CITY OF NEW BERN STANLEY WHITE COMMUNITY RECREATION CENTER Advisory Committee Meeting

OUR PROCESS

PROGRAMMING

CONCEPTUAL DESIGN / SITE DESIGN AND MASTER PLANNING

ENGAGEMENT FINDINGS – FOCUS GROUPS

Spaces / needs within the building:

- Room for education space
- Great for families
- Very excited about education component
- Test kitchen very important for demonstrations
- Non-profits to come together to feed community
- Enterprise/Business space to work with non-profits
- Facility could be an emergency shelter (only if located at alternate location)
- Food insecurity is a big issue currently. What was there in the 70s as opposed to the needs of today
- State of the art, comprehensive recreation facility for the next 50 years.
 Integration of technology is important
- Potential of access to parts of building at later hours for rentals/community events

ENGAGEMENT FINDINGS – FOCUS GROUPS

Outdoor spaces / needs:

- Kids garden/community garden at Henderson Park currently
- Craven Terrace is walkable to community center current and proposed location
- People in community want a water feature
- Small amphitheater at Henderson Park
- Stormwater as an education tool
