**DEPARTMENT OF TRANSPORTATION TO START LARCHMONT RAILROAD
CROSSING REPLACEMENT PROJECT**

Mount Laurel, NJ --- Starting on Wednesday, September 8th the New Jersey

Department of Transportation will replace the railroad crossing at Larchmont Blvd and Marne Highway.

Traffic will be detoured from Marne Highway and Route 38 to Ark Road. During construction there will be local access allowed on Larchmont Blvd north of RT 38 with a hard closure at Manchester Way/Larchmont Place. Larchmont Blvd will remain open between Marne and Masonville.

Residents will begin to see message boards and pre construction signage this week.

Larchmont Blvd will reopen on September 10th, weather permitting.
