

## Garage Sale Guidelines

Please take note that in the City of Milan, individual home garage sales may be advertised using a temporary sign on private property **without** obtaining a permit but are subject to the following conditions:

1. All garage sale signs must be placed on the private property where the sale is being held and shall not be attached to trees, telephone or light poles.
2. Garage sale signs may be placed in the **grassy area** at street corners during permitted times (Thursday after 5:00 p.m. thru 7:00 a.m. on Monday), but in a limited quantity. **No signs shall be attached to trees, telephone or light poles.**
3. It is the property owner's responsibility to see that their garage sale signs are removed by 7:00 a.m. on the Monday following the sale.
