APRIL 2022

**2022 Municipal Budget
No Tax Increase**

Message From Your Mayor

Mayor Kareem Pritchett, Deputy Mayor Stephen Steglik, and Township Council are excited to introduce the municipal budget for 2022 with a zero municipal tax increase, which is scheduled for adoption April 4, 2022.

This is the third consecutive year that there has been a zero tax increase to Mount Laurel residents. Township Council and management have worked diligently to make sure there are no cuts to public services as residents continue to recover from the pandemic.

"Township Council and management are proud to introduce a budget with no municipal tax increase or cuts to services." Stated Mayor Pritchett. "Township Council is thrilled to be able to provide the same high level of service to our community that we've all come to expect living here, and we are excited to continue offering more events for all of our residents. From the return of National Night Out and the Food Truck Festival, to the upcoming 150th Anniversary Celebration, 2022 is shaping up to have one of the best event schedules in a long time."

Tax Collector Updates

- Please note the 2022 2nd quarter property taxes will be due on May 1, 2022. Any tax payments received after Tuesday May 10, 2022 will accrue interest back to May 1, 2022.
- Our 2022 Tax Sale will be held on Thursday June 23. As per N.J.S.A. 54-5 et seq any parcels of land on which taxes and/or other municipal charges are remaining unpaid for the tax year 2021 or prior are subject to the sale.
- For those residents who are currently enrolled in the "Senior Freeze" Property Tax Reimbursement program and have received your booklet in the mail, you can stop by our office in the Municipal building or our walk-up window located behind the building any day Monday thru Friday during our business hours to have your application completed. You can also use the outside drop box located at the main entrance of the Municipal Building or mail in your application for completion. For any additional information or to see if you meet the 2021 "Eligibility Requirements" please visit: njtaxation.org, select Property Tax Relief and then Senior Freeze Program or call the Senior Freeze Hotline: 1 (800) 882-6597

Tax Assessor Updates

TOTALLY DISABLED VETERANS (100% PERMANENT AND TOTAL)

If you are a 100% permanently and totally disabled veteran (or their surviving spouse), and have a 100% rating issued by the office of Veteran's Affairs, you may be eligible for property tax exemption. The basic requirements are honorable discharge, a 100% permanent and total disability rating certification from the VA and primary residence in the property applied for. Along with the application form, applicants must supply a copy of the DDForm214 or discharge papers, a deed to the property showing applicant as owner, proof of residency in the home, and a copy of a current NJ Driver's License. The application is available on line at the Mount Laurel Township web site or contact Dennis DeKlerk, Assessor at ddeklerk@mountlaurel.com or 856-234-0001 x1256 or x1257.

VETERAN TAX DEDUCTION

Veterans can apply for a yearly tax deduction of \$250.00. To qualify you must be a NJ resident, be on the deed as an owner of the property, have an honorable discharge and be able to provide a DDForm214 or discharge papers. Applications are available on the Mount Laurel Township web site or you can contact the Township Assessor's Office.

SENIOR CITIZEN OR DISABLED PERSON TAX DEDUCTION

Any resident property owner who qualifies can receive an annual deduction from their property taxes if you are a Senior Citizen (65 or over) or Disabled Person. For approved applicants a \$250.00 per year deduction is applied to the property tax bill. NJ State guidelines limit household income to qualify. Social Security or government pensions can be excluded, but any income outside of that is capped at \$10,000.00 per year. Applications are available on the township website www.mountlaurel.com or with the Township Assessor's Office.

TAX ASSESSMENTS AND IMPROVEMENTS

If you have a construction permit for a new home, or improvement to your existing home, the Tax Assessor's Office is required to inspect the work to determine whether or not an added assessment is in order. Each new home, or completed improvement that is taxable is added to the township tax system by an added assessment. Added assessments are issued in October and are retroactive to the date of completion. Tax bills for that period are issued in October as well. Prior to billing, the Assessor's Office will send an Added Assessment notice informing you of the additional property value, description of work, number of months and estimated supplemental tax. Added assessment inspections commence February and continue through September. The inspector will speak to you at the time of inspection or leave a contact number to verify the work.

Rancocas Woods Farmers Market Update

What's Included in Municipal Taxes?

There are no cuts to public services. Public services include police and animal control services, Emergency Medical Services, trash pickup, snow plowing, municipal road improvements, events, and other services that improve resident's quality of life.

"Services will continue to be provided for all residents with a budget that is fiscally responsible, keeps the tax payer in mind, and ensures the quality of life for our residents." Deputy Mayor Steglik said. "As we continue to move forward with public gatherings and restrictions lifted, Township Council looks forward to interacting with our residents at the variety of events planned for this year."

The proposed Township budget includes free events to the public. There are a variety of events this year for residents

to participate in, such as the Township's Shred Events that will take place on April 23 and August 13, as well as the Community Clean Up Day on April 23 for residents to help beautify our community by cleaning up litter. As warmer weather approaches residents and families will also be able to enjoy the Township's summer concert series and movie nights.

Mount Laurel will be celebrating its 150th Anniversary on May 15, 2022. National Night Out is back this year, taking place on Tuesday, August 2. This community event provides family fun and promotes police community partnerships.

A list of planned Township events can be found on our website at www.mountlaurel.com/community/our_community/news_and_events

Mount Laurel Library

The Mount Laurel Library has some new and upcoming improvements to better serve our community.

New at the Library: We now have two brand new self-checkout stations at the Circulation Desk. These stations will allow for a quicker and simpler check out experience for those who prefer checking out their own materials.

The library continues to offer curbside pick-up as a convenient option for those looking to get their library materials without stepping in the building. We have recently added new Curbside Pick Up signs to the outside of our building, which are sturdier and more visible.

Over the summer of 2021 the library opened two additional study rooms, located in the Quiet Study area. These popular rooms are available to reserve with your library card. They are a great space to utilize for an individual working alone, or for quiet study groups of up to 6. For more details, read about our study room guidelines on the library's website at www.mountlaurellibrary.org/studyroom.

The Teen Space has recently gotten a new look. The previous furniture has been replaced with fresh new pieces. Check out the new riser style seating and our interactive magnetic poetry white board.

Upcoming: The library will be getting a new outdoor pavilion! Over the past few years the library has hosted a variety of outdoor events. Now we will be getting a permanent space to hold our outdoor programming! The pavilion will be located behind the library. The current estimated completion time will be Spring 2022.

BookSmiles

The Cub Scouts of Mount Laurel, Pack 15 received a proclamation for their partnership with BookSmiles for a book drive charity event.

BookSmiles, a 501(c)(3) nonprofit (EIN 82-3233733), promotes literacy and the joy of reading by giving books to children throughout Philadelphia and New Jersey. Since

2017, BookSmiles has provided students and educators with high quality new or gently used books. Children, families, and schools receive the books, aiding in promoting the joy of reading.

BookSmiles has collected thousands of books, and has the goal of expanding its reach to include books for teens, adults, and books in different languages.

For residents looking to drop off books, there's a convenient location right in Mount Laurel. Drop offs are at Lightbridge Academy located at 4518 Church Rd. Teen and adult books can be dropped off at 1879 Old Cuthbert Rd #33, Cherry Hill.

Additional Walk Up Windows at Municipal Building

Mount Laurel Township has introduced two additional walk up windows at the Municipal Township building. The walk up windows are a resource for residents to get questions answered by a township employee in an effort to improve overall service and reduce wait times.

Construction Department Updates

The Construction office launched a new SDL portal designed to help speed along the inspection process. The portal will allow residents to access information, check status updates and submit requests 24/7.

Features of the SDL portal include:

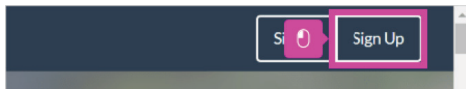

- Scheduling construction inspections
- Checking permit status
- Accessing town data
- View custom town maps
- Online payments

Currently the Township is accepting credit card payments at the building as well as online payments through the construction office SDL portal.

VOLUNTEER OPPORTUNITIES AVAILABLE TO SERVE YOUR COMMUNITY

Emergency Medical Services & Fire Department

Mount Laurel Fire Department

MLFD is looking for candidates 18 years or older. Persons who have a Firefighter 1 Certification through the State of New Jersey will be processed and immediately placed in our onboarding training program. MLFD is staffed by a workforce that consists of full-time, part-time, and volunteer personnel. MLFD is staffed 24/7, 365 days to meet the needs of our community.

Non-firefighter 1 Certified candidates will be expected to attend and successfully complete a basic firefighter 1 academy course. The course is located at the Burlington County Emergency Services Training Center, Westampton, NJ. The course is approximately 200 hours. Prior to enrollment in the course, members are required to successfully complete a physical agility test. At the successful completion of the academy course and state exam, members will obtain a Firefighter 1 Certification from the NJ Division of Fire Safety.

Members will then take their oath of office and will be assigned to a duty crew night. Duty crews are staffed by a supervisor and four firefighters. The supervisor works

with new members who are on a probationary period their first year to complete a performance assessment review workbook. The PAR book is required to be completed within their probationary period.

Volunteer firefighters are required to commit to forty duty crews annually. Furthermore, there are additional training requirements to satisfy both departmental and safety regulation needs. MLFD utilizes online training software to make this process easier, however, there will also be in-person training requirements conducted during duty crews.

Members are assigned to a duty crew night that works best for them where that member typically serves repeatedly each week on that night. Most members report at 6 pm, spend the night, where their duty crew ends at 6 am the following morning. Duty crews typically are 6 or 12 hour blocks of time which consist of reporting to duty, checking equipment, having a meal together, training, and handling any calls for service.

It's important in order to sustain operations of both MLEMS and MLFD that we have a strong volunteer base. Over the years, we have seen a decline in volunteerism, which was further impacted by Covid. Recently, we have seen a significant reduction in the number of Covid cases and feel that now is a critical time to ramp up our recruitment efforts. Declining volunteer numbers is not unique to Mount Laurel, but has become a national trend. It is our goal to reestablish our volunteer base to where it once was by making the process as easy and rewarding to new members as possible. We feel that you will enjoy the experience, comradery, and the intrinsic value of serving our community and its residents.

JOIN OUR WINNING TEAM!

Both Mount Laurel Emergency Medical Services (MLEMS) and the Mount Laurel Fire Department (MLFD) are looking for residents to serve the community of Mount Laurel. No previous training or experience required. Both organizations are structured and positioned to provide a comprehensive roadmap towards success for potential candidates. Each of the service options are described below based on one's preference of serving in emergency medical services and/or the fire department.

New members will be provided training, uniforms, and personal protective equipment at no cost to them. Our

primary focus is the safety and well-being of our first responders. When you join, you will be treated with respect and will be transitioned into your new roles based on your level of comfort and competencies. Following is a general overview of our programs.

NOTE: Those interested in joining are required to go through an application and onboarding process. New members are vetted to ensure that they have clear backgrounds before becoming members. We want to ensure that we exercise due diligence prior to accepting members and allowing them into our residents' homes.

Mount Laurel Emergency Medical Services

MLEMS is looking for candidates 18 years or older. Persons who are EMTs will be processed and immediately placed in our onboarding training program. A mentor will be assigned who will serve as a point of contact to walk the new member through a Field Training Evaluation Program manual. MLEMS is staffed by a workforce that consists of full-time, part-time, per-diem, and volunteer personnel. MLEMS is staffed 24/7, 365 days to meet the needs of our community.

Non-EMTs will be expected to attend and successfully complete an Emergency Medical Responder (EMR) program which will serve as their fundamental basis of training. Note the EMR program is approximately fifty hours. It provides more training than basic first aid without the increased demands associated with the EMT-B certification program. This will allow EMRs to ride on an ambulance with a qualified crew of two EMTs to assist and gain an understanding of emergency medical services to see if it's something that they are interested in pursuing. EMRs will be required to commit to twenty-four hours of service a month for six months.

Following meeting the EMR ride-along time requirements, members will then be enrolled in an Emergency Medical Technician (EMT-B) program. The EMT-B program is

approximately 250 hours and provides additional training above EMR, but below EMT-P or paramedic. Due to the cost of the EMT class being absorbed by the organization, members who commit to enrolling in the EMT-B program will be required to successfully complete the program and commit to two years of service at twenty-four hours a month with MLEMS. Once a member completes two years of service time, they will have met their commitment.

As a new member, you will be assigned training to satisfy municipal, organization, and safety regulations. MLEMS utilizes online training software to make this process easier. However, there will also be in-person training requirements. We try to accommodate our members' schedules by offering multiple sessions.

Scheduling one's service time is accomplished by members signing up for duty crews. Online scheduling software allows members to access a calendar for any given month to see vacancies for which they can register. It is our goal that new members be assigned based on their availability with a field training officer. Duty crews typically are six-hour blocks of time which consist of reporting to duty, checking equipment, training, and handling any calls for service.

Prospective Candidates,

It is our goal to have you at least give us a look and to consider the opportunity to become a part of a championship team. Your commitment will allow us to better serve our community and improve the quality of life for our residents.

Our ideal candidate is a person with a positive attitude, who has a strong desire to learn, and who enjoys being part of a winning team. I'm positive that you will value the camaraderie, feeling of accomplishment, and self-actualization by the number of lives that you will favorably impact by volunteering your time with us.

It's our promise to make it worth your while.
