MOUNT LAUREL TOWNSHIP COUNCIL PASSES BUDGET WITH NO MUNICIPAL TAX INCREASE

Mount Laurel, NJ --- The Mount Laurel Township Council has passed a budget for Fiscal Year 2022 with no municipal tax increase. As shown below, residents can expect their municipal taxes to make up approximately 12% of their total tax bill. This is the third consecutive year that there has been a zero tax increase to Mount Laurel residents.

“Township Council and management are proud to pass a budget that presents no municipal tax increase, no cuts to services, and ensures the quality of life for residents. We couldn’t be more thrilled that we are able to pass this budget for the taxpayers in town.” Stated Mayor Pritchett.

Township Council and management has worked diligently to make sure there are no cuts to public services. Public services include police and animal control services, Emergency Medical Services, trash pickup, snow plowing, road improvements, and other services that improve resident's quality of life.

The budget also includes free events to the public, such as the Township's annual shred events and the summer concerts in the park. "Township Council is looking forward to upcoming events, including the milestone 150th Anniversary and the Food Truck Festival. These events will be a great opportunity for residents to get outside and interact with the community." Deputy Mayor Steglik said.
