My Entire Athleticism began @ Stanley White.
When there was nothing to do but trouble, we knew
we had a safe haven to display all our talents. It
easily help the leaders in our community reach
out to us all & keep us productive. Rather than dem-
olishing it & removing it, revitalize the gym, no one
in Yearsssss even gave it so much attention
until recently & it so happen to be about tearing
it down. Why tear it down, just to eventually build
another, every community needs a Community Center for

Stanley White has been the life line for children within the reason who play sports and participate on various sports events such as baseball, Football and basketball.

Also, Stanley White has been a meeting place for residents living within the region.

I have personally had the privilege of working with the Stanley White staff as a volunteer for football and basketball. I look forward to seeing the Stanley White be rebuilt in the community.

Ms. Murky

Growing up in New Bern, my friends + I spent many afternoons playing basketball in Duffy field. Stanley White was always a place we could go that was safe + steady. It should remain in the community. Period.

I coached Pop Warner Football for 15 yrs. Our trophies line the walls of Stanley White. We were so proud to have our community positively represented in this way. I also remember taking ceramics, exercise and more with our friends and we ran wonderful after school programs. I am certain that we need this resource in our community + am certain that it needs to be built back ^{BIGGER} ^{BETTER}.

Rev Ethel Sampson Pres. of Original
Concerned Citizens, we have the only
organization that went hold meetings in
any other Building. I want Stanley
White to remain where it is regardless
to how they build up beautiful sayings
about better things. They can promise
anything but I know better. I spent
many day at Stanley White & ball games
Cooking, Ceramics meetings, etc. ①
I was a volunteer in everything

they did. My kids, grands and great
grands, relative and friends played

- Youth ball team practice, community meetings, Duffest, after school, different special community events, Summer Camp, brought unity.
- I grew up playing at SWRC. I also attended comm. meetings with my mom. Now as a community organizer & engager I have attended comm. meetings to plan for our future. My daughter has also played here and attended Summer Camp @ SWRC. We also attend Duffest.

cont. - STANLEY WHITE REC. CENTER

Before the SWRC, there was the Cedar Street Rec.
Ctr (DUELLA CTR) still a focal point (huge center but for
to even more communities). This location was home to the
Kindergarten classes, Intramural sports (youth & adult),
community events, socials etc. I am distressed at
the void presented by its closing. I want the Best
opportunities, offerings and provisions to our Area.
It is a vast Resource sorely lacking. I Desire
The Best and Best in this Restoration.
