July 2021

We continue to adjust to post COVID requirements, and policies as the Governor, CDC, Board of Health update our office to protect all of you. As many of you know, our newsletter goes to print almost a month in advance, so changes can and may happen after this has gone to print. We hope that all of our participants will be patient as we transition into our new normal. Reconnecting with your friends and neighbors is important to all of us, and we want to do this as safe as possible for you, and our staff.

The center is working on bringing back many of our past programs, classes, and resources and you will see some changes as the months go on.

At this time, we are asking that if you are not vaccinated you must wear a mask while in the senior center. Those who have been fully vaccinated are not required to wear a mask, but are strongly recommended to wear one.

We have a new suggestion box in the senior center, and we look forward to hearing your suggestions on what you may want to see in the future for programs, classes or resources.

FIGHT HUNGER WITH US!

We will receive a \$1 donation for every \$10.99 Bloomin' 4 Good Bouquet with the red circle sticker sold at our selected Stop & Shop in our selected month.
