## **LAUREL ACRES PLAYGROUND EXPANSION COMING SOON**

*Mount Laurel, NJ* --- Mount Laurel Council is excited to announce the construction of an additional playground at Laurel Acres Park which will begin in the upcoming weeks.

The Township has been actively working to improve public recreation within Mount Laurel. Laurel Acres Park has seen an increase in foot traffic over the last year of families looking for outdoor activities. The Township is pleased to be able to provide additional equipment for families.

Laurel Acres Park, located at 1045 S Church Street, provides families with a dog run, picnic tables, pavilions, and existing play areas for 2-5 year olds and 5-12 year olds. The new playground will be additional area for 5-12-year-old children to enjoy.

The project includes site preparation and installation of a play structure with rubberized safety surfacing, multiple slides, a rock climbing wall, a sky run zip track, and shade canopies. A new accessible feature includes a RoxAll See Saw that can seat up to five children. With high backs and side rails, each of the four seats on the see saw are designed for children to enjoy with friends. The center saucer is designed for users with mobility issues to easily transfer from a mobility device to enjoy. The playground will match the existing color theme.

The project is estimated to be completed summer/ early fall 2021.
