Upon a roll-call vote, the motion carried 5-2 with Mayor Odham and Alderman Aster voting against it.

Alderman Brinson made a motion to approve the agenda as amended, seconded by Alderman Royal. The motion carried unanimously 7-0.

**Consent Agenda**

Jesse Adams tendered an offer of \$2,250 for the purchase of Tax Parcel ID 8-039-197 on College Street. The property is a vacant residential lot with a tax value of \$4,500 that was acquired by the City in May 2000.

**7. Conduct a Public Hearing and Consider Adopting an Ordinance Amending the Schedule of Fees and Charges Relative to Leased Parking Rates.**

At the Board's retreat in November, a discussion was held about downtown parking and the City's leased parking lots. The current monthly rate for limited leased parking Monday through Friday from 7 a.m. until 5:30 p.m. is \$20 per space and unlimited leased parking is \$30 per space. There has been no rate increase since at least 2011. Staff recommended adjusting the limited rate to \$35 monthly and unlimited to \$45 monthly effective April 01, 2023.

Mayor Odham opened a public hearing. Kathy Adolph of 316 Liberty Street asked about the opportunity for others to lease spaces at the new rates or whether leases would only be offered to those who have a current lease. Mr. Hughes announced spaces are available for lease. The Craven Street lot is currently leased at 100%, and the Pollock and Hancock lots are 85% leased.

Alderman Aster made a motion to close the public hearing, seconded by Alderman Best. The motion carried unanimously 7-0.

Alderman Prill made a motion to adopt an ordinance amending the Schedule of Fees and Charges relative to leased parking rates, seconded by Alderman Royal. Upon a roll-call vote, the motion carried unanimously 7-0.

**8. Discussion of Converting the Pollock Street Parking Lot from Leased Spaces to a Pay-to-Park Mobile Lot.**

The City currently has three off-street, leased parking lots. The lots are located on Pollock Street across from City Hall, on Craven Street beside of Morgan's

Tavern and Grill, and on Hancock Street behind the Chelsea restaurant. At the November retreat, a discussion was initiated about transitioning the Pollock Street lot from a leased lot to a pay-to-park lot. Mr. Hughes described how the program would work and available options, and he briefly demonstrated the app. Implementation will take approximately 60 days, which would fall in line with the proposed fee changes for the leased lot. The app comes at no cost to the City, as the customer pays a user fee of approximately \$0.45. It will take about nine months to a year to see how well the app works. The City will still retain the ability to designate spaces for its employee parking.

Mayor Odham felt the City should proceed, but expressed some concern about tourists or retirees who may not be technologically advanced. Mr. Hughes said there is an option for customers to call a number instead of using the app. He also provided cost details of a kiosk system versus the app. By his estimation, the City should at least double its parking revenue in the first year. Currently, parking after 5 p.m. is free. With the app, fees would be assessed for parking after 5 p.m. Mayor Odham noted the after-hour charge is a policy decision that could be changed if needed. At the conclusion of the discussion, no one on the Board was opposed to proceeding. Mr. Hughes said staff would return at the next meeting to discuss fees and charges.

**9. Consider Adopting a Resolution to Sell 304 and 308 South Front Street.**

This item was tabled until February 14, 2023, as indicated at the beginning of the meeting.

NOTE: Items 10, 11 and 12 were voted on collaboratively as indicated under Item 12.

**10. Consider Adopting a Resolution to Sell Tax Parcel ID 8-015-023 on Neuse Avenue.**

The Board adopted a resolution on November 22, 2022 to initiate the upset bid process for Tax Parcel ID 8-015-023 (front of 1000 Neuse Avenue) after receiving an offer of \$3,000 from Argelis Arauz Fallas. The property is a vacant 0.23-acre parcel that was acquired by the City and County in 2006 through tax foreclosure. It has a tax value of \$6,000. If the property is sold for the initial bid, the City will receive \$1,266.67 and the County will receive \$1,733.33 from the proceeds.

**11. Consider Adopting a Resolution to Sell Tax Parcel ID 8-015-022 on Neuse Avenue.**

After receiving an offer of \$2,700 from Argelis Arauz Fallas for the purchase of Tax Parcel ID 8-015-022 (rear of 1000 Neuse Avenue), the Board adopted a resolution to initiate the upset bid process. The offer was advertised, but no additional bids were received. The property is a vacant 0.12-acre parcel with a tax value of \$5,400 that was acquired by the City in 2003. It is contiguous to and landlocked by the property identified in the previous item.

**12. Consider Adopting a Resolution to Sell 115 Hillmont Road.**

The Board adopted a resolution on November 22, 2022 to initiate the upset bid process for 115 Hillmont Road after receiving an offer of \$7,500 from Argelis Arauz Fallas. The bid was advertised, but no upset bids received. The property is a vacant 0.54-acre parcel with a tax value of \$15,000 that was acquired by the City and County in 2019 through tax foreclosure. If the property is sold for the initial bid, the City will receive \$3,229.41 and the County \$4,270.59 from the proceeds.

Alderman Prill made a motion to approve the sale of Tax Parcel ID 8-015-023 on Neuse Avenue, seconded by Alderman Brinson. Alderman Prill then amended his motion to approve the sale of all three lots referenced in Items 10, 11 and 12, which was again seconded by Alderman Brinson. Upon a roll-call vote, the motion carried unanimously 7-0.

**13. Consider Adopting a Resolution to Participate in the NC Cooperative Liquid Assets Securities System.**

The City's cash reserves are currently invested with the NC Capital Management Trust ("NCCMT"), which has been the only option for the last 40 years. An opportunity exists for the City to participate with the NC Cooperative Liquid Assets Securities Systems ("NC CLASS"), a financial and investment service that provides diversified investing. NC CLASS investments are limited to the investments outlined in NCGS §159.30. NC CLASS has an AAAM rating from Standard & Poor's, which is the same level held by NCCMT. If approved, New Bern will enter into an interlocal agreement to participate in a pool investment with Lincoln County and the Town of Hope Mills.

Matt Starr with Public Trust and Dan Klus with NC CLASS provided additional information on the local government pool. NC CLASS offers local governments a choice that was not previously available, and any NC local government has the opportunity to participate.

Kim Ostrom, Director of Finance, reported the City currently has \$67 million invested with the NCCMT. Alderman Aster asked whether Mrs. Ostrom felt the new investment opportunity was safe. In response, Mr. Starr noted 48 of the 50 states have an investment pool, and it is extraordinarily rare for the pools to "ever lose a dollar." Public Trust has been established for 11 years, but is not a bank and does not have insurance through the Federal Deposit Insurance Corporation ("FDIC"), nor does NCCMT.

Mayor Odham asked when the General Assembly took action to allow local governments to participate in pools. Mr. Starr said the statute had existed for as long as he could remember. The Mayor also inquired as to the return last year on the \$67 million invested with NCCMT, but Mrs. Ostrom was unaware. Alderman Brinson questioned the amount of the initial investment to be made, and Mr. Starr suggested \$5 to \$10 million. The LGC has approved the agreement and

documents that are included in the agenda package, but would not need to approve the transfer or deposit of funds into the pool.

Stating she was not a finance person, investor, or broker and noting this involved taxpayer dollars, Alderman Best said she personally felt a need to obtain a better understanding before the Board made a decision. Mayor Odham wanted to know the fees NCCMT would assess for withdrawing funds. Mrs. Ostrom confirmed there would be fees, but she did not know how much. In response, Mayor Odham stated he would agree with Alderman Best as he wanted to know how much it would cost to move the money. He was in favor if it was financially feasible, but he wanted to make sure the transaction would not simply swap one account for another with no return.

Mrs. Ostrom reported the initial minimum investment is \$1. For clarification, Mayor Odham asked if Mrs. Ostrom was seeking the Board's approval to participate in the pool without asking for any money at this time. Mrs. Ostrom replied that was correct. Mayor Odham asked Alderman Best if her concerns were eased knowing the Board was just moving forward with the potential to move money without making an investment at this time. After questioning and receiving confirmation from the Mayor that the action would be to have more discussion, Alderman Best responded yes.

Alderman Brinson made a motion to adopt a resolution to participate in the NC Cooperative Liquid Assets Securities System, seconded by Alderman Prill. Alderman Best asked if the motion should be amended since money would not be invested at this time. Mayor Odham did not feel it was necessary since the resolution did not associate a dollar amount. Mrs. Ostrom noted the resolution provided for \$1. Alderman Brinson said his understanding is the City's participation at this time would be to establish the trust and Board of Trustees before any assets are moved. Alderman Royal asked for clarity, noting Alderman Best had suggested the Board wait and have further discussion. Mayor Odham felt further discussion would be on the topic of how much to invest, but until the trust is established there is no conversation to have about the investment. Upon a roll-call vote, the motion carried unanimously 7-0.

NOTE: Items 14 and 15 were voted on collaboratively.

**14. Consider Adopting a Resolution Authorizing the City Manager to Execute a Contract for the Trent Road/Red Robin Project.**

A section of the Trent River outfall drainage requires repair of eroded ditch banks. Funding was allocated for these repairs through Ward 2's ARP allocation. The project was bid, and two responses received. JYMCO Construction Company, Inc. submitted the lowest bid at \$209,500. The proposed resolution authorizes the City Manager to execute a contract with JYMCO and any change orders that may arise within the budgeted amount.

**15. Consider Adopting a Resolution Authorizing the City Manager to Execute a Contract for the Trent Road Bank Stabilization Project.**

Similar to the previous item, a section of the Wilson Creek outfall drainage requires repair of eroded ditch banks. This section of ditch is located at the intersection of Trent Road and Red Robin Lane. Funding was allocated for the repairs through Ward 2's ARP allocation. The project was bid, and two responses received. JYMCO Construction Company, Inc. submitted the lowest bid at \$227,025.52. If approved, the resolution authorizes the City Manager to execute a contract with JYMCO and any change orders that may arise within the budgeted amount.

Alderman Royal made a motion to adopt resolutions authorizing the City Manager to execute a contract for the Trent Road/Red Robin Project and also execute a contract for the Trent Road Bank Stabilization Project, seconded by Alderman Brinson. Upon a roll-call vote, the motion carried unanimously 7-0.

**16. Consider Adopting a Budget Ordinance Amendment for FY2022-23.**

This budget ordinance amendment appropriates \$15,000 from the MSD's fund balance to cover the cost of pruning trees on James Reed Lane and along Craven, Middle, and Pollock Streets. It also recognizes a \$1,000 Walmart grant awarded to the Fire Department for the purchase of water rescue equipment.

Alderman Brinson made a motion to adopt a budget ordinance amendment for FY2022-23, seconded by Alderman Royal. Upon a roll-call vote, the motion carried unanimously 7-0.

**17. Consider Adopting an Amendment to the Resiliency and Hazard Mitigation Plan Grant Project Fund.**

The State of North Carolina awarded the City \$150,000 through the Environmental Enhancement Grant Program for stormwater improvement planning for the mid-section of the Duffyfield canal. This ordinance amends the Resiliency and Hazard Mitigation Plan Grant Project Fund to recognize the grant funds.

Alderman Best made a motion to adopt an ordinance amending the Resiliency and Hazard Mitigation Plan Grant Project Fund, seconded by Alderman Brinson. Upon a roll-call vote, the motion carried unanimously 7-0.

**18. Appointment(s).**

As announced at the last meeting, Julian Tripp and Stephanie Lovick resigned from the Redevelopment Commission, and appointments are needed to fill the remainder of their unexpired terms. Mrs. Lovick held Seat 1 with a term expiration of August 14, 2024, and Mr. Tripp held Seat 4 with a term expiration of August 14, 2026. Mayor Odham previously suggested each Board member nominate up to

two individuals to fill the vacancies. He has since spoken with the City Attorney, Scott Davis, about the methodology for casting votes to avoid a stalemate. Mr. Davis suggested each official vote for three nominees. The two nominees with the most votes will fill the vacancies. Since the seats have different term expirations, the Board can determine after its vote who will fill each seat.

Alderman Royal suggested the Board consider candidates who understand the culture of the area, the residents who live there, what poverty looks like, and what it is like to live in that area. Alderman Brinson appreciated those comments, but noted in his search for candidates he wanted people of action who would get something done rather than sit around and talk about great ideas. He felt these qualities should be in addition to those recommended by Alderman Royal.

Not having a chance to review the background of any of the nominees, Alderman Prill said he would not feel comfortable taking action until he could do that. Mayor Odham commented the Commission is looking for support now and delaying the vote would mean another month before the seats are filled. In accord with Alderman Prill, Alderman Royal also questioned how the Board could come to a decision without having information on the nominees' backgrounds. She felt the only way the Board could fairly vote on the nominees is to know something about the person. Alderman Best suggested each official give a synopsis of the nominees' qualifications tonight followed by a vote, and the Mayor said that too was his recommendation.

Alderman Brinson made a motion that each Alderman and the Mayor who have nominations will present whatever candidates they have and after those nominations have been made then each Alderman and the Mayor will get a vote for three to be recorded by the Clerk, and she can give the Board the top two candidates. Mrs. Mosley said the only point of clarity that the Board may want to consider is whether the three votes are cumulative or have to be given to a different candidate (i.e. whether all votes could be cast for one person, spread across two, or have to be cast for three different individuals). Alderman Brinson said his assumption was that the Board would vote for three different candidates. He then made a point of clarification regarding his motion to note that votes are to be cast for three different candidates, seconded by Alderman Aster.

Prior to the vote on the motion on the floor, Alderman Prill announced his wife would be one of his candidates. Since Alderman Prill holds an Ex-Officio position on the Commission, Ms. Blanco confirmed with Mr. Davis earlier in the day that there would be no conflict of interest should his wife be chosen to serve. Alderman Prill said his intention is to recuse himself from voting for his wife, but he questioned whether that was needed or if he could fully participate. Mrs. Mosley pointed out the three aldermen who sit on the Commission are liaisons without voting powers. Their role is to communicate between the Commission and the Governing Board. No legal conflict of interest exists. As to recusal, fellow board members would have to recuse Alderman Prill based on a statute; general uncomfortableness is not a statutory basis. Alderman Prill asked his fellow Board members about their comfort level with him potentially voting for his wife.

Alderman Best did not have a problem with him voting and did not think he needed to recuse himself. Alderman Brinson said he would be concerned if Alderman Prill did recuse himself since he is an Ex-Officio member and would have to live with the Board's decision while he did not have a voice in the matter. Mayor Odham also did not have an issue with Alderman Prill voting.

Mayor Odham reminded the Board of the motion on the table regarding the process for nominations. Upon a roll-call vote, the motion carried unanimously 7-0.

The following nominations were made and accompanied by a verbal count of each individual's background or qualifications:

Alderman Brinson:	Eric Thompson and Kellie Kiser
Alderman Best:	Antoinette Boskey and Jimmy Dillahunt
Alderman Kinsey:	Anne Schout and Jim Schout
Alderman Aster:	None
Alderman Royal:	Antoinette Boskey and Mark Best
Alderman Prill:	Kenneth Daub and Lori Ann Prill
Mayor Odham:	Sarah Proctor and Sharon Bryant

Mayor Odham confirmed with Mrs. Mosley that the individual who was nominated twice would only appear on the ballot once. Alderman Prill expressed disdain for the process and concern about lack of information for some of the nominees, pointing out written resumes were not available for all the individuals. Mayor Odham reminded Alderman Prill that he voted in affirmation of the process. Alderman Prill acknowledged that stating he did not want to hold up the process, but at the same time he felt the Board was, unfortunately, rushing the appointments.

As the Clerk prepared the ballots, the Board moved to Items 19 and 20. At the conclusion of the City Manager's report and new business, the Clerk distributed the ballots, read the votes aloud, and announced the results.

#### Ballot Voting

Prior to distributing ballots, Ms. Blanco reported she reviewed the addresses provided on the resumes and emails of interest as well as property records for those nominated verbally, and all candidates appear to reside in the City limits of New Bern. After the ballots were collected by the Clerk for tallying, the Board moved to Item 21 to discuss new business.

#### Ballot Results

The City Clerk read the ballots, which revealed the following votes:

Alderman Prill:	Antoinette Boskey, Lori Ann Prill, and Sharon Bryant
Alderman Royal:	Antoinette Boskey, Mark Best, and Sharon Bryant
Alderman Aster:	Eric Thompson, Sarah Proctor, and Sharon Bryant
Mayor Odham:	Kellie Kiser, Sarah Proctor, and Sharon Bryant

Alderman Kinsey: Jimmy Dillahunt, Anne Schout, and Jim Schout  
Alderman Best: Antoinette Boskey, Jimmy Dillahunt, and Sarah Proctor  
Alderman Brinson: Kellie Kiser, Sarah Proctor, and Sharon Bryant

The tally of all votes was as follows, bestowing the appointments to Sharon Bryant and Sarah Proctor:

Sharon Bryant – 5 votes  
Sarah Proctor – 4 votes  
Antoinette Boskey – 3 votes  
Kellie Kiser and Jimmy Dillahunt – 2 votes each  
Eric Thompson, Anne Schout, Jim Schout, Mark Best, and Lori Ann Prill – 1 vote each

Alderman Brinson made a motion for the appointee with the most votes to get the longest seat, seconded by Alderman Kinsey. The motion carried unanimously 7-0. Sharon Bryant's term will expire in 2026, and Sarah Proctor's term will expire in 2024.

**19. Attorney's Report.**

The City Attorney had nothing to report.

NOTE: Following the City Manager's report, the ballots were distributed as indicated under Item 18 above.

## **21. New Business.**

### Alderman Prill

At the request of a group of residents from the Historic Downtown Residents Association ("HDRA"), Alderman Prill met to discuss the proposed sale of the "Talbots" lots, strategic comprehensive planning for the City, and the MSD. He indicated to them that he recommended that the Board look at reconstituting the MSD Advisory Board. That recommendation is under review by the City Manager and City Attorney's office, and Alderman Prill anticipated it would come before the Board soon. He was hopeful the Board would reestablish the advisory board.

He and the City Manager met with representatives of the Riverside Historic Association. The association presented a petition requesting the speed limit on National Avenue be reduced from 35 mph to 25 mph. Staff is reviewing the matter, and the request may soon be presented to the Board for consideration.

With respect to the Mayor's recent appointments of Sabrina Bengel and Dana Outlaw to the Housing Authority, while the Mayor has the authority to make the appointments, Alderman Prill was concerned that all appointments made to various other boards, committees, and commissions are always made in a public meeting. He was concerned that the Housing Authority appointments were not at a public meeting or in a public session, and there was no urgency to make the appointments. They could have held off until tonight's meeting. Members of the community have expressed concerns about a lack of transparency. Unfortunately, in his mind, this issue falls in the category of a lack of transparency. The way the appointments were handled is a bad reflection on all the Board. The Governing Board had no input and no advance knowledge of the impending appointments. In response, Mayor Odham stated the Housing Authority seems to have no urgency. It has been over four years, and buildings that were flooded by Hurricane Florence are still standing. He and two previous Board members asked the Authority to hire a FEMA consultant, but the Authority refused to do so. A consultant has been extremely beneficial to the City of New Bern. There has been a lack of action by the Authority, which is why there was an urgency for the appointments. Mayor Odham asked Ms. Blanco how many times an appointment to the Housing Authority had been made during a public Board meeting, and she responded never to her knowledge. Alderman Prill countered that if something

has been done, in his mind, improperly for a long period of time, continuing the practice does not solve it. There is no reason the appointment of the two individuals could not have been handled in a public meeting. Mayor Odham said that was a matter of opinion and noted general statutes give the Mayor unilateral authority to make those decisions and appointments, which do not have to be made in a public meeting. Alderman Prill said he understood that, but it reflected badly on the full Board and the Board would be criticized because of this lack of transparency. Mayor Odham appreciated Alderman Prill's opinion, but disagreed. He said it should not be a reflection on the Board, as the Board does not have input in the decision; it is the Mayor's decision.

#### Alderman Royal

Residents were reminded that a Town Hall meeting will be held on February 6<sup>th</sup> at the West New Bern Recreation Center.

#### Alderman Best

She suggested moving forward that the Aldermen have an opportunity to present names to the Mayor for consideration of appointment to the New Bern Housing Authority.

NOTE: Following new business, the results of the ballot votes were announced as indicated under Item 18 above.

### **22. Closed Session.**

Alderman Royal made a motion to go into closed session pursuant to NCGS §143-318.11(a)(4) to discuss the location or expansion of industries or businesses to include economic development incentives, seconded by Alderman Prill. The motion carried unanimously 7-0, time being 7:45 p.m.

#### Open Session

Alderman Brinson made a motion that the Mayor and City Manager be appointed to Bradhams Legacy, a 501(c)(3), seconded by Alderman Kinsey. The motion carried unanimously 7-0.

The poll results of the Board's availability for a February work session were reviewed. Alderman Royal made a motion to have a workshop on Monday, February 27<sup>th</sup>, from 1-4 p.m. at City Hall, seconded by Alderman Best. The motion carried unanimously 7-0.
