Third Saturday of Every Month

VINTAGE & STEAM

The poster features a central illustration of a carousel with three horses (two blue, one white) and a striped canopy. Above the carousel is a decorative band with flags. The entire scene is framed by a large, stylized sunburst or wheel-like pattern in shades of orange, red, and blue. The background has a textured, vintage feel.

Steam engines, vintage fair, steam-powered gallopers, classic & commercial vehicles, miniature railway, food and vintage music.
