Today's topics

Old Business

- New Employee Safety Orientation
 1. We are now providing 3 levels of New Employee Safety Orientation (see the handouts)
- First Aid
 1. I had discussions with NC OSHA about compliance based on the time of response. They are much less concerned about timing than with exposure based "otherwise every company out there would have to have First Aid/CPR first responders and that is not what "spirit of the law" intended.
- OSHA 300 Logs
 1. They were sent out before Feb 1st. I hope you got them and have posted them.

New Business

- NEO
- NIMS Training & Record Keeping
- Burn Response Policy
- Safety and Health Program
- Forklift Driver Training

Injuries since last meeting:

Medical Only:	1 PD
Restricted Duty:	1 Public Works.
Lost time:	1 PD (denied)
