Re: Mount Laurel Township, Burlington County, NJ - Access to Fios®

Dear Mr. Poole:

As you are aware, this office represents Mount Laurel Township, New Jersey. This letter continues Mount Laurel request that Verizon expand its Fios services to all areas of Mount Laurel Township to give residents the opportunity to enter into a competitive market for television, internet and phone services.

Mount Laurel Township understands that multiple nearby communities are afforded access to Fios services. Mount Laurel implores Verizon to make the services available to whole community of more than 44,000 residents and potential customers.

I am requesting that you contact me to discuss Verizon's plan for these infrastructure improvements in Mount Laurel.

I look forward to hearing from you.

Very truly yours,

GEORGE M. MORRIS
