Re: Mount Laurel Township, Burlington County, NJ - Access to Fios®

Dear Mr. Poole:

As you are aware, this office represents Mount Laurel Township, New Jersey. This letter follows-up on my November 5, 2019 and April 6, 2020 letters (copy attached) requesting that Verizon expand its Fios services to all areas of Mount Laurel Township to give residents the opportunity to enter into a competitive market for television, internet and phone services.

Mount Laurel Township understands that nearby Eastampton Township was recently afforded access to Fios for its community. Mount Laurel does not understand why its requests are continually ignored when the Township provides a rich market of user will to consider your services over other carriers.

I am requesting that you contact me to discuss Verizon's plan for these infrastructure improvements in Mount Laurel.

I look forward to hearing from you.

Very truly yours,

GEORGE M. MORRIS
