

STANLEY WHITE RECREATION CENTER

PUBLIC ENGAGEMENT SESSION #1

The Stanley White Recreation Center is a key part of the history and “story” of the local neighborhood. Its presence has been sorely missed since it was substantially damaged during Hurricane Florence in 2018. The City is excited to launch the planning efforts to rebuild the facility!

The project is in the early stages of design and programming and we need your help to understand the needs of your Community.

NEW BERN

PARKS & RECREATION

WHO IS DEVELOPING THE PROJECT?

TOTAL BUDGET	\$8,006,649.05

PROJECT SCHEDULE

We are currently here in the project development process

We anticipate completing the project planning and cost estimates in January 2021

PUBLIC ENGAGEMENT

How?

Core Principles:

1. Communication
2. Consult, early and often
3. Relationships are key
4. Understand what success is
5. Take responsibility

WHY ARE YOU HERE?

KEY QUESTIONS FOR YOU TODAY

WHAT DO **YOU** WANT TO EXPERIENCE AT A FUTURE RECREATION CENTER?

WHAT PROGRAMS AND SPACES WOULD BEST SERVE THE YOUTH, TEENS, ADULTS, AND SENIORS FOR THE NEXT 50+ YEARS?

WHAT ARE YOUR FAVORITE MEMORIES OF THE FACILITY?

WHY ARE WE HERE?

Your **NEEDS, VALUES**
OPINIONS, CONCERNS
HOPES AND DREAMS are critical in
planning to reconstruct and
reestablish the Stanley White
Recreation Center.

**WE NEED TO HEAR FROM
ALL STAKEHOLDERS!!!**
