that the Matteson Police Department affords to all members of the public (28 CFR 35.136).

335.4.1 INQUIRY

If it is apparent or if a member is aware that an animal is a service animal, the individual generally should not be asked any questions as to the status of the animal. If it is unclear whether an animal meets the definition of a service animal, the member should ask the individual only the following questions (28 CFR 35.136(f)):

- Is the animal required because of a disability?
- What task or service has the service animal been trained to perform?

If the individual explains that the animal is required because of a disability and has been trained to work or perform at least one task, the animal meets the definition of a service animal and no further questions as to the animal's status should be asked. The individual should not be questioned about his/her disability nor should the person be asked to provide any license, certification or identification card for the service animal.

335.4.2 CONTACT

Service animals are not pets. Department members should not interfere with the important work performed by a service animal by talking to, petting or otherwise initiating contact with a service animal.

335.4.3 REMOVAL

If a service animal is not housebroken or exhibits vicious behavior, poses a direct threat to the health of others, or unreasonably disrupts or interferes with normal business operations, an officer may direct the handler to remove the animal from the premises. Barking alone is not a threat nor does a direct threat exist if the person takes prompt, effective action to control the service animal (28 CFR 35.136(b)).

Each incident must be considered individually and past incidents alone are not cause for excluding a service animal. Removal of a service animal may not be used as a reason to refuse service to an individual with disabilities. Members of this department are expected to provide all services that are reasonably available to an individual with a disability, with or without a service animal.

Matteson Police Department

Policy Manual

Policy Manual

Service Animals

335.4.4 COMPLAINTS

When handling calls of a complaint regarding a service animal, members of this department should remain neutral and should be prepared to explain the ADA requirements concerning service animals to the concerned parties. Businesses are required to allow service animals to accompany their handlers into the same areas that other customers or members of the public are allowed (28 CFR 36.302).

Absent a violation of law independent of the ADA, officers should take no enforcement action beyond keeping the peace. Individuals who believe they have been discriminated against as a result of a disability should be referred to the Civil Rights Division of the U.S. Department of Justice (DOJ).

Abandoned Newborn Infant Protection

336.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the proper managing of incidents of newborn infant abandonment according to the Abandoned Newborn Infant Protection Act (325 ILCS 2/10).

336.2 ACCEPTANCE

Officers must accept a newborn infant relinquished at the [Department/Office] (325 ILCS 2/20 (c)). The State of Illinois defines a newborn infant as a child who a licensed physician reasonably believes is 30 days old or less at the time the child is initially relinquished (325 ILCS 2/10). Although a person relinquishing a newborn infant retains the right to limited immunity and anonymity, officers should request the person's personal information. Absent any other information, officers should attempt to obtain any known medical information about the newborn infant. Any information obtained should be documented in the report and, if appropriate, transmitted to the hospital or medical facility to which the newborn infant is taken.

If there is no evidence of abuse or neglect of the newborn infant, the relinquishing person has the right to remain anonymous and leave the premises at any time without being pursued or followed. The act of relinquishing a newborn infant does not, in and of itself, constitute a basis for a finding of abuse, neglect, or abandonment. If there is suspected abuse or neglect that is not based solely on the newborn infant's relinquishment, the relinquishing person no longer has the right to remain anonymous (325 ILCS 2/30).

336.3 MEDICAL CONSIDERATIONS

After accepting a relinquished newborn infant, the officer will request paramedics for a medical evaluation and transportation to the nearest hospital (325 ILCS 2/20 (c)). If the infant is not being transported by the paramedics, the officer will see that transportation of the infant to the nearest hospital is accomplished as soon as transportation can be arranged. Newborn infants will not be transported in a [department/office] vehicle equipped with a prisoner screen or in any [department/office] vehicle without the appropriate child safety restraint and/or that does not allow for the proper placement of such child safety restraint.

336.4 NOTICE TO RELINQUISHING PERSON

When accepting a newborn infant, officers will offer the relinquishing person an information packet prepared and maintained by the [Department/Office] for this purpose (325 ILCS 2/35). If possible, the employee will also inform the relinquishing person of the following:

- Acceptance of the information is completely voluntary.
- Registration with the Illinois Adoption Registry and Medical Information Exchange is voluntary.
- They will remain anonymous if they complete a Denial of Information Exchange.
- They have the option to provide medical information only and still remain anonymous.

Matteson Police Department

Policy Manual

Policy Manual

Abandoned Newborn Infant Protection

- By relinquishing the child anonymously, they will have to petition the court of jurisdiction if they desire to prevent the termination of parental rights and regain custody of the child.

336.4.1 SUPERVISOR NOTIFICATION

When accepting a newborn infant, officers will notify their immediate supervisor as soon as practical.

336.4.2 DOCUMENTATION

When accepting a newborn infant, officers will generate a report and document all pertinent information.

336.5 RIGHT OF PERSON OR PARENT TO RETURN

If the relinquishing person or a parent of a relinquished newborn infant returns to reclaim the infant within 30 days after relinquishing the infant at the [Department/Office], an officer must inform that person of the name and location of the hospital where the infant was transported (325 ILCS 2/20 (c)).

336.6 INFORMATION DISCLOSURE

Employees will not publicly disclose any information concerning the relinquishment of a newborn infant and the individuals involved, except as otherwise provided by law (325 ILCS 2/37).

336.7 INVESTIGATIVE RESPONSIBILITIES

Neither a child protective investigation nor a criminal investigation should be initiated solely because a newborn infant is relinquished (325 ILCS 2/25 (c)).

After accepting a newborn infant, or upon being contacted to assist in regards to a newborn infant relinquished elsewhere, the handling employee should take the necessary steps to ensure that the infant is not a missing child.

If there is suspected child abuse or neglect that is not based solely on the newborn infant's relinquishment, as mandated reporters under the Abused and Neglected Child Reporting Act, officers shall report their observations (325 ILCS 2/25(b)). In this instance, officers shall begin their criminal investigation.

336.8 REQUIRED SIGNAGE

The Administration Division Commander will ensure that an appropriate sign is posted in a conspicuous place on the exterior of the police facility informing persons that a newborn infant may be relinquished at the facility. The sign and its placement will comply with the prescribed specifications to ensure statewide uniformity (325 ILCS 2/22).

Volunteer Program

337.1 PURPOSE AND SCOPE

It is the policy of this department to use qualified volunteers for specified tasks and duties in order to create efficiencies for the Department and improve services to the community. Volunteers are intended to supplement and support, rather than supplant, sworn officers and civilian personnel. Volunteers can be an important part of any organization and have proven to be a valuable asset to law enforcement agencies. Volunteers help to increase departmental responsiveness, delivery of services and information input, and provide new program opportunities. In addition, volunteers bring new skills and expertise to the Department and prompt new enthusiasm.

337.1.1 DEFINITION OF VOLUNTEER

An individual who performs a service for the Department without promise, expectation, or receipt of compensation for services rendered. This may include unpaid chaplains, unpaid auxiliary officers, interns, persons providing administrative support, and youth involved in a law enforcement Explorer Post, among others.

337.2 VOLUNTEER MANAGEMENT

337.2.1 VOLUNTEER COORDINATOR

The Volunteer Coordinator shall be appointed by the Administration Division Commander. The function of the Volunteer Coordinator is to provide a central coordinating point for effective volunteer management within the Department, and to direct and assist staff and volunteer efforts to jointly provide more productive services. The Volunteer Coordinator should work with other Department staff on an ongoing basis to assist in the development and implementation of volunteer-staffed positions.

The Volunteer Coordinator, or his/her designee, shall be responsible for the following:

- (a) Recruiting, selecting, and training qualified volunteers for various positions.
- (b) Facilitating the implementation of new volunteer activities and assignments.
- (c) Maintaining records for each volunteer.
- (d) Tracking and evaluating the contribution of volunteers.
- (e) Maintaining the volunteer handbook and outlining expectations, policies, and responsibilities for all volunteers.
- (f) Maintaining a record of volunteer schedules and work hours.
- (g) Completion and dissemination as appropriate of all necessary paperwork and information.
- (h) Planning periodic recognition events.
- (i) Administering discipline when warranted.

Matteson Police Department

Policy Manual

Policy Manual

Volunteer Program

- (j) Maintaining liaison with other volunteer-utilizing programs in the community and assisting in community-wide efforts to recognize and promote volunteering.

337.2.2 RECRUITMENT

Volunteers should be recruited on a continuous and ongoing basis consistent with department policy on equal opportunity nondiscriminatory employment. A primary qualification for participation in the application process should be an interest in, and an ability to, assist the Department in serving the public.

Requests for volunteers should be submitted in writing by interested staff to the Volunteer Coordinator through the requester's immediate supervisor. A complete position description and a requested time frame should be included in the request. All parties should understand that the recruitment of volunteers is enhanced by creative and interesting assignments. The Volunteer Coordinator may withhold assignment of any volunteer until such time as the requesting unit is prepared to make effective use of volunteer resources.

337.2.3 SCREENING

All prospective volunteers should complete the volunteer application form. The Volunteer Coordinator or designee should conduct a face-to-face interview with an applicant under consideration.

A documented background investigation shall be completed on each volunteer applicant and shall include, but not necessarily be limited to, the following:

- (a) Traffic and criminal background check. Fingerprints shall be obtained from all applicants and processed through the Illinois Law Enforcement Agencies Data System (LEADS).
- (b) Employment
- (c) References

A polygraph exam may be required of each applicant depending on the type of assignment.

337.2.4 SELECTION AND PLACEMENT

Service as a volunteer with the Department shall begin with an official notice of acceptance or appointment to a volunteer position. Notice may only be given by an authorized representative of the Department, who will normally be the Volunteer Coordinator. No volunteer should begin any assignment until they have been officially accepted for that position and completed all required screening and paperwork. At the time of final acceptance, each volunteer should complete all required enrollment paperwork and will receive a copy of their position description and agreement of service with the Department. All volunteers shall receive a copy of the volunteer handbook and shall be required to sign a volunteer agreement.

Volunteers should be placed only in assignments or programs that are consistent with their knowledge, skills, abilities, and the needs of the Department.

Matteson Police Department

Policy Manual

Policy Manual

Volunteer Program

337.2.5 TRAINING

Volunteers will be provided with an orientation program to acquaint them with the Department, personnel, and policies and procedures that have a direct impact on their work assignment.

Volunteers should receive position-specific training to ensure they have adequate knowledge and skills to complete tasks required by the position and should receive periodic ongoing training as deemed appropriate by their supervisor or the Volunteer Coordinator.

Training should reinforce to volunteers that they may not intentionally represent themselves as, or by omission, infer that they are sworn officers or other full-time members of the Department. They shall always represent themselves as volunteers.

All volunteers shall comply with the rules of conduct and with all orders and directives, either oral or written, issued by the Department.

337.2.6 FITNESS FOR DUTY

No volunteer shall report to work or be on-duty when his/her judgment or physical condition has been impaired by alcohol, medication, other substances, illness, or injury.

Volunteers shall report to their supervisor any changes in status that may affect their ability to fulfill their duties. This includes, but is not limited to, the following:

- (a) Driver's license status
- (b) Medical condition(s)
- (c) Arrests
- (d) Pending criminal investigations

All volunteers shall adhere to the guidelines set forth by this department regarding drug and alcohol use.

337.2.7 DRESS CODE

As representatives of the Department, volunteers are responsible for presenting a professional image to the community. Volunteers shall dress appropriately for the conditions and performance of their duties.

Volunteers shall conform to department-approved dress consistent with their duty assignment. Uniforms authorized for volunteers should be readily distinguishable from those worn by sworn officers. The uniform or identifiable parts of the uniform shall not be worn while off-duty except volunteers may choose to wear the uniform while in transit to or from official department assignments or functions provided an outer garment is worn over the uniform shirt so as not to bring attention to the volunteer while he/she is off duty.

Volunteers shall be required to return any issued uniform or department property at the termination of service.

Matteson Police Department

Policy Manual

Policy Manual

Volunteer Program

337.3 SUPERVISION OF VOLUNTEERS

Each volunteer who is accepted to a position with the Department must have a clearly identified supervisor who is responsible for direct management of that volunteer. This supervisor will be responsible for day-to-day management and guidance of the work of the volunteer and should be available to the volunteer for consultation and assistance.

A volunteer may be assigned as, and act as, a supervisor of other volunteers provided that the supervising volunteer is under the direct supervision of a paid staff member.

Functional supervision of volunteers is the responsibility of the supervisor in charge of the unit where the volunteer is assigned. Following are some considerations to keep in mind while supervising volunteers:

- (a) Take the time to introduce volunteers to employees on all levels.
- (b) Ensure volunteers have work space and necessary office supplies.
- (c) Make sure the work is challenging. Do not hesitate to give them an assignment or task that will tap these valuable resources.

337.4 CONFIDENTIALITY

With appropriate security clearance, volunteers may have access to confidential information such as criminal histories or investigative files. Unless otherwise directed by a supervisor or departmental policy, all information shall be considered confidential. Only that information specifically identified and approved by authorized personnel shall be released. Confidential information shall be given only to persons who have a need and a right to know as determined by departmental policy and supervisory personnel.

Each volunteer will be required to sign a nondisclosure agreement before being given an assignment with the Department. Subsequent unauthorized disclosure of any confidential information, verbally, in writing, or by any other means, by the volunteer is grounds for immediate dismissal and possible criminal prosecution.

Volunteers shall not address public gatherings, appear on radio or television, prepare any article for publication, act as correspondents to a newspaper or other periodical, release or divulge any information concerning the activities of the Department, or maintain that they represent the Department in such matters without permission from the proper department personnel.

337.5 PROPERTY AND EQUIPMENT

Volunteers will be issued an identification card that must be worn at all times while on-duty.

Any fixed and portable equipment issued by the Department shall be for official and authorized use only. Any property or equipment issued to a volunteer shall remain the property of the Department and shall be returned at the termination of service.

337.5.1 VEHICLE USE

Volunteers assigned to duties such as vacation house checks or other assignments that require the use of a vehicle must first complete the following:

Matteson Police Department

Policy Manual

Policy Manual

Volunteer Program

- (a) A driving safety briefing and department approved driver safety course.
- (b) Verification that the volunteer possesses a valid Illinois Driver's License.
- (c) Verification that the volunteer carries current vehicle insurance.

The Volunteer Coordinator should ensure that all volunteers receive safety briefing updates and license and insurance verification at least once a year.

When operating a Department vehicle, volunteers shall obey all rules of the road, including seat belt requirements. Smoking is prohibited in all Department vehicles.

Volunteers should not operate a marked patrol car unless there is a prominently placed sign indicating that it is out of service and are not authorized to operate a Department vehicle with emergency lights and siren activated.

337.5.2 RADIO AND MDT USAGE

Volunteers shall successfully complete LEADS and radio procedures training prior to using the police radio or MDT and comply with all related provisions. The Volunteer Coordinator should ensure that radio and LEADS training is provided for volunteers whenever necessary.

337.6 DISCIPLINARY PROCEDURES/TERMINATION

A volunteer may be removed from the volunteer program at the discretion of the Chief of Police or the Volunteer Coordinator. Volunteers shall have no property interests in their continued appointment. However, if a volunteer is removed for alleged misconduct, the volunteer will be afforded an opportunity solely to clear his/her name through a liberty interest hearing, which shall be limited to a single appearance before the Chief of Police or authorized designee.

Volunteers may resign from volunteer service with the Department at any time. It is requested that volunteers who intend to resign provide advance notice of their departure and a reason for their decision.

337.6.1 EXIT INTERVIEWS

Exit interviews, where possible, should be conducted with volunteers who are leaving their positions. The interview should ascertain why the volunteer is leaving the position and solicit the volunteer's suggestions on improving the position. When appropriate, the interview should also include a discussion on the possibility of involvement in some other capacity with the Department.

337.7 EVALUATIONS

An evaluation of the overall volunteer program will be conducted on an annual basis by the Volunteer Coordinator. Regular evaluations should be conducted with volunteers to ensure the best use of human resources available, to ensure personnel problems can be identified and dealt with promptly and fairly, and to ensure optimum satisfaction on the part of volunteers.

Off-Duty Law Enforcement Actions

338.1 PURPOSE AND SCOPE

The decision to become involved in a law enforcement action when off-duty can place an officer, as well as others, at great risk and must be done with careful consideration. This policy is intended to provide guidelines for officers of the Matteson Police Department with respect to taking law enforcement action while off-duty.

338.2 POLICY

Initiating law enforcement action while off-duty is generally discouraged. Officers should not attempt to initiate enforcement action when witnessing minor crimes, such as suspected intoxicated drivers, reckless driving, or minor property crimes. Such incidents should be promptly reported to the appropriate law enforcement agency.

Officers are not expected to place themselves in unreasonable peril. However, any sworn member of this department who becomes aware of an incident or circumstance that he/she reasonably believes poses an imminent threat of serious bodily injury or death, or significant property damage, may take reasonable action to minimize the threat.

When public safety or the prevention of major property damage requires immediate action, officers should first consider reporting and monitoring the activity and only take direct action as a last resort.

338.3 FIREARMS

Officers of this department may carry firearms while off-duty in accordance with federal regulations and department policy. All firearms and ammunition must meet guidelines as described in the Firearms Policy. When carrying firearms while off-duty officers shall also carry their department-issued badge and identification.

Officers should refrain from carrying firearms when the consumption of alcohol is likely or when the need to carry a firearm is outweighed by safety considerations. Firearms shall not be carried by any officer who has consumed an amount of an alcoholic beverage or taken any drugs or medication or any combination thereof that would tend to adversely affect the officer's senses or judgment.

338.4 DECISION TO INTERVENE

There is no legal requirement for off-duty officers to take law enforcement action. However, should officers decide to intervene, they must evaluate whether the action is necessary or desirable, and should take into consideration the following:

- (a) The tactical disadvantage of being alone and the fact there may be multiple or hidden suspects.
- (b) The inability to communicate with responding units.
- (c) The lack of equipment, such as handcuffs, OC, or baton.
- (d) The lack of cover.

Matteson Police Department

Policy Manual

Policy Manual

Off-Duty Law Enforcement Actions

- (e) The potential for increased risk to bystanders if the off-duty officer were to intervene.
- (f) Unfamiliarity with the surroundings.
- (g) The potential for the off-duty officer to be misidentified by other peace officers or members of the public.

Officers should consider waiting for on-duty uniformed officers to arrive, and gather as much accurate intelligence as possible instead of immediately intervening.

338.4.1 INTERVENTION PROCEDURE

If involvement is reasonably necessary, the officer should attempt to call, or have someone else call, 9-1-1 to request immediate assistance. The operator should be informed that an off-duty officer is on-scene and should be provided a description of the officer if possible.

Whenever practicable, the officer should loudly and repeatedly identify him/herself as an Matteson Police Department officer until acknowledged. Official identification should also be displayed.

338.4.2 INCIDENTS OF PERSONAL INTEREST

Officers should refrain from handling incidents of personal interest, (e.g., family or neighbor disputes) and should remain neutral. In such circumstances officers should call the responsible agency to handle the matter.

338.4.3 CIVILIAN RESPONSIBILITIES

Civilian personnel should not become involved in any law enforcement actions while off-duty except to notify the local law enforcement authority and remain at the scene, if safe and practicable.

338.4.4 OTHER CONSIDERATIONS

When encountering a non-uniformed officer in public, uniformed officers should wait for acknowledgement by the non-uniformed officer in case he/she needs to maintain an undercover capability.

338.5 REPORTING

Any off-duty officer who engages in any law enforcement activity, regardless of jurisdiction, shall notify the Watch Commander as soon as practicable. The Watch Commander shall determine whether a report should be filed by the employee.

Officers should cooperate fully with the agency having jurisdiction in providing statements or reports as requested or as appropriate.

Department Use of Social Media

339.1 PURPOSE AND SCOPE

This policy provides guidelines to ensure that any use of social media on behalf of the Department is consistent with the department mission.

This policy does not address all aspects of social media use. Specifically, it does not address:

- Personal use of social media by department members (see the Employee Speech, Expression and Social Networking Policy).
- Use of social media in personnel processes (see the Recruitment and Selection Policy).
- Use of social media as part of a criminal investigation, other than disseminating information to the public on behalf of this department (see the Investigation and Prosecution Policy).

339.1.1 DEFINITIONS

Definitions related to this policy include:

402.4 MEMBER RESPONSIBILITIES

Training on fair and objective policing and review of this policy shall be conducted annually and include:

- (a) Explicit and implicit biases.

Roll Call Training

403.1 PURPOSE AND SCOPE

Roll Call training is generally conducted at the beginning of the officer's assigned shift. Roll Call provides an opportunity for important exchange between employees and supervisors. A supervisor generally will conduct Roll Call; however officers may conduct Roll Call for training purposes with supervisor approval.

Roll Call should accomplish, at a minimum, the following basic tasks:

Roll Call training materials and a curriculum or summary shall be forwarded to the Training Sergeant for inclusion in training records, as appropriate.

Crime and Disaster Scene Integrity

404.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance in handling a major crime or disaster.

404.2 POLICY

It is the policy of the Matteson Police Department to secure crime or disaster scenes so that evidence is preserved, and to identify and mitigate the dangers associated with a major crime or disaster scene for the safety of the community and those required to enter or work near the scene.

404.3 FIRST RESPONDER CONSIDERATIONS

The following list generally describes the first responder's function at a crime or disaster scene. This list is not intended to be all-inclusive, is not necessarily in order and may be altered according to the demands of each situation:

- (a) Broadcast emergency information, including requests for additional assistance and resources.
- (b) Provide for the general safety of those within the immediate area by mitigating, reducing or eliminating threats or dangers.
- (c) Locate or identify suspects and determine whether dangerous suspects are still within the area.
- (d) Provide first aid to injured parties if it can be done safely.
- (e) Evacuate the location safely as required or appropriate.
- (f) Secure the inner perimeter.
- (g) Protect items of apparent evidentiary value.
- (h) Secure an outer perimeter.
- (i) Identify potential witnesses.
- (j) Start a chronological log noting critical times and personnel allowed access.

404.4 SCENE RESPONSIBILITY

The first officer at the scene of a crime or major incident is generally responsible for the immediate safety of the public and preservation of the scene. Officers shall also consider officer safety and the safety of those persons entering or exiting the area, including those rendering medical aid to any injured parties. Once an officer has assumed or been assigned to maintain the integrity and security of the crime or disaster scene, the officer shall maintain the crime or disaster scene until he/she is properly relieved by a supervisor or other designated person.

404.5 SEARCHES

Officers arriving at crime or disaster scenes are often faced with the immediate need to search for and render aid to victims, and to determine if suspects are present and continue to pose a threat. Once officers are satisfied that no additional suspects are present and/or there are no injured

Policy Manual

persons to be treated, those exigent circumstances will likely no longer exist. Officers should thereafter secure the scene and conduct no further search until additional or alternate authority for the search is obtained, such as consent or a search warrant.

404.5.1 CONSENT

When possible, officers should seek written consent to search from authorized individuals. However, in the case of serious crimes or major investigations, it may be prudent to also obtain a search warrant. Consent as an additional authorization may be sought, even in cases where a search warrant has been granted.

Crisis Response Unit

405.1 PURPOSE AND SCOPE

The Crisis Response Unit (CRU) is comprised of two specialized teams: the Crisis Negotiation Team (CNT) and the Special Weapons and Tactics Team (SWAT). The unit has been established to provide specialized support in handling critical field operations where intense negotiations and/or special tactical deployment methods beyond the capacity of field officers appear to be necessary.

405.1.1 OPERATIONAL AND ADMINISTRATIVE POLICY

The Policy Manual sections pertaining to the Crisis Response Unit are divided into Administrative and Operational Policy and Procedures. Since situations that necessitate the need for such a law enforcement response vary greatly from incident to incident and such events often demand on-the-scene evaluation, the Operational Policy outlined in this manual section serves as a guideline to department personnel allowing for appropriate on scene decision making as required. The Administrative Procedures, however, are more restrictive and few exceptions should be taken.

405.1.2 SWAT TEAM DEFINED

A SWAT team is a designated unit of law enforcement officers that is specifically trained and equipped to work as a coordinated team to resolve critical incidents that are so hazardous, complex, or unusual that they may exceed the capabilities of first responders or investigative units including, but not limited to, hostage taking, barricaded suspects, snipers, terrorist acts and other high-risk incidents. As a matter of department policy, such a unit may also be used to serve high-risk warrants, both search and arrest, where public and officer safety issues warrant the use of such a unit.

405.2 LEVELS OF CAPABILITY/TRAINING

405.2.1 LEVEL I

A level I SWAT team is a basic team capable of providing containment and intervention with critical incidents that exceed the training and resources available to line-level officers. This does not include ad hoc teams of officers that are formed around a specific mission, detail or incident (e.g. active shooter response). Generally 5 percent of the basic team's on-duty time should be devoted to training.

405.2.2 LEVEL II

A level II, Intermediate level SWAT team is capable of providing containment and intervention. Additionally, these teams possess tactical capabilities above the Level I teams. These teams may or may not work together on a daily basis, but are intended to respond to incidents as a team. At least 5 percent of their on-duty time should be devoted to training with supplemental training for tactical capabilities above the Level I team.

Matteson Police Department

Policy Manual

Policy Manual

Crisis Response Unit

405.2.3 LEVEL III

A Level III, Advanced level SWAT team is a SWAT team whose personnel function as a full-time unit. Generally 25 percent of their on-duty time is devoted to training. Level III teams operate in accordance with contemporary best practices. Such units possess both skills and equipment to utilize tactics beyond the capabilities of Level I and Level II teams.

405.3 POLICY

It shall be the policy of this department to maintain a SWAT team, or be a part of a multi-agency, cooperative SWAT Team, and to provide the equipment, manpower, and training necessary to maintain a SWAT team. The SWAT team should develop sufficient resources to perform three basic operational functions:

- (a) Command and Control.
- (b) Containment.
- (c) Entry/Apprehension/Rescue.

It is understood it is difficult to categorize specific capabilities for critical incidents. Training needs may vary based on the experience level of the team personnel, team administrators and potential incident commanders. Nothing in this policy shall prohibit individual teams from responding to a situation that exceeds their training levels due to the exigency of the circumstances. The preservation of innocent human life is paramount.

405.3.1 POLICY CONSIDERATIONS

A needs assessment should be conducted to determine the type and extent of SWAT missions and operations appropriate to this department. The assessment should consider the team's capabilities and limitations and should be reviewed annually by the SWAT Commander or his/her designee.

405.3.2 ORGANIZATIONAL PROCEDURES

This department shall develop a separate written set of organizational procedures which should address, at minimum, the following:

- (a) Locally identified specific missions the team is capable of performing.
- (b) Team organization and function.
- (c) Personnel selection and retention criteria.
- (d) Training and required competencies.
- (e) Procedures for activation and deployment.
- (f) Command and control issues, including a clearly defined command structure.
- (g) Multi-agency response.
- (h) Out-of-jurisdiction response.
- (i) Specialized functions and supporting resources.

Policy Manual

405.3.3 OPERATIONAL PROCEDURES

This department shall develop a separate written set of operational procedures in accordance with the determination of their level of capability, using sound risk reduction practices. The operational procedures should be patterned after the National Tactical Officers Association Suggested SWAT Best Practices. Because such procedures are specific to CRU members and will outline tactical and officer safety issues, they are not included within this policy. The operational procedures should include, at minimum, the following:

- (a) Designated personnel responsible for developing an operational or tactical plan prior to, and/or during SWAT operations (time permitting).
 - 1. All SWAT team members should have an understanding of operational planning.
 - 2. SWAT team training should consider planning for both spontaneous and planned events.
 - 3. SWAT teams should incorporate medical emergency contingency planning as part of the SWAT operational plan.
 - (b) Plans for mission briefings conducted prior to an operation, unless circumstances require immediate deployment.
 - 1. When possible, briefings should include the specialized units and supporting resources.
 - (c) Protocols for a sustained operation should be developed which may include relief, rotation of personnel and augmentation of resources.
 - (d) A generic checklist to be worked through prior to initiating a tactical action as a means of conducting a threat assessment to determine the appropriate response and resources necessary, including the use of SWAT.
 - (e) The appropriate role for a trained negotiator.
 - (f) A standard method of determining whether or not a warrant should be regarded as high-risk.
 - (g) A method for deciding how best to serve a high-risk warrant with all reasonably foreseeable alternatives being reviewed in accordance with risk/benefit criteria prior to selecting the method of response.
 - (h) Post incident scene management including:
 - 1. Documentation of the incident.
 - 2. Transition to investigations and/or other units.
 - 3. Debriefing after every deployment of the SWAT team.
- (a) After-action team debriefing provides evaluation and analysis of critical incidents and affords the opportunity for individual and team assessments,

Matteson Police Department

Policy Manual

helps to identify training needs, and reinforces sound risk management practices.

- (b) Such debriefing should not be conducted until involved officers have had the opportunity to individually complete necessary reports or provide formal statements.
 - (c) In order to maintain candor and a meaningful exchange, debriefing will generally not be recorded.
 - (d) When appropriate, debriefing should include specialized units and resources.
- (i) Sound risk management analysis.
 - (j) Standardization of equipment deployed.

405.4 TRAINING NEEDS ASSESSMENT

The SWAT/CRU Commander shall conduct an annual SWAT Training needs assessment to ensure that training is conducted within team capabilities and department policy.

405.4.1 INITIAL TRAINING

SWAT team operators and SWAT supervisors/team leaders should not be deployed until successful completion of ILETSB-certified Basic SWAT Course or its equivalent.

- (a) To avoid unnecessary or redundant training, previous training completed by members may be considered equivalent when the hours and content (topics) meet or exceed department requirements or ILETSB standardized training recommendations.

405.4.2 UPDATED TRAINING

Appropriate team training for the specialized SWAT functions and other supporting resources should be completed prior to full deployment of the team.

SWAT team operators and SWAT supervisors/team leaders should complete update or refresher training as certified by ILETSB, or its equivalent, every 24 months.

405.4.3 SUPERVISION AND MANAGEMENT TRAINING

Command and executive personnel are encouraged to attend training for managing the SWAT function at the organizational level to ensure personnel who provide active oversight at the scene of SWAT operations understand the purpose and capabilities of the teams.

Command personnel who may assume incident command responsibilities should attend SWAT or Critical Incident Commander course or its equivalent. SWAT command personnel should attend an ILETSB-certified SWAT commander or tactical commander course, or its equivalent.

405.4.4 SWAT ONGOING TRAINING

Training shall be coordinated by the CRU Commander. The CRU Commander may conduct monthly training exercises that include a review and critique of personnel and their performance in the exercise in addition to specialized training. Training shall consist of the following:

- (a) Each SWAT member shall perform a physical fitness test twice each year. A minimum qualifying score must be attained by each team member.
- (b) Any SWAT team member failing to attain the minimum physical fitness qualification score will be notified of the requirement to retest and attain a qualifying score. Within 30 days of the previous physical fitness test date, the member required to qualify shall report to a team supervisor and complete the entire physical fitness test. Failure to qualify after a second attempt may result in dismissal from the team.
- (c) Those members who are on vacation, ill, or are on light duty status with a doctor's note of approval on the test date, shall be responsible for reporting to a team supervisor and taking the test within 30 days of their return to regular duty. Any member, who fails to arrange for and perform the physical fitness test within the 30-day period, shall be considered as having failed to attain a qualifying score for that test period.
- (d) Quarterly, each SWAT team member shall perform the mandatory SWAT handgun qualification course. The qualification course shall consist of the SWAT Basic Drill for the handgun. Failure to qualify will require that officer to seek remedial training from a team range master approved by the CRU Commander. Team members who fail to qualify must retest within 30 days. Failure to qualify within 30 days with or without remedial training may result in dismissal from the team.
- (e) Each SWAT team member shall complete the quarterly SWAT qualification course for any specialty weapon issued to, or used by, the team member during SWAT operations. Failure to qualify will require the team member to seek remedial training from the Rangemaster who has been approved by the CRU Commander. Team members who fail to qualify on their specialty weapon may not utilize the specialty weapon on SWAT operations until qualified. Team members who fail to qualify must retest within 30 days. Failure to qualify with specialty weapons within 30 days may result in the team member being removed from the team or permanently disqualified from use of that particular specialty weapon.

405.4.5 TRAINING SAFETY

Use of a designated safety officer should be considered for all tactical training.

405.4.6 SCENARIO BASED TRAINING

SWAT teams should participate in scenario-based training that simulates the tactical operational environment. Such training is an established method of improving performance during an actual deployment.

Ride-along requirements for police cadets are covered in the Police Cadets Policy.

406.2.2 SUITABLE ATTIRE

Any person approved to ride along is required to be suitably dressed in collared shirt, blouse or jacket, slacks and shoes. Sandals, T-shirts, tank tops, shorts and ripped or torn blue jeans are not permitted. Hats and ball caps will not be worn in the police vehicle. The Watch Commander or field supervisor may refuse a ride along to anyone not properly dressed. Participants must possess a working cell phone for emergency purposes.

406.2.3 PEACE OFFICER RIDE-ALONGS

Off-duty members of this department or any other law enforcement agency will not be permitted to ride-along with on-duty officers without the expressed consent of the Watch Commander. In the event that such a ride-along is permitted, the off-duty employee shall not be considered on-duty and shall not represent themselves as a peace officer or participate in any law enforcement activity except as emergency circumstances may require.

406.2.4 RIDE-ALONG CRIMINAL HISTORY CHECK

All Ride-along applicants are subject to a criminal history check. The criminal history check may include a local records check and an Automated check through LEADS prior to their approval as a ride-along with a law enforcement officer (provided that the ride-along is not an employee of the Matteson Police Department).

406.3 OFFICER'S RESPONSIBILITY

The officer shall advise the telecommunicator that a ride-along is present in the vehicle before going into service. Officers shall consider the safety of the ride-along at all times. Officers should use sound discretion when encountering a potentially dangerous situation, and if feasible, let the participant out of the vehicle in a well-lighted place of safety. The telecommunicator will be advised of the situation and as soon as practical have another police unit respond to pick up the participant at that location. The ride-along may be continued or terminated at this time. The Watch Commander shall be immediately notified of any injury or noteworthy incident involving the ride-along.

The Administrative Sergeant is responsible for maintaining and scheduling ride-alongs. Upon completion of the ride-along, the yellow form shall be returned to the Administrative Sergeant with any comments which may be offered by the officer. Any injury or noteworthy incident involving the ride-along shall be documented or reported appropriately.

406.4 CONTROL OF RIDE-ALONG

The assigned employee shall maintain control over the ride-along at all times and instruct him/her in the conditions that necessarily limit their participation. These instructions should include:

Ride-Alongs

- (a) The ride-along will follow the directions of the officer.
- (b) The ride-along will not become involved in any investigation, handling of evidence, discussions with victims or suspects, or handling any police equipment.
- (c) The ride-along may terminate the ride at any time and the officer may return the observer to their home or to the station if the ride-along interferes with the performance of the officer's duties.
- (d) Ride-alongs may be allowed to continue riding during the transportation and booking process provided this does not jeopardize their safety.
- (e) Officers will not allow any ride-alongs to be present in any residences or situations that would jeopardize their safety or cause undue stress or embarrassment to a victim or any other citizen.
- (f) Under no circumstance shall a civilian ride along be permitted to enter a private residence with an officer without the expressed consent of the resident or other authorized person.

Hazardous Material Response

407.1 PURPOSE AND SCOPE

Hazardous materials present a potential harm to employees resulting from their exposure.

407.1.1 HAZARDOUS MATERIAL DEFINED

A hazardous material is a substance, which by its nature, containment, and reactivity, has the capability of inflicting harm during exposure. Hazardous materials are characterized as being toxic, corrosive, flammable, reactive, an irritant, or strong sensitizer, and thereby, posing a threat to health when improperly managed.

407.2 HAZARDOUS MATERIAL RESPONSE

Employees may encounter situations involving suspected hazardous materials, such as at the scene of a traffic crash, chemical spill, or fire. When employees come into contact with a suspected hazardous material, certain steps should be taken to protect themselves and citizens.

The following steps should be considered at any scene involving suspected hazardous materials:

- (a) Attempt to identify the type of hazardous substance. Identification can be determined by placard, driver's manifest, or statements from the person transporting the material.
- (b) Notify the Fire Department.
- (c) Provide first-aid for injured parties if it can be done safely and without contamination.
- (d) Begin evacuation of the immediate area and surrounding areas dependent on the substance(s). Voluntary evacuation should be considered; however, depending on the substance, mandatory evacuation may be necessary.
- (e) Protect the scene and preserve evidence.

407.3 REPORTING EXPOSURE(S)

Department personnel who believe that they have been exposed to a hazardous material shall immediately report the exposure to a supervisor. Each exposure shall be documented by the employee in an employee memorandum that shall be forwarded via the chain-of-command to the Commanding Officer. Should the affected employee be unable to document the exposure for any reason, it shall be the responsibility of the notified supervisor to complete the memorandum.

Injury or illness caused or believed to be caused from exposure to hazardous materials shall be reported the same as any other on-duty injury or illness in addition to a crime report or incident report.

407.3.1 SUPERVISOR RESPONSIBILITY

When a supervisor has been informed that an employee has been exposed to a hazardous material, he/she shall ensure that immediate medical treatment is obtained and appropriate action is taken to mitigate the exposure.

To ensure the safety of employees, safety equipment is available through supervisory personnel. Safety items not maintained by the Department will be obtained through the Fire Department.

Hostage and Barricade Incidents

408.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for situations where officers have legal cause to contact, detain or arrest a person, and the person refuses to submit to the lawful requests of the officers by remaining in a structure or vehicle and/or by taking a hostage.

The scope of this policy is not intended to address all variables that officers encounter during their initial response or when a hostage or barricade situation has developed. This policy does not require or purport to recommend specific strategies or tactics for resolution as each incident is a dynamic and rapidly evolving event.

408.1.1 DEFINITIONS

Definitions related to this policy include:

Barricade situation - An incident where a person maintains a position of cover or concealment and ignores or resists law enforcement personnel, and it is reasonable to believe the subject is armed with a dangerous or deadly weapon.

Hostage situation - An incident where it is reasonable to believe a person is unlawfully held by a hostage-taker as security so that specified terms or conditions will be met.

408.2 POLICY

It is the policy of the Matteson Police Department to address hostage and barricade situations with due regard for the preservation of life and balancing the risk of injury, while obtaining the safe release of hostages, apprehending offenders and securing available evidence.

408.3 COMMUNICATION

When circumstances permit, initial responding officers should try to establish and maintain lines of communication with a barricaded person or hostage-taker. Officers should attempt to identify any additional subjects, inquire about victims and injuries, seek the release of hostages, gather intelligence information, identify time-sensitive demands or conditions and obtain the suspect's surrender.

When available, department-authorized negotiators should respond to the scene as soon as practicable and assume communication responsibilities. Negotiators are permitted to exercise flexibility in each situation based upon their training, the circumstances presented, suspect actions or demands and the available resources.

408.3.1 EMERGENCY COMMUNICATIONS

Should circumstances at the scene permit, Department supervisors or negotiators may promptly contact the Office of the State Attorney for assistance in obtaining an ex parte order to intercept audio communications at the scene (725 ILCS 5/108B-3).

Additionally, Department negotiators or individuals summoned by officers to provide assistance, may use an eavesdropping device, including a camera or audio device, during an ongoing hostage

Matteson Police Department

Policy Manual

Policy Manual

Hostage and Barricade Incidents

and barricade incident when such use is necessary to protect the safety of officers or members of the general public (720 ILCS 5/14-3(o)).

408.4 FIRST RESPONDER CONSIDERATIONS

First responding officers should promptly and carefully evaluate all available information to determine whether an incident involves, or may later develop into, a hostage or barricade situation.

The first responding officer should immediately request a supervisor's response as soon as it is determined that a hostage or barricade situation exists. The first responding officer shall assume the duties of the supervisor until relieved by a supervisor or a more qualified responder. The officer shall continually evaluate the situation, including the level of risk to officers, to the persons involved and to bystanders, and the resources currently available.

The handling officer should brief the arriving supervisor of the incident, including information about suspects and victims, the extent of any injuries, additional resources or equipment that may be needed, and current perimeters and evacuation areas.

408.4.1 BARRICADE SITUATION

Unless circumstances require otherwise, officers handling a barricade situation should attempt to avoid a forceful confrontation in favor of stabilizing the incident by establishing and maintaining lines of communication while awaiting the arrival of specialized personnel and trained negotiators. During the interim the following options, while not all-inclusive or in any particular order, should be considered:

- (a) Ensure injured persons are evacuated from the immediate threat area if it is reasonably safe to do so. Request medical assistance.
- (b) Assign personnel to a contact team to control the subject should he/she attempt to exit the building, structure or vehicle, and attack, use deadly force, attempt to escape or surrender prior to additional resources arriving.
- (c) Request additional personnel, resources and equipment as needed (e.g., canine team, air support).
- (d) Provide responding emergency personnel with a safe arrival route to the location.
- (e) Evacuate non-injured persons in the immediate threat area if it is reasonably safe to do so.
- (f) Attempt or obtain a line of communication and gather as much information on the subject as possible, including weapons, other involved parties, additional hazards or injuries.
- (g) Establish an inner and outer perimeter as circumstances require and resources permit to prevent unauthorized access.

Matteson Police Department

Policy Manual

Policy Manual

Hostage and Barricade Incidents

- (h) Evacuate bystanders, residents and businesses within the inner and then outer perimeter as appropriate. Check for injuries, the presence of other involved subjects, witnesses, evidence or additional information.
- (i) Determine the need for and notify the appropriate persons within and outside the Department, such as command officers and the Public Information Officer.
- (j) If necessary and available, establish a tactical or exclusive radio frequency for the incident.
- (k) Establish a command post.

408.4.2 HOSTAGE SITUATION

Officers presented with a hostage situation should attempt to avoid a forceful confrontation in favor of controlling the incident in anticipation of the arrival of specialized personnel and trained hostage negotiators. However, it is understood that hostage situations are dynamic and can require that officers react quickly to developing or changing threats. The following options while not all-inclusive or in any particular order, should be considered:

- (a) Ensure injured persons are evacuated from the immediate threat area if it is reasonably safe to do so. Request medical assistance.
- (b) Assign personnel to a contact team to control the subject should he/she attempt to exit the building, structure or vehicle, and attack, use deadly force, attempt to escape or surrender prior to additional resources arriving.
- (c) Establish a rapid response team in the event it becomes necessary to rapidly enter a building, structure or vehicle, such as when the suspect is using deadly force against any hostages (see the Rapid Response and Deployment Policy).
- (d) Assist hostages or potential hostages to escape if it is reasonably safe to do so. Hostages should be kept separated if practicable pending further interview.
- (e) Request additional personnel, resources and equipment as needed (e.g., canine team, air support).
- (f) Provide responding emergency personnel with a safe arrival route to the location.
- (g) Evacuate non-injured persons in the immediate threat area if it is reasonably safe to do so.
- (h) Coordinate pursuit or surveillance vehicles and control of travel routes.
- (i) Attempt or obtain a line of communication and gather as much information about the suspect as possible, including any weapons, victims and their injuries, additional hazards, other involved parties and any other relevant intelligence information.
- (j) Establish an inner and outer perimeter as resources and circumstances permit to prevent unauthorized access.

- (k) Evacuate bystanders, residents and businesses within the inner and then outer perimeter as appropriate. Check for injuries, the presence of other involved subjects, witnesses, evidence or additional information.
- (l) Determine the need for and notify the appropriate persons within and outside the Department, such as command officers and the Public Information Officer.
- (m) If necessary and available, establish a tactical or exclusive radio frequency for the incident.

408.5 SUPERVISOR RESPONSIBILITIES

Upon being notified that a hostage or barricade situation exists, the supervisor should immediately respond to the scene, assess the risk level of the situation, establish a proper chain of command and assume the role of Incident Commander until properly relieved. This includes requesting a Crisis Response Unit (CRU) response if appropriate and apprising the CRU Commander of the circumstances. In addition, the following options, listed here in no particular order, should be considered:

- (a) Ensure injured persons are evacuated and treated by medical personnel.
- (b) Ensure the completion of necessary first responder responsibilities or assignments.
- (c) Request crisis negotiators, specialized units, additional personnel, resources or equipment as appropriate.
- (d) Establish a command post location as resources and circumstances permit.
- (e) Designate assistants who can help with intelligence information and documentation of the incident.
- (f) If it is practicable to do so, arrange for video documentation of the operation.
- (g) Consider contacting utility and communication providers when restricting such services (e.g., restricting electric power, gas, telephone service).
- (h) Ensure adequate law enforcement coverage for the remainder of the Village during the incident. The supervisor should direct non-essential personnel away from the scene unless they have been summoned by the supervisor or the Dispatch Center.
- (i) Identify a media staging area outside the outer perimeter and have the department Public Information Officer or a designated temporary media representative provide media access in accordance with the Media Relations Policy.
- (j) Identify the need for mutual aid and the transition or relief of personnel for incidents of extended duration.
- (k) Debrief personnel and review documentation as appropriate.

408.6 CRISIS RESPONSE UNIT RESPONSIBILITIES

It will be the Incident Commander's decision, with input from the CRU Commander, whether to deploy the CRU during a hostage or barricade situation. Once the Incident Commander authorizes deployment, the CRU Commander or the authorized designee will be responsible for the tactical portion of the operation. The Incident Commander shall continue supervision of the command post operation, outer perimeter security and evacuation, media access and support for the CRU. The Incident Commander and the CRU Commander or the authorized designee shall maintain communications at all times.

408.7 REPORTING

Unless otherwise relieved by a supervisor or Incident Commander, the handling officer at the scene is responsible for completion and/or coordination of incident reports.

Response to Bomb Calls

409.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines to assist members of the Matteson Police Department in their initial response to incidents involving explosives, explosive devices, explosion/bombing incidents, or threats of such incidents. Under no circumstances should these guidelines be interpreted as compromising the safety of first responders or the public. When confronted with an incident involving explosives, safety should always be the primary consideration.

409.2 POLICY

It is the policy of the Matteson Police Department to place a higher priority on the safety of persons and the public over damage or destruction to public or private property.

409.3 RECEIPT OF BOMB THREAT

Department members receiving a bomb threat should obtain as much information from the individual as reasonably possible, including the type, placement, and alleged detonation time of the device.

If the bomb threat is received on a recorded line, reasonable steps should be taken to ensure that the recording is preserved in accordance with established department evidence procedures.

The member receiving the bomb threat should ensure that the Watch Commander is immediately advised and informed of the details. This will enable the Watch Commander to ensure that the appropriate personnel are dispatched and, as appropriate, the threatened location is given an advance warning.

409.4 GOVERNMENT FACILITY OR PROPERTY

A bomb threat targeting a government facility may require a different response based on the government agency.

409.4.1 MATTESON POLICE DEPARTMENT FACILITY

If the bomb threat is against the Matteson Police Department facility, the Watch Commander will direct and assign officers as required for coordinating a general building search or evacuation of the police department, as he/she deems appropriate.

409.4.2 OTHER COUNTY OR MUNICIPAL FACILITY OR PROPERTY

If the bomb threat is against a county or municipal facility within the jurisdiction of the Matteson Police Department that is not the property of this department, the appropriate agency will be promptly informed of the threat. Assistance to the other entity may be provided as the Watch Commander deems appropriate.

Matteson Police Department

Policy Manual

Policy Manual

Response to Bomb Calls

409.4.3 FEDERAL BUILDING OR PROPERTY

If the bomb threat is against a federal building or property, the Federal Protective Service should be immediately notified. The Federal Protective Service provides a uniformed law enforcement response for most facilities, which may include use of its Explosive Detector Dog teams.

If the bomb threat is against a federal government property where the Federal Protective Service is unable to provide a timely response, the appropriate facility's security or command staff should be notified.

Bomb threats against a military installation should be reported to the military police or other military security responsible for the installation.

409.5 PRIVATE FACILITY OR PROPERTY

When a member of this department receives notification of a bomb threat at a location in the Village of Matteson, the member receiving the notification should obtain as much information as reasonably possible from the notifying individual, including:

- (a) The location of the facility.
- (b) The nature of the threat.
- (c) Whether the type and detonation time of the device is known.
- (d) Whether the facility is occupied and, if so, the number of occupants currently on-scene.
- (e) Whether the individual is requesting police assistance at the facility.
- (f) Whether there are any internal facility procedures regarding bomb threats in place, such as:
 - 1. No evacuation of personnel and no search for a device.
 - 2. Search for a device without evacuation of personnel.
 - 3. Evacuation of personnel without a search for a device.
 - 4. Evacuation of personnel and a search for a device.

The member receiving the bomb threat information should ensure that the Watch Commander is immediately notified so that he/she can communicate with the person in charge of the threatened facility.

409.5.1 ASSISTANCE

The Watch Commander should be notified when police assistance is requested. The Watch Commander will make the decision whether the Department will render assistance and at what level. Information and circumstances that indicate a reasonably apparent, imminent threat to the safety of either the facility or the public may require a more active approach, including police control over the facility.

Should the Watch Commander determine that the Department will assist or control such an incident, he/she will determine:

- (a) The appropriate level of assistance.

Matteson Police Department

Policy Manual

Policy Manual

Response to Bomb Calls

- (b) The plan for assistance.
- (c) Whether to evacuate and/or search the facility.
- (d) Whether to involve facility staff in the search or evacuation of the building.
 - 1. The person in charge of the facility should be made aware of the possibility of damage to the facility as a result of a search.
 - 2. The safety of all participants is the paramount concern.
- (e) The need for additional resources, including:
 - 1. Notification and response, or standby notice, for fire and emergency medical services.

Even though a facility does not request police assistance to clear the interior of a building, based upon the circumstances and known threat, officers may be sent to the scene to evacuate other areas that could be affected by the type of threat, or for traffic and pedestrian control.

409.6 FOUND DEVICE

When handling an incident involving a suspected explosive device, the following guidelines, while not all inclusive, should be followed:

- (a) No known or suspected explosive item should be considered safe regardless of its size or apparent packaging.
- (b) The device should not be touched or moved except by the bomb squad or military explosive ordnance disposal team.
- (c) Personnel should not transmit on any equipment that is capable of producing radio frequency energy within the evacuation area around the suspected device. This includes the following:
 - 1. Two-way radios
 - 2. Cell phones
 - 3. Other personal communication devices
- (d) The appropriate bomb squad or military explosive ordnance disposal team should be summoned for assistance.
- (e) The largest perimeter reasonably possible should initially be established around the device based upon available personnel and the anticipated danger zone.
- (f) A safe access route should be provided for support personnel and equipment.
- (g) Search the area for secondary devices as appropriate and based upon available resources.
- (h) Consider evacuation of buildings and personnel near the device or inside the danger zone and the safest exit route.
- (i) Promptly relay available information to the Watch Commander including:
 - 1. The time of discovery.

Matteson Police Department

Policy Manual

Policy Manual

Response to Bomb Calls

2. The exact location of the device.
3. A full description of the device (e.g., size, shape, markings, construction).
4. The anticipated danger zone and perimeter.
5. The areas to be evacuated or cleared.

409.7 EXPLOSION/BOMBING INCIDENTS

When an explosion has occurred, there are multitudes of considerations, which may confront the responding officers. As in other catastrophic events, a rapid response may help to minimize injury to victims, minimize contamination of the scene by gathering crowds, or minimize any additional damage from fires or unstable structures.

409.7.1 CONSIDERATIONS

Officers responding to explosions, whether accidental or a criminal act, should consider the following actions:

- (a) Assess the scope of the incident, including the number of victims and extent of injuries.
- (b) Request additional personnel and resources, as appropriate.
 1. Refer to the Threat Assessment Team for intelligence on commercial locations.
- (c) Assist with first aid.
- (d) Identify and take appropriate precautions to mitigate scene hazards, such as collapsed structures, bloodborne pathogens, and hazardous materials.
- (e) Assist with the safe evacuation of victims, if possible.
- (f) Establish an inner perimeter to include entry points and evacuation routes. Search for additional or secondary devices.
- (g) Preserve evidence.
- (h) Establish an outer perimeter and evacuate if necessary.
 1. Determine a safe location for evacuees.
 2. Determine a staging site for additional manpower, equipment, medical personnel, and media response.
- (i) Identify witnesses.

409.7.2 NOTIFICATIONS

When an explosion has occurred, the following people should be notified as appropriate:

- Fire department
- Bomb squad
- Additional department personnel, such as investigators and forensic services
- Field supervisor
- Watch Commander

Matteson Police Department

Policy Manual

Policy Manual

Response to Bomb Calls

- Other law enforcement agencies, including local, state, or federal agencies, such as the FBI and the Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF)
- Other government agencies, as appropriate

409.7.3 CROWD CONTROL

Only authorized members with a legitimate need should be permitted access to the scene. Spectators and other unauthorized individuals should be restricted to a safe distance as is reasonably practicable given the available resources and personnel.

409.7.4 PRESERVATION OF EVIDENCE

As in any other crime scene, steps should immediately be taken to preserve the scene. The Watch Commander should assign officers to protect the crime scene area, which could extend over a long distance. Consideration should be given to the fact that evidence may be imbedded in nearby structures or hanging in trees and bushes.

Crisis Intervention Incidents

410.1 PURPOSE AND SCOPE

This policy provides guidelines for interacting with those who may be experiencing a mental health or emotional crisis. Interaction with such individuals has the potential for miscommunication and violence. It often requires an officer to make difficult judgments about a person's mental state and intent in order to effectively and legally interact with the individual.

410.1.1 DEFINITIONS

Definitions related to this policy include:

Person in crisis - A person whose level of distress or mental health symptoms have exceeded the person's internal ability to manage his/her behavior or emotions. A crisis can be precipitated by any number of things, including an increase in the symptoms of mental illness despite treatment compliance; non-compliance with treatment, including a failure to take prescribed medications appropriately; or any other circumstance or event that causes the person to engage in erratic, disruptive or dangerous behavior that may be accompanied by impaired judgment.

410.2 POLICY

The Matteson Police Department is committed to providing a consistently high level of service to all members of the community and recognizes that persons in crisis may benefit from intervention. The Department will collaborate, where feasible, with mental health professionals to develop an overall intervention strategy to guide its members' interactions with those experiencing a mental health crisis. This is to ensure equitable and safe treatment of all involved.

410.3 SIGNS

Members should be alert to any of the following possible signs of mental health issues or crises:

- (a) A known history of mental illness
- (b) Threats of or attempted suicide
- (c) Loss of memory
- (d) Incoherence, disorientation or slow response
- (e) Delusions, hallucinations, perceptions unrelated to reality or grandiose ideas
- (f) Depression, pronounced feelings of hopelessness or uselessness, extreme sadness or guilt
- (g) Social withdrawal
- (h) Manic or impulsive behavior, extreme agitation, lack of control
- (i) Lack of fear
- (j) Anxiety, aggression, rigidity, inflexibility or paranoia

Members should be aware that this list is not exhaustive. The presence or absence of any of these should not be treated as proof of the presence or absence of a mental health issue or crisis.

Matteson Police Department

Policy Manual

Policy Manual

Crisis Intervention Incidents

410.4 COORDINATION WITH MENTAL HEALTH PROFESSIONALS

The Chief of Police should designate an appropriate liaison, such as the Community Policing Coordinator, to collaborate with mental health professionals to develop an education and response protocol. It should include a list of community resources, to guide department interaction with those who may be suffering from mental illness or who appear to be in a mental health crisis.

410.5 FIRST RESPONDERS

Safety is a priority for first responders. It is important to recognize that individuals under the influence of alcohol, drugs or both may exhibit symptoms that are similar to those of a person in a mental health crisis. These individuals may still present a serious threat to officers; such a threat should be addressed with reasonable tactics. Nothing in this policy shall be construed to limit an officer's authority to use reasonable force when interacting with a person in crisis.

Officers are reminded that mental health issues, mental health crises and unusual behavior alone are not criminal offenses. Individuals may benefit from treatment as opposed to incarceration.

An officer responding to a call involving a person in crisis should:

- (a) Promptly assess the situation independent of reported information and make a preliminary determination regarding whether a mental health crisis may be a factor.
- (b) Request available backup officers and specialized resources as deemed necessary and, if it is reasonably believed that the person is in a crisis situation, use conflict resolution and de-escalation techniques to stabilize the incident as appropriate.
- (c) If feasible, and without compromising safety, turn off flashing lights, bright lights or sirens.
- (d) Attempt to determine if weapons are present or available.
- (e) Take into account the person's mental and emotional state and potential inability to understand commands or to appreciate the consequences of his/her action or inaction, as perceived by the officer.
- (f) Secure the scene and clear the immediate area as necessary.
- (g) Employ tactics to preserve the safety of all participants.
- (h) Determine the nature of any crime.
- (i) Request a supervisor, as warranted.
- (j) Evaluate any available information that might assist in determining cause or motivation for the person's actions or stated intentions.
- (k) If circumstances reasonably permit, consider and employ alternatives to force.

410.6 DE-ESCALATION

Officers should consider that taking no action or passively monitoring the situation may be the most reasonable response to a mental health crisis.

Matteson Police Department

Policy Manual

Policy Manual

Crisis Intervention Incidents

Once it is determined that a situation is a mental health crisis and immediate safety concerns have been addressed, responding members should be aware of the following considerations and should generally:

- Evaluate safety conditions.
- Introduce themselves and attempt to obtain the person's name.
- Be patient, polite, calm, courteous and avoid overreacting.
- Speak and move slowly and in a non-threatening manner.
- Moderate the level of direct eye contact.
- Remove distractions or disruptive people from the area.
- Demonstrate active listening skills (e.g., summarize the person's verbal communication).
- Provide for sufficient avenues of retreat or escape should the situation become volatile.

Responding officers generally should not:

- Use stances or tactics that can be interpreted as aggressive.
- Allow others to interrupt or engage the person.
- Corner a person who is not believed to be armed, violent or suicidal.
- Argue, speak with a raised voice or use threats to obtain compliance.

410.7 INCIDENT ORIENTATION

When responding to an incident that may involve mental illness or a mental health crisis, the officer should request that the dispatcher provide critical information as it becomes available. This includes:

- (a) Whether the person relies on drugs or medication, or may have failed to take his/her medication.
- (b) Whether there have been prior incidents, suicide threats/attempts, and whether there has been previous police response.
- (c) Contact information for a treating physician or mental health professional.

Additional resources and a supervisor should be requested as warranted.

410.8 SUPERVISOR RESPONSIBILITIES

A supervisor should respond to the scene of any interaction with a person in crisis. Responding supervisors should:

- (a) Attempt to secure appropriate and sufficient resources.
- (b) Closely monitor any use of force, including the use of restraints, and ensure that those subjected to the use of force are provided with timely access to medical care (see the Handcuffing and Restraints Policy).

Matteson Police Department

Policy Manual

Policy Manual

Crisis Intervention Incidents

- (c) Consider strategic disengagement. Absent an imminent threat to the public and, as circumstances dictate, this may include removing or reducing law enforcement resources or engaging in passive monitoring.
- (d) Ensure that all reports are completed and that incident documentation uses appropriate terminology and language.
- (e) Conduct an after-action tactical and operational debriefing, and prepare an after-action evaluation of the incident to be forwarded to the Division Commander.
- (f) Evaluate whether a critical incident stress management debriefing for involved members is warranted.

410.9 INCIDENT REPORTING

Members engaging in any oral or written communication associated with a mental health crisis should be mindful of the sensitive nature of such communications and should exercise appropriate discretion when referring to or describing persons and circumstances.

Members having contact with a person in crisis should keep related information confidential, except to the extent that revealing information is necessary to conform to department reporting procedures or other official mental health or medical proceedings.

410.9.1 DIVERSION

Individuals who are not being arrested should be processed in accordance with the Civil Commitments Policy.

410.10 CIVILIAN INTERACTION WITH PEOPLE IN CRISIS

Civilian members may be required to interact with persons in crisis in an administrative capacity, such as dispatching, records request, and animal control issues.

- (a) Members should treat all individuals equally and with dignity and respect.
- (b) If a member believes that he/she is interacting with a person in crisis, he/she should proceed patiently and in a calm manner.
- (c) Members should be aware and understand that the person may make unusual or bizarre claims or requests.

If a person's behavior makes the member feel unsafe, if the person is or becomes disruptive or violent, or if the person acts in such a manner as to cause the member to believe that the person may be harmful to him/herself or others, an officer should be promptly summoned to provide assistance.

410.11 EVALUATION

The Deputy Chief should ensure that a thorough review and analysis of the department response to these incidents is conducted annually. No report will include identifying information pertaining to any involved individuals, officers or incidents and will be submitted to the Chief of Police through the chain of command.

Matteson Police Department

Policy Manual

410.12 TRAINING

Subject to available resources, the Department will provide training to department members to enable them to effectively interact with persons in crisis.

Training may include the ILETSB's training on crisis response (50 ILCS 705/10.17).

Civil Commitments

411.1 PURPOSE AND SCOPE

This policy provides guidelines for when officers may place an individual under a civil commitment (405 ILCS 5/1-100 et seq.).

411.2 POLICY

It is the policy of the Matteson Police Department to protect the public and individuals through legal and appropriate use of the civil commitment process.

411.3 AUTHORITY

An officer responding to, or handling, a call involving a suspected civil commitment may take that person into custody and transport him/her to an approved mental health facility when the officer has reasonable grounds to believe the person is in need of immediate hospitalization to protect him/herself or others from physical harm (405 ILCS 5/3-606).

Upon arrival at the facility, the officer should complete the written petition for involuntary admission, which includes (405 ILCS 5/3-601):

- A detailed statement of the reason for the commitment, including observed signs and symptoms, a description of any acts, threats, other behavior or pattern of behavior, and the time and place of occurrence.
- The name and address of the spouse, parent, guardian, substitute decision-maker, if any, and close relative, or if none, the name and address of a known friend. If this information is unavailable, the officer shall state that diligent inquiry was made.

If the petition is not completed by the officer transporting the person, the transporting officer's name, badge number, and department shall be included in the petition (405 ILCS 5/3-606).

411.3.1 MINORS

An officer may take a minor into custody and transport the minor to a mental health facility when there is reasonable grounds to believe that the minor has a mental illness or emotional disturbance of such severity that hospitalization is necessary to protect him/herself or others from physical harm, and that the minor is likely to benefit from inpatient treatment (405 ILCS 5/3-503; 405 ILCS 5/3-504(b)).

Upon arrival at the facility, the officer should complete the written petition for involuntary admission and shall further include (405 ILCS 5/3-503; 405 ILCS 5/3-504(b)):

- A detailed statement of the reason for the commitment, including a description of any acts or significant threats, and the time and place of occurrence.
- The name, address, and telephone number of any witness.

Civil Commitments

411.3.2 VOLUNTARY EVALUATION

If an officer encounters an individual who may qualify for civil commitment, he/she may inquire as to whether the person desires to voluntarily be evaluated at an appropriate facility. If the individual so desires, the officers should:

- (a) Transport the individual to an appropriate facility that is able to conduct the evaluation and admit the person pursuant to a civil commitment.
- (b) If at any point the individual changes his/her mind regarding voluntary evaluation, officers should proceed with the civil commitment, if appropriate.
- (c) Document the circumstances surrounding the individual's desire to pursue voluntary evaluation and/or admission.

411.4 CONSIDERATIONS AND RESPONSIBILITIES

Any officer handling a call involving an individual who may qualify for a civil commitment should consider, as time and circumstances reasonably permit:

- (a) Available information that might assist in determining the cause and nature of the individual's action or stated intentions.
- (b) Community or neighborhood mediation services.
- (c) Conflict resolution and de-escalation techniques.
- (d) Community or other resources available to assist in dealing with mental health issues.

While these steps are encouraged, nothing in this section is intended to dissuade officers from taking reasonable action to ensure the safety of the officers and others.

Civil commitments should be preferred over arrest for individuals who have mental health issues and are suspected of committing minor crimes or creating other public safety issues.

411.5 TRANSPORTATION

When transporting any individual for a civil commitment, the transporting officer should have the Dispatch Center notify the receiving facility of the estimated time of arrival, the level of cooperation of the individual, and whether any special medical care is needed.

Officers may transport individuals in a patrol vehicle and shall secure them in accordance with the Handcuffing and Restraints Policy. Should the detainee require transport in a medical transport vehicle and the safety of any person, including the detainee, requires the presence of an officer during the transport, Watch Commander approval is required before transport commences.

411.6 TRANSFER TO APPROPRIATE FACILITY

Upon arrival at the facility, the officer will escort the individual into a treatment area designated by a facility staff member. If the individual is not seeking treatment voluntarily, the officer should provide the staff member with the written petition for involuntary admission and remain present to provide clarification of the grounds for detention, upon request (405 ILCS 5/3-606).

Matteson Police Department

Policy Manual

Policy Manual

Civil Commitments

Absent exigent circumstances, the transporting officer should not assist facility staff with the admission process, including restraint of the individual. However, if the individual is transported and delivered while restrained, the officer may assist with transferring the individual to facility restraints and will be available to assist during the admission process, if requested. Under normal circumstances, officers will not apply facility-ordered restraints.

411.7 DOCUMENTATION

The officer should complete a petition for involuntary admission, provide it to the facility staff member assigned to the individual and retain a copy of the petition for inclusion in the case report.

The officer should also provide a verbal summary to any evaluating staff member regarding the circumstances leading to the involuntary detention.

411.7.1 NOTIFICATION TO ILLINOIS STATE POLICE

A member who reasonably determines that a person poses a clear and present danger because he/she has engaged in verbally or physically threatening behavior (e.g., violent, suicidal or assaultive threats or actions), shall ensure this information is reported to the Illinois State Police (ISP) within 24 hours (430 ILCS 65/8.1). The fact that the ISP has been notified and the manner of notification should be documented.

411.8 CRIMINAL OFFENSES

When an individual who may qualify for a civil commitment has committed a serious criminal offense that would normally result in an arrest and transfer to a jail facility, the officer should:

- (a) Arrest the individual when there is probable cause to do so.
- (b) Notify the appropriate supervisor of the facts supporting the arrest and the facts that would support the civil commitment.
- (c) Facilitate the individual's transfer to jail.
- (d) Thoroughly document in the related reports the circumstances that indicate the individual may qualify for a civil commitment.

In the supervisor's judgment, the individual may instead be arrested or booked and transported to the appropriate mental health facility. The supervisor should consider the seriousness of the offense, the treatment options available, the ability of this department to regain custody of the individual, department resources (e.g., posting a guard) and other relevant factors in making this decision.

411.9 FIREARMS AND OTHER WEAPONS

Whenever an individual is taken into custody for a civil commitment, the investigating officers should seek to determine if the individual owns or has access to any firearm or other deadly weapon. Officers should consider whether it is appropriate and consistent with current search and seizure law under the circumstances to seize any such firearms or other dangerous weapons (e.g., safekeeping, evidence, consent).

Matteson Police Department

Policy Manual

Policy Manual

Civil Commitments

Officers are cautioned that a search warrant may be needed before entering a residence or other place to search, unless lawful, warrantless entry has already been made (e.g., exigent circumstances, consent). A warrant may also be needed before searching for or seizing weapons.

The investigating officers should further advise the individual of the procedure for the return of any confiscated firearm or other weapon that has been taken into custody.

411.9.1 RETURN OF CONFISCATED FIREARMS AND WEAPONS

Whenever the investigating officer has cause to believe that the future return of any confiscated weapon might endanger the person or others, the officer should detail those facts and circumstances in a report. The investigating officer shall be responsible for contacting the Illinois State Police Firearms Services Bureau.

411.10 TRAINING

This department will endeavor to provide training approved by the Illinois Law Enforcement Training and Standards Board on interaction with mentally disabled persons, civil commitments and crisis intervention.

Notice to Appear or Summons Releases

412.1 PURPOSE AND SCOPE

The purpose of this policy is to provide members of the Matteson Police Department with guidance on when to release adults who are suspected offenders on a summons, notice to appear in court, or citation for a criminal offense, rather than having the person held in custody for a court appearance or on condition of pretrial release.

Additional release restrictions may apply to those detained for domestic violence, as outlined in the Domestic Violence Policy.

412.2 RELEASE

An officer shall issue a citation to appear in lieu of arrest to an individual accused of any offense that is not a felony or Class A misdemeanor when the individual (725 ILCS 5/109-1):

- (a) Presents valid identification.
- (b) Does not reasonably appear to pose a threat to members of the community or any person.
- (c) Does not reasonably appear to have any obvious medical or mental health issues that pose a risk to the individual's safety.
- (d) Ceases the criminal activity after the issuance of the citation.

An officer may, when arresting an individual for an offense for which pretrial release may not be denied, release the individual without taking the individual before a court (725 ILCS 5/109-1). A notice to appear may also be issued for certain individuals arrested without a warrant (725 ILCS 5/107-12).

412.3 CONSIDERATIONS

In determining whether to cite and release a person when discretion is permitted, officers should consider:

- (a) The type of offense committed.
- (b) The known criminal history of the suspected offender.
- (c) The ability to identify the suspected offender with reasonable certainty.
- (d) Whether there is any record of the individual failing to appear in previous cases or other articulable indications that the individual may not appear in court for this offense.
- (e) The individual's ties to the area, such as residence, employment or family.
- (f) Whether there is reasonable likelihood that criminal conduct by the individual will continue.

412.4 ALTERNATIVES TO ARREST

Officers must exercise discretion in the selection of an appropriate alternative to an arrest situation. Therefore, it is important to be aware of the alternatives to arrest and confinement. Alternatives of this nature include:

1. Traffic Citations:
 - (a) Traffic citations are used for non-felony violations of the Illinois Vehicle Code (625 ILCS) and certain village ordinances.
2. Local Ordinance/Adjudication Citations:
 - (a) Municipal violation ordinances are used for violations of the municipal code.
3. Parking and Compliance Violation Notices:
 - (a) These complaints are used for various parking violations and certain compliance equipment violations.
4. Warnings:
 - (a) Written or verbal warnings are used for minor traffic and ordinance violations. Warnings should not be used for major violations or those violations specifically addressed in a written directive.
5. Referral:
 - (a) Referral is the practice of directing a matter to another departmental component, village department, government agency, or social service organization.
6. Informal Resolution:
 - (a) Informal resolution is the practice of resolving problems without arrest, citation, or referral. Informal resolution is an excellent method to deal with minor violations, simple disputes, disagreements, or where the investigating officer determines that inadequate probable cause exists.

412.5 POLICY

The Matteson Police Department will consider its resources and its mission of protecting the community when exercising any discretion to release suspected offenders on a summons, notice to appear, or citation when authorized to do so.

Foreign Diplomatic and Consular Representatives

413.1 PURPOSE AND SCOPE

This policy provides guidelines to ensure that members of the Matteson Police Department extend appropriate privileges and immunities to foreign diplomatic and consular representatives in accordance with international law.

413.2 DOCUMENTATION

All contacts with persons who have claimed privileges and immunities afforded foreign diplomatic and consular representatives should be thoroughly documented and the related reports forwarded to DOS.

413.2 ENFORCEMENT ACTION

If the DOS is not immediately available for consultation regarding law enforcement action, members shall be aware of the following:

- (a) Generally, all persons with diplomatic and consular privileges and immunities may be issued a citation or notice to appear. However, the person may not be compelled to sign the citation.
- (b) All persons, even those with a valid privilege or immunity, may be reasonably restrained in exigent circumstances for purposes of self-defense, public safety, or the prevention of serious criminal acts.
- (c) An impaired foreign diplomatic or consular representative may be prevented from driving a vehicle, even if the person may not be arrested due to privileges and immunities.
 - (a) Investigations, including the request for field sobriety tests, chemical tests, and any other tests regarding impaired driving may proceed, but they shall not be compelled.
- (d) The following persons may not be detained or arrested, and any property or vehicle owned by these persons may not be searched or seized:
 - 1. Diplomatic-level staff of missions to international organizations and recognized family members
 - 2. Diplomatic agents and recognized family members
 - 3. Members of administrative and technical staff of a diplomatic mission and recognized family members
 - 4. Career consular officers, unless the person is the subject of a felony warrant
- (e) The following persons may generally be detained and arrested:
 - 1. International organization staff; however, some senior officers are entitled to the same treatment as diplomatic agents.

413.2 CLAIMS OF IMMUNITY

If a member comes into contact with a person where law enforcement action may be warranted, and the person claims diplomatic or consular privileges and immunities, the member should, without delay:

- (a) Notify a supervisor.
- (b) Advise the person that his/her claim will be investigated and he/she may be released in accordance with the law upon confirmation of the person's status.
- (c) Request the person's identification card, either issued by the U.S. Department of State (DOS), Office of the Chief of Protocol, or in the case of persons accredited to the United Nations, by the U.S. Mission to the United Nations. These are the only reliable documents for purposes of determining privileges and immunities.
- (d) Contact the DOS Diplomatic Security Command Center at 571-345-3146 or toll free at 866-217-2089, or at another current telephone number, and inform the center of the circumstances.
- (e) Verify the immunity status with DOS and follow any instructions regarding further detention, arrest, prosecution and/or release, as indicated by the DOS representative. This may require immediate release, even if a crime has been committed.

Identity or immunity status should not be presumed from the type of license plates displayed on a vehicle. If there is a question as to the status or the legitimate possession of a Diplomat or Consul license plate, a query should be run via the National Law Enforcement Telecommunications System (NLETS), designating "US" as the state.

413.2 POLICY

The Matteson Police Department respects international laws related to the special privileges and immunities afforded foreign diplomatic and consular representatives assigned to the United States.

All foreign diplomatic and consular representatives shall be treated with respect and courtesy, regardless of any privileges or immunities afforded them.

Rapid Response and Deployment

414.1 PURPOSE AND SCOPE

Violence that is committed in schools, workplaces and other locations by individuals or a group of individuals who are determined to target and kill persons and to create mass casualties presents a difficult situation for law enforcement. The purpose of this policy is to identify guidelines and factors that will assist responding officers in situations that call for rapid response and deployment.

414.2 POLICY

The Matteson Police Department will endeavor to plan for rapid response to crisis situations, and to coordinate response planning with other emergency services as well as with those that are responsible for operating sites that may be the target of a critical incident.

Nothing in this policy shall preclude the use of reasonable force, deadly or otherwise, by members of the Department in protecting themselves or others from death or serious injury.

414.3 FIRST RESPONSE

If there is a reasonable belief that acts or threats by a suspect are placing lives in imminent danger, first responding officers should consider reasonable options to reduce, prevent or eliminate the threat. Officers must decide, often under a multitude of difficult and rapidly evolving circumstances, whether to advance on the suspect, take other actions to deal with the threat or wait for additional resources.

If a suspect is actively engaged in the infliction of serious bodily harm or other life-threatening activity toward others, officers should take immediate action, if reasonably practicable, while requesting additional assistance.

Officers should remain aware of the possibility that an incident may be part of a coordinated multi-location attack that may require some capacity to respond to other incidents at other locations.

When deciding on a course of action officers should consider:

- (a) Whether to advance on or engage a suspect who is still a possible or perceived threat to others. Any advance or engagement should be based on information known or received at the time.
- (b) Whether to wait for additional resources or personnel. This does not preclude an individual officer from taking immediate action.
- (c) Whether individuals who are under imminent threat can be moved or evacuated with reasonable safety.
- (d) Whether the suspect can be contained or denied access to victims.
- (e) Whether the officers have the ability to effectively communicate with other personnel or resources.
- (f) Whether planned tactics can be effectively deployed.

Matteson Police Department

Policy Manual

Policy Manual

Rapid Response and Deployment

- (g) The availability of rifles, shotguns, shields, breaching tools, control devices and any other appropriate tools, and whether the deployment of these tools will provide a tactical advantage.

In a case of a barricaded suspect with no hostages and no immediate threat to others, officers should consider summoning and waiting for additional assistance (special tactics and/or hostage negotiation team response).

414.4 TRAINING

The Training Sergeant should include rapid response to critical incidents in the department training plan.

This training should address:

- (a) Orientation to likely critical incident target sites, such as schools, shopping centers, entertainment and sporting event venues.
- (b) Communications interoperability with other law enforcement and emergency service agencies.
- (c) Patrol first-response training, including patrol rifle, shotgun, breaching tool and control device training.
- (d) First aid, including gunshot trauma.
- (e) Reality-based scenario training (e.g., active shooter, disgruntled violent worker).

414.5 CONSIDERATIONS

When dealing with a crisis situation members should:

- (a) Assess the immediate situation and take reasonable steps to maintain operative control of the incident.
- (b) Obtain, explore and analyze sources of intelligence and known information regarding the circumstances, location and suspect involved in the incident.
- (c) Attempt to attain a tactical advantage over the suspect by reducing, preventing or eliminating any known or perceived threat.
- (d) Attempt, if feasible and based upon the suspect's actions and danger to others, a negotiated surrender of the suspect and release of the hostages.

414.6 PLANNING

The Patrol Division Commander should coordinate critical incident planning. Planning efforts should consider:

- (a) Identification of likely critical incident target sites, such as schools, shopping centers, entertainment and sporting event venues.
- (b) Availability of building plans and venue schematics of likely critical incident target sites.
- (c) Communications interoperability with other law enforcement and emergency service agencies.

Matteson Police Department

Policy Manual

Policy Manual

Rapid Response and Deployment

- (d) Training opportunities in critical incident target sites, including joint training with site occupants.
- (e) Evacuation routes in critical incident target sites.
- (f) Patrol first-response training.
- (g) Response coordination and resources of emergency medical and fire services.
- (h) Equipment needs.
- (i) Mutual aid agreements with other agencies.
- (j) Coordination with private security providers in critical incident target sites.

414.6.1 SCHOOL SAFETY DRILLS

The Training Sergeant should work with the administration of public and private elementary and secondary schools that offer education to persons under 21 to schedule annual on-site drills within 90 days after the first day of the school year to respond to school shooting incidents (105 ILCS 128/15; 105 ILCS 128/20).

Immigration Violations

416.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines to members of the Matteson Police Department relating to immigration and interacting with federal immigration officials.

416.2 POLICY

It is the policy of the Matteson Police Department that all members make personal and professional commitments to equal enforcement of the law and equal service to the public. Confidence in this commitment will increase the effectiveness of this department in protecting and serving the entire community and recognizing the dignity of all persons, regardless of their national origin or immigration status.

416.3 VICTIMS AND WITNESSES

To encourage crime reporting and cooperation in the investigation of criminal activity, all individuals, regardless of their immigration status, must feel secure that contacting or being addressed by members of law enforcement will not automatically lead to immigration inquiry and/or deportation. While it may be necessary to determine the identity of a victim or witness, members shall treat all individuals equally and not in any way that would violate the United States or Illinois constitutions.

416.4 DETENTIONS

An officer should not detain any individual, for any length of time, for a civil violation of federal immigration laws or a related civil warrant (5 ILCS 805/15).

An officer shall not inquire into an arrestee's immigration or citizenship status or country of birth unless there is a connection between the information and an investigation into a violation of state or local criminal law (5 ILCS 805/15).

An officer who has a reasonable suspicion that an individual already lawfully contacted or detained has committed a criminal violation of federal immigration law may detain the person for a reasonable period of time in order to contact federal immigration officials to verify whether an immigration violation is a federal civil violation or a criminal violation. If the violation is a criminal violation, the officer may continue to detain the person for a reasonable period of time if requested by federal immigration officials (8 USC § 1357(g)(10)). No individual who is otherwise ready to be released should continue to be detained only because questions about the individual's status are unresolved.

If the officer has facts that establish probable cause to believe that a person already lawfully detained has committed a criminal immigration offense, the officer may continue the detention and may request a federal immigration official to respond to the location to take custody of the detained person (8 USC § 1357(g)(10)).

Matteson Police Department

Policy Manual

Policy Manual

Immigration Violations

An officer is encouraged to forgo detentions made solely on the basis of a misdemeanor offense when time limitations, availability of personnel, issues of officer safety, communication capabilities, or the potential to obstruct a separate investigation outweigh the need for the detention.

An officer should notify a supervisor as soon as practicable whenever an individual is being detained for a criminal immigration violation.

416.4.1 SUPERVISOR RESPONSIBILITIES

When notified that an officer has detained an individual and established reasonable suspicion or probable cause to believe the person has violated a criminal immigration offense, the supervisor should determine whether it is appropriate to:

- (a) Transfer the person to federal authorities.
- (b) Lawfully arrest the person for a criminal offense or pursuant to a judicial warrant (see the Law Enforcement Authority Policy).

416.5 ARREST NOTIFICATION TO IMMIGRATION AND CUSTOMS ENFORCEMENT

Generally, an officer should not notify federal immigration officials when booking arrestees at a jail facility. Any required notification will be handled according to jail operation procedures. No individual who is otherwise ready to be released should continue to be detained solely for the purpose of notification.

416.6 FEDERAL REQUESTS FOR ASSISTANCE

Requests by federal immigration officials for assistance from this department should be directed to a supervisor.

No member of the Matteson Police Department, unless presented with a federal criminal warrant or otherwise required by federal law, shall (5 ILCS 805/15):

- (a) Participate in federal immigration enforcement operations, including offering collateral assistance such as the use of equipment, transporting individuals, or establishing a security or traffic perimeter.
- (b) Give federal immigration agents access, including by telephone, to any individual in the Matteson Police Department's custody.
- (c) Transfer any person into a federal immigration agent's custody.
- (d) Permit federal immigration agents the use of department facilities or equipment, including any agency electronic databases not available to the public, for investigative interviews or any other investigative or immigration enforcement purpose.
- (e) Enter into or maintain any agreement with any federal agency enforcing civil immigration violations granting direct access to any electronic database or other data-sharing platform maintained by the Matteson Police Department.
- (f) Provide to any federal immigration agent information not otherwise available to the public relating to an individual's release or contact information, or otherwise facilitate an immigration agent's apprehension or questioning of an individual for immigration enforcement.

416.7 INFORMATION SHARING

No member of this department will prohibit, or in any way restrict, any other member from doing any of the following regarding the citizenship or immigration status, lawful or unlawful, of any individual (8 USC § 1373; 5 ILCS 805/5):

- (a) Sending information to, or requesting or receiving such information from federal immigration officials
- (b) Maintaining such information in department records
- (c) Exchanging such information with any other federal, state, or local government entity

416.7.1 IMMIGRATION DETAINERS

No individual should be held based solely on a federal immigration detainer under 8 CFR 287.7 or any other hold request unless the person has been charged with a federal crime or the detainer is accompanied by a judicial warrant. Notification to the federal authority issuing the detainer should be made prior to the release (5 ILCS 805/15).

416.7.2 REPORTING TO THE ILLINOIS ATTORNEY GENERAL

The Criminal Investigations Division supervisor shall ensure that data regarding the number of requests for assistance from federal immigration authorities and of civil immigration detainers and warrants received is collected and provided to the Custodian of Records for required reporting to the Attorney General (see the Records Maintenance and Release Policy) (5 ILCS 805/25).

416.8 U VISA AND T VISA NONIMMIGRANT STATUS

Under certain circumstances, federal law allows temporary immigration benefits, known as a U visa, to victims and witnesses of certain qualifying crimes (8 USC § 1101(a)(15)(U)). The Criminal Investigations Division supervisor is designated to complete the law enforcement certification for a U visa.

Similar immigration protection, known as a T visa, is available for certain qualifying victims of human trafficking (8 USC § 1101(a)(15)(T)). The Criminal Investigations Division supervisor is designated to complete a law enforcement declaration for a T visa (5 ILCS 825/10).

Any request for assistance in applying for U visa or T visa status should be forwarded in a timely manner to the Criminal Investigations Division supervisor assigned to oversee the handling of any related case. The Criminal Investigations Division supervisor should:

- (a) Consult with the assigned investigator to determine the current status of any related case and whether further documentation is warranted.
- (b) Contact the appropriate prosecutor assigned to the case, if applicable, to ensure the certification or declaration has not already been completed and whether a certification or declaration is warranted.
- (c) Address the request and complete the certification or declaration, if appropriate, in a timely manner.
 - 1. The instructions for completing certification and declaration forms can be found on the U.S. Department of Homeland Security (DHS) website.

2. There is a rebuttable presumption that a victim is helpful, has been helpful, or is likely to be helpful to the detection, investigation, or prosecution of a qualifying crime if the victim has not refused or failed to provide information or assistance (5 ILCS 825/10).
 3. The appropriate form should be completed within 90 business days of the request unless (5 ILCS 825/10):
 - (a) There is a written agreement with the victim or the victim's representative extending the time to complete the form.
 - (b) The victim is eligible for expedited completion of the form.
 4. Complete and reissue an appropriate form within 90 days of a request to reissue by a victim unless the circumstances of the victim require expedited completion (5 ILCS 825/10).
- (d) Ensure that any decision to complete, or not complete, a certification or declaration form is documented in the case file and forwarded to the appropriate prosecutor. Include a copy of any completed form in the case file.

The Criminal Investigations Division supervisor and any designee processing requests should receive periodic training regarding the requirements of 5 ILCS 825/10 (5 ILCS 825/25).

416.8.1 NON-DISCLOSURE OF IMMIGRATION STATUS

No member shall disclose the immigration status of the victim or the person requesting the certification form unless authorized in writing by the individual or as required by law (5 ILCS 825/10).

416.8.2 PUBLICATION OF DECLARATION AND CERTIFICATION FORM PROCESS

The Criminal Investigations Division supervisor should make the department's procedures for certification requests publicly available for victims and their representatives (5 ILCS 825/10).

416.8.3 DENIAL OF CERTIFICATION

If certification is denied, the Criminal Investigations Division supervisor shall inform the victim or the victim's representative in writing of the reason for the denial and the opportunity to appeal the decision. The Criminal Investigations Division supervisor should respond to any appeals within 30 business days of receipt (5 ILCS 825/11).

416.8.4 U VISA AND T VISA DOCUMENTATION AND REPORTING

The Criminal Investigations Division supervisor shall collect written documentation regarding the number of requests that were (5 ILCS 825/20):

- (a) Received by the Matteson Police Department with the dates of receipt.
- (b) Granted and with the dates granted.
- (c) Denied and with the dates denied.

The Criminal Investigations Division supervisor or the authorized designee should ensure that the information collected regarding certification forms is transmitted in a timely manner to the Custodian of Records for annual reporting to the Illinois Attorney General.

416.9 TRAINING

The Training Sergeant should ensure officers receive training on this policy.

Training should include:

- (a) Identifying civil versus criminal immigration violations.
- (b) Factors that may be considered in determining whether a criminal immigration offense has been committed.

Emergency Utility Service

417.1 PURPOSE AND SCOPE

The Village Public Works Department has personnel available to handle emergency calls 24 hours per day. Calls for service during non-business hours are frequently directed to the Police Department. Requests for such service received by this department should be handled in the following manner.

417.1.1 BROKEN WATER LINES

The Village's responsibility ends at the water meter. Any break or malfunction in the water system from the water meter to the citizen's residence or business is the customer's responsibility. Public Works can only turn off the valve at the meter. The citizen can normally accomplish this.

If a break occurs on the Village side of the meter, emergency personnel should be called as soon as practical by the Dispatch Center.

417.1.2 ELECTRICAL LINES

Village Public Works does not maintain electrical lines to street light poles. When a power line poses a hazard, an officer should be dispatched to protect against personal injury or property damage that might be caused by power lines. The appropriate utility company or Public Works should be promptly notified.

417.1.3 RESERVOIRS, PUMPS, WELLS, ETC.

Public Works maintains the public water equipment and may maintain other municipal utility equipment as well. In the event of flooding or equipment malfunctions, emergency personnel should be contacted as soon as possible.

417.1.4 EMERGENCY NUMBERS

A current list of emergency personnel who are to be called for municipal utility emergencies is maintained by the Dispatch Center.

417.2 TRAFFIC SIGNAL MAINTENANCE

The Village of Matteson contracts with a private maintenance company to furnish maintenance for all traffic signals within the Village, other than those maintained by the Illinois Department of Transportation or other unit of government.

417.2.1 OFFICER'S RESPONSIBILITY

Upon observing a damaged or malfunctioning signal, the officer will advise the Dispatch Center of the location and problem with the signal. The telecommunicator should make the necessary notification to the proper maintenance agency.

Field Training

418.1 PURPOSE AND SCOPE

418.5 REQUIRED TRAINING

Entry level officers shall be required to successfully complete the Field Training Program, consisting of a minimum of 18 weeks.

The training period for lateral officers may be modified depending on the trainee's demonstrated performance and level of experience, but shall consist of a minimum of eight weeks.

He/she shall also become proficient with those skills as set forth in the manual.

The Field Training Manual will specifically cover those policies, procedures, rules and regulations enacted by the Matteson Police Department.

Aircraft Accidents

419.1 PURPOSE AND SCOPE

The purpose of this policy is to provide department members with guidelines for handling aircraft accidents.

This policy does not supersede, and is supplementary to, applicable portions of the Crime and Disaster Scene Integrity, Emergency Management Plan and Hazardous Material Response policies.

419.1.1 DEFINITIONS

Definitions related to this policy include:

Aircraft - Any fixed wing aircraft, rotorcraft, balloon, blimp/dirigible or glider that is capable of carrying a person or any unmanned aerial vehicle other than those intended for non-commercial recreational use.

419.2 POLICY

It is the policy of the Matteson Police Department to provide an appropriate emergency response to aircraft accidents. This includes emergency medical care and scene management.

419.3 DOCUMENTATION

All aircraft accidents occurring within the Village of Matteson shall be documented. At a minimum, the documentation should include the date, time and location of the incident; any witness statements, if taken; the names of MPD members deployed to assist; other Village resources that were utilized; and cross reference information to other investigating agencies. Suspected criminal activity should be documented on the appropriate crime report.

419.3.1 WRECKAGE

When reasonably safe, members should:

- (a) Obtain the aircraft registration number (N number) and note the type of aircraft.
- (b) Attempt to ascertain the number of casualties.
- (c) Obtain photographs or video of the overall wreckage, including the cockpit and damage, starting at the initial point of impact, if possible, and any ground scars or marks made by the aircraft.
 1. Military aircraft may contain classified equipment and therefore shall not be photographed unless authorized by a military commanding officer (18 USC § 795).
- (d) Secure, if requested by the lead authority, any electronic data or video recorders from the aircraft that became dislodged or cell phones or other recording devices that are part of the wreckage.
- (e) Acquire copies of any recordings from security cameras that may have captured the incident.

Matteson Police Department

Policy Manual

Policy Manual

Aircraft Accidents

419.3.2 WITNESSES

Members tasked with contacting witnesses should obtain:

- (a) The location of the witness at the time of his/her observation relative to the accident site.
- (b) A detailed description of what was observed or heard.
- (c) Any photographs or recordings of the accident witnesses may be willing to voluntarily surrender.
- (d) The names of all persons reporting the accident, even if not yet interviewed.
- (e) Any audio recordings of reports to 9-1-1 regarding the accident and dispatch records.

419.4 ARRIVAL AT SCENE

Officers or other authorized members tasked with initial scene management should establish an inner and outer perimeter to:

- (a) Protect persons and property.
- (b) Prevent any disturbance or further damage to the wreckage or debris, except to preserve life or rescue the injured.
- (c) Preserve ground scars and marks made by the aircraft.
- (d) Manage the admission and access of public safety and medical personnel to the extent necessary to preserve life or to stabilize hazardous materials.
- (e) Maintain a record of persons who enter the accident site.
- (f) Consider implementation of an Incident Command System (ICS).

419.5 INJURIES AND CASUALTIES

Members should address emergency medical issues and provide care as a first priority.

Those tasked with the supervision of the scene should coordinate with the National Transportation Safety Board (NTSB) before the removal of bodies. If that is not possible, the scene supervisor should ensure documentation of what was disturbed, including switch/control positions and instrument/gauge readings.

419.6 NOTIFICATIONS

When an aircraft accident is reported to this department, the responding supervisor shall ensure notification is or has been made to NTSB, the Federal Aviation Administration (FAA), and when applicable, the appropriate branch of the military.

Supervisors shall ensure other notifications are made once an aircraft accident has been reported. The notifications will vary depending on the type of accident, extent of injuries or damage, and the type of aircraft involved. When an aircraft accident has occurred, it is generally necessary to notify the following:

- (a) Fire department
- (b) Appropriate airport tower

Matteson Police Department

Policy Manual

Policy Manual

Aircraft Accidents

- (c) Emergency medical services (EMS)

419.7 CONTROLLING ACCESS AND SCENE AUTHORITY

Prior to NTSB arrival, scene access should be limited to authorized personnel from the:

- (a) FAA.
- (b) Fire department, EMS or other assisting law enforcement agencies.
- (c) Medical Examiner.
- (d) Air Carrier/Operators investigative teams with NTSB approval.
- (e) Appropriate branch of the military, when applicable.
- (f) Other emergency services agencies (e.g., hazardous materials teams, biohazard decontamination teams, fuel recovery specialists, explosive ordnance disposal specialists).

The NTSB has primary responsibility for investigating accidents involving civil aircraft. In the case of a military aircraft accident, the appropriate branch of the military will have primary investigation responsibility.

After the NTSB or military representative arrives on-scene, the efforts of this department will shift to a support role for those agencies.

If NTSB or a military representative determines that an aircraft or accident does not qualify under its jurisdiction, the on-scene department supervisor should ensure the accident is still appropriately investigated and documented.

419.8 DANGEROUS MATERIALS

Members should be aware of potentially dangerous materials that might be present. These may include, but are not limited to:

- (a) Fuel, chemicals, explosives, biological or radioactive materials and bombs or other ordnance.
- (b) Pressure vessels, compressed gas bottles, accumulators and tires.
- (c) Fluids, batteries, flares and igniters.
- (d) Evacuation chutes, ballistic parachute systems and composite materials.

419.9 MEDIA RELATIONS

The Public Information Officer ([PIO]) should coordinate a response to the media, including access issues, road closures, detours and any safety information that is pertinent to the surrounding community. Any release of information regarding details of the accident itself should be coordinated with the NTSB or other authority who may have assumed responsibility for the investigation.

Depending on the type of aircraft, the airline or the military may be responsible for family notifications and the release of victims' names. The [PIO] should coordinate with other involved entities before the release of information.

Obtaining Air Support Assistance

420.1 PURPOSE AND SCOPE

The use of a law enforcement helicopter can be invaluable in certain situations. This policy specifies potential situations where the use of a helicopter may be requested and the responsibilities for making a request.

420.2 REQUEST FOR HELICOPTER ASSISTANCE

If a supervisor or officer in charge of an incident determines that the use of a helicopter would be beneficial, a request to obtain helicopter assistance may be made.

420.2.1 REQUEST FOR ASSISTANCE FROM ANOTHER AGENCY

After consideration and approval of the request for a helicopter, the Watch Commander, or his/her designee, will call the closest agency having helicopter support available. The Watch Commander on duty will apprise that agency of the specific details of the incident prompting the request.

420.2.2 CIRCUMSTANCES UNDER WHICH AID MAY BE REQUESTED

Law Enforcement helicopters may be requested under any of the following conditions:

- (a) When the helicopter is activated under existing mutual aid agreements.
- (b) Whenever the safety of law enforcement personnel is in jeopardy and the presence of the helicopters may reduce such hazard.
- (c) When the use of the helicopters will aid in the capture of a suspected fleeing felon whose continued freedom represents an ongoing threat to the community.
- (d) When a helicopter is needed to locate a person who has strayed or is lost and whose continued absence constitutes a serious health or safety hazard.
- (e) Vehicle pursuits.

While it is recognized that the availability of helicopter support will generally provide valuable assistance to ground personnel, the presence of a helicopter will rarely replace the need for officers on the ground.

Contacts and Temporary Detentions

421.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for temporarily detaining, but not arresting persons in the field, conducting field interviews (FI), and pat-down searches, and the taking and disposition of photographs.

421.1.1 DEFINITIONS

Definitions related to this policy include:

Consensual encounter - When an officer contacts an individual but does not create a detention through words, actions, or other means. In other words, a reasonable individual would believe that his/her contact with the officer is voluntary.

Field interview (FI) - The brief detainment of an individual, whether on foot or in a vehicle, based on reasonable suspicion for the purpose of determining the individual's identity and resolving the officer's suspicions.

Field photographs - Posed photographs taken of a person during a contact, temporary detention, or arrest in the field. Undercover surveillance photographs of an individual and recordings captured by the normal operation of a Mobile Audio/Video (MAV) system, body-worn camera, or public safety camera when persons are not posed for the purpose of photographing are not considered field photographs.

Pat-down search - A type of search used by officers in the field to check an individual for dangerous weapons. It involves a thorough patting-down of clothing to locate any weapons or dangerous items that could pose a danger to the officer, the detainee, or others.

Reasonable suspicion - When, under the totality of the circumstances, an officer has articulable facts that criminal activity may be afoot and a particular person is connected with that possible criminal activity.

Temporary detention - When an officer intentionally, through words, actions, or physical force, causes an individual to reasonably believe he/she is required to restrict his/her movement without an actual arrest. Temporary detentions also occur when an officer actually restrains a person's freedom of movement.

421.2 POLICY

The Matteson Police Department respects the right of the public to be free from unreasonable searches or seizures. Due to an unlimited variety of situations confronting the officer, the decision to temporarily detain a person and complete an FI, pat-down search, or field photograph shall be left to the officer based on the totality of the circumstances, officer safety considerations, and constitutional safeguards.

Matteson Police Department

Policy Manual

Policy Manual

Contacts and Temporary Detentions

421.3 FIELD INTERVIEWS

Based on observance of suspicious circumstances, or upon information from an investigation, an officer may initiate the stop of a person, and conduct an FI, when there is articulable, reasonable suspicion to do so. A person, however, shall not be detained longer than is reasonably necessary to resolve the officer's suspicion.

Nothing in this policy is intended to discourage consensual contacts. Frequent casual contact with consenting individuals is encouraged by the Matteson Police Department to strengthen community involvement, community awareness, and problem identification.

421.3.1 INITIATING A FIELD INTERVIEW

When initiating the stop, the officer should be able to point to specific facts, which, when considered with the totality of the circumstances, reasonably warrant the stop. Such facts include, but are not limited to, an individual's:

- (a) Appearance or demeanor suggesting that he/she is part of a criminal enterprise or is engaged in a criminal act.
- (b) Actions suggesting that he/she is engaged in a criminal activity.
- (c) Presence in an area at an inappropriate hour of the day or night.
- (d) Presence in a particular area is suspicious.
- (e) Carrying of suspicious objects or items.
- (f) Excessive clothes for the climate or clothes bulging in a manner that suggest he/she is carrying a dangerous weapon.
- (g) Location in proximate time and place to an alleged crime.
- (h) Physical description or clothing worn that matches a suspect in a recent crime.
- (i) Prior criminal record or involvement in criminal activity as known by the officer.

421.4 PAT-DOWN SEARCHES

Once a valid stop has been made, and consistent with the officer's training and experience, an officer may pat a suspect's outer clothing for weapons if the officer has a reasonable, articulable suspicion the suspect may pose a safety risk. The purpose of this limited search is not to discover evidence of a crime, but to allow the officer to pursue the investigation without fear of violence. Circumstances that may establish justification for performing a pat-down search include, but are not limited to:

- (a) The type of crime suspected, particularly in crimes of violence where the use or threat of weapons is involved.
- (b) Where more than one suspect must be handled by a single officer.
- (c) The hour of the day and the location or area where the stop takes place.
- (d) Prior knowledge of the suspect's use of force and/or propensity to carry weapons.
- (e) The actions and demeanor of the suspect.

Matteson Police Department

Policy Manual

Policy Manual

Contacts and Temporary Detentions

- (f) Visual indications which suggest that the suspect is carrying a firearm or other dangerous weapon.

Whenever practicable, a pat-down search should not be conducted by a lone officer. A cover officer should be positioned to ensure safety and should not be involved in the search.

421.5 FIELD PHOTOGRAPHS

All available databases should be searched before photographing any field detainee. If a photograph is not located, or if an existing photograph no longer resembles the detainee, the officer shall carefully consider, among other things, the factors listed below.

421.5.1 FIELD PHOTOGRAPHS TAKEN WITH CONSENT

Field photographs may be taken when the subject being photographed knowingly and voluntarily gives consent. When taking a consensual photograph, the officer should have the individual read and sign the appropriate consent form accompanying the photograph. The department's Consent to Search form will suffice with the proper annotation be documented on the form.

421.5.2 FIELD PHOTOGRAPHS TAKEN WITHOUT CONSENT

Field photographs may be taken without consent only if they are taken during a detention that is based upon reasonable suspicion of criminal activity, and the photograph serves a legitimate law enforcement purpose related to the detention. The officer must be able to articulate facts that reasonably indicate that the subject was involved in, or was about to become involved in, criminal conduct. The subject should not be ordered to remove or lift any clothing for the purpose of taking a photograph.

If, prior to taking a photograph, the officer's reasonable suspicion of criminal activity has been dispelled, the detention must cease and the photograph should not be taken.

All field photographs and related reports shall be submitted to a supervisor and retained in compliance with this policy.

421.5.3 DISPOSITION OF PHOTOGRAPHS

All detainee photographs must be adequately labeled and submitted to the Watch Commander with either an associated FI card or other documentation explaining the nature of the contact. If an individual is photographed as a suspect in a particular crime, the photograph should be submitted as an evidence item in the related case, following standard evidence procedures.

If a photograph is not associated with an investigation where a case number has been issued, the Watch Commander should review and forward the photograph to one of the following locations:

- (a) If the photograph and associated FI or documentation is relevant to criminal organization/enterprise enforcement, the Watch Commander will forward the photograph and documents to the designated criminal intelligence system supervisor. The supervisor will ensure the photograph and supporting documents are retained as prescribed in the Criminal Organizations Policy.

Matteson Police Department

Policy Manual

Policy Manual

Contacts and Temporary Detentions

- (b) Photographs that do not qualify for retention in a criminal intelligence system or temporary information file shall be forwarded to the Records Section.

When a photograph is taken in association with a particular case, the investigator may use such photograph in a photo lineup. Thereafter, the individual photograph should be retained as a part of the case file. All other photographs shall be retained in accordance with the established records retention schedule.

421.5.4 SUPERVISOR RESPONSIBILITIES

While it is recognized that field photographs often become valuable investigative tools, supervisors should monitor such practices in view of the above listed considerations. This is not to imply that supervisor approval is required before each photograph is taken.

Access to, and use of, field photographs shall be strictly limited to law enforcement purposes.

421.6 SUPERVISOR RESPONSIBILITY

While it is recognized that field photographs often become valuable investigative tools, supervisors should monitor such practices in view of the above listed considerations. This is not to imply that supervisor approval is required before each photograph. Access to field photographs shall be strictly limited to law enforcement purposes.

421.7 DISPOSITION OF PHOTOGRAPHS

All detainee photographs must be adequately labeled and submitted to the Watch Commander with either an associated FI card or other memorandum explaining the nature of the contact. If an individual is photographed as a suspect in a particular crime, the photograph should be submitted as an evidence item in the related case, following standard evidence procedures.

If a photograph is not associated with an investigation where a case number has been issued, the Watch Commander should review and forward the photograph to one of the following locations:

- (a) If the photo and associated FI or memorandum is relevant to criminal street gang enforcement, the Watch Commander will forward the photo and documents to the Criminal Investigations Division (CID). The CID supervisor will ensure the photograph and supporting documents are retained as prescribed by the Criminal Organizations Policy.
- (b) Photographs that do not qualify for Criminal Street Gang file retention, or which are not evidence in an investigation with an assigned case number, should be forwarded to the Records Section.

When a photograph is taken in association with a particular case, the detective may use such photograph in a photo lineup. Thereafter, the individual photograph should be retained as a part of the case file. All other photographs will be kept in the Records Section in a separate non-booking photograph file in alphabetical order.

421.8 STOP RECEIPTS

Whenever an officer stops a person in a public place and pat-down searches the person or the person's property, the officer should issue a stop receipt providing the reason for the stop and containing the member's name and badge number (725 ILCS 5/107-14).

421.9 WITNESS IDENTIFICATION AND INTERVIEWS

Because potential witnesses to an incident may become unavailable, or the integrity of their statements compromised with the passage of time, officers should, when warranted by the seriousness of the case, take reasonable steps to promptly coordinate with an on-scene supervisor, and/or criminal investigator, to utilize available members for the following:

- (a) Identifying all persons present at the scene and in the immediate area.
 - 1. When feasible, a recorded statement should be obtained from those who claim not to have witnessed the incident but who were present at the time it occurred.
 - 2. Any potential witness who is unwilling or unable to remain available for a formal interview should not be detained absent reasonable suspicion to detain or probable cause to arrest. Without detaining the individual for the sole purpose of identification, officers should attempt to identify the witness prior to his/her departure.
- (b) Witnesses who are willing to provide a formal interview should be asked to meet at a suitable location where criminal investigators may obtain a recorded statement. Such witnesses, if willing, may be transported by department members.
 - 1. A written, verbal, or recorded statement of consent should be obtained prior to transporting a witness. When the witness is a minor, consent should be obtained from the parent or guardian, if available, prior to transport.

Criminal Organizations

422.1 PURPOSE AND SCOPE

The purpose of this policy is to ensure that the Matteson Police Department appropriately utilizes criminal intelligence systems and temporary information files to support investigations of criminal organizations and enterprises.

422.1.1 DEFINITIONS

Definitions related to this policy include:

Criminal intelligence system - Any record system that receives, stores, exchanges or disseminates information that has been evaluated and determined to be relevant to the identification of a criminal organization or enterprise, its members or affiliates. This does not include temporary information files.

422.2 POLICY

The Matteson Police Department recognizes that certain criminal activities, including but not limited to gang crimes and drug trafficking, often involve some degree of regular coordination and may involve a large number of participants over a broad geographical area.

It is the policy of this department to collect and share relevant information while respecting the privacy and legal rights of the public.

422.3 CRIMINAL INTELLIGENCE SYSTEMS

No [department/office] member may create, submit to, or obtain information from a criminal intelligence system unless the Chief of Police has approved the system for [department/office] use.

Any criminal intelligence system approved for [department/office] use should meet or exceed the standards of 28 CFR 23.20 and the Law Enforcement Gang Database Information Act, 5 ILCS 865/1, et seq., as applicable.

A designated supervisor will be responsible for maintaining each criminal intelligence system that has been approved for [department/office] use. The supervisor or the authorized designee should ensure the following:

- (a) Members using any such system are appropriately selected and trained
- (b) Use of every criminal intelligence system is appropriately reviewed and audited
- (c) Any system security issues are reasonably addressed
- (d) A review and purge process is utilized, as applicable (5 ILCS 865/10)

422.3.1 SYSTEM ENTRIES

It is the designated supervisor's responsibility to approve the entry of any information from a report, field interview (FI) form, photo, or other relevant document into an authorized criminal intelligence system. If entries are made based upon information that is not on file with this [department/office], such as open or public source documents or documents that are on file at another agency, the

Matteson Police Department

Policy Manual

Policy Manual

Criminal Organizations

designated supervisor should ensure copies of those documents are retained by the Records Section. Any supporting documentation for an entry shall be retained by the Records Section in accordance with the established records retention schedule and for at least as long as the entry is maintained in the system.

The designated supervisor should ensure that any documents retained by the Records Section are appropriately marked as intelligence information. The Records Supervisor may not purge such documents without the approval of the designated supervisor.

422.3.2 SWORD SYSTEM ENTRIES

It is the designated supervisor's responsibility to approve the entry of any information into the Statewide Organized Criminal Gang Database (SWORD) criminal intelligence system (20 ILCS 2605/2605-305). Entries into such a database should be based upon on reasonable suspicion of criminal activity or actual criminal activity, and should be supported by documentation, where documentation is available.

The designated supervisor may approve creation or submission of information into the SWORD criminal intelligence system when the individual has been arrested and there is a reasonable belief that the individual is a member or affiliate of an organized gang. The designated supervisor may notify the appropriate prosecutor of the individual's alleged gang membership or gang affiliate status (20 ILCS 2640/15).

422.4 TEMPORARY INFORMATION FILE

No member may create or keep files on individuals that are separate from the approved criminal intelligence system. However, members may maintain temporary information that is necessary to actively investigate whether a person or group qualifies for entry into the department-approved CIS only as provided in this section. Once information qualifies for inclusion, it should be submitted to the supervisor responsible for consideration of CIS entries.

422.4.1 FILE CONTENTS

A temporary information file may only contain information and documents that, within one year, will have a reasonable likelihood to meet the criteria for entry into an authorized criminal intelligence system.

Information and documents contained in a temporary information file:

- (a) Must only be included upon documented authorization of the responsible [department/office] supervisor.
- (b) Should not be originals that would ordinarily be retained by the Records Section or Evidence Room, but should be copies of, or references to, retained documents such as copies of reports, FI forms, the Dispatch Center records, or booking forms.
- (c) Shall not include opinions. No person, organization, or enterprise shall be labeled as being involved in crime beyond what is already in the document or information.

Matteson Police Department

Policy Manual

Policy Manual

Criminal Organizations

- (d) May include information collected from publicly available sources or references to documents on file with another government agency. Attribution identifying the source should be retained with the information.

422.4.2 FILE REVIEW AND PURGING

The contents of a temporary information file shall not be retained longer than one year. At the end of one year, the contents must be purged or entered in an authorized criminal intelligence system, as applicable.

The designated supervisor shall periodically review the temporary information files to verify that the contents meet the criteria for retention. Validation and purging of files is the responsibility of the supervisor.

422.5 INFORMATION RECOGNITION

Department members should document facts that suggest an individual, organization or enterprise is involved in criminal activity and should forward that information appropriately. Examples include, but are not limited to:

- (a) Gang indicia associated with a person or residence.
- (b) Information related to a drug-trafficking operation.
- (c) Vandalism indicating an animus for a particular group.
- (d) Information related to an illegal gambling operation.

Department supervisors who utilize an authorized criminal intelligence system should work with the Training Sergeant to train members to identify information that may be particularly relevant for inclusion.

422.6 RELEASE OF INFORMATION

Department members shall comply with the rules of an authorized criminal intelligence system regarding inquiries and release of information.

Information from a temporary information file may only be furnished to department members and other law enforcement agencies on a need-to-know basis and consistent with the Records Maintenance and Release Policy.

When an inquiry is made by the parent or guardian of a juvenile as to whether that juvenile's name is in a temporary information file, such information should be provided by the supervisor responsible for the temporary information file, unless there is good cause to believe that the release of such information might jeopardize an ongoing criminal investigation.

422.7 CRIMINAL STREET GANGS

The Criminal Investigations Division supervisor should ensure that there are an appropriate number of department members who can:

Matteson Police Department

Policy Manual

Policy Manual

Criminal Organizations

- (a) Testify as experts on matters related to criminal street gangs, and maintain an above average familiarity with identification of criminal street gangs, criminal street gang members and patterns of criminal gang activity.
- (b) Coordinate with other agencies in the region regarding criminal street gang crimes and information.
- (c) Train other members to identify gang indicia and investigate criminal street gang-related crimes.

422.8 TRAINING

The Training Sergeant should provide training on best practices in the use of each authorized criminal intelligence system to those tasked with investigating criminal organizations and enterprises. Training should include:

- (a) The protection of civil liberties.
- (b) Participation in a multiagency criminal intelligence system.
- (c) Submission of information into a multiagency criminal intelligence system or the receipt of information from such a system, including any governing federal and state rules and statutes.
- (d) The type of information appropriate for entry into a criminal intelligence system or temporary information file.
- (e) The review and purging of temporary information files.

Watch Commanders

423.1 PURPOSE AND SCOPE

Each patrol shift must be directed by supervisors who are capable of making sound decisions and effectively communicating in a manner consistent with departmental policies, procedures, practices, functions, and objectives. To accomplish this goal, a Sergeant heads each watch.

The complete job description of a police sergeant can be found in the Village of Matteson's approved job description listing as provided by the Human Resources Department.

423.2 DESIGNATION AS ACTING WATCH COMMANDER

When a Sergeant is unavailable for duty as Watch Commander, the officer-in-charge shall be designated as acting Watch Commander. This policy does not preclude designating a less senior officer-in-charge as an acting Watch Commander when operational needs require or training permits. In the event that the sergeant and officer-in-charge are unavailable, the senior officer shall be in charge until the watch commander becomes available.

Mobile Digital Terminal Use

424.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the proper access, use and application of the Mobile Digital Terminal (MDT) system in order to ensure appropriate access to confidential records from local, state and national law enforcement databases, and to ensure effective electronic communications between department members and the Dispatch Center.

424.2 POLICY

Matteson Police Department members using the MDT shall comply with all appropriate federal and state rules and regulations and shall use the MDT in a professional manner, in accordance with this policy.

424.3 PRIVACY EXPECTATION

Members forfeit any expectation of privacy with regard to messages accessed, transmitted, received or reviewed on any department technology system (see the Information Technology Use Policy for additional guidance).

424.4 RESTRICTED ACCESS AND USE

MDT use is subject to the Information Technology Use and Protected Information policies.

Members shall not access the MDT system if they have not received prior authorization and the required training. Members shall immediately report unauthorized access or use of the MDT by another member to their supervisors or Watch Commanders.

Use of the MDT system to access law enforcement databases or transmit messages is restricted to official activities, business-related tasks and communications that are directly related to the business, administration or practices of the Department. In the event that a member has questions about sending a particular message or accessing a particular database, the member should seek prior approval from his/her supervisor.

Sending derogatory, defamatory, obscene, disrespectful, sexually suggestive, harassing or any other inappropriate messages on the MDT system is prohibited and may result in discipline.

It is a violation of this policy to transmit a message or access a law enforcement database under another member's name or to use the password of another member to log in to the MDT system unless directed to do so by a supervisor. Members are required to log off the MDT or secure the MDT when it is unattended. This added security measure will minimize the potential for unauthorized access or misuse.

424.4.1 USE WHILE DRIVING

Use of the MDT by the vehicle operator should be limited to times when the vehicle is stopped. Information that is required for immediate enforcement, investigative, tactical or safety needs should be transmitted over the radio.

Matteson Police Department

Policy Manual

Policy Manual

Mobile Digital Terminal Use

In no case shall an operator attempt to send or review lengthy messages while the vehicle is in motion.

424.5 DOCUMENTATION OF ACTIVITY

Except as otherwise directed by the Watch Commander or other department-established protocol, all calls for service assigned by a dispatcher should be communicated by voice over the police radio and electronically via the MDT unless security or confidentiality prevents such broadcasting.

MDT and voice transmissions are used to document the member's daily activity. To ensure accuracy:

- (a) All contacts or activity shall be documented at the time of the contact.
- (b) Whenever the activity or contact is initiated by voice, it should be documented by a dispatcher.
- (c) Whenever the activity or contact is not initiated by voice, the member shall document it via the MDT.

424.5.1 STATUS CHANGES

All changes in status (e.g., arrival at scene, meal periods, in service) will be transmitted over the police radio or through the MDT system.

Members responding to in-progress calls should advise changes in status over the radio to assist other members responding to the same incident. Other changes in status can be made on the MDT when the vehicle is not in motion.

424.5.2 EMERGENCY ACTIVATION

If there is an emergency activation and the member does not respond to a request for confirmation of the need for emergency assistance or confirms the need, available resources will be sent to assist in locating the member. If the location is known, the nearest available officer should respond in accordance with the Officer Response to Calls Policy.

Members should ensure a field supervisor and the Watch Commander are notified of the incident without delay.

Officers not responding to the emergency shall refrain from transmitting on the police radio until a no-further-assistance broadcast is made or if they are also handling an emergency.

424.6 EQUIPMENT CONSIDERATIONS

424.6.1 MALFUNCTIONING

Whenever possible, members will not use vehicles with malfunctioning MDTs. Whenever members must drive a vehicle in which the MDT is not working, they shall notify the Dispatch Center. It shall be the responsibility of the dispatcher to document all information that will then be transmitted verbally over the police radio.

424.6.2 BOMB CALLS

When investigating reports of possible bombs, members should not communicate on their MDTs when in the evacuation area of a suspected explosive device. Radio frequency emitted by the MDT could cause some devices to detonate.

Portable Audio/Video Recorders

425.1 PURPOSE AND SCOPE

This policy provides guidelines for the use of portable audio/video recording devices by members of this department while in the performance of their duties (50 ILCS 706/10-20). Portable audio/video recording devices include all recording systems whether body-worn, hand-held or integrated into portable equipment.

This policy does not apply to mobile audio/video recordings, interviews or interrogations conducted at any Matteson Police Department facility, authorized undercover operations, wiretaps or eavesdropping (concealed listening devices).

425.1.1 DEFINITIONS

Definitions related to this policy include (50 ILCS 706/10-10):

Body-worn camera or camera - An electronic camera system for creating, generating, sending, receiving, storing, displaying, and processing audiovisual recordings that may be worn about the person of a law enforcement officer.

Law enforcement-related activities - Activities in which the member is enforcing the law, including traffic or pedestrian stops, arrests, searches, interrogations, investigations, pursuits, crowd, and traffic control. It does not include tasks unrelated to the investigation of a crime such as participating in town halls or other community outreach; helping a child find the child's parents; providing death notifications; performing in-home or hospital well-being checks on the sick, elderly, or persons presumed missing; or completing paperwork while alone, participating in training in a classroom setting, or is only in the presence of another law enforcement officer.

Portable recorder or recorder - Either an audio-only recording device or a body-worn camera.

425.2 POLICY

The Matteson Police Department may provide members with access to portable recorders, either audio or video or both, for use during the performance of their duties. The use of recorders is intended to enhance the mission of the Department by accurately capturing contacts between members of the Department and the public (50 ILCS 706/10-15).

425.3 BODY-WORN CAMERA COORDINATOR

The Chief of Police or the authorized designee should designate a coordinator responsible for (50 ILCS 706/10-20):

- (a) Identifying members who are assigned body-worn cameras.
- (b) Identifying members permitted to access recordings in order to redact or duplicate recordings.
- (c) Ensuring body-worn cameras acquired on or after July 1, 2015, are equipped with pre-event recording of at least the 30 seconds prior to camera activation and are capable of recording for a period of at least 10 hours.

Matteson Police Department

Policy Manual

Policy Manual

Portable Audio/Video Recorders

- (d) Establishing procedures for:
 - 1. The care and maintenance of body-worn cameras, including reasonable efforts to be made by supervisors to correct or repair body-worn camera equipment upon notice from a member experiencing technical difficulties, failures, or problems with the equipment.
 - 2. Compliance with the Law Enforcement Officer-Worn Body Camera Act and guidelines established by the Illinois Law Enforcement Training and Standards Board (ILETSB) for the use of body-worn cameras.
 - 3. Security of recordings including access controls.
 - 4. Redacting and duplicating recordings.
 - 5. Supervisor and member review of recordings.
- (e) Providing an annual report to the ILETSB pursuant to 50 ILCS 706/10-25.
- (f) Ensuring the [Department/Office] uses authorized body-worn camera recording media (50 ILCS 706/10-10).

425.4 MEMBER PRIVACY EXPECTATION

All recordings made by members on any department-issued device at any time, and any recording made while acting in an official capacity of this department, regardless of ownership of the device it was made on, shall remain the property of the Department. Members shall have no expectation of privacy or ownership interest in the content of these recordings.

425.5 MEMBER RESPONSIBILITIES

Prior to going into service, each uniformed member will be responsible for making sure that he/she is equipped with a portable recorder issued by the Department, and that the recorder is in good working order. If the recorder is not in working order or the member becomes aware of a malfunction at any time, the member shall promptly report the failure to his/her supervisor and obtain a functioning device as soon as reasonably practicable (50 ILCS 706/10-20). Uniformed members should wear the recorder in a conspicuous manner or otherwise notify persons that they are being recorded, whenever reasonably practicable.

Any member assigned to a non-uniformed position may carry an approved portable recorder at any time the member believes that such a device may be useful. Unless conducting a lawful recording in an authorized undercover capacity, non-uniformed members should wear the recorder in a conspicuous manner when in use or otherwise notify persons that they are being recorded, whenever reasonably practicable.

When using a portable recorder, the assigned member shall record his/her name, MPD identification number and the current date and time at the beginning and the end of the shift or other period of use, regardless of whether any activity was recorded. This procedure is not required when the recording device and related software captures the user's unique identification and the date and time of each recording.

Matteson Police Department

Policy Manual

Policy Manual

Portable Audio/Video Recorders

Members should document the existence of a recording in any report or other official record of the contact, including any instance where the recorder malfunctioned or the member deactivated the recording. Members should include the reason for deactivation.

425.6 ACTIVATION OF THE AUDIO/VIDEO RECORDER

This policy is not intended to describe every possible situation in which the portable recorder should be used, although there are many situations where its use is appropriate. Members should activate the recorder any time the member believes it would be appropriate or valuable to record an incident.

Members wearing body-worn cameras and any clothing or any indication they are law enforcement shall have the body-worn camera turned on at all times while they are on-duty and are responding to calls for service or engaged in law enforcement-related activities (50 ILCS 706/10-20).

Other portable recorders should be activated in any of the following situations:

- (a) All enforcement and investigative contacts including stops and field interview situations
- (b) Traffic stops including, but not limited to, traffic violations, stranded motorist assistance and all crime interdiction stops
- (c) Self-initiated activity in which an officer would normally notify the Dispatch Center
- (d) Any other contact that becomes adversarial after the initial contact in a situation that would not otherwise require recording

If exigent circumstances prevent an officer from turning on a body-worn camera when required, the camera shall be turned on as soon as practicable (50 ILCS 706/10-20).

Members shall not record interactions with confidential informants unless exigent circumstances exist or the informant has or is committing a crime (50 ILCS 706/10-20).

Members should remain sensitive to the dignity of all individuals being recorded and unless recording with a body-worn camera is required, exercise sound discretion to respect privacy by discontinuing recording whenever it reasonably appears to the member that such privacy may outweigh any legitimate law enforcement interest in recording. Requests by members of the public to stop recording should be considered using this same criterion. Recording should resume when privacy is no longer at issue unless the circumstances no longer fit the criteria for recording.

At no time is a member expected to jeopardize his/her safety in order to activate a portable recorder or change the recording media. However, the recorder should be activated in situations described above as soon as reasonably practicable.

425.6.1 CESSATION OF RECORDING

Once activated, the portable recorder should remain on continuously until the member reasonably believes that the member's direct participation in the incident is complete or the situation no longer fits the criteria for activation. Recording may be stopped during significant periods of inactivity such as report writing or other breaks from direct participation in the incident.

Matteson Police Department

Policy Manual

Policy Manual

Portable Audio/Video Recorders

Body-worn cameras shall be turned off when a victim, a witness, or a community member reporting a crime requests that the camera be turned off. The request should be captured on the recording. However, an officer may continue to record or resume recording a victim or witness if exigent circumstances exist or the officer has a reasonable articulable suspicion that the victim or witness has committed or is in the process of committing a crime. Under these circumstances, the officer should indicate on the recording the reason for continuing to record despite the request of the victim or witness (50 ILCS 706/10-20).

Officers are permitted to turn off body-worn cameras while inside a patrol car equipped with Mobile Audio/Video (MAV). Cameras may also be turned off when the officer is not engaged in law enforcement-related activities (50 ILCS 706/10-20).

425.6.2 SURREPTITIOUS USE OF THE PORTABLE RECORDER

Illinois law prohibits any individual from surreptitiously recording any conversation in which any party to the conversation has a reasonable belief that the conversation is private or confidential (720 ILCS 5/14-2).

However, officers using body-worn cameras are not prohibited from recording a private conversation if the person is provided notice of the recording and proof of that notice is captured on the recording. If exigent circumstances exist that prevent the officer from providing notice, notice must be provided as soon as practicable (50 ILCS 706/10-20).

Members shall not surreptitiously record another department member without a court order unless lawfully authorized by the Chief of Police or the authorized designee.

425.6.3 EXPLOSIVE DEVICE

Many portable recorders, including body-worn cameras and audio/video transmitters, emit radio waves that could trigger an explosive device. Therefore, these devices should not be used where an explosive device may be present.

425.7 PROHIBITED USE OF PORTABLE RECORDERS

Members are prohibited from using department-issued portable recorders and recording media for personal use and are prohibited from making personal copies of recordings created while on-duty or while acting in their official capacity.

Members are also prohibited from retaining recordings of activities or information obtained while on-duty, whether the recording was created with department-issued or personally owned recorders. Members shall not duplicate or distribute such recordings, except for authorized legitimate department business purposes. All such recordings shall be retained at the Department.

Members are prohibited from using personally owned recording devices while on-duty without the express consent of the Watch Commander. Any member who uses a personally owned recorder for department-related activities shall comply with the provisions of this policy, including retention and release requirements, and should notify the on-duty supervisor of such use as soon as reasonably practicable.

Matteson Police Department

Policy Manual

Policy Manual

Portable Audio/Video Recorders

Recordings shall not be used by any member for the purpose of embarrassment, intimidation or ridicule.

425.8 IDENTIFICATION AND PRESERVATION OF RECORDINGS

To assist with identifying and preserving data and recordings, members should download, tag or mark these in accordance with procedure and document the existence of the recording in any related case report.

A member should transfer, tag or mark recordings when the member reasonably believes:

- (a) The recording contains evidence relevant to potential criminal, civil or administrative matters.
- (b) A complainant, victim or witness has requested non-disclosure.
- (c) A complainant, victim or witness has not requested non-disclosure but the disclosure of the recording may endanger the person.
- (d) Disclosure may be an unreasonable violation of someone's privacy.
- (e) Medical or mental health information is contained.
- (f) Disclosure may compromise an undercover officer or confidential informant.
- (g) The recording or portions of the recording may be protected under the Freedom of Information Act or the Law Enforcement Officer-Worn Body Camera Act (5 ILCS 140/7.5; 50 ILCS 706/10-20).

Any time a member reasonably believes a recorded contact may be beneficial in a non-criminal matter (e.g., a hostile contact), the member should promptly notify a supervisor of the existence of the recording.

425.8.1 BODY-WORN CAMERAS

With respect to body-worn camera recordings, the recording member and supervisor are prohibited from redacting, duplicating, or altering the recording (50 ILCS 706/10-20).

425.9 REVIEW OF RECORDED MEDIA FILES

When preparing written reports, members should review their recordings, and use them as a resource. However, members shall not retain personal copies of recordings. Members should not use the fact that a recording was made as a reason to write a less-detailed report.

Supervisors are authorized to review relevant recordings any time they are investigating alleged misconduct or reports of meritorious conduct or whenever such recordings would be beneficial in reviewing a member's performance.

The supervisor of the recording member shall document in the report or other documentation if the supervisor or the recording member reviewed body-worn camera recordings prior to completing the report or other documentation.

Matteson Police Department

Policy Manual

Policy Manual

Portable Audio/Video Recorders

No member shall have access to or review the member's own body-worn camera recordings or the body-worn camera recordings of another officer prior to completing reports or other documentation when the member:

- (a) Has been involved in or is a witness to an officer-involved shooting, use of deadly force incident, or use of force incident resulting in great bodily harm.
- (b) Is ordered to write a report in response to or during the investigation of a misconduct complaint against the member.

If the member prepares a report related to the circumstances listed above, subject to a supervisor's approval, a member may file a supplemental report after viewing body-worn camera recordings. The member shall document in the supplemental report that the member reviewed recordings (50 ILCS 706/10-20).

Recorded files may also be reviewed:

- Upon approval by a supervisor, by any member of the Department who is participating in an official investigation, such as a personnel complaint, administrative investigation, or criminal investigation.
- Pursuant to lawful process or by court personnel who are otherwise authorized to review evidence in a related case.
- By media personnel with permission of the Chief of Police or the authorized designee.
- In compliance with a public records request, if permitted, and in accordance with the Records Maintenance and Release Policy.

All recordings should be reviewed by the Custodian of Records prior to public release (see the Records Maintenance and Release Policy). Recordings that unreasonably violate a person's privacy or sense of dignity should not be publicly released unless disclosure is required by law or order of the court.

425.10 RETENTION OF RECORDINGS

All recordings other than those made with body-worn cameras shall be retained for a period consistent with the requirements of the organization's records retention schedule but in no event for a period less than 90 days unless the recordings are made a part of an arrest or the recordings are deemed evidence in any criminal, civil, or administrative proceeding and then the recordings must only be destroyed upon a final disposition and an order from the court (720 ILCS 5/14-3(h-15)).

425.10.1 RETENTION REQUIREMENTS FOR BODY-WORN CAMERA RECORDINGS

Recordings made on body-worn cameras shall be retained for 90 days. Recordings shall not be altered, erased, or destroyed prior to the expiration of the 90-day storage period. In the event any recording is altered, erased, or destroyed prior to the expiration of the 90-day storage period, the Chief of Police shall maintain a written record including the name of the individual who made such alteration, erasure, or destruction, and the reason for any such alteration, erasure, or destruction for one year (50 ILCS 706/10-20).

Matteson Police Department

Policy Manual

Policy Manual

Portable Audio/Video Recorders

After the 90-day storage period, recordings must be destroyed unless any of the following occur (50 ILCS 706/10-20):

- (a) A formal or informal complaint has been filed.
- (b) The officer discharged a firearm or used force during the encounter.
- (c) Death or great bodily harm occurred to any person in the recording.
- (d) The encounter resulted in a detention or arrest other than a traffic stop resulting in only a minor traffic offense or a petty offense with a fine of more than \$1,000.
- (e) The officer is the subject of an internal investigation or otherwise being investigated for possible misconduct.
- (f) The supervisor of the officer, prosecutor, defendant, or court determines that the encounter has evidentiary value in a criminal prosecution.
- (g) The recording officer requests that the video be retained for official purposes related to the officer's official duties or believes that it may have evidentiary value in a criminal prosecution.

Under these circumstances, the recording of the encounter shall not be altered or destroyed for two years. If the recording is used in a criminal, civil, or administrative proceeding, the recording shall not be destroyed except upon a final disposition and order from the court.

Recordings may be retained any time a supervisor designates the recording for training purposes and may be viewed by officers, in the presence of a supervisor or training instructor, for the purposes of instruction, training, or ensuring compliance with [department/office] policies.

425.10.2 RELEASE OF AUDIO/VIDEO RECORDINGS

Requests for the release of audio/video recordings shall be processed in accordance with the Records Maintenance and Release Policy.

Public Recording of Law Enforcement Activity

426.1 PURPOSE AND SCOPE

This policy provides guidelines for handling situations in which members of the public photograph or audio/video record law enforcement actions and other public activities that involve members of this department. In addition, this policy provides guidelines for situations where the recordings may be evidence (50 ILCS 706/10-20).

426.2 POLICY

The Matteson Police Department recognizes the right of persons to lawfully record members of this department who are performing their official duties. Members of this department will not prohibit or intentionally interfere with such lawful recordings. Any recordings that are deemed to be evidence of a crime or relevant to an investigation will only be collected or seized lawfully.

Officers should exercise restraint and should not resort to highly discretionary arrests for offenses such as interference, failure to comply, or disorderly conduct as a means of preventing someone from exercising the right to record members performing their official duties.

426.3 RECORDING LAW ENFORCEMENT ACTIVITY

Members of the public who wish to record law enforcement activities are limited only in certain aspects.

- (a) Recordings may be made from any public place or any private property where the individual has the legal right to be present (720 ILCS 5/14-2; 50 ILCS 706/10-20).
- (b) Beyond the act of photographing or recording, individuals may not interfere with the law enforcement activity. Examples of interference include, but are not limited to (50 ILCS 706/10-20):
 - (a) Inciting others to violate the law.
 - (b) Being so close to the activity as to present a clear safety hazard to the officers.
 - (c) Being so close to the activity as to interfere with an officer's effective communication with a suspect or witness.
 - (d) Engaging in any other action that could interfere with an officer's ability to maintain safety and control, secure crime scenes and accident sites, protect the integrity and confidentiality of investigations, or protect the public safety and order.

426.4 OFFICER RESPONSE

Officers should promptly request that a supervisor respond to the scene whenever it appears that anyone recording activities may be interfering with an investigation or it is believed that the recording may be evidence. If practicable, officers should wait for the supervisor to arrive before taking enforcement action or seizing any cameras or recording media.

Whenever practicable, officers or supervisors should give clear and concise warnings to individuals who are conducting themselves in a manner that would cause their recording or

Matteson Police Department

Policy Manual

Policy Manual

Public Recording of Law Enforcement Activity

behavior to be unlawful. Accompanying the warnings should be clear directions on what an individual can do to be compliant; directions should be specific enough to allow compliance. For example, rather than directing an individual to clear the area, an officer could advise the person that he/she may continue observing and recording from the sidewalk across the street.

If an arrest or other significant enforcement activity is taken as the result of a recording that interferes with law enforcement activity, officers shall document in a report the nature and extent of the interference or other unlawful behavior and the warnings that were issued.

426.5 SUPERVISOR RESPONSIBILITIES

A supervisor should respond to the scene when requested or any time the circumstances indicate a likelihood of interference or other unlawful behavior.

The supervisor should review the situation with the officer and:

- (a) Request any additional assistance as needed to ensure a safe environment.
- (b) Take a lead role in communicating with individuals who are observing or recording regarding any appropriate limitations on their location or behavior. When practical, the encounter should be recorded.
- (c) When practicable, allow adequate time for individuals to respond to requests for a change of location or behavior.
- (d) Ensure that any enforcement, seizure, or other actions are consistent with this policy and constitutional and state law.
- (e) Explain alternatives for individuals who wish to express concern about the conduct of Department members, such as how and where to file a complaint.

426.6 SEIZING RECORDINGS AS EVIDENCE

Officers should not seize recording devices or media unless (42 USC § 2000aa):

- (a) There is probable cause to believe the person recording has committed or is committing a crime to which the recording relates, and the recording is reasonably necessary for prosecution of the person.
 - 1. Absent exigency or consent, a warrant should be sought before seizing or viewing such recordings. Reasonable steps may be taken to prevent erasure of the recording.
- (b) There is reason to believe that the immediate seizure of such recordings is necessary to prevent serious bodily injury or death of any person.
- (c) The person consents.
 - 1. To ensure that the consent is voluntary, the request should not be made in a threatening or coercive manner.
 - 2. If the original recording is provided, a copy of the recording should be provided to the recording party, if practicable. The recording party should be permitted to be present while the copy is being made, if feasible. Another way to obtain the

Matteson Police Department

Policy Manual

Policy Manual

Public Recording of Law Enforcement Activity

evidence is to transmit a copy of the recording from a device to a department device.

Recording devices and media that are seized will be submitted within the guidelines of the Evidence Room Policy.

426.7 DISCIPLINE

Departmental discipline consistent with the Personnel Complaints Policy and criminal prosecution may result from unlawful confiscation or destruction of a public recording of law enforcement activity (50 ILCS 706/10-20).

Medical Marijuana

427.1 PURPOSE AND SCOPE

The purpose of this policy is to provide members of this department with guidelines for investigating the acquisition, possession, transportation, delivery, production, or use of cannabis under the Illinois Compassionate Use of Medical Cannabis Program Act (the Act) (410 ILCS 130/1 et seq.).

427.1.1 DEFINITIONS

Definitions related to this policy include (410 ILCS 130/10):

Authorized amount - No more than 2.5 ounces of usable cannabis unless the person has a Department of Public Health-approved quantity waiver for more than 2.5 ounces. The pre-mixed weight of cannabis used in making cannabis-infused products shall apply toward the authorized amount of cannabis.

Cardholder - A person who has been issued a valid registry identification card or valid provisional registration by the Department of Public Health (410 ILCS 130/55).

Dispensary - An organization or business that is registered by the Department of Financial and Professional Regulation to acquire medical cannabis from a registered cultivation center for the purpose of dispensing cannabis, paraphernalia, or related supplies and educational materials to cardholders.

Medical use of cannabis - The acquisition, administration, delivery, possession, transfer, transportation, or use of cannabis to treat or alleviate a person's debilitating medical condition or symptoms associated with the debilitating medical condition.

Qualifying patient - A person who has been diagnosed by a physician, an advanced practice registered nurse, or a physician assistant as having a debilitating medical condition listed in 410 ILCS 130/10(h).

Registered designated caregiver - A person who has a valid registry identification card to assist a qualifying patient with the medical use of cannabis.

Registry identification card - A document issued by the Department of Public Health that identifies a person as a registered qualifying patient or registered designated caregiver.

Usable cannabis - The seeds, leaves, buds, and flowers of the cannabis plant. It does not include the stalks and roots of the plant or the weight of any non-cannabis ingredients combined with cannabis, such as ingredients added to prepare a topical administration, food, or drink.

427.2 POLICY

It is the policy of the Matteson Police Department to prioritize resources to avoid making arrests related to cannabis that the arresting officer reasonably believes would not be prosecuted by state or federal authorities.

Matteson Police Department

Policy Manual

Policy Manual

Medical Marijuana

Illinois medical cannabis laws are intended to provide protection from arrest and prosecution to those who comply with the registration requirements of the law and who use, possess, or provide care to mitigate the symptoms of certain chronic or debilitating medical conditions, or produce or deliver cannabis. However, Illinois medical cannabis laws do not affect federal laws and there is no medical exception under federal law for the possession or distribution of cannabis. The Matteson Police Department will exercise discretion to ensure laws are appropriately enforced without unreasonably burdening both those individuals protected under Illinois law and the resources of the Department.

427.3 INVESTIGATION

Investigations involving the possession, delivery, production, or use of cannabis generally fall into one of two categories:

- (a) Investigations when no person makes a medicinal claim.
- (b) Investigations when a medicinal claim is made by a cardholder.

427.3.1 INVESTIGATIONS WITH NO MEDICINAL CLAIM

In any investigation involving the possession, delivery, production, or use of cannabis or drug paraphernalia where no person claims that the cannabis is used for medicinal purposes, the officer should proceed with a criminal investigation if the amount is greater than permitted for personal use of marijuana (410 ILCS 705/10-5). A medicinal defense may be raised at any time, so officers should document any statements and observations that may be relevant to whether the cannabis was possessed or produced for medicinal purposes.

427.3.2 INVESTIGATIONS INVOLVING A CARDHOLDER

No enforcement action should be taken when a person is in possession of, delivers, or uses cannabis or cannabis paraphernalia when the following amounts of cannabis are not exceeded (410 ILCS 130/25; 410 ILCS 130/10; 410 ILCS 705/10-5):

- (a) 2.5 ounces of cannabis obtained from a dispensary.
- (b) More than 2.5 ounces of cannabis obtained from a dispensary if the person has a Department of Public Health-approved quantity waiver.
- (c) Five plants more than 5 inches tall (unless properly licensed to possess more plants under a special license).

The total amount possessed between the patient and caregiver shall not exceed the patient's adequate supply.

Despite the existence of a valid registry identification card, if there is evidence that the conduct related to cannabis was not for the purpose of treating or alleviating the qualifying patient's medical condition or symptoms associated with the medical condition, a criminal investigation should occur (410 ILCS 130/25(a)-(d)).

Registered qualifying patients and their designated caregivers are required to possess their registry identification cards at all times when engaging in the medical use of cannabis (410 ILCS

Matteson Police Department

Policy Manual

Policy Manual

Medical Marijuana

130/70). However, officers who reasonably believe that a person who does not have a registry identification card in his/her possession has been issued a card may treat the investigation as if the person has the card in his/her possession.

427.3.3 ADDITIONAL CONSIDERATIONS

Officers should consider the following when investigating an incident involving cannabis possession, delivery, production, or use (410 ILCS 130/25):

- (a) No person may be arrested solely for:
 - 1. Selling cannabis paraphernalia to a cardholder, if the person is employed and registered as a dispensing agent of a dispensary.
 - 2. Being in the presence or vicinity of the medical use of cannabis.
 - 3. Assisting a qualifying patient in possession of a registry identification card with the act of administering cannabis.
- (b) Cannabis, cannabis paraphernalia, illegal property, or interest in legal property that is possessed, owned, or used in connection with the medical use of cannabis may not be seized or forfeited. However, nothing in this policy prohibits cannabis exceeding the authorized amounts or unrelated to any cannabis that is possessed, manufactured, transferred, or used under the Act from being seized or forfeited
- (c) Possession of, or application for, a registry identification card or registration certificate does not itself constitute reasonable suspicion or probable cause to search, nor does it preclude the existence of other independent probable cause.
- (d) Because enforcement of medical cannabis laws can be complex, time consuming, and call for resources unavailable at the time of initial investigation, officers may consider submitting a report to the prosecutor for review, in lieu of making an arrest. This can be particularly appropriate when:
 - 1. The suspect has been identified and can be easily located at another time.
 - 2. The case would benefit from review by a person with expertise in medical cannabis investigations.
 - 3. Sufficient evidence, such as photographs or samples, has been lawfully obtained.
 - 4. There are any other relevant factors, such as available department resources and time constraints.
- (e) Registered cultivation centers and dispensaries, as well as their officers, agents, and employees, may not be searched or seized solely because they are a cultivation center or dispensary, or are officers, agents, or employees of such facilities.
- (f) Before proceeding with enforcement related to a cultivation center, officers should consider conferring with appropriate legal counsel or the medical department of the state police (410 ILCS 705/15-135).

427.3.4 EXCEPTIONS

This policy does not apply to the following offenses. Officers may take enforcement action if the person (410 ILCS 130/30):

- (a) Undertakes any task under the influence of cannabis when doing so would constitute negligence, professional malpractice, or professional misconduct.
- (b) Possesses or uses cannabis:
 - 1. In a school bus, except as provided under 105 ILCS 5/22-33.
 - 2. On the grounds of any preschool, or primary, or secondary school, except as provided under 105 ILCS 5/22-33.
 - 3. In any correctional facility.
 - 4. In a vehicle, except that a person may possess medical cannabis if it is in a reasonably secured, sealed, container and is reasonably inaccessible while the vehicle is moving (see 625 ILCS 5/11-502.15 for how recreational marijuana may be transported in a motor vehicle).
 - 5. In a private residence that is used at any time to provide licensed child care or other similar social service care on the premises.
- (c) Uses cannabis:
 - 1. In any motor vehicle.
 - 2. In any place except a private residence where an individual could reasonably be expected to be observed by others, except as provided under 105 ILCS 5/22-33.
 - 3. Knowingly in close physical proximity to anyone under the age of 18, except as provided under 105 ILCS 5/22-33.

427.4 FEDERAL LAW ENFORCEMENT

Officers should provide information regarding a cannabis investigation to federal law enforcement authorities when it is requested by federal law enforcement authorities or whenever the officer believes those authorities would have a particular interest in the information.

427.5 EVIDENCE ROOM SUPERVISOR RESPONSIBILITIES

The Evidence Room supervisor should ensure that cannabis, drug paraphernalia, or other related property seized from a person engaged or assisting in the use of medical cannabis is not destroyed. The Evidence Room supervisor is not responsible for caring for live cannabis plants.

Upon the prosecutor's decision to forgo prosecution, or the dismissal of charges or an acquittal, the Evidence Room supervisor should return to the person from whom it was seized any useable cannabis, plants, drug paraphernalia or other related property.

The Evidence Room supervisor should not destroy cannabis that was alleged to be for medical purposes except upon receipt of a court order.

The Evidence Room supervisor may release cannabis to federal law enforcement authorities upon presentation of a valid court order or by a written order of the Criminal Investigations Division supervisor.

Bicycle Patrol Unit

428.1 PURPOSE AND SCOPE

The Matteson Police Department has established the Bicycle Patrol Unit (BPU) for the purpose of enhancing patrol efforts in the community. Bicycle patrol has been shown to be an effective way to increase officer visibility in congested areas and their quiet operation can provide a tactical approach to crimes in progress. The purpose of this policy is to provide guidelines for the safe and effective operation of the patrol bicycle.

428.2 POLICY

Patrol bicycles may be used for regular patrol duty, traffic enforcement, parking control, or special events. The use of the patrol bicycle will emphasize their mobility and visibility to the community.

Bicycles may be deployed to any area at all hours of the day or night, according to Department needs and as staffing levels allow.

Requests for specific deployment of bicycle patrol officers shall be coordinated through the Watch Commander.

428.3 SELECTION OF PERSONNEL

Interested sworn personnel, who are off probation, shall submit a request to their appropriate Division Commander. A copy will be forwarded to the Administration Division. Interested personnel shall be evaluated by the following criteria:

- (a) Recognized competence and ability as evidenced by performance and productivity.
- (b) Special skills or training as it pertains to the assignment.
- (c) Good physical condition.
- (d) Willingness to perform duties using the bicycle as a mode of transportation.

428.4 TRAINING

Participants in the program must complete an initial Department approved bicycle-training course after acceptance into the program. Thereafter, bicycle patrol officers may receive yearly in-service training to improve skills and refresh safety, health and operational procedures. The initial training shall minimally include the following:

- Bicycle patrol strategies
- Bicycle safety and accident prevention
- Operational tactics using bicycles

Bicycle patrol officers will be required to qualify with their duty firearm while wearing bicycle safety equipment including the helmet and riding gloves.

Matteson Police Department

Policy Manual

Policy Manual

Bicycle Patrol Unit

428.5 UNIFORMS AND EQUIPMENT

Officers shall wear the department-approved uniform and safety equipment while operating the department bicycle. Safety equipment includes department-approved helmet, riding gloves, protective eyewear and approved footwear.

The bicycle patrol unit uniform consists of the standard short-sleeve uniform shirt or other department-approved shirt with department badge and patches and department-approved bicycle patrol pants or shorts.

Optional equipment includes jacket in colder weather, turtleneck shirts or sweaters when worn under the uniform shirt, and a radio microphone.

Bicycle patrol officers shall carry the same equipment on the bicycle patrol duty belt as they would on a regular patrol assignment.

Officers will be responsible for obtaining the necessary forms, citation books and other department equipment needed while on bicycle patrol.

428.6 CARE AND USE OF PATROL BICYCLES

Officers will be assigned a specially marked and equipped patrol bicycle and attached gear bag.

Bicycles utilized for uniformed bicycle patrol shall be primarily black or white in with a Police decal affixed to each side of the crossbar or the bike's saddlebag. Every such bicycle shall be equipped with front and rear reflectors front lights and a siren/horn satisfying the requirements of the Illinois Vehicle Code (625 ILCS 5/11-1507). A bicycle is a police vehicle as authorized by 625 ILCS 5/1-162.3.

Bicycles utilized for uniformed bicycle patrol shall be equipped with a rear rack and/or saddle bag(s) sufficient to carry all necessary equipment to handle routine patrol calls including report writing, vehicle storage and citations.

Each bicycle gear bag shall include a tire pump, repair tool, tire tube, equipment information and use manuals. These items are to remain with/on the bicycle at all times.

Each bicycle shall be equipped with an oscillating, rotating or flashing red and/or blue warning light that is visible from the front, sides, or rear of the bicycle (625 ILCS 5/12-215).

Bicycle officers shall conduct an inspection of the bicycle and equipment prior to use to ensure proper working order of the equipment. Officers are responsible for the routine care and maintenance of their assigned equipment (e.g., tire pressure, chain lubrication, overall cleaning).

If a needed repair is beyond the ability of the bicycle officer, a repair work order will be completed and forwarded to the program supervisor for repair by an approved technician.

Each bicycle will have scheduled maintenance yearly to be performed by a department approved repair shop/technician.

At the end of a bicycle assignment, the bicycle shall be returned clean and ready for the next tour of duty.

Matteson Police Department

Policy Manual

Policy Manual

Bicycle Patrol Unit

Electric patrol bicycle batteries shall be rotated on the assigned charger at the end of each tour of duty. During prolonged periods of non-use, each officer assigned an electric bicycle shall periodically rotate the batteries on the respective charges to increase battery life.

Officers shall not modify the patrol bicycle, remove, modify or add components except with the expressed approval of the bicycle supervisor, or in the event of an emergency.

Vehicle bicycle racks are available should the officer need to transport the patrol bicycle. Due to possible component damage, transportation of the patrol bicycle in a trunk or on a patrol car push-bumper is discouraged.

Bicycles shall be properly secured when not in the officer's immediate presence. An extra set of handcuffs may be used to secure the bike if needed.

428.7 OFFICER RESPONSIBILITY

Officers must operate the bicycle in compliance with the vehicle code under normal operation. Officers may operate the bicycle without lighting equipment during hours of darkness when such operation reasonably appears necessary for officer safety and tactical considerations. Officers must use caution and care when operating the bicycle without lighting equipment.

Officers operating an authorized emergency vehicle may park or stand, irrespective of the provisions of the Illinois Vehicle Code (625 ILCS); proceed past a red or stop signal or stop sign, but only after slowing down as may be required and necessary for safe operation; exceed the maximum speed limits so long as he/she does not endanger life or property; disregard regulations governing direction of movement or turning in specified directions (625 ILCS 5/11-205).

The driver of an authorized emergency vehicle is not relieved from the duty of driving with due regard for the safety of all persons, nor do such provisions protect the driver from the consequences of his/her reckless disregard for the safety of others (625 ILCS 5/11-205(e)).

Citation Dismissal, Correction, and Voiding

429.1 PURPOSE AND SCOPE

This policy outlines the responsibility for citations, the procedure for dismissal, correction, and voiding of citations.

429.2 RESPONSIBILITIES

The Records Supervisor shall be responsible for the development and design of all Department citations in compliance with County standards, state law, or the Illinois Supreme Court.

The Records Section shall be responsible for the supply and accounting of all citations issued to employees of this department.

429.3 DISMISSAL OF CITATIONS

Employees of this department do not have the authority to dismiss a citation once it has been issued. Only the court has the authority to dismiss a citation that has been issued. Any request from a recipient to dismiss a citation shall be referred to the generating member's Division Commander. Upon a review of the circumstances involving the issuance of the citation, it is the decision of the Division Commander to recommend dismissal of the citation. If approved, the citation will be forwarded to the prosecutor's office with a request for dismissal. All recipients of citations whose request for the dismissal of a citation has been denied shall be referred to the appropriate court.

Should an officer determine during a court proceeding that a citation should be dismissed in the interest of justice or where prosecution is deemed inappropriate, the officer may request the prosecutor to dismiss the citation. Upon dismissal of the citation by the court, the officer shall notify his/her immediate supervisor of the circumstances surrounding the dismissal and shall complete any paperwork as directed or required. The citation dismissal shall then be forwarded to the Division Commander for review.

429.4 VOIDING CITATIONS

Voiding a citation may occur when a citation has not been completed or where it is completed, but not issued. All copies of the citation shall be presented to a supervisor to approve the voiding of the citation. The citation and copies shall then be forwarded to the Records Section.

429.5 CORRECTION OF CITATIONS

When a citation is issued, and in need of correction, the officer issuing the citation shall submit the citation and a letter requesting a specific correction to his/her immediate supervisor. The citation and letter shall then be forwarded to the Records Section. The Records Section shall prepare a letter of correction to the State's Attorney's Office having jurisdiction and to the recipient of the citation.

Matteson Police Department

Policy Manual

Citation Dismissal, Correction, and Voiding

429.6 DISPOSITION OF CITATIONS

The court and file copies of all citations issued by members of this department shall be forwarded to the employee's immediate supervisor for review. The citation copies shall then be filed with the Records Section.

Upon separation from employment with this department, all employees issued citations books shall return any unused citations to the Records Section.

Foot Pursuits

430.1 PURPOSE AND SCOPE

This policy provides guidelines to assist officers in making the decision to initiate or continue a pursuit of suspects on foot.

430.2 POLICY

It is the policy of this department that officers, when deciding to initiate or continue a foot pursuit, continuously balance the objective of apprehending the suspect with the risk and potential for injury to department members, the public, or the suspect.

Officers are expected to act reasonably, based on the totality of the circumstances.

430.3 DECISION TO PURSUE

The safety of department members and the public should be the primary consideration when determining whether a foot pursuit should be initiated or continued. Officers must be mindful that immediate apprehension of a suspect is rarely more important than the safety of the public and department members.

Officers may be justified in initiating a foot pursuit of any individual that the officer reasonably believes is about to engage in, is engaging in, or has engaged in, criminal activity. The decision to initiate or continue such a foot pursuit, however, must be continuously re-evaluated in light of the circumstances present at the time.

Mere flight by a person who is not suspected of criminal activity alone shall not serve as justification for engaging in an extended foot pursuit without the development of reasonable suspicion regarding the individual's involvement in criminal activity or being wanted by law enforcement.

Deciding to initiate or continue a foot pursuit is a decision that an officer must make quickly and under unpredictable and dynamic circumstances. It is recognized that foot pursuits may place department members and the public at significant risk. Therefore, no officer or supervisor shall be criticized or disciplined for deciding not to engage in a foot pursuit because of the perceived risk involved.

If circumstances permit, surveillance and containment are generally the safest tactics for apprehending fleeing persons. In deciding whether to initiate or continue a foot pursuit, an officer should continuously consider reasonable alternatives to a foot pursuit based upon the circumstances and resources available, such as:

- (a) Containment of the area.
- (b) Saturation of the area with law enforcement personnel, including assistance from other agencies.
- (c) A canine search.
- (d) Thermal imaging or other sensing technology.
- (e) Air support.

Matteson Police Department

Policy Manual

Policy Manual

Foot Pursuits

- (f) Apprehension at another time when the identity of the suspect is known or there is information available that would likely allow for later apprehension, and the need to immediately apprehend the suspect does not reasonably appear to outweigh the risk of continuing the foot pursuit.

430.4 GENERAL GUIDELINES

When reasonably practicable, officers should consider alternatives to engaging in or continuing a foot pursuit when:

- (a) Directed by a supervisor to terminate the foot pursuit; such an order shall be considered mandatory.
- (b) The officer is acting alone.
- (c) Two or more officers become separated, lose visual contact with one another, or obstacles separate them to the degree that they cannot immediately assist each other should a confrontation take place. In such circumstances, it is generally recommended that a single officer keep the suspect in sight from a safe distance and coordinate the containment effort.
- (d) The officer is unsure of his/her location and direction of travel.
- (e) The officer is pursuing multiple suspects and it is not reasonable to believe that the officer would be able to control the suspect should a confrontation occur.
- (f) The physical condition of the officer renders him/her incapable of controlling the suspect if apprehended.
- (g) The officer loses radio contact with the dispatcher or with assisting or backup officers.
- (h) The suspect enters a building, structure, confined space, isolated area, or dense or difficult terrain, and there are insufficient officers to provide backup and containment. The primary officer should consider discontinuing the foot pursuit and coordinating containment pending the arrival of sufficient resources.
- (i) The officer becomes aware of unanticipated or unforeseen circumstances that unreasonably increase the risk to officers or the public.
- (j) The officer reasonably believes that the danger to the pursuing officers or public outweighs the objective of immediate apprehension.
- (k) The officer loses possession of his/her firearm, radio, or other essential equipment.
- (l) The officer or a third party is injured during the foot pursuit, requiring immediate assistance, and there are no other emergency personnel available to render assistance.
- (m) The suspect's location is no longer known.
- (n) The identity of the suspect is established or other information exists that will allow for the suspect's apprehension at a later time, and it reasonably appears that there is no immediate threat to department members or the public if the suspect is not immediately apprehended.

Matteson Police Department

Policy Manual

Policy Manual

Foot Pursuits

- (o) The officer's ability to safely continue the foot pursuit is impaired by inclement weather, darkness, or other environmental conditions.

430.5 RESPONSIBILITIES IN FOOT PURSUITS

430.5.1 INITIATING OFFICER RESPONSIBILITIES

Unless relieved by another officer or a supervisor, the initiating officer shall be responsible for coordinating the progress of the pursuit and containment. When acting alone, and when practicable, the initiating officer should not attempt to overtake and confront the suspect, but should attempt to keep the suspect in sight until sufficient officers are present to safely apprehend the suspect.

Early communication of available information from the involved officers is essential so that adequate resources can be coordinated and deployed to bring a foot pursuit to a safe conclusion. Officers initiating a foot pursuit should, at a minimum, broadcast the following information as soon as it becomes practicable and available:

- (a) Location and direction of travel
- (b) Call sign identifier
- (c) Reason for the foot pursuit, such as the crime classification
- (d) Number of suspects and description, to include name if known
- (e) Whether the suspect is known or believed to be armed with a dangerous weapon

Officers should be mindful that radio transmissions made while running may be difficult to understand and may need to be repeated.

Absent extenuating circumstances, any officer unable to promptly and effectively broadcast this information should terminate the foot pursuit. If the foot pursuit is discontinued for any reason, immediate efforts for containment should be established and alternatives considered based upon the circumstances and available resources.

When a foot pursuit terminates, the officer will notify the dispatcher of his/her location and the status of the foot pursuit termination (e.g., suspect in custody, lost sight of suspect), and will direct further actions as reasonably appear necessary, to include requesting medical aid as needed for officers, suspects, or members of the public.

430.5.2 ASSISTING OFFICER RESPONSIBILITIES

Whenever any officer announces that he/she is engaged in a foot pursuit, all other officers should minimize non-essential radio traffic to permit the involved officers maximum access to the radio frequency.

430.5.3 SUPERVISOR RESPONSIBILITIES

Upon becoming aware of a foot pursuit, the supervisor shall make every reasonable effort to ascertain sufficient information to direct responding resources and to take command, control, and coordination of the foot pursuit. The supervisor should respond to the area whenever possible;

Matteson Police Department

Policy Manual

Policy Manual

Foot Pursuits

the supervisor does not, however, need not be physically present to exercise control over the foot pursuit. The supervisor shall continuously assess the situation in order to ensure the foot pursuit is conducted within established department guidelines.

The supervisor shall terminate the foot pursuit when the danger to pursuing officers or the public appears to unreasonably outweigh the objective of immediate apprehension of the suspect.

Upon apprehension of the suspect, the supervisor shall promptly proceed to the termination point to direct the post-foot pursuit activity.

430.6 REPORTING REQUIREMENTS

The initiating officer shall complete appropriate crime/arrest reports documenting, at a minimum:

- (a) Date and time of the foot pursuit.
- (b) Initial reason and circumstances surrounding the foot pursuit.
- (c) Course and approximate distance of the foot pursuit.
- (d) Alleged offenses.
- (e) Involved vehicles and officers.
- (f) Whether a suspect was apprehended as well as the means and methods used.
 - 1. Any use of force shall be reported and documented in compliance with the Use of Force Policy.
- (g) Arrestee information, if applicable.
- (h) Any injuries and/or medical treatment.
- (i) Any property or equipment damage.
- (j) Name of the supervisor at the scene or who handled the incident.

Assisting officers taking an active role in the apprehension of the suspect shall complete supplemental reports as necessary or as directed.

The supervisor reviewing the report will make a preliminary determination that the pursuit appears to be in compliance with this policy or that additional review and/or follow-up is warranted.

In any case in which a suspect is not apprehended, and there is insufficient information to support further investigation, a supervisor may authorize that the initiating officer need not complete a formal report.

Automated License Plate Readers (ALPRs)

431.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance for the capture, storage, and use of digital data obtained through the use of automated license plate reader (ALPR) technology.

431.2 ADMINISTRATION

The ALPR technology, also known as license plate recognition (LPR), allows for the automated detection of license plates. It is used by the Matteson Police Department to convert data associated with vehicle license plates for official law enforcement purposes, including identifying stolen or wanted vehicles, stolen license plates, and missing persons. It may also be used to gather information related to active warrants, homeland security, electronic surveillance, suspect interdiction, and stolen property recovery.

All installation and maintenance of ALPR equipment, as well as ALPR data retention and access shall be managed by the Administration Division Commander. The Administration Division Commander will assign personnel under their command to administer the day-to-day operation of the ALPR equipment and data.

431.3 OPERATIONS

Use of an ALPR is restricted to the purposes outlined below. [Department/Office] members shall not use, or allow others to use, the equipment or database records for any unauthorized purpose.

- (a) An ALPR shall only be used for official law enforcement business.
- (b) An ALPR may be used in conjunction with any routine patrol operation or criminal investigation. Reasonable suspicion or probable cause is not required before using an ALPR.
- (c) While an ALPR may be used to canvass license plates around any crime scene, particular consideration should be given to using ALPR-equipped vehicles to canvass areas around homicides, shootings, and other major incidents. Partial license plates reported during major crimes should be entered into the ALPR system in an attempt to identify suspect vehicles.
- (d) No member of this [department/office] shall operate ALPR equipment or access ALPR data without first completing [department/office]-approved training.
- (e) No ALPR operator may access confidential [department/office], state, or federal data unless authorized to do so.
- (f) If practicable, the officer should verify an ALPR response through the appropriate law enforcement database before taking enforcement action that is based solely upon an ALPR alert.

Matteson Police Department

Policy Manual

Policy Manual

Automated License Plate Readers (ALPRs)

431.4 DATA COLLECTION AND RETENTION

The Administration Division Commander is responsible for ensuring systems and processes are in place for the proper collection and retention of ALPR data. Data will be transferred from vehicles to the designated storage in accordance with [department/office] procedures.

All stored ALPR data should be retained in accordance with the established records retention schedule. Thereafter, ALPR data should be purged unless it has become, or it is reasonable to believe it will become, evidence in a criminal or civil action or is subject to a discovery request or other lawful action to produce records. In those circumstances the applicable data should be downloaded onto portable media and booked into evidence.

431.5 ACCOUNTABILITY

All data will be closely safeguarded and protected by both procedural and technological means. The Matteson Police Department will observe the following safeguards regarding access to and use of stored data:

- (a) All ALPR data downloaded to the mobile workstation and in storage shall be accessible only through a login/password-protected system capable of documenting all access of information by name, date, and time.
- (b) Members approved to access ALPR data under these guidelines are permitted to access the data for legitimate law enforcement purposes only, such as when the data relate to a specific criminal investigation or [department/office]-related civil or administrative action.
- (c) ALPR system audits should be conducted on a regular basis.

431.6 POLICY

The policy of the Matteson Police Department is to utilize ALPR technology to capture and store digital license plate data and images while recognizing the established privacy rights of the public.

All data and images gathered by the ALPR are for the official use of this [department/office]. Because such data may contain confidential information, it is not open to public review.

431.7 RELEASING ALPR DATA

The ALPR data may be shared only with other law enforcement or prosecutorial agencies for official law enforcement purposes or as otherwise permitted by law, using the following procedures:

- (a) The agency makes a written request for the ALPR data that includes:
 - 1. The name of the agency.
 - 2. The name of the person requesting.
 - 3. The intended purpose of obtaining the information.
- (b) The request is reviewed by the Administration Division Commander or the authorized designee and approved before the request is fulfilled.
- (c) The approved request is retained on file.

Matteson Police Department

Policy Manual

Policy Manual

Automated License Plate Readers (ALPRs)

Before sharing ALPR information with an out-of-state law enforcement agency, the Administration Division Commander or the authorized designee shall also ensure that the Matteson Police Department has received the executed written declaration of affirmation from the out-of-state agency as required by 625 ILCS 5/2-130. The declaration of affirmation should be retained on file.

Requests for ALPR data by non-law enforcement or non-prosecutorial agencies will be processed as provided in the Records Maintenance and Release Policy.

Homeless Persons

432.1 PURPOSE AND SCOPE

The purpose of this policy is to ensure that personnel understand the needs and rights of the homeless and to establish procedures to guide officers during all contacts with the homeless, whether consensual or for enforcement purposes. The Matteson Police Department recognizes that members of the homeless community are often in need of special protection and services. It is the goal of the Matteson Police Department to address these needs in balance with the overall mission of this department. Therefore, officers will consider the following when serving the homeless community.

432.1.1 POLICY

It is the policy of the Matteson Police Department to provide law enforcement services and to protect the rights, dignity, and private property of all members of the community, regardless of their socioeconomic status. Homelessness is not a crime and members of this department will not use homelessness solely as a basis for detention or law enforcement action.

432.2 FIELD CONTACTS

Officers are encouraged to contact the homeless for purposes of rendering aid, support, and for community-oriented policing purposes. When encountering a homeless person who has committed a non-violent misdemeanor, and continued freedom is not likely to result in a continuation of the offense or a breach of the peace, officers may consider long-term solutions to problems that may relate to the homeless, such as shelter referrals and counseling in lieu of physical arrest. However, nothing in this policy is meant to dissuade an officer from taking reasonable enforcement action when facts support a reasonable suspicion of criminal activity.

Officers should provide homeless persons with resource and assistance information whenever it is reasonably apparent such services may be appropriate.

432.2.1 OTHER CONSIDERATIONS

Homeless members of the community will receive the same level and quality of service provided to other members of the community. The fact that a victim or witness is homeless can, however, require special considerations for a successful investigation and prosecution. Officers should consider the following when handling investigations involving homeless victims, witnesses, or suspects:

- (a) Document alternate contact information. This may include obtaining addresses and phone numbers of relatives and friends.
- (b) Document places the homeless person may frequent.
- (c) Provide homeless victims with victim/witness resources when appropriate.
- (d) Obtain statements from all available witnesses in the event a homeless victim is unavailable for a court appearance.

Matteson Police Department

Policy Manual

Policy Manual

Homeless Persons

- (e) Consider whether the person may be a dependent adult or elder, and if so, proceed in accordance with the Adult Abuse Policy.
- (f) Arrange for transportation for investigation-related matters, such as medical exams and court appearances.
- (g) Consider whether a crime should be reported and submitted for prosecution even when a homeless victim indicates he/she does not desire prosecution.

432.3 PERSONAL PROPERTY

The personal property of homeless persons must not be treated differently than the property of other members of the public (775 ILCS 45/10(a)(7)). Officers should use reasonable care when handling, collecting, and retaining the personal property of homeless persons and should not destroy or discard the personal property of homeless persons.

When a homeless person is arrested, or otherwise removed from a public place, officers should make reasonable accommodations to permit the person to lawfully secure his/her personal property. Otherwise, the personal property should be collected for safekeeping. If the arrestee has more personal property than can reasonably be collected and transported by the officer, a supervisor should be consulted. The property should be photographed and measures should be taken to remove or secure the property. It will be the supervisor's responsibility to coordinate the removal and safekeeping of the property.

Officers should not conduct or assist in clean-up operations of belongings that reasonably appear to be the property of homeless persons without the prior authorization of a supervisor. When practicable, requests by the public for clean-up operations of a homeless encampment should be referred to the Administration.

Officers who encounter unattended encampments, bedding, or other personal property in public areas that reasonably appears to belong to a homeless person, should not remove or destroy such property and should inform the Administration if such property appears to involve a trespass, is a blight to the community, or is the subject of a complaint. It will be the responsibility of the Administration to address the matter in a timely fashion.

432.4 MENTAL ILLNESS AND MENTAL IMPAIRMENT

Some homeless persons may suffer from a mental illness or a mental impairment. Officers shall not detain a homeless person under a mental illness commitment unless facts and circumstances warrant such a detention (see the Civil Commitments Policy).

When a mental illness hold is not warranted, the contacting officer should provide the homeless person with contact information for mental health assistance as appropriate. In these circumstances, officers may provide transportation to a mental health specialist if requested by the person and approved by a supervisor.

432.5 ECOLOGICAL ISSUES

Sometimes, homeless encampments can impact the ecology and natural resources of the community and may involve criminal offenses beyond mere littering. Officers are encouraged to

notify other appropriate agencies or departments when a significant impact to our environment has, or is, likely to occur. Significant impacts to the environment may warrant a crime report, investigation, supporting photographs, and supervisor notification.

Firearm Concealed Carry

433.1 PURPOSE AND SCOPE

This policy provides guidance for responding to situations involving individuals who possess concealed carry handgun licenses under the provisions of the Illinois Firearm Concealed Carry Act (430 ILCS 66/1 et seq.).

433.2 POLICY

The Matteson Police Department respects the rights of individuals to carry concealed handguns in compliance with the Illinois Firearm Concealed Carry Act.

It is the policy of the Matteson Police Department to not unreasonably interfere with or discriminate against individuals who lawfully carry concealed handguns.

433.3 OFFICER RESPONSIBILITY

When an officer initiates an investigative stop, including a traffic stop, and determines that any persons contacted, including passengers, are in possession of concealed firearms and are license holders, the duration of the contact may only be extended by the amount of time reasonably necessary to verify the validity of the license or to verify that possession of the weapon is lawful, absent reasonable suspicion of other criminal activity.

If an officer reasonably believes a person is a clear and present danger because the person has engaged in verbally or physically threatening behavior (e.g., violent, suicidal, or assaultive threats or actions), the officer shall report this information to the Illinois State Police (ISP) within 24 hours (430 ILCS 65/8.1). The fact that ISP has been notified and the manner of notification should be documented.

The officer should consider whether it is appropriate and consistent with current search and seizure law under the circumstances to seize any such firearms or other dangerous weapons (e.g., safekeeping, evidence, consent). Officers are cautioned that a search warrant may be needed before seizing weapons or entering a residence or other place to search, unless a lawful, warrantless entry has already been made (e.g., exigent circumstances, consent).

433.3.1 OFFICER SAFETY

If an officer reasonably believes it is necessary for the safety of anyone present, the officer may secure a firearm or direct that it be secured during any contact with a licensee lawfully carrying a firearm or non-resident lawfully transporting a firearm in a vehicle. The officer shall return the firearm to the person after it is determined he/she is not a threat to the safety of any person present unless he/she is being transported to another location for treatment, in which case the officer shall proceed as provided in the Firearms in Non-Custody Situations section of this policy (430 ILCS 66/10(h-1)).

Matteson Police Department

Policy Manual

Policy Manual

Firearm Concealed Carry

433.4 FIREARMS IN CUSTODY SITUATIONS

No person shall be transported in a department vehicle or be brought into a department facility or other prohibited facility while armed. If no other reasonable accommodation for the firearm is available, officers should take possession of the firearm, safely secure it during transport, and retain possession until the person is released. If the person is not released, the firearm will be submitted to the Evidence Room as evidence or for safekeeping.

If a licensee's vehicle is towed, and his/her firearm is in the vehicle, officers should handle the vehicle inventory in a manner that is consistent with the Vehicle Towing Policy. The officer should remove any firearms and submit them to the Evidence Room for either safekeeping or evidence, whichever is appropriate for the circumstances.

The handling officer should provide a receipt, along with instructions for regaining possession of the firearm. Any firearm retained and stored for safekeeping shall be returned to the lawful owner, without fees, in accordance with the Evidence Room Policy.

433.5 FIREARMS IN NON-CUSTODY SITUATIONS

If a licensee who is in lawful possession of a firearm is encountered under circumstances where he/she cannot adequately secure the firearm, (i.e., is incapacitated or being transported to the hospital for medical reasons), the firearm shall be retained and submitted to the Evidence Room for safekeeping.

The handling officer should provide a receipt documenting the make, model, caliber, and serial number of the firearm, along with instructions for regaining possession of the firearm. Any firearm retained and stored for safekeeping shall be returned to the lawful owner, without fees, in accordance with the Evidence Room Policy (430 ILCS 66/10(h-1)).

433.6 OBJECTIONS TO LICENSE APPLICATIONS

State law allows law enforcement agencies to file an objection to a license applicant when there is reasonable suspicion that the applicant is a danger to him/herself or others, or poses a threat to public safety (430 ILCS 66/15(a)). Any member who becomes aware of a license applicant who the member reasonably suspects is a danger to him/herself or others, or who poses a threat to public safety, should promptly forward an incident report or a memorandum, as appropriate, to the Chief of Police or the authorized designee for approval and forwarding to ISP.

433.7 SURRENDER OR SEIZURE OF LICENSES

Members receiving a concealed carry license that has been voluntarily surrendered to the department because it has been revoked, suspended, or denied, shall provide the individual surrendering the license with a receipt and ensure that the license is forwarded to ISP (430 ILCS 66/70).

Officers should seize concealed carry licenses when the officer serves an order of protection and the person served is known to possess a concealed carry license. A notification of the order and the license must be forwarded to ISP within seven days of the date the order was served (430 ILCS 66/70).

Matteson Police Department

Policy Manual

Policy Manual

Firearm Concealed Carry

It is a misdemeanor for a person to fail to surrender a concealed carry license within 48 hours of receiving notice of the revocation, denial, or suspension of the license. Officers observing a license in the possession of a person whose license has been revoked, suspended, or denied should consider seizing the license as evidence, if there are articulable facts that establish the person was aware of the revocation, suspension, or denial. If the license is seized as evidence, ISP should be notified as soon as practicable. A copy of the report should be forwarded to ISP.

Suspicious Activity Reporting

434.1 PURPOSE AND SCOPE

This policy provides guidelines for reporting and investigating suspicious and criminal activity.

434.1.1 DEFINITIONS

Definitions related to this policy include:

Involved party - An individual who has been observed engaging in suspicious activity, as defined in this policy, when no definitive criminal activity can be identified, thus precluding the person's identification as a suspect.

Suspicious activity - Any reported or observed activity that a member reasonably believes may have a nexus to any criminal act or attempted criminal act, or to foreign or domestic terrorism. Actual or perceived characteristics such as race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, or disability should not be considered as factors that create suspicion (although these factors may be used as specific suspect descriptions). Examples of suspicious activity may include but are not limited to:

- Suspected pre-operational surveillance or intelligence gathering (e.g., photographing security features, asking questions about sensitive security-related subjects).
- Tests of security measures and response to incidents (e.g., "dry run," creating false alarms, attempts to enter secure areas without authorization).
- Suspicious purchases (e.g., purchasing large quantities of otherwise legal items, such as fertilizer, that could be used to create an explosive or other dangerous device).
- An individual in possession of such things as a hoax explosive or dispersal device, sensitive materials (e.g., passwords, access codes, classified government information), or coded or ciphered literature or correspondence.

Suspicious Activity Report (SAR) - An incident report used to document suspicious activity.

434.2 POLICY

The Matteson Police Department recognizes the need to protect the public from criminal conduct and acts of terrorism, and shall lawfully collect, maintain, and disseminate information regarding suspicious activities, while safeguarding civil liberties and privacy protections.

434.3 RESPONSIBILITIES

The Criminal Investigations Division Commander and authorized designees will manage SAR activities. Authorized designees should include supervisors who are responsible for department participation in criminal intelligence systems as outlined in the Criminal Organizations Policy.

The responsibilities of the Criminal Investigations Division Commander include, but are not limited to:

- (a) Remaining familiar with those databases available to the Department that would facilitate the purpose of this policy.

Matteson Police Department

Policy Manual

Policy Manual

Suspicious Activity Reporting

- (b) Maintaining adequate training in the area of intelligence gathering to ensure no information is being maintained that would violate the law or civil rights of any individual.
- (c) Ensuring a process is available that would allow members to report relevant information. The process should be designed to promote efficient and quick reporting, and should not be cumbersome, duplicative, or complicated.
- (d) Ensuring that members are made aware of the purpose and value of documenting information regarding suspicious activity, as well as the databases and other information resources that are available to the Department.
- (e) Ensuring that SAR information is appropriately disseminated to members in accordance with their job responsibilities.
- (f) Coordinating investigative follow-up, if appropriate.
- (g) Coordinating with any appropriate agency or fusion center.
- (h) Ensuring that, as resources are available, the Department conducts outreach that is designed to encourage members of the community to report suspicious activity and that outlines what they should look for and how they should report it (e.g., website, public service announcements).

434.4 REPORTING AND INVESTIGATION

Any department member receiving information regarding suspicious activity should take any necessary immediate and appropriate action, including a request for tactical response or immediate notification of specialized entities, when applicable. Any civilian member who receives such information should ensure that it is passed on to an officer in a timely manner.

If the suspicious activity is not directly related to a reportable crime, the member should prepare a SAR and include information about involved parties and the circumstances of the incident. If, during any investigation, an officer becomes aware of suspicious activity that is unrelated to the current investigation, the information should be documented separately in a SAR and not included in the original incident report. The report number of the original incident should be included in the SAR as a cross reference. A SAR should be processed as any other incident report.

434.5 HANDLING INFORMATION

The Records Section will forward copies of SARs, in a timely manner, to the following:

- Criminal Investigations Division supervisor
- Tactical Unit
- Other authorized designees

Medical Aid and Response

435.1 PURPOSE AND SCOPE

This policy recognizes that members often encounter persons in need of medical aid and establishes a law enforcement response to such situations.

435.2 POLICY

It is the policy of the Matteson Police Department that all officers and other designated members be trained to provide emergency medical aid and to facilitate an emergency medical response.

435.3 FIRST RESPONDING MEMBER RESPONSIBILITIES

Whenever practicable, members should take appropriate steps to provide initial medical aid (e.g., first aid, CPR, use of an automated external defibrillator (AED)) in accordance with their training and current certification levels. This should be done for those in need of immediate care and only when the member can safely do so (720 ILCS 5/7-15).

Prior to initiating medical aid, the member should contact the Dispatch Center and request response by Emergency Medical Services (EMS) as the member deems appropriate.

Members should follow universal precautions when providing medical aid, such as wearing gloves and avoiding contact with bodily fluids, consistent with the Communicable Diseases Policy. Members should use a barrier or bag device to perform rescue breathing.

When requesting EMS, the member should provide the Dispatch Center with information for relay to EMS personnel in order to enable an appropriate response, including:

- (a) The location where EMS is needed.
- (b) The nature of the incident.
- (c) Any known scene hazards.
- (d) Information on the person in need of EMS, such as:
 - 1. Signs and symptoms as observed by the member.
 - 2. Changes in apparent condition.
 - 3. Number of patients, sex, and age, if known.
 - 4. Whether the person is conscious, breathing, and alert, or is believed to have consumed drugs or alcohol.
 - 5. Whether the person is showing signs of extreme agitation or is engaging in violent irrational behavior accompanied by profuse sweating, extraordinary strength beyond their physical characteristics, and imperviousness to pain.

Members should stabilize the scene whenever practicable while awaiting the arrival of EMS.

Members should not direct EMS personnel whether to transport the person for treatment.

Matteson Police Department

Policy Manual

Policy Manual

Medical Aid and Response

435.4 TRANSPORTING ILL AND INJURED PERSONS

Except in extraordinary cases where alternatives are not reasonably available, members should not transport persons who are unconscious, who have serious injuries or who may be seriously ill. EMS personnel should be called to handle patient transportation.

Officers should search any person who is in custody before releasing that person to EMS for transport.

An officer should accompany any person in custody during transport in an ambulance when requested by EMS personnel, when it reasonably appears necessary to provide security, when it is necessary for investigative purposes or when so directed by a supervisor.

Members should not provide emergency escort for medical transport or civilian vehicles.

435.5 PERSONS REFUSING EMS CARE

If a person who is not in custody refuses EMS care or refuses to be transported to a medical facility, an officer shall not force that person to receive care or be transported. However, members may assist EMS personnel when EMS personnel determine the person lacks mental capacity to understand the consequences of refusing medical care or to make an informed decision and the lack of immediate medical attention may result in serious bodily injury or the death of the person.

In cases where mental illness may be a factor, the officer should consider proceeding with a civil commitment in accordance with the Civil Commitments Policy.

If an officer believes that a person who is in custody requires EMS care and the person refuses, he/she should encourage the person to receive medical treatment. The officer may also consider contacting a family member to help persuade the person to agree to treatment or who may be able to authorize treatment for the person.

If the person who is in custody still refuses, the officer will require the person to be transported to the nearest medical facility. In such cases, the officer should consult with a supervisor prior to the transport.

Members shall not sign refusal-for-treatment forms or forms accepting financial responsibility for treatment.

435.6 MEDICAL ATTENTION RELATED TO USE OF FORCE

Specific guidelines for medical attention for injuries sustained from a use of force may be found in the Use of Force, Handcuffing and Restraints, Control Devices and Techniques, and Conducted Energy Device policies.

435.7 AIR AMBULANCE

Generally, when on-scene, EMS personnel will be responsible for determining whether an air ambulance response should be requested. An air ambulance may be appropriate when there are victims with life-threatening injuries or who require specialized treatment (e.g., gunshot wounds, burns, obstetrical cases), and distance or other known delays will affect the EMS response.

Matteson Police Department

Policy Manual

Policy Manual

Medical Aid and Response

The Patrol Division Commander should develop guidelines for air ambulance landings or enter into local operating agreements for the use of air ambulances, as applicable. In creating those guidelines, the Department should identify:

- Responsibility and authority for designating a landing zone and determining the size of the landing zone.
- Responsibility for securing the area and maintaining that security once the landing zone is identified.
- Consideration of the air ambulance provider's minimum standards for proximity to vertical obstructions and surface composition (e.g., dirt, gravel, pavement, concrete, grass).
- Consideration of the air ambulance provider's minimum standards for horizontal clearance from structures, fences, power poles, antennas or roadways.
- Responsibility for notifying the appropriate highway or transportation agencies if a roadway is selected as a landing zone.
- Procedures for ground personnel to communicate with flight personnel during the operation.

One department member at the scene should be designated as the air ambulance communications contact. Headlights, spotlights and flashlights should not be aimed upward at the air ambulance. Members should direct vehicle and pedestrian traffic away from the landing zone.

Members should follow these cautions when near an air ambulance:

- Never approach the aircraft until signaled by the flight crew.
- Always approach the aircraft from the front.
- Avoid the aircraft's tail rotor area.
- Wear eye protection during landing and take-off.
- Do not carry or hold items, such as IV bags, above the head.
- Ensure that no one smokes near the aircraft.

435.8 AUTOMATED EXTERNAL DEFIBRILLATOR (AED) USE

A member should use an AED only after the member has successfully completed a course of instruction in accordance with the standards of a nationally recognized organization or rules existing under the AED Act, 410 ILCS 4/20.

AEDs shall only be used as instructed during training and according to the manufacturer's recommendations. This should include:

- (a) An assessment of an unconscious patient to include evaluation of the airway, breathing and circulation, and need for AED use.
- (b) An assessment of AED safety precautions to enable the administration of a shock without jeopardizing the safety of the patient, rescuers, or other nearby persons.

Matteson Police Department

Policy Manual

Policy Manual

Medical Aid and Response

- (c) Recognition that an electrical shock has been delivered to the patient and that the defibrillator is no longer charged.
- (d) Rapid, accurate assessment of the patient's post-shock status.

435.8.1 AED USER RESPONSIBILITY

Members who are issued AEDs for use in department vehicles should check the AED at the beginning of the shift to ensure it is properly charged and functioning. Any AED that is not functioning properly will be taken out of service and given to the Training Sergeant who is responsible for ensuring appropriate maintenance.

Following use of an AED, the device shall be cleaned and/or decontaminated as required. The electrodes and/or pads will be replaced as recommended by the AED manufacturer.

Any member using an AED shall notify the Dispatch Center as soon as possible and request response by EMS (410 ILCS 4/20).

435.8.2 AED REPORTING

Any member using an AED will complete an incident report detailing its use.

435.8.3 AED TRAINING AND MAINTENANCE

The Training Sergeant shall ensure that the Matteson Police Department is equipped with at least one operational and functional AED and that all AED are appropriately maintained and tested (55 ILCS 5/3-6040; 65 ILCS 5/11-1-13; 410 ILCS 4/20).

Records of all maintenance and testing should be maintained in accordance with the established records retention schedule.

The Training Sergeant shall ensure that an adequate number of members receive training in the use of an AED (55 ILCS 5/3-6040; 65 ILCS 5/11-1-13; 410 ILCS 4/20).

435.9 ADMINISTRATION OF OPIOID OVERDOSE MEDICATION

The Training Sergeant shall maintain written procedures to manage the department's acquisition, storage, transportation, training and administration of opioid overdose medication (20 ILCS 301/5-23).

Members who have received training may administer opioid overdose medication in accordance with protocol specified by the health care professional who prescribed the overdose medication for use by the member (20 ILCS 301/5-23).

435.9.1 OPIOID OVERDOSE MEDICATION USER RESPONSIBILITIES

Members who are qualified to administer opioid overdose medication, such as naloxone, should handle, store and administer the medication consistent with their training. Members should check the medication and associated administration equipment at the beginning of their shift to ensure they are serviceable and not expired. Any expired medication or unserviceable administration equipment should be removed from service and given to the Training Sergeant.

Matteson Police Department

Policy Manual

Policy Manual

Medical Aid and Response

Any member who administers an opioid overdose medication should contact the Dispatch Center as soon as possible and request response by EMS.

435.9.2 OPIOID OVERDOSE MEDICATION REPORTING

Any member administering opioid overdose medication should detail its use in an appropriate report.

435.9.3 OPIOID OVERDOSE MEDICATION TRAINING

The Training Sergeant should ensure training is provided to members authorized to administer opioid overdose medication that includes information and training on drug overdose prevention, recognition, the administration of an overdose medication and care for the person after administration of the medication as provided in 20 ILCS 301/5-23.

435.10 ADMINISTRATION OF EPINEPHRINE AUTO-INJECTORS

The Training Sergeant shall create and maintain procedures for the acquisition, storage, transportation, administration and disposal of epinephrine auto-injectors (50 ILCS 705/10.19(e)).

Members who have successfully completed ILETSB-approved training program to recognize and respond to anaphylaxis and administer an epinephrine auto-injector may carry and administer an epinephrine auto-injector for suspected anaphylaxis (50 ILCS 705/10.19(d)).

435.10.1 EPINEPHRINE USER RESPONSIBILITIES

Members who are qualified to carry and administer epinephrine should handle, store and administer epinephrine auto-injectors consistent with their training, any protocol specified by the health care professional who prescribed epinephrine auto-injectors to the Matteson Police Department and department procedures.

Members should check the auto-injectors at the beginning of their shift to ensure they are not expired. Any expired medication should be removed from service and given to the Training Sergeant or disposed of in accordance with department procedures.

Any member who administers epinephrine should contact the Dispatch Center as soon as possible and request response by EMS.

435.10.2 EPINEPHRINE REPORTING

Any member who administers epinephrine should detail its use in an appropriate report.

435.10.3 EPINEPHRINE TRAINING

The Training Sergeant should ensure that members authorized to administer an epinephrine auto-injector are provided with initial and refresher training that meets the requirements of 50 ILCS 705/10.19(c).

435.11 SICK OR INJURED ARRESTEE

If an arrestee appears ill or injured, or claims illness or injury, he/she should be medically cleared prior to booking. If the officer has reason to believe the arrestee is feigning injury or illness, the

Matteson Police Department

Policy Manual

Policy Manual

Medical Aid and Response

officer should contact a supervisor, who will determine whether medical clearance will be obtained prior to booking.

If the jail or detention facility refuses to accept custody of an arrestee based on medical screening, the officer should note the name of the facility person refusing to accept custody and the reason for refusal, and should notify a supervisor to determine the appropriate action.

Arrestees who appear to have a serious medical issue should be transported by ambulance. Officers shall not transport an arrestee to a hospital without a supervisor's approval.

Nothing in this section should delay an officer from requesting EMS when an arrestee reasonably appears to be exhibiting symptoms that appear to be life threatening, including breathing problems or an altered level of consciousness, or is claiming an illness or injury that reasonably warrants an EMS response in accordance with the officer's training.

435.12 FIRST AID TRAINING

Subject to available resources, the Training Sergeant should ensure officers receive periodic first aid training appropriate for their position.

Civil Disputes

436.1 PURPOSE AND SCOPE

This policy provides members of the Matteson Police Department with guidance for addressing conflicts between persons when no criminal investigation or enforcement action is warranted (e.g., civil matters), with the goal of minimizing any potential for violence or criminal acts.

The Domestic Violence Policy will address specific legal mandates related to domestic violence court orders. References in this policy to “court orders” apply to any order of a court that does not require arrest or enforcement by the terms of the order or by Illinois law.

436.2 POLICY

The Matteson Police Department recognizes that a law enforcement presence at a civil dispute can play an important role in the peace and safety of the community. Subject to available resources, members of this department will assist at the scene of civil disputes with the primary goal of safeguarding persons and property, preventing criminal activity, and maintaining the peace. When handling civil disputes, members will remain impartial, maintain a calm presence, give consideration to all sides, and refrain from giving legal or inappropriate advice.

436.3 GENERAL CONSIDERATIONS

When appropriate, members handling a civil dispute should encourage the involved parties to seek the assistance of resolution services or take the matter to the civil courts. Members must not become personally involved in disputes and shall at all times remain impartial.

While not intended to be an exhaustive list, members should give considerations to the following when handling civil disputes:

- (a) Civil disputes tend to be confrontational and members should be alert that they can escalate to violence very quickly. De-escalation techniques should be used when appropriate.
- (b) Members should not dismiss alleged or observed criminal violations as a civil matter and should initiate the appropriate investigation and report when criminal activity is apparent.
- (c) Members shall not provide legal advice, however, when appropriate, members should inform the parties when they are at risk of violating criminal laws.
- (d) Members are reminded that they shall not enter a residence or other non-public location without legal authority including valid consent.
- (e) Members should not take an unreasonable amount of time assisting in these matters and generally should contact a supervisor if it appears that peacekeeping efforts longer than 30 minutes are warranted.

436.4 COURT ORDERS

Disputes involving court orders can be complex. Where no mandate exists for an officer to make an arrest for a violation of a court order, the matter should be addressed by documenting any apparent

Matteson Police Department

Policy Manual

Policy Manual

Civil Disputes

court order violation in a report. If there appears to be a more immediate need for enforcement action, the investigating officer should consult a supervisor prior to making any arrest.

If a person appears to be violating the terms of a court order, but is disputing the validity of the order or its applicability, the investigating officer should document the following:

- (a) The person's knowledge of the court order or whether proof of service exists.
- (b) Any specific reason or rationale the involved person offers for not complying with the terms of the order.

A copy of the court order should be attached to the report when available. The report should be forwarded to the appropriate prosecutor. The report should also be forwarded to the court issuing the order with a notice that the report was also forwarded to the prosecutor for review.

436.4.1 STANDBY REQUESTS

Officers responding to a call for standby assistance to retrieve property should meet the person requesting assistance at a neutral location to discuss the process. The person should be advised that items that are disputed will not be allowed to be removed. The member may advise the person to seek private legal advice as to the distribution of disputed property.

Members should accompany the person to the location of the property. Members should ask if the other party will allow removal of the property or whether the other party would remove the property.

If the other party is uncooperative, the person requesting standby assistance should be instructed to seek private legal advice and obtain a court order to obtain the items. Officers should not order the other party to allow entry or the removal of any items. If there is a restraining or similar order against the person requesting standby assistance, that person should be asked to leave the scene or they may be subject to arrest for violation of the order.

If the other party is not present at the location, the member will not allow entry into the location or the removal of property from the location.

436.5 VEHICLES AND PERSONAL PROPERTY

Officers may be faced with disputes regarding possession or ownership of vehicles or other personal property. Officers may review documents provided by parties or available databases (e.g., vehicle registration), but should be aware that legal possession of vehicles or personal property can be complex. Generally, officers should not take any enforcement action unless a crime is apparent. The people and the vehicle or personal property involved should be identified and the incident documented.

436.6 REAL PROPERTY

Disputes over possession or occupancy of real property (e.g., land, homes, apartments) should generally be handled through a person seeking a court order.

First Amendment Assemblies

437.1 PURPOSE AND SCOPE

This policy provides guidance for responding to public assemblies or demonstrations.

437.2 POLICY

The Matteson Police Department respects the rights of people to peaceably assemble. It is the policy of this department not to unreasonably interfere with, harass, intimidate, or discriminate against persons engaged in the lawful exercise of their rights, while also preserving the peace, protecting life, and preventing the destruction of property.

437.3 GENERAL CONSIDERATIONS

Individuals or groups present on the public way, such as public facilities, streets or walkways, generally have the right to assemble, rally, demonstrate, protest or otherwise express their views and opinions through varying forms of communication, including the distribution of printed matter. These rights may be limited by laws or ordinances regulating such matters as the obstruction of individual or vehicle access or egress, trespass, noise, picketing, distribution of handbills and leafleting, loitering and disorderly conduct. However, officers shall not take action or fail to take action based on the opinions being expressed.

Participant behavior during a demonstration or other public assembly can vary. This may include, but is not limited to:

- Lawful, constitutionally protected actions and speech.
- Civil disobedience (typically involving minor criminal acts).
- Rioting.

All of these behaviors may be present during the same event. Therefore, it is imperative that law enforcement actions are measured and appropriate for the behaviors officers may encounter. This is particularly critical if force is being used. Adaptable strategies and tactics are essential. The purpose of a law enforcement presence at the scene of public assemblies and demonstrations should be to preserve the peace, to protect life and prevent the destruction of property.

Officers should not:

- (a) Engage in assembly or demonstration-related discussion with participants.
- (b) Harass, confront or intimidate participants.
- (c) Seize the cameras, cell phones or materials of participants or observers unless an officer is placing a person under lawful arrest.

Supervisors should continually observe department members under their commands to ensure that members' interaction with participants and their response to crowd dynamics is appropriate.

Policy Manual

Policy Manual

First Amendment Assemblies

437.3.1 PHOTOGRAPHS AND VIDEO RECORDINGS

Photographs and video recordings, when appropriate, can serve a number of purposes, including support of criminal prosecutions by documenting criminal acts; assistance in evaluating department performance; serving as training material; recording the use of dispersal orders; and facilitating a response to allegations of improper law enforcement conduct.

Photographs and videos will not be used or retained for the sole purpose of collecting or maintaining information about the political, religious, or social views of associations, or the activities of any individual, group, association, organization, corporation, business, or partnership, unless such information directly relates to an investigation of criminal activities and there is reasonable suspicion that the subject of the information is involved in criminal conduct.

Care should be taken to ensure that any simultaneous audio recording does not violate the Illinois Eavesdropping Act (720 ILCS 5/14-2; 720 ILCS 5/14-3).

437.4 UNPLANNED EVENTS

When responding to an unplanned or spontaneous public gathering, the first responding officer should conduct an assessment of conditions, including, but not limited to, the following:

- Location
- Number of participants
- Apparent purpose of the event
- Leadership (whether it is apparent and/or whether it is effective)
- Any initial indicators of unlawful or disruptive activity
- Indicators that lawful use of public facilities, streets or walkways will be impacted
- Ability and/or need to continue monitoring the incident

Initial assessment information should be promptly communicated to the Dispatch Center, and the assignment of a supervisor should be requested. Additional resources should be requested as appropriate. The responding supervisor shall assume command of the incident until command is expressly assumed by another, and the assumption of command is communicated to the involved members. A clearly defined command structure that is consistent with the Incident Command System (ICS) should be established as resources are deployed.

437.5 PLANNED EVENT PREPARATION

For planned events, comprehensive, incident-specific operational plans should be developed. The ICS should be considered for such events.

437.5.1 INFORMATION GATHERING AND ASSESSMENT

In order to properly assess the potential impact of a public assembly or demonstration on public safety and order, relevant information should be collected and vetted. This may include:

- Information obtained from outreach to group organizers or leaders.

Matteson Police Department

Policy Manual

Policy Manual

First Amendment Assemblies

- Information about past and potential unlawful conduct associated with the event or similar events.
- The potential time, duration, scope, and type of planned activities.
- Any other information related to the goal of providing a balanced response to criminal activity and the protection of public safety interests.

Information should be obtained in a transparent manner, and the sources documented. Relevant information should be communicated to the appropriate parties in a timely manner.

Information will be obtained in a lawful manner and will not be based solely on the purpose or content of the assembly or demonstration, or actual or perceived characteristics such as race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, or disability of the participants (or any other characteristic that is unrelated to criminal conduct or the identification of a criminal subject).

437.5.2 OPERATIONAL PLANS

An operational planning team with responsibility for event planning and management should be established. The planning team should develop an operational plan for the event.

The operational plan will minimally provide for:

- (a) Command assignments, chain-of-command structure, roles, and responsibilities.
- (b) Staffing and resource allocation.
- (c) Management of criminal investigations.
- (d) Designation of uniform of the day and related safety equipment (e.g., helmets, shields).
- (e) Deployment of specialized resources.
- (f) Event communications and interoperability in a multi-jurisdictional event.
- (g) Liaison with demonstration leaders and external agencies.
- (h) Liaison with Village government and legal staff.
- (i) Media relations.
- (j) Logistics: food, fuel, replacement equipment, duty hours, relief, and transportation.
- (k) Traffic management plans.
- (l) First aid and emergency medical service provider availability.
- (m) Prisoner transport and detention.
- (n) Review of policies regarding public assemblies and use of force in crowd control.
- (o) Parameters for declaring an unlawful assembly.
- (p) Arrest protocol, including management of mass arrests.
- (q) Protocol for recording information flow and decisions.

Matteson Police Department

Policy Manual

Policy Manual

First Amendment Assemblies

- (r) Rules of engagement, including rules of conduct, protocols for field force extraction and arrests, and any authorization required for the use of force.
- (s) Protocol for handling complaints during the event.
- (t) Parameters for the use of body-worn cameras and other portable recording devices.

437.5.3 MUTUAL AID AND EXTERNAL RESOURCES

The magnitude and anticipated duration of an event may necessitate interagency cooperation and coordination. The assigned Incident Commander should ensure that any required memorandums of understanding or other agreements are properly executed, and that any anticipated mutual aid is requested and facilitated (see the Outside Agency Assistance Policy).

437.6 UNLAWFUL ASSEMBLY DISPERSAL ORDERS

If a public gathering or demonstration remains peaceful and nonviolent, and there is no reasonably imminent threat to persons or property, the Incident Commander should generally authorize continued monitoring of the event.

Should the Incident Commander make a determination that public safety is presently, or is about to be jeopardized, he/she or the authorized designee should attempt to verbally persuade event organizers or participants to disperse of their own accord. Warnings and advisements may be communicated through established communications links with leaders and/or participants or to the group.

When initial attempts at verbal persuasion are unsuccessful, the Incident Commander or the authorized designee should make a clear standardized announcement to the gathering that the event is an unlawful assembly, and should order the dispersal of the participants. The announcement should be communicated by whatever methods are reasonably available to ensure that the content of the message is clear and that it has been heard by the participants. The announcement should be amplified, made in different languages as appropriate, made from multiple locations in the affected area, and documented by audio and video recordings. The announcement should provide information about what law enforcement actions will take place if illegal behavior continues and should identify routes for egress. A reasonable time to disperse should be allowed following a dispersal order.

437.7 USE OF FORCE

Use of force is governed by current [department/office] policy and applicable law (see the Use of Force, Handcuffing and Restraints, Control Devices and Techniques, and Conducted Energy Device policies).

Individuals refusing to comply with lawful orders (e.g., nonviolent refusal to disperse) should be given a clear verbal warning and a reasonable opportunity to comply. If an individual refuses to comply with lawful orders, the Incident Commander shall evaluate the type of resistance and adopt a reasonable response in order to accomplish the law enforcement mission (such as dispersal or arrest of those acting in violation of the law). Control devices and conducted energy devices should be considered only when the participants' conduct reasonably appears to present the potential to

Matteson Police Department

Policy Manual

Policy Manual

First Amendment Assemblies

harm officers, themselves or others, or will result in substantial property loss or damage (see the Control Devices and Techniques and the Conducted Energy Device policies).

Force or control devices, including oleoresin capsaicin (OC), should be directed toward individuals and not toward groups or crowds, unless specific individuals cannot reasonably be targeted due to extreme circumstances, such as a riotous crowd.

Any use of force by a member of this [department/office] shall be documented promptly, completely, and accurately in an appropriate report. The type of report required may depend on the nature of the incident.

437.8 ARRESTS

The Matteson Police Department should respond to unlawful behavior in a manner that is consistent with the operational plan. If practicable, warnings or advisements should be communicated prior to arrest.

Mass arrests should be employed only when alternate tactics and strategies have been, or reasonably appear likely to be, unsuccessful. Mass arrests shall only be undertaken upon the order of the Incident Commander or the authorized designee. There must be probable cause for each arrest.

If employed, mass arrest protocols should fully integrate:

- (a) Reasonable measures to address the safety of officers and arrestees.
- (b) Dedicated arrest, booking and report writing teams.
- (c) Timely access to medical care.
- (d) Timely access to legal resources.
- (e) Timely processing of arrestees.
- (f) Full accountability for arrestees and evidence.
- (g) Coordination and cooperation with the prosecuting authority, jail and courts (see the Notice to Appear or Summons Releases Policy).

437.9 MEDIA RELATIONS

The Public Information Officer should use all available avenues of communication, including press releases, briefings, press conferences, and social media to maintain open channels of communication with media representatives and the public about the status and progress of the event, taking all opportunities to reassure the public about the professional management of the event (see the Media Relations Policy).

437.10 DEMOBILIZATION

When appropriate, the Incident Commander or the authorized designee should implement a phased and orderly withdrawal of law enforcement resources. All relieved personnel should promptly complete any required reports, including use of force reports, and account for all issued equipment and vehicles to their supervisors prior to returning to normal operational duties.

437.11 POST EVENT

The Incident Commander should designate a member to assemble full documentation of the event, to include the following:

- (a) Operational plan
- (b) Any incident logs
- (c) Any assignment logs
- (d) Vehicle, fuel, equipment and supply records
- (e) Incident, arrest, use of force, injury and property damage reports
- (f) Photographs, audio/video recordings, the Dispatch Center records/tapes

437.11.1 AFTER-ACTION REPORTING

The Incident Commander should work with Village legal counsel, as appropriate, to prepare a comprehensive after-action report of the event, explaining all incidents where force was used including the following:

- (a) Date, time and description of the event
- (b) Actions taken and outcomes (e.g., injuries, property damage, arrests)
- (c) Problems identified
- (d) Significant events
- (e) Recommendations for improvement; opportunities for training should be documented in a generic manner, without identifying individuals or specific incidents, facts or circumstances.

437.12 TRAINING

Department members should receive periodic training regarding this policy, as well as the dynamics of crowd control and incident management. The Department should, when practicable, train with its external and mutual aid partners.

Chapter 5 - Traffic Operations

Traffic Function and Responsibility

500.1 PURPOSE AND SCOPE

The ultimate goal of traffic law enforcement is to reduce traffic collisions. This may be achieved through the application of such techniques as geographic/temporal assignment of personnel and equipment and the establishment of preventive patrols to deal with specific categories of unlawful driving behavior. Traffic enforcement techniques are based on accident data, enforcement activity records, traffic volume, and traffic conditions. This department provides enforcement efforts toward violations, not only in proportion to the frequency of their occurrence in accident situations, but also in terms of traffic-related needs.

500.2 TRAFFIC OFFICER DEPLOYMENT

Several factors are considered in the development of deployment schedules for officers of the Matteson Police Department. Traffic crash information provided by the Illinois Department of Transportation is a valuable resource for traffic accident occurrences and therefore officer deployment. Some of the factors for analysis include:

- Location
- Time
- Day
- Violation factors

All officers assigned to patrol or traffic enforcement functions will emphasize enforcement of accident causing violations during high accident hours and at locations of occurrence. All officers will take directed enforcement action on request, and random enforcement action when appropriate against violators as a matter of routine. All officers shall maintain high visibility while working general enforcement, especially at high accident locations.

Other factors to be considered for deployment are citizen requests, construction zones or special events.

500.3 TRAFFIC STOP PROCEDURES

Since no two traffic stops are exactly alike, the following guidelines are recommended to provide for officer safety when stopping traffic law violators. Suggested procedures for officers initiating a traffic stop are:

1. Location of stop; the location of the stop should provide ample space and sufficient lighting. When possible, avoid making stops at hills, curves, intersections, and on major roadways.
2. The communication center shall be notified of the location of the stop and vehicle's registration before making contact with the violator.
3. Emergency equipment will be utilized to signal the violator to stop.

Matteson Police Department

Policy Manual

Policy Manual

Traffic Function and Responsibility

4. The patrol vehicle should be positioned behind the violator's vehicle and offset to the left of the violator's vehicle.
5. Officers should briefly observe the occupants of the vehicle before making an approach.
6. The violator's vehicle interior should be illuminated utilizing the spot light or patrol vehicle's high beams. Care must be utilized when using these lights so that other drivers sharing the roadway are not "blinded" by these lights.
7. While approaching the violator's vehicle, the officer should be observant for anything that does not appear normal. A passenger side approach should be considered if the conditions dictate so. The officer shall be observant of any movements from inside the vehicle.
8. While speaking with the violator, the officer should stand as close as possible to the vehicle and slightly behind the driver.
9. While utilizing the MDT and/or issuing a citation(s), the officer should observe the violator as much as possible to ensure the status of the stop has not changed.
10. When returning to the violator's vehicle to issue the citation or terminate the stop, the officer must again be alert for any suspicious movements or actions inside the vehicle.
11. Allow the stopped vehicle to re-enter traffic before leaving.

500.4 ENFORCEMENT

Traffic enforcement will be consistent with applicable laws and take into account the degree and severity of the violation committed. This department does not establish ticket quotas. The number of citations issued by any officer shall not be used as criterion for evaluating officer overall performance, but the number of traffic stops completed, arrests, written warnings, and crime prevention measures are appropriate evaluation criterion (55 ILCS 5/5-1136; 65 ILCS 5/11-1-12).

Several methods are effective in the reduction of collisions.

Roadblocks

- (a) Roadblocks shall not be established or removed unless authorized by the Chief of Police or his designee.
- (b) Roadblocks may be used for:
 1. Road-side safety checks (i.e., DUI enforcement).
 - (a) Safety checks shall only be conducted pursuant to a written plan developed by the supervisor overseeing the safety check.
 2. Disseminating investigative alerts with no intended or directed enforcement action.

Speed Enforcement

- (a) It will be the policy of the Matteson Police Department to reduce speed violations through enforcement action and to issue citations for speed violations.

Matteson Police Department

Policy Manual

Policy Manual

Traffic Function and Responsibility

- (b) Any person exceeding the speed limit will be issued a traffic citation unless circumstances indicate another action is more appropriate.

Hazardous Violations

- (a) Hazardous violations are defined as those violations that pose a direct hazard to the safe and efficient flow of traffic. In addition, these violations contribute substantially to crashes. For the purpose of this procedure, hazardous violations fall into the following categories:
 - 1. Unsafe Behavior: driver actions in direct violation of I.V.C. statutes related to moving violations, i.e. violating traffic control devices, signs, and other crash-related violations.
 - 2. Unsafe Conditions: vehicles that are improperly equipped, i.e. no headlights, worn tires, overweight trucks, and any other violation that renders a vehicle unsafe.
- (b) Officers are to take immediate enforcement action based on sound judgment upon viewing or detecting hazardous violations.

All-terrain and Off-highway Vehicle Enforcement

- (a) Off-road recreational vehicles include snowmobiles, dirt bikes, mini-bikes, gas/electric scooters, and all-terrain vehicles. Officers will take appropriate enforcement action for violations committed by operators of off-road vehicles that are observed or reported to them. Any off-road recreational vehicle driven upon public roadways is subject to the traffic laws as specified in the Illinois Vehicle Code or equivalent ordinance:
 - 1. Section 5/11-1426; Operation of All-terrain Vehicles and Off-highway Motorcycles on Streets, Roads, and Highways.
 - 2. Section 5/11-1427; Illegal Driving or Operation.
 - 3. Sections 40/2-4 through 40/7-1; Snowmobile Registration and Safety Act.

Equipment Violations

- (a) An officer, in the interest of corrective action, may appropriately handle equipment violations of the Illinois Vehicle Code through the issuance of a traffic citation, a compliance citation, or a verbal or written warning.
 - 1. When a vehicle is found to be in violation of several equipment requirements, a citation should usually be issued for the most serious violation.
 - 2. This action would be taken even when each violation independently is worthy of only a warning.

Violations by Public or Commercial Carriers

- (a) Public/Commercial carriers who violate traffic laws will be treated in the same manner as the general public. Uniform enforcement policies and procedures outlined in those traffic-related procedures are applicable.

Matteson Police Department

Policy Manual

Policy Manual

Traffic Function and Responsibility

- (b) When the violation is going to result in formal enforcement action, e.g a traffic citation or out of service order, then it is important to consider the safety of any passengers and/or valuable or perishable cargo.
 - 1. If there are no passengers or valuable or perishable cargo, then take bond as required. The securing of the vehicle, if necessary, should be handled the same as any other vehicle.
 - 2. The following guidelines shall be applied in taking formal enforcement action when there are passengers and/or valuable or perishable cargo:
 - (a) Non-continuing violations (speeding, stop sign, defective equipment, etc.): take the appropriate bond on the street, if possible. Otherwise, have the driver bring his vehicle to the police department to post bond.
 - (b) Continuing violations (DUI, no valid DL, out-of-service order, etc.): notify and advise a supervisor of the situation. The supervisor will decide the appropriate action to be taken to ensure the safety of the situation.
 - (c) When size, weight, and load permits are involved, 625 ILCS 5/15-100, et. seq. will be the standard policy and procedure.

500.4.1 WARNINGS

Warnings or other non-punitive enforcement actions should be considered in each situation and substituted for arrests or citations when circumstances warrant, especially in the case of inadvertent violations.

500.4.2 CITATIONS

Citations may be issued when an officer believes it is appropriate. It is essential that officers fully explain the rights and requirements imposed on motorists upon issuance of a citation for a traffic violation. Officers should provide the following information at a minimum:

- (a) Explanation of the violation or charge.
- (b) Court appearance procedure including the optional or mandatory appearance by the motorist.
- (c) Notice of whether the motorist can enter a plea and pay the fine by mail or at the court.

500.4.3 PHYSICAL ARREST

Physical arrest can be made on a number of criminal traffic offenses outlined in the Vehicle Code or Criminal Code. These physical arrest cases usually deal with, but are not limited to:

- (a) Reckless homicide.
- (b) Felony and misdemeanor driving under the influence of alcohol/drugs.
- (c) Felony or misdemeanor hit-and-run.
- (d) Refusal to sign notice to appear.
- (e) Any other misdemeanor at the discretion of the officer, such as reckless driving with extenuating circumstances.

500.4.4 NEWLY ENACTED LAWS AND/OR ORDINANCES

It will be the policy of the Matteson Police Department to issue warnings for a period of 30 days, unless directed otherwise by the Chief of Police, after the date a law or ordinance becomes effective.

500.5 PROCEDURES FOR HANDLING TRAFFIC VIOLATIONS THAT MAY REQUIRE SPECIAL PROCESSING

Non-residents

1. When a non-resident of the state commits a traffic violation, and is going to be cited for it, the following shall apply:
 - (a) If the violator is from another state of the non-resident violator compact, he or she can sign the citation in lieu of posting a cash bond or bond certificate. Officers shall follow the procedures set forth in section 6-306.4 of the Illinois Vehicle Code (procedures for non-Illinois residents).
 - (b) If the violator is not from a member state of the compact, the officer shall then take the appropriate form of bond from the violator, with the exception of a non-Illinois driver's license, cash bond or valid bond certificate shall be accepted in these cases.

Juvenile Violators

1. When a juvenile is charged with a traffic violation, which would be considered a minor violation, the juvenile shall be handled the same as an adult. If the juvenile does not have any other form of bond, the officer shall issue an Individual Bond (I-Bond). In the case of a major violation, such as no valid driver's license, driving under the influence of alcohol, and misdemeanor and felony violations, the juvenile shall be taken into custody and brought to the police department. The officer shall complete the appropriate juvenile contact report and bond the juvenile out to a parent or legal guardian.

Public Officials

1. Certain individuals and public officials may be privileged from arrest in accordance with 720 ILCS 5/107-7.
 - (a) Senators and Representatives of the Illinois General Assembly, when going to and returning from the same (except for felony or breach of peace arrests).
 - (b) Electors shall be privileged from arrest going to and returning from an election (except for felony or breach of peace arrests).
 - (c) Militia shall be privileged from arrest going to and returning from attendance at musters and elections (except for felony or breach of peace arrests).
 - (d) Judges, attorneys, clerks, sheriffs, and other court officers shall be privileged from arrest while attending court and while going to and returning from court.

500.6 PEDESTRIAN AND/OR BICYCLE VIOLATIONS

The enforcement of traffic laws pertaining to pedestrians and bicycles necessitates broad discretion from individual officers. Officers will take appropriate enforcement action when necessary when and where pedestrian and bicycle violations are observed, giving special attention to the safety and well-being of the stopped violators.

500.7 STOP RECEIPTS

Whenever an officer stops a motorist under 725 ILCS 5/107-14 and pat-down searches the person or the person's property, the officer should issue a stop receipt providing the reason for the stop and containing the member's name and badge number.

500.8 SEIZURE OF ITEMS

Officers who reasonably believe that any certificate of title, registration card, permit, license, registration plate, license plate, disability license plate, parking decal or device, or registration sticker is fictitious, expired, revoked, cancelled, suspended or unlawfully issued shall seize such items for return of the items to the Secretary of State (625 ILCS 5/2-111).

500.9 SUSPENDED OR REVOKED DRIVERS LICENSES

If an officer contacts a traffic violator for driving on a suspended or revoked license, the officer may issue a traffic citation pursuant to 625 ILCS 5/6-303.

500.10 TRAFFIC DIRECTION AND CONTROL PROCEDURES

Crash Scenes

1. Uniformed police officers have the primary responsibility for the direction and control of traffic at crash scenes. Officers should set up perimeter traffic control points to:
 - (a) Allow for the ingress-egress of police, fire, and rescue equipment.
 - (b) Halt or divert approaching traffic away from or around the crash scene.
 - (c) Provide a system of alternate routes to move traffic around the crash scene.
2. Officers should notify the communications center of the action being taken so that they may in turn notify other jurisdictions that may be affected.
3. When it becomes necessary to close or restrict the flow of traffic, the following means of control may be used:
 - (a) Use of barricades may be appropriate when an entire roadway or intersection must be closed.
 - (b) Traffic cones or LED electronic road flares.
 - (c) For temporary closures, a marked police vehicle with activated emergency lights.

Uniform Hand Signals for Manual Traffic Direction

All department personnel assigned or authorized to direct traffic should use the following signals and gestures to perform manual traffic direction:

1. Stopping Traffic by Hand:

Matteson Police Department

Policy Manual

Policy Manual

Traffic Function and Responsibility

- (a) The officer should first extend his arm and index finger toward the intended motorist, while looking at the motorist, and do so until it can be reasonably assumed that the motorist is aware of the officer's gesture. The pointing hand is then raised at the wrist so that the palm is toward the motorist and the palm is held in this position until the motorist has stopped. This is repeated if traffic needs to be halted in the opposite direction at the same time.
2. Starting Traffic by Hand:
 - (a) The officer should stand with shoulder and side toward the traffic to be started, extend his arm and index finger toward the motorist, while looking at the motorist, and do so until it can be reasonably assumed that the motorist is aware of the officer's gesture. With palm up, the pointing arm is swung from the elbow only, through a vertical semi-circle until the hand is adjacent to the chin. This gesture shall be repeated until traffic begins to move. The procedure can be repeated for traffic coming from the other direction.
3. Right Turning:
 - (a) When directing a right turn becomes necessary, the officer should extend his right arm for motorists approaching from the right side, or the left arm for motorists approaching from the left side, while extending the appropriate arm and index finger, followed by swinging the extended arm and index finger in the direction of the driver's intended turn.
4. Left Turning:
 - (a) Left turning drivers should not be directed to effect their movement until the officer has stopped oncoming traffic. The officer's right side and arm should be toward the oncoming traffic, and the left side and arm should be toward the left turning motorist. After stopping the oncoming traffic by using the right arm and hand, the right hand should remain in the halt gesture. The extended left arm and index finger and the officer's gaze is directed toward the driver who intends to effect a left turn. When the left turning motorist's attention has been gained, the extended left arm and index finger are swung to point in the direction the motorist intends to go.
5. Use of a Flashlight:
 - (a) A flashlight can be used to halt traffic by swinging the beam of the light across the path of oncoming traffic. After the motorist has stopped, appropriate hand signals may be used to further direct the motorist's movements.

Fire Scenes

At the scene of a fire, the police shall direct and support the fire rescue operations. This responsibility shall include:

1. Consulting with the ranking fire official in charge of the scene to determine their needs.
2. Providing protection for the fire scene and for the fire rescue equipment.

Matteson Police Department

Policy Manual

Policy Manual

Traffic Function and Responsibility

3. Setting up perimeter traffic control points to allow for the ingress-egress of fire and rescue equipment and personnel authorized to be at the scene.
 - (a) Such personnel shall include all persons who can identify themselves as firefighters by proper identification or possession of regularly used fire equipment such as helmet and coat.
 - (b) It shall be the responsibility of supervisor officers from the fire department to correct any problems resulting from the above persons blocking fire lanes or limiting the efficiency of persons at the scene.

During Periods of Adverse Road and Weather Conditions

The department will continue to maintain a close working relationship with those agencies that share the responsibility for coping with adverse road and weather conditions affecting traffic safety and will continue to cooperate with them in developing and carrying out mutual assistance policies, procedures, and programs to service the public as effectively as possible when such adverse conditions exist.

1. Upon discovering an adverse road or weather condition, personnel shall immediately notify the patrol supervisor in charge who will then be responsible for ensuring that the proper agency is contacted for service or repair.
2. Personnel will provide traffic direction and control services and scene protection services as needed in the vicinity of the adverse road and weather conditions.

Manual Operation of Traffic Control Signals

Officers are neither trained, nor equipped, to make traffic signal repairs or adjust the timing cycles of traffic controls. Traffic signals will not be manually controlled without the approval of a supervisor.

1. Officers may place signals on four-way flash in emergency situations, or utilize the drop-down stop signs, to temporarily alleviate a traffic control problem. When this becomes necessary, the officer will notify the on-duty patrol supervisor, and if necessary, request that proper notification be made for service or repair.
2. Officers may manually cycle the traffic signals to assist with traffic control with prior approval of a supervisor.

Temporary Traffic Control Devices

1. Temporary traffic control devices include moveable barriers, portable signs, traffic cones, and other similar apparatus intended for the limited use to assist in the safe and efficient movement of vehicular or pedestrian traffic.
 - (a) When portable barricades or signs are required, they will be delivered and removed by the Department of Public Works unless exigent circumstances require immediate action by police department personnel.
 - (b) Traffic cones may be utilized as deemed appropriate and will be placed and removed by officers when special traffic needs are identified.

Matteson Police Department

Policy Manual

Policy Manual

Traffic Function and Responsibility

2. These temporary traffic control devices may be used for, but not limited to, the following circumstances:
 - (a) Sustained power outages, which render traffic control signals inoperative.
 - (a) Drop-down stop signs may also be utilized upon supervisor approval.
 - (b) Special events.
 - (c) Traffic crashes.
 - (d) Other situations when supervisory personnel deem it to be necessary.

500.11 VEHICLE ESCORTS

Emergency Escorts

1. The escorting of other vehicles using emergency equipment is an extremely dangerous practice and should be avoided.
 - (a) Officers will not escort other emergency vehicles using flashing emergency lights and siren unless absolutely necessary to guide them to their destination.
 - (b) Extreme caution must be exercised, especially when crossing intersections, and speed limits should not be exceeded.
 - (c) Officers will not follow ambulances, fire apparatus, or other emergency vehicles so closely as to constitute a hazard.
2. In case of serious illness or injury, an ambulance shall be called; sick or injured persons shall normally not be transported in police department vehicles.

Non-Emergency Escorts

1. All requests for non-emergency escorts shall be referred to the Patrol Division supervisor. Funeral escorts and escorts for public officials and dignitaries may be approved if circumstances and manpower allow.
2. Non-emergency escorts and escorts of non-emergency vehicles may warrant the use of emergency equipment, however, all traffic regulations must be obeyed so as not to expose the officer and department to civil liability if a crash should result.
3. Oversized, overweight vehicles and permit moves over State roads will comply with 625 ILCS 5/15-301. When movement is made over County roads, they will have county permits. When these moves are to be made over Village maintained roads, they will have to have proper authorization from the Village of Matteson to do so.

500.12 HIGH-VISIBILITY VESTS

The Department has provided American National Standards Institute (ANSI) Class II high-visibility vests to increase the visibility of department members who may be exposed to hazards presented by passing traffic, maneuvering or operating vehicles, machinery and equipment (23 CFR 655.601).

Matteson Police Department

Policy Manual

Policy Manual

Traffic Function and Responsibility

Although intended primarily for use while performing traffic related assignments, high-visibility vests should be worn at any time increased visibility would improve the safety or efficiency of the member.

500.12.1 REQUIRED USE

Except when working in a potentially adversarial or confrontational role, such as during vehicle stops, high-visibility vests should be worn at any time it is anticipated that an employee will be exposed to the hazards of approaching traffic or construction and recovery equipment. Examples of when high-visibility vests should be worn include traffic control duties, accident investigations, lane closures and while at disaster scenes, or anytime high visibility is desirable. When emergency conditions preclude the immediate donning of the vest, officers should retrieve and wear the vest as soon as conditions reasonably permit. Use of the vests shall also be mandatory when directed by a supervisor.

Vests maintained in the investigation units may be used any time a plainclothes officer might benefit from being readily identified as a member of law enforcement.

500.12.2 CARE AND STORAGE OF HIGH-VISIBILITY VEST

High-visibility vests shall be properly maintained by the individual officers. Each vest should be properly stored inside to protect and maintain the vest in a serviceable condition. Before going into service each employee shall ensure a serviceable high-visibility vest is properly stored.

Matteson Police Department

Policy Manual

Policy Manual

Traffic Crashes

when a life-threatening injury or fatal traffic crash occurs within the jurisdiction of the Matteson Police Department and involves:

- (a) An on- or off-duty member of the [Department/Office].
 - 1. The involved member shall complete the [department/office] traffic crash form. If the member is unable to complete the form, the supervisor shall complete it.
- (b) An on- or off-duty official or employee of the Village of Matteson.

[Department/Office] members shall promptly notify a supervisor when any [department/office] vehicle is involved in a traffic crash. The crash investigation and report shall be completed by the agency having jurisdiction.

501.12 ENFORCEMENT ACTION

After a thorough investigation in which physical evidence or independent witness statements indicate that a violation of a traffic law contributed to the crash, authorized members should issue a citation or arrest the offending driver, as appropriate.

More serious violations, such as driving under the influence of drugs or alcohol, vehicular manslaughter, or other felonies, shall be enforced. If a driver who is subject to enforcement action is admitted to a hospital, a supervisor shall be contacted to determine the best enforcement option.

501.13 REPORTS

[Department/Office] members shall utilize forms approved by the Illinois Department of Transportation as required for the reporting of traffic accidents (625 ILCS 5/11-408; 625 ILCS 5/11-411). All such reports shall be forwarded to the [TrafficBureau] for approval and filing.

501.13.1 REPORT MODIFICATION

A change or modification of a written report that alters a material fact in the report may be made only by the member who prepared the report, and only prior to its approval and distribution. Once a report has been approved and distributed, corrections shall only be made by way of a written supplemental report. A written supplemental report may be made by any authorized member.

501.13.2 WATCH COMMANDER RESPONSIBILITIES

The responsibilities of the Watch Commander include but are not limited to:

- (a) Ensuring the monthly and quarterly reports on traffic crash information and statistics are forwarded to the Patrol Division Commander or other persons as required.
- (b) Ensuring that traffic crash reports are submitted timely to the appropriate state agencies pursuant to 625 ILCS 5/11-408.

501.14 TRAFFIC CRASH REVIEW BOARDS

The Deputy Chief of Police will compile the Traffic Crash Review Board's findings and submit the findings and recommendations to the Chief of Police if necessary. The recommendation provided is only that, the final disciplinary action shall be determined by the Chief of Police.

Vehicle Towing

502.1 PURPOSE AND SCOPE

This policy provides guidance related to vehicle towing. Nothing in this policy shall require a member of this department to tow a vehicle.

502.2 POLICY

The Matteson Police Department will tow vehicles when appropriate and in accordance with the law.

502.3 REMOVAL OF VEHICLES DUE TO HAZARD

When a vehicle should be towed because it presents a hazard, the owner or operator should arrange for the towing. Department members may assist by communicating requests through the Dispatch Center to expedite the process.

If the owner or operator is unable to arrange for towing in a reasonable amount of time, and the vehicle presents a hazard, the vehicle may be towed at the direction of the department member (625 ILCS 5/4-203). A citation referencing the appropriate village ordinance shall be issued if a vehicle is towed at the department member's direction and documented on the tow-in form.

Vehicles that are not the property of the Village should not be driven by department members unless it is necessary to move the vehicle a short distance to eliminate a hazard, prevent the obstruction of a fire hydrant or comply with posted signs. Vehicles shall not be moved by department members to avoid towing pursuant to the Tow & Impound Ordinance.

502.4 ARREST SCENES

Whenever the owner or operator of a vehicle is arrested and the vehicle does not meet the criteria for towing under the Tow & Impound Ordinance, the arresting officer should provide reasonable safekeeping by leaving the vehicle secured and lawfully parked at the scene or, when appropriate, by having the vehicle towed, such as when the vehicle presents a traffic hazard or the vehicle would be in jeopardy of theft or damage if left at the scene.

Officers are not required to investigate whether alternatives to towing a vehicle exist after an arrest, however, a vehicle should not be towed if reasonable alternatives exist. When considering whether to leave a vehicle at the scene, officers should take into consideration public safety as well as the reasonable safety of the vehicle and its contents.

The following are examples of situations where a vehicle should not be towed:

- The vehicle has valid insurance, can be legally parked, left in a reasonably secure and safe location and is not needed as evidence.
- The vehicle has valid insurance, is parked on private property, on which the arrestee or owner is legally residing, or the property owner does not object to the vehicle being parked at that location.

Matteson Police Department

Policy Manual

Policy Manual

Vehicle Towing

- The owner of a vehicle with valid insurance requests that it be released to a person with a valid driver's license who is present, willing and able to legally take control of the vehicle.
- The vehicle has valid insurance, is legally parked and the arrestee or owner requests that it be left at the scene. In such cases the requester should be informed that the Department will not be responsible for theft or damages.

502.5 VEHICLES RELATED TO CRIMINAL INVESTIGATIONS

Officers should tow vehicles that are needed for the furtherance of an investigation or prosecution of a case, or that are otherwise appropriate for seizure as evidence. Officers should make reasonable efforts to return a recovered stolen vehicle to its owner rather than have it towed, so long as the vehicle is not needed for evidence.

502.6 RECORDS

Records Section shall ensure that pertinent data regarding a towed vehicle is promptly entered into the appropriate database.

502.6.1 VEHICLE STORAGE REPORT

Department members towing a vehicle shall complete a vehicle tow report. The report should be submitted to the Records Section as soon as practicable after the vehicle is towed.

A copy of the vehicle tow report for a vehicle towed pursuant to 625 ILCS 5/4-202 or 625 ILCS 5/4-203 shall be provided to the tow service (625 ILCS 5/4-204).

502.6.2 NOTICE OF TOW

The Records Section should send a notice of tow to all registered owners, lienholders and others having a recorded interest in the vehicle within 48 hours, excluding weekends and holidays, but in no event shall the notice be sent later than 10 business days after the tow. Notice shall be sent to all such individuals by certified mail (625 ILCS 5/4-205). The notice shall include:

- (a) The name, address and telephone number of the Matteson Police Department.
- (b) The location where the vehicle is stored.
- (c) A description of the vehicle, including:
 1. Color.
 2. Manufacturer year.
 3. Make and model.
 4. License plate number and/or Vehicle Identification Number (VIN).
 5. Mileage.
- (d) The authority and purpose for the removal of the vehicle.
- (e) An explanation of the procedure for release of the vehicle and for obtaining a vehicle tow hearing.

Matteson Police Department

- (f) A request for disposition for the vehicle and any information regarding a public sale of the vehicle, if applicable.

If the registered owner, lienholder or other persons having a recorded interest in the vehicle cannot be immediately determined, the notice shall be sent no later than two days after such determination can be made (625 ILCS 5/4-205).

502.7 TOWING SERVICES

Members shall not show preference among towing services that have been authorized for use by the Department. A rotation system established by the Department for tow services should be followed (625 ILCS 5/4-203.5).

502.7.1 TOW ROTATION LIST

The Patrol supervisor is responsible for ensuring that tow rotation lists to be used by department members when authorizing tows is established and maintained (625 ILCS 5/4-203.5). All complaints regarding the process for inclusion on a tow rotation list or the use of a tow rotation list shall be forwarded to the Chief of Police.

Members should only deviate from the rotation list in the following circumstances (625 ILCS 5/4-203.5):

- (a) A safety emergency justifies deviation.
- (b) The tow service next on the list is incapable of or not properly equipped for handling a specific task related to the tow that requires special skills or equipment.

Members should document the reason for any deviation.

Towing firms are prohibited from soliciting tows that have not been requested by a member or the owner or operator of a disabled vehicle. Members should tell any such tow operator who is present or arrives to leave the scene (625 ILCS 5/4-203.5).

502.8 VEHICLE INVENTORY

The contents of all vehicles towed at the request of department members shall be inventoried and listed on the inventory report. When reasonably practicable, photographs may be taken to assist in the inventory.

- (a) An inventory of personal property and the contents of open containers will be conducted throughout the passenger and engine compartments of the vehicle including, but not limited to, any unlocked glove box, other accessible areas under or within the dashboard area, any pockets in the doors or in the back of the front seat, in any console between the seats, under any floor mats and under the seats.
- (b) In addition to the passenger and engine compartments as described above, an inventory of personal property and the contents of open containers will also be conducted in any other type of unlocked compartments that are a part of the vehicle, including unlocked vehicle trunks and unlocked car top containers.
- (c) Any locked compartments including, but not limited to, locked glove compartments, locked vehicle trunks, locked hatchbacks and locked car-top containers should be

Matteson Police Department

Policy Manual

Policy Manual

inventoried, provided the keys are available and released with the vehicle to the third-party towing company or an unlocking mechanism for such compartment is available within the vehicle.

- (d) Closed containers located either within the vehicle or any of the vehicle's compartments will be opened for inventory purposes if the container can be opened without damaging it.

Members should ask the occupants whether the vehicle contains any valuables or hazardous materials. Responses should be noted in the inventory report.

When practicable and appropriate, cash, jewelry or other small valuables located during the inventory process should be removed from the vehicle and given to the owner, or booked into property for safekeeping in accordance with the Evidence Room Policy. A copy of the property record should be given to the person in control of the vehicle or, if that person is not present, left in the vehicle.

A copy of the vehicle inventory will be given to the tow truck operator.

These inventory procedures are for the purpose of protecting the vehicle owner's property, providing for the safety of department members and protecting the Department against fraudulent claims of lost, stolen or damaged property.

Towing a vehicle in order to perform an inventory should not be used as a pretext for an evidence search. Nothing in this policy prevents the towing of a vehicle that would occur for reasons independent of any suspicion that the vehicle may contain evidence if it is otherwise justified by law or this policy.

502.9 SECURITY OF VEHICLES AND RETRIEVAL OF PROPERTY

If the search of a vehicle leaves the vehicle or any property contained therein vulnerable to unauthorized entry, theft or damage, the department member conducting the search shall take such steps as are reasonably necessary to secure or protect the vehicle or property from such hazards.

Unless it would cause an unreasonable delay in towing the vehicle or create an issue of officer safety, reasonable accommodations should be made to permit the owner, operator or occupant to retrieve small items of value or personal need (e.g., cash, jewelry, cell phone, prescriptions) that are not considered evidence or contraband.

Members who become aware that a vehicle may have been towed by the Department in error should promptly advise a supervisor. Supervisors should approve, when appropriate, the release of the vehicle without requiring the owner or his/her agent to request a hearing to contest the tow.

502.10 TOWING OF VEHICLES FROM PRIVATE PROPERTY

Members of the [Department/Office] should not tow or assist in towing vehicles from private property unless authorized by state and local law (625 ILCS 5/4-201 et. seq.).

Vehicle Tow, Storage and Impound Hearings

503.1 PURPOSE AND SCOPE

This policy establishes a procedure for the requirement to provide vehicle storage or impound hearings.

503.2 VEHICLE TOWS, STORAGE OR IMPOUNDS

When a vehicle is towed pursuant to the Village of Matteson's Tow and Impound Ordinance, by any member of the Matteson Police Department, a tow and impound folder shall be completed, and upon review by the officer's immediate supervisor, submitted to the Administrative Sergeant as soon as practicable. Vehicles that are impounded for the purpose of statutory seizure shall submit the file to the Commander of Investigations. Upon review, the Commander of Investigations will determine if the vehicle shall be subjected to seizure proceedings or be reduced to towing pursuant to the Tow and Impound Ordinance, forwarding the file to the Administrative Sergeant.

When a vehicle is towed or stored by any member of the Matteson Police Department, a hearing is scheduled and a notice sent to the owner of the title/registration. Hearings for vehicles that are impounded pursuant to a local impound ordinance shall follow hearing procedures provided within the ordinance. Vehicles that are impounded for the purpose of statutory seizure shall have hearings in compliance with the statute.

Any vehicle towed pursuant to the Tow and Impound Ordinance shall only be released to the registered owner of the vehicle, unless acceptable notice of transfer of ownership is presented. Copies of proof of ownership shall be attached to a payment receipt and forwarded to the Administrative Sergeant.

503.2.1 HEARING PROCEDURES

Preliminary Hearing: If the owner of a vehicle towed pursuant to the Tow and Impound Ordinance desires to appeal the seizure, the owner must make a request within 24 hours of the tow for a preliminary hearing. The preliminary hearing is an informal process conducted by the Administrative Sergeant. The preliminary hearing is a process to determine that both the department policy and the Tow and Impound Ordinance were properly adhered to and if a \$500.00 bond will be required.

Administrative Hearing: Within 10 business days of the a vehicle being towed pursuant to the Tow and Impound Ordinance, the Village shall notify the registered owner, by United States Mail, of the time, date, and location of the scheduled hearing. The hearing shall be conducted pursuant to Chapter 38 of the Municipal Code.

Any relevant evidence may be submitted and reviewed by the hearing officer to determine if the vehicle in question was properly towed and/or stored in accordance with the law and Matteson Police Department policies and procedures. The employee who caused the storage or removal of the vehicle does not need to be present for this hearing.

Matteson Police Department

Policy Manual

Policy Manual

Vehicle Tow, Storage and Impound Hearings

All requests for a hearing on a towed and/or stored vehicle shall be submitted in person, writing, or by telephone within ten days of the date appearing on the notice. The Administrative Sergeant will generally serve as the hearing officer; another agency member may be assigned by the Chief of Police or a Division Commander. The person requesting the hearing may record the hearing at his/her own expense.

The vehicle storage/towing hearing officer shall consider all information provided and determine the validity of the towing and/or storage of the vehicle in question and then render a decision. The hearing officer shall also consider any mitigating circumstances attendant to the storage that reasonably would warrant the release of the vehicle or a modification or reduction of period the vehicle is impounded.

If a decision is made that the vehicle was properly towed and/or stored within the law and department policy, and that mitigating circumstances are not a factor, the hearing officer shall so advise the inquiring party.

A decision that the vehicle was not towed and/or stored in a lawful manner or within department policy will require that the vehicle in storage be released immediately and any or all towing and storage fees will be waived.

If mitigating circumstances are found to be relevant, the hearing officer shall make reasonable adjustments to the impound period, storage, or assessment of fees as warranted.

If a decision is made that the vehicle was not towed and/or stored in a lawful manner or within department policy, and the vehicle has been released with fees having been paid, the receipt for such fees will be forwarded with a letter to the appropriate Division Commander. The hearing officer will recommend to the appropriate Division Commander that the fees paid by the registered or legal owner of the vehicle in question or their agent be reimbursed by the Department.

Impaired Driving

504.1 PURPOSE AND SCOPE

This policy provides guidance to those department members who play a role in the detection and investigation of driving under the influence (DUI).

504.2 POLICY

The Matteson Police Department is committed to the safety of the roadways and the community and will pursue fair but aggressive enforcement of Illinois's impaired driving laws.

504.3 INVESTIGATIONS

Officers should not enforce DUI laws to the exclusion of their other duties unless specifically assigned to DUI enforcement. All officers are expected to enforce these laws with due diligence.

The Watch Commander will develop and maintain, in consultation with the prosecuting attorney, report forms with appropriate checklists to assist investigating officers in documenting relevant information and maximizing efficiency. Any DUI investigation will be documented using these forms. Information documented elsewhere on the form does not need to be duplicated in the report narrative. Information that should be documented includes, at a minimum:

- (a) The field sobriety tests (FSTs) administered and the results.
- (b) The officer's observations that indicate impairment on the part of the individual, and the officer's health-related inquiries that may help to identify any serious health concerns (e.g., diabetic shock).
- (c) Sources of additional information (e.g., reporting party, witnesses) and their observations.
- (d) Information about any audio and/or video recording of the individual's driving or subsequent actions.
- (e) The location and time frame of the individual's vehicle operation and how this was determined.
- (f) Any prior related convictions in Illinois or another jurisdiction.

504.4 FIELD TESTS

The Watch Commander should identify standardized FSTs and any approved alternate tests for officers to use when investigating violations of DUI laws.

504.4.1 MEDICAL CANNABIS CARDHOLDER

A person who is a medical cannabis card holder and is reasonably suspected of driving or in actual physical control of a motor vehicle while impaired by the use of cannabis is deemed to have consented to standardized field sobriety tests (625 ILCS 5/11-501.9(a)).

Matteson Police Department

Policy Manual

Policy Manual

504.5 CHEMICAL TESTS

A person implies consent under Illinois law to a chemical test or tests, and to providing the associated sample, under any of the following:

- (a) The arresting officer has probable cause to believe that the person was driving or in actual physical control of a vehicle while under the influence of alcohol, drugs, intoxicating compounds or any combination thereof (625 ILCS 5/11-501.1).
- (b) The person is arrested for driving a vehicle involved in a motor vehicle accident resulting in personal injury or death of any person (625 ILCS 5/11-401).
- (c) The person was driving or in actual physical control of a vehicle and involved in a personal injury or fatality accident (625 ILCS 5/11-501.6).
- (d) The person is under the age of 21, was driving or in actual physical control of a vehicle and the officer has probable cause to believe that the person has consumed any amount of an alcoholic beverage (625 ILCS 5/11-501.8).

Chemical tests shall be taken pursuant to the standards promulgated by the Department of State Police (625 ILCS 5/11-501.2(a)).

If a person withdraws this implied consent, or is unable to withdraw consent (e.g., the person is unconscious), the officer should consider implied consent revoked and proceed as though the person has refused to provide a chemical sample.

504.5.1 STATUTORY NOTIFICATIONS

An officer requesting that a person submit to a chemical test, or to a field sobriety test during an investigation of a medical marijuana cardholder driving while impaired by the use of cannabis, shall provide the person with the mandatory statutory warning.

If the person refuses to acknowledge in writing receipt of the warning regarding failure to submit to a chemical test, the officer shall document on the warning that the person refused to sign (See generally, 625 ILCS 5/11-501.1; 625 ILCS 5/11-501.6; 625 ILCS 5/11-501.8; 625 ILCS 5/11-501.9).

504.5.2 BREATH SAMPLES

The Watch Commander should ensure that all devices used for the collection and analysis of breath samples are properly serviced and tested, and that a record of such service and testing is properly maintained.

Officers obtaining a breath sample should monitor the device for any sign of malfunction. Any anomalies or equipment failures should be noted in the appropriate report and promptly reported to the Watch Commander.

Matteson Police Department

Policy Manual

Policy Manual

504.5.3 BLOOD SAMPLES

Only persons authorized by law to draw blood shall collect blood samples (625 ILCS 5/11-501.2(a)(2)). The blood draw should be witnessed by the assigned officer. No officer, even if properly certified, should perform this task.

Officers should inform an arrestee that if he/she chooses to provide a blood sample, a separate sample can be collected for alternate testing. Unless medical personnel object, two samples should be collected and retained as evidence, so long as only one puncture is required.

The blood sample shall be packaged, marked, handled, stored and transported as required by the testing facility.

If an arrestee cannot submit to a blood test because he/she has a bleeding disorder or has taken medication that inhibits coagulation, he/she shall not be required to take a blood test. Such inability to take a blood test shall not be treated as a refusal. However, that arrestee may be required to complete another available and viable test.

504.5.4 URINE SAMPLES

If a urine test will be performed, the person should be promptly transported to the appropriate testing site. The officer shall follow any directions accompanying the urine evidence collection kit.

Urine samples shall be collected and witnessed by an officer or jail staff member of the same sex as the person giving the sample. The arrestee should be allowed sufficient privacy to maintain his/her dignity, to the extent possible, while still ensuring the accuracy of the sample.

The sample shall be packaged, marked, handled, stored and transported as required by the testing facility.

504.5.5 DESIGNATION OF CHEMICAL TESTS

The Watch Commander shall designate which type of chemical tests may be administered by officers.

Officers may generally administer up to two additional tests of urine or other bodily substance even if a blood or breath test, or both, has been administered (625 ILCS 5/11-501.1(a); 625 ILCS 5/11-501.6(a); 625 ILCS 5/11-501.8(a)).

504.6 REFUSALS

When an arrestee refuses to provide a chemical sample during a DUI investigation, or to submit to field sobriety tests during an investigation of a medical marijuana cardholder driving while impaired by the use of cannabis, officers should:

- (a) Advise the arrestee of the requirement to provide a sample or submit to field sobriety tests (see generally, 625 ILCS 5/11-501.1; 625 ILCS 5/11-501.6; 625 ILCS 5/11-501.8; 625 ILCS 5/11-501.9).
- (b) Audio- and/or video-record the admonishment and the response when it is practicable.
- (c) Document the refusal in the appropriate report.

Policy Manual

Impaired Driving

504.6.1 STATUTORY NOTIFICATIONS UPON REFUSAL

Upon refusal to submit to a chemical test, or to submit to a field sobriety test during an investigation of a medical marijuana cardholder driving while impaired by the use of cannabis as required by law, officers shall personally serve the notice of statutory summary suspension or revocation upon the person and take possession of any state-issued license to operate a motor vehicle that is held by that person and issue the person a temporary driving permit (625 ILCS 5/11-501.1(f); 625 ILCS 5/11-501.9).

504.6.2 BLOOD SAMPLE WITHOUT CONSENT

A blood sample may be obtained from a person who refuses a chemical test when any of the following conditions exist:

- (a) A search warrant has been obtained.
- (b) The officer can articulate that exigent circumstances exist. Exigency does not exist solely because of the short time period associated with the natural dissipation of alcohol or controlled or prohibited substances in the person's bloodstream. Exigency can be established by the existence of special facts such as a lengthy time delay in obtaining a blood sample due to a crash investigation or medical treatment of the person.
- (c) Exigent circumstances exist and the person was driving or in actual physical control of a vehicle while under the influence of alcohol, drugs, intoxicating compounds or any combination thereof and caused death or personal injury to another person (625 ILCS 5/11-501.2).

504.6.3 FORCED BLOOD SAMPLE

If an arrestee indicates by word or action that he/she will physically resist a blood draw, the officer should request a supervisor to respond.

The responding supervisor should:

- (a) Evaluate whether using force to obtain a blood sample is appropriate under the circumstances.
- (b) Ensure that all attempts to obtain a blood sample through force cease if the person agrees to, and completes a viable form of testing in a timely manner.
- (c) Advise the person of his/her duty to provide a sample (even if this advisement was previously done by another officer) and attempt to persuade the individual to submit to such a sample without physical resistance.
 - 1. This dialogue should be recorded on audio and/or video when practicable.
- (d) Ensure that the blood sample is taken in a medically approved manner.
- (e) Ensure the forced blood draw is recorded on audio and/or video when practicable.

Matteson Police Department

Policy Manual

Policy Manual

Impaired Driving

- (f) Monitor and ensure that the type and level of force applied appears reasonable under the circumstances.
 - 1. Unless otherwise provided in a warrant, force should generally be limited to handcuffing or similar restraint methods.
 - 2. In misdemeanor cases, if the arrestee becomes violent or more resistant, no additional force will be used and a refusal should be noted in the report.
 - 3. In felony cases, force which reasonably appears necessary to overcome the resistance to the blood draw may be permitted.
- (g) Ensure the use of force and methods used to accomplish the collection of the blood sample are documented in the related report.

If a supervisor is unavailable, officers are expected to use sound judgment and perform as a responding supervisor, as set forth above.

504.7 ARREST AND INVESTIGATION

504.7.1 PRELIMINARY BREATH SCREENING TEST

An officer having reasonable suspicion to believe that a person is DUI may, prior to arrest, request that the person provide a sample of his/her breath for a preliminary breath screening (PBS) test using a portable device approved by the Department of State Police. The person may refuse the test, however, if a test is administered, the results may be used by the officer for the purpose of determining whether probable cause exists to require a chemical test as authorized by 625 ILCS 5/11-501.1 and 625 ILCS 5/11-501.2 (625 ILCS 5/11-501.5).

504.7.2 ADDITIONAL TESTING

A person submitting to a chemical test may have qualified medical personnel of his/her own choosing administer an additional chemical test (625 ILCS 5/11-501.2).

504.7.3 OFFICER RESPONSIBILITIES

If a person refuses to submit to a chemical test or submits to a test that discloses a prohibited alcohol or drug concentration, the officer shall immediately submit a sworn statement of such fact to the circuit court of venue and the Secretary of State (SOS) (625 ILCS 5/11-501.1(d)).

If a medical marijuana card holder refuses to submit to field sobriety tests or submits to a test that discloses impairment by the use of cannabis, the officer shall immediately submit a sworn statement of such fact to the circuit court of venue and the SOS (625 ILCS 5/11-501.9(e)).

504.7.4 COLLISIONS

An officer having probable cause to believe that a motor vehicle driven by or in actual physical control of a person under the influence of alcohol, other drugs, or intoxicating compounds or any combination thereof has caused the death or personal injury of another person, shall request that the person submit to a chemical test (625 ILCS 5/11-501.2(c)(2)).

Matteson Police Department

Policy Manual

Policy Manual

Impaired Driving

504.7.5 REPORTING

The Watch Commander shall ensure that the Department complies with all state reporting requirements pursuant to 20 ILCS 2630/5.

504.7.6 IMPOUNDMENT

An officer making an arrest for DUI should impound the vehicle driven by the arrestee when no other person is available to take lawful control of the vehicle and the arrestee may be released and have access to the vehicle within 12 hours (625 ILCS 5/4-203).

504.8 RECORDS SECTION RESPONSIBILITIES

The Records Supervisor will ensure that all case-related records are transmitted according to current records procedures and as required by the prosecuting attorney's office.

504.8.1 WARNING NOTIFICATION

The Records Supervisor shall forward the warning notification and sworn report in accordance with 625 ILCS 5/11-501.1, 625 ILCS 5/11-501.6, 625 ILCS 5/11-501.8, and 625 ILCS 5/11-501.9.

504.9 ADMINISTRATIVE HEARINGS

The Records Supervisor will ensure that all appropriate reports and documents related to administrative license suspensions are reviewed and forwarded to the SOS.

Any officer who receives notice of required attendance at an administrative license suspension hearing should promptly notify the prosecuting attorney.

An officer called to testify at an administrative hearing should document the hearing date and the SOS file number in a supplemental report. Specific details of the hearing generally should not be included in the report unless errors, additional evidence or witnesses are identified. The Records Section should forward this to the prosecuting attorney as part of the case file.

504.10 TRAINING

The Training Sergeant should ensure that officers participating in the enforcement of DUI laws receive regular training. Training should include, at minimum, current laws on impaired driving, investigative techniques and rules of evidence pertaining to DUI investigations. The Training Sergeant should confer with the prosecuting attorney's office and update training topics as needed.

Notice of Parking Violation Appeal Procedure

505.1 PURPOSE AND SCOPE

This policy outlines the procedure for the preliminary review (appeals) of parking, compliance, and red-light violations. Dispositions of notice of parking, compliance, and red-light violation appeals are conducted pursuant to Illinois state law.

505.2 RESPONSIBILITIES

The Administrative Sergeant shall be responsible for all parking, compliance, and red-light violation reviews.

Upon receiving notification of completion of a parking or compliance violation review (appeal), the Records Division will annotate the review/appeal in the record. - (c) Any violation that is not resolved with a final disposition during the preliminary review will be forwarded to the formal administrative hearing process, which will be conducted by an independent reviewer pursuant to state statute.
- (d) Any appellant wishing to pursue a matter beyond the formal administrative hearing process will be offered, upon completion of the administrative hearing, the guidelines for filing a court appeal with the Circuit Court of Cook County.

Disabled Vehicles

506.1 PURPOSE AND SCOPE

All law enforcement agencies having responsibility for traffic enforcement should develop and adopt a written policy to provide assistance to motorists in disabled vehicles within their primary jurisdiction.

506.2 POLICY

It is the policy of the Matteson Police Department to assist motorists with disabled vehicles until those vehicles are safely removed from the roadway. Members should take appropriate action to mitigate potential problems when a vehicle constitutes a traffic hazard or the safety of the motorist is a concern.

506.3 OFFICER RESPONSIBILITY

When an on-duty officer observes a disabled vehicle on the roadway, the officer should make a reasonable effort to provide assistance. If that officer is assigned to a call of higher priority, the telecommunicator should be advised of the location of the disabled vehicle and the need for assistance. The telecommunicator should then assign another available officer to respond for assistance as soon as practical.

506.4 EXTENT OF ASSISTANCE

In most cases, a disabled motorist will require assistance. After arrangements for assistance are made, continued involvement by department personnel will be contingent on the time of day, the location, the availability of departmental resources, and the vulnerability of the disabled motorist.

506.4.1 MECHANICAL REPAIRS

Department personnel shall not make mechanical repairs to a disabled vehicle. The use of push bumpers to relocate vehicles to a position of safety is not considered a mechanical repair.

506.4.2 RELOCATION OF DISABLED VEHICLES

The relocation of disabled vehicles by members of this department by pushing or pulling a vehicle should only occur when the conditions reasonably indicate that immediate movement is necessary to reduce a hazard presented by the disabled vehicle. The relocation of a disabled vehicle by using a patrol vehicle to push or pull the disabled vehicle shall only be conducted after the motorist has signed the department's Push Bumper/Lock-out Liability Release Form. The form will be completed properly with the following information:

- Case Report Number
- Vehicle make, model, color, and year
- Registration number, state, and year
- Location
- Printed name of the driver and driver's address and driver's license number

Any damage to a squad car as a result of using it to move a disabled vehicle shall immediately be brought to the attention of the member's immediate supervisor.

506.4.3 RELOCATION OF DISABLED MOTORIST

The relocation of a disabled motorist should only occur with the person's consent and should be suggested when conditions reasonably indicate that immediate movement is necessary to mitigate a potential hazard. The department member may stay with the disabled motorist or transport him/her to a safe area to await pickup.

506.4.4 EMERGENCY MOTORIST SERVICES

Personnel who encounter medical emergencies are expected to provide reasonable assistance within their capabilities to preserve life or protect property. In the event of an emergency, personnel shall:

1. Notify the communications center to send paramedics to the scene of medical emergencies.
2. Provide first aid within the extent of the his/her training.
3. Obtain fire assistance if needed.

506.4.5 EMERGENCY ASSISTANCE

Officers should request emergency services (e.g., fire units, medical assistance, utilities) as needed and shall provide assistance until appropriate emergency services arrive.

Upon receipt of the delivered or undelivered status of the certified notice, the abandoned vehicle shall be cited accordingly and towed.

Parking citations for the ordinance violation shall be issued when the vehicle is towed and stored for the violation.

600.4 CUSTODIAL INTERROGATION REQUIREMENTS

Suspects who are in custody and subjected to an interrogation shall be given the *Miranda* warning, unless an exception applies. Interview or interrogation of a juvenile shall be in accordance with the Temporary Custody of Juveniles Policy.

600.4.1 AUDIO/VIDEO RECORDINGS

All custodial interrogations at the Matteson Police Department of suspects in investigations of offenses as provided in 725 ILCS 5/103-2.1 shall be electronically recorded in their entirety (motion picture, audiotape or videotape, or digital recording) (725 ILCS 5/103-2.1; 705 ILCS 405/5-401.5). Regardless of where the interrogation occurs, every reasonable effort should be made to secure functional recording equipment to accomplish such recordings.

Consideration should also be given to recording a custodial interrogation, or any investigative interview, for any other offense when it is reasonable to believe it would be appropriate and beneficial to the investigation and is otherwise allowed by law.

No recording of an interrogation should be destroyed or altered without written authorization from the prosecuting attorney and the Criminal Investigations Division supervisor. Copies of recorded interrogations or interviews may be made in the same or different format provided they are true, accurate and complete copies and are made only for authorized and legitimate law enforcement purposes. Electronic recordings of a custodial interrogation in connection with an investigation for the offenses listed in 725 ILCS 5/103-2.1 shall be preserved until the conclusion of all criminal proceedings, including the exhaustion of habeas corpus appeals or the prosecution is barred by law (725 ILCS 5/103-2.1(c); 705 ILCS 405/5-401.5(c)).

Recordings should not take the place of a thorough report and investigative interviews. Written statements from suspects should continue to be obtained when applicable.

600.5 DISCONTINUATION OF INVESTIGATIONS

The investigation of a criminal case or efforts to seek prosecution should only be discontinued if one of the following applies:

- (a) All reasonable investigative efforts have been exhausted, no reasonable belief that the person who committed the crime can be identified, and the incident has been documented appropriately.

 - 2. Warnings shall not be given for felony offenses or other offenses identified in this policy or by law that require an arrest or submission of a case to a prosecutor.
- (c) The case has been submitted to the appropriate prosecutor but no charges have been filed. Further investigation is not reasonable nor has the prosecutor requested further investigation.

Matteson Police Department

The Domestic Violence, Child Abuse, Sexual Assault Investigations and Adult Abuse policies may also require an arrest or submittal of a case to a prosecutor.

600.6 COMPUTERS AND DIGITAL EVIDENCE

The collection, preservation, transportation and storage of computers, cell phones and other digital devices may require specialized handling to preserve the value of the related evidence. If it is anticipated that computers or similar equipment will be seized, officers should request that computer forensic examiners assist with seizing computers and related evidence. If a forensic examiner is unavailable, officers should take reasonable steps to prepare for such seizure and use the resources that are available.

600.7 INVESTIGATIVE USE OF SOCIAL MEDIA AND INTERNET SOURCES

Use of social media and any other Internet source to access information for the purpose of criminal investigation shall comply with applicable laws and policies regarding privacy, civil rights and civil liberties. Information gathered via the Internet should only be accessed by members while on-duty and for purposes related to the mission of this department. If a member encounters information relevant to a criminal investigation while off-duty, or while using his/her own equipment, the member should note the dates, times, and locations of the information and report the discovery to his/her supervisor as soon as practicable. The member, or others who have been assigned to do so, should attempt to replicate the finding when on-duty and using department equipment.

Information obtained via the Internet should not be archived or stored in any manner other than department-established record keeping systems (see the Records Maintenance and Release and the Criminal Organizations policies).

600.7.1 ACCESS RESTRICTIONS

Information that can be accessed from any department computer, without the need of an account, password, email address, alias or other identifier (unrestricted websites), may be accessed and used for legitimate investigative purposes without supervisory approval.

Accessing information from any Internet source that requires the use or creation of an account, password, email address, alias or other identifier, or the use of nongovernment IP addresses, requires supervisor approval prior to access. The supervisor will review the justification for accessing the information and consult with legal counsel as necessary to identify any policy or legal restrictions. Any such access and the supervisor approval shall be documented in the related investigative report.

Matteson Police Department

Policy Manual

Any information collected in furtherance of an investigation through an Internet source should be documented in the related report. Documentation should include the source of information and the dates and times that the information was gathered.

600.7.2 INTERCEPTING ELECTRONIC COMMUNICATION

Intercepting social media communications in real time may be subject to federal and state wiretap laws. Officers should seek legal counsel before any such interception.

600.8 MODIFICATION OF CHARGES FILED

Members are not authorized to recommend to the prosecutor or to any other official of the court that charges on a pending case be amended or dismissed without the authorization of a Division Commander or the Chief of Police. Any authorized request to modify the charges or to recommend dismissal of charges shall be made to the prosecutor.

The [Department/Office] shall use the resources available to measure the assigned caseload, clearance rate, and disposition of cases assigned to members for follow-up investigation.

A supervisor should screen all criminal reports for follow-up assignment to members and ensure timely investigation, or closure based upon solvability factors. The supervisor is responsible for the proper management of all cases.

Asset Forfeiture

Seizure - The act of law enforcement officials taking property, cash, or assets that have been used in connection with or acquired by specified illegal activities.

601.2 POLICY

The Matteson Police Department recognizes that appropriately applied forfeiture laws are helpful to enforce the law, deter crime and reduce the economic incentive of crime. However, the potential for revenue should never compromise the effective investigation of criminal offenses, officer safety or any person's due process rights.

It is the policy of the Matteson Police Department that all members, including those assigned to internal or external law enforcement task force operations, shall comply with all state and federal laws pertaining to forfeiture.

601.3 ASSET SEIZURE

Property may be seized for forfeiture as provided in this policy.

601.3.1 PROPERTY SUBJECT TO SEIZURE

The following may be seized upon review and approval of a supervisor and in coordination with the forfeiture reviewer:

- (a) Property that is subject to forfeiture because it constitutes evidence of a crime and may be legally seized as part of a criminal investigation, search warrant, or by other court order.
- (b) Property seized without a court order when there is probable cause to believe that the property is subject to forfeiture, the property is seized under circumstances in which a warrantless seizure or arrest would be reasonable (i.e., property would be lost without immediate seizure), and the seizure is authorized by statute, as in:
 - 1. Seizure of vessels, vehicles, and aircraft under the Criminal Code of 2012 (720 ILCS 5/36-1.1).
 - 2. Money laundering (720 ILCS 5/29B-6).
 - 3. The Illinois Controlled Substances Act (725 ILCS 150/3.1).
 - 4. The Cannabis Control Act (725 ILCS 150/3.1).
 - 5. The Illinois Food, Drug and Cosmetic Act (410 ILCS 620/3.23; 725 ILCS 150/3.1).
 - 6. The Methamphetamine Control and Community Protection Act (725 ILCS 150/3.1).

Officers may request the Attorney General or any State's Attorney seek a court order to seize property when there is probable cause to believe that it may be subject to forfeiture upon a successful criminal prosecution (725 ILCS 5/124B-805; 725 ILCS 5/124B-150).

Whenever practicable, a court order for seizure prior to making a seizure is the preferred method.

A large amount of money standing alone is insufficient to establish the probable cause required to make a seizure.

601.3.2 PROPERTY NOT SUBJECT TO SEIZURE

The following property should not be seized for forfeiture:

- (a) Cash and property that does not meet the statutory or State Attorney's current minimum forfeiture thresholds
- (b) If reasonably known to the officer, property held by a person known as an "innocent owner" or a "lender" who did not have knowledge or intent that would reasonably justify a seizure (720 ILCS 5/29B-17; 725 ILCS 5/124B-130; 725 ILCS 150/8)
- (c) Property that the officer reasonably believes would be excessive as it relates to the offense in question (720 ILCS 5/36-3.1; 725 ILCS 150/9.5)

- (a) Complete the applicable seizure forms and present the appropriate copy to the person from whom the property is seized. If cash or property is seized from more than one person, a separate copy must be provided to each person, specifying the items seized. When property is seized and no one claims an interest in the property, the officer must leave the copy in the place where the property was found, if it is reasonable to do so.
- (b) Complete and submit a report and original seizure forms within 24 hours of the seizure, if practicable.
- (c) Forward the original seizure forms and related reports to the forfeiture reviewer within two days of seizure.

The officer will book seized property as evidence with the notation in the comment section of the property form, "Seized Subject to Forfeiture." Property seized subject to forfeiture should be booked on a separate property form. No other evidence from the case should be booked on this form.

Photographs should be taken of items seized, particularly cash, jewelry, and other valuable items.

Officers who suspect property may be subject to seizure, but are not able to seize the property (e.g., the property is located elsewhere, the whereabouts of the property is unknown, it is real estate, bank accounts, non-tangible assets), should document and forward the information in the appropriate report to the forfeiture reviewer.

601.5 MAINTAINING SEIZED PROPERTY

The Evidence Room supervisor is responsible for ensuring compliance with the following:

- (a) All property received for forfeiture is reasonably secured and properly stored to prevent waste and preserve its condition (720 ILCS 5/36-1.3; 725 ILCS 150/3.3).

- (i) Ensuring that a written plan that enables the Chief of Police to address any extended absence of the forfeiture reviewer, thereby ensuring that contact information for other law enforcement officers and attorneys who may assist in these matters is available.
- (j) Ensuring that the process of selling or adding forfeited property to the department's regular inventory is in accordance with all applicable laws and consistent with the department's use and disposition of similar property.
- (k) Upon completion of any forfeiture process, ensuring that no property is retained by the Matteson Police Department unless the Chief of Police authorizes in writing the retention of the property for official use.

Informants

602.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the use of informants.

602.1.1 DEFINITIONS

Definitions related to this policy include:

Informant - A person who covertly interacts with other individuals or suspects at the direction of, request of, or by agreement with the Matteson Police Department for law enforcement purposes. This also includes a person agreeing to supply information to the Matteson Police Department for a benefit (e.g., a quid-pro-quo in the form of a reduced criminal penalty, money).

602.2 POLICY

The Matteson Police Department recognizes the value of informants to law enforcement efforts and will strive to protect the integrity of the informant process. It is the policy of this department that all funds related to informant payments will be routinely audited and that payments to informants will be made according to the criteria outlined in this policy.

602.3 USE OF INFORMANTS

602.3.1 INITIAL APPROVAL

Before using an individual as an informant, an officer must receive approval from his/her supervisor. The officer shall compile sufficient information through a background investigation and experience with the informant in order to determine the suitability of the individual; including age, maturity, and risk of physical harm, as well as any indicators of his/her reliability and credibility.

Members of this department should not guarantee absolute safety or confidentiality to an informant.

602.3.2 JUVENILE INFORMANTS

The use of informants under the age of 13 is prohibited.

In all cases, a juvenile 13 years of age or older may only be used as an informant with the written consent of each of the following:

- (a) The juvenile's parents or legal guardians
- (b) The juvenile's attorney, if any
- (c) The court in which the juvenile's case is being handled, if applicable
- (d) The Chief of Police or the authorized designee

602.3.3 INFORMANT AGREEMENTS

All informants are required to sign and abide by the provisions of the designated department informant agreement. The officer using the informant shall discuss each of the provisions of the agreement with the informant.

Matteson Police Department

Policy Manual

Policy Manual

Informants

Details of the agreement are to be approved in writing by a supervisor before being finalized with the informant.

602.4 INFORMANT INTEGRITY

To maintain the integrity of the informant process, the following must be adhered to:

- (a) The identity of an informant acting in a confidential capacity shall not be withheld from the Chief of Police, Division Commander, Tactical Unit supervisor, Criminal Investigations Supervisor, or their authorized designees.
 - 1. Identities of informants acting in a confidential capacity shall otherwise be kept confidential.
- (b) Criminal activity by informants shall not be condoned.
- (c) Informants shall be told they are not acting as police officers, employees, or agents of the Matteson Police Department, and that they shall not represent themselves as such.
- (d) The relationship between department members and informants shall always be ethical and professional.
 - (a) Members shall not become intimately involved with an informant.
 - (b) Social contact shall be avoided unless it is necessary to conduct an official investigation, and only with prior approval of the appropriate supervisor overseeing the investigation.
 - (c) Members shall neither solicit, nor accept, gratuities or engage in any private business transaction with an informant.
- (e) Officers shall not meet with informants in a private place unless accompanied by at least one additional officer or with prior approval of the supervisor overseeing the investigation.
 - 1. Officers may meet informants alone in an occupied public place, such as a restaurant.
- (f) When contacting informants for the purpose of making payments, officers shall arrange for the presence of another officer.
- (g) In all instances when department funds are paid to informants, a voucher shall be completed in advance, itemizing the expenses.
- (h) Since the decision rests with the appropriate prosecutor, officers shall not promise that the informant will receive any form of leniency or immunity from criminal prosecution.

602.4.1 UNSUITABLE INFORMANTS

The suitability of any informant should be considered before engaging him/her in any way in a covert or other investigative process. Members who become aware that an informant may be unsuitable will notify the supervisor, who will initiate a review to determine suitability. Until a determination has been made by a supervisor, the informant should not be used by any member. The supervisor shall determine whether the informant should be used by the Department, and

Matteson Police Department

Policy Manual

Policy Manual

Informants

if so, what conditions will be placed on his/her participation or any information the informant provides. The supervisor shall document the decision and conditions in file notes and mark the file "unsuitable" when appropriate.

Considerations for determining whether an informant is unsuitable include, but are not limited to, the following:

- (a) The informant has provided untruthful or unreliable information in the past.
- (b) The informant behaves in a way that may endanger the safety of an officer.
- (c) The informant reveals to suspects the identity of an officer or the existence of an investigation.
- (d) The informant appears to be using his/her affiliation with this department to further criminal objectives.
- (e) The informant creates officer-safety issues by providing information to multiple law enforcement agencies simultaneously, without prior notification and approval of each agency.
- (f) The informant engages in any other behavior that could jeopardize the safety of officers or the integrity of a criminal investigation.
- (g) The informant commits criminal acts subsequent to entering into an informant agreement.

602.5 INFORMANT FILES

Informant files shall be utilized as a source of background information about the informant, to enable review and evaluation of information provided by the informant, and to minimize incidents that could be used to question the integrity of department members or the reliability of the informant.

Informant files shall be maintained in a secure area within the Tactical Unit. The Tactical Unit supervisor, or authorized designee, shall be responsible for maintaining informant files. Access to the informant files shall be restricted to the Chief of Police, Deputy Chief of Police, Tactical Unit Supervisor, or their authorized designees.

The Deputy Chief of Police should arrange for an audit using a representative sample of randomly selected informant files on a periodic basis, but no less than one time per year. If the Tactical Unit Supervisor is replaced, the files will be audited before the new supervisor takes over management of the files. The purpose of the audit is to ensure compliance with file content and updating provisions of this policy. The audit should be conducted by a supervisor who does not have normal access to the informant files.

602.5.1 FILE SYSTEM PROCEDURE

A separate file shall be maintained on each informant and shall be coded with an assigned informant control number. An informant history that includes the following information shall be prepared for each file:

Matteson Police Department

Policy Manual

Policy Manual

Informants

- (a) Name and aliases
- (b) Date of birth
- (c) Physical description: sex, race, height, weight, hair color, eye color, scars, tattoos, or other distinguishing features
- (d) Photograph
- (e) Current home address and telephone numbers
- (f) Current employers, positions, addresses, and telephone numbers
- (g) Vehicles owned and registration information
- (h) Places frequented
- (i) Briefs of information provided by the informant and his/her subsequent reliability
 - 1. If an informant is determined to be unsuitable, the informant's file is to be marked "unsuitable" and notations included detailing the issues that caused this classification.
- (j) Name of the officer initiating use of the informant
- (k) Signed informant agreement
- (l) Update on active or inactive status of informant

602.6 INFORMANT PAYMENTS

No informant will be told in advance or given an exact amount or percentage for his/her service. The amount of funds to be paid to any informant will be evaluated against the following criteria:

- The extent of the informant's personal involvement in the case
- The significance, value, or effect on crime
- The value of assets seized
- The quantity of the drugs or other contraband seized
- The informant's previous criminal activity
- The level of risk taken by the informant

The Tactical Unit Supervisor will discuss the above factors with the Deputy Chief of Police and recommend the type and level of payment subject to approval by the Chief of Police.

602.6.1 PAYMENT PROCESS

Approved payments to an informant should be in cash using the following process:

- (a) Payments of \$500 and under may be paid in cash from a Tactical Division buy/expense fund.
 - 1. The Tactical Division supervisor shall sign the voucher for cash payouts from the buy/expense fund.

Matteson Police Department

Policy Manual

Policy Manual

Informants

- (b) Payments exceeding \$500 shall be made by issuance of a check, payable to the officer who will be delivering the payment.
 - 1. The check shall list the case numbers related to and supporting the payment.
 - 2. A written statement of the informant's involvement in the case shall be placed in the informant's file.
 - 3. The statement shall be signed by the informant verifying the statement as a true summary of his/her actions in the case.
 - 4. Authorization signatures from the Chief of Police and the Village Administrator are required for disbursement of the funds.
- (c) To complete the payment process for any amount, the officer delivering the payment shall complete a cash transfer form.
 - 1. The cash transfer form shall include the following:
 - (a) Date
 - (b) Payment amount
 - (c) Matteson Police Department case number
 - (d) A statement that the informant is receiving funds in payment for information voluntarily rendered.
 - 2. The cash transfer form shall be signed by the informant.
 - 3. The cash transfer form will be kept in the informant's file.

602.6.2 REPORTING OF PAYMENTS

Each informant receiving a cash payment shall be advised of his/her responsibility to report the cash to the Internal Revenue Service (IRS) as income. If funds distributed exceed \$600 in any reporting year, the informant should be provided IRS Form 1099 (26 CFR 1.6041-1). If such documentation or reporting may reveal the identity of the informant, and by doing so jeopardize any investigation, the safety of officers or the safety of the informant (26 CFR 1.6041-3), then IRS Form 1099 should not be issued.

In such cases, the informant shall be provided a letter identifying the amount he/she must report on a tax return as other income and shall be required to provide a signed acknowledgement of receipt of the letter. The completed acknowledgement form and a copy of the letter shall be retained in the informant's file.

602.6.3 AUDIT OF PAYMENTS

The Tactical Division Supervisor, or the authorized designee, shall be responsible for compliance with any audit requirements associated with grant provisions and applicable state and federal law.

At least once every six months, the Chief of Police, or the authorized designee, should conduct an audit of all informant funds for the purpose of accountability and security of the funds. The funds and related documents (e.g., buy/expense fund records, cash transfer forms, invoices, receipts and logs) will assist with the audit process.

Felony Investigation Discovery

603.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for proper management of discovery issues in homicide and “non-homicide felony” investigations as mandated by 725 ILCS 5/114-13.

603.2 INVESTIGATIVE MATERIALS

In every homicide investigation and “non-homicide felony” investigation conducted by the department, or when the Department participates in an investigation of a homicide or “non-homicide felony,” the Department shall exercise due diligence to provide to the State’s Attorney’s Office all investigative materials that have been generated or come into the possession of the department concerning the homicide or “non-homicide felony.”

Investigative materials include, but are not limited to, reports and memoranda. In homicide investigations, investigative materials also include field notes.

603.3 COMPLIANCE

The Criminal Investigations Division Commander shall implement appropriate procedures, including the periodic review of all homicide and “non-homicide felony” case files to ensure that all investigative materials and exculpatory evidence has been provided to the State’s Attorney’s Office.

All department personnel shall document in writing the tendering of investigative materials to the State’s Attorney’s Office and include the date, description of materials transmitted, and to whom the materials were tendered.

The Department shall cooperate with all requests for investigative materials made by the State’s Attorney in a timely and efficient manner.

603.4 CONTINUING OBLIGATIONS

The duty to disclose exculpatory information under this policy continues throughout the course of the prosecution of the case, remains after a defendant’s conviction, and until the fact finding proceedings, or the possibility of further proceedings, have ended.

Eyewitness Identification

604.1 PURPOSE AND SCOPE

This policy sets forth guidelines to be used when members of this department employ eyewitness identification techniques (725 ILCS 5/107A-2).

604.1.1 DEFINITIONS

Definitions related to the policy include:

Eyewitness identification process - Any field identification, live lineup or photographic identification.

Field identification - A live presentation of a single individual to a witness following the commission of a criminal offense for the purpose of identifying or eliminating the person as the suspect.

Live lineup - A live presentation of individuals to a witness for the purpose of identifying or eliminating an individual as the suspect.

Photographic lineup - Presentation of photographs to a witness for the purpose of identifying or eliminating an individual as the suspect.

604.2 POLICY

The Matteson Police Department will strive to use eyewitness identification techniques, when appropriate, to enhance the investigative process and will emphasize identifying persons responsible for crime and exonerating the innocent.

604.3 INTERPRETIVE SERVICES

Members should make a reasonable effort to arrange for an interpreter before proceeding with eyewitness identification if communication with a witness is impeded due to language or hearing barriers.

Before the interpreter is permitted to discuss any matter with the witness, the investigating member should explain the identification process to the interpreter. Once it is determined that the interpreter comprehends the process and can explain it to the witness, the eyewitness identification may proceed as provided for within this policy.

604.4 EYEWITNESS IDENTIFICATION PROCESS AND FORM

The Criminal Investigations Division supervisor shall be responsible for the development and maintenance of an eyewitness identification process for use by members when they are conducting eyewitness identifications.

The process should include appropriate forms or reports that provide (725 ILCS 5/107A-2):

- (a) The date, time and location of the eyewitness identification procedure.
- (b) The name and identifying information of the witness.

Matteson Police Department

Policy Manual

Policy Manual

Eyewitness Identification

- (c) The name of the person administering the identification procedure.
- (d) If applicable, the names of all of the individuals present during the identification procedure.
- (e) An instruction to the witness that it is as important to exclude innocent persons as it is to identify a perpetrator.
- (f) An instruction to the witness that the perpetrator may or may not be among those presented and that the witness is not obligated to make an identification.
- (g) If the identification process is photographic or live lineup, an instruction to the witness that the perpetrator may not appear exactly as he/she did on the date of the incident.
- (h) An instruction to the witness that the investigation will continue regardless of whether an identification is made by the witness.
- (i) Notice that if an audio/video recording of the lineup is made it will be of the persons in the lineup and the witness.
- (j) A signature line where the witness acknowledges that he/she understands the identification procedures and instructions.
- (k) A statement from the witness in the witness's own words describing how certain he/she is of the identification or non-identification. This statement should be taken at the time of the identification procedure.

The process and related forms should be reviewed at least annually and modified when necessary to ensure compliance with 725 ILCS 5/107A-2 and applicable judicial decisions. The Criminal Investigations Division supervisor shall prepare written guidelines setting forth when simultaneous lineups may be conducted rather than sequential lineups.

604.5 EYEWITNESS IDENTIFICATION

Members are cautioned not to, in any way, influence a witness as to whether any subject or photo presented in a lineup is in any way connected to the case. Members should avoid mentioning that:

- The individual was apprehended near the crime scene.
- The evidence points to the individual as the suspect.
- Other witnesses have identified or failed to identify the individual as the suspect.

In order to avoid undue influence, witnesses shall view suspects or a lineup individually and outside the presence of other witnesses (725 ILCS 5/107A-2). Witnesses should be instructed to avoid discussing details of the incident or of the identification process with other witnesses. Witnesses should be separated or monitored and the lineup administrator shall ensure that all eyewitnesses are monitored to prevent them from conferring with one another while waiting to view the lineup and during the lineup (725 ILCS 5/107A-2).

Whenever feasible, the eyewitness identification procedure shall be audio and/or video recorded and the recording should be retained according to current evidence procedures. If the witness

Matteson Police Department

Policy Manual

Policy Manual

Eyewitness Identification

refuses to allow a recording of the process, the refusal shall be recorded and the member shall document in the report that no recording was made and the reason (725 ILCS 5/107A-2).

604.6 PHOTOGRAPHIC LINEUP AND LIVE LINEUP CONSIDERATIONS

When practicable, the member presenting the lineup shall not be involved in the investigation of the case or know the identity of the suspect (725 ILCS 5/107A-2).

In no case should the member presenting a lineup to a witness know which photograph or person in the live lineup is being viewed by the witness. Techniques to achieve this include randomly numbering photographs, shuffling folders or using a computer program to order the persons in the lineup.

Individuals in the lineup should reasonably match the description of the perpetrator provided by the witness and should bear similar characteristics to avoid causing any person to unreasonably stand out. In cases involving multiple suspects, a separate lineup should be conducted for each suspect. The suspects should be placed in a different order within each lineup.

The member presenting the lineup to a witness should do so sequentially (i.e., show the witness one person at a time) and not simultaneously. The witness should view all persons in the lineup.

A live lineup should only be used before criminal proceedings have been initiated against the suspect. If there is any question as to whether any criminal proceedings have begun, the investigating member should contact the appropriate prosecuting attorney before proceeding.

604.6.1 ADDITIONAL CONSIDERATIONS

Members presenting a lineup shall also ensure that (725 ILCS 5/107A-2):

- (a) Only one suspect is presented in a photo lineup and a minimum of five filler photos is utilized.
- (b) When practicable there should be five filler subjects used in a live lineup. In no case will fewer than three filler subjects be used.
- (c) No writings or information related to the persons presented is visible or made known to the witness.
- (d) If the witness requests to view a photograph or person again, he/she may do so, but only after first viewing each person or photograph.
- (e) If the witness identifies a person as the perpetrator, he/she shall not be provided with any information concerning the person until after the lineup is completed.
- (f) An automated computer program or other device may be used to display a photo lineup to an eyewitness provided the member administering the lineup cannot view the photos until completion of the lineup process.

604.7 FIELD IDENTIFICATION CONSIDERATIONS

Field identifications, also known as field elimination show-ups or one-on-one identifications, may be helpful in certain cases, where exigent circumstances make it impracticable to conduct a photo or live lineup identifications. A field elimination show-up or one-on-one identification should not be

Matteson Police Department

Policy Manual

Policy Manual

Eyewitness Identification

used when independent probable cause exists to arrest a suspect. In such cases a live or photo lineup is the preferred course of action if eyewitness identification is contemplated.

When initiating a field identification, the member should observe the following guidelines:

- (a) Obtain a complete description of the suspect from the witness.
- (b) Assess whether a witness should be included in a field identification process by considering:
 - 1. The length of time the witness observed the suspect.
 - 2. The distance between the witness and the suspect.
 - 3. Whether the witness could view the suspect's face.
 - 4. The quality of the lighting when the suspect was observed by the witness.
 - 5. Whether there were distracting noises or activity during the observation.
 - 6. Any other circumstances affecting the witness's opportunity to observe the suspect.
 - 7. The length of time that has elapsed since the witness observed the suspect.
- (c) If safe and practicable, the person who is the subject of the show-up should not be handcuffed or in a patrol vehicle.
- (d) When feasible, members should bring the witness to the location of the subject of the show-up, rather than bring the subject of the show-up to the witness.
- (e) The person who is the subject of the show-up should not be shown to the same witness more than once.
- (f) In cases involving multiple suspects, witnesses should only be permitted to view the subjects of the show-up one at a time.
- (g) The person who is the subject of the show-up should not be required to put on clothing worn by the suspect, to speak words uttered by the suspect or to perform other actions mimicking those of the suspect.
- (h) If a witness positively identifies a subject of a show-up as the perpetrator, members should not conduct any further field identifications with other witnesses for that suspect. In such instances members should document the contact information for any additional witnesses for follow up, if necessary.

604.8 DOCUMENTATION

A thorough description of the eyewitness process and the results of any eyewitness identification shall be documented in the case report (725 ILCS 5/107A-2). If practicable, an audio or video recording of the witness statements shall be made.

Matteson Police Department

Policy Manual

Policy Manual

Eyewitness Identification

If a photographic lineup is utilized, the actual photographic lineup presented to the witness shall be included in the case report. In addition, the order in which the photographs were presented to the witness should be documented in the case report. If a live lineup is utilized, a photograph or other visual recording shall be included in the case report (725 ILCS 5/107A-2).

If an automated computer process or other similar device is used to conduct a photographic lineup, the results of that lineup, including the photographs displayed, will be saved in a manner that permits the process to be repeated and shall be made part of the case report.

Brady Material Disclosure

605.1 PURPOSE AND SCOPE

This policy establishes guidelines for identifying and releasing potentially exculpatory or impeachment information (so-called *Brady* information) to a prosecuting attorney.

605.1.1 DEFINITIONS

Definitions related to this policy include:

Brady information -Information known or possessed by the Matteson Police Department that is both favorable and material to the current prosecution or defense of a criminal defendant.

605.2 POLICY

The Matteson Police Department will conduct fair and impartial criminal investigations and will provide the prosecution with both incriminating and exculpatory evidence, as well as information that may adversely affect the credibility of a witness. In addition to reporting all evidence of guilt, the Matteson Police Department will assist the prosecution by complying with its obligation to disclose information that is both favorable and material to the defense. The Department will identify and disclose to the prosecution potentially exculpatory information, as provided in this policy.

605.3 DISCLOSURE OF INVESTIGATIVE INFORMATION

Officers must include in their investigative reports adequate investigative information and reference to all material evidence and facts that are reasonably believed to be either incriminating or exculpatory to any individual in the case. If an officer learns of potentially incriminating or exculpatory information any time after submission of a case, the officer or the handling investigator must prepare and submit a supplemental report documenting such information as soon as practicable. Supplemental reports shall be promptly processed and transmitted to the prosecutor's office.

If information is believed to be privileged or confidential (e.g., confidential informant or attorney-client information, attorney work product), the officer should discuss the matter with a supervisor and/or prosecutor to determine the appropriate manner in which to proceed.

Evidence or facts are considered material if there is a reasonable probability that they would affect the outcome of a criminal proceeding or trial. Determining whether evidence or facts are material often requires legal or even judicial review. If an officer is unsure, the officer should address the issue with a supervisor.

Supervisors who are uncertain about whether evidence or facts are material should address the issue in a written memo to an appropriate prosecutor. A copy of the memo should be retained in the Department case file.

605.4 DISCLOSURE OF REQUESTED INFORMATION

If *Brady* information is located, the following procedure shall apply:

Matteson Police Department

Policy Manual

Policy Manual

Brady Material Disclosure

- (a) In the event that a motion has not already been filed by the criminal defendant or other party, the prosecuting attorney and department member shall be notified of the potential presence of *Brady* material in the member's personnel file.
- (b) The prosecuting attorney or department counsel should be requested to file a motion in order to initiate an in-camera review by the court.
 - 1. If no motion is filed, the supervisor should work with the appropriate counsel to determine whether the records should be disclosed to the prosecutor.
- (c) The Custodian of Records shall accompany all relevant personnel files during any in-camera inspection and address any issues or questions raised by the court in determining whether any information contained in the files is both material and favorable to the criminal defendant.
- (d) If the court determines that there is relevant *Brady* material contained in the files, only that material ordered released will be copied and released to the parties filing the motion.
 - 1. Prior to the release of any materials pursuant to this process, the Custodian of Records should request a protective order from the court limiting the use of such materials to the involved case and requiring the return of all copies upon completion of the case.
- (e) If a court has determined that relevant *Brady* information is contained in the member's file in any case, the prosecutor should be notified of that fact in all future cases involving that member.

605.5 INVESTIGATING BRADY ISSUES

If the Department receives information from any source that a member may have issues of credibility, dishonesty, or has been engaged in an act of moral turpitude or criminal conduct, the information shall be investigated and processed in accordance with the Personnel Complaints Policy.

605.6 TRAINING

Department personnel should receive periodic training on the requirements of this policy.

605.7 BRADY PROCESS

The Chief of Police shall select a member of the Department to coordinate requests for Brady information. This person shall be directly responsible to the Administration Division Commander or the authorized designee.

The responsibilities of the coordinator include but are not limited to:

- (a) Working with the appropriate prosecutors' offices and the Village Attorney's office to establish systems and processes to determine what constitutes Brady information and the method for notification and disclosure.
- (b) Maintaining a current list of members who have Brady information in their files or backgrounds.

Matteson Police Department

Policy Manual

Policy Manual

Brady Material Disclosure

1. Updating this list whenever potential Brady information concerning any department member becomes known to the Department or is placed into a personnel or internal affairs file.

605.8 SUBPOENA PROCESSING

The individual processing subpoenas (or the supervisor of the subpoenaed member) shall check the subpoenaed member's name against the current list of those who are known to have Brady information in their files or background, and shall alert the coordinator if a person on the list is subpoenaed.

Unmanned Aerial System (UAS) Operations

606.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines under which unmanned aerial systems (UAS) may be used, and the storage, retrieval, and dissemination of images and data captured by such systems.

606.1.1 DEFINITIONS

Definitions related to this policy include:

Unmanned Aerial System (UAS) - An unmanned aircraft or drone of any type that is capable of sustaining directed flight, whether preprogrammed or remotely controlled (commonly referred to as an unmanned aerial vehicle (UAV)), and all of the supporting or attached systems designed for gathering information through imaging, recording, or any other means.

606.2 POLICY

Unmanned Aerial Systems may be utilized to enhance the department's mission of protecting lives and property when other means and resources are not available or are less effective. Any use of a UAS will be in strict accordance with constitutional and privacy rights and Federal Aviation Administration (FAA) regulations.

606.3 PRIVACY

The use of the UAS potentially involves privacy considerations. Absent a warrant or exigent circumstances, operators and observers shall adhere to FAA altitude regulations and shall not intentionally record or transmit images of any location where a person would have a reasonable expectation of privacy (e.g., residence, yard, enclosure, etc.). Operators and observers shall take reasonable precautions to avoid inadvertently recording or transmitting images of areas where there is a reasonable expectation of privacy. Reasonable precautions can include, for example, deactivating or turning imaging devices away from such areas or persons during UAS operations.

606.4 PROGRAM COORDINATOR

The Chief of Police will appoint a program coordinator who will be responsible for the management of the UAS program. The program coordinator will ensure that policies and procedures conform to current laws, regulations and best practices and will have the following additional responsibilities:

- Coordinating the FAA Certificate of Waiver or Authorization (COA) application process and ensuring that the COA is current.
- Ensuring that all authorized operators and required observers have completed all required FAA and department-approved training in the operation, applicable laws, policies, and procedures regarding use of the UAS.
- Developing uniform protocol for submission and evaluation of requests to deploy a UAS, including urgent requests made during ongoing or emerging incidents. Deployment of a UAS shall require written authorization of the Chief of Police or the authorized designee, depending on the type of mission.

- Recommending program enhancements, especially regarding safety and information security.
- Ensuring that established protocols are followed by monitoring and providing periodic program reports to the Chief of Police.

606.5 USE OF UAS

Only authorized operators who have completed the required training shall be permitted to operate the UAS.

Use of vision enhancement technology (e.g., thermal and other imaging equipment not generally available to the public) is permissible in viewing areas only where there is no protectable privacy interest or when in compliance with a search warrant or court order. In all other instances, legal counsel should be consulted.

UAS operations should only be conducted during daylight hours and a UAS should not be flown over populated areas without FAA approval.

The UAS, or images and data produced by its use, shall not be used for personal business of any type. Any use of the UAS that is not specifically related to the operation or mission of this department shall require the express authorization of the Chief of Police or the authorized designee.

The Matteson Police Department may not use the UAS to gather information except (725 ILCS 167/15):

- (d) To locate a missing person while not also undertaking a criminal investigation.
- (e) To obtain crime scene and traffic crash scene photography in a geographically confined and time-limited manner. The use of the UAS under this paragraph on private property requires either a search warrant or lawful consent to search.
- (f) To obtain information necessary for the determination of whether a disaster or public health emergency should be declared, to manage a disaster by monitoring weather or emergency conditions, to survey damage, or to coordinate response and recovery efforts.

606.5.1 PRIVATE UAS OWNERS

This policy and its restrictions apply to the department's directed use of a UAS owned by a private third party and information gathered by a UAS voluntarily submitted to the Department by a private third party (725 ILCS 167/40).

606.6 PROHIBITED USE

The UAS video surveillance equipment shall not be used:

- To conduct random surveillance activities.
- To target a person based solely on actual or perceived characteristics such as race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, or disability.
- To harass, intimidate, or discriminate against any individual or group.
- To conduct personal business of any type.

The UAS shall not be weaponized.

606.7 RETENTION AND DISCLOSURE OF UAS INFORMATION

Within 30 days of UAS use, the Records Section supervisor shall destroy all information gathered by the UAS except when there is reasonable suspicion that the information contains evidence of criminal activity, or the information is relevant to an ongoing investigation or pending criminal trial (725 ILCS 167/20).

The disclosure of information gathered by the UAS is prohibited except to another government agency when there is reasonable suspicion that the information contains evidence of criminal activity, or the information is relevant to an ongoing investigation or pending criminal trial (725 ILCS 167/25).

606.8 REPORTING

The Records Section supervisor shall report annually, by April 1, to the Illinois Criminal Justice Information Authority the number of UAS's owned by the Matteson Police Department (725 ILCS 167/35).

Sexual Assault Investigations

607.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the investigation of sexual assaults. These guidelines will address some of the unique aspects of such cases and the effects that these crimes have on the victims (725 ILCS 203/15).

Mandatory notification requirements are addressed in the Child Abuse and Adult Abuse policies.

607.1.1 DEFINITIONS

Definitions related to this policy include:

Sexual assault - Any of the following (725 ILCS 203/10):

- (a) Any crime or attempted crime defined in 720 ILCS 5/11-1.20 through 720 ILCS 5/11-1.60 of the Criminal Code of 2012
- (b) Any crime or attempted crime defined in sections 720 ILCS 5/12-13 through 720 ILCS 5/12-16 of the Criminal Code of 1961
- (c) Any act of non-consensual sexual conduct or sexual penetration as defined in 720 ILCS 5/11-0.1 of the Criminal Code of 2012
- (d) Any act of non-consensual sexual conduct or sexual penetration as defined in 720 ILCS 5/12-12 of the Criminal Code of 1961

Sexual Assault Response Team (SART) - A multidisciplinary team generally comprised of advocates; law enforcement officers; forensic medical examiners, including sexual assault forensic examiners (SAFEs) or sexual assault nurse examiners (SANEs) if possible; forensic laboratory personnel; and prosecutors. The team is designed to coordinate a broad response to sexual assault victims.

607.2 POLICY

It is the policy of the Matteson Police Department that its members, when responding to reports of sexual assaults, will strive to minimize the trauma experienced by the victims, and will aggressively investigate sexual assaults, pursue expeditious apprehension and conviction of perpetrators, and protect the safety of the victims and the community.

607.2.1 WRITTEN GUIDELINES

The Criminal Investigations Division supervisor should ensure that written procedures are in place for members responding to reports of sexual assaults or assigned to these investigations. These procedures shall be consistent with the Illinois Attorney General guidelines on response to, and investigation of, sexual assaults (725 ILCS 203/15).

607.3 QUALIFIED INVESTIGATORS

Qualified investigators should be available for assignment of sexual assault investigations. These investigators should:

Matteson Police Department

Policy Manual

Policy Manual

Sexual Assault Investigations

- (a) Have specialized training in, and be familiar with, interview techniques and the medical and legal issues that are specific to sexual assault investigations (50 ILCS 705/10.21).
- (b) Conduct follow-up interviews and investigation.
- (c) Present appropriate cases of alleged sexual assault to the prosecutor for review.
- (d) Coordinate with other enforcement agencies, social service agencies, and medical personnel as needed.
- (e) Provide referrals to therapy services, victim advocates, and support for the victim.
- (f) Participate in or coordinate with the SART or other multidisciplinary investigative teams as applicable.

607.4 REPORTING

In all reported or suspected cases of sexual assault, a report should be written and assigned for follow-up investigation. This includes incidents in which the allegations appear unfounded or unsubstantiated.

607.4.1 REPORTING REQUIREMENTS

Written reports shall include to the extent reasonably known to the reporting member the following (725 ILCS 203/20):

- (a) The victim's name or other identifier
- (b) The victim's contact information
- (c) The time, date, and location of the offense
- (d) Information provided by the victim
- (e) The suspect's description and name, if known
- (f) The names of persons with information relevant to the time before, during, or after the offense, and their contact information
- (g) The names of medical professionals who conducted a medical forensic examination of the victim, and any information provided about the offense
- (h) Whether an Illinois State Police Sexual Assault Evidence Collection Kit was completed, the name and contact information for the hospital, and whether the victim consented to testing of the Evidence Collection Kit by law enforcement
- (i) Whether a urine or blood sample was collected and whether the victim consented to testing of a toxicology screen by law enforcement
- (j) Information the victim related to medical professionals during a medical forensic examination and which the victim consented to disclose to law enforcement
- (k) Other relevant information

607.4.2 THIRD-PARTY COMPLAINTS

A written report shall be completed even if the information regarding a sexual assault or sexual abuse is reported by a third party, unless the third party fails to provide the following (725 ILCS 203/22):

- (a) His/her name and contact information
- (b) Affirmation that the victim of the sexual assault or sexual abuse gave consent to the third party to provide information about the sexual assault or sexual abuse

607.4.3 JURISDICTIONAL ISSUES

If the sexual assault investigation determines that the sexual assault occurred outside the jurisdiction of Matteson, the Watch Commander should ensure that the report is forwarded to the appropriate agency within 24 hours by fax or email (725 ILCS 203/20).

Within 24 hours of receiving a report from a law enforcement agency in another jurisdiction regarding a sexual assault that occurred in our jurisdiction, the Watch Commander should ensure that a written confirmation or receipt is sent by fax or email or delivered in person. The written confirmation shall contain the name and identifier of the officer who is confirming receipt of the report and a name and contact phone number that will be given to the victim (725 ILCS 203/20).

In all reported or suspected cases of sexual assault that may have occurred in another jurisdiction, a report should still be written and forwarded to the appropriate law enforcement agency within 24 hours unless the other agency promptly responds to the location of the initiating interview and takes responsibility for the investigation (725 ILCS 203/20). If an agency from the other jurisdiction responds to take responsibility for the investigation, the Matteson member who initially responded should report any statements obtained up until that point, relevant observations, and the name and contact information of the member of the agency that is taking responsibility for the investigation.

607.5 RELEASING INFORMATION TO THE PUBLIC

In cases where the perpetrator is not known to the victim, and especially if there are multiple crimes where more than one appear to be related, consideration should be given to releasing information to the public whenever there is a reasonable likelihood that doing so may result in developing helpful investigative leads. The Criminal Investigations Division supervisor should weigh the risk of alerting the suspect to the investigation with the need to protect the victim and the public, and to prevent more crimes.

607.6 TRAINING

Training will be provided to (725 ILCS 203/20; 50 ILCS 705/10.21):

- (a) Members who are first responders. This includes:
 - 1. Initial response to sexual assaults.
 - 2. Legal issues.
 - 3. Victim advocacy.
 - 4. Victim's response to trauma.

Matteson Police Department

Policy Manual

Policy Manual

Sexual Assault Investigations

- (b) Qualified investigators, who should receive advanced training on additional topics. Advanced training should include:
 - 1. Interviewing sexual assault victims.
 - 2. SART.
 - 3. Medical and legal aspects of sexual assault investigations.
 - 4. Serial crimes investigations.
 - 5. Use of community and other federal and state investigative resources, such as the Violent Criminal Apprehension Program (ViCAP).
 - 6. Techniques for communication with victims to minimize trauma.

607.7 VICTIM INTERVIEWS

The primary considerations in sexual assault investigations, which begin with the initial call to the Dispatch Center, should be the health and safety of the victim, the preservation of evidence, and preliminary interviews to determine if a crime has been committed and to attempt to identify the suspect.

Whenever possible, a member of the SART should be included in the initial victim interviews.

An in-depth follow-up interview should not be conducted until after the medical and forensic examinations are completed and the personal needs of the victim have been met (e.g., change of clothes, bathing). The follow-up interview may be delayed to the following day based upon the circumstances. Whenever practicable, the follow-up interview should be conducted by a qualified investigator.

No opinion of whether the case is unfounded should be included in a report.

No victim shall be compelled or required to submit to an interview (725 ILCS 203/20).

Victims shall not be asked or required to take a polygraph examination or any form of a mechanical or electrical lie detector test (34 USC § 10451; 725 ILCS 200/1).

Victims should be apprised of applicable victim's rights provisions, as outlined in the Victim and Witness Assistance Policy.

607.8 COLLECTION AND TESTING OF BIOLOGICAL EVIDENCE

Whenever possible, a SART member should be involved in the collection of forensic evidence from the victim. Victims should be permitted to have an advocate present during the medical evidentiary and physical examination whenever reasonably practicable. Victims may also have an additional person present for support during the examination (725 ILCS 120/4.6).

When the facts of the case indicate that collection of biological evidence is warranted, it should be collected regardless of how much time has elapsed since the reported assault.

If a drug-facilitated sexual assault is suspected, urine and blood samples should be collected from the victim as soon as practicable.

Matteson Police Department

Policy Manual

Policy Manual

Sexual Assault Investigations

Biological evidence from all sexual assault cases, including cases where the suspect is known by the victim, should be collected.

Victims who choose not to assist with an investigation, do not desire that the matter be investigated, or wish to remain anonymous may still consent to the collection of evidence under their control. In these circumstances, the evidence should still be collected and stored appropriately.

607.8.1 MEMBER RESPONSIBILITIES

Members investigating sexual assaults or handling related evidence are further required to do the following (725 ILCS 203/30; 725 ILCS 202/10):

- (a) Take custody of sexual assault evidence as soon as practicable. Sexual assault evidence collected from a forensic examination shall be collected within five days after the completion of the exam.
- (b) Document the date and time the sexual assault evidence is picked up from a hospital and the date and time the sexual assault evidence was sent to a lab.
- (c) Prior to submitting forensic examination evidence for testing, obtain the appropriate written consent from the victim or authorized representative (410 ILCS 70/6.5(a)).
- (d) Document the date when consent was given by a victim to have the victim's forensic examination evidence tested.
- (e) Submit any sexual assault evidence for testing within 10 business days of the consent of the victim or authorized representative.
- (f) Not be present in the examination room during a medical examination, unless the victim is in custody and it is determined to be necessary for safety after consulting with the qualified medical care provider and the rape crisis advocate (77 Ill. Adm. Code 545.60; 77 Ill. Adm. Code 545.65).
- (g) Provide the victim with information about the Illinois State Police sexual assault evidence tracking system, including the victim's unique log-in information to access the system (725 ILCS 203/11).

Additional guidance regarding evidence retention and destruction is found in the Evidence Room Policy.

607.8.2 RELEASE PROTOCOL

The Criminal Investigations Division supervisor shall ensure that a procedure is in place for responding to a victim who wants to sign a consent form for the release of sexual assault evidence for testing (725 ILCS 203/30).

607.8.3 DNA TEST RESULTS

Members investigating sexual assault cases should notify victims of the status and results of any DNA test (725 ILCS 203/35).

A SART member may be consulted regarding the best way to deliver biological testing results to a victim so as to minimize victim trauma, especially in cases where there has been a significant

Matteson Police Department

Policy Manual

Policy Manual

Sexual Assault Investigations

delay in getting biological testing results (e.g., delays in testing the evidence or delayed DNA databank hits). Members should make reasonable efforts to assist the victim by providing available information on local assistance programs and organizations as provided in the Victim and Witness Assistance Policy.

Members investigating sexual assault cases should ensure that DNA results are entered into databases when appropriate and as soon as practicable.

607.9 DISPOSITION OF CASES

If the assigned investigator has reason to believe the case is without merit, the case may be classified as unfounded only upon review and approval of the Criminal Investigations Division supervisor.

Classification of a sexual assault case as unfounded requires the Criminal Investigations Division supervisor to determine that the facts have significant irregularities with reported information and that the incident could not have happened as it was reported. When a victim has recanted his/her original statement, there must be corroborating evidence that the allegations were false or baseless (i.e., no crime occurred) before the case should be determined as unfounded.

607.10 CASE REVIEW

The Criminal Investigations Division supervisor should ensure case dispositions are reviewed on a periodic basis, at least annually, using an identified group that is independent of the investigation process. The reviews should include an analysis of:

- Case dispositions.
- Decisions to collect biological evidence.
- Submissions of biological evidence for lab testing-

The SART and/or victim advocates should be considered for involvement in this audit. Summary reports on these reviews should be forwarded through the chain-of-command to the Chief of Police.

607.10.1 INVENTORY REPORT

The Criminal Investigations Division supervisor, or the authorized designee, is responsible for ensuring an annual inventory is conducted of all sexual assault cases in the custody of the Matteson Police Department and that a written report of the findings is submitted to the local State's Attorney's office (725 ILCS 202/20).

607.11 CRIMINAL INVESTIGATION OF AN OFFICER

Any member uncovering or receiving a complaint of a criminal sexual assault involving an officer of the Matteson Police Department should as soon as practicable notify his/her supervisor, who should immediately notify his/her chain-of-command so that the Chief of Police can contact an outside agency to conduct the criminal investigation (5 ILCS 815/10).

Matteson Police Department

Policy Manual

Policy Manual

Sexual Assault Investigations

The Chief of Police, or the authorized designee, may pursue an intergovernmental or interagency agreement to facilitate such an investigation should it be needed (5 ILCS 815/20).

An administrative investigation of the involved officer may be conducted pursuant to the Personnel Complaints Policy and will be conducted in a manner that does not interfere with the criminal investigation (5 ILCS 815/15).

Warrant Service

608.1 PURPOSE AND SCOPE

This policy establishes guidelines for the planning and serving of arrest and search warrants by members of this department. It is understood that this policy cannot address every variable or circumstance that can arise in the service of a search or arrest warrant, as these tasks can involve rapidly evolving and unique circumstances.

This policy is intended to be used in conjunction with the Operations Planning and Deconfliction Policy, which has additional guidance on planning and serving high-risk warrants.

This policy is not intended to address the service of search warrants on locations or property already secured or routine field warrant arrests by patrol officers.

608.2 POLICY

It is the policy of the Matteson Police Department to balance the safety needs of the public, the safety of department members, privacy interests and other relevant factors when making decisions related to the service of search and arrest warrants.

608.3 OPERATIONS DIRECTOR

The designated operations director shall review the potential risks of serving such warrants with the involved supervisor to determine the risk level of the warrant service.

The operations director will also have the responsibility to coordinate service of those warrants that are categorized as high risk. Deconfliction, risk assessment, operational planning, briefing and debriefing should follow guidelines in the Operations Planning and Deconfliction Policy.

608.3.1 OPERATIONS DIRECTOR VERIFICATION

The operations director shall verify the address of the warrant service and plans for children and vulnerable people.

608.4 SEARCH WARRANTS

Officers should receive authorization from a supervisor before preparing a search warrant application. Once authorization is received, the officer will prepare the affidavit and search warrant, consulting with the applicable prosecuting attorney as needed. He/she will also complete a risk assessment and submit it, along with the warrant affidavit, to the appropriate supervisor and the operations director for review and classification of risk (see the Operations Planning and Deconfliction Policy).

608.5 ARREST WARRANTS

If an officer reasonably believes that serving an arrest warrant may pose a higher risk than commonly faced on a daily basis, the officer should complete a risk assessment analysis and submit it to the appropriate supervisor and the operations director for review and classification of risk (see the Operations Planning and Deconfliction Policy).

Matteson Police Department

Policy Manual

Policy Manual

Warrant Service

If the warrant is classified as high-risk, service will be coordinated by the operations director. If the warrant is not classified as high-risk, the supervisor should weigh the risk of entry into a residence to make an arrest against other alternatives, such as arresting the person outside the residence where circumstances may pose a lower risk.

608.6 WARRANT PREPARATION

An officer who prepares a warrant should ensure the documentation in support of the warrant contains as applicable:

- (a) Probable cause to support the search or arrest, including relevant dates and times to demonstrate timeliness and facts to support any request for nighttime or no-knock warrant execution.
 - 1. No-knock warrant applications shall be consistent with the requirements of state law (725 ILCS 5/108-8).
- (b) A clear explanation of the affiant's training, experience, and relevant education.
- (c) Adequately supported opinions, when relevant, that are not left to unsubstantiated conclusions.
- (d) A nexus between the place to be searched and the persons or items central to the investigation. The facts supporting this nexus should be clear and current. For example, the affidavit shall explain why there is probable cause to believe that a particular person is currently residing at a particular location or that the items sought are present at a particular location.
- (e) Full disclosure of known or suspected residents at the involved location and any indication of separate living spaces at the involved location. For example, it should be disclosed that several people may be renting bedrooms at a single location, even if the exact location of the rooms is not known.
- (f) A specific description of the location to be searched (numerical address, location relative to other buildings, color, unique identifying features), including photographs of the location, if reasonably available.
- (g) A sufficient description of the items to be seized.
- (h) Full disclosure of any known exculpatory information relevant to the warrant application (refer to the Brady Material Disclosure Policy).

608.7 HIGH-RISK WARRANT SERVICE

The operations director or the authorized designee shall coordinate the service of warrants that are categorized as high risk and shall have sole authority in determining the manner in which the warrant will be served, including the number of officers deployed.

The member responsible for directing the service should ensure the following as applicable:

- (a) When practicable and when doing so does not cause unreasonable risk, video or photographic documentation is made of the condition of the location prior to execution of a search warrant. The images should include the surrounding area and persons present.

Matteson Police Department

Policy Manual

Policy Manual

Warrant Service

- (b) The warrant service, to include no-knock warrant service, is video-recorded when practicable and legal to do so under 720 ILCS 5/26-4. The warrant service may be audio-recorded if done in an open and conspicuous manner or with the consent of all parties (720 ILCS 5/14-2).
- (c) Evidence is handled and collected only by those members who are designated to do so. All other members involved in the service of the warrant should alert one of the designated members to the presence of potential evidence and not touch or disturb the items.
- (d) Reasonable efforts are made during the search to maintain or restore the condition of the location.
- (e) Persons who are detained as part of the warrant service are handled appropriately under the circumstances.
- (f) Reasonable care provisions are made for children and dependent adults (see the Child and Dependent Adult Safety Policy).
- (g) A list is made of all items seized and a copy provided to the person in charge of the premises if present or otherwise left in a conspicuous place.
- (h) A copy of the search warrant is left at the location.
- (i) The condition of the property is documented with video recording or photographs after the search.

608.8 DETENTIONS DURING WARRANT SERVICE

Officers must be sensitive to the safety risks of all persons involved with the service of a warrant. Depending on circumstances and facts present, it may be appropriate to control movements of any or all persons present at a warrant service, including those who may not be the subject of a warrant or suspected in the case. However, officers must be mindful that only reasonable force may be used and weapons should be displayed no longer than the officer reasonably believes is necessary (see the Use of Force Policy).

As soon as it can be determined that an individual is not subject to the scope of a warrant, and that no further reasonable suspicion or safety concerns exist to justify further detention, the person should be promptly released.

Officers should, when and to the extent reasonable, accommodate the privacy and personal needs of people who have been detained.

608.9 ACTIONS AFTER WARRANT SERVICE

The supervisor shall ensure that all affidavits, warrants, receipts, and returns, regardless of any associated cases, are filed with the issuing judge or magistrate as soon as reasonably possible, but in any event no later than any date specified on the warrant.

Officers shall notify a supervisor as soon as practicable if a warrant is executed at a location other than that listed in the warrant. Supervisors should take steps to arrange an internal investigation into the circumstances (725 ILCS 5/108-8).

Warrant Service

608.9.1 DOCUMENTATION

The operations director shall document information of all warrant services and maintain records to include:

- (a) Date and time received.
- (b) [Department/Office] tracking method.
- (c) Nature of document.
- (d) Source of document.
- (e) Name of complainant and defendant.
- (f) Name of officer assigned for service or serving officer.
- (g) Date of assignment.
- (h) Method of service.
- (i) Date of service and/or return.
- (j) Location of service or attempted service.
- (k) Reason for non-service.

Documentation related to the service of a warrant shall be maintained in accordance with the established records retention schedule.

608.10 OUTSIDE AGENCIES AND CROSS-JURISDICTIONAL WARRANTS

The operations director will ensure that cooperative efforts with other agencies in the service of warrants conform to existing mutual aid agreements or other memorandums of understanding and will work cooperatively to mitigate risks including, but not limited to, the following:

- Identity of team members
- Roles and responsibilities
- Familiarity with equipment
- Rules of engagement
- Asset forfeiture procedures

Any outside agency requesting assistance in the service of a warrant within this jurisdiction should be referred to the operations director. The director should review and confirm the warrant, including the warrant location, and should discuss the service with the appropriate supervisor from the other agency. The director should ensure that members of the Matteson Police Department are utilized appropriately. Any concerns regarding the requested use of Matteson Police Department members should be brought to the attention of the Chief of Police or the authorized designee. The actual service of the warrant will remain the responsibility of the agency requesting assistance.

If the operations director is unavailable, the Watch Commander should assume this role.

Matteson Police Department

Policy Manual

Policy Manual

Warrant Service

If officers intend to serve a warrant outside Matteson Police Department jurisdiction, the operations director should provide reasonable advance notice to the applicable agency, request assistance as needed and work cooperatively on operational planning and the mitigation of risks detailed in this policy.

Officers will remain subject to the policies of the Matteson Police Department when assisting outside agencies or serving a warrant outside Matteson Police Department jurisdiction.

608.11 MEDIA ACCESS

No advance information regarding warrant service operations shall be released without the approval of the Chief of Police. Any media inquiries or press release after the fact shall be handled in accordance with the Media Relations Policy.

608.12 TRAINING

The Training Sergeant should ensure officers receive periodic training on this policy and associated topics, such as legal issues, warrant preparation, warrant service and reporting requirements.

608.13 NO-KNOCK ENTRIES

No-knock entries are only authorized if a no-knock warrant has been obtained or if exigent circumstances arise at the scene such that knocking and announcing the officer's presence would create an imminent threat of physical violence to the officer or another person.

Operations Planning and Deconfliction

609.1 PURPOSE AND SCOPE

This policy provides guidelines for planning, deconfliction and execution of high-risk operations.

Additional guidance on planning and serving high-risk warrants is provided in the Warrant Service Policy.

609.1.1 DEFINITIONS

Definitions related to this policy include:

High-risk operations - Operations, including service of search and arrest warrants and sting operations, that are likely to present higher risks than are commonly faced by officers on a daily basis, including suspected fortified locations, reasonable risk of violence or confrontation with multiple persons, or reason to suspect that persons anticipate the operation. Additional high-risk operations may require providing security services for those who qualify for dignitary protection as outlined in this policy.

609.2 POLICY

It is the policy of the Matteson Police Department to properly plan and carry out high-risk operations, including participation in a regional deconfliction system, in order to provide coordination, enhance the safety of members and the public, decrease the risk of compromising investigations and prevent duplicating efforts.

609.3 OPERATIONS DIRECTOR

The Chief of Police will designate a member of this department to be the operations director.

The operations director will develop and maintain a risk assessment form to assess, plan and coordinate operations. This form should provide a process to identify high-risk operations.

The operations director will review risk assessment forms with involved supervisors to determine whether a particular incident qualifies as a high-risk operation. The director will also have the responsibility for coordinating operations that are categorized as high risk.

609.4 RISK ASSESSMENT

609.4.1 RISK ASSESSMENT FORM PREPARATION

Officers assigned as operational leads for any operation that may qualify as a high-risk operation shall complete a risk assessment memorandum or designated form.

When preparing the form, the officer should query all relevant and reasonably available intelligence resources for information about the subject of investigation, others who may be present and the involved location. These sources may include regional intelligence and criminal justice databases, target deconfliction systems, firearm records, commercial databases and property records. Where appropriate, the officer should also submit information to these resources.

Matteson Police Department

Policy Manual

Policy Manual

Operations Planning and Deconfliction

The officer should gather available information that includes, but is not limited to:

- (a) Photographs, including aerial photographs, if available, of the involved location, neighboring yards and obstacles.
- (b) Maps of the location.
- (c) Diagrams of any property and the interior of any buildings that are involved.
- (d) Historical information about the subject of investigation (e.g., history of weapon possession or use, known mental illness, known drug use, threats against police, gang affiliation, criminal history).
- (e) Historical information about others who may be present at the location (e.g., other criminals, innocent third parties, dependent adults, children, animals).
- (f) Obstacles associated with the location (e.g., fortification, booby traps, reinforced doors/windows, surveillance measures, number and type of buildings, geographic and perimeter barriers, the number and types of weapons likely to be present, information that suggests the presence of explosives, chemicals or other hazardous materials, the potential for multiple dwellings or living spaces, availability of keys/door combinations).
- (g) Other environmental factors (e.g., nearby venues such as schools and day care centers, proximity of adjacent homes or other occupied buildings, anticipated pedestrian and vehicle traffic at the time of service).
- (h) Other available options that may minimize the risk to officers and others (e.g., making an off-site arrest or detention of the subject of investigation).

609.4.2 RISK ASSESSMENT REVIEW

Officers will present the risk assessment form and other relevant documents (such as copies of search warrants and affidavits and arrest warrants) to their supervisor and the operations director.

The supervisor and operations director shall confer and determine the level of risk. Supervisors should take reasonable actions if there is a change in circumstances that elevates the risks associated with the operation.

609.4.3 HIGH-RISK OPERATIONS

If the operations director, after consultation with the involved supervisor, determines that the operation is high risk, the operations director should:

- (a) Determine what resources will be needed at the location, and contact and/or place on standby any of the following appropriate and available resources:
 - 1. Crisis Response Unit (CRU)
 - 2. Additional personnel
 - 3. Outside agency assistance
 - 4. Special equipment
 - 5. Medical personnel
 - 6. Persons trained in negotiation

7. Additional surveillance
 8. Canines
 9. Evidence Room or analytical personnel to assist with cataloguing seizures
 10. Forensic specialists
 11. Specialized mapping for larger or complex locations
- (b) Contact the appropriate department members or other agencies as warranted to begin preparation.
 - (c) Ensure that all legal documents such as search warrants are complete and have any modifications reasonably necessary to support the operation.
 - (d) Coordinate the actual operation.

609.5 DECONFLICTION

Deconfliction systems are designed to identify persons and locations associated with investigations or law enforcement operations and alert participating agencies when others are planning or conducting operations in close proximity or time or are investigating the same individuals, groups or locations.

The officer who is the operations lead shall ensure the subject of investigation and operations information have been entered in an applicable deconfliction system to determine if there is reported conflicting activity. This should occur as early in the process as practicable, but no later than two hours prior to the commencement of the operation. The officer should also enter relevant updated information when it is received.

If any conflict is discovered, the supervisor will contact the involved jurisdiction and resolve the potential conflict before proceeding.

609.6 OPERATIONS PLAN

The operations director should ensure that a written operations plan is developed for all high-risk operations. Plans should also be considered for other operations that would benefit from having a formal plan.

The plan should address such issues as:

- (a) Operation goals, objectives and strategies.
- (b) Operation location and people:
 1. The subject of investigation (e.g., history of weapon possession/use, known mental illness issues, known drug use, threats against police, gang affiliation, criminal history)
 2. The location (e.g., fortification, booby traps, reinforced doors/windows, surveillance cameras and/or lookouts, number/type of buildings, geographic and perimeter barriers, the number and types of weapons likely to be present, information that suggests the presence of explosives, chemicals or other hazardous materials, the potential for multiple dwellings or living spaces,

Personal Communication Devices

701.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the use of mobile telephones and communication devices, whether issued or funded by the [Department/Office] or personally owned, while on-duty or when used for authorized work-related purposes.

This policy generically refers to all such devices as Personal Communication Devices (PCDs) but is intended to include all mobile telephones, personal digital assistants (PDAs), wireless-capable tablets, and similar wireless two-way communications and/or portable internet-access devices. PCD use includes but is not limited to placing and receiving calls, text messaging, blogging and microblogging, emailing, using video or camera features, playing games, and accessing sites or services on the internet.

701.2 POLICY

The Matteson Police Department allows members to utilize [department/office]-issued or funded PCDs and to possess personally owned PCDs in the workplace, subject to certain limitations. Any PCD used while on- or off-duty for business-related purposes, or reasonably associated with work-related misconduct, will be subject to monitoring and inspection consistent with applicable law and this policy.

Additionally, the use of a PCD either on-duty or after duty hours for business-related purposes, or reasonably associated with work-related misconduct, may subject the member and the member's PCD records to civil or criminal discovery or disclosure under applicable public records laws.

Members who have questions regarding the application of this policy or the guidelines contained herein are encouraged to seek clarification from supervisory staff.

701.3 PRIVACY EXPECTATION

Members forfeit any expectation of privacy with regard to any communication accessed, transmitted, received, or reviewed on any PCD issued or funded by the [Department/Office] and shall have no expectation of privacy in their location should the device be equipped with location-detection capabilities. This includes records of all keystrokes or web-browsing history made on the PCD. The fact that access to a database, service, or website requires a username or password will not create an expectation of privacy if it is accessed through [department/office] PCDs or networks (see the Information Technology Use Policy for additional guidance).

Members have no expectation of privacy regarding any communications while using a personally owned PCD for [department/office]-related business or when the use reasonably implicates work-related misconduct.

701.4 DEPARTMENT/OFFICE-ISSUED OR FUNDED PCD

Depending on a member's assignment and the needs of the position, the [Department/Office] may, at its discretion, issue or fund a PCD for the member's use to facilitate on-duty performance. [Department/Office]-issued or funded PCDs may not be used for personal business either on- or

Such devices and the associated telephone number, if any, shall remain the sole property of the [Department/Office] and shall be subject to inspection or monitoring (including all related records and content) at any time without notice and without cause.

Unless a member is expressly authorized by the Chief of Police or the authorized designee for off-duty use of the PCD, the PCD will be either secured in the workplace at the completion of the tour of duty or turned off when leaving the workplace.

- (c) The PCD and any associated services shall be purchased, used, and maintained solely at the member's expense.
- (d) The device should not be used for work-related purposes except in exigent circumstances (e.g., unavailability of radio communications) or as otherwise authorized by [department/office] procedures.
 - 1. Use of a personally owned PCD for work-related business constitutes consent for the [Department/Office] to access the PCD to inspect and copy the work-related data (e.g., for litigation purposes, public records retention and release obligations, internal investigations).
 - 2. Use of and data within a personally owned PCD may be discoverable in cases when there is reason to believe it is associated with work-related misconduct.
 - 3. Searches of a personally owned PCD by the [Department/Office] should be limited to those matters reasonably associated with the work-related business or work-related misconduct.
- (e) The device shall not be utilized to record or disclose any [department/office] business-related information, including photographs, video, or the recording or transmittal of any information or material obtained or made accessible as a result of employment or appointment with the [Department/Office], without the express authorization of the Chief of Police or the authorized designee.
- (f) If the PCD is carried on-duty, members will provide the [Department/Office] with the telephone number of the device.
- (g) All work-related documents, emails, photographs, recordings, and other public records created or received on a member's personally owned PCD should be transferred to the Matteson Police Department and deleted from the member's PCD as soon as reasonably practicable but no later than the end of the member's shift.

Personal Communication Devices

Except with prior express authorization from their supervisors, members are not obligated or required to carry, access, monitor, or respond to electronic communications using a personally owned PCD while off-duty. If a member is in an authorized status that allows for appropriate compensation consistent with policy or existing collective bargaining agreements, or if the member has prior express authorization from their supervisor, the member may engage in [department/office] business-related communications. Should members engage in such approved off-duty communications or work, members entitled to compensation shall promptly document the time worked and communicate the information to their supervisors to ensure appropriate compensation. Members who independently document off-duty [department/office]-related business activities in any manner shall promptly provide the [Department/Office] with a copy of such records to ensure accurate recordkeeping.

701.6 USE OF PCD

The following protocols shall apply to all PCDs that are carried while on-duty or used to conduct [department/office] business:

- (a) A PCD shall not be carried in a manner that allows it to be visible while in uniform unless it is in an approved carrier.
- (b) All PCDs in the workplace shall be set to silent or vibrate mode.
- (c) A PCD may not be used to conduct personal business while on-duty except for brief personal communications (e.g., informing family of extended hours). Members shall endeavor to limit their use of PCDs to authorized break times unless an emergency exists.
- (d) Members may use a PCD to communicate with other personnel in situations where the use of radio communications is either impracticable or not feasible. PCDs should not be used as a substitute for, as a way to avoid, or in lieu of regular radio communications.
- (e) Members are prohibited from taking pictures, audio or video recordings, or making copies of any such picture or recording media unless it is directly related to official [department/office] business. Disclosure of any such information to any third party through any means requires the express authorization of the Chief of Police or the authorized designee.
- (f) Members will not access social networking sites for any purpose that is not official [department/office] business. This restriction does not apply to a personally owned PCD used during authorized break times.
- (g) Using PCDs to harass, threaten, coerce, or otherwise engage in inappropriate conduct with any third party is prohibited. Any member having knowledge of such conduct shall promptly notify a supervisor.

701.7 SUPERVISOR RESPONSIBILITIES

The responsibilities of supervisors include, but are not limited to:

- (a) Ensuring that members under their command are provided appropriate training on the use of PCDs consistent with this policy.

Matteson Police Department

Policy Manual

- (b) Monitoring, to the extent practicable, PCD use in the workplace and taking prompt corrective action if a member is observed or reported to be improperly using a PCD.
 - 1. An investigation into improper conduct should be promptly initiated when circumstances warrant.
 - 2. Before conducting any administrative search of a member's personally owned device, supervisors should consult with the Chief of Police or the authorized designee.

701.8 USE WHILE DRIVING

The use of a PCD while driving can adversely affect safety, cause unnecessary distractions and present a negative image to the public. Officers operating emergency vehicles while performing official duties should restrict the use of these devices to matters of an urgent nature and should, where practicable, stop the vehicle at an appropriate location to use the PCD.

Except in an emergency, members who are operating vehicles that are not equipped with lights and siren shall not use a PCD while driving unless the device is specifically designed and configured to allow hands-free use (625 ILCS 5/12-610.2). Hands-free use should be restricted to business-related calls or calls of an urgent nature.

701.9 OFFICIAL USE

Members are reminded that PCDs are not secure devices and conversations may be intercepted or overheard. Caution should be exercised while utilizing PCDs to ensure that sensitive information is not inadvertently transmitted. As soon as reasonably possible, members shall conduct sensitive or private communications on a land-based or other [department/office] communications network.

All vehicles will be utilized for their intended purpose. It will be the responsibility of the individual officer to ensure that their vehicle is properly functioning prior to going into service and at the end of their assignment.

All patrol vehicles shall be conspicuously marked as Matteson Police vehicles in order to provide a highly visible presence within the community at all times. It is believed that high-visibility of patrol vehicles provides positive consequences such as crime deterrent and a sense of safety and security to community. All marked patrol vehicles will be equipped with an operational siren, emergency lights, and the ability to communicate with other members of the police department and the communications center.

- The police department's designated supervisor's squad will be equipped with the following equipment:

If an unmarked vehicle is used for general patrol services or traffic enforcement, they must be equipped with an operational siren, emergency lights, and have the ability to communicate with other members of the police department and the communications center.

Special purpose vehicles such as bicycles (see policy 428), ATV's, and UTV's may also be used for a wide variety of assignments to include assisting with general patrol functions as directed by the patrol supervisor, special events and details, and off-road purposes with extenuating

Documents describing the correction of the safety issue shall be promptly filed with the vehicle history.

702.2.1 DAMAGE OR POOR PERFORMANCE

Vehicles that may have been damaged or perform poorly shall be removed from service for inspections and repairs as soon as practicable.

702.2.2 SEVERE USE

Vehicles operated under severe-use conditions, which include operations for which the vehicle is not designed or that exceed the manufacturer's parameters, should be removed from service and subjected to a safety inspection as soon as practicable. Such conditions may include rough roadway or off-road driving, hard or extended braking, pursuits or prolonged high-speed operation.

702.2.3 REMOVAL OF WEAPONS

All firearms, weapons, and control devices shall be removed from a vehicle and properly secured in the department armory prior to the vehicle being released for maintenance, service, or repair.

702.3 VEHICLE REFUELING

Absent emergency conditions or supervisor approval, patrol vehicles shall not be placed into service with less than one-quarter tank of fuel. Patrol vehicles shall only be refueled at the authorized location.

Vehicle Maintenance & Purpose

All vehicles shall be inspected prior to, and at the end, of each officer's shift to ensure that they are appropriately maintained.

Vehicle Use

703.1 PURPOSE AND SCOPE

The purpose of this policy is to establish a system of accountability to ensure department vehicles are used appropriately. This policy provides guidelines for on- and off-duty use of department vehicles and shall not be construed to create or imply any contractual obligation by the Village of Matteson to provide assigned take-home vehicles.

703.2 POLICY

The Matteson Police Department provides vehicles for department-related business and may assign patrol and unmarked vehicles based on a determination of operational efficiency, economic impact to the Department, tactical deployments and other considerations.

703.3 USE OF VEHICLES

703.3.1 SHIFT ASSIGNED VEHICLES

The Watch Commander shall ensure a copy of the shift assignment roster, indicating member assignments and vehicle numbers, is completed for each shift and retained in accordance with the established records retention schedule. If a member exchanges vehicles during his/her shift, the new vehicle number shall be documented on the roster.

703.3.2 OTHER USE OF VEHICLES

Members utilizing a vehicle for any purpose other than their normally assigned duties or normal vehicle assignment (e.g., transportation to training, community event) shall first notify the Watch Commander. A notation will be made on the shift roster indicating the member's name and vehicle number.

This subsection does not apply to those who are assigned to transport vehicles to and from the maintenance yard or car wash.

703.3.3 INSPECTIONS

Members shall be responsible for inspecting the interior and exterior of any assigned vehicle before taking the vehicle into service and at the conclusion of their shifts. Any previously unreported damage, mechanical problems, unauthorized contents or other problems with the vehicle shall be promptly reported to a supervisor and documented as appropriate.

The interior of any vehicle that has been used to transport any person other than a member of this department should be inspected prior to placing another person in the vehicle and again after the person is removed. This is to ensure that unauthorized or personal items have not been left in the vehicle.

When transporting any suspect, prisoner or arrestee, the transporting member shall search all areas of the vehicle that are accessible by the person before and after that person is transported.

Vehicle Use

All department vehicles are subject to inspection and/or search at any time by a supervisor without notice and without cause. No member assigned to or operating such vehicle shall be entitled to any expectation of privacy with respect to the vehicle or its contents.

703.3.4 SECURITY AND UNATTENDED VEHICLES

Unattended vehicles should be locked and secured at all times. No key should be left in the vehicle except when it is necessary that the vehicle be left running (e.g., continued activation of emergency lights, canine safety, equipment charging). Officers who exit a vehicle rapidly in an emergency situation or to engage in a foot pursuit must carefully balance the need to exit the vehicle quickly with the need to secure the vehicle.

Members shall ensure all weapons are secured while the vehicle is unattended.

703.3.5 MOBILE DIGITAL TERMINAL

Members assigned to vehicles equipped with a Mobile Digital Terminal (MDT) shall log onto the MDT with the required information when going on-duty. If the vehicle is not equipped with a working MDT, the member shall notify the Dispatch Center. Use of the MDT is governed by the Mobile Digital Terminal Use Policy.

703.3.6 VEHICLE LOCATION SYSTEM

Patrol and other vehicles, at the discretion of the Chief of Police, may be equipped with a system designed to track the vehicle's location. While the system may provide vehicle location and other information, members are not relieved of their responsibility to use required communication practices to report their location and status.

Members shall not make any unauthorized modifications to the system. At the start of each shift, members shall verify that the system is on and report any malfunctions to their supervisor. If the member finds that the system is not functioning properly at any time during the shift, he/she should exchange the vehicle for one with a working system, if available.

System data may be accessed by supervisors at any time. However, access to historical data by personnel other than supervisors will require Division Commander approval.

All data captured by the system shall be retained in accordance with the established records retention schedule.

703.3.7 KEYS

Keys shall be made available to officers approved to operate marked patrol vehicles. Members who are assigned a specific vehicle should be issued keys for that vehicle.

Members shall not duplicate keys. The loss of a key shall be promptly reported in writing through the member's chain of command.

703.3.10 PARKING

Except when responding to an emergency or when urgent department-related business requires otherwise, members driving department vehicles should obey all parking regulations at all times.

Department vehicles should be parked in assigned stalls. Members shall not park privately owned vehicles in stalls assigned to department vehicles or in other areas of the parking lot that are not so designated unless authorized by a supervisor. Privately owned motorcycles shall be parked in designated areas.

Department vehicles may be assigned to individual members at the discretion of the Chief of Police. Vehicles may be assigned for on-duty and/or take-home use. Assigned vehicles may be changed at any time. Permission to take home a vehicle may be withdrawn at any time.

The assignment of vehicles may be suspended when the member is unable to perform his/her regular assignment.

703.4.1 ON-DUTY USE

Vehicle assignments shall be based on the nature of the member's duties, job description and essential functions, and employment or appointment status. Vehicles may be reassigned or utilized by other department members at the discretion of the Chief of Police or the authorized designee.

- (f) All firearms, weapons and control devices will be removed from the interior of the vehicle and properly secured in the residence when the vehicle is not attended, unless the vehicle is parked in a locked garage.

703.4.3 ASSIGNED VEHICLES

Department members may be asked to sign a take-home vehicle agreement that outlines certain standards, including, but not limited to, how the vehicle shall be used, where it shall be parked when the member is not on-duty, vehicle maintenance responsibilities and member enforcement actions.

Members are cautioned that under federal and local tax rules, personal use of a Village vehicle may create an income tax liability for the member. Questions regarding tax rules should be directed to the member's tax adviser.

Criteria for use of take-home vehicles include the following:

- (a) Vehicles shall only be used for work-related purposes and shall not be used for personal errands or transports, unless special circumstances exist and the Chief of Police or a Division Commander gives authorization.
- (b) Vehicles may be used to transport the member to and from the member's residence for work-related purposes.

 - 2. When the member is performing a work-related function during what normally would be an off-duty period, including vehicle maintenance or traveling to or from a work-related activity or function.
 - 3. When the member has received permission from the Chief of Police or Division Commanders.

Officers may render public assistance when it is deemed prudent (e.g., to a stranded motorist).

Officers driving take-home vehicles shall be armed, appropriately attired and carry their department-issued identification. Officers should also ensure that department radio communication capabilities are maintained to the extent feasible.

Any use of unmarked vehicles by those who are not assigned to the division to which the vehicle is assigned shall be approved by the division commander.

703.6 DAMAGE, ABUSE AND MISUSE

When any department vehicle is involved in a traffic crash or otherwise incurs damage, the involved member shall promptly notify a supervisor. Any traffic crash report shall be filed with the agency having jurisdiction (see the Traffic Crash Reporting Policy).

Damage to any department vehicle that was not caused by a traffic crash shall be immediately reported during the shift in which the damage was discovered, documented in memorandum format and forwarded to the Watch Commander. An administrative investigation should be initiated to determine if there has been any vehicle abuse or misuse.

704.3 PETTY CASH FUNDS

The Chief of Police shall designate a person as the fund manager responsible for maintaining and managing the petty cash fund.

The fund manager shall document all transactions on the ledger and any other appropriate forms. Each person participating in the transaction shall sign or otherwise validate the ledger, attesting to the accuracy of the entry. Transactions should include the filing of an appropriate receipt, invoice or cash transfer form. Transactions that are not documented by a receipt, invoice or cash transfer form require an expense report.

Disbursements over \$100.00, excluding confidential funds, must have the approval of the Chief of Police.

704.5 PETTY CASH AUDITS

The fund manager shall perform a quarterly audit and cash review of all cash accounts for accuracy. This audit requires that the fund manager and at least one command staff member, selected by the Chief of Police, review the transaction ledger and verify the accuracy of the accounting. The fund manager and the participating member shall sign or otherwise validate the ledger attesting to the accuracy of all documentation and fund accounting. A discrepancy in the

704.6 ROUTINE CASH HANDLING

Those who handle cash as part of their property or Tactical Division supervisor duties shall discharge those duties in accordance with the Evidence Room and Informants policies.

Members who routinely accept payment for department services shall discharge those duties in accordance with the procedures established for those tasks.

704.7 OTHER CASH HANDLING

Personal Protective Equipment

705.1 PURPOSE AND SCOPE

This policy identifies the different types of personal protective equipment (PPE) that may be provided by the Department as well the requirements and guidelines for the use of PPE.

This policy does not address ballistic vests or protection from communicable diseases, as those issues are addressed in the Body Armor and Communicable Diseases policies.

705.1.1 DEFINITIONS

Definitions related to this policy include:

Personal protective equipment (PPE) - Equipment that protects a person from serious workplace injuries or illnesses resulting from contact with chemical, radiological, physical, electrical, mechanical or other workplace hazards.

Respiratory PPE - Any device that is worn by the user to protect from exposure to atmospheres where there is smoke, low levels of oxygen, high levels of carbon monoxide, or the presence of toxic gases or other respiratory hazards. For purposes of this policy, respiratory PPE does not include particulate-filtering masks such as N95 or N100 masks.

705.2 POLICY

The Matteson Police Department endeavors to protect members by supplying certain PPE to members as provided in this policy.

705.3 OFFICER RESPONSIBILITIES

Members are required to use PPE as provided in this policy and pursuant to their training.

Members are responsible for proper maintenance and storage of issued PPE. PPE should be stored in an appropriate location so that it is available when needed.

Any member who identifies hazards in the workplace is encouraged to utilize the procedures in the Illness and Injury Prevention Policy to recommend new or improved PPE or additional needs for PPE.

705.4 HEARING PROTECTION

Approved hearing protection shall be used by members during firearms training.

Hearing protection shall meet or exceed the requirements provided in 29 CFR 1910.95, 820 ILCS 219/25 and 56 Ill. Adm. Code 350.700.

705.5 EYE PROTECTION

Approved eye protection, including side protection, shall be used by members during firearms training. Eye protection for members who wear prescription lenses shall incorporate the prescription (e.g., eye protection that can be worn over prescription lenses). Members shall ensure their eye protection does not interfere with the fit of their hearing protection.

Upon availability, members who make arrests or control crowds should be provided with ballistic head protection with an attachable face shield and padded body protection consisting of chest, arm, leg and groin protection as required by any collective bargaining agreement.

705.7 RESPIRATORY PROTECTION

The Administration Division Commander is responsible for ensuring a respiratory protection plan is developed and maintained by a trained and qualified member. The plan shall include procedures for (29 CFR 1910.134; 820 ILCS 219/25; 56 Ill. Adm. Code 350.700):

- (a) Selecting appropriate respiratory PPE based on hazards and risks associated with functions or positions.
- (b) Fit testing, including identification of members or contractors qualified to conduct fit testing.
- (c) Medical evaluations.
- (d) PPE inventory control.
- (e) PPE issuance and replacement.
- (f) Cleaning, disinfecting, storing, inspecting, repairing, discarding and otherwise maintaining respiratory PPE, including schedules for these activities.

705.7.1 RESPIRATORY PROTECTION USE

Designated members may be issued respiratory PPE based on the member's assignment (e.g., a narcotics investigator who is involved in clandestine lab investigations).

Respiratory PPE may be worn when authorized by a scene commander who will determine the type and level of protection appropriate at a scene based upon an evaluation of the hazards present.

Scene commanders are responsible for monitoring members using respiratory PPE and their degree of exposure or stress. When there is a change in work area conditions or when a member's degree of exposure or stress may affect respirator effectiveness, the scene commander shall reevaluate the continued effectiveness of the respirator and direct the member to leave the respirator use area when the scene commander reasonably believes (29 CFR 1910.134; 820 ILCS 219/25; 56 Ill. Adm. Code 350.700):

- (c) The member needs to replace the respirator, filter, cartridge or canister.

705.7.2 MEMBER RESPONSIBILITIES FOR RESPIRATORY PROTECTION

Members shall not use self-contained breathing apparatus (SCBA), full-face respirators or cartridge respirators unless they have completed training requirements for the equipment.

Members exposed to environments that are reasonably known to be harmful due to gases, smoke or vapors shall use respiratory PPE.

- (b) Not wear corrective glasses, goggles or other PPE that interferes with the seal of the facepiece to the face, or that has not been previously tested for use with that respiratory equipment.
- (c) Perform a user seal check per department-approved procedures recommended by the respirator manufacturer each time they put on a tight-fitting respirator.
- (d) Leave a respiratory use area whenever they detect vapor or gas breakthrough, changes in breathing resistance or leakage of their facepiece and ensure that the respirator is replaced or repaired before returning to the affected area.

705.7.3 GAS MASK

Full-face air-purifying respirators, commonly referred to as gas masks, may be fitted with mechanical pre-filters or combination cartridge/filter assemblies for use in areas where gases, vapors, dusts, fumes or mists are present. Members must identify and use the correct cartridge based on the circumstances (29 CFR 1910.134; 820 ILCS 219/25; 56 Ill. Adm. Code 350.700).

A scene commander may order the use of gas masks in situations where the use of a SCBA is not necessary. These incidents may include areas where tear gas has or will be used or where a vegetation fire is burning. Gas masks shall not be used if there is a potential for an oxygen-deficient atmosphere.

Members shall ensure their gas mask filters are replaced whenever:

- (a) They smell, taste or are irritated by a contaminant.

These situations may include, but are not limited to:

- (a) Entering the hot zone of a hazardous materials incident.
- (b) Entering any area where contaminant levels may become unsafe without warning, or any situation where exposures cannot be identified or reasonably estimated.
- (c) Entering a smoke- or chemical-filled area.

The use of SCBA should not cease until approved by a scene commander.

705.7.5 RESPIRATOR FIT TESTING

No member shall be issued respiratory PPE until a proper fit testing has been completed by a designated member or contractor (29 CFR 1910.134; 820 ILCS 219/25; 56 Ill. Adm. Code 350.700).

After initial testing, fit testing for respiratory PPE shall be repeated (29 CFR 1910.134; 820 ILCS 219/25; 56 Ill. Adm. Code 350.700):

- (a) At least once every 12 months.

All respirator fit testing shall be conducted in negative-pressure mode.

705.7.6 RESPIRATORY MEDICAL EVALUATION QUESTIONNAIRE

No member shall be issued respiratory protection that forms a complete seal around the face until (29 CFR 1910.134; 820 ILCS 219/25; 56 Ill. Adm. Code 350.700):

It is a misdemeanor for a person to fail to surrender a FOID card within 48 hours of receiving notice of its revocation. Officers observing a FOID card in the possession of a person whose FOID card has been revoked should consider seizing the FOID card as evidence, if there are articulable facts that establish the person was aware of the revocation. Custodial Searches

901.1 PURPOSE AND SCOPE

This policy provides guidance regarding searches of individuals in custody. Such searches are necessary to eliminate the introduction of contraband, intoxicants or weapons into the Matteson Police Department facility. Such items can pose a serious risk to the safety and security of department members, individuals in custody, contractors and the public.

Nothing in this policy is intended to prohibit the otherwise lawful collection of evidence from an individual in custody.

901.1.1 DEFINITIONS

Definitions related to this policy include:

Custody search - An in-custody search of an individual and of his/her property, shoes and clothing, including pockets, cuffs and folds on the clothing, to remove all weapons, dangerous items and contraband.

Strip search - A search that requires an individual to remove or rearrange some or all of his/her clothing to permit a visual inspection of the underclothing, breasts, buttocks, anus or outer genitalia. This includes monitoring an individual who is changing clothes, where his/her underclothing, buttocks, genitalia or female breasts are visible.

901.2 POLICY

All searches shall be conducted with concern for safety, dignity, courtesy, respect for privacy and hygiene, and in compliance with policy and law to protect the rights of those who are subject to any search.

Searches shall not be used for intimidation, harassment, punishment or retaliation.

901.3 FIELD AND TRANSPORTATION SEARCHES

An officer should conduct a custody search of an individual immediately after his/her arrest, when receiving an individual from the custody of another, and before transporting a person who is in custody in any department vehicle.

All property shall be inventoried by objective description (this does not include an estimated value). The individual from whom it was taken shall be required to sign the completed inventory. If the individual's signature cannot be obtained, the inventory shall be witnessed by another department member. All envelopes should clearly indicate the contents on the front. The department member sealing it should place his/her initials across the sealed flap. Should any money be withdrawn or added, the member making such change shall enter the amount below the original entry and initial it. The amount of money in the envelope should always be totaled and written on the outside of the envelope.

901.5 STRIP SEARCHES

No individual in temporary custody at any Matteson Police Department facility shall be subjected to a strip search unless there is reasonable suspicion based upon specific and articulable facts to believe the individual has a health condition requiring immediate medical attention or is concealing a weapon or contraband. Factors to be considered in determining reasonable suspicion include, but are not limited to:

However, if serious hygiene or health issues make it reasonably necessary to assist the individual with a shower or a change of clothes, a supervisor should be contacted to ensure reasonable steps are taken to obtain the individual's consent and/or otherwise protect his/her privacy and dignity.
- (h) A copy of the strip search report shall be provided to the individual subject to the search.

901.5.2 SPECIAL CIRCUMSTANCE FIELD STRIP SEARCHES

902.5.4 SEXUAL ASSAULT AND SEXUAL ABUSE VICTIMS

No prisoner who alleges sexual abuse shall be required to submit to a polygraph examination or other truth-telling device as a condition for proceeding with the investigation of such an allegation (28 CFR 115.171(e)).

All terminations for violations of this policy, or resignations by members who would have been terminated if not for their resignation, shall be criminally investigated unless the activity was clearly not criminal and reported to any relevant licensing body (28 CFR 115.176).

Any contractor or volunteer who engages in sexual abuse shall be prohibited from contact with prisoners and reported to any relevant licensing bodies (28 CFR 115.177). The Chief of Police shall take appropriate remedial measures and consider whether to prohibit further contact with prisoners by a contractor or volunteer.

902.6 RETALIATION PROHIBITED

All prisoners and members who report sexual abuse or sexual harassment or who cooperate with sexual abuse or sexual harassment investigations shall be protected from retaliation (28 CFR 115.167). If any other individual who cooperates with an investigation expresses a fear of retaliation, appropriate measures shall be taken to protect that individual.

The Watch Commander or the authorized designee shall identify a staff member to monitor the conduct and treatment of prisoners or members who have reported sexual abuse and of prisoners who were reported to have suffered sexual abuse. However, the nature of the redacted material shall be indicated.

All aggregated sexual abuse data from Matteson Police Department facilities and private facilities with which it contracts shall be made readily available to the public at least annually through the department website or, if it does not have one, through other means. All current employees and volunteers who may have contact with prisoners shall be trained within one year of the effective date of the PREA standards. The agency shall provide annual refresher information to all such employees and volunteers to ensure that they understand the current sexual abuse and sexual harassment policies and procedures.

Evaluation of Employees

1001.1 PURPOSE AND SCOPE

The Department's employee performance evaluation system is designed to record work performance for both the Department and the employee, providing recognition for good work and developing a guide for improvement.

1001.2 POLICY

The Matteson Police Department utilizes a performance evaluation report to measure performance and to use as a factor in making personnel decisions that relate to merit increases, promotion, special assignments, discipline, demotion, and termination. The evaluation report is intended to serve as a guide for work planning and review by the supervisor and employee. It gives supervisors a way to create an objective history of work performance based on job standards.

The Department evaluates employees in a non-discriminatory manner based upon job-related factors specific to the employee's position, without regard to actual or perceived race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, age, disability, pregnancy, genetic information, veteran status, marital status, and any other classification or status protected by law.

1001.3 EVALUATION PROCESS

Evaluation reports will cover a specific period of time and should be based on documented performance during that period. Evaluation reports will be completed by each employee's immediate supervisor. Other supervisors directly familiar with the employee's performance during the rating period should be consulted by the immediate supervisor for their input.

All sworn and civilian supervisory personnel shall attend an approved supervisory course that includes training on the completion of performance evaluations within one year of the supervisory appointment.

Each supervisor should discuss the tasks of the position, standards of performance expected and the evaluation criteria with each employee at the beginning of the rating period. Supervisors should document this discussion in the prescribed manner.

Assessment of an employee's job performance is an ongoing process. Continued coaching and feedback provides supervisors and employees with opportunities to correct performance issues as they arise.

Non-probationary employees demonstrating substandard performance shall be notified in writing of such performance as soon as possible in order to have an opportunity to remediate the issues. Such notification should occur at the earliest opportunity, with the goal being a minimum of 90 days written notice prior to the end of the evaluation period.

Employees who disagree with their evaluation and who desire to provide a formal response or a rebuttal may do so in writing in the prescribed format and time period.

Evaluation of Employees

1001.3.1 OTHER OFFICER EVALUATIONS

Part-time and auxiliary officer evaluations are covered in the Part-Time Officers and Auxiliary Officers policies.

1001.4 FULL TIME PROBATIONARY PERSONNEL

Civilian personnel are on probation for six months before being eligible for certification as permanent employees. An evaluation is completed monthly for all full-time civilian personnel during the probationary period.

Sworn personnel are on probation for 18 months before being eligible for certification as permanent employees. Probationary officers are evaluated daily, weekly and monthly during the probationary period.

1001.5 FULL-TIME PERMANENT STATUS PERSONNEL

Permanent employees are subject to three types of performance evaluations:

Regular - An Employee Performance Evaluation shall be completed once each year by the employee's immediate supervisor on the anniversary of the employee's date of hire except for employees who have been promoted in which case an Employee Performance Evaluation shall be completed on the anniversary of the employee's date of last promotion.

Transfer - If an employee is transferred from one assignment to another during an evaluation period and less than six months have transpired since the transfer at the time the evaluation is due, then the evaluation shall be completed by the current supervisor with input from the previous supervisor.

Special - A special evaluation may be completed any time the rater and the rater's supervisor feel one is necessary due to employee performance that is deemed less than standard. Generally, the special evaluation will be the tool used to demonstrate those areas of performance deemed less than standard when follow-up action is planned (action plan, remedial training, retraining, etc.). The evaluation form and the attached documentation shall be submitted as one package.

1001.5.1 RATINGS

When completing the Employee Performance Evaluation, the rater will place a check mark in the column that best describes the employee's performance. The definition of each rating category is as follows:

Outstanding - Represents actual performance well beyond that required for the position. It is exceptional performance, definitely superior or extraordinary.

Exceeds Standards - Represents performance that is better than expected of a fully competent employee. It is superior to what is expected, but is not of such rare nature to warrant outstanding.

Meets Standards - Represents performance of a fully competent employee. It means satisfactory performance that meets the standards required of the position.

Matteson Police Department

Policy Manual

Policy Manual

Evaluation of Employees

Needs Improvement - Is a level of performance less than that expected of a fully competent employee and less than standards required of the position. A needs improvement rating must be thoroughly discussed with the employee.

Unsatisfactory - Represents performance that is inferior to the standards required of the position. It is very inadequate or undesirable performance that cannot be tolerated.

Space for written comments is provided at the end of the evaluation in the rater comments section. This section allows the rater to document the employee's strengths, weaknesses, and suggestions for improvement. A rating under any job dimension marked other than "Meets Standards" shall be substantiated in the rater comments section.

1001.6 EVALUATION INTERVIEW

When the supervisor has completed the preliminary evaluation, arrangements shall be made for a private discussion of the evaluation with the employee. The supervisor should discuss the results of the just completed rating period and clarify any questions the employee may have. If the employee has valid and reasonable objections to any of the ratings, the supervisor may make appropriate changes to the evaluation. Areas needing improvement and goals for the upcoming evaluation period should be identified and discussed. The supervisor should also provide relevant counseling regarding advancement, specialty positions and training opportunities.

1001.6.1 DISCRIMINATORY HARASSMENT FORM

At the time of each employee's annual evaluation, the reviewing supervisor shall require the employee to read the Village Department harassment and discrimination policies. Following such policy review, the supervisor shall provide the employee a form to be completed and returned by the employee certifying the following:

- (a) That the employee understands the harassment and discrimination policies.
- (b) Whether any questions the employee has have been sufficiently addressed.
- (c) That the employee knows how and where to report harassment policy violations.
- (d) Whether the employee has been the subject of, or witness to, any conduct that violates the discrimination or harassment policy which has not been previously reported.

The completed form should be returned to the supervisor (or other authorized individual if the employee is uncomfortable returning the form to the presenting supervisor) within one week.

The employee's completed answers shall be attached to the evaluation. If the employee has expressed any questions or concerns, the receiving supervisor or other authorized individual shall ensure that appropriate follow up action is taken.

1001.7 EVALUATION REVIEW

After the supervisor finishes the discussion with the employee, the signed performance evaluation is forwarded to the rater's supervisor (Division Commander). The Division Commander shall review the evaluation for fairness, impartiality, uniformity, and consistency and place any

comments needed on the evaluation. The evaluation will be returned to the supervisor for the appropriate signature. The employee will sign the evaluation last and place any comments in the section provided. The Division Commander shall evaluate the supervisor on the quality of ratings given.

1001.8 EVALUATION DISTRIBUTION

The original performance evaluation shall be maintained in the employee's personnel file in the office of the Chief of Police for the tenure of the employee's employment. A copy will be given to the employee and a copy will be forwarded to Village Department of Human Resources.

 - 1. Based on supervisor recommendations, and those of the Division Commander after the interview, the Division Commander will submit his/her recommendations to the Chief of Police.
- (c) Assignment by the Chief of Police.

The selection process for all special assignment positions may be waived for temporary assignments, emergency situations, training, and at the discretion of the Chief of Police.

1002.5 TRAINING

Upon being promoted or assigned to a specialized assignment, the officer will receive the appropriate training to hold such promotion or assignment. The training will be utilized to enhance and develop the officer's skill-level, knowledge of the job, and provide abilities specific to the promotion or assignment. The training may include academic-based-training, practical training, and/or supervised on-the-job training.

Grievance Procedure

1003.1 PURPOSE AND SCOPE

It is the policy of this department that all grievances be handled quickly and fairly without discrimination against employees who file a grievance whether or not there is a basis for the grievance. Our Department's philosophy is to promote a free verbal communication between employees and supervisors.

1003.1.1 GRIEVANCE DEFINED

A grievance is a complaint, dispute, or request regarding the administration and/or interpretation of the terms or conditions of employment or the interpretation of any of the following documents by the persons affected:

- A collective bargaining agreement. If the employee's collective bargaining agreement contains a grievance provision, those grievance procedures will be followed (5 ILCS 315/8)
- This Policy Manual or any written Department procedure
- Village rules and regulations covering personnel practices or working conditions

Grievances may be brought by an individual employee or by a group representative.

Specifically, outside the category of grievance, are complaints related to allegations of discrimination or harassment subject to the Discriminatory Harassment Policy. Also outside the category of grievances, are personnel complaints consisting of any allegation of misconduct or improper job performance against any department employee that, if true, would constitute a violation of department policy, federal, state, or local law as set forth in the Personnel Complaints Policy.

1003.2 PROCEDURE

If an employee believes that he/she has a grievance as defined above, then that employee shall observe the following procedure:

- (a) Attempt to resolve the issue through informal discussion with his/her immediate supervisor.
- (b) If after a reasonable amount of time, generally seven days, the grievance cannot be settled by the immediate supervisor, the employee may request an interview with the Division Commander of the affected division or bureau.
- (c) If a successful resolution is not found with the Division Commander, the employee may request a meeting with the Chief of Police.
- (d) If the employee and the Chief of Police are unable to arrive at a mutual solution, then the employee shall proceed as follows:

Matteson Police Department

Policy Manual

Policy Manual

Grievance Procedure

1. Submit in writing a written statement of the grievance and deliver one copy to the Chief of Police and another copy to the immediate supervisor and include the following information:
 - (a) The basis for the grievance (i.e., what are the facts of the case?).
 - (b) Allegation of the specific wrongful act and the harm done.
 - (c) What you would like to accomplish from this grievance.
- (e) The employee shall receive a copy of the acknowledgment signed by the supervisor including the date and time of receipt.
- (f) The Chief of Police will receive the grievance in writing. The Chief of Police and the Village Administrator will review and analyze the facts or allegations and respond to the employee within 14 calendar days. The response will be in writing, and will affirm or deny the allegations. The response shall include any remedies if appropriate. The decision of the Village Administrator is considered final.

1003.3 EMPLOYEE REPRESENTATION

Employees are entitled to have representation during the grievance process. The representative may be selected by the employee from the appropriate employee bargaining group.

In matters concerning the employee's collective bargaining agreement, the exclusive representative will be notified to attend any conference or settlement even if not requested by the employee (5 ILCS 315/6(b)).

1003.4 GRIEVANCE RECORDS

At the conclusion of the grievance process, all documents pertaining to the process shall be forwarded to Administration for inclusion into a secure file for all written grievances. A second copy of the written grievance will be maintained by the Village Administrator's office to monitor the grievance process. A third copy will be maintained in the personnel file of the individual grievant (820 ILCS 40/1 et seq. and 820 ILCS 40/4)

1003.5 GRIEVANCE AUDITS

The Training Sergeant shall perform an annual audit of all grievances filed the previous calendar year to evaluate whether or not any policy/procedure changes or training may be appropriate to avoid future filings of grievances. The Training Sergeant shall record these findings in a confidential and generic memorandum to the Chief of Police without including any identifying information from any individual grievance. If the audit identifies any recommended changes or content that may warrant a critical revision to this policy manual, the Training Sergeant should promptly notify the Chief of Police.

Anti-Retaliation

1004.1 PURPOSE AND SCOPE

This policy prohibits retaliation against members who identify workplace issues, such as fraud, waste, abuse of authority, gross mismanagement or any inappropriate conduct or practices, including violations that may pose a threat to the health, safety or well-being of members.

This policy does not prohibit actions taken for nondiscriminatory or non-retaliatory reasons, such as discipline for cause.

These guidelines are intended to supplement and not limit members' access to other applicable remedies. Nothing in this policy shall diminish the rights or remedies of a member pursuant to any applicable federal law, provision of the U.S. Constitution, law, ordinance or collective bargaining agreement.

1004.2 POLICY

The Matteson Police Department has a zero tolerance for retaliation and is committed to taking reasonable steps to protect from retaliation members who, in good faith, engage in permitted behavior or who report or participate in the reporting or investigation of workplace issues. All complaints of retaliation will be taken seriously and will be promptly and appropriately investigated.

1004.3 RETALIATION PROHIBITED

No member may retaliate against any person for engaging in lawful or otherwise permitted behavior; for opposing a practice believed to be unlawful, unethical, discriminatory or retaliatory; for reporting or making a complaint under this policy; or for participating in any investigation related to a complaint under this or any other policy.

Retaliation includes any adverse action or conduct, including but not limited to:

- Refusing to hire or denying a promotion.
- Extending the probationary period.
- Unjustified reassignment of duties or change of work schedule.
- Real or implied threats or other forms of intimidation to dissuade the reporting of wrongdoing or filing of a complaint, or as a consequence of having reported or participated in protected activity.
- Taking unwarranted disciplinary action.
- Spreading rumors about the person filing the complaint or about the alleged wrongdoing.
- Shunning or unreasonably avoiding a person because he/she has engaged in protected activity.

1004.4 COMPLAINTS OF RETALIATION

Any member who feels he/she has been retaliated against in violation of this policy should promptly report the matter to any supervisor, command staff member, Chief of Police or the Village Director of Human Services.

Members shall act in good faith, not engage in unwarranted reporting of trivial or minor deviations or transgressions, and make reasonable efforts to verify facts before making any complaint in order to avoid baseless allegations. Members shall not report or state an intention to report information or an allegation knowing it to be false, with willful or reckless disregard for the truth or falsity of the information or otherwise act in bad faith.

Investigations are generally more effective when the identity of the reporting member is known, thereby allowing investigators to obtain additional information from the reporting member. However, complaints may be made anonymously. All reasonable efforts shall be made to protect the reporting member's identity. However, confidential information may be disclosed to the extent required by law or to the degree necessary to conduct an adequate investigation and make a determination regarding a complaint. In some situations, the investigative process may not be complete unless the source of the information and a statement by the member is part of the investigative process.

1004.5 SUPERVISOR RESPONSIBILITIES

Supervisors are expected to remain familiar with this policy and ensure that members under their command are aware of its provisions.

The responsibilities of supervisors include, but are not limited to:

- (a) Ensuring complaints of retaliation are investigated as provided in the Personnel Complaints Policy.
- (b) Receiving all complaints in a fair and impartial manner.
- (c) Documenting the complaint and any steps taken to resolve the problem.
- (d) Acknowledging receipt of the complaint, notifying the Chief of Police via the chain of command and explaining to the member how the complaint will be handled.
- (e) Taking appropriate and reasonable steps to mitigate any further violations of this policy.
- (f) Monitoring the work environment to ensure that any member making a complaint is not subjected to further retaliation.
- (g) Periodic follow-up with the complainant to ensure that retaliation is not continuing.
- (h) Not interfering with or denying the right of a member to make any complaint.
- (i) Taking reasonable steps to accommodate requests for assignment or schedule changes made by a member who may be the target of retaliation if it would likely mitigate the potential for further violations of this policy.

Matteson Police Department

Policy Manual

Policy Manual

Anti-Retaliation

1004.6 COMMAND STAFF RESPONSIBILITIES

The Chief of Police should communicate to all supervisors the prohibition against retaliation.

Command staff shall treat all complaints as serious matters and shall ensure that prompt actions take place, including but not limited to:

- (a) Communicating to all members the prohibition against retaliation.
- (b) The timely review of complaint investigations.
- (c) Remediation of any inappropriate conduct or condition and instituting measures to eliminate or minimize the likelihood of recurrence.
- (d) The timely communication of the outcome to the complainant.

1004.7 WHISTLE-BLOWING

The Illinois Whistleblower Act protects an employee who, with reasonable cause to believe the information communicated discloses a violation of a law, rule, or regulation (740 ILCS 174/1 et seq.):

- (a) Provides information to a government or law enforcement agency, in a judicial or administrative hearing, or testifies before a legislative body.
- (b) Refuses to participate in an activity that would result in a violation of a law, rule, or regulation.
- (c) Engages in any other act or omission if the employee is disclosing or attempting to disclose public corruption or wrongdoing.

Retaliation is also prohibited against any employee who reports, cooperates in an investigation conducted by an individual responsible for receiving and investigating complaints of misconduct, reviewing the performance of the department's members, and/or the integrity of the Village's operations and programs involving, or testifies in a proceeding or prosecution regarding, improper government action (50 ILCS 105/4.1).

Members who believe they have been the subject of retaliation for engaging in such protected behaviors should promptly report it to a supervisor. Supervisors should refer the complaint to the Internal Affairs Unit for investigation pursuant to the Personnel Complaints Policy.

1004.8 RECORDS RETENTION AND RELEASE

The Records Supervisor shall ensure that documentation of investigations is maintained in accordance with the established records retention schedules.

1004.9 TRAINING

The policy should be reviewed with each new member.

All members should receive periodic refresher training on the requirements of this policy.

Reporting of Arrests, Convictions, and Court Orders

1005.1 PURPOSE AND SCOPE

The purpose of this policy is to describe the notification requirements and procedures that members must follow when certain arrests, convictions, and court orders restrict their ability to perform the official duties and responsibilities of the Matteson Police Department. This policy will also describe the notification requirements and procedures that certain retired officers must follow when an arrest, conviction, or court order disqualifies them from possessing a firearm.

1005.2 DOMESTIC VIOLENCE CONVICTIONS AND RESTRAINING ORDERS

Illinois and federal law prohibit individuals convicted of certain offenses and individuals subject to certain court orders from lawfully possessing a firearm. Such convictions and court orders often involve allegations of the use or attempted use of force or threatened use of a weapon on any individual in a domestic relationship (e.g., spouse, cohabitant, parent, child) (18 USC § 922; 720 ILCS 5/24-1.1).

All members are responsible for ensuring that they have not been disqualified from possessing a firearm by any such conviction or court order and shall promptly report any such conviction or court order to a supervisor, as provided in this policy.

Officers are prohibited from carrying a firearm if they are currently the subject of a domestic violence protection order (750 ILCS 60/214).

1005.3 OTHER CRIMINAL CONVICTIONS

Any person convicted or found guilty, or having entered a plea of guilty or of nolo contendere to any of the offenses described in 50 ILCS 705/6.1 is prohibited from being a peace officer in the State of Illinois (50 ILCS 705/6.1). Any person who has been convicted of a felony is prohibited from possessing a firearm (720 ILCS 5/24-1.1). This prohibition applies regardless of whether the guilt was established by way of a verdict, guilty plea, or nolo contendere plea.

Convictions of certain state or federal violations, including other provisions, such as probation or conditions of pretrial release, may place restrictions on an employee's ability to fully perform the duties of the job or restrict possessing firearms (720 ILCS 5/32-10; 720 ILCS 550/10; 725 ILCS 5/110-10).

Moreover, while legal restrictions may or may not be imposed by statute or by the courts upon conviction of any criminal offense, criminal conduct by members of this [department/office] may be inherently in conflict with law enforcement duties and the public trust.

1005.4 REPORTING PROCEDURE

All members of this department and all retired officers with an identification card issued by the Department shall promptly notify their immediate supervisor (or the Chief of Police in the case of

Matteson Police Department

Policy Manual

Policy Manual

Reporting of Arrests, Convictions, and Court Orders

retired officers) in writing of any past or current criminal arrest or conviction regardless of whether or not the matter is currently on appeal and regardless of the penalty or sentence, if any.

All members and all retired officers with an identification card issued by the Department shall further promptly notify their immediate supervisor (or the Chief of Police in the case of retired officers) in writing if the member or retiree becomes the subject of a domestic violence restraining order or similar court order.

Any member whose criminal conviction unduly restricts or prohibits that member from fully and properly performing his/her duties may be disciplined including, but not limited to, being placed on administrative leave, reassignment and/or termination.

Any member failing to provide prompt written notice pursuant to this policy shall be subject to discipline.

1005.4.1 ILLINOIS LAW ENFORCEMENT TRAINING AND STANDARDS BOARD NOTIFICATION

In the event of an arrest, conviction, finding of guilty, plea of guilty, or plea of nolo contendere disposition of any of the specified sections in 50 ILCS 705/6.1, the Chief of Police shall report such disposition to the Illinois Law Enforcement Training and Standards Board (ILETSB).

It is the duty and responsibility of every full-time and part-time police officer to report to both the ILETSB within 14 days and also to the officer's Chief of Police of the arrest, conviction, finding of guilty, or plea of guilty, for an offense identified in 50 ILCS 705/6.1, as well as any name change, change in employment, and filing of any criminal indictment or charges against the officer for the offenses (50 ILCS 705/8.1).

Any full-time or part-time police officers who knowingly make, submit, cause to be submitted, or file a false or untruthful report to ILETSB must have their certificate or waiver either immediately decertified or revoked. Members shall notify the ILETSB on the prescribed form within seven days of becoming aware of the following alleged violations by an officer (50 ILCS 705/6.3):

- (a) An act that would constitute a felony or misdemeanor that could serve as basis for automatic decertification, whether or not the officer was criminally prosecuted, and whether or not the officer's employment was terminated.
- (b) Excessive use of force.
- (c) Failure to intervene whether by action or omission.
- (d) Tampering with or directing another individual to tamper with a dash camera or body worn camera, or data from such devices for the purpose of concealing, destroying, or altering potential evidence.
- (e) During the reporting, investigation, or prosecution of a crime, engaging in perjury, making a false statement, or knowingly tampering with or fabricating evidence.
- (f) Engaging in any unprofessional, unethical, deceptive, or deleterious conduct or practice harmful to the public.

Policy Manual

Reporting of Arrests, Convictions, and Court Orders

Members are additionally required to notify their supervisor upon becoming aware of the above alleged conduct as soon as practicable (50 ILCS 705/6.3).

1005.5 POLICY

The Matteson Police Department requires disclosure of member arrests, convictions, and certain court orders to maintain the high standards, ethics, and integrity in its workforce, and to ensure compatibility with the duties and responsibilities of the Department.

Drug- and Alcohol-Free Workplace

1006.1 PURPOSE AND SCOPE

The purpose of this policy is to establish clear and uniform guidelines regarding drugs and alcohol in the workplace (41 USC § 8103).

1006.2 POLICY

It is the policy of this department to provide a drug- and alcohol-free workplace for all members.

1006.3 GENERAL GUIDELINES

Alcohol and drug use in the workplace or on department time can endanger the health and safety of department members and the public.

Members who have consumed an amount of an alcoholic beverage or taken any medication, or combination thereof, that would tend to adversely affect their mental or physical abilities shall not report for duty. Affected members shall notify the Watch Commander or appropriate supervisor as soon as the member is aware that the member will not be able to report to work. If the member is unable to make the notification, every effort should be made to have a representative contact the supervisor in a timely manner. If the member is adversely affected while on-duty, the member shall be immediately removed and released from work (see the Work Restrictions section in this policy).

1006.3.1 USE OF MEDICATIONS

Members should not use any medications that will impair their ability to safely and completely perform their duties. Any member who is medically required or has a need to take any such medication shall report that need to the member's immediate supervisor prior to commencing any on-duty status.

1006.3.2 MEDICAL CANNABIS

Possession, use, or being under the influence of medical cannabis on-duty is prohibited and may lead to disciplinary action.

1006.4 MEMBER RESPONSIBILITIES

Members shall report for work in an appropriate mental and physical condition. Members are prohibited from purchasing, manufacturing, distributing, dispensing, possessing, or using controlled substances or alcohol on department premises or on department time (41 USC § 8103). The lawful possession or use of prescribed medications or over-the-counter remedies is excluded from this prohibition.

Members who are authorized to consume alcohol as part of a special assignment shall not do so to the extent of impairing on-duty performance.

Members shall notify a supervisor immediately if they observe behavior or other evidence that they believe demonstrates that a fellow on-duty member is impaired due to drug or alcohol use.

Matteson Police Department

Policy Manual

Policy Manual

Drug- and Alcohol-Free Workplace

Members are required to notify their immediate supervisors of any criminal drug statute conviction for a violation occurring in the workplace no later than five days after such conviction (41 USC § 8103).

1006.5 EMPLOYEE ASSISTANCE PROGRAM

There may be available a voluntary employee assistance program to assist those who wish to seek help for alcohol and drug problems (41 USC § 8103). Insurance coverage that provides treatment for drug and alcohol abuse also may be available. Employees should contact the Department of Human Resources, their insurance providers or the employee assistance program for additional information. It is the responsibility of each employee to seek assistance before alcohol or drug problems lead to performance problems.

1006.6 WORK RESTRICTIONS

If a member informs a supervisor that he/she has consumed any alcohol, drug or medication that could interfere with a safe and efficient job performance, the member may be required to obtain clearance from his/her physician before continuing to work.

If the supervisor reasonably believes, based on objective facts, that a member is impaired by the consumption of alcohol or other drugs, the supervisor shall prevent the member from continuing work and shall ensure that he/she is safely transported away from the Department.

1006.7 SCREENING TESTS

A supervisor may require an employee to submit to a screening test under any of the following circumstances:

- (a) The supervisor reasonably believes, based upon objective facts, that the employee is under the influence of alcohol or drugs that are impairing the employee's ability to perform duties safely and efficiently.
- (b) The employee discharges a firearm in the performance of the employee's duties (excluding training or authorized euthanizing of an animal).
- (c) The employee discharges a firearm issued by the Department while off-duty, resulting in injury, death, or substantial property damage.
- (d) The employee drives a motor vehicle in the performance of the employee's duties and becomes involved in an incident that results in bodily injury, death, or substantial damage to property.

1006.7.1 SUPERVISOR RESPONSIBILITIES

The supervisor shall prepare a written record documenting the specific facts that led to the decision to require the test, and shall inform the employee in writing of the following:

- (a) The test will be given to detect either alcohol or drugs, or both.
- (b) The result of the test is not admissible in any criminal proceeding against the employee.

Matteson Police Department

Policy Manual

Policy Manual

Drug- and Alcohol-Free Workplace

- (c) The employee may refuse the test, but refusal may result in dismissal or other disciplinary action.

1006.7.2 DISCIPLINE

An employee may be subject to disciplinary action if the employee:

- (a) Fails or refuses to submit to a screening test as requested.
- (b) After taking a screening test that indicates the presence of a controlled substance, fails to provide proof, within 72 hours after being requested, that the controlled substance was taken as directed, pursuant to a current and lawful prescription issued in the employee's name.

1006.8 COMPLIANCE WITH THE DRUG-FREE WORKPLACE ACT

No later than 30 days following notice of any drug statute conviction for a violation occurring in the workplace involving a member, the Department will take appropriate disciplinary action, up to and including dismissal, and/or requiring the member to satisfactorily participate in a drug abuse assistance or rehabilitation program (41 USC § 8104).

1006.9 CONFIDENTIALITY

The Department recognizes the confidentiality and privacy due to its members. Disclosure of any information relating to substance abuse treatment, except on a need-to-know basis, shall only be with the express written consent of the member involved or pursuant to lawful process.

The written results of any screening tests and all documents generated by the employee assistance program are considered confidential medical records and shall be maintained in the member's confidential medical file in accordance with the Personnel Records Policy.

Sick Leave

1007.1 PURPOSE AND SCOPE

This policy provides general guidance regarding the use and processing of sick leave. The accrual and terms of use of sick leave for eligible employees are detailed in the Village personnel manual and/or applicable collective bargaining agreements.

This policy is not intended to cover all types of sick or other leaves. For example, employees may be entitled to additional paid or unpaid leave for certain family and medical reasons as provided for in the Family and Medical Leave Act (FMLA) (29 USC § 2601 et seq.) or the Illinois Employee Sick Leave Act (820 ILCS 191/1 et seq.).

1007.2 POLICY

It is the policy of the Matteson Police Department to provide eligible employees with a sick leave benefit.

1007.3 USE OF SICK LEAVE

Sick leave is intended to be used for qualified absences. Sick leave is not considered vacation. Abuse of sick leave may result in discipline, denial of sick leave benefits, or both.

Employees on sick leave shall not engage in other employment or self-employment or participate in any sport, hobby, recreational activity, or other activity that may impede recovery from the injury or illness (see the Secondary Employment Policy).

Qualified appointments should be scheduled during a member's non-working hours when it is reasonable to do so.

1007.3.1 NOTIFICATION

All members should notify the Records Division by phone as soon as they are aware that they will not be able to report to work, and no less than two hours before the start of their scheduled shift. If, due to an emergency, a member is unable to contact the Records Division, every effort should be made to have a representative for the member contact the police department and report the absence. It will be the responsibility of the on-duty records clerk to complete the appropriate sick leave form and to immediately notify the on-duty patrol supervisor of the member's absence.

The on-duty supervisor will contact the member as soon as practicable after being notified of the absence. The supervisor will gather as much information as possible regarding the reason for the absence and document the same on the sick leave form.

When the necessity to be absent from work is foreseeable, such as planned medical appointments or treatments, the member shall, whenever possible and practicable, provide the Department with no less than 30 days' notice of the impending absence.

1007.4 EXTENDED ABSENCE

Members absent from duty for two or more consecutive shifts may be required to furnish a statement from a health care provider supporting the need to be absent and/or the ability to return

Matteson Police Department

Policy Manual

Policy Manual

Sick Leave

to work. Members on an extended absence shall, if possible, contact their supervisor at specified intervals to provide an update on their absence and expected date of return.

Nothing in this section precludes a supervisor from requiring, with cause, a health care provider's statement for an absence of two or fewer shifts.

1007.5 SUPERVISOR RESPONSIBILITIES

The responsibilities of supervisors include, but are not limited to:

- (a) Monitoring and regularly reviewing the attendance of those under their command to ensure that the use of sick leave and absences is consistent with this policy.
- (b) Attempting to determine whether an absence of four or more shifts may qualify as family medical leave and consulting with legal counsel or the Department of Human Resources as appropriate.
- (c) Addressing absences and sick leave use in the member's performance evaluation when excessive or unusual use has:
 - 1. Negatively affected the member's performance or ability to complete assigned duties.
 - 2. Negatively affected department operations.
- (d) When appropriate, counseling members regarding excessive absences and/or inappropriate use of sick leave.
- (e) Referring eligible members to an available employee assistance program when appropriate.

1008.1 PURPOSE AND SCOPE

This policy provides general guidelines to assist in minimizing the risk of department members contracting and/or spreading communicable diseases.

1008.1.1 DEFINITIONS

Definitions related to this policy include:

Communicable disease - A human disease caused by microorganisms that are present in and transmissible through human blood, bodily fluid, tissue, or by breathing or coughing. These diseases commonly include, but are not limited to, hepatitis B virus (HBV), HIV, and tuberculosis.

Exposure - When an eye, mouth, mucous membrane, or non-intact skin comes into contact with blood or other potentially infectious materials, or when these substances are injected or infused under the skin; when an individual is exposed to a person who has a disease that can be passed through the air by talking, sneezing, or coughing (e.g., tuberculosis), or the individual is in an area that was occupied by such a person. Exposure only includes those instances that occur due to a member's position at the Matteson Police Department (See the exposure control plan for further details to assist in identifying whether an exposure has occurred).

1008.2 POLICY

The Matteson Police Department is committed to providing a safe work environment for its members. Members should be aware that they are ultimately responsible for their own health and safety.

1008.3 EXPOSURE CONTROL OFFICER

The Chief of Police will assign a person as the Exposure Control Officer (ECO). The ECO shall develop an exposure control plan that includes:

- (a) Exposure prevention and decontamination procedures.
- (b) Procedures for when and how to obtain medical attention in the event of an exposure or suspected exposure.
- (c) The provision that department members will have no-cost access to the appropriate personal protective equipment (PPE) (e.g., gloves, face masks, eye protection, pocket masks) for each member's position and risk of exposure.
- (d) Evaluation of persons in custody for any exposure risk and measures to separate them.
- (e) Compliance with all relevant laws or regulations related to communicable diseases, including:

- (c) The mandates of the Illinois Occupational Safety and Health Act (820 ILCS 219/1 et seq.).
- (d) Responding to requests and notifications regarding exposures covered under the Ryan White law (42 USC § 300ff-133; 42 USC § 300ff-136).
- (e) Responding to exposure notifications from hospitals to which members have transported a patient (210 ILCS 85/6.08).
- (f) Exposure control mandates in 29 CFR 1910.1030 (820 ILCS 219/25; 56 Ill. Adm. Code 350.700).

The ECO should also act as the liaison with the Illinois Department of Labor (IDOL) and may request voluntary compliance inspections. The ECO should periodically review and update the exposure control plan and review implementation of the plan.

1008.4 EXPOSURE PREVENTION AND MITIGATION

1008.4.1 GENERAL PRECAUTIONS

All members are expected to use good judgment and follow training and procedures related to mitigating the risks associated with communicable diseases. This includes, but is not limited to (29 CFR 1910.1030; 820 ILCS 219/25):

- (a) Stocking disposable gloves, antiseptic hand cleanser, CPR masks, or other specialized equipment in the work area of department vehicles, as applicable.
- (b) Wearing department-approved disposable gloves when contact with blood, other potentially infectious materials, mucous membranes, and non-intact skin can be reasonably anticipated.
- (c) Washing hands immediately or as soon as feasible after removal of gloves or other PPE.
- (d) Treating all human blood and bodily fluids/tissue as if it is known to be infectious for a communicable disease.
- (e) Using an appropriate barrier device when providing CPR.
- (f) Using a face mask or shield if it is reasonable to anticipate an exposure to an airborne transmissible disease.
- (g) Decontaminating non-disposable equipment (e.g., flashlight, control devices, clothing, and portable radio) as soon as possible if the equipment is a potential source of exposure.
 - 1. Clothing that has been contaminated by blood or other potentially infectious materials shall be removed immediately or as soon as feasible and stored/decontaminated appropriately.

- (j) Disposing of biohazardous waste appropriately or labeling biohazardous material properly when it is stored.

1008.4.2 IMMUNIZATIONS

Members who could be exposed to HBV due to their positions may receive the HBV vaccine and any routine booster at no cost (29 CFR 1910.1030; 820 ILCS 219/25).

1008.5 POST EXPOSURE

1008.5.1 INITIAL POST-EXPOSURE STEPS

- (b) Obtain medical attention as appropriate.
- (c) Notify a supervisor as soon as practical.

1008.5.2 REPORTING REQUIREMENTS

The supervisor on-duty shall investigate every exposure or suspected exposure that occurs as soon as possible following the incident. The supervisor shall ensure the following information is documented (29 CFR 1910.1030; 820 ILCS 219/25):

- (a) Name of the member exposed
- (b) Date and time of incident
- (c) Location of incident
- (d) Potentially infectious materials involved and the source of exposure (e.g., identification of the person who may have been the source)
- (e) Work being done during exposure
- (f) How the incident occurred or was caused
- (g) PPE in use at the time of the incident
- (h) Actions taken post-event (e.g., clean-up, notifications)

The supervisor shall advise the member that disclosing the identity and/or infectious status of a source to the public or to anyone who is not involved in the follow-up process is prohibited. The supervisor should complete the incident documentation in conjunction with other reporting requirements that may apply (see the Occupational Disease and Work-Related Injury Reporting Policy).

1008.5.3 MEDICAL CONSULTATION, EVALUATION AND TREATMENT

Department members shall have the opportunity to have a confidential medical evaluation immediately after an exposure and follow-up evaluations as necessary.

The ECO should request a written opinion/evaluation from the treating medical professional that contains only the following information (29 CFR 1910.1030; 820 ILCS 219/25):

- (a) Whether the member has been informed of the results of the evaluation.
- (b) Whether the member has been notified of any medical conditions resulting from exposure to blood or other potentially infectious materials, which require further evaluation or treatment.

No other information should be requested or accepted by the ECO.

1008.5.4 COUNSELING

The Department shall provide the member, and his/her family if necessary, the opportunity for counseling and consultation regarding the exposure (29 CFR 1910.1030; 820 ILCS 219/25).

1008.5.5 SOURCE TESTING

Testing a person for communicable diseases when that person was the source of an exposure should be done when it is desired by the exposed member or when it is otherwise appropriate. Source testing is the responsibility of the ECO. If the ECO is unavailable to seek timely testing of the source, it is the responsibility of the exposed member's supervisor to ensure testing is sought.

Source testing may be achieved by:

- (a) Obtaining consent from the individual.
- (b) Contacting the Department of Public Health or local health authority and providing information regarding the circumstances of the exposure to determine if the appropriate authority will request consent from the person to submit to testing (77 Ill. Adm. Code 690.1380).
- (c) In cases of possible exposure to infectious diseases, including HIV, by having a health care provider or health facility test the source of the exposure pursuant to 410 ILCS 305/7 and/or 410 ILCS 312/10.

Since there is the potential for overlap between the different manners in which source testing may occur, the ECO is responsible for coordinating the testing to prevent unnecessary or duplicate testing.

The ECO should seek the consent of the individual for testing and consult the Village Attorney to discuss other options when no statute exists for compelling the source of an exposure to undergo testing if he/she refuses.

1008.6 CONFIDENTIALITY OF REPORTS

Medical information shall remain in confidential files and shall not be disclosed to anyone without the member's written consent (except as required by law) (29 CFR 1910.1030; 820 ILCS 219/25).

1008.7 TRAINING

All members shall participate in training regarding communicable diseases commensurate with the requirements of their position. The training (29 CFR 1910.1030; 820 ILCS 219/25):

- (a) Shall be provided at the time of initial assignment to tasks where an occupational exposure may take place and at least annually after the initial training.
- (b) Shall be provided whenever the member is assigned new tasks or procedures affecting his/her potential exposure to communicable disease.
- (c) Should provide guidance on what constitutes an exposure, what steps can be taken to avoid an exposure and what steps should be taken if a suspected exposure occurs.

Smoking and Tobacco Use

1009.1 PURPOSE AND SCOPE

This policy establishes limitations on smoking and the use of tobacco products by members and others while on-duty or while in Matteson Police Department facilities or vehicles.

For the purposes of this policy, smoking and tobacco use includes, but is not limited to, any tobacco product, such as cigarettes, cigars, pipe tobacco, snuff, tobacco pouches, and chewing tobacco, as well as any device intended to simulate smoking, such as an electronic cigarette or personal vaporizer.

1009.2 POLICY

The Matteson Police Department recognizes that tobacco use is a health risk and can be offensive to others.

Smoking and tobacco use also presents an unprofessional image for the Department and its members. Therefore, smoking and tobacco use is prohibited by members and visitors in all department facilities, buildings, and vehicles, and as is further outlined in this policy.

1009.3 SMOKING AND TOBACCO USE

Smoking and tobacco use by members is prohibited anytime members are in public view representing the Matteson Police Department.

It shall be the responsibility of each member to ensure that no person under his/her supervision smokes or uses any tobacco product inside Village facilities and vehicles.

1009.4 ADDITIONAL PROHIBITIONS

No employee shall smoke, even if out of public view, in any public place, child/adult day care center, health care facility, or within 15 feet of any entrance or any other location described under the Smoke Free Illinois Act (410 ILCS 82/15).

Personnel Complaints

1010.1 PURPOSE AND SCOPE

This policy provides guidelines for the reporting, investigation and disposition of complaints regarding the conduct of members of the Matteson Police Department. This policy shall not apply to any questioning, counseling, instruction, informal verbal admonishment or other routine or unplanned contact of a member in the normal course of duty, by a supervisor or any other member, nor shall this policy apply to a criminal investigation.

1010.2 POLICY

The Matteson Police Department takes seriously all complaints regarding the service provided by the Department and the conduct of its members.

The Department will accept and address all complaints of misconduct in accordance with this policy and applicable federal, state and local law, municipal and county rules and the requirements of any collective bargaining agreements.

It is also the policy of this department to ensure that the community can report alleged misconduct without concern for reprisal or retaliation.

1010.3 PERSONNEL COMPLAINTS

Personnel complaints include any allegation of misconduct or improper job performance that, if true, would constitute a violation of department policy or of federal, state or local law, policy or rule. Personnel complaints may be generated internally or by the public.

Inquiries about conduct or performance that, if true, would not violate department policy or of federal, state or local law, policy or rule may be handled informally by a supervisor and shall not be considered a personnel complaint. Such inquiries generally include clarification regarding policy, procedures or the response to specific incidents by the Department.

1010.3.1 COMPLAINT CLASSIFICATIONS

Personnel complaints shall be classified in one of the following categories:

Informal - A matter in which the Watch Commander is satisfied that appropriate action has been taken by a supervisor of rank greater than the accused member.

Formal - A matter in which a supervisor determines that further action is warranted. Such complaints should be investigated by a supervisor of rank greater than the accused member or referred to the Internal Affairs Unit, depending on the seriousness and complexity of the investigation.

Incomplete - A matter in which the complaining party either refuses to cooperate or becomes unavailable after diligent follow-up investigation. At the discretion of the assigned supervisor or the Internal Affairs Unit, such matters may be further investigated depending on the seriousness of the complaint and the availability of sufficient information.

1010.3.2 SOURCES OF COMPLAINTS

The following applies to the source of complaints:

- (a) Individuals from the public may make complaints in any form, including in writing, by email, in person or by telephone.
- (b) Any department member becoming aware of alleged misconduct by another department member shall immediately notify a supervisor.
- (c) Supervisors shall initiate a complaint based upon observed misconduct or receipt from any source alleging misconduct that, if true, could result in disciplinary action.
- (d) Anonymous and third-party complaints should be accepted and investigated to the extent that sufficient information is provided.
- (e) Tort claims and lawsuits may generate a personnel complaint.

1010.4 AVAILABILITY AND ACCEPTANCE OF COMPLAINTS

1010.4.1 COMPLAINT FORMS

The Matteson Police Department makes information available to the public on procedures to be followed for registering complaints against the Department or its employees. The complaint procedures are posted in the front lobby of the department and on the Village's website. Personnel complaint forms will be maintained in the Records Division and may also be accessible through the Department website. Forms may also be available at other Village facilities. Forms will be accepted electronically, in person, or through the mail.

Personnel complaint forms in languages other than English may also be provided, as determined necessary or practicable. Forms will be provided upon any request.

1010.4.2 ACCEPTANCE

All complaints will be courteously accepted by any department member and promptly given to the appropriate supervisor. Although written complaints are preferred, a complaint may also be filed orally, either in person or by telephone. Such complaints will be directed to a supervisor. If a supervisor is not immediately available to take an oral complaint, the receiving member shall obtain contact information sufficient for the supervisor to contact the complainant. The supervisor, upon contact with the complainant, shall complete and submit a complaint form as appropriate.

Although not required, complainants should be encouraged to file complaints in person so that proper identification, signatures, photographs or physical evidence may be obtained as necessary.

1010.5 DOCUMENTATION

Supervisors shall ensure that all formal and informal complaints are documented on a complaint form. The supervisor shall ensure that the nature of the complaint is defined as clearly as possible.

All complaints and inquiries should also be documented in a log that records and tracks complaints. The log shall include the nature of the complaint and the actions taken to address the complaint. On an annual basis, the Department should audit the log and send an audit report to the Chief of Police or the authorized designee.

1010.6 ADMINISTRATIVE INVESTIGATIONS

The Administration Division Commander or the supervisor in charge of the internal affairs function shall have direct access to the Chief of Police or the assigned authorized designee.

Allegations of misconduct will be administratively investigated as follows.

1010.6.1 SUPERVISOR RESPONSIBILITIES

In general, the primary responsibility for the investigation of a personnel or discrimination/harassment complaint shall rest with the member's immediate supervisor, unless the supervisor is the complainant, or the supervisor is the ultimate decision-maker regarding disciplinary action, or has any personal involvement regarding the alleged misconduct. The Chief of Police or the authorized designee may direct that another supervisor investigate any complaint.

A supervisor who becomes aware of alleged misconduct shall take reasonable steps to prevent aggravation of the situation.

The responsibilities of supervisors include but are not limited to:

- (a) Ensuring that upon receiving or initiating any formal complaint, a complaint form is completed.
 - 1. The original complaint form will be directed to the Watch Commander of the accused member, via the chain of command, who will take appropriate action and/or determine who will have responsibility for the investigation.
 - 2. In circumstances where the integrity of the investigation could be jeopardized by reducing the complaint to writing or where the confidentiality of a complainant is at issue, a supervisor shall orally report the matter to the member's Division Commander or the Chief of Police, who will initiate appropriate action.
- (b) Responding to all complainants in a courteous and professional manner.
- (c) Resolving those personnel complaints that can be resolved immediately.
 - 1. Follow-up contact with the complainant should be made within 24 hours of the [Department/Office] receiving the complaint.
 - 2. If the matter is resolved and no further action is required, the supervisor will note the resolution on a complaint form and forward the form to the Watch Commander.
- (d) Ensuring that upon receipt of a complaint involving allegations of a potentially serious nature, the Watch Commander and Chief of Police are notified via the chain of command as soon as practicable.
 - 1. This notification is required when there are allegations of a failure to intervene, unreasonable uses of force, perjury, tampering with evidence, or other categories required under state law. The Chief of Police or the authorized designee shall take steps to notify the Illinois Law Enforcement Training and Standards Board (ILETSB) within seven days of the [Department/Office] becoming aware of the allegations. After preliminary review by ILETSB, an investigation should be conducted, if necessary (50 ILCS 705/6.3).

- (h) Investigating a complaint as follows:
 - 1. Making reasonable efforts to obtain names, addresses, and telephone numbers of witnesses.
 - 2. When appropriate, ensuring immediate medical attention is provided and photographs of alleged injuries and accessible uninjured areas are taken.
- (i) Ensuring that the procedural rights of the accused member are followed.
- (j) Ensuring interviews of the complainant are generally conducted during reasonable hours.

1010.6.2 ADMINISTRATIVE INVESTIGATION PROCEDURES

Whether conducted by a supervisor or a member of the Internal Affairs Unit, the following applies to members covered by the Uniform Peace Officers' Disciplinary Act:

- (c) The accused member shall be informed in writing of the interviewers and all persons who will be present on behalf of the Department during any interview. The accused member shall inform the Department of any person who will be present on his/her behalf during any interview (50 ILCS 725/3.4).
- (d) No more than two interviewers should ask questions of an accused member.
- (e) Prior to any interview, a member should be informed in writing of the nature of the investigation (50 ILCS 725/3.2).
- (f) All interviews should be for a reasonable period and the member's personal needs should be accommodated (50 ILCS 725/3.5).
- (g) No member should be subjected to offensive or threatening language, nor shall any promises, rewards, or other inducements be used to obtain answers (50 ILCS 725/3.6).
- (h) Any member refusing to answer questions directly related to the investigation may be ordered to answer questions administratively and may be subject to discipline for failing to do so.

1. A member should be given an order to answer questions in an administrative investigation that might incriminate the member in a criminal matter only after the member has been given a *Garrity* advisement and after the investigator has consulted with the prosecuting agency. Administrative investigators should consider the impact that compelling a statement from the member may have on any related criminal investigation and should take reasonable steps to avoid creating any foreseeable conflicts between the two related investigations. This may include conferring with the person in charge of the criminal investigation (e.g., discussion of processes, timing, implications).
2. No information or evidence administratively coerced from a member may be provided to anyone involved in conducting the criminal investigation or to any prosecutor.
 - (i) The interviewer shall record all interviews of members and witnesses. The member may also record the interview. If the member has been previously interviewed, a copy of that recorded interview shall be provided to the member prior to any subsequent interview (50 ILCS 725/3.7).
 - (j) No member shall be interviewed without first being advised in writing that admissions made in the course of the interview may be used as evidence of misconduct or as the basis for charges seeking suspension, removal, or discharge. In addition, no member shall be interviewed without first being advised in writing that he/she has the right to counsel of his/her choosing, and that counsel may be present to advise him/her at any stage of any interview (50 ILCS 725/3.8).
 - (k) All members subjected to interviews that could result in discipline have the right to have representation by counsel of the member's choosing and may request counsel at any time before or during an interview. When a request for counsel is made, the interview shall not proceed until a reasonable time and opportunity are provided to the member to obtain counsel. If a collective bargaining agreement requires the presence of a representative of the collective bargaining unit during investigations, the representative shall be present during the interview, unless this requirement is waived by the member being interviewed (50 ILCS 725/3.9). However, in order to maintain the integrity of each employee's statement, involved employees shall not consult or meet with a representative or attorney collectively or in groups prior to being interviewed.
 - (l) All members shall provide complete and truthful responses to questions posed during interviews.
 - (m) No member may be compelled to submit to a polygraph test, or any other test questioning by means of any chemical substance, except with the member's express written consent. Refusal to submit to such tests shall not result in any disciplinary action nor shall such refusal be made part of his/her record (50 ILCS 725/3.11).
 - (n) These provisions do not apply to any member charged with violating any provisions of the Criminal Code of 2012, or any other federal, state, or local criminal law (50 ILCS 725/5).

1010.6.3 ADMINISTRATIVE INVESTIGATION FORMAT

Formal investigations of personnel complaints shall be thorough, complete and essentially follow this format:

Introduction - Include the identity of the members, the identity of the assigned investigators, the initial date and source of the complaint.

Synopsis - Provide a brief summary of the facts giving rise to the investigation.

Summary - List the allegations separately, including applicable policy sections, with a brief summary of the evidence relevant to each allegation. A separate recommended finding should be provided for each allegation.

Conclusion - A recommendation regarding further action or disposition should be provided.

Exhibits - A separate list of exhibits (e.g., recordings, photos, documents) should be attached to the report.

1010.6.4 DISPOSITIONS

Each personnel complaint shall be classified with one of the following dispositions:

Unfounded - When the investigation discloses that the alleged acts did not occur or did not involve department members. Complaints that are determined to be frivolous will fall within the classification of unfounded.

Exonerated - When the investigation discloses that the alleged act occurred but that the act was justified, lawful and/or proper.

Not sustained - When the investigation discloses that there is insufficient evidence to sustain the complaint or fully exonerate the member.

Sustained - When the investigation discloses sufficient evidence to establish that the act occurred and that it constituted misconduct.

If an investigation discloses misconduct or improper job performance that was not alleged in the original complaint, the investigator shall take appropriate action with regard to any additional allegations.

1010.6.5 COMPLETION OF INVESTIGATIONS

Every investigator or supervisor assigned to investigate a personnel complaint or other alleged misconduct shall proceed with due diligence in an effort to complete the investigation within one year from the date of discovery by an individual authorized to initiate an investigation.

Personnel Complaints

1010.6.6 NOTICE TO COMPLAINANT OF INVESTIGATION STATUS

The member conducting the investigation should provide the complainant with periodic updates on the status of the investigation, as appropriate.

1010.7 ADMINISTRATIVE SEARCHES

Assigned lockers, storage spaces and other areas, including desks, offices and vehicles, may be searched as part of an administrative investigation upon a reasonable suspicion of misconduct.

Such areas may also be searched any time by a supervisor for non-investigative purposes, such as obtaining a needed report, radio or other document or equipment.

1010.8 ADMINISTRATIVE LEAVE

When a complaint of misconduct is of a serious nature, or when circumstances indicate that allowing the accused to continue to work would adversely affect the mission of the Department, the Chief of Police or the authorized designee may temporarily assign an accused employee to administrative leave. Any employee placed on administrative leave:

- (a) May be required to relinquish any department badge, identification, assigned weapons and any other department equipment.
- (b) Shall be required to continue to comply with all policies and lawful orders of a supervisor.
- (c) May be temporarily reassigned to a different shift, generally a normal business-hours shift, during the investigation. The employee may be required to remain available for contact at all times during such shift, and will report as ordered.

1010.9 CRIMINAL INVESTIGATION

Where a member is accused of potential criminal conduct, a separate supervisor or investigator shall be assigned to investigate the criminal allegations apart from any administrative investigation. Any separate administrative investigation may parallel a criminal investigation.

The Chief of Police shall be notified as soon as practicable when a member is accused of criminal conduct. The Chief of Police may request a criminal investigation by an outside law enforcement agency.

A member accused of criminal conduct shall be provided with all rights afforded to a civilian. The member should not be administratively ordered to provide any information in the criminal investigation.

The Matteson Police Department may release information concerning the arrest or detention of any member, including an officer, that has not led to a conviction.

No disciplinary action should be taken until an independent administrative investigation is conducted.

1010.10 POST-ADMINISTRATIVE INVESTIGATION PROCEDURES

Upon completion of a formal investigation, an investigation report should be forwarded to the Chief of Police through the chain of command. Each level of command should review the report and

include his/her comments in writing before forwarding the report. The Chief of Police may accept or modify any classification or recommendation for disciplinary action.

1010.10.1 DIVISION COMMANDER RESPONSIBILITIES

Upon receipt of any completed personnel investigation, the Division Commander of the involved member shall review the entire investigative file, the member's personnel file and any other relevant materials.

The Division Commander may make recommendations regarding the disposition of any allegations and the amount of discipline, if any, to be imposed.

Prior to forwarding recommendations to the Chief of Police, the Division Commander may return the entire investigation to the assigned investigator or supervisor for further investigation or action.

When forwarding any written recommendation to the Chief of Police, the Division Commander shall include all relevant materials supporting the recommendation. Actual copies of a member's existing personnel file need not be provided and may be incorporated by reference.

1010.10.2 CHIEF OF POLICE RESPONSIBILITIES

Upon receipt of any written recommendation for disciplinary action, the Chief of Police shall review the recommendation and all accompanying materials. The Chief of Police may modify any recommendation and/or may return the file to the Division Commander for further investigation or action.

Once the Chief of Police is satisfied that no further investigation or action is required by staff, the Chief of Police shall determine the amount of discipline, if any, that should be imposed. In the event disciplinary action is proposed, the Chief of Police shall provide the member with a written notice and the following:

- (a) Access to all of the materials considered by the Chief of Police in recommending the proposed discipline.
- (b) An opportunity to respond orally or in writing to the Chief of Police within five days of receiving the notice.
 - 1. Upon a showing of good cause by the member, the Chief of Police may grant a reasonable extension of time for the member to respond.
 - 2. If the member elects to respond orally, the presentation shall be recorded by the Department. Upon request, the member shall be provided with a copy of the recording.

Once the member has completed his/her response or if the member has elected to waive any such response, the Chief of Police shall consider all information received in regard to the recommended discipline. The Chief of Police shall render a timely written decision to the member and specify the grounds and reasons for discipline and the effective date of the discipline. Once the Chief of Police has issued a written decision, the discipline shall become effective.

1010.10.3 NOTICE OF FINAL DISPOSITION TO THE COMPLAINANT

The Chief of Police or the authorized designee should ensure that the complainant is notified of the disposition (i.e., sustained, not sustained, exonerated, unfounded) of the complaint.

1010.11 DEPARTMENT DISCIPLINARY SYSTEM

- A. The Department Disciplinary System shall consist of the following functions:
 - 1. Training
 - 2. Counseling;
 - 3. Punitive Actions
- B. Any of the functions of the Department Disciplinary System, as listed in A, may be employed either by itself or in conjunction with one or more of the other components of the disciplinary system. However, whenever punitive actions are employed, the counseling component shall also be employed.
- C. The Training Function
 - 1. The training function of the disciplinary system is, when employed, intended to strengthen an employee's performance by improving the employee's productivity and effectiveness using positive and constructive methods.
 - (a) All employees are expected to work to maintain an acceptable level of competence in the performance of their duties. Acts or violations of procedures or rules and regulations, which are committed by employees, either due to a misunderstanding or that employees were never made aware of the correct method or action, are indicators of training needs.
 - 2. Remedial Training
 - (a) When training needs are indicated as stated above, a remedial training plan shall be developed. A remedial training plan is training specifically designed to correct the noted deficiency and personalized to the employee identified.
 - 1. Employees may be assigned to remedial training when their supervisor(s) recommend the process as a means of correcting noted deficiencies.

The referring supervisor will work with the training coordinator to arrange and schedule the necessary training as outlined in the training plan.
- D. Counseling
 - 1. When appropriate, the use of counseling prior to discipline is intended to provide the supervisor with an opportunity to bring noted deficiencies to the employee's attention. The supervisor may employ counseling to firmly advise the employee of the need to improve their performance, work habits, behavior, or attitude. The counseling of an employee should serve as a firm warning to the employee

Policy Manual

Policy Manual

Personnel Complaints

against further repetition of the conduct in question. Supervisors may use the occasion to identify and define the area needing improvement and inform the employee as to how much improvement can be realistically achieved.

2. If the counseling efforts of the employee's supervisor fail to bring about a remedy to the perceived problem, and the employee's unsatisfactory performance continues, one of the following steps may need to be considered:
 - (a) Remedial training
 - (b) Punitive action
 - (c) A referral to the Employee Assistance Program Counselors or outside counselors as appropriate
3. Supervisors shall in all cases document all efforts at employee counseling to include the results of the efforts.

E. Punitive Action

1. Punitive discipline is a component of the disciplinary system that is generally imposed in a progressive manner from minimum to maximum, but when appropriate, may be imposed to the maximum limit without progression. The appropriate level of disciplinary action is determined by the consideration of criteria that includes, but is not limited to the following:
 - (a) Seriousness of the incident
 - (b) Circumstances surrounding the incident
 - (c) Employee's disciplinary record
 - (d) Employee's overall work performance
 - (e) The overall negative impact on the department caused by the action(s) of the employee
 - (f) The probability that future similar problems will occur
 - (g) The employee's longevity
 - (h) The involvement, if any, of other employees and/or members of the public
2. The following categories of punitive action may be imposed when appropriate:
 - (a) Oral Reprimand: An oral reprimand is a verbal warning issued by a supervisor that some action, or lack of action or performance, is unacceptable and will result in further disciplinary action if the action is repeated. An oral reprimand is considered to be the first step in the department's progressive punitive component of the Disciplinary System.
 1. When issued, all oral reprimands will be documented by the issuing supervisor through a memo forwarded to the Deputy Chief of Police.
 2. All oral reprimands shall be entered into the employee's personnel file.

Matteson Police Department

Policy Manual

Policy Manual

Personnel Complaints

- (b) Written Reprimand: A written reprimand is a written warning from a supervisor that an employee's action, or lack of action or performance, is unacceptable and will result in further disciplinary action if such action is repeated.
 - 1. When issued, all written reprimands will be documented by the issuing supervisor through a memo forwarded to the Deputy Chief of Police.
 - 2. All written reprimands shall be entered into the employee's personnel file.
- (c) Suspension: A suspension is a serious disciplinary action in which the employee is suspended from duty and may forfeit their salary for a period of one day or more, up to thirty days, for misconduct considered to be serious or part of a continuing pattern of behavior involving repeated instances of misconduct.
 - 1. The Chief of Police may suspend a sworn officer for up to thirty days.
 - 2. Suspension notices shall remain in an employee's personnel file and are not subject to removal.
- (d) Demotion: A demotion is the reduction of the rank of employment and corresponding permanent reduction in wages.
 - 1. Records of all demotions will remain in the employee's permanent personnel file and are not subject to removal.
- (e) Dismissal: A dismissal is the act of discharge from employment and the permanent loss of privileges of employment.
 - 1. Records of all dismissals will remain in the employee's personnel file and are not subject to removal.

 - (a) The reason for dismissal.
 - (b) The effective date of dismissal.
 - (c) The status of fringe and retirement benefits after dismissal.
 - (d) A statement as to the content of the employee's personnel file relating to the dismissal.
 - 3. This section does not apply to probationary entry level employees, nor does it apply to part-time, at-will employees.
- 3. The use of punitive actions as a component of the disciplinary process is subject to the provisions of the following documents and/or statutes:

- (b) Rules and Regulations of the Board of Fire and Police Commissioners of the Village of Matteson.
- (c) Uniform Peace Officers Disciplinary Act, 50 ILCS 725/1 et seq.

1010.12 PRE-DISCIPLINE EMPLOYEE RESPONSE

The pre-discipline process is intended to provide the accused employee with an opportunity to present a written or oral response to the Chief of Police after having had an opportunity to review the supporting materials and prior to imposition of any recommended discipline. The employee shall consider the following:

- (a) The response is not intended to be an adversarial or formal hearing.
- (b) Although the employee may be represented by an uninvolved representative or legal counsel, the response is not designed to accommodate the presentation of testimony or witnesses.
- (c) The employee may suggest that further investigation could be conducted or the employee may offer any additional information or mitigating factors for the Chief of Police to consider.
- (d) In the event that the Chief of Police elects to cause further investigation to be conducted, the employee shall be provided with the results prior to the imposition of any discipline.
- (e) The employee may thereafter have the opportunity to further respond orally or in writing to the Chief of Police on the limited issues of information raised in any subsequent materials.

1010.13 RESIGNATIONS/RETIREMENTS PRIOR TO DISCIPLINE

In the event that a member tenders a written resignation or notice of retirement prior to the imposition of discipline, it shall be noted in the file. The tender of a resignation or retirement by itself shall not serve as grounds for the termination of any pending investigation or discipline.

1010.14 POST-DISCIPLINE APPEAL RIGHTS

Non-probationary employees have the right to appeal a suspension without pay, punitive transfer, demotion, reduction in pay or step, or termination from employment. The employee has the right to appeal as provided by law or the applicable collective bargaining agreement (55 ILCS 5/3-8014; 65 ILCS 5/10-2.1-17; 65 ILCS 5/10-1-45).

1010.15 PROBATIONARY EMPLOYEES AND OTHER MEMBERS

At-will and probationary employees and members other than non-probationary employees may be disciplined and/or released from employment without adherence to any of the procedures set out in this policy, and without notice or cause at any time. These individuals are not entitled to any rights under this policy. However, any of these individuals released for misconduct may be afforded an opportunity solely to clear their names through a liberty interest hearing, which shall be limited to a single appearance before the Chief of Police or the authorized designee.

All personnel complaints shall be maintained in accordance with the established records retention schedule and as described in the Personnel Records Policy.

1010.17 MANDATORY NOTIFICATION TO THE ILLINOIS LAW ENFORCEMENT TRAINING AND STANDARDS BOARD

The Chief of Police or the authorized designee shall notify the ILETSB when (50 ILCS 705/6.2; 50 ILCS 705/9.2):

- (a) Any final determination of willful violation of Matteson Police Department policy, official misconduct, or violation of law results in:

Seat Belts

1011.1 PURPOSE AND SCOPE

This policy establishes guidelines for the use of seat belts and child restraints. This policy will apply to all members operating or riding in department vehicles.

1011.1.1 DEFINITIONS

Definitions related to this policy include:

Child restraint system - An infant or child passenger restraint system that meets Federal Motor Vehicle Safety Standards (FMVSS) and Regulations set forth in 49 CFR 571.213 and 625 ILCS 25/4.

1011.2 WEARING OF SAFETY RESTRAINTS

All members shall wear properly adjusted safety restraints when operating or riding in a seat equipped with restraints, in any vehicle owned, leased, or rented by this department, while on- or off-duty, or in any privately owned vehicle while on-duty. The member driving such a vehicle shall ensure that all other occupants, including those who are not members of the Department, are also properly restrained.

Exceptions to the requirement to wear safety restraints may be made only in exceptional situations where, due to unusual circumstances, wearing a seat belt would endanger the department member or the public. Members must be prepared to justify any deviation from this requirement.

1011.3 TRANSPORTING SUSPECTS, PRISONERS OR ARRESTEES

Suspects, prisoners, and arrestees should be in a seated position and secured in the rear seat of any department vehicle with a prisoner restraint system or, when a prisoner restraint system is not available, by seat belts provided by the vehicle manufacturer. The prisoner restraint system is not intended to be a substitute for handcuffs or other appendage restraints.

Prisoners in leg restraints shall be transported in accordance with the Handcuffing and Restraints Policy.

Officers transporting any juveniles or persons of the opposite sex, regardless of custodial status, will be required to notify the communications center of their starting mileage before transport and their ending mileage upon completing the transport. Regardless of custodial status, and when feasible, an officer(s) should only transport persons of the same sex as the transporting officer(s).

1011.4 INOPERABLE SEAT BELTS

Department vehicles shall not be operated when the seat belt in the driver's position is inoperable. Persons shall not be transported in a seat in which the seat belt is inoperable.

Department vehicle seat belts shall not be modified, removed, deactivated, or altered in any way, except by the vehicle maintenance and repair staff, who shall do so only with the express authorization of the Chief of Police.

Matteson Police Department

Policy Manual

Policy Manual

Seat Belts

Members who discover an inoperable restraint system shall report the defect to the appropriate supervisor. Prompt action will be taken to replace or repair the system.

1011.5 POLICY

It is the policy of the Matteson Police Department that members use safety and child restraint systems to reduce the possibility of death or injury in a motor vehicle crash.

1011.6 TRANSPORTING CHILDREN

Child passengers shall be transported using an approved child restraint system in compliance with 625 ILCS 25/4.

Rear seat passengers in a cage-equipped vehicle may have reduced clearance, which requires careful seating and positioning of seat belts. Due to this reduced clearance, and if permitted by law, children and any child restraint system may be secured in the front seat of such vehicles provided this positioning meets federal safety standards and the vehicle and child restraint system manufacturer's design and use recommendations. In the event that a child is transported in the front seat of a vehicle, the seat should be pushed back as far as possible and the passenger-side airbag should be deactivated. If this is not possible, members should arrange alternate transportation when feasible.

1011.7 VEHICLES MANUFACTURED WITHOUT SEAT BELTS

Vehicles manufactured and certified for use without seat belts or other restraint systems are subject to the manufacturer's operator requirements for safe use.

1011.8 VEHICLE AIRBAGS

In all vehicles equipped with airbag restraint systems, the system will not be tampered with, or deactivated, except when transporting children as written elsewhere in this policy. All equipment installed in vehicles equipped with airbags will be installed as per the vehicle manufacturer specifications to avoid the danger of interfering with the effective deployment of the airbag device.

Policy Title

Body Armor

1013.1 PURPOSE AND SCOPE

The purpose of this policy is to provide law enforcement officers with guidelines for the proper use of body armor.

1013.2 POLICY

It is the policy of the Matteson Police Department to maximize officer safety through the use of body armor in combination with prescribed safety procedures. While body armor provides a significant level of protection, it is not a substitute for the observance of officer safety procedures.

1013.3 ISSUANCE OF BODY ARMOR

The Administration supervisor shall ensure that body armor is issued to all officers when the officer begins service at the Matteson Police Department and that, when issued, the body armor meets or exceeds the standards of the National Institute of Justice (50 ILCS 712/10).

The Administration supervisor shall establish a body armor replacement schedule and ensure that replacement body armor is issued pursuant to this schedule or whenever the body armor becomes worn or damaged to the point that its effectiveness or functionality has been compromised.

1013.3.1 USE OF SOFT BODY ARMOR

Generally, the use of body armor is required subject to the following:

- (a) Officers shall only wear agency-approved body armor.
- (b) Officers shall wear body armor anytime they are in a situation where they could reasonably be expected to take enforcement action.
- (c) Officers may be excused from wearing body armor when they are functioning primarily in an administrative or support capacity and could not reasonably be expected to take enforcement action.
- (d) Body armor shall be worn when an officer is working in uniform or taking part in Department range training.
- (e) An officer may be excused from wearing body armor when he/she is involved in undercover or plainclothes work that his/her supervisor determines could be compromised by wearing body armor, or when a supervisor determines that other circumstances make it inappropriate to mandate wearing body armor.

1013.3.2 INSPECTIONS OF BODY ARMOR

Supervisors should ensure that body armor is worn and maintained in accordance with this policy through routine observation and periodic documented inspections. Annual inspections of body armor should be conducted by an authorized designee for fit, cleanliness, and signs of damage, abuse and wear.

Matteson Police Department

Policy Manual

1013.3.3 CARE AND MAINTENANCE OF SOFT BODY ARMOR

Soft body armor should never be stored for any period of time in an area where environmental conditions (e.g., temperature, light, humidity) are not reasonably controlled (e.g., normal ambient room temperature/humidity conditions), such as in automobiles or automobile trunks.

Soft body armor should be cared for and cleaned pursuant to the manufacturer's care instructions provided with the soft body armor. The instructions can be found on labels located on the external surface of each ballistic panel. The carrier should also have a label that contains care instructions. Failure to follow these instructions may damage the ballistic performance capabilities of the armor. If care instructions for the soft body armor cannot be located, contact the manufacturer to request care instructions.

Soft body armor should not be exposed to any cleaning agents or methods not specifically recommended by the manufacturer, as noted on the armor panel label.

Soft body armor should be replaced in accordance with the manufacturer's recommended replacement schedule.

1013.3.4 WARRANTY PERIODS

All body armor shall be replaced before or at the expiration of the warranty at the Department's expense (50 ILCS 712/10).

1013.4 RANGEMASTER RESPONSIBILITIES

The Rangemaster should:

- (a) Monitor technological advances in the body armor industry for any appropriate changes to Department approved body armor.
- (b) Assess weapons and ammunition currently in use and the suitability of approved body armor to protect against those threats.

1013.5 FUNDING

The Rangemaster should coordinate with other Matteson officials as appropriate to ensure grant funding is sought as appropriate (50 ILCS 712/10). The Rangemaster should also ensure that Department procedures are not in conflict with the terms of any applicable grant.

1014.4 RETENTION AND PURGING

Unless provided otherwise in this policy, personnel records shall be maintained in accordance with the established records retention schedule.

- (a) During the preparation of each member's performance evaluation, all personnel complaints and disciplinary actions should be reviewed to determine the relevancy, if any, to progressive discipline, training, and career development. Possession of a Firearm Owner's Identification Card (FOID) is not a condition of continued employment if the officer's FOID is revoked or seized, because the officer has been a patient of a mental health facility and the officer has not been determined to pose a clear and present danger to him/herself or others as determined by a physician, clinical psychologist, or qualified examiner (50 ILCS 725/7.2).

1017.9.1 DOCUMENTATION

If a determination is made that an officer poses a clear and present danger to him/herself or others, such determination shall be documented in the officer's medical file (50 ILCS 725/7.2).

Meal Periods, Breaks, Restricted Leave

1018.1 PURPOSE AND SCOPE

This policy regarding meals and breaks is superseded by the affected employee's collective bargaining agreement. If not covered in the employee's collective bargaining agreement, this policy shall conform to, and be guided by, the policy governing all Village employees that has been established by the Village Administrator (820 ILCS 140/3).

1018.1.1 MEAL PERIODS

Sworn employees, telecommunicators, and custody personnel shall remain on duty subject to call during meal breaks. All other employees are not on call during meal breaks unless directed otherwise by a supervisor.

All employees will receive an appropriate meal period absent emergency situations (820 ILCS 140/3). Meal times are determined at the discretion of the on-duty supervisor in a manner prescribed by the supervisor unless specified by the Collective Bargaining Agreement.

Uniformed patrol and traffic officers shall request clearance from their immediate supervisor prior to taking a meal period. Uniformed officers shall take their breaks within the Village limits unless on assignment outside of the Village or prior approval is given by their immediate supervisor.

The time spent for the meal period shall not exceed the authorized time allowed.

1018.1.2 BREAKS

Each employee is entitled to a 15 minute break, near the midpoint, for each four-hour work period. Only one 15 minute break shall be taken during each four hours of duty. No breaks shall be taken during the first or last hour of an employee's shift unless approved by their immediate supervisor.

Employees normally assigned to the police facility shall remain in the police facility for their breaks. This would not prohibit them from taking a break outside the facility if on official business.

Patrol officers will take their breaks in their assigned areas, subject to call and shall monitor their radios. When patrol officers take their breaks away from their vehicles, they shall do so only with the knowledge and clearance of their immediate supervisor. All exceptions require supervisor approval.

The time spent for the break period shall not exceed the authorized time allowed.

Lactation Break Policy

1019.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for reasonable accommodations to members desiring to express breast milk for the member's infant child as outlined in the Nursing Mothers in the Workplace Act (820 ILCS 260/10; 29 USC § 218d).

1019.2 POLICY

It is the policy of the Matteson Police Department to provide, in compliance with the Fair Labor Standards Act (FLSA), reasonable break time and appropriate facilities to accommodate any member desiring to express breast milk for the member's infant nursing child for up to one year after the child's birth (820 ILCS 260/10; 29 USC § 218d).

1019.3 LACTATION BREAK TIME

A rest period should be permitted each time the member has the need to express breast milk (29 USC § 218d). In general, lactation breaks that cumulatively total 30 minutes or less during any four-hour work period or major portion of a four-hour work period would be considered reasonable. However, individual circumstances may require more or less time.

Lactation breaks, if feasible, should be taken at the same time as the member's regularly scheduled rest or meal periods. While a reasonable effort will be made to provide additional time beyond authorized breaks, any such time exceeding regularly scheduled and paid break time will be unpaid.

Members desiring to take a lactation break shall notify the Dispatch Center or a supervisor prior to taking such a break. Such breaks may be reasonably delayed if they would unduly disrupt [department/office] operations (820 ILCS 260/10; 775 ILCS 5/2-102).

Once a lactation break has been approved, the break should not be interrupted except for emergency or exigent circumstances.

1019.4 PRIVATE LOCATION

The [Department/Office] will make reasonable efforts to accommodate members with the use of an appropriate room or other location to express milk in private. Such room or place should be in proximity to the member's work area and shall be other than a bathroom or toilet stall (820 ILCS 260/15). The location must be shielded from view and free from intrusion from co-workers and the public (29 USC § 218d).

Members occupying such private areas shall either secure the door or otherwise make it clear to others that the area is occupied with a need for privacy. All other members should avoid interrupting a member during an authorized break, except to announce an emergency or other urgent circumstance.

Authorized lactation breaks for members assigned to the field may be taken at the nearest appropriate private area.

Overtime Procedures

1021.1 PURPOSE AND SCOPE

It is the policy of the Department to compensate non-exempt salaried employees who work authorized overtime either by payment of wages or by the allowance of accrual of compensatory time off as provided in the personnel manual or as agreed and in effect through any applicable collective bargaining agreement.

1021.1.1 DEPARTMENT POLICY

Because of the nature of police work, and the specific needs of the Department, a degree of flexibility concerning overtime policies must be maintained.

All requests to work overtime shall be approved in advance by a supervisor. If circumstances do not permit prior approval, then approval shall be sought as soon as practical during the overtime shift and in no case later than the end of shift in which the overtime is worked.

Short periods of work at the end of the normal duty day (e.g., less than one hour in duration) may be handled between the supervisor and the employee by flexing a subsequent shift schedule to compensate for the time worked rather than by submitting requests for overtime payments. If the supervisor authorizes or directs the employee to complete a form for such a period, the employee shall comply.

The individual employee may request compensatory time in lieu of receiving overtime payment, however, the employee may not exceed the allowable amount of hours agreed upon in the applicable Collective Bargaining Agreement.

1021.2 REQUEST FOR OVERTIME COMPENSATION

Employees shall submit all overtime compensation requests to their immediate supervisors as soon as practicable for verification and forwarding to the Administration Division.

Failure to submit a request for overtime compensation in a timely manner may result in discipline.

1021.2.1 EMPLOYEES RESPONSIBILITY

Employees shall complete the requests immediately after working the overtime and turn them in to their immediate supervisor or the Watch Commander. Employees submitting payroll timesheets for on-call pay when off duty shall submit timesheets to the Watch Commander the first day after returning for work.

1021.2.2 SUPERVISORS RESPONSIBILITY

The supervisor who verifies the overtime earned shall verify that the overtime was worked before approving the request.

After the entry has been made on the employee's timesheet, the overtime payment request form is forwarded to the Deputy Chief for final approval.

Policy Manual

Policy Manual

Overtime Procedures

1021.2.3 DIVISION COMMANDERS RESPONSIBILITY

Division Commanders, after approving payment, will then forward the form to the Deputy Chief for review.

1021.3 ACCOUNTING FOR OVERTIME WORKED

Employees are to record the actual time worked in an overtime status. In some cases, the applicable Collective Bargaining Agreement provides that a minimum number of hours will be paid. In these cases the supervisor will ensure that the actual time worked and the minimum overtime payment is recorded.

1021.3.1 VARIATION IN TIME REPORTED

Where two or more employees are assigned to the same activity, case, or court trial and the amount of time for which payment is requested varies from that reported by the other officer, the Watch Commander or other approving supervisor may require each employee to include the reason for the variation on the back of the overtime payment request.

1021.4 FILLING OVERTIME

All overtime will be filled in accordance with the applicable Collective Bargaining Agreements.

1021.4.1 OVERTIME CALL-BACKS

With the exception of extenuating circumstances, all employees are required to return telephone calls or messages left by supervisors of the Matteson Police Department, or their designees, within a reasonable amount of time, not to exceed two hours.

SECONDARY EMPLOYMENT (OUTSIDE EMPLOYMENT)

1022.1 PURPOSE AND SCOPE

To avoid actual or perceived conflicts of interest for departmental employees engaging in secondary employment, all employees shall obtain written approval from the Chief of Police prior to engaging in any secondary employment. Approval of secondary employment shall be at the discretion of the Chief of Police in accordance with the provisions of this policy.

1022.1.1 DEFINITIONS

Outside Overtime - Any member of this department who performs duties or services on behalf of an outside organization, company, or individual. Such outside overtime shall be requested and scheduled directly through this department so that the Department may be reimbursed for the cost of wages and benefits.

1022.2 OBTAINING APPROVAL

No member of this department may engage in any secondary employment without first obtaining prior written approval of the Chief of Police. Failure to obtain prior written approval for secondary employment or engaging in secondary employment prohibited by this policy may lead to disciplinary action.

To obtain approval for secondary employment, the employee must complete a secondary employment application, which shall be submitted to the employee's immediate supervisor. The application will then be forwarded through the chain-of-command to the Chief of Police for consideration, along with any applicable comments or review of work history provided by the submitting supervisor or any other supervisor having information which should be legitimately considered as factors for approval or rejection.

If approved, the employee will be provided with a copy of an approved application. Unless otherwise indicated in writing on the approved application, approval will be valid through the end of the calendar year in which the application is approved, except in cases where the permission is revoked as allowed for elsewhere in this policy, prior to the end of the calendar year. Any employee seeking to renew approval shall submit a new secondary employment application prior to working during the new calendar year.

Any employee seeking approval of secondary employment, whose request has been denied, shall be provided with a reason for the denial of the application at the time of the denial.

SECONDARY EMPLOYMENT (OUTSIDE EMPLOYMENT)

1022.2.1 REVOCATION/SUSPENSION OF OUTSIDE EMPLOYMENT PERMISSION

Any secondary employment permission may be revoked or suspended under the following circumstances:

- (a) When an employee's performance at this department is evaluated by a supervisor as needing improvement to reach an overall level of competency, the Chief of Police may, at his/her discretion, revoke any secondary employment permission(s). That revocation will stand until the employee's performance has been reestablished at a satisfactory level and his/her supervisor recommends reinstatement of the secondary employment permission.
- (b) When included as a term or condition of sustained discipline.
- (c) When an employee's conduct or secondary employment conflicts with the provisions of department policy, the permission may be suspended or revoked.
- (d) When an employee is unable to perform at a full duty capacity due to an injury or other condition, any previously approved secondary employment permission may be subjected to similar restrictions as those applicable to the employee's full time duties until the employee has returned to a full duty status.

1022.3 PROHIBITED SECONDARY EMPLOYMENT

The Department expressly reserves the right to deny any Secondary Employment Application submitted by an employee seeking to engage in any activity which:

- (a) Involves the employee's use of departmental time, facilities, equipment or supplies, the use of, or reliance upon, the Department badge, uniform, prestige, or influence for private gain or advantage.
- (b) Involves the employee's receipt or acceptance of any money or other consideration from anyone other than this department for the performance of an act which the employee, if not performing such act, would be required or expected to render in the regular course or hours of employment or as a part of the employee's duties as a member of this department.
- (c) Involves the performance of an act in other than the employee's capacity as a member of this department that may later be subject directly or indirectly to the control, inspection, review, audit, or enforcement of any other employee of this department.
- (d) Involves time demands that would render performance of the employee's duties for this department less efficient.

1022.3.1 OUTSIDE SECURITY AND PEACE OFFICER EMPLOYMENT

In order to avoid a potential conflict of interest, no member of this department may engage in any outside or secondary employment as a private investigator.

Any private organization, entity, or individual seeking special services for security or traffic control from members of this department must submit a request to the Chief of Police in advance of the desired service. Such extra duty overtime assignments will be assigned, monitored, and paid through the Department.

Any employee making an arrest or taking other official police action while working in an approved outside overtime assignment shall be required to complete all related reports in a timely manner pursuant to department policy. Time spent on the completion of such reports shall be considered incidental to the outside overtime assignment.

1022.3.3 SPECIAL RESTRICTIONS

SECONDARY EMPLOYMENT (OUTSIDE EMPLOYMENT)

1022.6 OUTSIDE EMPLOYMENT WHILE ON DISABILITY

Department members engaged in secondary employment who are placed on disability leave or modified/light-duty shall inform their immediate supervisor in writing within five days whether or not they intend to continue to engage in such secondary employment while on such leave or light-duty status. The immediate supervisor shall review the duties of the secondary employment along with any related doctor's orders, and make a recommendation to the Chief of Police whether such secondary employment should continue.

In the event the Chief of Police determines that the outside employment should be discontinued or if the employee fails to promptly notify his/her supervisor of his/her intentions regarding their work permit, a notice of revocation of the member's permit will be forwarded to the involved employee, and a copy attached to the original work permit.

Criteria for revoking the outside employment permit include, but are not limited to, the following:

- (a) The secondary employment is medically detrimental to the total recovery of the disabled member, as indicated by the Village's professional medical advisors.
- (b) The secondary employment performed requires the same or similar physical ability, as would be required of an on-duty member.
- (c) The employee's failure to make timely notice of their intentions to their supervisor.

When the disabled member returns to full duty with the Matteson Police Department, a request (in writing) may be made to the Chief of Police to restore the permit.

Definitions related to this policy include:

Occupational disease or work-related injury or illness - Any accidental injury or disease arising out of, and in the course of, the employment or which has become aggravated and rendered disabling as a result of the exposure of the employment (820 ILCS 310/1(d)).

1023.2 POLICY

The Matteson Police Department will address occupational diseases, applicable mental health issues, and work-related injuries appropriately, and will comply with applicable state workers' compensation requirements (820 ILCS 310/1 et seq.).

1023.3 RESPONSIBILITIES

1023.3.1 MEMBER RESPONSIBILITIES

Any member sustaining any occupational disease or work-related injury shall report such event as soon as practicable, but within 24 hours, to a supervisor, and shall seek medical care when appropriate (820 ILCS 310/6(c)).

1023.3.2 SUPERVISOR RESPONSIBILITIES

A supervisor learning of any occupational disease or work-related injury should ensure the member receives medical care as appropriate.

Supervisors shall ensure that required workers' compensation documents are completed and forwarded promptly. Any related Villagewide disease- or injury-reporting protocol shall also be followed.

Supervisors shall determine whether the Major Incident Notification and Illness and Injury Prevention policies apply and take additional action as required.

1023.3.3 DIVISION COMMANDER RESPONSIBILITIES

The Division Commander who receives a report of an occupational disease or work-related injury should review the report for accuracy and determine what additional action should be taken. The report shall then be forwarded to the Chief of Police, the Village's risk management entity, and the Deputy Chief to ensure any required Illinois Department of Labor reporting is made as required in the injury and illness prevention plan identified in the Injury and Illness Prevention Policy.

A copy of the completed form shall be forwarded to the Deputy Chief through the chain-of-command for proper dissemination.

Unless the injury is extremely minor, this report shall be signed by the affected member, indicating that he/she desired no medical attention at the time of the report. By signing, the member does not preclude his/her ability to later seek medical attention.

1023.5 SETTLEMENT OFFERS

When a member sustains an occupational disease or work-related injury that is caused by another person and is subsequently contacted by that person, his/her agent, insurance company or attorney and offered a settlement, the member shall take no action other than to submit a written report of this contact to his/her supervisor as soon as possible.

1023.5.1 NO SETTLEMENT WITHOUT PRIOR APPROVAL

No less than 10 days prior to accepting and finalizing the settlement of any third-party claim arising out of or related to an occupational disease or work-related injury, the member shall provide the Chief of Police with written notice of the proposed terms of such settlement. In no case shall the member accept a settlement without first providing written notice to the Chief of Police. The purpose of such notice is to permit the Village to determine whether the offered settlement will affect any claim the Village may have regarding payment for damage to equipment or reimbursement for wages against the person who caused the disease or injury, and to protect the Village's right of subrogation, while ensuring that the member's right to receive compensation is not affected.

Those who request to wear headscarves, simple head coverings, certain hairstyles or facial hair for religious reasons should generally be accommodated absent unusual circumstances.

1024.7 STATE LAW EXEMPTIONS

Temporary Modified-Duty Assignments (Light Duty)

1029.1 PURPOSE AND SCOPE

This policy establishes procedures for providing temporary modified-duty assignments. This policy is not intended to affect the rights or benefits of employees under federal or state law, Village rules, and current memorandums of understanding or collective bargaining agreements. For example, nothing in this policy affects the obligation of the Department to engage in a good faith, interactive process to consider reasonable accommodations for any employee with a temporary or permanent disability that is protected under federal or state law.

1029.2 POLICY

Subject to operational considerations, the Matteson Police Department may identify temporary modified-duty assignments for employees who have an injury or medical condition resulting in temporary work limitations or restrictions. A temporary assignment allows the employee to work, while providing the Department with a productive employee during the temporary period.

1029.3 GENERAL CONSIDERATIONS

Priority consideration for temporary modified-duty assignments will be given to employees with work-related injuries or illnesses that are temporary in nature. Employees having disabilities covered under the Americans with Disabilities Act (ADA), Victims' Economic Security and Safety Act, or the Illinois Human Rights Act (820 ILCS 180/5; 775 ILCS 5/1-101 et seq.) shall be treated equally, without regard to any preference for a work-related injury.

No position in the Matteson Police Department shall be created or maintained as a temporary modified-duty assignment.

Temporary modified-duty assignments are a management prerogative and not an employee right. The availability of temporary modified-duty assignments will be determined on a case-by-case basis, consistent with the operational needs of the Department. Temporary modified-duty assignments are subject to continuous reassessment, with consideration given to operational needs and the employee's ability to perform in a modified-duty assignment.

The Chief of Police or the authorized designee may restrict employees working in temporary modified-duty assignments from wearing a uniform, displaying a badge, carrying a firearm, operating an emergency vehicle, engaging in outside employment, or being otherwise limited in employing their peace officer powers.

Temporary modified-duty assignments shall generally not exceed a cumulative total of 1,040 hours in any one-year period.

Employees who are assigned to temporary modified duty shall inform their supervisors of any inability to maintain any certification, training or qualifications.

Performance History Audits

1030.1 PURPOSE AND SCOPE

This policy provides guidance for the use of performance history audits. Performance history audits can help identify commendable performance as well as provide early recognition of training needs and other potential issues (e.g., problematic conduct). This policy addresses the responsibilities, performance indicators, and components of the audit; handling of collected data; and conducting appropriate interventions, when necessary.

1030.2 RESPONSIBILITIES

Under the authority of the Administration Division Commander, the Internal Affairs Unit is responsible for collecting performance indicators and other relevant data. The data will be compiled to generate quarterly performance history audit reports that will be provided to the appropriate Division Commander. The Internal Affairs Unit will utilize confidential methods to compile and track information regarding performance indicators for each officer during each quarter in order to prepare the report. Though generated quarterly, each report should contain data from a one-year time period.

The Administration Division Commander should forward a copy of each performance history audit report to the Village Attorney for review and retention as attorney work product and confidential personnel information.

1030.3 COMPONENTS OF PERFORMANCE HISTORY AUDITS

Performance history audits should include the following components:

- Performance indicators
- Data analysis
- Employee review
- Follow-up monitoring

1030.3.1 PERFORMANCE INDICATORS

Performance indicators represent the categories of employee performance activity that the Chief of Police has determined may be relevant data for the generation and analysis of performance history audits. These indicators may include but are not limited to the frequency and/or number of:

- (a) Use of force incidents.
- (b) Involvement and conduct during vehicle pursuits.
- (c) Personnel complaints, including the findings.
- (d) Commendations, compliments, and awards from the [Department/Office] and the public.
- (e) Claims and civil suits related to the employee's actions or alleged actions.
- (f) Canine bite incidents.

- (h) [District/County Attorney] case rejections and the reasons.
- (i) Intentional or accidental firearm discharges (regardless of injury).
- (j) Vehicle crashes.
- (k) Missed court appearances.
- (l) Documented counseling.

1030.3.2 DATA ANALYSIS

The Administration Division Commander will review each performance history audit report and determine whether it should be provided to the officer's immediate supervisor for further consideration.

1030.3.3 EMPLOYEE REVIEW

Upon receipt of a performance history audit report, the supervisor will carefully review the report with the officer to assess any potential trends or other issues that may warrant intervention to improve officer performance and avoid unnecessary uses of force. These interventions could include informal counseling, additional training, or a recommendation for other action, including discipline. The officer shall date and sign the report and should be provided with a copy of the report upon request.

If a supervisor determines that an officer's performance warrants action beyond informal counseling, the supervisor shall advise the Division Commander of such recommendation. If the Division Commander concurs with the recommendation of the supervisor, the supervisor shall take steps to initiate the appropriate action.

If discipline or other adverse action is initiated against an officer as a result of a performance history audit, the officer shall be entitled to all rights and processes set forth in the Personnel Complaints Policy.

1030.3.4 FOLLOW-UP MONITORING

Depending upon the results of each performance history audit, a determination should be made by the Administration Division Commander, after discussion with the officer's immediate supervisor, about the need, type, and duration of any follow-up. Performance indicators and data analysis will generally provide the basis upon which such decisions should be made.

1030.4 CONFIDENTIALITY OF DATA

Information, data, and copies of material compiled to develop performance history audit reports shall be considered confidential as part of the employee's personnel file and will not be subject to discovery or release except as provided by law. Access to performance history audit reports will be governed under the same process as access to an officer's personnel file, as outlined in the Personnel Records Policy.

Matteson Police Department

Policy Manual

Policy Manual

Performance History Audits

Access to the underlying data will be governed by the process for access to the original records (such as police reports).

1030.5 RETENTION

Performance history audit reports and associated records shall be retained in accordance with the established records retention schedule.

1030.6 POLICY

The Matteson Police Department collects data to assist supervisors with evaluating the performance of their employees, including identifying problematic conduct and providing for appropriate interventions. While it is understood that the statistical compilation of data may be helpful to supervisors, the [Department/Office] recognizes that it cannot account for, and must carefully balance such data with, the many variables in law enforcement, such as:

- Ability to detect crime.
- Work ethic.
- Assignment and shift.
- Physical abilities (ability to perform the job-related physical tasks).
- Randomness of events.

Employee Speech, Expression and Social Networking

1031.1 PURPOSE AND SCOPE

This policy is intended to address issues associated with employee use of social networking sites and to provide guidelines for the regulation and balancing of employee speech and expression with the needs of the Department.

Nothing in this policy is intended to prohibit or infringe upon any communication, speech or expression that is protected or privileged under law. This includes speech and expression protected under state or federal constitutions as well as labor or other applicable laws. For example, this policy does not limit an employee from speaking as a private citizen, including acting as an authorized member of a recognized bargaining unit or officer associations, about matters of public concern, such as misconduct or corruption.

Employees are encouraged to consult with their supervisor regarding any questions arising from the application or potential application of this policy.

1031.1.1 APPLICABILITY

This policy applies to all forms of communication including but not limited to film, video, print media, public or private speech, use of all Internet services, including the World Wide Web, email, file transfer, remote computer access, news services, social networking, social media, instant messaging, blogs, forums, video and other file sharing sites.

1031.2 POLICY

Public employees occupy a trusted position in the community, and thus, their statements have the potential to contravene the policies and performance of this department. Due to the nature of the work and influence associated with the law enforcement profession, it is necessary that employees of this department be subject to certain reasonable limitations on their speech and expression. To achieve its mission and efficiently provide service to the public, the Matteson Police Department will carefully balance the individual employee's rights against the department's needs and interests when exercising a reasonable degree of control over its employees' speech and expression.

1031.3 SAFETY

Employees should consider carefully the implications of their speech or any other form of expression when using the Internet. Speech and expression that may negatively affect the safety of the Matteson Police Department employees, such as posting personal information in a public forum, can result in compromising an employee's home address or family ties. Employees should therefore not disseminate or post any information on any forum or medium that could reasonably be anticipated to compromise the safety of any employee, an employee's family or associates. Examples of the type of information that could reasonably be expected to compromise safety include:

- (a) Speech or expression made pursuant to an official duty that tends to compromise or damage the mission, function, reputation or professionalism of the Matteson Police Department or its employees.

- (d) Speech or expression of any form that could reasonably be foreseen as having a negative impact on the safety of the employees of the Department. For example, a statement on a blog that provides specific details as to how and when prisoner transportations are made could reasonably be foreseen as potentially jeopardizing employees by informing criminals of details that could facilitate an escape or attempted escape.
- (e) Speech or expression that is contrary to the canons of the Law Enforcement Code of Ethics as adopted by the Matteson Police Department.
- (f) Use or disclosure, through whatever means, of any information, photograph, video or other recording obtained or accessible as a result of employment with the Department for financial or personal gain, or any disclosure of such materials without the express authorization of the Chief of Police or the authorized designee.

1031.4.1 UNAUTHORIZED ENDORSEMENTS AND ADVERTISEMENTS

While employees are not restricted from engaging in the following activities as private citizens or as authorized members of a recognized bargaining unit or officer associations, employees may not represent the Matteson Police Department or identify themselves in any way that could be reasonably perceived as representing the Matteson Police Department in order to do any of the following, unless specifically authorized by the Chief of Police:

Employees retain their right to vote as they choose, to support candidates of their choice and to express their opinions as private citizens, including as authorized members of a recognized bargaining unit or officer associations, on political subjects and candidates at all times while off-duty. However, employees may not use their official authority or influence to interfere with or affect the result of an election or a nomination for office. Employees are also prohibited from directly or

Members may be required to share specific content that has been reported to the Department, without requesting or requiring members to provide access to their personal online account, as set forth in 820 ILCS 55/10.

Supervisor responsibilities include but are not limited to:

- (a) Ensuring member compliance with illness and injury prevention guidelines and answering questions from members about this policy.
- (b) Training, counseling, instructing, or making informal verbal admonishments any time safety performance is deficient. Supervisors may also initiate discipline when it is reasonable and appropriate under the Standards of Conduct Policy.

All members should report and/or take reasonable steps to correct unsafe or unhealthy work conditions, practices or procedures in a timely manner. Members should make their reports to a supervisor (as a general rule, their own supervisors).

Supervisors should make reasonable efforts to correct unsafe or unhealthy work conditions in a timely manner, based on the severity of the hazard. These hazards should be corrected when observed or discovered, when it is reasonable to do so. When a hazard exists that cannot be immediately abated without endangering members or property, supervisors should protect or remove all exposed members from the area, except those necessary to correct the existing condition.

Members who are necessary to correct the hazardous condition shall be provided with the necessary protection.

All significant actions taken and dates they are completed shall be documented on a hazards and correction record form. This form should be forwarded to the Administration Division Commander via the chain of command.

The Administration Division Commander shall ensure that the appropriate documentation is completed for each inspection.

1032.7.1 EQUIPMENT

Members are charged with daily vehicle inspections of their assigned vehicles and of their PPE prior to working in the field. Members shall complete the appropriate form if an unsafe condition cannot be immediately corrected. Members should forward this form to their supervisors.

1032.8 INVESTIGATIONS

Any member sustaining any work-related illness or injury, as well as any member who is involved in any accident or hazardous substance exposure while on-duty, shall report such event as soon as practicable to a supervisor. Members observing or learning of a potentially hazardous condition are to promptly report the condition to their immediate supervisors.

A supervisor receiving such a report should personally investigate the incident or ensure that an investigation is conducted. Investigative procedures for workplace accidents and hazardous substance exposures should include:

- (a) A visit to the accident scene as soon as possible.

Line-of-Duty Deaths

1033.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance to members of the Matteson Police Department in the event of the death of a member occurring in the line of duty and to direct the [Department/Office] in providing proper support for the member's survivors.

The Chief of Police may also apply some or all of this policy for a non-line-of-duty member death, or in situations where members are injured in the line of duty and the injuries are life-threatening.

1033.1.1 DEFINITIONS

Definitions related to this policy include:

Line-of-duty death - The death of an officer during the course of performing law enforcement-related functions while on- or off-duty, or a civilian member during the course of performing assigned duties.

For an officer, a line-of-duty death includes death that is the direct and proximate result of a personal injury sustained in the line of duty (34 USC § 10281).

Survivors - Immediate family members of the deceased member, which can include spouse, children, parents, other next of kin, or significant others. The determination of who should be considered a survivor for purposes of this policy should be made on a case-by-case basis given the individual's relationship with the member and whether the individual was previously designated by the deceased member.

1033.2 POLICY

It is the policy of the Matteson Police Department to make appropriate notifications and to provide assistance and support to survivors and coworkers of a member who dies in the line of duty.

It is also the policy of this [department/office] to respect the requests of the survivors when they conflict with these guidelines, as appropriate.

1033.3 INITIAL ACTIONS BY COMMAND STAFF

- (a) Upon learning of a line-of-duty death, the deceased member's supervisor should provide all reasonably available information to the Watch Commander and the Dispatch Center.
 - 1. Communication of information concerning the member and the incident should be restricted to secure networks to avoid interception by the media or others (see the Public Information Officer section of this policy).
- (b) The Watch Commander should ensure that notifications are made in accordance with the Officer-Involved Shootings and Deaths and Major Incident Notification policies as applicable.

Matteson Police Department

Policy Manual

Policy Manual

Line-of-Duty Deaths

- (c) If the member has been transported to the hospital, the Watch Commander or the authorized designee should respond to the hospital to assume temporary responsibilities as the Hospital Liaison.
- (d) The Chief of Police or the authorized designee should assign members to handle survivor notifications and assign members to the roles of Hospital Liaison (to relieve the temporary Hospital Liaison) and the [Department/Office] Liaison as soon as practicable (see the Notifying Survivors section and the [Department/Office] Liaison and Hospital Liaison subsections in this policy).

1033.4 NOTIFYING SURVIVORS

Survivors should be notified as soon as possible in order to avoid the survivors hearing about the incident in other ways.

The Chief of Police or the authorized designee should review the deceased member's emergency contact information and make accommodations to respect the member's wishes and instructions specific to notifying survivors. However, notification should not be excessively delayed because of attempts to assemble a notification team in accordance with the member's wishes.

The Chief of Police, Watch Commander, or the authorized designee should select at least two members to conduct notification of survivors, one of which may be the [Department/Office] chaplain.

Notifying members should:

- (a) Make notifications in a direct and compassionate manner, communicating as many facts of the incident as possible, including the current location of the member. Information that is not verified should not be provided until an investigation has been completed.
- (b) Determine the method of notifying surviving children by consulting with other survivors and taking into account factors such as the child's age, maturity, and current location (e.g., small children at home, children in school).
- (c) Plan for concerns such as known health concerns of survivors or language barriers.
- (d) Offer to transport survivors to the hospital, if appropriate. Survivors should be transported in [department/office] vehicles. Notifying members shall inform the Hospital Liaison over a secure network that the survivors are on their way to the hospital. Notifying members should remain at the hospital while the survivors are present.
- (e) When survivors are not at their residences or known places of employment, actively seek information and follow leads from neighbors, other law enforcement, postal authorities, and other sources of information in order to accomplish notification in as timely a fashion as possible. Notifying members shall not disclose the reason for their contact other than a family emergency.
- (f) If making notification at a survivor's workplace, ask a workplace supervisor for the use of a quiet, private room to meet with the survivor. Members shall not inform the

Matteson Police Department

Policy Manual

Policy Manual

Line-of-Duty Deaths

workplace supervisor of the purpose of their visit other than to indicate that it is a family emergency.

- (g) Offer to call other survivors, friends, or clergy to support the survivors and to avoid leaving survivors alone after notification.
- (h) Assist the survivors with meeting child care or other immediate needs.
- (i) Provide other assistance to survivors and take reasonable measures to accommodate their needs, wishes, and desires. Care should be taken not to make promises or commitments to survivors that cannot be met.
- (j) Inform the survivors of the name and phone number of the Survivor Support Liaison (see the Survivor Support Liaison section of this policy), if known, and the [Department/Office] Liaison.
- (k) Provide their contact information to the survivors before departing.
- (l) Document the survivors' names and contact information, as well as the time and location of notification. This information should be forwarded to the [Department/Office] Liaison.
- (m) Inform the Chief of Police or the authorized designee once survivor notifications have been made so that other Matteson Police Department members may be apprised that survivor notifications are complete.

1033.4.1 OUT-OF-AREA NOTIFICATIONS

The [Department/Office] Liaison should request assistance from law enforcement agencies in appropriate jurisdictions for in-person notification to survivors who are out of the area.

- (a) The [Department/Office] Liaison should contact the appropriate jurisdiction using a secure network and provide the assisting agency with the name and telephone number of the [department/office] member that the survivors can call for more information following the notification by the assisting agency.
- (b) The [Department/Office] Liaison may assist in making transportation arrangements for the member's survivors, but will not obligate the [Department/Office] to pay travel expenses without the authorization of the Chief of Police.

1033.5 NOTIFYING [DEPARTMENT/OFFICE] MEMBERS

Supervisors or members designated by the Chief of Police are responsible for notifying [department/office] members of the line-of-duty death as soon as possible after the survivor notification is made. Notifications and related information should be communicated in person or using secure networks and should not be transmitted over the radio.

Notifications should be made in person and as promptly as possible to all members on-duty at the time of the incident. Members reporting for subsequent shifts within a short amount of time should be notified in person at the beginning of their shifts. Members reporting for duty from their residences should be instructed to contact their supervisors as soon as practicable. Those members who are working later shifts or are on days off should be notified by phone as soon as practicable.

Matteson Police Department

Policy Manual

Policy Manual

Line-of-Duty Deaths

Members having a close bond with the deceased member should be notified of the incident in person. Supervisors should consider assistance (e.g., peer support, modifying work schedules, approving sick leave) for members who are especially affected by the incident.

Supervisors should direct members not to disclose any information outside the [Department/Office] regarding the deceased member or the incident.

1033.6 LIAISONS AND COORDINATORS

The [Department/Office] Liaison may assign separate liaisons and coordinators to accommodate multiple family units, if needed. The [Department/Office] should consider seeking assistance from surrounding law enforcement agencies to fill liaison and coordinator positions, as appropriate.

1033.6.1 [DEPARTMENT/OFFICE] LIAISON

The [Department/Office] Liaison should be a Division Commander or of sufficient rank to effectively coordinate [department/office] resources, and should serve as a facilitator between the deceased member's survivors and the [Department/Office]. The [Department/Office] Liaison reports directly to the Chief of Police. The [Department/Office] Liaison's responsibilities include but are not limited to:

The Survivor Support Liaison should be selected by the deceased member's Division Commander. The following should be considered when selecting the Survivor Support Liaison:

- The liaison should be an individual the survivors know and with whom they are comfortable working.
- The selection may be made from names recommended by the deceased member's supervisor and/or coworkers. The deceased member's partner or close friends may not be the best selections for this assignment because the emotional connection to the member or survivors may impair their ability to conduct adequate liaison duties.
- The liaison must be willing to assume the assignment with an understanding of the emotional and time demands involved.

The responsibilities of the Survivor Support Liaison include but are not limited to:

- (a) Arranging for transportation of survivors to hospitals, places of worship, funeral homes, and other locations, as appropriate.

- (b) Area coverage so that as many Matteson Police Department members can attend funeral services as possible.

The mutual aid coordinator should perform duties in accordance with the Outside Agency Assistance Policy.

- (b) Researching and assisting survivors with application for federal government survivor benefits, such as those offered through the following:

1033.6.8 FINANCE COORDINATOR

The finance coordinator should work with the Chief of Police and the [Department/Office] Liaison to manage financial matters related to the line-of-duty death. The finance coordinator's responsibilities include, but are not limited to:

1033.7 PUBLIC INFORMATION OFFICER

In the event of a line-of-duty death, the [department/office]'s [PIO] should be the [department/office]'s contact point for the media. As such, the [PIO] should coordinate with the [Department/Office] Liaison to:

- (a) Collect and maintain the most current incident information and determine what information should be released.
- (b) Instruct [department/office] members to direct any media inquiries to the [PIO].

The [PIO] should notify media when survivor notifications have been made.

1033.8 DEPARTMENT/OFFICE CHAPLAIN

Investigators from other agencies may be assigned to work on any criminal investigation related to line-of-duty deaths. Partners, close friends, or personnel who worked closely with the deceased member should not have any investigative responsibilities because such relationships may impair the objectivity required for an impartial investigation of the incident.

Involved [department/office] members should be kept informed of the progress of the investigations and provide investigators with any information that may be pertinent to the investigations.
