C. Clay Harrell Arboretum

The Arboretum was dedicated at Honor Heights Park in June of 1992, and Memorial and Honor Trees are part of this botanical collection.

Citizens may contribute throughout the year, and trees are planted in the spring, which are dedicated at our Arbor Day Ceremony in the park in March. Currently, **we are accepting donations for our planting and dedication for the year 2024.**

Donations are currently being accepted for each tree in the amount of \$300.00, which includes purchase of the tree, plaque, upkeep of the tree, and replacement if the tree should die. Markers are placed at the base of the tree, designating the tree species, botanical name, and will include the name of the person memorialized. Fifty percent (\$150) of the cost for a dedication tree is added to The Arboretum Conservation Fund to ensure perpetual care of the tree. We currently have over 500 memorial trees planted in the Honor Heights Arboretum.

**Payment and the memorial information sheet may be sent to the Muskogee Parks and Recreation Department Office, 837 East Okmulgee, Muskogee, OK 74403.
