Back 40

In a continuing effort to ensure open space is available for future generations, Mount Laurel Township council authorized the acquisition of the 46.9 acres known as the Back 40 at the April 4 Council meeting. This piece of land was picked for preservation because it completes an unbroken chain of open space properties that comprise roughly 385 acres. With development becoming an increasingly prevalent concern in New Jersey, Mayor Pritchett, Deputy Mayor Steglik, the Council and the Township were thrilled to have the opportunity to purchase this property for Mount Laurel residents.

"As a strong supporter of green space, I knew that we had to jump on the chance to purchase this property when the opportunity presented itself. With hard work from the Township Manager and Solicitor, Council was able to solidify an agreement to preserve this land for Mount Laurel residents. This property was the missing puzzle piece to connecting all this land the Township had been buying over the years, and to have this now settled is incredible for all of us."

- Councilwoman Karen Cohen

New Businesses

Township Council members regularly attend grand openings of new businesses in the Mount Laurel community.

"Mount Laurel benefits from its wide variety of businesses from small to large, from specialty stores to delicious restaurants. All the various businesses are the staple of making our community a wonderful place to live. We are excited to welcome and feature the below businesses to our community."

-Councilman Nikitas Moustakas

Mount Laurel EMS Update

ABOUT US

Mount Laurel Emergency Medical Services (MLEMS) is a professional career and volunteer community service organization committed to providing high quality emergency pre-hospital, basic life support ambulance services, and related public educational programs to the residents and visitors of Mount Laurel Township. We continually re-evaluate the needs and expectations of our community and meet the challenges and demands of our ever-changing environment. We build trusting relationships with those we serve and serve with by consistently meeting and exceeding our patients' and community's needs and expectations.

This year is no different from previous years as demand continues to increase. MLEMS stands on the frontline ready to serve its community and residents. Regionally, EMS systems have become taxed, as calls for service continue to rise. This is not unique to Mount Laurel, but has become a trend nationwide. MLEMS is a combination EMS agency that utilizes career and volunteer personnel to fulfill our mission. We are continually looking to recruit new volunteer members and per diem personnel to establish an adequate workforce to staff the services upon which our community has come to expect and rely. Recruitment of personnel has become a continual challenge. Furthermore, we are undergoing a re-assessment to determine community needs and realistic goals towards quality improvement.

To further our mission, we truly appreciate our community and Town Council's support by investing in the following in 2022 to better serve you:

- Hired two additional full time Emergency Medical Technicians
- One Deputy Chief Promotion
- Acquisition of new ambulance
- Acquired LUCAS automatic CPR devices
- Upgrades to Masonville EMS Station Bay Floor

The Yellow Dot Program is designed to assist Mount Laurel residents and our local emergency first responders in the event of an automobile accident or other medical emergency involving the participant's vehicle. Send requests to communityoutreach@mlems.org.

The Story Behind Charlie's Kitchen

Charlie's Kitchen is a tribute to the legacy of Charles and Marie Kritz's son Charlie Jr., a Mount Laurel Township volunteer firefighter who died in 1998 after a brave fight with cancer. Charlie Jr. was known for his work preparing holiday meals in his own kitchen for families in need.

After the 37-year-old's death, his parents, Charlie and Marie Kritz, both members of the Mount Laurel Fire Department/Fellowship Fire Company #2 and Mount Laurel EMS, continued this annual tradition, supported by Mount Laurel EMS, Burlington County Professional Fire Fighters IAFF Local 3091, and Mount Laurel Professional Fire Fighters IAFF Local 4408.

To carry on this tradition and in memory of Charlie, Marie, and Charlie, Jr., we continue to join efforts to provide assistance by collecting and donating non-perishable food and personal items, to families in Burlington County. Our Local has proudly supported this cause for the past

18 years and has collected over \$45,000 worth of food. We hope you will continue to assist us in this charitable endeavor.

We will be collecting and donating for both Thanksgiving and Christmas. Donations will be accepted through December 16, 2022. All monies collected will be used to purchase food that will be delivered to Catholic Charities and the Masonville - Rancocas United Methodist Church food pantry.

Monetary donations made payable to: I.A.F.F. Local #3091 can be dropped off during normal business hours at Mount Laurel EMS - Station 369, 201 Masonville Road or any Mount Laurel Fire Department location.

For additional donation information or questions, please call Joe Brunges - (856) 778-1274 / joe.brunges@mlems.org

Diversity and Inclusion Board: Discussions and Desserts

On Tuesday, August 9 the Mount Laurel Diversity and Inclusion board held its first successful event, a night of guided discussions and desserts. Mayor Kareem Pritchett and Councilwoman Fozia Janjua joined the board, residents, and officers from the Mount Laurel Police Department in breaking down communication barriers on difficult subjects.

These guided discussions utilized prewritten prompts to help facilitate a powerful and respectful conversation about a variety of social issues, concerns, and the backgrounds of the participants.

“The Discussions and Desserts event in August was a huge success, and I can’t thank the board, residents, and officers enough for their willingness to have an open and honest discussion. We make our community and our relationships with our neighbors stronger by having these difficult, but necessary, conversations.” – Mayor Kareem Pritchett

The Diversity and Inclusion Board will be having another Discussions and Desserts event again this year. Information on this event will be on the website and Township social media accounts.

Any questions or community concerns can be sent anonymously to the Board’s email account, diversityboard@mountlaurel.com

Mount Laurel Fire Department Update:

FIRE PREVENTION WEEK, OCTOBER 9-15, 2022

According to NFPA data, home — the place people feel safest from fire — is actually where they are at greatest risk, with three-quarters (74 percent) of all US fire deaths occurring in homes. When a home fire does occur, it's more likely to be serious; people are more likely to die in a home fire today than they were in 1980.

A contributing factor is that today's homes burn faster and hotter than they used to, minimizing the amount of time they have to escape safely. In a typical home fire, people may have as little as two minutes (or even less) to get out from the time the smoke alarms sounds.

Following are key messages behind this year's "Fire Won't Wait. Plan Your Escape" theme:

- Make sure your home escape plan meets the needs of all your family members, including those with sensory or physical disabilities.
- Smoke alarms should be installed inside every sleeping room, outside each separate sleeping area, and on every level of your home. Smoke alarms should be interconnected so when one sounds, they all sound.
- Know at least two ways out of every room, if possible. Make sure all doors and windows open easily.
- Have an outside meeting place a safe distance from your home where everyone should meet.
- Practice your home fire drill at least twice a year with everyone in the household, including guests. Practice at least once during the day and at night.

ANNUAL FIRE PREVENTION NIGHT, OCTOBER 12, 2022, 6 PM -8:30 PM

Come join us at our annual fire prevention night. There will be a number of activities, public safety agencies, and family events geared towards promoting life safety. This year's event will take place at the Hartford School located at 397 Hartford Road.
